Item 5.02. Departure of Directors or Certain Officers.

As publicly announced on April 30, 2010, the ordinary shareholders of XL Capital Ltd, a Cayman Island exempted company (the "Company"), have approved the redomestication of the parent company of the XL group of companies to Ireland. As set forth in the Company's proxy statement dated March 9, 2010 relating to the special meetings (the "Proxy Statement"), this is to be accomplished by a scheme of arrangement (the "Scheme of Arrangement") pursuant to which the new Irish company, XL Group plc, will become the ultimate parent holding company of the XL group of companies, and the current directors of the Company will become the directors of XL Group plc and will resign from the board of what will then be a subsidiary company. Accordingly, each of our current directors (Robert R. Glauber, Michael S. McGavick, Dale R. Comey, Herbert N. Haag, G. Thompson Hutton, Joseph Mauriello, Eugene M. McQuade, Clayton S. Rose, Ellen E. Thrower and John M. Vereker) has delivered to the Company his or her conditional resignation from the Company's Board of Directors effective only upon consummation of the redomestication, at which time they will become directors of the new parent company. The resignations will have no force or effect in the event the redomestication is not completed for any reason.

Item 8.01. Other Events.

The Company issued a press release on April 30, 2010 announcing, among other things, the results of the shareholder meetings with respect to the redomestication. A copy of the press release is attached as Exhibit 99.1 and is incorporated herein by reference. The Company’s Series C and Series E preference shareholders did not approve the exchange of their preference shares for preference shares of the new Irish parent holding company and, as a result, they will remain shareholders of XL Capital Ltd following the completion of the redomestication. As disclosed in the Proxy Statement, the redomestication is not conditioned on completion of the exchange of the preference shares or any approval by the Company’s Series C or Series E preference shareholders. Accordingly, the Company expects to complete the redomestication if the Company obtains the requisite approval from the Grand Court of the Cayman Islands and the other conditions to the Scheme of Arrangement are satisfied or, if allowed by law, waived.
