PROXY STATEMENT
OF
PARKE BANCORP, INC.

ANNUAL MEETING OF SHAREHOLDERS
APRIL 26, 2011

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Parke Bancorp, Inc., the bank holding company of Parke Bank, a New Jersey chartered commercial bank, to be used at an Annual Meeting of Shareholders to be held at the Terra Nova restaurant, 590 Delsea Drive, Washington Township, New Jersey, on April 26, 2011, at 10:00 a.m. The accompanying Notice of Annual Meeting and this Proxy Statement are being first mailed to shareholders on or about March 28, 2011.

At the Annual Meeting, shareholders will consider and vote upon (i) the election of four directors of the Company; (ii) the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2011 and (iii) an advisory (non-binding) proposal regarding executive compensation.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holder the discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournment thereof.

VOTING AND PROXY PROCEDURES

Who Can Vote at the Annual Meeting

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 17, 2011 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 4,442,233 shares of Common Stock were outstanding. Each share of Common Stock has one vote on each matter presented.

Voting by Proxy

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed Proxy Card. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy Card. If you sign, date and return the Proxy Card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends a vote "FOR" its nominees for director, "FOR" the ratification of the appointment of McGladrey &

Pullen, LLP as our independent auditors and “FOR” the advisory proposal regarding executive compensation.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Proxy Card will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Proxy Card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must advise the Company’s Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in “street name,” you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

Vote Required

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return a valid proxy or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner. Please note that pursuant to the rules that guide how brokers vote your stock, your brokerage firm or other nominee may not vote your shares with respect to Proposals I or III without specific instructions from you as to how to vote because neither of these Proposals are considered “routine” matters under the applicable rules.

In voting on the election of a director, you may vote in favor of the nominee or withhold votes as to the nominee. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of McGladrey & Pullen LLP as our independent auditors or the proposal regarding executive compensation, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, these proposals require the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on these proposals.

 PRINCIPAL HOLDERS OF OUR COMMON STOCK

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports regarding their ownership with the Securities and Exchange Commission. A person is the beneficial owner of shares of Common Stock if he or she has or shares voting or investment power over the shares or has the right to acquire beneficial ownership of the shares at any time within 60 days from the Record Date. The following table sets forth information as of the Record Date with respect to the persons or groups known to the Company to beneficially own more than 5% of the Common Stock as well as directors and executive officers as a group.

The Board believes potential directors should be knowledgeable about the business activities and market areas in which the Company engages. The committee and the Board of Directors may consider diversity in market knowledge, experience, employment, and other factors.

Compensation Committee. The Compensation Committee is comprised of Directors Choate, Dalton, Hedenberg, Jannetti, Pennoni, Phalines and Sheppard. The Committee met 2 times during the 2010 fiscal year. The Compensation Committee has not adopted a written charter.

Audit Committee. The Audit Committee is comprised of Directors Choate, Dalton, Dobson, Phalines and Pennoni. The Committee met 4 times in fiscal year 2010. The Board of Directors has adopted a written audit committee charter for the Audit Committee is available on the Company's web site, www.parkebank.com.

Audit Committee Financial Expert. The Board of Directors has determined that Fred G. Choate is an Audit Committee "financial expert" as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities and Exchange Commission. Mr. Choate would be considered an independent director, under the rules of The Nasdaq Stock Market including the specific independence requirements for audit committee members.

Shareholder Communications

The Board of Directors does not have a formal process for shareholders to send communications to the Board. In view of the infrequency of shareholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled

Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of shareholders. All of the Board's twelve members attended the 2010 annual meeting of shareholders.

Board Leadership Structure and Role in the Risk Management Process

Director Vito Pantilione serves as Chief Executive Officer of the Company and Director Celestino R. Pennoni serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President will enhance Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President will allow the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its Audit, Loan and Asset/Liability committees and, when necessary, special meetings of independent directors.

EXECUTIVE COMPENSATION

Effective January 30, 2009, we became a participant in the United States Treasury Department's Capital Purchase Program ("CPP") under the Emergency Economic Stabilization Act of 2008 ("EESA"). Under EESA and Treasury Department rules, this requires us to comply with certain limits and restrictions concerning executive compensation throughout the time the Treasury Department holds an interest in our shares.

One CPP requirement is that all bonuses and other incentive compensation arrangements with the executive officers required to be named on our Summary Compensation Table (the "Named Executive Officers") must provide that, during the time the Treasury Department holds an equity position in us, we may recover (or "claw-back") any payments that were based on materially inaccurate financial statements or any other materially inaccurate performance metrics used to award bonuses or incentive compensation. Additionally, under the CPP program, we are prohibited from deducting compensation for any Named Executive Officer ("NEO") to the extent such compensation exceeds \$500,000 during any portion of a year in which the Treasury Department holds an interest in our shares, even if the compensation qualifies as "performance-based" compensation under Section 162(m) of the Internal Revenue Code ("Code"). Therefore, a portion of any future compensation, including compensation attributable to stock options or stock awards for any Named Executive Officer may not be deductible in 2010, and any other year in which the Treasury Department holds an interest in our shares to the extent that compensation paid to any NEO exceeds \$500,000.

Our CEO, CFO and three of our most highly compensated senior executive officers ("SEOs") voluntarily executed SEO Waiver Forms and SEO Letter Agreements in connection with our participation

in the CPP program. By executing these documents, the SEOs waived any claims they may have as individuals against the Treasury as a result of modifications to their existing compensation arrangements that are made or will be made in order to be in compliance with Section 111 of the Emergency Economic Stabilization Act (EESA).

Such modifications on executive compensation matters include (i) ensuring that incentive compensation for the SEOs do not encourage unnecessary and excessive risks that threaten our value; (ii) requiring a “clawback” of any bonus or incentive compensation paid to an SEO based on statements of earnings, gains or other criteria that are later proven to be materially inaccurate; and (iii) agreeing we would not to deduct for tax purposes executive compensation in excess of \$500,000 in a tax year for each SEO.

Section 111 of EESA was amended in its entirety with the enactment of the American Recovery and Reinvestment Act of 2009 (ARRA) on February 17, 2009. In accordance with the provisions of ARRA, no severance payments may be made to the SEOs during the period in which the U.S. Treasury holds its equity investment in our Company (other than any warrants previously issued). In addition, no bonus, retention or incentive compensation may be paid to, or accrued for, at least the five most highly compensated employees, except for such compensation in the form of: (i) long-term restricted stock that do not fully vest during the period in which the U.S. Treasury holds its equity investment in us; (ii) has a value not greater than one-third of the total amount of annual compensation of the executive receiving the stock; and (iii) other terms and conditions as the Treasury Secretary may determine are in the public interest. Bonus and incentive payments in accordance with legally binding employment contracts in place as of February 11, 2009, such as President’s Pantilione’s employment agreement, are not subject to such limitations on compensation. The Treasury has issued Interim Final Regulations in June 2009 to assist in complying with these requirements under Section 111 of EESA, as amended by ARRA.

Option Exercises and Stock Vested. There were no stock awards during the last fiscal year for the Named Executive Officers. Mr. Middlebrook exercised 2,703 options at a price of \$4.62.

Nonqualified Deferred Compensation. The Bank implemented a Supplemental Executive Retirement Plan (“SERP”) effective January 1, 2003. Vito S. Pantilione, President and David O. Middlebrook, Senior Vice President, are each participants in the SERP. Under the SERP, retirement benefits are payable to such participant commencing upon retirement after attainment of age 60 at the rate of 50% of their highest base salary paid while an employee of the Bank for the remainder of their life. If such retirement benefit payments are made for less than ten years, a survivor benefit will continue to be paid for the balance of such ten year period. Such benefits are in addition to any social security benefits. Upon a change of control of the Bank prior to the date of retirement of a participant, all benefits shall be deemed earned and non-forfeitable as if such participant had attained his or her retirement date at age 60. A participant may elect to retire after age 55 and such benefits payable shall be actuarially reduced to reflect the earlier payment commencement date. If a participant dies prior to age 60 while employed by the Bank, a survivor benefit will be paid equal to 100% of the participant’s highest salary for one year and 50% of such salary for four additional years. Benefits under the plan may be paid in the form of a lump-sum on an actuarially equivalent basis. For the year ended December 31, 2010, the Bank had total accrued plan expense of \$2,649,000 with respect to benefits payable under the SERP. Benefits under the SERP will be a tax deductible expense to the Bank at the time that actual benefit payments are made. The Bank has invested in various life insurance agreements (commonly known as BOLI, for bank-owned life insurance) with policy proceeds payable to the Bank in the event of the death of plan participants. Such insurance proceeds and earnings related to such investments are anticipated to exceed any plan costs related to benefit payments.

Potential Payments Upon Termination or Change-in-Control. As described below, certain of the Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. The following table shows the payments that would be made to the Named Executive Officers at, following or in connection with any termination of their employment in the specified circumstances as of the last business day of the last fiscal year.

Name and Plan	Voluntary Termination(1)	Early Retirement(2)	Normal Retirement(2)	Involuntary Not For Cause Termination(3)	For Cause Termination(3)	Change-in-Control Termination(3)	Disability(4)	Death(5)
V i t o S . Pantilione	\$ 380,000	\$ 190,000	\$ 190,000	\$ 1,500,000	\$ 0	\$ 1,500,000	\$ 380,000	\$ 695,000
David O. Middlebrook	0	72,500	92,515	425,000	0	425,000	0	200,000
E l i z a b e t h Milavsky	0	0	0	565,000	0	565,000	0	200,000

(1) The payment represents the annual amount payable to the executive for a minimum of 2 years and a maximum of 3 (2) years.

Early retirement payments and normal retirement payments represent eligible annual payments under the SERP Plan for ages 55 and 60, respectively.

(3) These payments represent a maximum lump sum payment to the Named Executive upon termination of their contract.

(4) The disability payment includes insurance disability as well as Company compensation on an annual basis for the remainder of the named executive's term of employment contract (minimum of 2 years up to a maximum of 3 years).

(5) Death benefits represent total life insurance payments that would be paid out to the named executive's heirs.

Employment Agreements. The Bank has entered into an employment agreement with Mr. Pantilione. Mr. Pantilione's base salary under the employment agreement for the year ended December 31, 2010 was \$380,000. Mr. Pantilione's employment agreement has a term of three years that is automatically extended for one year on January 1st of each year, unless notice of termination of the automatic extension is given in accordance with the terms of the employment agreement. The employment agreement may be terminated by the Bank for "cause" as defined in the agreement. If the Bank terminates Mr. Pantilione's employment without just cause, he will be entitled to a continuation of his salary from the date of termination through the remaining term of the agreement. The employment agreement contains a provision stating that after Mr. Pantilione's employment is terminated in connection with any change in control, he will be paid a lump sum amount equal to the balance of the annual compensation due under the agreement plus an amount equal to 3.0 times the highest rate of bonus awarded to him during the three years prior to such termination. If payment had been made under the agreement as of December 31, 2010, the payment to Mr. Pantilione would have equaled approximately \$1,500,000. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason,

to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also contains an agreement not to compete with the Bank which restricts certain post-employment activities of the employee within the Counties of Gloucester, Camden, Salem or Cumberland, New Jersey, for two years following termination of employment with the Bank.

Change in Control Severance Agreements. The Company has implemented Management Change in Control Agreements with certain of its named executive officers (Elizabeth Milavsky, Executive Vice President and David Middlebrook, Senior Vice President). Such severance benefits

associated with termination of employment following a change in control will equal two and one-half times the most recent salary and bonus-payment, not to exceed the tax deductible amounts under Section 280G of the Code.

RELATED PARTY TRANSACTIONS

In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. The terms of these related party loans, including interest rates, collateral and repayment terms, are similar to those prevailing for comparable transactions with other customers and do not involve more than a normal risk of collectability or other unfavorable features. At December 31, 2010, the aggregate outstanding principal balance of all such related party loans was \$24,023,000 and all such loans were current and performing in accordance with their terms.

The Company purchased in 2010 employee benefits such as medical insurance, life insurance and disability insurance from an insurance agency owned by one of its Board members, Jeffrey H. Kripitz, which amounted to \$389,000. Mr. Kripitz has beneficial ownership of 261,417 shares, or 5.87% of the Company's outstanding shares.

PROPOSAL II -- RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has appointed McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2011, subject to ratification by the Company's shareholders. A representative of McGladrey & Pullen, LLP is expected to be present at the Annual Meeting and available to respond to appropriate questions, and he will have the opportunity to make a statement if he so desires.

Audit Fees. The aggregate fees billed by McGladrey & Pullen, LLP for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2010 and 2009, were \$104,497 and \$96,127, respectively.

All Other Fees. The aggregate fees billed by McGladrey & Pullen, LLP for all other services for the years ended December 31, 2010 and 2009, were \$0 and \$0, respectively.

The Audit Committee has not established pre-approval procedures and instead specifically approves each service prior to the engagement of the auditor for all audit and non-audit services. It is the

Audit Committee's policy to pre-approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. All of the services listed above for 2010 and 2009 were approved by either the Company's or the Bank's Audit Committee prior to the service being rendered. There were no services that were not recognized to be non-audit services at the time of engagement that were approved after the fact.

Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the shareholders of the Company at the Annual Meeting. The Board of Directors recommends that shareholders vote "FOR" the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditor for the 2011 fiscal year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's main responsibilities include establishing and reviewing the Company's internal controls and operating procedures to ensure compliance by the Company with all applicable laws, regulations, generally accepted accounting standards and customary operating procedures and practices. PROPOSAL III – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The American Recovery and Reinvestment Act of 2009 requires the Company to permit a non-binding shareholder vote on the compensation of the Company's named executive officers, as described in its proxy statement during the period in which any obligation arising from the Company's participation in the TARP Capital Purchase Program remains outstanding.

This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s shareholders the opportunity to endorse or not endorse the Company’s executive pay program and policies through the following resolution:

“Resolved, that the shareholders approve the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in this proxy statement.”

As provided in the Act, this vote will not be binding on the board of directors and may not be construed as overruling a decision by the board nor to create or imply any additional fiduciary duty by the board. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting. On this matter, abstentions will have no effect on the voting. The Board of Directors unanimously recommends a vote “FOR” approval of the compensation of the named executive officers.
