Exhibit 99.1

CNOOC LIMITED

Press Release - For Immediate Release

CNOOC Signs a PSC with Smart Oil

(Hong Kong, April 12, 2019) - CNOOC Limited (the “Company”, SEHK: 00883, NYSE: CEO, TSX: CNU) announced today that its parent company, China National Offshore Oil Corporation (CNOOC), has signed a production sharing contract (PSC) with Smart Oil Investment Ltd. (Smart Oil) for Bohai 09/17 Block (contract area).

Bohai 09/17 Block is located in the Qikou sag, Bohai Bay Basin in China. It covers a total area of 509.3 square kilometers with a water depth of 5-10 meters.

According to the terms of the PSC, Smart Oil shall act as the Operator during the exploration period and conduct exploration activities in the block mentioned above, in which all expenditures incurred will be borne by Smart Oil. Once entering the development phase, CNOOC has the right to participate in up to 51% of the participating interest in any commercial discoveries of the Bohai 09/17 Block. After signing the above-mentioned PSC, except for those relating to CNOOC’s administrative functions, CNOOC will assign all of its rights and obligations under the PSC to CNOOC China Limited, a subsidiary of CNOOC Limited.

This press release includes “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995, including statements regarding expected future events, business prospectus or financial results. The words “expect”, “anticipate”, “continue”, “estimate”, “objective”, “ongoing”, “may”, “will”, “project”, “believe”, “plans”, “intends” and similar expressions are intended to identify such forward-looking statements. These statements are based on assumptions and analyses made by the Company in light of its experience and its perception of historical trends, current conditions and expected future developments, as well as other factors the Company believes are appropriate under the circumstances. However, whether actual results and developments will meet the expectations and predictions of the Company depends on a number of risks and uncertainties which could cause the actual results, performance and financial condition to differ materially from the Company’s expectations, including but not limited to those associated with fluctuations in crude oil and natural gas prices, the exploration or development activities, the capital expenditure requirements, the business strategy, whether the transactions entered into by the Group can complete on schedule pursuant to their terms and timetable or at all, the highly competitive nature of the oil and natural gas industries, the foreign operations, environmental liabilities and compliance requirements, and economic and political conditions in the People’s Republic of China. For a description of these and other risks and uncertainties, please see the documents the Company files from time to time with the United States Securities and Exchange Commission, including the Annual Report on Form 20-F filed in April of the latest fiscal year.

Consequently, all of the forward-looking statements made in this press release are qualified by these cautionary statements. The Company cannot assure that the results or developments anticipated will be realised or, even if substantially realised, that they will have the expected effect on the Company, its business or operations.
