SUBJECT TO COMPLETION, DATED OCTOBER 15, 2004

November [], 2004

Dear Aventis U.S. Shareholder:

As a result of the broad success of its revised offers, which were accepted by an overwhelming number of Aventis shareholders worldwide, Sanofi-Aventis (formerly known as Sanofi-Synthelabo) now owns 97.98% of the share capital of Aventis and has created the largest pharmaceutical group in Europe and the third largest in the world.

In order to create a more simplified legal structure that better reflects the operational organization of the new group, Sanofi-Aventis and Aventis have entered into a merger agreement, dated October 14, 2004, that provides for the merger of Aventis with and into Sanofi-Aventis, with Sanofi-Aventis continuing as the surviving company. In the merger, all of the assets and liabilities of Aventis will be transferred in accordance with French law to Sanofi-Aventis, and Aventis will be dissolved, without any liquidation distribution.

If you hold Aventis ordinary shares, as a result of the merger, by operation of French law, you will become a shareholder of Sanofi-Aventis and will be entitled to receive 27 newly issued Sanofi-Aventis ordinary shares, nominal value 2 per share, for every 23 Aventis ordinary shares, nominal value 3.82 per share, that you hold at the effective time of the merger (or approximately 1.1739 Sanofi-Aventis ordinary shares for each Aventis ordinary share). We expect the merger to be effective on December 31, 2004.

If you hold Aventis ADSs (each Aventis ADS representing one Aventis ordinary share), as a result of the merger, your Aventis ADSs will represent an ownership interest in the merger consideration received by the Aventis depositary in respect of the deposited Aventis ordinary shares underlying your Aventis ADSs. However, in connection with the merger, Aventis has amended, and intends to terminate, the Aventis deposit agreement with the result that you will be entitled to receive your interest in the merger consideration in the form of Sanofi-Aventis ADSs (each Sanofi-Aventis ADS representing one-half of one Sanofi-Aventis ordinary share). Accordingly, you will be entitled to receive 54 Sanofi-Aventis ADSs for every 23 Aventis ADSs that you hold at the effective time of the merger. See Treatment of Aventis ADSs in Connection With the Merger .

Aventis has scheduled an extraordinary general meeting of shareholders on December 13, 2004 to consider and vote upon a proposal to approve the merger agreement. In general, holders of Aventis ordinary shares that have properly registered their shares at least two days before the meeting will be entitled to vote at the extraordinary general meeting or any adjourned or postponed meeting. However, because Sanofi-Aventis owns 791,317,831 Aventis ordinary shares (representing 98.02% of the votes entitled to be cast at the extraordinary general meeting of shareholders), Sanofi-Aventis can cause the merger agreement to be approved by Aventis shareholders without the affirmative vote of any other Aventis shareholder and intends to do so. **Therefore, neither Aventis nor Sanofi-Aventis is asking you for a proxy and you are requested not to send us a proxy.**

The accompanying document provides a detailed description of the proposed merger and the merger consideration that you will receive. We urge you to read it carefully. **For a discussion of the risk factors that you should consider carefully in evaluating the merger, see Risk Factors beginning on page 20.**

Sincerely,
[signature block]

Gérard Le Fur
Chairman of the Aventis Management Board

Sincerely,
[signature block]

Jean-François Dehecq
Chairman of the Aventis Supervisory Board

Sanofi-Aventis expects to issue 19,122,885 Sanofi-Aventis ordinary shares in the merger, including 2,696,017 Sanofi-Aventis ordinary shares to be represented by Sanofi-Aventis ADSs issued to former holders of Aventis ADSs. Sanofi-Aventis ordinary shares are listed on Euronext Paris and trade on the *Premier marché* of Euronext Paris under the symbol SAN , and are listed on the New York Stock Exchange, or NYSE, for listing purposes only. Sanofi-Aventis ADSs are listed on the NYSE and trade under the symbol SNY .

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: Who is Sanofi-Aventis? (See page 69)

A: Sanofi-Aventis was formerly known as Sanofi-Synthelabo. We changed our name to Sanofi-Aventis, effective as of the settlement of our offers for Aventis, on August 20, 2004. At that time, we acquired control of Aventis. Through our acquisition of Aventis, Sanofi-Aventis has created the largest pharmaceuticals group in Europe and the third largest in the world.

Q: What is the relationship between Aventis and Sanofi-Aventis after the closing of the offers? (See page 39)

A: After accepting for purchase or exchange all of the Aventis ordinary shares tendered into our offers during both the initial offering period ended July 30, 2004, and the subsequent offering period ended September 6, 2004, Sanofi-Aventis holds 791,317,831 Aventis ordinary shares, representing 97.98% of the share capital and 98.02% of the voting rights of Aventis outstanding as of October 8, 2004. Aventis is currently a subsidiary of Sanofi-Aventis.

Q: Why is Aventis going to merge with Sanofi-Aventis? (See page 43)

A: Sanofi-Aventis believes that merging Aventis with and into Sanofi-Aventis, with Sanofi-Aventis continuing as the surviving company, will result in a simplified legal structure, which will facilitate the integration of the two groups and allow a more direct and effective management of the combined group's operating assets.

Sanofi-Aventis also believes that by exchanging their Aventis securities in connection with the merger, holders of Aventis securities (and holders of Aventis stock options) will be able to benefit from the greater liquidity of Sanofi-Aventis securities.

Q: What will happen in the merger? (See page 44)

A: At the effective time of the merger,

Aventis will transfer all its assets and liabilities to Sanofi-Aventis by operation of law;

Aventis will be dissolved, without any liquidating distribution, and will cease to exist; and

All of the Aventis ordinary shares (other than Aventis ordinary shares held by Aventis, if any, or by Sanofi-Aventis) will be exchanged for Sanofi-Aventis ordinary shares.

Q: I hold Aventis ordinary shares; what consideration will I receive in the merger? (See page 45)

A: If you hold Aventis ordinary shares, in the merger you will receive 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares that you hold as of the effective time of the merger (or approximately 1.17391 Sanofi-Aventis ordinary shares for each Aventis ordinary share).

Q: I hold Aventis ordinary shares; how does the merger consideration compare to what I would have received had I tendered in my Aventis ordinary shares in the offers?

A: The merger consideration is based on the consideration that Sanofi-Aventis offered under the all stock election in the revised offer, before the downward adjustment in respect of the Aventis 2003 dividend. Under the all stock election in the offer, before this adjustment, we offered to exchange 1.1739 Sanofi-Aventis ordinary shares for each Aventis ordinary share, which is substantially the same exchange ratio as the 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares that you will receive in the merger. After adjustment in respect of the 0.82 Aventis 2003 dividend, we offered to exchange 1.1600 Sanofi-Aventis ordinary shares for each Aventis ordinary share, which is less than the merger exchange ratio. However, you will **not** be entitled to receive the dividend that Sanofi-Aventis paid on September 30, 2004 in respect of its 2003 results on the Sanofi-Aventis ordinary shares that you receive in the merger.

Q: I hold Aventis ordinary shares but do not hold a multiple of 23 Aventis ordinary shares. How will fractional shares be treated in the merger? (See page 46)

Edgar Filing: SANOFI-AVENTIS - Form POS AM

- A: Sanofi-Aventis will not issue any fractional interests in any Sanofi-Aventis ordinary shares in the merger. Accordingly, if you hold Aventis ordinary shares, you will only be entitled to receive your merger consideration in full in respect of round-number multiples of 23 Aventis ordinary shares that you hold. As a

ii

Table of Contents

result, in order to receive all your merger consideration, you must purchase or sell a number of Aventis ordinary shares such that you hold a round-number multiple of 23 Aventis shares.

To facilitate this, after the effective time of the merger, Aventis ordinary shares (which will then represent only the right to receive the merger consideration) will continue to trade for one month on the *Premier marché*, and then for six months on the delisted securities market (*Compartment des valeurs radiées*) of Euronext Paris. Subject to the effectiveness of the merger, until March 31, 2005, Sanofi-Aventis will pay the brokerage fees and value-added tax incurred by Aventis shareholders, up to 0.3% of the price of each Aventis ordinary share bought or sold and related to the purchase or sale of up to a maximum of 22 Aventis ordinary shares per holder.

Q: I hold Aventis ADSs; what consideration will I receive in connection with the merger? (See page 52)

A: In the merger, all of the Aventis ordinary shares deposited with the Aventis depository and represented by your Aventis ADSs will be exchanged for Sanofi-Aventis ordinary shares. Without action on our part, your Aventis ADSs would otherwise come to represent Sanofi-Aventis ordinary shares. However, in connection with the merger, Aventis has caused the depository to amend the deposit agreement to provide that on termination, your ownership interest in the deposited Sanofi-Aventis ordinary shares will be delivered to you in the form of Sanofi-Aventis ADSs, together with cash in lieu of any fractional interest in any Sanofi-Aventis ADS.

At the effective time of the merger, the Aventis deposit agreement will terminate. As a result, you will be entitled to receive 54 Sanofi-Aventis ADSs (each Sanofi-Aventis ADS representing one half of one Sanofi-Aventis ordinary share) for every 23 Aventis ordinary shares that you hold as of the effective time (or approximately 2.3478 Sanofi-Aventis ADSs for each Aventis ADS).

If you hold your Aventis ADSs in book-entry form, you will automatically receive your new Sanofi-Aventis ADSs after the effective time of the merger and on termination of the Aventis deposit agreement.

If you hold your Aventis ADSs in the form of a physical certificate or American depository receipt, or ADR, you will have to surrender your physical ADR for cancellation to The Bank of New York, the depository, before your new Sanofi-Aventis ADSs will be issued. The depository, acting as exchange agent, will provide registered holders of Aventis ADRs with the forms necessary to make this exchange, which will include instructions on how to surrender your Aventis ADRs evidencing your Aventis ADSs to the depository.

Q: I hold Aventis ADSs; how does the merger consideration compare to what I would have received had I tendered my Aventis ADSs in the offers?

A: The merger consideration is based on the consideration that Sanofi-Aventis offered under the all stock election in the revised offer, before the downward adjustment in respect of the Aventis 2003 dividend. Under the all stock election in the offer, before this adjustment, we offered to exchange 2.3478 Sanofi-Aventis ADSs for each Aventis ADSs, which is substantially the same exchange ratio as the 54 Sanofi-Aventis ADSs for every 23 Aventis ADSs that you will receive in the merger. After adjustment in respect of the 0.82 Aventis 2003 dividend, we offered to exchange 2.3200 Sanofi-Aventis ADSs for each Aventis ADS, which is less than the merger exchange ratio. However, you will **not** be entitled to receive the dividend that Sanofi-Aventis paid on September 30, 2004 in respect of its 2003 results on the Sanofi-Aventis ADSs that you receive in the merger.

Q: I hold Aventis ADSs; will I have to pay any fees to the depository in order to receive my new Sanofi-Aventis ADSs? (See page 53)

A: No. If you hold Aventis ADSs, you will not have to pay any fees to the depository in respect of the cancellation of your Aventis ADSs or the issuance of the new Sanofi-Aventis ADSs you will receive in connection with the merger.

Table of Contents

Q: I hold Aventis ADSs but do not hold a multiple of 23 Aventis ADSs. How will fractional ADSs be treated in the merger? (See page 52)

A: If you hold Aventis ADSs, after the merger you will be entitled to receive 54 Sanofi-Aventis ADSs in respect of every 23 Aventis ADSs you hold immediately prior to the merger. However, no fractional Sanofi-Aventis ADSs will be issued in connection with the merger. In lieu of any fraction of a Sanofi-Aventis ADS that you would otherwise have been entitled to receive in connection with the merger, you will receive an amount in cash equal to the product of that fraction and the average sales price per Sanofi-Aventis ADS, net of expenses, realized on the NYSE in the sale by The Bank of New York, acting as the Sanofi-Aventis depository, of all the aggregated fractional Sanofi-Aventis ADSs that otherwise would have been issued in connection with delivering to holders of Aventis ADSs their interests in the merger consideration.

Q: I hold Aventis subscription stock options; what will happen to them in the merger? (See page 48)

A: Pursuant to the merger agreement, Sanofi-Aventis has expressly assumed all of Aventis's obligations under Aventis subscription stock option plans. After the merger, your subscription stock options will be exercisable for Sanofi-Aventis ordinary shares, with the exercise price and the number of shares subject to option adjusted to give effect to the exchange ratio of 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares. All other terms and conditions of your subscription stock options will remain unaltered.

Q: I hold Aventis purchase stock options; what will happen to them in the merger? (See page 48)

A: With respect to the stock options granted by Aventis Inc. (formerly known as Rhône-Poulenc Rorer Inc.), a U.S. subsidiary of Aventis, and the stock options granted by Hoechst, a German subsidiary of Aventis, each of which entitle the holder to purchase Aventis shares, Sanofi-Aventis has undertaken to cause appropriate measures to be taken to allow holders of these stock purchase options to exercise them for Sanofi-Aventis ordinary shares after the merger, with the exercise price and the number of shares subject to option adjusted to give effect to the exchange ratio of 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares. All other terms and conditions of your purchase stock options will remain unaltered.

Q: I want to exercise my Aventis stock options; may I do so before the merger is completed? (See page 48)

A: On September 27, 2004, as permitted under the terms of the Aventis subscription stock option plans, the Aventis management board voted to suspend the ability of holders to exercise their Aventis subscription stock options from October 8, 2004 (inclusive) to December 31, 2004 (inclusive). This suspension is necessary in connection with the merger in order to fix the number of Aventis ordinary shares that are outstanding. Accordingly, if you hold Aventis subscription stock options, you may not exercise them until January 1, 2005. You should already have received a separate explanation of this suspension from the human resources department of Aventis.

If you hold purchase stock options granted by Aventis Inc. or Hoechst, you may continue to exercise these options because the exercise of these options will not result in the issuance of any new Aventis ordinary shares.

Q: How was the merger exchange ratio calculated? (See page 45)

A: Because the proposed merger is viewed by the management of Sanofi-Aventis as the next step in the implementation of its strategic acquisition of Aventis, following its tender offer for the Aventis ordinary shares, the exchange ratio has been determined on the basis of the same analyses used to define the exchange ratio in the all stock election of the offer, updated as necessary. The merger exchange ratio of 27 Aventis ordinary shares for every 23 Sanofi-Aventis ordinary shares is substantially equivalent to 1.1739 Sanofi-Aventis ordinary shares for each Aventis ordinary share, which was the exchange ratio offered in the all stock election of the offers (before adjustment in respect of the Aventis 2003 dividend).

Table of Contents

Q: Has any independent appraiser given an opinion regarding the fairness of the merger and the merger exchange ratio? (See page 54)

A: Yes. Under applicable French law, court-appointed merger auditors (*Commissaires à la fusion*) are required to produce written reports on the valuation of the assets contributed by Aventis in the merger and the fairness of the merger exchange ratio. As of the date of this document, the merger auditors have been appointed but have not yet delivered their written reports. When delivered, Sanofi-Aventis intends to include a summary of the reports of the merger auditors as part of the definitive form of this document that will be mailed to Aventis shareholders. Sanofi-Aventis also intends to file the complete reports (in English translation for information purposes only) by amendment as Annexes to this document.

Q: Who must approve the merger? (See pages 33, 35)

A: The agreement and plan of merger and the transactions contemplated thereby must be approved by an affirmative vote of two-thirds of the shares present (in person or by proxy) at separate duly convened extraordinary general meetings of the shareholders of Sanofi-Aventis and of Aventis.

Because Sanofi-Aventis holds 98.02% of the voting rights of Aventis, Sanofi-Aventis can cause the agreement and plan of merger to be approved by the Aventis shareholders without the affirmative vote of any other shareholder and intends to do so.

Q: When and where is the combined ordinary and extraordinary general meeting of Aventis shareholders? (See page 32)

A: A combined extraordinary and ordinary general meeting of Aventis shareholders, has been called for Monday, December 13, 2004, at 9:30 a.m., Paris time, at Sofitel Bercy, 1 rue de Libourne 75012 Paris, France, at which Aventis shareholders will be asked to consider and vote on the agreement and plan of merger and the transactions contemplated thereby.

Q: I hold Aventis ordinary shares; may I attend and vote at the Aventis meeting? (See page 34)

A: If you hold Aventis ordinary shares, in order to be able to vote at the meeting, you must have those Aventis ordinary shares registered in your name in a shareholder account maintained by or on behalf of Aventis before December 11, 2004, the date that is two days before the meeting of Aventis shareholders. If you hold bearer shares, in order to be able to vote at the meeting, you must obtain a certificate from an accredited financial intermediary, evidencing that you have deposited your bearer shares in account where they will be held until the date of the meeting. You must deposit this certificate at Société Générale Service Relations Sociétés Emettrices Assemblées Générales BP 812236 44312 Nantes Cedex 3 France before December 11, 2004, the date that is two days before the meeting of Aventis shareholders. In either case, you may vote in person or by proxy.

Because Sanofi-Aventis controls 98.02% of the votes entitled to be cast at the meeting of Aventis shareholders, Sanofi-Aventis can cause the merger agreement to be approved by the meeting of Aventis shareholders without the affirmative vote of any other Aventis shareholder and intends to do so. Therefore, neither Aventis nor Sanofi-Aventis is asking you for a proxy and you are requested not to send us a proxy.

Q: I hold Aventis ADSs; may I attend and vote at the Aventis meeting?

A: No. If you hold Aventis ADSs, you may not vote at the Aventis meeting. You may however instruct the Aventis depositary to vote the Aventis ordinary shares represented by your Aventis ADSs on your behalf. The Aventis depositary may not vote any Aventis ordinary shares held on deposit unless it has received an instruction from the holder of Aventis ADSs representing those Aventis ordinary shares. You will receive or have received a separate communication from the Aventis depositary, including instructions on how to direct the Aventis depositary to vote the underlying Aventis ordinary shares.

Q: When do you expect to complete the merger? (See page 45)

A: Subject to the satisfaction of certain conditions, the merger agreement provides that the merger will become effective on December 31, 2004.

In 2003, our consolidated net sales were 8,048 million, our net income was 2,076 million, we invested 1,316 million in research and development and employed over 33,000 people worldwide. On August 20, 2004, we completed our acquisition of Aventis, pursuant to our offers. With our acquisition of Aventis, Sanofi-Aventis became the largest pharmaceuticals group in Europe and the third largest pharmaceuticals group in the world.

As of December 31, 2003, on a combined basis, Sanofi-Aventis and Aventis were present in more than 100 countries in 5 continents and employed over 99,700 people worldwide (with a sales force of approximately 33,150 people). Edgar Filing: SANOFI-AVENTIS - Form POS AM

Sanofi-Aventis will hold an extraordinary general meeting of shareholders on Monday, December 13, 2004, if a quorum is present on the first call, or on Thursday, December 23, 2004, if held on the second call, at 10:00 a.m., Paris time, at Carrousel du Louvre, 99 rue de Rivoli, 75001 Paris, France. At the Sanofi-Aventis extraordinary general meeting, Sanofi-Aventis shareholders will be asked to consider and vote on the following resolutions:

to approve the agreement and plan of merger and the merger of Aventis with and

into Sanofi-Aventis contemplated by the agreement, including the increase in share capital of Sanofi-Aventis and the issuance of the new Sanofi-Aventis ordinary shares in payment of the merger consideration;

to approve the accounting allocation of the merger premium and the write-off of the merger loss;

to approve the assumption of the obligations of Aventis with respect to the Aventis *BSAs* and to waive, to the extent necessary, any preferential subscription rights in respect of the Sanofi-Aventis ordinary shares to be issued to holders of the *BSAs*;

to approve the assumption of the obligations of Aventis with respect to the Aventis subscription stock options and to waive any preferential subscription rights in respect of the Sanofi-Aventis ordinary shares to be issued on exercise of the options;

to approve December 31, 2004 as the effective date of the merger and of the related increase in share capital of Sanofi-Aventis;

to approve the amendment of article VI of the bylaws (*statuts*) of Sanofi-Aventis to reflect the increase in the share capital of Aventis; and

to authorize the board of directors to increase the share capital of Sanofi-Aventis by issuing shares reserved for employees who are participants in a savings plan of Sanofi-Aventis or any group company and to suppress preferential subscription rights in favour of these participants.

In general, holders of Sanofi-Aventis ordinary shares who have properly registered their shares at least five days prior to the Sanofi-Aventis extraordinary general meeting will be entitled to vote at the Sanofi-Aventis extraordinary general meeting or any adjourned or postponed meeting.

The adoption of each resolution presented at the Sanofi-Aventis extraordinary general meeting will require the affirmative vote of two-thirds of the votes cast (either in person or by proxy or mail) at the Sanofi-Aventis extraordinary general meeting.

Aventis Combined Ordinary and Extraordinary Meeting (See page 34)

Aventis will hold a combined ordinary and extraordinary general meeting of shareholders on Monday, December 13, 2004, at 9:30 a.m., Paris time, at Sofitel Bercy, 1 rue de Libourne, 75012 Paris, France. At the Aventis shareholder meeting, Aventis shareholders will be asked to consider and vote on the following extraordinary resolutions in connection with the merger of Aventis with and into Sanofi-Aventis:

to approve the agreement and plan of merger and the merger of Aventis with and into Sanofi-Aventis contemplated by the agreement; and

to approve the dissolution of Aventis, without liquidation.

In addition, the Aventis shareholders will be asked to consider and vote on seven ordinary resolutions ratifying the appointment of the seven new members of the Aventis supervisory board who were first appointed on August 31, 2004. For further information, please see *Recent Developments* *New Composition of Aventis Management Board and Aventis Supervisory Board* .

In general, holders of Aventis ordinary shares who have properly registered their Aventis ordinary shares at least two days prior to the Aventis combined ordinary and extraordinary general meeting will be entitled to vote at the meeting or any adjourned or postponed meeting. However, because Sanofi-Aventis owns 791,317,831 Aventis ordinary shares (representing 98.02% of the votes entitled to be cast at the Aventis combined ordinary and extraordinary general meeting), Sanofi-Aventis can cause the merger agreement and the merger to be approved by Aventis shareholders without the affirmative vote of any other Aventis shareholder and intends to do so. **Therefore, neither Aventis nor Sanofi-Aventis is asking you for a proxy and you are requested not to send us a proxy.**

The Merger; Effective Time (See pages 44-45)

In the merger, Aventis will merge with and into Sanofi-Aventis. Sanofi-Aventis will continue as the surviving company and Aventis will be dissolved. By operation of law, Sanofi-Aventis will succeed to all the rights and assets of Aventis and will assume all its liabilities.

Provided that the conditions to the merger are satisfied, for legal purposes the merger will become effective on December 31, 2004. However, for French accounting and tax purposes, at the level of the parent companies, the merger will be given effect retroactively as of

January 1, 2004. This will not affect the

Table of Contents

date on which the purchase of Aventis will be deemed to have occurred under French or U.S. GAAP or the date from which the results of Aventis will be consolidated with those of the Sanofi-Aventis Group.

Merger Exchange Ratio; Merger Consideration (See page 45)

The merger exchange ratio has been set at 27 Sanofi-Aventis ordinary shares for 23 Aventis ordinary shares (or approximately 1.17391 Sanofi-Aventis ordinary shares for each Aventis ordinary share). Accordingly, if you hold Aventis ordinary shares, as a result of the merger, you will be entitled to receive 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares that you hold at the effective time of the merger.

If you hold Aventis ADS, you will receive your ownership interest in the merger consideration in the form of Sanofi-Aventis ADSs. You will be entitled to receive 54 Sanofi-Aventis ADSs (each Sanofi-Aventis ADS representing one-half of one Sanofi-Aventis ordinary share) for every 23 Aventis ADSs that you hold as of the effective time (or approximately 2.34782 Sanofi-Aventis ADSs for each Aventis ADS).

Based on a price of \$58.72 per Sanofi-Aventis ordinary share, which was the average daily closing price, weighted by volume, for Sanofi-Aventis ordinary shares on Euronext Paris during the calendar month ended on January 21, 2004 (the last trading day before rumors and press articles significantly affected the share prices and trading volumes of Sanofi-Aventis ordinary shares and Aventis ordinary shares), the terms of the merger value each Aventis ordinary share at \$68.93, representing a premium of 31.4% over the average daily closing price, weighted by volume, for Aventis ordinary shares on Euronext Paris during the same period, which was \$52.46 per Aventis ordinary share. Based on the closing price of \$59.05 for Sanofi-Aventis ordinary shares on Euronext Paris on August 30, 2004, the last trading day before the public announcement of the decision of Sanofi-Aventis to study the feasibility of the merger, the terms of the merger value each Aventis ordinary share at \$69.32, representing a premium of 0.7% over the closing price of \$68.85 for Aventis ordinary shares on Euronext Paris on that date.

Based on the closing price of \$57.85 for Sanofi-Aventis ordinary shares on Euronext Paris on October 13, 2004, the last trading day before the public announcement of the execution of the merger agreement, the terms of the merger value each Aventis ordinary share at \$67.91, representing a premium of 0.8% over the closing price of \$67.40 for Aventis ordinary shares on Euronext Paris on that date. Based on the closing price of \$56.75 for Sanofi-Aventis ordinary shares on Euronext Paris on October 14, 2004, the most recent practicable trading day prior to the date of this document, the terms of the merger value each Aventis ordinary share at \$66.62, representing a premium of 0.5% to the closing price of \$66.30 for Aventis ordinary shares on Euronext Paris on that date.

Based on a price of \$37.05 per Sanofi-Aventis ADS, which was the average daily closing price, weighted by volume, for Sanofi-Aventis ADSs on the NYSE during the calendar month ended on January 21, 2004, the terms of the merger value each Aventis ADS at \$86.96, representing a premium of 30.8% over the average daily closing price, weighted by volume, for Aventis ADSs on the NYSE during the same period, which was \$66.50 per Aventis ADS. Based on the closing price of \$36.68 for Sanofi-Aventis ADSs on the NYSE on August 30, 2004, the last trading day before the public announcement of the decision of Sanofi-Aventis to study the feasibility of the merger, the terms of merger value each Aventis ADS at \$86.12, representing a premium of 1.7% over the closing price of \$84.68 for Aventis ADSs on the NYSE on that date.

Based on the closing price of \$35.63 for Sanofi-Aventis ADSs on the NYSE on October 13, 2004, the last trading day before the public announcement of the execution of the merger agreement, the terms of the merger value each Aventis ADS at \$83.65, representing a premium of 1.0% over the closing price of \$82.81 for Aventis ADSs on the NYSE on that date. Based on the closing price of \$35.21 for Sanofi-Aventis ADSs on the NYSE on October 14, 2004, the most recent practicable trading day prior to the date of this document, the terms of the merger value each Aventis ADS at \$82.67, representing a premium of 0.7% to the closing price of \$82.12 for Aventis ADSs on the NYSE on that date.

Treatment of Fractional Shares (See page 46)

Sanofi-Aventis will not issue any fractional interests in any Sanofi-Aventis ordinary shares in the merger. Accordingly, if you hold Aventis ordinary shares, you will only be entitled to receive your merger consideration in full in respect of round-number multiples of 23 Aventis ordinary shares that you hold. As a result, in order to receive all your merger consideration, you must purchase or sell a

Table of Contents

number of Aventis ordinary shares such that you hold a round-number multiple of 23 Aventis shares.

To facilitate this, after the effective time of the merger Aventis ordinary shares (which will then represent only the right to receive the merger consideration) will continue to trade for one month on the *Premier marché*, and then for six months on the delisted securities market (*Compartment des valeurs radiées*) of Euronext Paris. Subject to the effectiveness of the merger, until March 31, 2004, Sanofi-Aventis will pay the brokerage fees and value-added tax incurred by Aventis shareholders, up to 0.3% of the price of each Aventis ordinary share bought or sold and related to the purchase or sale of up to a maximum of 22 Aventis ordinary shares per holder.

Treatment of Fractional ADSs (See page 53)

No fractional Sanofi-Aventis ADSs will be issued in connection with the merger. In lieu of any fraction of a Sanofi-Aventis ADS that you would otherwise have been entitled to receive in connection with the merger, you will receive an amount in cash equal to the product of that fraction and the average sales price per Sanofi-Aventis ADS, net of expenses, realized on the NYSE in the sale by The Bank of New York, acting as the Sanofi-Aventis depository of all the aggregated fractional Sanofi-Aventis ADSs that would have otherwise have been issued in connection with delivering to holders of Aventis ADSs their interests in the merger consideration.

Conditions to the Merger; Termination (See pages 47-48)

The completion of the merger is subject to the following conditions precedent:

Approval by the Aventis shareholders at an extraordinary general meeting of the merger agreement, and of the merger of Aventis with and into Sanofi-Aventis and the dissolution of Aventis without liquidation contemplated by the agreement;

Approval by the Sanofi-Aventis shareholders at an extraordinary general meeting of:

the merger agreement, and the merger of Aventis with and into Sanofi-Aventis contemplated thereby;

the increase in Sanofi-Aventis's share capital necessary to issue the merger consideration; and

the waiver of any preferential subscription rights of existing shareholders with respect to the Sanofi-Aventis ordinary shares to be issued on the exercise of the Aventis subscription stock options or, to the extent necessary, the Aventis BSAs assumed in the merger; and

The absence or dismissal of any objection filed in any court of competent jurisdiction in opposition to the decision by the AMF that there is no need to file a compulsory acquisition offer (*offre publique de retrait*) for the Aventis ordinary shares not held by Sanofi-Aventis.

If any of the conditions to the merger are not satisfied on or prior to December 31, 2004, the merger agreement will automatically terminate, unless Sanofi-Aventis and Aventis agree otherwise. On termination, neither Sanofi-Aventis nor Aventis will have the right to seek any indemnity from the other party.

Treatment of Aventis Stock Options (See page 48)

After the merger, Aventis subscription stock options will entitle their holders to subscribe for Sanofi-Aventis ordinary shares instead of Aventis ordinary shares. The number of shares subject to the options and the exercise price will be adjusted to give effect to the merger exchange ratio.

At the Sanofi-Aventis extraordinary general meeting, the Sanofi-Aventis shareholders will also be asked to vote on a resolution to waive their preferential subscription rights with respect to the Sanofi-Aventis ordinary shares that will be issued on the exercise of these subscription stock options.

After the merger, Aventis Inc. and Hoechst purchase stock options will entitle their holders to purchase Sanofi-Aventis ordinary shares, with the exercise price and the number of shares subject to option adjusted to give effect to the merger exchange ratio.

Assets Transferred and Liabilities Assumed in the Merger (See page 49)

Edgar Filing: SANOFI-AVENTIS - Form POS AM

At the effective time of the merger, all of the rights and assets of Aventis will vest in Sanofi-Aventis in accordance with French law, and all of the liabilities of Aventis (including off-balance sheet liabilities) will be assumed by Sanofi-Aventis.

Table of Contents

Reports of the Merger Auditors (See page 54)

Under French law and regulations applicable to the merger, court-appointed merger auditors (*Commissaires à la fusion*) are required to produce a written report on the terms and conditions of the merger. Among other things, the role of the merger auditors is to check that the relative values ascribed to the shares of the constituent companies in the merger are appropriate and that the merger exchange ratio is fair. The merger auditors must also produce a written report on the valuation of the assets contributed in kind in the merger.

As of the date of this document, the merger auditors have not yet delivered their written reports. When delivered, Sanofi-Aventis and Aventis intend to make the reports of the merger auditors available to their shareholders at their respective registered offices in accordance with applicable French law at least one month before the date of their respective extraordinary general meetings of shareholders. When delivered, Sanofi-Aventis and Aventis intend to file the report of the merger auditors on the valuation of the contributed assets with the Clerk of the Commercial Court of Paris and the Clerk of the Court of Grand Instance of Strasbourg, in accordance with applicable regulations. Sanofi-Aventis currently expects to make these court filings on November 5, 2004.

Sanofi-Aventis intends to file the reports of the merger auditors in English translation (for information purposes) by amendment as exhibits to the registration statement of which this document forms part. Sanofi-Aventis intends to include a summary of the reports of the merger auditors as part of the definitive form of this information statement/prospectus that will be mailed to holders of Aventis securities resident in the United States.

Accounting Treatment (See page 116)

The acquisition of the Aventis securities will be accounted for using the purchase method under both French and U.S. GAAP.

Comparison of the Rights of Aventis Shareholders and Sanofi-Aventis Shareholders (See page 139)

There are differences between the rights of an Aventis shareholder and the rights of a Sanofi-Aventis shareholder. You should review the discussion under [Comparison of Shareholders' Rights](#) for a summary of these differences.

The selected unaudited pro forma combined financial information also gives effect to the mandatory offer that Sanofi-Aventis is required to make under applicable Indian law for up to 4,606,125 shares of Aventis Pharma Limited India representing 20% of its outstanding share capital. For further information, see Recent Developments Sanofi-Aventis Mandatory Offer for 20% of the Share Capital of Aventis Pharma Limited India.

The selected unaudited pro forma combined financial information is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial condition of the combined entities that would have been achieved had the offers and the merger been completed during the periods presented, nor is the selected unaudited pro forma combined financial information necessarily indicative of the future operating results or financial position of the combined entities. The unaudited pro forma combined financial information does not reflect any cost savings or other synergies which may result from the acquisition of Aventis or the effect of asset dispositions, if any, that have been or may be required by regulatory authorities, other than the contemplated sale to GlaxoSmithKline of Arixtra® and Fraxiparine® and related assets and the sale of Campto® to Pfizer Inc. In particular, the unaudited pro forma condensed combined financial information does not reflect the impact of the disposals and/or grants of licenses of certain products, in addition to Arixtra®, Fraxiparine® and Campto®, requested by the European Commission as conditions to its approval of the proposed acquisition of Aventis by Sanofi-Aventis, announced on

April 26, 2004 because definitive agreements with respect to the disposal or licensing of these products have not yet been entered into. The unaudited pro forma financial information does not reflect any special items such as payments pursuant to change of control provisions or restructuring and integration costs which may be incurred as a result of the acquisition. Further, because prior to the settlement of the offers on August 20, 2004, Sanofi-Aventis only had access to publicly available financial information about Aventis' s accounting policies, and because of the limited time available since the settlement to conduct a thorough review of those accounting policies, there can be no assurance that the accounting policies of Aventis conform to those of Sanofi-Aventis.

This selected unaudited pro forma combined financial information has been derived from and should be read in conjunction with the Unaudited Pro Forma Condensed Combined Financial Statements of Sanofi-Aventis and Aventis' and the related notes included in this document, and with the respective consolidated financial statements of Sanofi-Aventis and Aventis, as of and for the six month period ended June 30, 2004, and as of, and for the year ended, December 31, 2003, which are incorporated by reference into this document. All amounts are stated in euros. This pro forma information is subject to risks and uncertainties, including those discussed under Risk Factors. We were not given the opportunity to conduct a due diligence review of the nonpublic records of Aventis before commencing or completing our offers for Aventis. Therefore, we may be subject to unknown liabilities of Aventis which may have an adverse effect on our profitability and results of operations and Risk Factors. In the limited time since our acquisition of Aventis, we have not been able to verify the reliability of all the information regarding Aventis in periods prior to the acquisition included in, or incorporated by reference into, this document and, as a result, our estimates of the impact of the acquisition of Aventis on the pro forma financial information in this document may be inaccurate.

The selected unaudited pro forma combined financial information is based on preliminary estimates and assumptions, which Sanofi-Aventis believes to be reasonable. The pro forma adjustments and allocation of purchase price are preliminary. In general, due to the limited financial and other information related to Aventis available to Sanofi-Aventis management prior to the settlement of the offers, the excess of purchase price over the book value of the assets to be acquired has been allocated according to a preliminary analysis by Sanofi-Aventis' s management based on available public information. The final allocation of the purchase price will be completed after the asset and liability valuations are finalized by Sanofi-Aventis' s management. There can be no assurance that the final allocation of the purchase price will not differ from the preliminary allocation.

**SUMMARY SELECTED COMPARATIVE HISTORICAL
AND PRO FORMA PER SHARE DATA**

The following selected unaudited pro forma condensed combined financial information, which gives effect to the offers and the merger, is presented in euros and reflects the combination of Sanofi-Aventis and Aventis using the purchase method under French GAAP. The pro forma adjustments are based upon available information and certain assumptions that Sanofi-Aventis believes are reasonable, including the assumptions that pursuant to the offers and the merger:

98.03% of the outstanding Aventis securities were exchanged pursuant to the offers for cash and Sanofi-Aventis securities, with a cash component of 15,791 million (including 643 million in dividends paid on Sanofi-Aventis securities issued) and a share component valued at 35,071 million;

1.97% of the outstanding Aventis securities are exchanged pursuant to the merger for Sanofi-Aventis securities at an exchange ratio of 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares;

all of the outstanding Aventis *BSAs* are purchased for cash in the French offer, for aggregate consideration of 6 million;

all of the outstanding Aventis stock options are exchanged pursuant to the merger for Sanofi-Aventis stock options. The number of Sanofi-Aventis ordinary shares subject to these options and the exercise price of the options will be adjusted to reflect the merger exchange ratio of 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares; and

the net cash consideration paid in the offers (after taking into account the expected proceeds of 885 million from the disposals discussed below) is financed by 14,906 million of new Sanofi-Aventis debt at an interest rate of 3.6%.

In addition, the pro forma adjustments reflect the sale to GlaxoSmithKline of Arixtra® and Fraxiparine® and related assets on the terms announced on April 13, 2004, as well as the sale of Campto® to Pfizer Inc. on the terms announced on June 25, 2004. For more information on these disposals, see Regulatory Matters Competition and Antitrust Sale of Arixtra® and Fraxiparine® and Sale of Campto®. The pro forma adjustments also include adjustments that have been made to Aventis historical financial statements in order to conform their presentation to the pro forma presentation. In addition, pro forma adjustments have been made to Aventis historical statement of income for the year ended December 31, 2003, in order to reflect the disposal of Aventis Behring to CSL, which was completed on March 31, 2004. For further information, see Exhibit 99.3 to Aventis's Form 6-K, dated April 30, 2004, which is incorporated into this document by reference.

The summary selected comparative historical and pro forma per share data also give effect to the mandatory offer that Sanofi-Aventis is required to make under the German Securities and Corporate Takeover Act (*Wertpapiererwerbs- und Übernahmegesetz*) for the 1.9% of the ordinary shares of Hoechst AG not held by Aventis or any of its subsidiaries. For further information, see Recent Developments Mandatory Offer for Hoechst AG. The summary selected comparative historical and pro forma per share data also give effect to the mandatory offer that Sanofi-Aventis is required to make under applicable Indian law for up to 4,606,125 shares of Aventis Pharma Limited India not already held by Aventis or its subsidiaries. For further information, see Recent Developments Mandatory Offer for Aventis Pharma Limited India.

The summary selected comparative historical and pro forma per share data is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial condition of the combined entities that would have been achieved had the offers and the merger been completed during the periods presented, nor is the summary selected comparative historical and pro forma per share data necessarily indicative of the future operating results or financial position of the combined entities.

We were not given the opportunity to conduct a due diligence review of the nonpublic records of Aventis before commencing or completing our offers for Aventis. Therefore, we may be subject to unknown liabilities of Aventis which may have an adverse effect on our profitability and results of operations and Risk Factors. In the limited time since our acquisition of Aventis, we have not been able to verify the reliability of all the information regarding Aventis in periods prior to the acquisition included in, or incorporated by reference into, this document and, as a result, our estimates of the impact of the acquisition of Aventis on the pro forma financial information in this document may be inaccurate.

The pro forma per share data are based on preliminary estimates and assumptions, which Sanofi-Aventis believes to be reasonable. The pro forma adjustments and allocation of purchase price are preliminary. Due to the limited financial and other information related to Aventis available to Sanofi-Aventis management prior to the settlement of the offers, the excess of purchase price over the book value of the assets to be acquired has been allocated according to a preliminary analysis by Sanofi-Aventis's management based on available public information. The final allocation of the purchase price will be completed after the asset and liability valuations are finalized by Sanofi-Aventis's management. There can be no assurance that the final allocation of the purchase price will not differ from the preliminary allocation.

RISK FACTORS

In evaluating the merger, you should carefully consider the following risks that relate to the business combination of Aventis and Sanofi-Aventis, as well as the risk factors incorporated by reference into this document from Item 3.D of Sanofi-Aventis's Annual Report on Form 20-F for the year ended December 31, 2003, and from Item 3 of Aventis's Annual Report on Form 20-F for the year ended December 31, 2003, together with the other information contained in or incorporated by reference into this document. Any of these risks could have an adverse effect on our business, financial condition, results of operations or prospects, which could in turn affect the price of Sanofi-Aventis ordinary shares or Sanofi-Aventis ADSs.

The integration of the companies will present significant challenges that may result in the combined business not operating as effectively as expected or in the failure to achieve some or all of the anticipated benefits of the transaction.

The benefits and synergies expected to result from the combination of Sanofi-Aventis and Aventis will depend in part on whether the operations of Aventis can be integrated in a timely and efficient manner with those of Sanofi-Aventis. Sanofi-Aventis faces significant challenges in consolidating Sanofi-Aventis's functions with those of Aventis, and integrating the organizations, procedures and operations of the two businesses. The integration of the two businesses will be complex and time-consuming, and management will have to dedicate substantial time and resources to it. These efforts could divert management's focus and resources from other strategic opportunities and from day-to-day operational matters during the integration process. Failure to successfully integrate the operations of Sanofi-Aventis and Aventis could result in the failure to achieve some or all of the anticipated benefits from the transaction, including synergies and other operating efficiencies, and could have an adverse effect on the business, results of operations, financial condition or prospects of Sanofi-Aventis.

The value of the Sanofi-Aventis securities to be received by the holders of Aventis securities pursuant to the merger will fluctuate.

At the effective time of the merger, the Aventis ordinary shares (including Aventis ordinary shares represented by Aventis ADSs) will be exchanged for Sanofi-Aventis ordinary shares, at an exchange ratio of 27 Sanofi-Aventis ordinary shares for every 23 Aventis ordinary shares (or approximately 1.17391 Sanofi-Aventis ordinary shares for each Aventis ordinary share). There will be no adjustment to the exchange ratio for changes in the market price of either Aventis ordinary shares or Sanofi-Aventis ordinary shares. Accordingly, the market value of the Sanofi-Aventis ordinary shares that holders of Aventis securities will receive upon completion of the merger will depend on the market value of Sanofi-Aventis ordinary shares at the time of completion of the merger and could vary significantly from the market value on the date of this document or the date on which the definitive merger agreement was signed and the merger exchange ratio agreed. The market value of the Sanofi-Aventis securities to be issued in connection with the merger will also continue to fluctuate after completion of the merger. For historical and current market prices of Sanofi-Aventis ordinary shares and Sanofi-Aventis ADSs, please refer to Market Price and Dividend Data. You should obtain current market quotations for Sanofi-Aventis ordinary shares and Sanofi-Aventis ADSs and for Aventis ordinary shares and Aventis ADSs.

Fluctuations in the exchange rate between the U.S. dollar and the euro will also affect the dollar equivalent of the euro price of Sanofi-Aventis ordinary shares traded on Euronext Paris, and, as a result, may affect the market price of the Sanofi-Aventis ADSs traded on the NYSE.

On settlement of the offers, we incurred a substantial amount of debt to finance the cash portion of the consideration for the Aventis securities acquired in the offers; in the future, this debt could restrict our ability to engage in additional transactions or incur additional indebtedness.

In connection with our acquisition of the Aventis securities, on April 24, 2004, we entered into a credit facility agreement that permitted us to borrow up to 16,000 million under this facility. We have borrowed 10,500 million under this credit facility, which we have used to finance part of the cash portion of the consideration paid to holders of Aventis securities pursuant to the offers. We may also borrow funds under this facility to refinance certain debt of Aventis and its subsidiaries. The credit facility includes terms and conditions customary for agreements of this type,

which could restrict our ability to engage in additional transactions or incur additional indebtedness. For more information on the terms and conditions of the credit facility, please see [Source and Amount of Funds](#) .

We were not given the opportunity to conduct a due diligence review of the nonpublic records of Aventis before commencing or completing our offers for Aventis. Therefore, we may be subject to unknown liabilities of Aventis which may have an adverse effect on our profitability and results of operations.

In commencing and completing the offers, we relied solely and exclusively upon publicly available information relating to Aventis, including periodic and other reports for Aventis as filed with or furnished to the SEC on Form 20-F and Form 6-K, as well as Aventis's 2003 *document de référence*, as filed with the AMF. Prior to settlement of the offers on August 20, 2004, on which date we acquired control of Aventis, we had no access to the books and records of Aventis and we were not able to conduct an independent due diligence review of, nor did we have access to, any nonpublic information about Aventis. As a result, after our acquisition of Aventis, we may be subject to unknown liabilities of Aventis, which liabilities might have otherwise been discovered if we had been permitted by Aventis to conduct a complete due diligence review and which liabilities may have an adverse effect on our profitability, results of operations, financial condition or prospects, and may, if known, have led us to determine different terms and conditions for the offers.

In the limited time since our acquisition of Aventis, we have not been able to verify the reliability of all the information regarding Aventis in periods prior to the acquisition included in, or incorporated by reference into, this document and, as a result, our estimates of the impact of the acquisition of Aventis on the pro forma financial information in this document may be inaccurate.

In respect of information relating to Aventis in periods before our acquisition of Aventis presented in, or incorporated by reference into, this document, including Aventis's financial information, we have relied exclusively upon publicly available information, including information publicly filed by Aventis with securities regulatory authorities. Although we have no knowledge that would indicate that any statements contained in this document based upon such reports and documents are inaccurate, incomplete or untrue, we were not involved in the preparation of such information and statements and, in the limited time since our acquisition of Aventis we have not been able to verify the accuracy, completeness or truth of all such information or any failure by Aventis to disclose events that may have occurred, but that are unknown to us, that may affect the significance or accuracy of any such information. Any financial information regarding Aventis in periods prior to our acquisition of Aventis that may be detrimental to the combined entity and that has not been publicly disclosed by Aventis, or errors in our estimates due to reliance on information relating to such periods publicly filed by Aventis, may have an adverse effect on the benefits we expect to achieve from the acquisition of Aventis and could result in material inaccuracies in the pro forma financial information included in this document.

Because some existing holders of Sanofi-Aventis ordinary shares and Sanofi-Aventis ADSs are entitled to two votes for every share they hold, the percentage of the voting rights of Sanofi-Aventis that you will own immediately after the merger will be less than the percentage of the outstanding share capital of Sanofi-Aventis that you will own.

Under Sanofi-Aventis's existing bylaws (*statuts*), holders of Sanofi-Aventis ordinary shares who hold their shares in the same registered name for at least two years have the right to two votes for every share thus held. Under the ADS deposit agreement, holders of Sanofi-Aventis ADSs who have held their Sanofi-Aventis ADSs in the same registered name for at least two years also have the right to double-voting rights. As a result, new holders of Sanofi-Aventis ordinary shares (including Sanofi-Aventis ordinary shares represented by Sanofi-Aventis ADSs), including holders of Aventis securities who receive Sanofi-Aventis ordinary shares in connection with the merger, will qualify to obtain double-voting rights only after holding those Sanofi-Aventis ordinary shares in the same registered name for two years. See [Description of Sanofi-Aventis Ordinary Shares - Voting Rights](#) . As of September 30, 2004, 336,569,393 Sanofi-Aventis ordinary shares carried double-voting rights, representing approximately 24.2% of our outstanding share capital, approximately 25.6% of our outstanding share capital that is held by holders other than Sanofi-Aventis and its subsidiaries, including Aventis, and approximately 20.4% of our voting rights. Immediately after the effective time of the merger, and taking into account the Sanofi-Aventis securities that were issued to

holders of Aventis securities in settlement of the offers, the former holders of Aventis securities will own approximately 48.8% of our outstanding share capital (other than share capital held by Sanofi-Aventis and its subsidiaries) and approximately 38.9% of our voting rights and the holders of Sanofi-Aventis securities that were not issued in connection with either the merger or the offers, other than Sanofi-Aventis, will hold approximately 51.2% of our outstanding share capital and approximately 61.1% of our voting rights. Similarly, the percentage of Sanofi-Aventis's voting rights that you will own immediately after the merger will be less than the percentage of the outstanding share capital of Sanofi-Aventis that you will own and may be less than the percentage of Sanofi-Aventis's voting rights owned by some Sanofi-Aventis shareholders who own the same number or fewer Sanofi-Aventis ordinary shares.

Sanofi-Aventis's two largest shareholders immediately before the settlement of the offers continue to own a significant percentage of the enlarged share capital and voting rights of Sanofi-Aventis after the merger.

Immediately after the merger, Total and L'Oréal, Sanofi-Aventis's two largest shareholders, will own approximately 13.4% and approximately 10.7%, respectively, of the share capital (other than share capital held by Sanofi-Aventis and its subsidiaries) and approximately 21.4% and approximately 17.1%, respectively, of the voting rights in Sanofi-Aventis. On November 24, 2003, Total and L'Oréal amended the shareholders' agreement so that it terminates on December 2, 2004 according to its terms, the parties having indicated that they do not intend to act in concert with respect to their shareholdings in Sanofi-Aventis as from that date. See Recent Developments Shareholders' Agreement .

Even after termination of the shareholders' agreement, to the extent these shareholders maintain such level of shareholding, Total and L'Oréal will remain in a position to exert heightened influence in the election of the directors and officers of Sanofi-Aventis and in other corporate actions that require shareholders' approval, including the merger. Continued ownership of a large percentage of the share capital and voting rights of Sanofi-Aventis by these two principal shareholders, affiliates of whom may also continue to be members of the Sanofi-Aventis board of directors, may have the effect of delaying, deferring or preventing a future change in the control of Sanofi-Aventis and may discourage future bids for Sanofi-Aventis other than with the support of these shareholders.

Upon the termination of the existing shareholders' agreement between those two shareholders, on December 2, 2004, all of the Sanofi-Aventis ordinary shares owned by these shareholders will become available to be sold in the public market, subject to applicable laws and regulations. Sales of a substantial number of Sanofi-Aventis ordinary shares, or a perception that such sales may occur, could adversely affect the market price for Sanofi-Aventis ordinary shares and Sanofi-Aventis ADSs. See Item 10. Additional Information Share Capital Shares Eligible for Future Sale in Sanofi-Aventis's Annual Report on Form 20-F for the year ended December 31, 2003, for a more detailed description of the eligibility of Sanofi-Aventis ordinary shares for future sale.
