**World Trade Center compensation settlement: SCOR will refer its reinsurance contract with Allianz to arbitration**

Agreements concerning the World Trade Center were signed on 23 May between Silverstein Properties and various insurers, including Allianz. SCOR is a reinsurer of Allianz Global Risks U.S. Insurance on this property & casualty insurance policy.

SCOR considers that the Allianz settlement agreement does not respect the terms and conditions of the Certificate of Reinsurance between SCOR and Allianz. SCOR has already informed Allianz that this settlement exceeds the contractual requirements and contains ex gratia elements.

Under the terms of the clause set out in the Certificate of Reinsurance, SCOR has requested that this case be referred to arbitration.

The General Meeting of Shareholders adopts all of the proposed resolutions  
by a wide majority

The SCOR group's Combined General Meeting, chaired by Denis Kessler, was held in Paris on 24 May 2007. All of the resolutions proposed were adopted by a wide majority.

In particular, the Ordinary General Meeting renewed the mandates of Messrs Denis Kessler, Antonio Borgès, Herbert Schimetschek, Claude Tendil and Daniel Valot as directors, appointed Messrs Patrick Thourot and Luc Rougé as directors and renewed the mandate of Mr Georges Chodron de Courcel as a non-voting director.

The Extraordinary General Meeting also approved all of the resolutions within its scope of authority by a wide majority. In particular, the Board of Directors was delighted with the more than 99% approval of the transformation of SCOR into a European Company or Societas Europaea.
