THE COMPANY

Brush Engineered Materials Inc., through its wholly owned subsidiaries, is a manufacturer of high performance advanced enabling engineered materials serving the global telecommunications and computer, data storage, aerospace and defense, automotive electronics, industrial components (including oil and gas, heavy equipment and plastic mold tooling), appliance and medical markets.

Our businesses are organized under four reportable segments: Advanced Material Technologies and Services (AMTS); Specialty Engineered Alloys (SEA); Beryllium and Beryllium Composites; and Engineered Material Systems. AMTS consists of Williams Advanced Materials Inc. (WAM) and Zentrix Technologies, Inc. SEA consists of Alloy Products, which includes bulk and strip form products, and beryllium hydroxide produced by Brush Resources Inc. (BRI). The Beryllium and Beryllium Composites segment consists of Beryllium Products and Brush Ceramic Products Inc. while the Engineered Material Systems segment consists of Technical Materials, Inc. (TMI).

Our parent company, Brush Engineered Materials Inc., and other corporate expenses, as well as the operating results from BEM Services, Inc., a wholly owned subsidiary, are not part of any reportable segment and remain in All Other .

Advanced Material Technologies and Services

AMTS manufactures and fabricates precious, non-precious and specialty metal products for the data storage, medical and the wireless, photonics, semiconductor and hybrid segments of the microelectronics market. AMTS also has refining capabilities for the reclaim of precious and non-precious metals from internally or customer-generated scrap. In addition, AMTS provides chamber services for its customers to reclaim precious metals and refurbish reusable components used in its customers' vapor deposition systems. AMTS' major product lines include vapor deposition targets, clad and precious metals preforms, high temperature braze materials, ultra fine wire, sealing lids, optics, performance coatings, specialty inorganic materials and microelectronic packages. In February 2008, AMTS purchased the assets of Techni-Met, Inc. based in Windsor, Connecticut, which supplies a wide range of high end applications for advanced technology industries, including supporting downstream customers in developing more accurate diagnostic devices for diabetes management.

Specialty Engineered Alloys

SEA manufactures beryllium-containing and other high performance-based materials including copper-nickel-tin alloys that are metallurgically tailored to meet specific customer performance requirements. These products exhibit high electrical and thermal conductivities, high strength and hardness, good formability, lubricity, and excellent resistance to corrosion, wear and fatigue. These alloys, sold in strip and bulk form, are ideal choices for demanding applications in the telecommunications and computer, aerospace, industrial components (including oil and gas, heavy equipment and plastic mold tooling), appliance and medical markets. SEA, through BRI, manages our mine and milling operations. The milling operations produce beryllium hydroxide from mined bertrandite ore and purchased beryl ore. The beryllium hydroxide is used primarily as a raw material input by certain businesses within our company.

Beryllium and Beryllium Composites

Beryllium and Beryllium Composites manufactures products that include beryllium and AlBeMet®. Beryllium is a lightweight metal possessing unique mechanical and thermal properties. Its specific stiffness is much greater than other engineered structural materials such as aluminum, titanium and steel. Beryllium products are used in a variety of high performance applications in the defense, aerospace, industrial, scientific equipment, electronics (including acoustics), medical and optical scanning markets. Beryllium and Beryllium Composites also manufactures beryllia ceramics for electronic packaging and electro-optical applications including lasers. Electronic components utilizing beryllia are used in the telecommunications, medical, industrial and defense markets.

Engineered Material Systems

Engineered Material Systems manufactures clad inlay and overlay metals, precious and base metal electroplated systems, electron beam welded systems, contour profiled systems and solder-coated metals systems. These products are used in telecommunications and computer systems, data storage, automotive electronics, semi-conductors, energy, defense and medical applications.

Corporate Information

Brush Engineered Materials Inc. is an Ohio corporation. Our principal executive offices are located at 6070 Parkland Boulevard, Mayfield Heights, Ohio 44124. Our telephone number is (216) 486-4200. Our website is www.beminc.com. The information contained on or accessible through our website is not part of this prospectus, other than the documents that we file with the SEC that are incorporated by reference into this prospectus.

RISK FACTORS

Investing in our securities involves risk. Prior to making a decision about investing in our securities, you should carefully consider the specific factors discussed under the heading **Risk Factors** in our most recent Annual Report on Form 10-K and in our most recent Quarterly Reports on Form 10-Q, which are incorporated herein by reference and may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. The risks and uncertainties we have described are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our operations. If any of these risks actually occurs, our business, results of operations and financial condition could suffer. In that case, the trading price of our securities could decline, and you could lose all or part of your investment.

DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus includes, and any prospectus supplement may include, forward-looking statements. Our actual future performance may materially differ from that contemplated by the forward-looking statements as a result of a variety of factors. These factors include, without limitation:

the global and domestic economies, including the uncertainties related to the impact of the current global economic crisis;

the condition of the markets in which we serve, whether defined geographically or by segment, with the major market segments being telecommunications and computer, data storage, aerospace and defense, automotive electronics, industrial components, appliance and medical;

changes in product mix and the financial condition of customers;

our success in developing and introducing new products and new product ramp-up rates, especially for media applications in the data storage market;

our success in passing through the costs of raw materials to customers or otherwise mitigating fluctuating prices for those materials, including the impact of fluctuating prices on inventory values;

our success in integrating newly acquired businesses;

our success in implementing our strategic plans and the timely and successful completion of any capital projects;

the availability of adequate lines of credit and the associated interest rates and/or fees;

other financial factors, including cost and availability of raw materials (both base and precious metals), tax rates, exchange rates, metal financing fees, pension costs and required cash contributions and other employee benefit costs, energy costs, regulatory compliance costs, the cost and availability of insurance, and the impact

of our stock price on the cost of incentive plans;

the uncertainties related to the impact of war and terrorist activities;

changes in government regulatory requirements and the enactment of new legislation that impacts our obligations and operations;

the conclusion of pending litigation matters in accordance with our expectation that there will be no material adverse effects; and

the risk factors referred to elsewhere in this prospectus.

USE OF PROCEEDS

Unless we inform you otherwise in the applicable prospectus supplement, we expect to use the net proceeds from the sale of securities for general corporate purposes. These purposes may include, but are not limited to: reduction or refinancing of outstanding indebtedness or other corporate obligations;

additions to working capital;

capital expenditures; and

acquisitions.

Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of short-term indebtedness.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of consolidated earnings to fixed charges for the periods presented:

	Year ended December 31,				Six months ended
	2004	2005	2006	2007	July 3, 2009
	1.80x	1.81x	8.07x	27.12x	8.49x

Fixed charges are equal to interest expense (including amortization of deferred financing costs), plus the portion of rent expense estimated to represent interest.

Total earnings were insufficient to cover the fixed charges for the six months ended July 3, 2009 by \$14.3 million primarily due to operating losses. Accordingly, such ratio is not presented for such period.

DESCRIPTION OF CAPITAL STOCK

The following description is a general summary of the terms of the common shares and preferred shares that we may issue. The description below and in any prospectus supplement does not include all of the terms of the common shares and preferred shares and should be read together with our Amended and Restated Articles of Incorporation and Amended and Restated Code of Regulations, copies of which have been filed previously with the SEC. For more information on how you can obtain copies of our Amended and Restated Articles of Incorporation and Amended and Restated Code of Regulations, see [Where You Can Find More Information](#).

Our authorized capital stock consists of 65,000,000 shares of stock, including:

60,000,000 common shares, no par value; and

5,000,000 preferred shares, no par value.

Common Shares

Each outstanding common share is entitled to one vote on all matters submitted to a vote of shareholders. Pursuant to Ohio law, holders of our common shares have the right to cumulative voting. Our articles of incorporation provide for our board to be divided into three classes of directors, as nearly equal in number as possible, serving staggered terms. Approximately one-third of our board will be elected by the shareholders each year.

Subject to any superior rights of any holders of preferred shares, each outstanding common share will be entitled to such dividends as may be declared from time to time by our board of directors out of legally available funds. We have no current intention to declare dividends on our common shares in the near term. Our current policy is to retain all funds and earnings for use in the operation and expansion of our business. Additionally, the amount of dividends that we may pay is restricted by the terms of our credit facilities. In the event of our liquidation, dissolution or winding up, holders of our common shares will be entitled to their proportionate share of any assets remaining after payment of liabilities and any amounts due to the holders of preferred shares. Holders of our common shares have no preemptive rights and no right to convert or exchange their common shares into any other securities. No redemption or sinking fund provisions apply to our common shares.

Shareholder Rights Plan

Under the terms of our rights agreement, one preferred share purchase right is associated with each of our outstanding common shares. Until the occurrence of specified events described in the rights agreement, the preferred share purchase rights are not exercisable, are evidenced by the certificates for our common shares and may be transferred only with our common shares. The preferred share purchase rights will expire on May 16, 2010.

Each preferred share purchase right entitles the registered holder to purchase from us one one-hundredth of a share of Series A Junior Participating Preferred Stock, without par value, at a price of \$110.00 per one one-hundredth of a preferred share, subject to adjustment. The rights agreement also provides, subject to specified exceptions and limitations, that common shares issued or delivered from our treasury after the record date will be entitled to and accompanied by preferred share purchase rights. The preferred share purchase rights are in all respects subject to and governed by the provisions of the rights agreement.

Preferred Shares

Our board of directors is authorized, without shareholder approval, to issue up to 5,000,000 preferred shares in one or more series and to fix the rights, preferences, privileges and restrictions granted to or imposed upon the preferred shares, including voting rights, dividend rights, conversion rights, terms of redemption, liquidation preference, sinking fund terms and the number of shares constituting any series or the designation of a series. Our board of directors can, without shareholder approval, issue preferred shares with voting and conversion rights that could adversely affect the voting power of the holders of common shares. Any preferred shares issued would also rank senior to our common shares as to rights up on liquidation, winding-up or dissolution. The issuance of

convertible preferred shares could have the effect of delaying, deferring or preventing a change in control of our company. We have no present plan to issue any preferred shares.

Control Share Acquisitions

Section 1701.831 of the Ohio Revised Code provides that certain notice and informational filings and special shareholder meeting and voting procedures must be followed prior to consummation of a proposed control share acquisition. The Ohio Revised Code defines a control share acquisition as any acquisition of an issuer's shares which would entitle the acquirer, immediately after that acquisition, directly or indirectly, to exercise or direct the exercise of voting power of the issuer in the election of directors within any one of the following ranges of that voting power:

one-fifth or more but less than one-third of that voting power;

one-third or more but less than a majority of that voting power; or

a majority or more of that voting power.

Assuming compliance with the notice and information filings prescribed by the statute, the proposed control share acquisition may be made only if, at a special meeting of shareholders, the acquisition is approved by at least a majority of the voting power of the issuer represented at the meeting and at least a majority of the voting power remaining after excluding the combined voting power of the interested shares. Interested shares are the shares held by the intended acquirer and the employee-directors and officers of the issuer, as well as certain shares that were acquired after the date of the first public disclosure of the acquisition but before the record date for the meeting of shareholders and shares that were transferred, together with the voting power thereof, after the record date for the meeting of shareholders.

Business Combinations with Certain Persons

We are subject to Chapter 1704 of the Ohio Revised Code, which prohibits certain business combinations and transactions between an issuing public corporation and an Ohio law interested shareholder for at least three years after the Ohio law interested shareholder attains 10% ownership, unless the board of directors of the issuing public corporation approves the transaction before the Ohio law interested shareholder attains 10% ownership. An issuing public corporation is an Ohio corporation with 50 or more shareholders that has its principal place of business, principal executive offices, or substantial assets within the State of Ohio, and as to which no close corporation agreement exists. An Ohio law interested shareholder is a beneficial owner of 10% or more of the shares of a corporation. Examples of transactions regulated by Chapter 1704 include the disposition of assets, mergers and consolidations, voluntary dissolutions and the transfer of shares.

Subsequent to the three-year period, a transaction subject to Chapter 1704 may take place provided that certain conditions are satisfied, including:

prior to the interested shareholder's share acquisition date, the board of directors approved the purchase of shares by the interested shareholder;

the transaction is approved by the holders of shares with at least 66^{2/3}% of the voting power of the corporation (or a different proportion set forth in the articles of incorporation), including at least a majority of the outstanding shares after excluding shares controlled by the Ohio law interested shareholder; or

the business combination results in shareholders, other than the Ohio law interested shareholder, receiving a fair price plus interest for their shares.

Chapter 1704 is applicable to all corporations formed under Ohio law.

Transfer Agent and Registrar

Wells Fargo Bank, N.A. serves as the transfer agent and registrar for our common shares. We will select the transfer agent and registrar for a series of preferred shares, and each one will be described in the applicable prospectus supplement.

DESCRIPTION OF DEPOSITARY SHARES

We may offer depositary shares representing fractional shares of our preferred shares of any series. The following description sets forth certain general terms and provisions of the depositary shares that we may offer pursuant to this prospectus. The particular terms of the depositary shares, including the fraction of a preferred share that such depositary share will represent, and the extent, if any, to which the general terms and provisions may apply to the depositary shares so offered will be described in the applicable prospectus supplement.

The preferred shares represented by depositary shares will be deposited under a depositary agreement between us and a bank or trust company that meets certain requirements and is selected by us, which we refer to as the Bank Depositary. Each owner of a depositary share will be entitled to all the rights and preferences of the preferred shares represented by the depositary share. The depositary shares will be evidenced by depositary receipts issued pursuant to the depositary agreement. Depositary receipts will be distributed to those persons purchasing the fractional preferred shares in accordance with the terms of the offering. The deposit agreement will also contain provisions relating to the manner in which any subscription or similar rights we offer to holders of the preferred shares will be made available to the holders of depositary shares.

The following description is a general summary of some common provisions of a depositary agreement and the related depositary receipts. The description below and in any prospectus supplement does not include all of the terms of the depositary agreement and the related depositary receipts. Copies of the forms of depositary agreement and the depositary receipts relating to any particular issue of depositary shares will be filed with the SEC each time we issue depositary shares, and you should read those documents for provisions that may be important to you. For more information on how you can obtain copies of the forms of the depositary agreement and the related depositary receipts, see [Where You Can Find More Information](#).

Dividends and Other Distributions

If we pay a cash distribution or dividend on a series of preferred shares represented by depositary shares, the Bank Depositary will distribute these dividends to the record holders of these depositary shares. If the distributions are in property other than cash, the Bank Depositary will distribute the property to the record holders of the depositary shares. However, if the Bank Depositary determines that it is not feasible to make the distribution of property, the Bank Depositary may, with our approval, sell this property and distribute the net proceeds from this sale to the record holders of the depositary shares.

Redemption of Depositary Shares

If we redeem a series of preferred shares represented by depositary shares, the Bank Depositary will redeem the depositary shares from the proceeds received by the Bank Depositary in connection with the redemption. The redemption price per depositary share will equal the applicable fraction of the redemption price per share of the preferred shares. If fewer than all the depositary shares are redeemed, the depositary shares to be redeemed will be selected by lot or pro rata as the Bank Depositary may determine.

Voting the Preferred Shares

Upon receipt of notice of any meeting at which the holders of the preferred shares represented by depositary shares are entitled to vote, the Bank Depositary will mail the notice to the record holders of the depositary shares relating to these preferred shares. Each record holder of these depositary shares on the record date (which will be the same date as the record date for the preferred shares) may instruct the Bank Depositary as to how to vote the preferred shares represented by this holder's depositary shares. The Bank Depositary will endeavor, insofar as practicable, to vote the amount of the preferred shares represented by such depositary shares in accordance with these instructions, and we will take all action which the Bank Depositary deems necessary in order to enable the Bank Depositary to do so. The Bank Depositary will abstain from voting shares of the preferred shares to the extent it does not receive specific instructions from the holders of depositary shares representing these preferred shares.

Amendment and Termination of the Depositary Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the depositary agreement may be amended by agreement between the Bank Depositary and us. However, any amendment that materially and adversely alters the rights of the holders of depositary shares will not be effective unless this amendment has been approved by the holders of at least a majority of the depositary shares then outstanding. The depositary agreement may be terminated by the Bank Depositary or us only if:

all outstanding depositary shares have been redeemed; or

there has been a final distribution in respect of the preferred shares in connection with any liquidation, dissolution or winding up of the Company and this distribution has been distributed to the holders of depositary receipts.

Charges of Bank Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the Bank Depositary in connection with the initial deposit of the preferred shares and any redemption of the preferred shares. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and any other charges, including a fee for the withdrawal of preferred shares upon surrender of depositary receipts, as are expressly provided in the depositary agreement to be for their accounts.

Withdrawal of Preferred Shares

Except as may be provided otherwise in the applicable prospectus supplement, upon surrender of depositary receipts at the principal office of the Bank Depositary, subject to the terms of the depositary agreement, the owner of the depositary shares may demand delivery of the number of whole preferred shares and all money and other property, if any, represented by those depositary shares. Fractional preferred shares will not be issued. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of whole preferred shares to be withdrawn, the Bank Depositary will deliver to this holder at the same time a new depositary receipt evidencing the excess number of depositary shares. Holders of preferred shares thus withdrawn may not thereafter deposit those shares under the depositary agreement or receive depositary receipts evidencing depositary shares therefor.

Miscellaneous

The Bank Depositary will forward to holders of depositary receipts all reports and communications from us that are delivered to the Bank Depositary and that we are required to furnish to the holders of preferred shares.

Neither the Bank Depositary nor we will be liable if we are prevented or delayed by law or any circumstance beyond our control in performing our obligations under the depositary agreement. The obligations of the Bank Depositary and us under the depositary agreement will be limited to performance in good faith of our duties thereunder, and we will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred shares unless satisfactory indemnity is furnished. We may rely upon written advice of counsel or accountants, or upon information provided by persons presenting preferred shares for deposit, holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

Resignation and Removal of Bank Depositary

The Bank Depositary may resign at any time by delivering to us notice of its election to do so, and we may at any time remove the Bank Depositary. Any such resignation or removal will take effect upon the appointment of a successor Bank Depositary and the successor's acceptance of this appointment. The successor Bank Depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company meeting the requirements of the depositary agreement.

DESCRIPTION OF WARRANTS

We may issue warrants for the purchase of common shares, preferred shares, depositary shares or debt securities. The following description sets forth certain general terms and provisions of the warrants that we may offer pursuant to this prospectus. The particular terms of the warrants and the extent, if any, to which the general terms and provisions may apply to the warrants so offered will be described in the applicable prospectus supplement.

Warrants may be issued independently or together with other securities and may be attached to or separate from any offered securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not have any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants.

A copy of the forms of the warrant agreement and the warrant certificate relating to any particular issue of warrants will be filed with the SEC each time we issue warrants, and you should read those documents for provisions that may be important to you. For more information on how you can obtain copies of the forms of the warrant agreement and the related warrant certificate, see [Where You Can Find More Information](#).

if applicable, the designation and terms of the debt securities that the warrants are issued with and the number of warrants issued with each debt security;

the principal amount of debt securities that may be purchased upon exercise of a warrant and the price at which the debt securities may be purchased upon exercise;

the dates on which the right to exercise the warrants will commence and expire;

if applicable, the minimum or maximum amount of the warrants that may be exercised at any one time;

whether the warrants represented by the warrant certificates or debt securities that may be issued upon exercise of the warrants will be issued in registered or bearer form;

information relating to book-entry procedures, if any;

Exercise of Warrants

Each warrant will entitle the holder of the warrant to purchase at the exercise price set forth in the applicable prospectus supplement the number of common shares, preferred shares or depositary shares or the principal amount of debt securities being offered. Holders may exercise warrants at any time up to the close of business on the expiration date set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants are void. Holders may exercise warrants as set forth in the prospectus supplement relating to the warrants being offered.

Until a holder exercises the warrants to purchase our common shares, preferred shares, depositary shares or debt securities, the holder will not have any rights as a holder of our common shares, preferred shares, depositary shares or debt securities, as the case may be, by virtue of ownership of warrants.

DESCRIPTION OF SUBSCRIPTION RIGHTS

We may issue to our shareholders subscription rights to purchase our common shares, preferred shares, depositary shares or debt securities. The following description sets forth certain general terms and provisions of the subscription rights that we may offer pursuant to this prospectus. The particular terms of the subscription rights and the extent, if any, to which the general terms and provisions may apply to the subscription rights so offered will be described in the applicable prospectus supplement.

Subscription rights may be issued independently or together with any other security offered by this prospectus and may or may not be transferable by the shareholder receiving the rights in the rights offering. In connection with any rights offering, we may enter into a standby underwriting agreement with one or more underwriters pursuant to which the underwriter will purchase any securities that remain unsubscribed for upon completion of the rights offering, or offer these securities to other parties who are not our shareholders. A copy of the form of subscription rights certificate will be filed with the SEC each time we issue subscription rights, and you should read that document for provisions that may be important to you. For more information on how you can obtain a copy of any subscription rights certificate, see [Where You Can Find More Information](#).

The applicable prospectus supplement relating to any subscription rights will describe the terms of the offered subscription rights, including, where applicable, the following:

the exercise price for the subscription rights;

the number of subscription rights issued to each shareholder;

the extent to which the subscription rights are transferable;

any other terms of the subscription rights, including terms, procedures and limitations relating to the exchange and exercise of the subscription rights;

the date on which the right to exercise the subscription rights will commence and the date on which the right will expire;

the extent to which the subscription rights include an over-subscription privilege with respect to unsubscribed securities; and

the material terms of any standby underwriting arrangement entered into by us in connection with the subscription rights offering.

DESCRIPTION OF DEBT SECURITIES

The following description sets forth general terms and provisions of the debt securities that we may issue, which may be issued as convertible or exchangeable debt securities. We will set forth the particular terms of the debt securities we offer in a prospectus supplement. The extent, if any, to which the following general provisions apply to particular debt securities will be described in the applicable prospectus supplement. The following description of general terms relating to the debt securities and the indenture under which the debt securities will be issued are summaries only and therefore are not complete. You should read the indenture and the prospectus supplement regarding any particular issuance of debt securities.

The debt securities will represent our unsecured general obligations, unless otherwise provided in the prospectus supplement. We currently conduct all of our operations through our subsidiaries. Our subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the debt securities or to make any funds available therefor, whether by dividends, loans or other payments. The holders of debt securities (whether senior or subordinated debt securities) will be effectively subordinated to the creditors of our subsidiaries. This means that creditors of our subsidiaries will have a claim to the assets of our subsidiaries that is superior to the claim of our creditors, including holders of our debt securities.

The debt securities will be issued under an indenture between us and Wells Fargo Bank, N.A., as trustee, and may be supplemented or amended from time to time following its execution. The indenture, and any supplemental indentures thereto, will be subject to, and governed by, the Trust Indenture Act of 1939, as amended.

The form of indenture gives us broad authority to set the particular terms of each series of debt securities issued thereunder, including, without limitation, the right to modify certain of the terms contained in the indenture.

Except to the extent set forth in a prospectus supplement, the indenture does not contain any covenants or restrictions that afford holders of the debt securities special protection in the event of a change of control or highly leveraged transaction.

General

The indenture will not limit the aggregate principal amount of debt securities that may be issued under it and provides that debt securities may be issued in one or more series, in such form or forms, with such terms and up to the aggregate principal amount, that we may authorize from time to time. We will establish the terms of each series of debt securities, and such terms will be set forth or determined in the manner provided in one or more resolutions of the board of directors or by a supplemental indenture. The particular terms of the debt securities offered pursuant to any prospectus supplement will be described in the prospectus supplement. All debt securities of one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of any holder, for issuances of additional debt securities of that series.

The applicable prospectus supplement will describe the following terms of any series of debt securities that we may offer (to the extent applicable to the debt securities):

This bond does not afford coverage in favor of such Corporations or Exchanges or any nominee in whose name is registered any security included within the systems for the central handling of securities established and maintained by such Corporations, and upon payment to the Insured by the Underwriter on account of any loss(es) within the systems, an assignment of such of the Insured's rights and causes of action as it may have against such Corporations or Exchanges shall to the extent of such payment, be given by the Insured to the Underwriter, and the Insured shall execute all papers necessary to secure the Underwriter the rights provided for herein.

SECTION 16. ADDITIONAL COMPANIES INCLUDED AS INSURED

- (b) **the one first named herein shall be deemed authorized to make, adjust and receive and enforce payment of all claims hereunder and shall be deemed to be the agent of the others for such purposes and for the giving or receiving of any notice required or permitted to be given by the terms hereof, provided that the Underwriter shall furnish each named Investment Company with a copy of the bond and with any amendment thereto, together with a copy of each formal filing of the settlement of each such claim prior to the execution of such settlement;**
- (c) **the Underwriter shall not be responsible for the proper application of any payment made hereunder to said first named Insured;**
- (d) **knowledge possessed or discovery made by any partner, officer of supervisory Employee of any Insured shall for the purposes of Section 4 and Section 13 of this bond constitute knowledge or discovery by all the Insured; and**
- (e) **if the first named Insured ceases for any reason to be covered under this bond, then the Insured next named shall thereafter be considered as the first, named Insured for the purposes of this bond.**

SECTION 17. NOTICE AND CHANGE OF CONTROL

Upon the Insured obtaining knowledge of a transfer of its outstanding voting securities which results in a change in control (as set forth in Section 2(a) (9) of the Investment Company Act of 1940) of the Insured, the Insured shall within thirty (30) days of such knowledge give written notice to the Underwriter setting forth:

- (a) **the names of the transferors and transferees (or the names of the beneficial owners if the voting securities are requested in another name), and**
- (b) **the total number of voting securities owned by the transferors and the transferees (or the beneficial owners), both immediately before and after the transfer, and**
- (c) **the total number of outstanding voting securities.**

As used in this section, control means the power to exercise a controlling influence over the management or policies of the Insured.

Failing to give the required notice shall result in termination of coverage of this bond, effective upon the date of stock transfer for any loss in which any transferee is concerned or implicated.

Such notice is not required to be given in the case of an Insured which is an Investment Company.

When a bond covers only one Investment Company no change or modification which would adversely affect the rights of the Investment Company shall be effective prior to 60 days after written notification has been furnished to the Securities and Exchange Commission, Washington, D.C., by the Insured or by the Underwriter. If more than one Investment Company is named as the Insured herein, the Underwriter shall give written notice to each Investment Company and to the Securities and Exchange Commission, Washington, D.C., not less than 60 days prior to the effective date of any change or modification which would adversely affect the rights of such Investment Company.

ERISA Rider

It is agreed that:

1. **Employee** as used in the attached bond shall include any natural person who is a director or trustee of the Insured while such director or trustee is engaged in handling funds or other property of any Employee Welfare or Pension Benefit Plan owned, controlled or operated by the Insured or any natural person who is a trustee, manager, officer of employee of any such Plan.
2. If the Bond, in accordance with the agreements, limitations and conditions thereof, covers loss sustained by two or more Employee Welfare or Pension Benefit Plans or sustained by any such Plan in addition to loss sustained by an Insured other than such Plan, it is the obligation of the Insured or the Plan Administrator(s) of such Plans under Regulations published by the Secretary of Labor Implementing Section 13 of the Welfare and Pension Plans Disclosure Act of 1958 to obtain under one or more bonds issued by one or more Insurers an amount of coverage for each such Plan at least equal to that which would be required if such Plans were bonded separately.
3. sustained loss covered thereunder.

4. **If money or other property of two or more Employee Welfare or Pension Benefit Plans covered under the bond is commingled, recovery for loss of such money or other property through fraudulent or dishonest acts of Employees shall be shared by such Plans on a pro rata basis in accordance with the amount for which each such Plan is required to carry bonding coverage in accordance with the applicable provisions of said Regulations.**

5. **The Deductible Amount of this bond applicable to loss sustained by a Plan through acts committed by an Employee of the Plan shall be waived, but only up to an amount equal to the amount of coverage required to be carried by the Plan because of compliance with the provisions of the Employee Retirement Income Security Act of 1974.**

NEW YORK STATUTORY RIDER

1. The first paragraph of Section 13. TERMINATION under Conditions and Limitations is amended by adding the following:

Cancellation of this bond by the Underwriter is subject to the following provisions:

If the bond has been in effect for 60 days or less, it may be canceled by the Underwriter for any reason. Such cancellation shall be effective 60 days after the Underwriter mails a notice of cancellation to the first-named Insured at the mailing address shown in the bond. However, if the bond has been in effect for more than 60 days or is a renewal, then cancellation must be based on one of the followings grounds:

- (A) non-payment of premium, however, that a notice of cancellation on this ground shall inform the insured of the amount due;**
- (B) conviction of crime arising out of acts increasing the hazard insured against;**
- (C) discovery of fraud or material misrepresentation in the obtaining of the bond or in the presentation of claim thereunder;**
- (D) after issuance of the bond or after the last renewal date, discovery of an act or omission, or a violation of any bond condition that substantially and materially increases the hazard Insured against, and which occurred subsequent to inception of the current bond period;**

- (E) material change in the nature or extent of the risk, occurring after issuance or last annual renewal anniversary date of the bond, which causes the risk of loss to be substantially and materially increased beyond that contemplated at the time the bond was issued or last renewed;**

- (F) the cancellation is required pursuant to a determination by the superintendent that continuation of the present premium volume of the Insurer would jeopardize the Insurer's solvency or be hazardous to the interest of the Insureds, the Insurer's creditors or the public;**

- (G) a determination by the superintendent that the continuation of the bond would violate, or would place the Insurer in violation of, any provision of the New York State Insurance laws.**

- (H) where the Insurer has reason to believe, in good faith and with sufficient cause, that there is a possible risk or danger that the Insured property will be destroyed by the Insured for the purpose of collecting the insurance proceeds, provided, however, that:**
 - (i) a notice of cancellation on this ground shall inform the Insured in plain language that the Insured must act within ten days if review by the Insurance Department of the State of New York of the ground for cancellation is desired, and**

 - (ii) notice of cancellation on this ground shall be provided simultaneously by the Insurer to the Insurance Department of the State of New York.**

 - (iii) upon written request of the Insured made to the Insurance Department of the State of New York within ten days from the Insured's receipt of notice of cancellation on this ground, the department shall undertake a review of the ground for cancellation to determine whether or not the Insurer has satisfied the criteria for cancellation specified in this subparagraph; if after such review the**

department finds not sufficient cause for cancellation on this ground, the notice of cancellation on this ground shall be deemed null and void.

Cancellation based on one of the above grounds shall be effective 60 days after the notice of cancellation is mailed or delivered to the Named Insured, at the address shown on the bond, and to its authorized agent or broker.

2. If the Underwriter elects not to replace a bond at the termination of the Bond Period, it shall notify the Insured not more than 120 days nor less than 60 days before termination. If such notice is given late, the bond shall continue in effect for 60 days after such notice is given. The Aggregate Limit of Liability shall not be increased or reinstated. The notice not to replace shall be mailed to the Insured and its broker or agent.
3. If the Underwriter elects to replace the bond, but with a change of limits, reduced coverage, increased deductible, additional exclusion, or upon increased premiums in excess of ten percent (exclusive of any premium increase as a result of experience rating), the Underwriter must mail written notice to the Insured and its agent or broker not more than 120 days nor less than 60 days before replacement. If such notice is given late, the replacement bond shall be in effect with the same terms, conditions and rates as the terminated bond for 60 days after such notice is given.
4. The Underwriter may elect to simply notify the Insured that the bond will either be not renewed or renewed with different terms, conditions or rates. In this event, the Underwriter will inform the Insured that a second notice will be sent at a later date specifying the Underwriter's exact intention. The Underwriter shall inform the Insured that, in the meantime, coverage shall continue on the same terms, conditions and rates as the expiring bond until the expiration date of the bond or 60 days after the second notice is mailed or delivered, whichever is later.

Nothing herein contained shall be held to vary, alter, waive, or extend any of the terms, conditions, provisions, agreements or limitations of the above mentioned Bond or Policy, other than as above stated.

Certificate of Secretary

The undersigned, being the duly elected Secretary of the above-referenced Funds, each a Fund organized under the laws of the State of Maryland, hereby certifies that the following are the true and complete resolutions approved by the Board of Directors at a meeting held on December 8, 2015, and that said resolutions have not been revoked or amended and are now in full force and effect.

RESOLVED, that it is the determination of the Board, including a majority of the Independent Directors, that the joint insured fidelity bond among the closed-end registered Funds (the Closed-end Bond) written by St. Paul Fire and Marine Insurance Company in the amount of \$9,800,000, insuring the Fund and the other parties named as insured parties under the Closed-end Bond (the Parties) for covered acts or omissions of the Fund s officers and employees, in accordance with the requirements of Rule 17g-1 under the 1940 Act, is reasonable in form and amount after having given due consideration to all relevant factors including, but not limited to, the value of the aggregate assets of the Fund to which any such covered person may have access, the type and terms of the arrangements made for the custody and safekeeping of such assets and the nature of the securities in the Fund s portfolio; and

RESOLVED, that the Board, including a majority of the Independent Directors, hereby approves the payment by each Fund of the portion of the extension premium for coverage under the Closed-end Bond, as the case may be, in the amount described at this meeting, having given due consideration to all relevant factors including, but not limited to, the number of other Parties, the nature of the business activities of such other Parties, the amount of the relevant Bond, and the ratable allocation of the premium among all the relevant Parties and the extent to which the share of the premium allocated to such Fund is less than the premium the Fund would have had to pay if it had provided and maintained a single insured bond; and

RESOLVED, that each of the appropriate officers of the Fund hereby is authorized to take such actions as may be required to amend the Bonds to include in the coverage new funds advised, sub-advised or administered by CSCM or its affiliates, as of the date each is declared effective by the Securities and Exchange Commission (the SEC); and

RESOLVED, that each of the President, any Vice President, the Secretary, any Assistant Secretary and the Treasurer hereby is designated as the officer responsible for making all filings with the SEC and giving all notices on behalf of the Fund with respect to the Bonds required by paragraph (g) of Rule 17g-1 under the 1940 Act; and

RESOLVED, that the form, terms and conditions of each Joint Fidelity Bond Agreement (each an Agreement) between and among the Fund and the relevant Parties, substantially in the form discussed at this meeting, hereby are adopted and approved, and that each of the President, any Vice President, the Secretary, any Assistant Secretary and the Treasurer hereby is authorized and directed to execute and deliver the Agreement on behalf of the Fund with such changes therein as such officer determines is necessary or desirable, the execution thereof to be conclusive evidence of such determination; and

RESOLVED, that the actions taken by the appropriate officer or officers in respect of the matters referred to in the preceding resolutions hereby are ratified, adopted, and confirmed in all respects.

IN WITNESS WHEREOF, the undersigned has executed this certificate as Secretary of the above mentioned Funds on this 1st day of March, 2016.
