RISK FACTORS

Investing in our debt securities involves risk. Prior to making a decision about investing in our debt securities, you should carefully consider the specific factors discussed under the heading "Risk Factors" in our most recent annual report on Form 10-K and in our most recent quarterly reports on Form 10-Q, which are incorporated herein by reference and may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future, and any risk factors contained in the applicable prospectus supplement. The risks and uncertainties we have described are not the only ones we face. Additional risks and uncertainties that are not yet identified may also materially harm our business, operating results and financial condition and could result in a complete loss of your investment.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Certain statements contained in or incorporated by reference into this prospectus and any accompanying prospects supplement constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Exchange Act. These forward-looking statements are based upon management's current expectations, estimates, assumptions and beliefs concerning future events and conditions and may discuss, among other things, anticipated future performance (including sales and earnings), expected growth, future business plans and the costs and potential liability for environmental-related matters and the lead pigment and lead-based paint litigation. Any statement that is not historical in nature is a forward-looking statement and may be identified by the use of words and phrases such as "expects," "anticipates," "believes," "will," "will likely result," "will continue," "plans to" and similar expressions. Readers are cautioned not to place undue reliance on any forward-looking statements. Forward-looking statements are necessarily subject to risks, uncertainties and other factors, many of which are outside of our control, that could cause actual results to differ materially from such statements and from our historical results and experience.

These risks, uncertainties and other factors include such things as:

continuation of the current negative global economic and financial conditions;

general business conditions, strengths of retail and manufacturing economies and the growth in the coatings industry;

competitive factors, including pricing pressures and product innovation and quality;

changes in raw material and energy supplies and pricing;

changes in our relationships with customers and suppliers;

our ability to attain cost savings from productivity initiatives;

our ability to successfully integrate past and future acquisitions into our existing operations, as well as the performance of the businesses acquired;

risks and uncertainties associated with our ownership of Life Shield Engineered Systems LLC;

changes in general domestic economic conditions such as inflation rates, interest rates, tax rates, unemployment rates, higher labor and healthcare costs, recessions, and changing governmental policies, laws

and regulations;

risks and uncertainties associated with our expansion into and our operations in Asia, Mexico and South America and other foreign markets, including general economic conditions, inflation rates, recessions, foreign currency exchange rates, foreign investment and repatriation restrictions, legal and regulatory constraints, civil unrest and other external economic and political factors;

the achievement of growth in developing markets, such as Asia, Mexico and South America;

increasingly stringent domestic and foreign governmental regulations including those affecting the environment;

Table of Contents

inherent uncertainties involved in assessing our potential liability for environmental-related activities;

other changes in governmental policies, laws and regulations, including changes in accounting policies and standards and taxation requirements (such as new tax laws and new or revised tax law interpretations);

the nature, cost, quantity and outcome of pending and future litigation and other claims, including the lead pigment and lead-based paint litigation, and the effect of any legislation and administrative regulations relating thereto; and

unusual weather conditions.

It is not possible to predict or identify all of the risks, uncertainties and other factors that may affect future results, and the above list should not be considered to be a complete list. Any forward-looking statement speaks only as of the date on which such statement is made, and we undertake no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as otherwise required by law.

USE OF PROCEEDS

Unless we inform you otherwise in the applicable prospectus supplement, we expect to use the net proceeds from the sale of our debt securities to which this prospectus relates for general corporate purposes. These purposes may include, but are not limited to:

reduction or refinancing of outstanding indebtedness or other corporate obligations;

additions to working capital;

capital expenditures; and

acquisitions.

Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of short-term indebtedness.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of consolidated earnings to fixed charges for the periods presented:

	Nine Months Ended		Year Ended December 31,			
	September 30, 2009	2008	2007	2006	2005	2004
Ratio of earnings to fixed charges	3.2x	3.1x	3.9x	3.9x	3.7x	3.7x

The ratio of earnings to fixed charges is computed by dividing fixed charges into income before taxes. Fixed charges consist of interest expense, net, including amortization of discount and financing costs and the portion of operating

rental expense that we believe is representative of the interest component of rent expense. The interest expense included in fixed charges reflects only interest on third-party indebtedness and excludes any interest expense accrued on uncertain tax positions, as permitted by Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 740, *Income Taxes* (formerly FASB Interpretation No. 48, *Accounting for Income Taxes*).

DESCRIPTION OF DEBT SECURITIES

The following is a general description of the debt securities that we may offer from time to time under this prospectus. The financial terms and other specific terms of the debt securities being offered will be described in a prospectus supplement relating to the issuance of those securities. The extent, if any, to which the following general provisions apply to particular debt securities will be described in the applicable prospectus supplement.

The debt securities will be issued under an indenture dated as of February 1, 1996 (the *Indenture*), between us and The Bank of New York Mellon (as successor to Chemical Bank), as trustee (the *Trustee*), as it may be supplemented or amended from time to time. A copy of the form of Indenture has been filed as an exhibit to the registration statement of which this prospectus is a part. The Indenture, and any supplemental indentures thereto, will be subject to, and governed by, the Trust Indenture Act of 1939.

The following description of general terms relating to the debt securities and the Indenture is a summary only and does not describe every aspect of the debt securities that we may offer pursuant to this prospectus. This summary also is subject to and qualified by reference to the description of the particular terms of the debt securities and the Indenture described in the related prospectus supplement, including definitions of certain terms used in the Indenture, and the debt securities. You should read the Indenture and the prospectus supplement regarding any particular issuance of debt securities.

You can find the definition of certain terms used in this description under the subheading *Certain Definitions*. For purposes of this description of debt securities, references to the terms *we*, *us*, *the Company* or *Sherwin-Williams* or other similar terms mean only The Sherwin-Williams Company and not its subsidiaries.

General

with regard to debt securities of the series that do not bear interest, the dates for certain required reports to the Trustee; and

any other terms of the debt securities of the series (which terms shall not be prohibited by the provisions of the Indenture).

The prospectus supplement will also describe any material United States federal income tax consequences or other special considerations applicable to the series of debt securities to which such prospectus supplement relates, including those applicable to: (a) debt securities with respect to which payments of principal, premium, if any, or interest are determined with reference to an index or formula (including changes in prices of particular securities, currencies or commodities); (b) debt securities with respect to which principal, premium, if any, or interest is payable in a foreign or composite currency; (c) debt securities that are issued at a discount below their stated principal amount, bearing no interest or interest at a rate that at the time of issuance is below market rates (original issue discount debt securities); and (d) variable rate debt securities that are exchangeable for fixed rate debt securities.

Payments of interest on registered securities may be made at the option of the Company by check mailed to the registered holders thereof or, if so provided in the applicable prospectus supplement and in accordance with arrangements satisfactory to the Trustee, at the option of a registered holder by wire transfer to an account designated by such registered holder.

Unless otherwise provided in the applicable prospectus supplement, registered securities may be transferred or exchanged at the office of the Trustee at which its corporate trust business is principally administered in the United States or at the office of the Trustee or the Trustee's agent in the Borough of Manhattan, the City and State of New York, at which its corporate agency business is conducted, subject to the limitations provided in the Indenture, without the payment of any service charge, other than any tax or governmental charge payable in connection therewith.

Certain Covenants of the Company

Limitation on Liens

Unless otherwise provided in the applicable prospectus supplement, we will not, and will not permit any of our Restricted Subsidiaries to, directly or indirectly, create or permit to exist any Lien on any Principal Property, or shares of capital stock of any Restricted Subsidiary, whether owned on the date the Indenture or thereafter acquired, securing any obligation unless we contemporaneously secure the debt securities equally and ratably with (or prior to) such obligation. The preceding sentence will not require us to secure the debt securities if the Lien consists of either: (a) Permitted Liens; or (b) Liens other than Permitted Liens, provided that the aggregate amount of all obligations secured by Liens other than Permitted Liens does not exceed 15% of Consolidated Net Tangible Assets.

Limitation on Sale/Leaseback Transactions

Unless otherwise provided in the prospectus supplement, we and our Restricted Subsidiaries shall not enter into any Sale/Leaseback Transaction with respect to any Principal Property unless (a) we or such Restricted Subsidiary would be entitled to create a Lien on such Principal Property securing Indebtedness in an amount equal to the Attributable Indebtedness with respect to such Sale/Leaseback Transaction without securing the debt securities then outstanding pursuant to the provisions described above under Limitation on Liens or (b) we, within six months from the effective date of such Sale/Leaseback Transaction, apply an amount equal to the Attributable Indebtedness with respect to such Sale/Leaseback Transaction to the voluntary defeasance or retirement of debt securities or other Indebtedness ranking *pari passu* with the debt securities; provided that the foregoing will not prevent us or any Restricted Subsidiary from

(x) entering into any Sale/Leaseback Transaction involving a lease with a term of less than three years or (y) entering into any Sale/Leaseback Transaction between a Restricted Subsidiary and us or between Restricted Subsidiaries.

- (f) we or any of our Significant Subsidiaries shall (1) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or other federal or state bankruptcy, insolvency, or similar law, (2) consent to the institution of, or fail to controvert within the time and in the manner prescribed by law, any such proceeding or the filing of any such petition, (3) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, or similar official for the Company or any such Significant Subsidiary or for a substantial part of its property, (4) file an answer admitting the material allegations of a petition filed against us in any such proceeding, (5) make a general assignment for the benefit of creditors, (6) admit in writing our inability or fail generally to pay our debts as they become due, (7) take corporate action for the purpose of effecting any of the foregoing, or (8) take any comparable action under any foreign laws relating to our insolvency or that of any Significant Subsidiary;
- (g) the entry of an order or decree by a court having competent jurisdiction for (1) relief with respect to us or any of our Significant Subsidiaries or a substantial part of any of their property under the United States Bankruptcy Code or

any other federal or state bankruptcy, insolvency, or similar law, (2) the appointment of a receiver, trustee, custodian, sequestrator, or similar official for us or any such Significant Subsidiary or for a substantial part of any of their property (except any decree or order appointing such official of any Significant Subsidiary pursuant to a plan under which the assets and operations of such Significant Subsidiary are transferred to or combined with another of our Subsidiaries

or to the us), or (3) the winding-up or liquidation of us or any such Significant Subsidiary (except any decree or order approving or ordering the winding-up or liquidation of the affairs of a Significant Subsidiary pursuant to a plan under which the assets and operations of such Significant Subsidiary are transferred to or combined with another of our Subsidiaries or to us), and such order or decree shall continue unstayed and in effect for 60 consecutive days, or any similar relief is granted under any foreign laws and the order or decree stays in effect for 60 consecutive days; and

(h) any other Event of Default provided with respect to debt securities of that series.

An Event of Default with respect to one series of debt securities is not necessarily an Event of Default for another series.

If an Event of Default described in clause (a), (b), (c), (d), (e), (f) (other than with respect to us), (g) (other than with respect to us) or (h) above occurs and is continuing with respect to any series of debt securities, unless the principal and interest with respect to all the debt securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the debt securities of such series (each such series voting as a separate class) then outstanding may declare the principal amount (or, if original issue discount debt securities, such portion of the principal amount as may be specified in such series) of and interest on all the debt securities of such series due and payable immediately. If an Event of Default described in clause (f) or (g) (in each case with respect to us) above occurs, unless the principal and interest with respect to all the debt securities of all series shall have become due and payable, the principal amount (or, if any series are original issue discount debt securities, such portion of the principal amount as may be specified in such series) of and interest on all debt securities of all series then outstanding shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holder of debt securities.

If an Event of Default occurs and is continuing, the Trustee shall be entitled and empowered to institute any action or proceeding for the collection of the sums so due and unpaid or to enforce the performance of any provisions of the debt securities of the affected series or the Indenture, to prosecute any such action or proceeding to judgment or final decree, and to enforce any such judgment or final decree against us or any other obligor on the debt securities of such series. In addition, if there shall be pending proceedings for the bankruptcy or reorganization of the Company or any other obligor on the debt securities, or if a receiver, trustee, or similar official shall have been appointed for its property, the Trustee shall be entitled and empowered to file and prove a claim for the whole amount of principal, premium, and interest (or, in the case of original issue discount debt securities, such portion of the principal amount as may be specified in the terms of such series) owing and unpaid with respect to the debt securities. No holder of any debt security of any series shall have any right to institute any action or proceeding upon or under or with respect to the Indenture, for the appointment of a receiver or trustee, or for any other remedy, unless (a) such holder previously shall have given to the Trustee written notice of an Event of Default with respect to debt securities of that series and of the continuance thereof, (b) the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of that series (each such series voting as a separate class) shall have made written request to the Trustee to institute such action or proceeding with respect to such Event of Default and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses, and liabilities to be incurred therein or thereby, and (c) the Trustee, for 60 days after its receipt of such notice, request, and offer of indemnity shall have failed to institute such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee pursuant to the provisions of the Indenture.

Prior to the acceleration of the maturity of the debt securities of any series, the holders of a majority in aggregate principal amount of the debt securities of that series at the time outstanding may, on behalf of the holders of all debt securities of that series, waive any past default or Event of Default and its consequences for that series, except (a) a default in the payment of the principal, premium, if any, or interest with respect to such debt securities or (b) a default with respect to a provision of the Indenture that cannot be amended without the consent of each holder affected

thereby. In case of any such waiver, such default shall cease to exist, any Event of Default arising therefrom shall be deemed to have been cured for all purposes, and the

Table of Contents

Trustee, the holders of the debt securities of that series and us shall be restored to our former positions and rights under the Indenture.

The Trustee shall promptly after the occurrence of a default known to it with respect to a series of debt securities, give to the holders of the debt securities of such series notice of all uncured defaults with respect to such series known to it, unless such defaults shall have been cured or waived before the giving of such notice; *provided, however*, that except in the case of default in the payment of principal, premium, if any, or interest with respect to the debt securities of such series or in the making of any sinking fund payment with respect to the debt securities of such series, the Trustee shall be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interest of the holders of such debt securities.

Modification of the Indenture

We, when authorized by a resolution of our board of directors, and the Trustee may enter into supplemental indentures without the consent of the holders of debt securities for one or more of the following purposes:

- (a) to evidence the succession of another person to us pursuant to the provisions of the Indenture relating to consolidations, mergers, and sales of assets and the assumption by such successor of the covenants, agreements, and obligations of us in the Indenture and in the debt securities;
- (b) to surrender any right or power conferred upon us by the Indenture, to add to our covenants such further covenants, restrictions, conditions, or provisions for the protection of the holders of all or any series of debt securities as our board of directors shall consider to be for the protection of the holders of such debt securities and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions a default or an Event of Default under the Indenture (provided, however, that with respect to any such additional covenant, restriction, condition or provision, such supplemental indenture may provide for a period of grace after default, which may be shorter or longer than that allowed in the case of other defaults, may provide for an immediate enforcement upon such default, may limit the remedies available to the Trustee upon such default, or may limit the right of holders of a majority in aggregate principal amount of any or all series of debt securities to waive such default);
- (c) to cure any ambiguity or to correct or supplement any provision contained in the Indenture, in any supplemental indenture, or in any debt securities that may be defective or inconsistent with any other provision contained therein;
- (d) to modify or amend the Indenture in such a manner as to permit the qualification of the Indenture or any supplemental indenture under the Trust Indenture Act as then in effect;
- (e) to convey, transfer, assign, mortgage, or pledge any property to or with the Trustee, or to make such other provisions in regard to matters or questions arising under the Indenture as shall not adversely affect the interests of any holders of debt securities of any series;
- (f) to add guarantees with respect to the debt securities or to secure the debt securities;
- (g) to make any change that does not adversely affect the rights of any holder;
- (h) to add to, change, or eliminate any of the provisions of the Indenture with respect to one or more series of debt securities, so long as any such addition, change, or elimination not otherwise permitted under the Indenture shall (1) neither apply to any debt security of any series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the holders of any such debt security with respect to

such provision or (2) become effective only when there is no such debt security outstanding;

(i) to evidence and provide for the acceptance of appointment by a successor or separate trustee with respect to the debt securities of one or more series and to add to or change any of the provisions of the

Table of Contents

Indenture as shall be necessary to provide for or facilitate the administration of the Indenture by more than one trustee; and

(j) to establish the form or terms of debt securities as described under General above.

With the consent of the holders of a majority in aggregate principal amount of the outstanding debt securities of each series affected thereby, we, when authorized by a resolution of our board of directors, and the Trustee may from time to time and at any time enter into a supplemental indenture for the purpose of adding any provisions to, changing in any manner, or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the holder of the debt securities of such series; *provided, however*, that without the consent of the holders of each debt security so affected, no such supplemental indenture shall: (a) reduce the percentage in principal amount of debt securities of any series whose holders must consent to an amendment; (b) reduce the rate of or extend the time for payment of interest on any debt security; (c) reduce the principal of or extend the stated maturity of any debt security; (d) reduce the premium payable upon the redemption of any debt security or change the time at which any debt security may or shall be redeemed; (e) make any debt security payable in a currency other than that stated in the debt security; (f) release any security that may have been granted with respect to the debt securities; or (g) make any change in the provisions of the Indenture relating to waivers of defaults or amendments that require unanimous consent.

Consolidation, Merger, and Sales of Assets

We may not consolidate with or merge with or into any person, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of our assets (in one transaction or a series of related transactions), unless the following conditions have been satisfied:

either (a) we are the continuing Person in the case of a merger or (b) the resulting, surviving, or transferee Person, if other than us (the Successor Company), shall be a corporation organized and existing under the laws of the United States, any State, or the District of Columbia and shall expressly assume all of our obligations under the debt securities and the Indenture;

immediately after giving effect to such transaction (and treating any indebtedness that becomes an obligation of the Successor Company or any of our Subsidiaries as a result of such transaction as having been incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default would occur or be continuing; and

we shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, or transfer complies with the Indenture.

Satisfaction and Discharge of the Indenture; Defeasance

The Indenture shall generally cease to be of any further effect with respect to a series of debt securities if (a) we have delivered to the Trustee for cancellation all debt securities of such series (with certain limited exceptions) or (b) all debt securities of such series not theretofore delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year, and we have deposited with the Trustee as trust funds the entire amount sufficient (in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee) without consideration of any reinvestment and after payment of all taxes or other charges and assessments in respect thereof payable by the Trustee to pay at maturity or upon redemption all such debt securities, no default with respect to the debt securities has occurred and is continuing on the date of such deposit, such deposit does not result in a

breach or violation of, or constitute a default under, the Indenture or any other agreement or instrument to which we are a party and we delivered an officers certificate and an opinion of counsel each stating that such conditions have been complied with (and if, in either case, we shall also pay or cause to be paid all other sums payable by us under the Indenture).

Table of Contents

In addition, we shall have a legal defeasance option (pursuant to which we may terminate, with respect to the debt securities of a particular series, all of our obligations under such debt securities and the Indenture with respect to such debt securities) and a covenant defeasance option (pursuant to which we may terminate, with respect to the debt securities of a particular series, our obligations with respect to such debt securities under certain specified covenants contained in the Indenture, including the covenants described above under Certain Covenants of the Company Limitation on Liens and Limitation on Sale/Leaseback Transactions and any additional covenant provided with respect to a series of debt securities and to which the applicable prospectus supplement indicates that the covenant defeasance option will apply). If we exercise our legal defeasance option with respect to a series of debt securities, payment of such debt securities may not be accelerated because of an Event of Default. If we exercise our covenant defeasance option with respect to a series of debt securities, payment of such debt securities may not be accelerated because of an Event of Default related to the specified covenants.

We may exercise our legal defeasance option or our covenant defeasance option with respect to the debt securities of a series only if (a) we irrevocably deposit in trust with the Trustee cash or U.S. Government Obligations (as defined in the Indenture) for the payment of principal, premium, if any, and interest with respect to such debt securities to maturity or redemption, as the case may be, (b) we deliver to the Trustee a certificate from a nationally recognized firm of independent public accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay the principal, premium, if any, and interest when due with respect to all the debt securities of such series to maturity or redemption, as the case may be, (c) 91 days pass after the deposit is made and during the 91-day period no default described in clause (f) or (g) under Events of Default and Remedies above with respect to us occurs that is continuing at the end of such period, (e) the deposit does not constitute a default under any other agreement binding on us, (f) we deliver to the Trustee an opinion of counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940, (g) we shall have delivered to the Trustee an opinion of counsel addressing certain federal income tax matters relating to the defeasance, and (h) we deliver to the Trustee an officers certificate and an opinion of counsel, each stating that all conditions precedent to the defeasance and discharge of the debt securities of such series as contemplated by the Indenture have been complied with.

The Trustee shall hold in trust cash or U.S. Government Obligations deposited with it as described above and shall apply the deposited cash and the proceeds from deposited U.S. Government Obligations to the payment of principal, premium, if any, and interest with respect to the debt securities of the defeased series.

Concerning the Trustee

We may appoint a separate trustee for any series of debt securities. As used herein in the description of a series of debt securities, the term Trustee refers to The Bank of New York Mellon (as successor to Chemical Bank). In addition, we have the right to replace the Trustee under certain circumstances, including (subject to certain conditions) if the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to another corporation or banking association. From time to time, we and our subsidiaries may maintain ordinary banking relationships with the Trustee.

Governing Law

The Indenture and the debt securities will be construed in accordance with and governed by the laws of the State of New York (without reference to principles of conflicts of law).

Table of Contents

PLAN OF DISTRIBUTION

We may sell the offered debt securities in and outside the United States:

- through underwriters or dealers;
- directly to purchasers;
- through agents; or
- through a combination of any of these methods.

The prospectus supplement will include the following information:

- the terms of the offering;
- the names of any underwriters or agents;
- the name or names of any managing underwriter or underwriters;
- the purchase price or initial public offering price of the debt securities;
- the net proceeds from the sale of the debt securities;
- any delayed delivery arrangements;
- any underwriting discounts, commissions and other items constituting underwriters' compensation;
- any discounts or concessions allowed or reallocated or paid to dealers;
- any commissions paid to agents; and
- any securities exchanges on which the debt securities may be listed.

Sale through Underwriters or Dealers

If underwriters are used in the sale, we will execute an underwriting agreement with them regarding the debt securities. The underwriters will acquire the debt securities for their own account, subject to conditions in the underwriting agreement. The underwriters may resell the debt securities from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Underwriters may offer the debt securities to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. Unless we inform you otherwise in the prospectus supplement, the obligations of the underwriters to purchase the debt securities will be subject to certain conditions, and the underwriters will be obligated to purchase all the offered debt securities if they purchase any of them. The underwriters may change from time to time any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers.

During and after an offering through underwriters, the underwriters may purchase and sell the debt securities in the open market. To the extent expressly set forth in the applicable prospectus supplement, these transactions may include over-allotment and stabilizing transactions and purchases to cover syndicate short positions created in connection with the offering. The underwriters may also impose a penalty bid, which means that selling concessions allowed to syndicate members or other broker-dealers for the offered debt securities sold for their account may be reclaimed by the syndicate if the offered debt securities are repurchased by the syndicate in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the offered debt securities, which may be higher than the price that might otherwise prevail in the open market. If commenced, the underwriters may discontinue these activities at any time.

Some or all of the debt securities that we offer through this prospectus may be new issues of debt securities with no established trading market. Any underwriters to whom we sell our debt securities for public offering and may make a market in those debt securities, but they will not be obligated to do so and they may

Table of Contents

discontinue any market making at any time without notice. Accordingly, we cannot assure you of the liquidity of, or continued trading markets for, any debt securities that we offer.

If dealers are used in the sale of the debt securities, we will sell the debt securities to them as principals. They may then resell the debt securities to the public at varying prices determined by the dealers at the time of resale. We will include in the prospectus supplement the names of the dealers and the terms of the transaction.

Direct Sales and Sales through Agents

We may sell the debt securities directly. In this case, no underwriters or agents would be involved. We may also sell the debt securities through agents designated from time to time. In the prospectus supplement, we will name any agent involved in the offer or sale of the offered debt securities, and we will describe any commissions payable to the agent. Unless we inform you otherwise in the prospectus supplement, any agent will agree to use its reasonable best efforts to solicit purchases for the period of its appointment.

We may sell the debt securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of those securities. We will describe the terms of any sales of these debt securities in the prospectus supplement.

Remarketing Arrangements

Offered debt securities may also be offered and sold, if so indicated in the applicable prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more remarketing firms, acting as principals for their own accounts or as agents for us. Any remarketing firm will be identified and the terms of its agreements, if any, with us and its compensation will be described in the applicable prospectus supplement.

Delayed Delivery Contracts

If we so indicate in the prospectus supplement, we may authorize agents, underwriters or dealers to solicit offers from certain types of institutions to purchase debt securities from us at the public offering price under delayed delivery contracts. These contracts would provide for payment and delivery on a specified date in the future. The contracts would be subject only to those conditions described in the prospectus supplement. The prospectus supplement will describe the commission payable for solicitation of those contracts.

General Information

We may have agreements with the agents, dealers, underwriters and remarketing firms to indemnify them against certain civil liabilities, including liabilities under the Securities Act, or to contribute with respect to payments that the agents, dealers, underwriters or remarketing firms may be required to make. Agents, dealers, underwriters and remarketing firms may be customers of, engage in transactions with or perform services for us in the ordinary course of their businesses.

Item 15. *Indemnification of Directors and Officers.*

We shall indemnify, to the full extent then permitted by law, any director or officer or former director or officer of our company who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the individual is or was a member of our Board of Directors or our officer, employee or agent, or is or was serving at our request as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. We will pay, to the full extent then required by law, expenses, including attorney's fees, incurred by a member of our Board of Directors in defending any such action, suit or proceeding as they are incurred, in advance of the final disposition thereof.

To the full extent then permitted by law, we may indemnify employees, agents and other persons and may pay expenses, including attorney's fees, incurred by any employee, agent or other person in defending any action, suit or proceeding as such expenses are incurred, in advance of the final disposition thereof.

The indemnification and payment of expenses described above shall not be exclusive of, and shall be in addition to, any other rights granted to any person seeking indemnification under any law, our amended and restated articles of incorporation, any agreement, vote of shareholders or disinterested members of our Board of Directors, or otherwise, both as to action in official capacities and as to action in another capacity while he or she is a member of our Board of Directors or our officer, employee or agent, and shall continue as to a person who has ceased to be a member of our Board of Directors, trustee, officer, employee or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

We may, to the full extent then permitted by law and authorized by our Board of Directors, purchase and maintain insurance or furnish similar protection, including but not limited to trust funds, letters of credit or self-insurance, on behalf of or for any persons described above against any liability asserted against and incurred by any such person in any such capacity, or arising out of such person's status as such, whether or not we would have the power to indemnify such person against such liability under the provisions of Article IV of our Code of Regulations, as amended and restated on April 28, 2004 (Regulations), or of Chapter 1701 of the Ohio Revised Code. Insurance may be purchased from or maintained with a person in which we have a financial interest.

II-1

Table of Contents

We, upon approval by our Board of Directors, may enter into agreements with any persons who we may indemnify under our Regulations or under the laws of the State of Ohio and may undertake thereby indemnify such persons and to pay the expenses incurred by them in defending any action, suit or proceeding against them.

Under Section 1701.13 of the Ohio Revised Code, Ohio corporations are authorized to indemnify directors, officers, employees and agents within prescribed limits and must indemnify them under certain circumstances. Ohio law does not provide statutory authorization for a corporation to indemnify directors, officers, employees and agents for settlements, fines or judgments in the context of derivative suits. However, it provides that directors (but not officers, employees or agents) are entitled to mandatory advancement of expenses, including attorneys' fees, incurred in defending any action, including derivative actions, brought against the director, provided that the director agrees to cooperate with the corporation concerning the matter and to repay the amount advanced if it is proved by clear and convincing evidence that the director's act or failure to act was done with deliberate intent to cause injury to the corporation or with reckless disregard for the corporation's best interests.

Ohio law does not authorize payment of judgments to a director, officer, employee or agent after a finding of negligence or misconduct in a derivative suit absent a court order. Indemnification is permitted, however, to the extent such person succeeds on the merits. In all other cases, if a director, officer, employee or agent acted in good faith and in a manner he reasonably believed to be in or not opposed to be the best interests of the corporation, indemnification is discretionary except as otherwise provided by a corporation's articles, code of regulations or by contract except with respect to the advancement of expenses of directors.

Under Ohio law, a director is not liable for monetary damages unless it is proved by clear and convincing evidence that his action or failure to act was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation. There is, however, no comparable provision limiting the liability of officers, employees or agents of a corporation. The statutory right to indemnification is not exclusive in Ohio, and Ohio corporations may, among other things, procure insurance for such persons.

The undersigned registrant hereby undertakes:

Table of Contents

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed a part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be a part of and included in the registration statement as of the earlier date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which a prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated by reference or deemed incorporated by reference into the registration statement or prospectus that is a part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such

purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
