This current report includes certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used, words such as anticipate, expect, believe, project, intend, may be and similar words or phrases, or the negative thereof, unless the context requires otherwise, are intended to identify forward-looking statements. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

our ability to control costs, real estate market conditions, the actual rate of decline in customers, the actual use of sites by customers and our success in acquiring new customers at our Properties (including those recently acquired);

our ability to maintain historical rental rates and occupancy with respect to Properties currently owned or that we may acquire;

our assumptions about rental and home sales markets;

in the age-qualified Properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial, credit and capital markets volatility;

results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;

impact of government intervention to stabilize site-built single family housing and not manufactured housing;

the completion of future acquisitions, if any, and timing with respect thereto and the effective integration and successful realization of cost savings;

ability to obtain financing or refinance existing debt on favorable terms or at all;

the effect of interest rates;

the dilutive effects of issuing additional common stock;

the effect of accounting for the sale of agreements to customers representing a right-to-use the Properties under the Codification Topic *Revenue Recognition*; and

other risks indicated from time to time in our filings with the Securities and Exchange Commission.

These forward-looking statements are based on management's present expectations and beliefs about future events. As with any projection or forecast, these statements are inherently susceptible to uncertainty and changes in circumstances. The Company is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements whether as a result of such changes, new information, subsequent events or otherwise.
