### EXPLANATORY NOTE

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-8 (No. 333-159965) is filed pursuant to Rule 414 of the Securities Act of 1933, as amended (the Securities Act ) by Precision Drilling Corporation (the Corporation ), a corporation incorporated under the *Business Corporations Act* (Alberta) (the ABCA ), which is the successor issuer to Precision Drilling Trust (the Trust ). On May 31, 2010 and June 1, 2010 the Trust completed a court-approved statutory plan of arrangement (the Arrangement ) pursuant to which unitholders of the Trust exchanged their units in the Trust (the Trust Units ) for common shares of the Corporation (the Common Shares ). The Trust's Employee Trust Unit Option Plan, dated May 6, 2009 (the Original Plan ) granted options (the Trust Unit Options ) to officers and key employees of the Trust to purchase Trust Units. The Corporation's Amended and Restated Employee Stock Option Plan, dated May 31, 2010 (the New Plan ), established in connection with the Arrangement, provides that Trust Unit Options granted pursuant to the Original Plan, which were formerly exercisable for Trust Units, are exercisable for Common Shares. Going forward under the New Plan, officers and key employees of the Corporation will receive options to purchase Common Shares. In accordance with Rule 414(d) under the Securities Act, the Corporation, as the successor to the Trust, hereby expressly adopts this Registration Statement as its own registration statement for all purposes under the Securities Act and the Securities Exchange Act of 1934, as amended (the Exchange Act ). All applicable registration fees were paid at the time of the original filing of the Registration Statement.

**Item 6. Indemnification of Directors and Officers**

Under the ABCA, the Corporation may indemnify a present or former director or officer, or a person who acts or acted at the Corporation's request as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor, and the director's or officer's heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Corporation or that body corporate, if the director or officer acted honestly and in good faith with a view to the best interests of the Corporation, and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his or her conduct was lawful. **Item 9. Undertakings**

- (a) The undersigned registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
    - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
    - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of the securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and
    - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Corporation pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.
  - (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
  - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The Corporation hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Corporation's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Corporation pursuant to the foregoing provisions, or otherwise, the Corporation has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Corporation of expenses incurred or paid by a director, officer or controlling person of the Corporation in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Corporation will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
