**PROXY STATEMENT/ANNUAL MEETING OF STOCKHOLDERS OF
SEGMENTZ, INC.**

May 2, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This Proxy Statement (the *Proxy Statement*) and the accompanying form of proxy are being furnished to the Stockholders (the *Stockholders*) of Segmentz, Inc. (the *Company*) in connection with the solicitation of proxies by the Board of the Company (the *Board*) from holders of its outstanding common stock (the *Common Stock*), for use at the Annual Meeting of Stockholders of the Company (together with any adjournments or postponements thereof, the *Meeting*) to be held at The Boulevard Hotel, 521 Lake Boulevard, Saint Joseph, Michigan 49085, on May 31, 2006 at 3:00 p.m. EST. This Proxy Statement, the accompanying form of proxy, and the Annual Report to Stockholders are expected to be mailed to Stockholders of the Company on or about May 2, 2006.

Solicitation

The expense of this solicitation will be borne by the Company. Solicitation will be primarily by use of the mails. Executive officers and other employees of the Company may solicit proxies, without additional compensation, personally and by telephone and other means of communication. The Company will also reimburse brokers and other persons holding Common Stock in their names or in the names of their nominees for their reasonable expenses in forwarding proxies and proxy materials to beneficial owners.

Voting Rights and Outstanding Shares

Stockholders of record as of the close of business on April 24, 2006 (the *Record Date*) will be entitled to vote at the Meeting. Each share of outstanding Common Stock is entitled to one vote. As of the Record Date, there were 26,465,034 shares of Common Stock outstanding.

The presence at the Meeting, in person or by proxy, of a majority of the outstanding shares of Common Stock as of the Record Date will constitute a quorum for transacting business at the Meeting. Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the Meeting. Broker non-votes occur when a broker nominee, holding shares in street name for the beneficial owner thereof, has not received voting instructions from the beneficial owner and does not have discretionary authority to vote.

The election of directors requires the plurality vote of the shares of Common Stock present in person or represented by proxy and voting, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no affect on the election of directors. The ratification of Pender Newkirk & Company LLP as our independent auditors for the year ending December 31, 2006 requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Meeting, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no affect on the ratification of Pender Newkirk & Company LLP. The approval and ratification of an amendment to our Certificate of Incorporation and Bylaws authorizing the creation of three classes of director (Class I, Class II and Class III) with staggered three year terms of appointment, requires the affirmative vote of a majority of the shares of Common Stock issued and outstanding, therefore, abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have an

adverse affect on the approval of the proposal. The approval and ratification of an amendment to our Certificate of Incorporation authorizing a change in our legal name from Segmentz, Inc. to Express-1 Expedited Solutions, Inc., requires the affirmative vote of a majority of the shares of Common Stock issued and outstanding, therefore, abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have an adverse affect on the approval of the proposal.

Table of Contents

Revocability of Proxies

The shares of Common Stock represented by proxy will be voted as instructed if received in time for the Meeting. If no instructions are indicated, such shares will be voted in favor of (FOR) (i) each nominee for election as a director specified herein; (ii) the ratification of the appointment of Pender Newkirk & Company LLP, as independent auditors for the Company for the year ending December 31, 2006; (iii) the approval and ratification of an amendment to our Certificate of Incorporation and Bylaws thereby creating three classes of Director (Class I, Class II and Class III) with staggered three year terms of appointment; (iv) approval and ratification of an amendment to our Certificate of Incorporation authorizing a change in our legal name from Segmentz, Inc. to Express-1 Expedited Solutions, Inc.; and (v) in the discretion of the proxy holder as to any other matter that may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. Any person signing and mailing the proxy may, nevertheless, revoke it at any time before it is exercised by written notice to the Company (Attention: Chief Financial Officer, 429 Post Road, Buchanan, Michigan 49107), or by attending in person and voting at the Meeting. Attendance at the Meeting, however, will not itself constitute the revocation of a proxy.

The Board's compensation committee (the Compensation Committee) is currently comprised of Jay Taylor, Jim Martell and Calvin R. Whitehead, with Mr. Taylor serving as its Chairperson. The members of the Compensation Committee are independent as defined in Section 121(A) of the American Stock Exchange Listing Standards. During 2005, the Compensation Committee met four times. All members of the Compensation Committee attended at least 75% of the meetings. The Compensation Committee convenes when deemed appropriate or necessary by its members. The responsibilities of the Compensation Committee include the following:

- Overseeing our compensation and benefit plans, including incentive compensation and equity-based plans;
- Evaluating the compensation provided to our directors;
- Conducting the annual evaluation by our Board of Directors of the Chief Executive Officer;
- Evaluating the performance of all other executive officers; and
- Setting the compensation level of our Chief Executive Officer and all of our other executive officers based on an evaluation of each executive's performance in light of the goals and objectives of our executive compensation plans.

Compensation Committee Report on Executive Compensation

Compensation Governance

This report describes our executive compensation program and the basis on which the 2005 fiscal year compensation determinations were made by us for the executive officers of the Company, including our Chief Executive Officer and Chief Financial Officer. We establish all components of executive pay and recommend or report our decisions to the Board of Directors for approval.

Our duties include recommending to the Board of Directors the base salary levels for all executive officers as well as the design of awards in connection with all other elements of the executive pay program. We also evaluate executive performance and address other matters related to executive compensation.

Compensation Policy and Overall Objectives

In developing recommendations regarding the amount and composition of executive compensation, our goal is to provide a compensation package that will enable the Company to attract and retain highly qualified individuals for its executive positions. In addition, our objectives include rewarding outstanding performance and linking the interests of our executives to the interests of our stockholders. In determining actual compensation levels, we consider all elements of the program in total rather than any one element in isolation.

We believe that each element of the compensation program should target compensation levels at rates that take into account current market practices. Offering market-comparable pay opportunities allows us to maintain a stable, successful management team.

The key elements of our executive compensation are base salary, discretionary annual bonuses, long-term incentives, and various other benefits, including medical insurance, which are generally available to all employees of the Company. Each of these is addressed separately below.

Base Salaries

We regularly review each executive's base salary. The base salary ranges of the Company's executives are targeted to be in the range of the median base pay ranges of similarly positioned executives in the group of comparable companies selected for compensation comparison purposes.

Table of Contents

Base salaries for executives are initially determined by evaluating executives' levels of responsibility, prior experience, breadth of knowledge, internal equity issues and external pay practices. Increases to base salaries are driven primarily by performance, which is evaluated based on sustained levels of contribution to the Company, and/or salary increases in the industry for similar companies with similar performance profiles.

Annual Bonuses

Annual bonus opportunities allow the Company to communicate specific goals that are of primary importance during the coming year and motivate executives to achieve these goals. The Company's employment agreements with its Chief Executive Officer and Chief Financial Officer provide for the payment of an annual bonus to said individuals.

Long-Term Incentives

Our stock option program is designed to align the long-term interest of executives, certain middle managers and other key personnel to the long-term interests of our stockholders and therefore are typically granted upon commencement of employment. Stock options are granted at an option price not less than the fair market value of the Company's Common Stock on the date of grant. Accordingly, stock options have value only if the stock price appreciates following the date the options are granted. Further, stock options are typically subject to a 36-month vesting period. The Committee awards stock options on the basis of individual performance and/or achievement of internal strategic objectives. This approach focuses executives on the creation of stockholder value over the long term and encourages equity ownership in the Company.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to the Company's Chief Executive Officer and the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The Compensation Committee reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in the best interests of the company and its stockholders, after taking into consideration changing business conditions and the performance of its employees.

Conclusion

We believe that attracting and retaining management and employees of high caliber is essential to maintaining a high-performing organization that creates long-term value for its stockholders. We also believe that offering a competitive, performance-based compensation program with a large equity component helps to achieve this objective by aligning the interests of officers and other key employees with those of stockholders. We believe that the Company's 2005 fiscal year compensation program met these objectives.

The Nominating Committee

In 2005, the Board established a nominating committee (the Nominating Committee), which is currently comprised of Calvin R. Whitehead, Jay Taylor and Jim Martell, with Mr. Whitehead serving as its Chairperson. The members of the Nominating Committee are independent as defined in Section 121(A) of the American Stock Exchange Listing Standards. During 2005, the Nominating Committee met four times. All members of the

Table of Contents

Nominating Committee attended at least 75% of the meetings. The Nominating Committee convenes when deemed appropriate or necessary by its members. The Company has adopted a written Charter of the Nominating Committee. The Nominating Committee Charter is available on the Company's website at www.express-1.com.

The Nominating Committee performs the following functions:

Recommending individuals qualified to serve as directors of the Company to the Board of Directors for the approval by a majority of the independent directors;

Recommending to the Board of Directors, directors to serve on committees of the Board of Directors;

Advising the Board of Directors with respect to matters relating to the composition, procedures and committees of the Board of Directors;

Developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and

Overseeing the evaluation of individual directors and the Board of Directors as a whole.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of our common stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be addressed to our Chief Financial Officer at 429 Post Road, Buchanan, Michigan 49107, and must be received by our Chief Financial Officer not less than 120 days prior to the anniversary date of our most recent annual meeting of stockholders. If, however, we did not hold an annual meeting the previous year, or if the date of the annual meeting to which the recommendation applies has been changed by more than 30 days from the anniversary date of our most recent annual meeting of stockholders, then the recommendation and information must be received not later than the close of business on the 10th day following the day on which notice of the date of the meeting is mailed or public disclosure of the date of the meeting is made, whichever occurs first.

All director candidates recommended by the Nominating Committee must be consistent with the Board of Directors criteria for selecting directors. These criteria include the possession of such knowledge, experience, skills, expertise and diversity so as to enhance the Board of Directors' ability to manage and direct the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board of Directors to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or AMEX listing requirement. In addition, the Nominating Committee examines, among other things, a candidate's ability to make independent analytical inquiries, understanding of our business environment, potential conflicts of interest, independence from

management and the Company, integrity and willingness to devote adequate time and effort to responsibilities associated with serving on the Board of Directors.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board of Directors for example, retirement as a senior executive of a public company. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Table of Contents

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Stockholder Communication with the Board

The Board of Directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the Board of Directors (or the non-management directors as a group) or any committee of the Board of Directors by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent c/o Chief Financial Officer, 429 Post Road, Buchanan, Michigan 49107.

Beneficial Ownership of Management and Certain Beneficial Owners

The following table sets forth information known to us, as of March 31, 2006, relating to the beneficial ownership of shares of common stock by:

- each person who is known by us to be the beneficial owner of more than 5% of the Company's outstanding common stock;
- each director;
- each executive officer; and
- all executive officers and directors as a group.

Under securities laws, a person is considered to be the beneficial owner of securities owned by him (or certain persons whose ownership is attributed to him) or securities that can be acquired by him within 60 days, including upon the exercise of options, warrants or convertible securities. The Company determines a beneficial owner's percentage ownership by assuming that options, warrants and convertible securities that are held by the beneficial owner, but not those held by any other person, and which are exercisable within 60 days, have been exercised or converted.

Except with respect to beneficial ownership of shares attributed to the named person, the following table does not give effect to the issuance of shares in the event outstanding common stock purchase warrants are exercised.

Board Recommendation

PROPOSAL 3

CLASSIFICATION OF OUR BOARD OF DIRECTORS

The Board of Directors has unanimously approved and recommends that the stockholders approve an amendment to the Company's Certificate of Incorporation and Bylaws to provide for the classification of the Board into three classes of directors with staggered three year terms of office.

Description of Proposal

In accordance with the Certificate of Incorporation and Bylaws of the Company, the Board has established the number of directors as seven. Each director currently holds office for a one-year term until the succeeding annual meeting and thereafter until the director's successor is elected and qualified. Delaware law permits corporations to have classified boards of directors.

The adoption of this Proposal 3 would divide the Board into three classes. If this proposal is approved, and each of the nominees to our Board set forth in Proposal 1 is elected, Messrs. Jay N. Taylor and Michael R. Welch will be Class I directors, with their initial term expiring at the annual meeting in 2007; Messrs. Jim Martell and Calvin R. Whitehead will be Class II directors, with their initial terms expiring at our annual meeting in 2008; and Mrs. Jennifer Dorris and Mr. Mark Patterson will be Class III directors, with their initial terms expiring at our annual meeting in 2009. Each director will hold office until his or her successor has been duly elected and qualified. At each annual meeting of stockholders after their initial election, each director elected to succeed a director whose term has expired will be elected for a term of office to expire at the third succeeding annual meeting of stockholders after his or her election, with each director to hold office until his or her successor shall have been duly elected and qualified.

Advantages of a Classified Board

The Board believes that the staggered three-year term of a classified board, with its election of approximately one-third of the directors each year, will help to assure the continuity and stability of the Company's long-term policies in the future, since a majority of the directors at any given time will have prior experience as directors of the Company. This permits more effective long-term strategic planning.

In addition, the Board believes that the proposal will assist it in protecting the interests of the Company's stockholders in the event of an unsolicited offer for the Company. In such an event, without a classified board, the bidder could

potentially exact undue leverage on the Board by positioning itself to replace a majority of the Directors at the following annual meeting of stockholders. The existence of a classified board will prevent the usage of any such tactics, and, in the opinion of the Board, encourage any such potential acquirer to negotiate directly with the Board in good faith. The Company is not aware of any attempted bids at this time.

Table of Contents

Disadvantages of a Classified Board

Because of the additional time required to change control of the Board, a takeover bidder will have to work with the Board in good faith to remove impediments to its acquisition of the Company. Even if the takeover bidder were to acquire a majority of our outstanding voting stock, it will tend to discourage certain takeover bids, perhaps including some takeover bids that stockholders may believe would be in their best interests. The proposed classified board amendment will also make it more difficult for the stockholders to change the composition of the Board of Directors even if the stockholders believe such a change would be desirable.

Treatment of Vacancies on the Board

If the classification proposal is approved, and a vacancy in the Board arises thereafter, the then existing members of the Board will have the authority to appoint a replacement member to the vacant seat on the Board, to serve for the remainder of the former director's term, which may, depending on the circumstances, extend beyond the next annual meeting of the stockholders.

Manner of Effecting the Amendment

Upon receipt of the approval of the stockholders, the Company will effect the classification of its Board through the filing of a Certificate of Amendment to the Certificate of Incorporation, in the form of the attached appendix A, with the State of Delaware. The Certificate of Amendment will become effective on the date of filing. Concurrently with the filing of the Certificate of Amendment the Company's Bylaws will be amended to effectuate the classification of the Board in a manner consistent with the provisions of the Certificate of Amendment and this Proposal 3. The proposed amended Bylaw provisions are set forth in the attached Appendix B.

No Rights of Appraisal

Under applicable Delaware corporation law, our dissenting stockholders are not entitled to appraisal rights with respect to the Amendment, and we will not independently provide our stockholders with any such right.

Board Recommendation

For the reasons outlined above, the Board recommends a vote FOR the proposal to approve and ratify amendments to our Certificate of Incorporation and Bylaws creating three classes (Class I, Class II and Class III) of director each serving for three-year staggered terms.

PROPOSAL 4

NAME CHANGE

The Board of Directors has unanimously approved and recommends that the stockholders approve an amendment to the Company's Certificate of Incorporation changing the Company's name from Segmentz, Inc. to Express-1 Expedited Solutions, Inc.

Our management feels this name change is essential to more closely align our identity with the focus of our operations, the expedite transportation market in North America. The proposed new name will further strengthen the brand recognition of our primary brand, Express-1. This name change is the culmination of our successful restructuring efforts, through which we disposed of all our non-expedite companies and operations.

Manner of Effecting the Amendment

Upon receipt of the approval of the stockholders, the Company will effect the name change through the filing of a Certificate of Amendment to the Certificate of Incorporation, in the form of the attached appendix C, with the State of Delaware. The Certificate of Amendment will become effective on the date of filing. Thereafter we will take the necessary steps to change our trading symbol on the American Stock Exchange from **SZI** to **XPO**.

No Rights of Appraisal

Under applicable Delaware corporation Law, our dissenting stockholders are not entitled to appraisal rights with respect to this Proposal 4, and we will not independently provide our stockholders with any such right.

Board Recommendation

For the reasons outlined above, the Board recommends a vote FOR the proposal to approve and ratify an amendment to our Certificate of Incorporation changing our legal name to Express-1 Expedite Solutions, Inc.

PROPOSAL 5

OTHER MATTERS

The Board does not know of any other matters that may come before the Meeting. If any other matters are properly presented to the Meeting, it is the intention of the persons named in the accompanying proxy to vote, or otherwise to act, in accordance with their best judgment on such matters.

STOCKHOLDER PROPOSALS

Proposals of Stockholders intended to be presented at the Company's 2007 Meeting of Stockholders must be received by the Company no later than January 1, 2007, in order to be included in the proxy statement and the proxy relating to that Annual Meeting.

Whether or not you plan to attend, you are urged to complete, sign and return the enclosed proxy in the accompanying envelope. A prompt response will greatly facilitate arrangements for the Meeting, and your cooperation will be appreciated. Stockholders who attend the Meeting may vote their shares personally even though they have sent in their proxies.

APPENDIX B

If Proposal 3, the classification of our Board, is approved, Article II Section 2, Article III Section 2, and Article III Section 5 of the Company's Bylaws will be deleted and replaced with the following:

Article II

Section 2
Annual Meeting

An annual meeting of the stockholders will be held at such time as may be determined by the Board of Directors, at which meeting the stockholders will elect Directors as set forth in the Certificate of Incorporation and these Bylaws, and transact such other business as may properly be brought before the meeting.

Article III

Section 2
Qualification; Election; Term

None of the Directors need to be a stockholder of the Corporation or a resident of the State of Delaware. The Directors shall be divided into three classes designated as Class I, Class II and Class III. Each class shall consist, as nearly as may be possible, of one-third of the number of Directors constituting the entire Board of Directors. The term of office of the initial Class I Directors will expire in 2007, the term of office of the initial Class II Directors will expire in 2008 and the term of office of the initial Class III Directors will expire in 2009. Article III

Section 5
Vacancies

If the number of Directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain, as nearly as possible, an equal number of Directors in each class. In the event an increase or decrease makes it impossible to maintain an equal number of Directors in each class, increases shall be allocated to the class or classes with the longest remaining term, and decreases shall be allocated to the class with the shortest remaining term. Any Director elected to fill a vacancy resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class. In no event will a decrease in the number of Directors result in the elimination of an entire class of Directors, cause any class to contain a number of Directors two or more greater than any other class, or shorten the term of any incumbent Director. Any Director elected to fill a vacancy not resulting from an increase in the number of Directors shall have the same remaining term as that of his or her predecessor. Any vacancy on the Board of Directors, whether resulting from an increase in the number of Directors or otherwise, shall be filled by the affirmative vote of a majority of the Directors then holding office, even if less than a quorum, or by a sole remaining director.
