PART III --NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR or the transition report portion thereof, could not be filed within the prescribed time period.

The Registrant has been unable to retain new independent auditors to replace Arthur Andersen LLP, the Registrant's former auditors. As a result the Registrant has been unable to obtain the independent review of its financial data required by Item 10-01(d) of Regulation S-X promulgated under the Securities Exchange Act of 1934, as amended. The Registrant's inability to retain a new auditing firm and obtain such review is attributable to the need for the Registrant's officers to devote substantially all of their time to the Company's ongoing restructuring efforts. Without the completion of the required independent auditors' review the Registrant's management and audit committee require additional time to review the Registrant's financial statements to be included in the Registrant's Quarterly Report on Form 10-Q and determine their ability to make the certifications required in connection with the filing thereof.
