PROXY STATEMENT
GENERAL INFORMATION

We are sending you this proxy statement on or about November 8, 2005 in connection with the solicitation of proxies by our Board of Directors. The proxies are for use at our 2005 annual meeting of shareholders, which we will hold at 10:00 a.m., New York time, on Tuesday, November 29, 2005, at the Harvard Club of New York City, 27 West 44th Street, New York 10036. The proxies will remain valid for use at any meetings held upon adjournment of that meeting. The record date for the meeting is the close of business on October 20, 2005. All holders of record of our common stock at the close of business on the record date are entitled to notice of the meeting and to vote at the meeting and any meetings held upon adjournment of that meeting. Our principal executive offices are located at 2929 California Street, Torrance, California 90503, and our telephone number is (310) 972-4005.

A proxy form is enclosed. Whether or not you plan to attend the meeting in person, please date, sign and return the enclosed proxy as promptly as possible, in the postage prepaid envelope provided, to ensure that your shares will be voted at the meeting. You may revoke your proxy at any time prior to its use by filing with our secretary an instrument revoking it or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Unless you instruct otherwise in the proxy, any proxy, if not revoked, will be voted at the meeting:

for our Board's slate of nominees;

to ratify and approve the appointment of Grant Thornton, LLP as our independent registered public accountants for the fiscal year ended March 31, 2006; and

as recommended by our Board with regard to all other matters, in its discretion.

Our only voting securities are the outstanding shares of our common stock. At the record date, we had 8,208,955 shares of common stock outstanding and approximately 43 shareholders of record. If the shareholders of record present in person or represented by their proxies at the meeting hold at least a majority of our outstanding shares of common stock, a quorum will exist for the transaction of business at the meeting. Shareholders of record who abstain from voting, including brokers holding their customers' shares who cause abstentions to be recorded, are counted as present for quorum purposes.

For each share of common stock you hold on the record date, you are entitled to one vote on all matters that we will consider at this meeting. You are not entitled to cumulate your votes. Brokers holding shares of record for their customers generally are not entitled to vote on certain matters unless their customers give them specific voting instructions. If the broker does not receive specific instructions, the broker will note this on the proxy form or otherwise advise us that it lacks voting authority. The votes that the brokers would have cast if their customers had given them specific instructions are commonly called broker non-votes.

The voting requirements for the proposals we will consider at the meeting are:

Election of directors. The five candidates who receive the highest number of affirmative votes will be elected. Votes against a candidate and votes withheld from voting for a candidate will have no effect on the election.

Ratification and Approval of Appointment of Grant Thornton, LLP. A majority of the shares present in person or by proxy at the meeting and entitled to vote on this matter must vote to approve and ratify the appointment of Grant Thornton, LLP as our independent registered public accountants for the fiscal year ended March 31, 2006.

We will pay for the cost of preparing, assembling, printing and mailing this proxy statement and the accompanying form of proxy to our shareholders, as well as the cost of soliciting proxies relating to the meeting. We have requested banks and brokers to solicit their customers who beneficially own our common stock in nominee name. We will reimburse these banks and brokers for their reasonable out-of-pocket expenses regarding these solicitations. Our officers, directors and employees may supplement this solicitation of proxies by telephone and personal solicitation. We will pay no additional compensation to our officers, directors and employees for these activities.

Legal Proceedings

In fiscal 2003, the SEC filed a civil suit against the Company and our former chief financial officer, Peter Bromberg, arising out of the SEC's investigation into our fiscal 1997 and 1998 financial statements (Complaint). Simultaneously with the filing of the SEC Complaint, we agreed to settle the SEC's action without admitting or denying the allegations in the Complaint. Under the terms of the settlement agreement, we are subject to a permanent injunction barring us from future violations of the antifraud and financial reporting provisions of the federal securities laws. No monetary fine or penalty was imposed upon us in connection with this settlement with the SEC.

On May 20, 2004, the SEC and the United States Attorney's Office announced that Peter Bromberg was sentenced to ten months, including five months of incarceration and five months of home detention, for making false and misleading statements about our financial condition and performance in our 1997 and 1998 Forms 10-K filed with the SEC.

In December 2003, the SEC and the United States Attorney's Office brought actions against Richard Marks, our former President and Chief Operating Officer. Mr. Marks agreed to plead guilty to the criminal charges, and on June 17, 2005 he was sentenced to nine months of incarceration, nine months of

home detention, 18 months of probation and fined \$50,000. In settlement of the SEC's civil fraud action, Mr. Marks paid over \$1.2 million and was permanently barred from serving as an officer or director of a public company.

Based upon the terms of agreements we previously entered into with Mr. Marks, we have been paying the costs he has incurred in connection with the SEC and U.S. Attorney's Office's investigation. During fiscal 2005, 2004 and 2003, we incurred costs of approximately \$556,000, \$966,000 and \$560,000, respectively, pursuant to this indemnification arrangement.

The United States Attorney's Office has informed us that it does not intend to pursue criminal charges against the Company arising from the events involved in the SEC Complaint.

We are subject to various other lawsuits and claims in the normal course of business. Management does not believe that the outcome of these matters will have a material adverse effect on our financial position or future results of operations.

Mr. Joffe remains entitled to receive a transaction fee of 1.0% of the total consideration of any equity transaction his efforts bring to us that we previously agreed to provide to him as part of a prior consulting agreement with Protea Group, Mr. Joffe's company. Mr. Joffe was awarded an option to purchase 100,000 shares of common stock effective March 3, 2003 at a strike price of \$2.16, 50,000 of which vested on the date of grant and 50,000 of which became exercisable on the first anniversary of the date of grant. In January 2004, we granted Mr. Joffe a ten-year option to purchase 100,000 shares of our common stock at an exercise price of \$6.345 per share and a ten year option to purchase 1,500 shares at an exercise price of \$1.80. On July 20, 2004, Mr. Joffe was granted an additional option to purchase 200,000 shares of our common stock. These options are immediately exercisable, provide for an exercise price of \$9.27 per share and have a ten year term. Mr. Joffe also receives other benefits including those generally provided to other employees.

On April 22, 2005, we entered into an amendment to our employment agreement with Mr. Joffe. Under the amendment, Mr. Joffe's term of employment has been extended from March 31, 2006 to March 31, 2008, and his base salary, bonus arrangements, 1% transaction fee right and fringe benefits remain unchanged.

Before the amendment, Mr. Joffe had the right to terminate his employment upon a change of control and receive his salary and benefits through March 31, 2006. Under the amendment, upon a change of control (which has been redefined pursuant to the amendment), Mr. Joffe will be entitled to a sale bonus equal to the sum of (i) two times his base salary plus (ii) two times his average bonus earned for the two years immediately prior to the change of control. The amendment also grants Mr. Joffe the right to terminate his employment within one year of a change of control and to then receive salary and benefits for a one-year period following such termination plus a bonus equal to the average bonus Mr. Joffe earned during the two years immediately prior to his voluntary termination.

If Mr. Joffe is terminated without cause or resigns for good reason (as defined in the amendment), the registrant must pay Mr. Joffe (i) his base salary, (ii) his average bonus earned for the two years immediately prior to termination, and (iii) all other benefits payable to Mr. Joffe pursuant to the employment agreement, as amended, through the later of two years after the date of termination of employment or March 31, 2008. Under the amendment, Mr. Joffe is also entitled to an additional gross-up payment to offset the excise taxes (and related income taxes on the gross-up payment) that he may be obligated to pay with respect to the first \$3,000,000 of parachute payments (as defined in Section 280G of the Internal Revenue Code) to be made to him upon a change of control. The amendment has redefined the term for cause to apply only to misconduct in connection with Mr. Joffe's performance of his duties. Pursuant to the Amendment, any options that have been or may be granted to Mr. Joffe will fully vest upon a change of control and be exercisable for a two-year period following the change of control, and Mr. Joffe agreed to waive the right he previously had under the employment agreement to require the registrant to purchase his option shares and any underlying options if his employment were terminated for any reason. The amendment further provides that Mr. Joffe's agreement not to compete with the registrant terminates at the end of his employment term.

In conformity with our policy, all of our directors and officers execute confidentiality and nondisclosure agreements upon the commencement of employment. The agreements generally provide that all inventions or discoveries by the employee related to our business and all confidential information developed or made known to the employee during the term of employment shall be our exclusive property and shall not be disclosed to third parties without our prior approval.

Director Compensation

We have supplemental compensatory arrangements with Mel Marks, our founder, largest shareholder and member of our board. In August 2000, our Board of Directors agreed to engage Mel Marks to provide consulting services to our company. Mr. Marks has 45 years of relevant experience in the industry and our company. Mr. Marks is paid an annual consulting fee of \$350,000 per year. We can terminate our consulting arrangement with Mr. Marks at any time.

We agreed to pay Mr. Gay \$90,000 per year for serving on our Board of Directors, as well as assuming the responsibility for being Chairman of our Audit and Ethics Committees.

In addition, each of our non-employee directors, other than Mr. Gay, receives annual compensation of \$20,000 and is paid a fee of \$2,000 for attending each Board of Directors meeting, \$2,000 for attending each Audit Committee meeting and \$500 for any other Board committee meeting attended. Each director is also reimbursed for reasonable out-of-pocket expenses incurred to attend Board or Board committee meetings.

At the November 30, 2004 annual meeting of shareholders, our shareholders approved the 2004 Non-Employee Director Stock Plan. A total of 175,000 shares of common stock have been reserved for grants of stock options under the 2004 Non-Employee Director Stock Option Plan. Each non-employee director will be granted options to purchase 25,000 shares of our common stock upon their election to our Board of Directors and will be awarded an option to purchase an additional 3,000 shares of our common stock for each full year of service on our Board of Directors. The exercise price for each of these options will be equal to the fair market value of our common stock on the date the option is granted. The exercise price of an option is payable only in cash. Each of these options will have a ten-year term. One-third of the options will be exercisable immediately upon grant, and one-half of the remaining portion of each option grant will vest and become exercisable on the first and second anniversary dates of the date of grant, assuming that the non-employee director remains on our Board on each such anniversary date. In the event of a change of control, we may, after notice to the grantee, require the grantee to cash-out his rights by transferring them to us in exchange for their equivalent cash value. The Board does not have the right to modify the number of options granted to a non-employee director or the terms of the option grants under the 2004 Non-Employee Director Stock Plan.

Compensation Committee; Interlocks and Insider Participation

The current members of the Compensation Committee are Messrs. Siegel, Borneo and Gay. Mr. Siegel is Chairman of the Compensation Committee. The Compensation Committee is responsible for developing and making recommendations to the Board with respect to our executive compensation policies. The Compensation Committee is also responsible for evaluating the performance of our chief executive officer and our other senior officers and making recommendations concerning the salary, bonuses and stock options to be awarded to these individuals.

No member of the Compensation Committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

**REPORT OF THE COMPENSATION COMMITTEE
REGARDING EXECUTIVE COMPENSATION**

Our Compensation Committee is composed of Irv Siegel, Rudolph Borneo and Philip Gay, each of whom is an independent member of our Board of Directors. Mr. Siegel chairs this committee. The Compensation Committee is responsible for developing and making recommendations to the board with respect to our executive compensation policies. The Compensation Committee is also responsible for evaluating the performance of our chief executive officer and other senior company officers and to make recommendations concerning the salary, bonuses and stock options to be awarded to our officers.

Compensation Philosophy

The objectives of our executive compensation program are to:

Support the achievement of desired Company performance.

Provide compensation that will attract and retain superior talent and reward performance.

The Compensation Committee reviews the scope of an executives duties and his or her performance, in addition to the overall performance of our company in determining the compensation of our executives. The Compensation Committee also considers the compensation practices of other companies in the automotive remanufacturing industry and companies of a comparable size and complexity. From time to time, the committee also engages outside consultants to assist it.

We believe that the executive compensation program provides an overall level of compensation opportunity that is competitive within the automotive remanufacturing industry, as well as with a broader group of companies of comparable size and complexity.

Annual Compensation

Executive Officer Compensation Program. Our executive officer compensation program is comprised of base salary, bonus and long-term incentive compensation in the form of stock options and various benefits, including medical plans and deferred compensation arrangements. Our awards of equity based compensation are intended to encourage maximizing shareholder value and align the interests of our executives and shareholders.

Base Salary. Base salary levels for our executive officers are competitively set relative to companies in comparable manufacturing industries. In determining salaries, the committee also takes into account individual experience and performance and specific issues particular to the Company. The committee considered each of these factors in approving the salaries for all of the executive officers.

Bonus Arrangements. Historically, bonuses paid to several of our executive officers were based upon the Compensation Committee's evaluation of these officers' respective contribution to our financial results.

Stock Option Program. The stock option program is our long-term incentive plan for providing an incentive to key employees (including directors and officers who are key employees) and consultants.

Deferred Compensation. We contribute on behalf of each executive officer \$.25 on each dollar, up to 6% of such executive officer's annual salary and bonus, to our non-qualified deferred compensation plan.

Benefits. We provide to executive officers medical benefits that are generally available to our other employees. Historically, the value of perquisites, as determined in accordance with the rules of the SEC relating to executive compensation, do not exceed 10% of salary.

Compensation of Chief Executive Officer

The terms of the employment agreement with Mr. Joffe entered into as of February 14, 2003 were determined by negotiations between representatives of ours and Mr. Joffe. In this regard, we reviewed statistical and other material available to us. The negotiated terms reflect the results of our review and

understanding of what a chief executive officer earns at comparable positions, the unique background Mr. Joffe has with our company, and in marketing and management generally, and what we understand an executive of Mr. Joffe's stature could otherwise earn in the employment market. In connection with the Compensation Committee's award of 100,000 options to Mr. Joffe in January 2004 and the award of an additional 200,000 options in July 2004, as described under the caption "Employment Agreements" above, the Compensation Committee also considered the recommendations of an independent executive compensation consultant.

The terms of the April 22, 2005 amendment to Mr. Joffe's employment agreement were determined by negotiations between our Compensation Committee and Mr. Joffe. In connection with these negotiations it was important to our representatives that we retain Mr. Joffe's services beyond the March 31, 2006 originally scheduled expiration date of his employment agreement. In this regard, the Compensation Committee reviewed an analysis of compensation arrangements for chief executive officers of comparable public companies prepared by an executive compensation consulting firm. The Compensation Committee concluded the changes to Mr. Joffe's employment agreement made by the amendment were appropriate in light of Mr. Joffe's contribution to our success and these representatives' understanding of the compensation arrangements in place with executives of Mr. Joffe's stature. The Board and the Compensation Committee recognize that we operate in a challenging business environment and are confident with Mr. Joffe as our Chief Executive Officer.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors oversees our auditing procedures, receives and accepts the reports of our internal systems of accounting and management controls and makes recommendations to the Board of Directors as to the selection and appointment of our auditors.

The Audit Committee recommended to the Board of Directors the approval of the independent accountants engaged to conduct the independent audit. The Audit Committee met with management and the independent accountants to review and discuss the March 31, 2005 consolidated financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee reviewed written disclosures from the independent accountants required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent accountants their firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended March 31, 2005 that has been filed with the Securities and Exchange Commission.

The following table summarizes the total fees we paid to our independent registered public accountants, Grant Thornton LLP, for professional services provided during the twelve month periods ended March 31:

	2005	2004
Audit Fees	\$ 619,000	\$ 282,000
Audit Related Fees	29,000	22,000
Tax Fees		
All Other Fees	69,000	

Audit fees billed in fiscal 2005 and 2004 consisted of (i) the audit of our annual financial statements and (ii) the reviews of our quarterly financial statements, (iii) the review of SEC letters and (iv) the review of restated financial statements and related Forms 10-K and 10-Q.

Audit related fees billed in fiscal 2005 and 2004 consisted of (i) review of our accounting for customer long-term contracts, and (ii) professional services rendered in connection with S-8 registration statement that was filed on April 2, 2004.

Other fees billed in fiscal 2005 consisted of professional services for due diligence work related to a potential acquisition that we have abandoned.

Our Audit Committee must pre-approve all audit and non-audit services to be performed by our independent auditors and will not approve any services that are not permitted by SEC rules. All of the audit fees in fiscal 2005 and 2004 were approved by the Audit Committee.
