ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

Purchase of The South Bank Retail Center

We previously filed a Form 8-K on September 30, 2005 dated September 26, 2005, with regard to the acquisition of The South Bank, a multi-tenant retail center located on The Riverwalk in San Antonio, Texas, without the requisite financial information. Accordingly, we are filing this Form 8-K/A to include that financial information. Due to the non-related party nature of this transaction, only an audited Historical Summary of Gross Income and Direct Operating Expenses for the year ended December 31, 2004, is required. We are not aware of any material factors relating to the acquisitions that would cause the reported financial information not to be necessarily indicative of future operating results.

On September 30, 2005, AmREIT acquired The South Bank, a multi-tenant retail center in San Antonio, Texas (the Property), from Midland Real Estate Company, L.P. The Property was acquired for \$27.8 million in cash and consists of approximately 47,000 square-feet. As of December 31, 2004, the Property had a weighted average remaining lease term of 5 years and was 87 percent occupied. The Property is located on the San Antonio Riverwalk at the corner of a major downtown intersection and is accessible from both the river and street levels. Tenants on the Property include, among others, Hard Rock Café, Starbucks, Ben & Jerry's, Harley-Davidson and The County Line. All terms and conditions of the transaction, including the agreement and the consideration paid were negotiated at arms length and there is no relationship between the registrant or any of its affiliates and the seller or any of its affiliates. An audited Historical Summary of Gross Income and Direct Operating Expenses for the Property is submitted in ITEM 9.01 below. Unaudited pro forma condensed consolidated financial information of AmREIT and Subsidiaries and the Property is also submitted in ITEM 9.01 below.

The Board of Trust Managers

AmREIT:

We have audited the accompanying Historical Summary of Gross Income and Direct Operating Expenses (Historical Summary) of The South Bank Retail Center (the Property) for the year ended December 31, 2004. This Historical Summary is the responsibility of AmREIT's management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in AmREIT's Current Report on Form 8-K/A. The presentation is not intended to be a complete presentation of the Property's income and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the gross income and direct operating expenses, as described in Note 2 of The South Bank Retail Center for the year ended December 31, 2004, in conformity with accounting principles generally accepted in the United States of America.

THE SOUTH BANK RETAIL CENTER
Notes to Historical Summary of Gross Income
And Direct Operating Expenses
Year ended December 31, 2004
and nine months ended September 30, 2005 (unaudited)

(1) Business

The South Bank Retail Center (the Property) is located in San Antonio, Texas. The Property consists of 46,673 square feet (unaudited) of existing gross leasable area which was 87% occupied at December 31, 2004. On September 30, 2005, AmREIT acquired the Property for approximately \$28 million.

(2) Basis of Presentation

The Historical Summary of Gross Income and Direct Operating Expenses (Historical Summary) has been prepared for the purpose of complying with Rule 3-14 of the Securities and Exchange Commission Regulation S-X and for inclusion in AmREIT's filing on Form 8-K/A, and is not intended to be a complete presentation of the Property's income and expenses. The Historical Summary has been prepared on the accrual basis of accounting. Management of the Property is required to make estimates and assumptions that affect the reported amounts of the income and expenses during the reporting period. Actual results may differ from those estimates.

In the opinion of management, all adjustments necessary for a fair presentation are of a recurring nature and have been made to the accompanying unaudited amounts for the nine months ended September 30, 2005.

(3) Gross Income

The Property leases retail space under various lease agreements with its tenants. All leases are accounted for as non-cancelable operating leases. The leases include provisions under which the Property is reimbursed for common area maintenance, real estate taxes, and insurance costs. Pursuant to the lease agreements, income related to these reimbursed costs is recognized in the period the applicable costs are incurred. Certain leases contain renewal options at various periods at various rental rates. Certain of the leases contain provisions for contingent rentals. Contingent rent of \$317,393 was earned during the year ended December 31, 2004.

Although certain leases may provide for tenant occupancy during periods for which no rent is due and/or increases exist in minimum lease payments over the term of the lease, rental income is recognized for the full period of occupancy on the straight-line basis.

The unaudited pro forma condensed consolidated financial statements have been prepared by the Company s management based upon the historical financial statements of the Company and of the acquired properties. These unaudited pro forma statements should be read in conjunction with the historical financial statements included in the Company s previous filings with the Securities and Exchange Commission.
