REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Plan Committee of

ACS Savings Plan

We have audited the accompanying statements of net assets available for benefits of the ACS Savings Plan (the Plan) as of December 31, 2007 and 2006, and the related statement of changes in net assets available for benefits for the year ended December 31, 2007. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting.

Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As further discussed in Note B, the Plan adopted Financial Accounting Standards Board Staff Position, FSP AAG INV-1 and SOP 94-4-1, *Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans* as of and for the year ended December 31, 2007.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the year ended December 31, 2007 in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule on pages 18 and 19, together referred to as supplemental information, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor s *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*. The supplemental information is the responsibility of the Plan s management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Salary Deferral

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Generally, the Plan covers all eligible employees of the Company who elect to participate except those who are leased or are nonresident aliens not receiving United States source income. The Plan also allows for rollovers from other plans.

Employees are eligible to contribute on their date of hire or as soon thereafter as administratively feasible.

Participating employees are eligible for matching contributions immediately following completion of a one-year period of service.

Employees can elect to contribute to the Plan for not less than 1% nor more than 18% of compensation. The term compensation for calculation of deferral shall be base pay, overtime and commissions. The maximum of contributions allowed by the Internal Revenue Service was \$15,500 and \$15,000 for 2007 and 2006, respectively. The Company matches the deferral contributions of 25% of pre-tax deferral up to 6% of compensation. No after-tax contributions may be made to the Plan.

ACS SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A PLAN DESCRIPTION

For 2006, Company matching contributions were made to the ACS Employer Stock Fund. However, beginning on September 29, 2006, the ACS employer Stock Fund was frozen due to the invalid registration statement of ACS stock. All contributions made after the suspension of trading have been allocated to the Fidelity Retirement Money Market Portfolio.

For 2007, all matching contributions have been allocated to the Fidelity Retirement Money Market Portfolio.

Allocation

Each participant's account is credited with the participant's salary deferral and the Company's matching contributions are allocated bi-weekly to each participant's account. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day.

Vesting

Vesting of all employer contributions occurs at the following rates for employees of all employers enrolled in the Plan. Employee contributions and rollover contributions are 100% vested. The vesting schedule applicable to matching contributions in 2007 and 2006 is:

Years in Vesting Service	Vested Interest
Less than two years	0%
Two to three years	50%
Three or more years	100%

Participant Loans

Participants may borrow from their fund accounts, through a loan transaction, a minimum of \$1,000 or up to a maximum of \$50,000 not to exceed 50% of their vested account balance.

The balance in the participant's account is used to secure the loans. These loan transactions are treated as a transfer between the investment fund and the participant notes fund. The loan terms range from one to five years or within a reasonable time if the purpose of the loan is to acquire a primary residence. The interest rate on loan transactions is commensurate with current rates. As of December 31, 2007 and 2006, interest rates on outstanding loan balances ranged from 3.49% to 11.0%. Total loans outstanding as of December 31, 2007 and 2006 were \$17,623,056 and \$16,201,814 respectively.

ACS SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2007 and 2006

NOTE A PLAN DESCRIPTION

Principal and interest are paid ratably through payroll deductions. Participant notes receivable are valued at cost, which approximates fair values. A participant may not have more than two loans outstanding at the same time.

Termination

Although it has not expressed any intent to do so, the Company's Board of Directors may terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her account.

Forfeitures

Forfeitures are used to reduce employer matching or profit sharing contributions or plan administrative expenses. At December 31, 2007 and 2006, the Plan maintained a balance of \$126,356 and \$306,325, respectively, in forfeited non-vested accounts and utilized \$522,547 and \$656,022, respectively, in forfeitures to offset employer contributions and plan expenses.

Plan Administrative Costs

The Plan sponsor absorbs the portion of administrative costs of the Plan not paid by forfeitures.

Funding Policy

It is the policy of the Plan sponsor to remit the employee and employer contribution three business days after the date of payroll.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Actual results may differ from those estimates.

Guaranteed Investment Contracts

As described in Financial Accounting Standards Board Staff position, FSP AAG INV-1 and SOP 94-4-1, *Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans* (the FSP), investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As required by the FSP, the statements of net assets available for benefits should present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for benefits is prepared on a contract value basis. As of December 31, 2007, the Great West Guaranteed fund held approximately \$210,672 of assets and is closed to new contributions. The Custodian estimates that contract value approximates fair market value and deems no adjustment necessary.

Investment Valuation and Income Recognition

Mellon Bank N.A. holds the Plan investments. The fair value per unit/share is stated at quoted market prices as determined by Mellon Bank N.A. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefit payments are recorded when paid.

NOTE C DEPARTMENT OF LABOR REVIEW

In May 2006, the Plan sponsor was advised by the U.S. Department of Labor (DOL) of their intention to review the Plan under Section 504 of the Employee Retirement Income Security Act of 1974. The DOL began the review in August 2006. The Plan sponsor was notified that the review will remain open until the ACS stock option backdating investigation is complete.

NOTE D PLAN LEGAL MATTERS

The plan is subject to various outstanding legal proceedings. In 2006, the plan was named as a defendant in the derivative lawsuit investigation. Two lawsuits were filed under the Employee Retirement Income Security Act (ERISA) alleging breach of ERISA fiduciary duties by the directors and officers as well as the ACS Benefits Administrative Committee, in connection with the retention of ACS Class A common stock as an investment option in light of the alleged stock option issues, as follows:

Terri Simeon, on behalf of Herself and All Others Similarly Situated, Plaintiff, vs. Affiliated Computer Services, Inc., Darwin Deason, Mark A. King, Lynn R. Blodgett, Jeffrey A. Rich, Joseph O Neill, Frank Rossi, J. Livingston Kosberg, Dennis McCuiston, The Retirement Committee of the ACS Savings Plan, and John Does 1-30, Civil Action No. 306-CV-1592P, in the United States District Court for the Northern District of Texas, Dallas Division, filed August 31, 2006.

Kyle Burke, Individually and on behalf of All Others Similarly Situated, Plaintiff, vs. Affiliated Computer Services, Inc., the ACS Administrative Committee, Lora Villarreal, Kellar Nevill, Gladys Mitchell, Meg Cino, Mike Miller, John Crysler, Van Johnson, Scott Bell, Anne Meli, David Lotocki, Randall Booth, Pam Trutna, Brett Jakovac, Jeffrey A. Rich, Mark A. King, Darwin Deason, Joseph P. O Neill, and J. Livingston Kosberg, Case No. 306-CV-02379-M, in the United States District Court for the Northern District of Texas, Dallas Division, filed September 15, 2006.

On February 12, 2007, the Simeon Case and the Burke case were consolidated into one case, under the caption, In re Affiliated Computer Systems [sic] ERISA Litigation, Master File No. 3:06-CV-1592-M. On December 20, 2007, an Order Preliminarily Approving Settlement was entered in the In re Affiliated Computer Systems [sic] ERISA Litigation consolidated case. Principally, the settlement provides for a payment to the plaintiffs and the ACS Savings Plan of a total of \$1.5 million, which includes attorney fees, and is subject to final approval of the court.

NOTE E INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 13, 2006, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan filed an application for a determination letter on February 1, 2008.

Further, due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests in a Master Trust arrangement consisting of common stock. Investment information related to the Master Trust arrangement is as follows:

NOTE G INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Great West Retirement Services (Great West). Great West maintains the contributions in a general account. The account is credited with earnings on the investments and is charged for Plan withdrawals and administrative expenses charged by Great West. Discontinuance of the contract would result in certain surrender charges and market value adjustments as defined by the contract. The contract is included in the financial statements at fair value as reported to the Plan by Great West. Contract value represents deposits made under the contract, plus earnings at guaranteed crediting rates, less withdrawals and administrative expenses. Principal and interest at crediting rates, which are announced in advance on an annual basis, are guaranteed; however, there is no stated maturity date. The average yield for the year ended December 31, 2007 was 3.16%.

NOTE K RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. In the normal course of business, the Company may consolidate additional subsidiaries into or eliminate current subsidiaries from the ACS Savings Plan.

On April 4, 2007, ACS acquired substantially all of the outstanding equity interests of CDR Associates, LLC. Effective on March 1, 2008, the CDR Plan merged into and was succeeded by the ACS Plan. As a result of this transaction, eligible employees of CDR Associates, LLC who were participants in the CDR Plan on December 31, 2007, and who were ACS controlled group employees on January 1, 2008 were authorized to participate in the ACS Plan as of January 1, 2008.
