## EXPLANATORY NOTE

This amendment on Form 10-K/A (the “Form 10-K/A”) amends our annual report for the fiscal year ended December 31, 2006 originally filed with the Securities and Exchange Commission (“SEC”) on March 1, 2007 (the “Form 10-K”). Report of Independent Registered Public Accounting Firm

To the Partners of Greenhill Capital Partners Private Equity Fund I:

We have audited the accompanying combined statements of assets, liabilities and partners' capital of Greenhill Capital Partners Private Equity Fund I (comprised of Greenhill Capital Partners, L.P., Greenhill Capital Partners (Cayman), L.P., Greenhill Capital Partners (Executives), L.P. and Greenhill Capital, L.P.) (the "Partnerships"), including the combined schedules of investments, as of December 31, 2006 and 2005, and the related combined statements of operations, changes in partners' capital, and cash flows for each of the three years in the period ended December 31, 2006. These combined financial statements are the responsibility of the Partnerships' General Partner. Our responsibility is to express an opinion on these combined financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement. We were not engaged to perform an audit of the Partnerships' internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnerships' internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the General Partner, as well as evaluating the overall combined financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of Greenhill Capital Partners Private Equity Fund I at December 31, 2006 and 2005, and the results of its operations, changes in its partners' capital, and its cash flows for each of the three years in the period ended December 31, 2006, in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic combined financial statements taken as a whole. The accompanying supplemental schedules are presented for purposes of additional analysis and are not a required part of the basic combined financial statements. Such additional information has been subjected to the auditing procedures applied in the audits of the basic combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic combined financial statements taken as a whole.
