### NEWS RELEASE

PRECISION'S CONTRACT DRILLING GROUP  
ACQUIRES OILFIELD CAMP ASSETS IN CANADA

CALGARY, ALBERTA, CANADA - MARCH 3, 2003

Precision Drilling Corporation ("Precision") is pleased to announce the acquisition by its wholly owned subsidiary LRG Catering Ltd. ("LRG") of all the operating assets of MacKenzie Caterers (1984) Ltd., a provider of oilfield camp and catering services out of Edmonton, Alberta.

Effective February 1, 2003, the acquisition further strengthens the quality of LRG's camp facilities with 17 late model camp structures and increases our total number of camps to 92. The assets, complete with operational management and catering employees, are welcome additions to LRG as the oilfield service industry is currently working at full capacity. It is expected that the quality addition of MacKenzie people and assets will provide added depth to LRG's oilfield camp service offering to match a trend toward remote drilling locations and safety initiatives to reduce crew travel to the well site.

LRG provides oilfield drilling camp services to customers in Canada. Since becoming part of the Precision Group in 1993 LRG has grown from 7 camp structures to a total of 92 camps representing approximately 25% of the traditional oilfield camp market. LRG's fleet is comprised of structures made up of five or six units that are capable of accommodating 25 people and catering to as many as 50 individuals. The camp structures may also be configured into base camps to accommodate and feed larger groups.

Certain statements contained in this press release, including statements which may contain words such as "could", "expect", "believe", "anticipate" and similar expressions and statements relating to matters that are not historical facts are forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances or achievements of Precision to be materially different from any future results,
