**F.N.B. CORPORATION
DIVIDEND REINVESTMENT AND DIRECT STOCK PURCHASE PLAN**

This prospectus describes the F.N.B. Corporation Dividend Reinvestment and Direct Stock Purchase Plan (the Plan). The Plan was approved by the Board of Directors of F.N.B. Corporation on September 22, 1997, and became effective on March 1, 1999. The Plan provides a convenient way for current or prospective shareholders to purchase shares of common stock of F.N.B. without paying a brokerage commission.

You do not have to be a current shareholder of F.N.B. to participate in the Plan. You can purchase your first shares of F.N.B. common stock through the Plan by making an initial purchase of \$1,000 or more. The Plan is administered by F.N.B.'s wholly owned subsidiary, First National Bank of Florida (see Administrator of the Plan on page 3).

F.N.B. CORPORATION

F.N.B. is a financial holding company registered under the Bank Holding Company Act of 1956. Through its subsidiaries, F.N.B. provides retail, commercial and corporate banking services, as well as a variety of other financial services. F.N.B.'s principal executive office is located at F.N.B. Center, 2150 Goodlette Road North, Naples, Florida 34102, and its telephone number is (239) 262-7600. F.N.B.'s common stock is listed for trading on the Nasdaq National Market under the symbol FBAN.

As a financial holding company, the principal source of funds for the payment of dividends on F.N.B. stock are dividends received by F.N.B. from its subsidiaries. Various federal and state statutes, regulations and guidelines limit the amount of dividends these subsidiaries may pay to F.N.B. and for that reason may limit the amount of dividends F.N.B. can pay to the holders of F.N.B. stock.

F.N.B. provides a more detailed description of its current business, including an overview of the regulatory environment within which its financial institution and consumer finance subsidiaries operate, in its annual report on Form 10-K filed with the Securities and Exchange Commission (SEC) and incorporated by reference herein. A copy of F.N.B.'s most recent annual report on Form 10-K or any of the other documents incorporated by reference herein can be obtained, without charge, by contacting F.N.B. Shareholder Services at (888) 441-4362 or by written request to: F.N.B. Shareholder Services, P.O. Box 11929, Naples, Florida 34101-1129. (Also see Available Information/Incorporation of Documents by Reference on page 11.)

SUMMARY OF THE PLAN

o **GENERAL:** The Plan allows you to acquire shares of F.N.B. common stock in two ways:

through the reinvestment of cash dividends you receive on your shares of F.N.B. stock enrolled in the Plan; and/or

by making optional cash investments.

The Plan provides a means of acquiring additional shares in a systematic and convenient manner, with brokerage commissions on your stock purchases paid on your behalf by F.N.B.

o **ENROLLMENT:** Persons who are not already F.N.B. shareholders can enroll in the Plan by making an initial cash investment of \$1,000 in the Plan. Current shareholders can enroll in the Plan by making an initial cash investment of \$1,000 or by enrolling \$1,000 worth of F.N.B. stock in the Plan or any combination of cash and stock amounting to \$1,000. Existing F.N.B. shareholders and new shareholders can enroll by submitting a completed Enrollment Form. If your shares are held in a brokerage account, you may participate in the Plan by arranging to have some or all of your shares issued in your own name and then enrolled with the Plan in your name.

o **REINVESTMENT OF DIVIDENDS:** After you are enrolled in the Plan, you can reinvest all or a portion of the cash dividends payable on your shares of F.N.B. common and preferred stock held in the Plan toward the purchase of additional shares of F.N.B. common stock **without paying any brokerage commissions**. Full reinvestment of your dividends is possible because F.N.B. will credit your account with both whole and fractional shares. F.N.B. pays dividends on both whole shares and fractional shares.

o **OPTIONAL CASH PURCHASES:** After you are enrolled in the Plan, you can buy additional shares of F.N.B. common stock without paying any commissions. You can invest a minimum of \$50 at any one time, up to a maximum of \$10,000 in the aggregate per calendar quarter. You can pay by check or have your payments automatically withdrawn from your bank account.

o **SAFEKEEPING OF CERTIFICATES:** As a participant in the Plan, you can deposit any of your F.N.B. stock certificates with the Plan Administrator for safekeeping, even stock certificates representing shares which are not participating in the dividend reinvestment feature of the Plan. There is no charge for the safekeeping service, and you may request at any time that a certificate for your shares be sent to you.

o **GIFTS OR TRANSFERS OF SHARES:** You can gift or transfer to others your F.N.B. shares held in the Plan.

o **SELL SHARES CONVENIENTLY:** If you choose to have the Plan Administrator arrange to sell shares of F.N.B. common stock held in your Plan account, you may pay fees lower than those typically charged by brokers.

o **TRACKING YOUR INVESTMENT:** You will receive a quarterly statement for each quarter in which your account has activity summarizing year-to-date activity, including dividend reinvestments, purchases, sales, transfers and certificate deposits/withdrawals. The statement

Table of Contents

will consolidate all shares held by you in the Plan and in certificate form. All participants receive an annual statement for each calendar year in which they participate in the Plan.

ADMINISTRATOR OF THE PLAN

F.N.B. has designated its wholly owned subsidiary, First National Bank of Florida (the Administrator or F.N.B. Shareholder Services), to administer the Plan and act as agent for Plan participants. The Administrator will hold shares for Plan participants, keep records, mail statements, arrange for the purchase and sale of shares for Plan participants as described below, and perform other duties required by the Plan.

The Administrator may be contacted at the following address and telephone number:

**F.N.B. Shareholder Services
P.O. Box 11929
Naples, FL 34101-1129**

**Telephone: 888-441-4362
Fax: 239-436-1673**

ENROLLMENT

Any person, whether or not such person currently owns F.N.B. common stock, meeting the requirements outlined below is eligible to participate in the Plan. If you live outside the United States, you should first determine whether there are any governmental regulations that would prohibit your participation in the Plan.

- 4 **If you do not currently own any F.N.B. stock**, you can join the Plan by making an initial investment of at least \$1,000, but not more than \$10,000. You can join the Plan by returning a completed Enrollment Form to F.N.B. Shareholder Services along with your check or money order payable to F.N.B. Shareholder Services. F.N.B. Shareholder Services will arrange for an independent broker to purchase shares for your account in the open market. F.N.B. will pay the sales commissions for you. Your account will be established and initial shares will be purchased for you within five days of F.N.B. Shareholder Services receipt of your Enrollment Form and initial investment. You will not receive any interest on amounts held pending investment. (See Purchase of Shares Through the Plan on page 6 and Independent Broker on page 7.)
- 4 **If you already own F.N.B. stock and the shares are registered in your name**, you may join the Plan by returning a completed Enrollment Form to F.N.B. Shareholder Services and either making an initial cash investment of \$1,000 or enrolling \$1,000 worth of F.N.B. stock in the Plan
- 4 **If you already own F.N.B. stock and the shares are held in street name through a brokerage, bank or other intermediary account**, you may join the Plan by transferring at least \$1,000 worth of your F.N.B. stock to the Plan. To do so, you must request that your broker arrange to have some or all of your stock registered in your name and submit an Enrollment Form to F.N.B. Shareholder Services requesting that such stock be transferred to the Plan.

Table of Contents

- 4 **Eligible employees, directors and advisory directors of F.N.B. or any of its affiliates not currently enrolled in the Plan** may enroll in the Plan by completing the Enrollment Form and, if they wish to make purchases through payroll deduction or receive F.N.B. common stock of an amount equivalent to their directors' fees, by signing a Payroll Deduction Authorization Form and returning the forms to the Personnel Department of the affiliate with which they are employed. Participation by employee participants electing the payroll deduction option will begin on the first payroll date after the Personnel Department has received the completed forms. Employees, directors and advisory directors of F.N.B. and its affiliates may also participate without payroll deduction by forwarding an initial payment of at least \$50 along with their Enrollment Form.

INVESTMENT OPTIONS

Once enrolled in the Plan, you will have the following options for acquiring additional shares of F.N.B. common stock through the Plan:

- 4 **DIVIDEND REINVESTMENT:** You may choose to reinvest all or a portion of the cash dividends paid on the shares in your Plan account toward the purchase of additional shares of F.N.B. common stock. You may change your dividend reinvestment election at any time **except** between the record and payment dates for a dividend by notifying F.N.B. Shareholder Services (see Enrollment Form). For a particular dividend to be reinvested, your notification must be received prior to the record date for that dividend (the record date is normally two weeks prior to the dividend payment date)

If you elect to reinvest your dividends, you must choose one of the following when completing the Dividend Reinvestment section of the Enrollment Form:

Full Dividend Reinvestment

Purchase additional shares by reinvesting all of your cash dividends.

Partial Dividend Reinvestment

If you choose to reinvest less than all of your dividends, you must select one of the following options identified in the Plan Enrollment Form:

OPTION 1. Receive a cash dividend payment based on the number of full shares you specify. Reinvest the dividends on all remaining shares. This option allows you to receive a fixed amount of cash each quarter (assuming that the dividend paid on F.N.B. common stock is the same in each quarter).

OPTION 2. Reinvest dividends based on the number of full shares you specify. Receive a cash dividend payment on all remaining shares. This option allows you to receive an increasing amount of cash each quarter (again, assuming that the dividend paid by F.N.B. is the same in each quarter).

See Miscellaneous Future Dividends for a discussion of certain factors which may affect future payment of dividends by F.N.B.

Table of Contents

No Dividend Reinvestment

You may have all of your cash dividends remitted to you by check (via U.S. Mail) or via electronic funds transfer.

4 **OPTIONAL CASH INVESTMENTS:** You can make your initial purchase of F.N.B. shares to enroll in the Plan or purchase additional shares of F.N.B. common stock by using the Plan's optional cash investment feature and completing the appropriate part of the Enrollment Form. Following your initial purchase of F.N.B. Plan shares, you may invest a minimum of \$50 at any one time and a maximum of \$10,000 in any calendar quarter. Interest will not be paid on amounts held pending investment. You may make your optional cash investments by either of the following three methods:

- (1) ***By Automatic Withdrawal from your Bank Account:*** If you wish to make regular purchases, you may authorize an automatic withdrawal from your bank account by completing the appropriate part of the Enrollment Form. This feature enables you to make ongoing investments without writing a check. You may elect to have funds automatically deducted from your account on a monthly basis on the 1st day of the month or on a semi-monthly basis on the 1st and 15th day of each month. If one of these dates falls on a bank holiday or weekend, funds will be deducted on the next business day. Please allow four to six weeks for the first automatic withdrawal to be initiated. You must notify F.N.B. Shareholder Services in writing to change or terminate automatic withdrawal.
- (2) ***By Check or Money Order:*** You may make optional cash purchases at any time by sending a check or money order payable to F.N.B. Shareholder Services. Optional cash purchases must be in U.S. dollars, and checks and money orders must be drawn on a U.S. financial institution. Do not send cash. To facilitate processing of your purchase order, please use the transaction stub located on the bottom of your statement. Mail your payment and transaction stub to the address specified on the statement. You may not sell or withdraw shares purchased by check for a period of 14 days from the date F.N.B. Shareholder Services receives your check.
- (3) ***By Payroll Deduction (Eligible Employees of F.N.B. or its Affiliates only):*** The minimum contribution amounts described in this prospectus under the subheading entitled Enrollment (see page 3) are not applicable to contributions made by employee participants through payroll deduction. Employees of F.N.B. or its affiliates may elect to make regular purchases under the Plan by authorizing an automatic deduction from their paychecks. The minimum payroll deduction permitted is \$10 per pay period, and payroll deductions may be authorized in any amount in excess of the \$10 minimum deduction so long as it is a multiple of \$5. However, employee participants who elect to make optional cash purchases, but do not elect payroll deduction, are subject to the minimum and maximum contribution amounts applicable to Plan participants generally as described in this prospectus under the subheading entitled Enrollment (see page 3).

An employee participant may increase or decrease the amount of or discontinue his or her authorized payroll deduction at any time by completing and signing the appropriate form and returning it to the Personnel Department.

PURCHASE OF SHARES THROUGH THE PLAN

4 Source and Pricing of Shares:

Source of Shares: F.N.B. Shareholder Services will arrange to acquire shares needed to effect purchases under the Plan (including both shares purchased upon reinvestment of dividends and shares purchased with optional cash payments) either by using an independent broker that is not affiliated with F.N.B. or the Administrator (the Independent Broker) to effect such purchases in ordinary, open market transactions, or by purchasing the shares directly from F.N.B.

All fractional shares purchased through the Plan are calculated to the third decimal place and credited to your account in book entry form

Pricing of Shares Purchased in the Open Market: For any Plan shares purchased in the open market, your per share purchase price will be the weighted average price paid for all shares comprising the Plan purchase order in which your shares were included. The Independent Broker will use its discretion to execute purchase orders in open market transactions so as to achieve best execution for each aggregate Plan order. For this purpose, the Independent Broker may fill each aggregate Plan order in more than one trade or on more than one day. Commissions and other fees incurred by the Plan for such purchases will be paid on your behalf by F.N.B., but will be income to you for income tax purposes.

Pricing of Shares Purchased Directly from F.N.B.: For any Plan shares purchased directly from F.N.B., your purchase price per share will be the average of the closing bid and ask prices quoted on the Nasdaq National Market on the day the shares are purchased. For quarterly reinvestment of dividends, your price per share will be the average of the closing bid and ask prices quoted on the Nasdaq National Market on the dividend payment date. If F.N.B. common stock does not trade on the Nasdaq National Market on the day on which the shares are to be priced, then the price per share will be determined by F.N.B. on the basis of such market quotations as it considers appropriate.

In order to realize more efficient execution of purchase orders, F.N.B. Shareholder Services may hold any funds received from dividends on shares held in the Plan for reinvestment and/or as funds received as initial or optional cash investments for a period of up to five business days and combine these funds into a single purchase order. No funds will be held by F.N.B. Shareholder Services for more than five business days prior to arranging for shares to be purchased with the funds, however, depending on the volume of orders received, F.N.B. Shareholder Services may complete such combined purchase order as frequently as daily. If shares are purchased for your Plan account through such a combined purchase order, your per share purchase price will be determined as the weighted average purchase price for all shares included in the combined purchase order.

4 No Interest Pending Investment: No interest is paid on initial or optional cash investments pending the investment of such amounts in F.N.B. common stock.

SALE OF SHARES HELD UNDER THE PLAN

You may sell any number of shares held in your Plan account in either of two ways. First, you may request certificates for your shares and arrange for the sale of the shares through a broker-dealer of your choice (See **Issuance of Certificates** on page 9). Second, you may request that F.N.B. Shareholder Services arrange for the sale of your shares in open market transactions (see **Independent Broker** on Page 7). Sale of your shares through F.N.B. Shareholder Services requires your payment of a transaction fee (see **Plan Service Fees** on page 10), and any applicable brokerage commission.

In order to realize more efficient execution of sale orders, F.N.B. Shareholder Services may aggregate all sale orders received over any five business-day period into one combined sale order. In no event will F.N.B. Shareholder Services wait more than five business days to effect your sale order. If an Independent Broker is used to effect a sale order, such broker will use its discretion to achieve best execution. For this purpose, the Independent Broker may sell each combined sale order in more than one trade or in a series of trades on more than one trading day. The per-share sales price for shares sold for you as part of a combined sale order will be the weighted average price obtained for all shares sold in the combined sale order in which your shares were sold.

For any sale of your Plan shares through F.N.B. Shareholder Services, you will receive your portion of the proceeds of the sale less a sales transaction fee, applicable brokerage commission (see **Plan Service Fees** on page 10), and any required tax withholdings (see **U.S. Federal Income Tax Information** on page 11).

Please note that if you do not purchase shares in the Plan by automatic withdrawal or payroll deduction and your total holdings in the Plan fall below a minimum number of shares (as established by F.N.B. Shareholder Services from time to time), F.N.B. Shareholder Services may in its sole discretion liquidate the balance of shares in your Plan account and pay the proceeds to you, less any applicable fees, and close your Plan account.

TIMING AND CONTROL

Because F.N.B. Shareholder Services will purchase or sell the shares on behalf of the Plan, neither F.N.B. nor any Participant in the Plan has the authority or power to control the timing or pricing of these shares. Therefore, you will not be able to precisely time your transaction through the Plan, and will bear the market risk associated with fluctuation in the price of F.N.B.'s common stock. In other words, when you send in funds to purchase or a request to sell shares, the market price of F.N.B. common stock may go down or up between the time you send in your order and the time your transaction is completed.

INDEPENDENT BROKER

At the discretion of F.N.B., purchases and sales of shares of F.N.B. common stock for Plan participants will be effected either through a direct purchase from, or sale to, F.N.B. or by an Independent Broker appointed by F.N.B. Shareholder Services.

When F.N.B. Shareholder Services effects purchases or sales of shares for the accounts of Plan participants by an Independent Broker, the Independent Broker will purchase or sell all such shares in ordinary, open market transactions over the Nasdaq National Market. Neither F.N.B. nor F.N.B. Shareholder Services nor any other affiliate of F.N.B. may exercise any

Table of Contents

control over any of the following aspects of transactions effected through an Independent Broker: (i) the number of shares to be purchased or sold for the Plan by the Independent Broker (which number will be determined by the Independent Broker based on the number of shares required to fund dividend reinvestment for participants or optional cash purchases by Plan participants since the most recent purchase of shares by the Independent Broker for Plan participants or otherwise to complete sale orders requested by F.N.B. Shareholder Services); (ii) the price at which such shares are purchased or sold; (iii) the timing of purchases or sales (except for the Plan provisions requiring purchases or sales to occur at least weekly or, in the case of purchases to fund dividend reinvestment, on each dividend date); (iv) the manner in which shares are purchased; or (v) the selection of any broker or dealer (other than the Independent Broker) through which purchases or sales may be effected.

SAFEKEEPING OF YOUR STOCK CERTIFICATES AND BOOK ENTRY

Shares of F.N.B. common stock purchased for your account under the Plan will be maintained in your Plan account in book entry form (this means you will not receive a stock certificate; rather a record of your ownership position will be maintained by computer or other electronic media). Certificates for shares held in book entry form under the Plan will be issued only upon written request to F.N.B. Shareholder Services. (See Issuance of Certificates on page 9.) You will receive a quarterly statement detailing the status of your holdings. For more information, see Tracking Your Investments on page 10.

In addition, you may use the Plan's safekeeping service (book entry form) to deposit your existing F.N.B. common stock certificates at no cost without being required to reinvest dividends or to make optional cash purchases (see Enrollment Form). Safekeeping is beneficial because you greatly reduce the risk and cost associated with the loss, theft, or destruction of your stock certificates. If your shares are held by the Plan in safekeeping, you will have the option of receiving cash dividends, reinvesting your dividends or taking advantage of the sale of shares and gift features of the Plan.

To use the Plan's safekeeping service, send your certificates to F.N.B. Shareholder Services by registered mail with written instructions to deposit them in safekeeping. Do not endorse the certificate or complete the assignment section. Please note that you will bear the full risk of loss in the event your certificates are lost prior to receipt by F.N.B. Shareholder Services.

GIFTS OR TRANSFERS OF SHARES

You can give or transfer F.N.B. shares to anyone you choose by any of the following methods:

- 4 Making an initial \$1,000 cash investment or transfer of F.N.B. stock with a market value of \$1,000 to a Plan account established in the recipient's name; or
- 4 Submitting an optional cash investment on behalf of an existing participant in the Plan in an amount not less than \$50 per investment, and not exceeding \$10,000 in any calendar quarter; or
- 4 Transferring shares with \$1,000 market value from your Plan account to the recipient's Plan account; or

Table of Contents

- 4 Authorizing an automatic withdrawal from your bank account of a specified amount (not less than \$1,000 initially and \$50 subsequently) to be contributed to the recipient's Plan account.

The transfer of Plan shares to another person's Plan account is subject to compliance with any applicable laws. To effect such a transfer, you must execute a stock assignment form, have your signature guaranteed by a financial institution participating in the Medallion Guarantee Program and return the stock assignment form to F.N.B. Shareholder Services. The Medallion Guarantee Program ensures that the individual signing the certificate or initiating the instruction is in fact the registered owner of the shares. A stock assignment form can be obtained from F.N.B. Shareholder Services. If the person to whom the shares are gifted or transferred is not a Plan participant, F.N.B. Shareholder Services will open an account for the person and enroll him or her in the Plan upon receipt of a completed Enrollment Form.

You may not pledge or grant a security interest in Plan shares or transfer Plan shares outside of the Plan unless certificates representing the shares have been issued to you by F.N.B. Shareholder Services.

If you need additional assistance, please call F.N.B. Shareholder Services at 888-441-4362.

ISSUANCE OF CERTIFICATES

You can withdraw all or some of the shares from your Plan account by notifying F.N.B. Shareholder Services in writing. Certificates will be issued for whole shares only. In the event your request involves withdrawal of a fractional share, a check for the value of the fractional share as of the date of certification (less any applicable fees) will be mailed to you. You should receive your certificate and any accompanying check within two to three weeks of receipt of your request.

Certificates will be issued in the name(s) in which the account is registered unless otherwise instructed. If the certificate is issued in a name other than the name(s) in which your Plan account is registered, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as described above.

Shareholder Services in purchasing such shares.

TRACKING YOUR INVESTMENTS

All participants in the Plan, regardless of the absence of account activity during the prior calendar year, will receive an annual account statement. Participants whose account has some activity (dividend reinvestment, purchase or sale of shares or enrollment or withdrawal of shares) in any quarter will receive a quarterly statement generally within 45 days after the end of such quarter. If you do not reinvest dividends and your Plan account has no activity during any regular calendar quarterly period, you will not receive a quarterly statement until the next regular calendar quarter in which your account has activity. The statements will list information as to all transactions (shares purchased, sold, deposited or transferred in previous quarters plus applicable purchase and sale prices, aggregate shares owned in the Plan, etc.) for your account including year-to-date and other account information. Additionally, as soon as practicable following an optional cash purchase, sale of shares, gift, transfer or withdrawal of shares, the participant will receive a detailed confirmation of the transaction.

You are responsible for maintaining your own record of the cost basis of the certificated shares deposited with F.N.B. Shareholder Services or purchased through the Plan. Accordingly, you are urged to retain your account statements to establish the cost basis of shares purchased

under the Plan for income tax and other purposes (see U.S. Federal Income Tax Information below.)

You should notify F.N.B. Shareholder Services promptly in writing of any change in your name or address since all notices, account statements and reports will be mailed to you at your address of record.

U.S. FEDERAL INCOME TAX INFORMATION

Dividend Income and Tax Basis for Participating Shareholders

If a participant receives shares which are issued directly by F.N.B. through reinvestment of dividends under the Plan, the participant will be treated as receiving a distribution equal to the fair market value of such shares, calculated as of the date when the shares are credited to the participant's account. If a participant receives shares that were acquired in the open market, the participant will be treated as receiving a distribution equal to the amount of the cash dividend which he could have received if he had not participated in the Plan. (See Purchase of Shares Through the Plan on page 6). The participant's tax basis of such shares will be equal to the amount of the distribution the participant is treated as receiving. If a participant acquires shares with optional cash payments (See Optional Cash Investments on page 5), the tax basis of shares purchased with optional cash payments will be equal to the amount of the optional payment made by the participant.

Participants should consult their own tax advisors regarding the tax consequences of account transactions. Certain tax information will be provided to participants by the Plan Administrator. In addition, employee participants holding restricted shares issued under a benefit plan of F.N.B. imposing vesting, holding period or other restrictions on shares issued under such plan (a Stock Plan) should refer to the prospectus relating to the applicable Stock Plan for a discussion of the tax consequences of ownership of and transactions with respect to such shares.

Holding Period

The holding period for common stock purchased through dividend reinvestment or optional cash payments begins on the date following the day on which the shares are credited to the shareholder's account.

Dividend Withholding

In the case of any shareholder as to whom federal income tax withholding on dividends is required and in the case of a foreign shareholder whose taxable income under the Plan is subject to federal income tax withholding, F.N.B. will reinvest dividends net of the amount of tax required to be withheld.

The SEC allows F.N.B. to incorporate by reference the information F.N.B. files with the SEC, which means that F.N.B. can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be part of this prospectus, and later information filed with the SEC will update and supersede this information. The documents listed below and any future filings made with the SEC under Section 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934 until the Plan is terminated comprise the incorporated documents:

Requests for copies should be directed to F.N.B. Shareholder Services, P.O. Box 11929, Naples, FL 34101-1129. Telephone: 888-441-4362.

Stock Splits, Stock Dividends and Other Distributions

In the event dividends are paid in shares of F.N.B. common stock, or if F.N.B. common stock is distributed in connection with any stock split or similar transaction, each Plan account will be adjusted to reflect the receipt of the F.N.B. common stock so paid or distributed.

Voting of Proxies

Prior to any F.N.B. shareholders' meeting, F.N.B. will mail to you proxy materials including a proxy card which will allow you to vote by proxy all of the shares for which you hold certificates and the shares, full and fractional, held in your Plan account. If you do not return the proxy card, or if you return it unsigned, your shares will not be voted at the meeting.

Responsibility of Administrator and F.N.B.

Neither F.N.B. nor F.N.B. Shareholder Services nor any Independent Broker appointed to effect purchases or sales under the Plan will be liable for any act or for any omission to act except in case of willful misconduct or gross negligence. This includes, without limitation, any claims of liability for:

failure to terminate your account upon your death prior to receiving written notice of such death; or

the prices at which or dates on which any Plan transactions take place; or

any fluctuation in the market value of F.N.B. stock before or after your sale or purchase order to F.N.B. Shareholder Services is completed.

Neither F.N.B. nor F.N.B. Shareholder Services can assure you a profit or protect you against a loss on the shares you purchase or sell under the Plan.

Future Dividends

The payment of dividends is at the discretion of F.N.B.'s Board of Directors and will depend upon future earnings, the financial condition of F.N.B. and its subsidiaries, regulatory restrictions and other factors. The Board may change the amount and timing of dividends at any time without notice. As a financial holding company, the principal source of funds for the payment of dividends on F.N.B. common stock are dividends received by F.N.B. from its subsidiaries. Various federal and state statutes, regulations and guidelines limit the amount of dividends these subsidiaries may pay to F.N.B. and for that reason may limit the amount of dividends F.N.B. can pay to the holders of F.N.B. common stock.

Use of Proceeds

Any proceeds to F.N.B. from the issuance and sale by F.N.B. of shares of its common stock pursuant to the Plan will be used for general corporate purposes, including investments in and advances to its subsidiaries.

Legal Matters

James G. Orie, F.N.B.'s Corporate Counsel, has rendered an opinion regarding the validity of the F.N.B. common stock covered by this prospectus. Mr. Orie owns shares of F.N.B. common stock and holds options to purchase shares of F.N.B. common stock in an amount which does not exceed 0.05% of F.N.B.'s outstanding shares of common stock.

Plan Modification or Termination

F.N.B. reserves the right to change any administrative procedures of the Plan at any time. F.N.B. also reserves the right to amend, modify, suspend or terminate the Plan at any time. You will receive notice of any such suspension, modification or termination.

Change of Eligibility; Termination

F.N.B. reserves the right to deny, suspend or terminate participation by a participant who is using the Plan for purposes inconsistent with the intended purpose of the Plan. In such event, F.N.B. Shareholder Services will notify you in writing and will continue to safekeep your shares but will no longer accept optional cash investments or reinvest your dividends. F.N.B. Shareholder Services will issue to you upon written request a stock certificate evidencing your Plan shares.

Foreign Participation

If you live outside of the U.S., you should first determine whether there are any laws or governmental regulations that would prohibit your participation in the Plan, including laws or regulations of the country in which you reside. F.N.B. reserves the right to terminate participation of any participant if it deems it advisable under any foreign laws or regulations.

Item 15. Indemnification of Directors and Officers.

The Florida Business Corporation Act, as amended (the Florida Act), provides that, in general, a business corporation may indemnify any person who is or was a party to any proceeding (other than an action by, or in the right of, the corporation) by reason of the fact that he or she is or was a director or officer of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, provided certain standards are met, including that such officer or director acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and provided further that, with respect to any criminal action or proceeding, the officer or director had no reasonable cause to believe his or her conduct was unlawful.

In the case of proceedings by or in the right of the corporation, the Florida Act provides that, in general, a corporation may indemnify any person who was or is a party to any such proceeding by reason of the fact that he or she is or was a director or officer of the corporation against expenses and amounts paid in settlement actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof, provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made in respect of any claim as to which such person is adjudged liable unless a court of competent jurisdiction determines upon application that such person is fairly and reasonably entitled to indemnity. To the extent that any officers or directors are successful on the merits or otherwise in the defense of any of the proceedings described above, the Florida Act provides that the corporation is required to indemnify such officers or directors against expenses actually and reasonably incurred in connection therewith. However, the Florida Act further provides that, in general, indemnification or advancement of expenses shall not be made to or on behalf of any officer or director if a judgment or other final adjudication establishes that his or her actions, or omissions to act, were material to the cause of action so adjudicated and constitute: (i) a violation of the criminal law, unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe it was unlawful; (ii) a transaction from which the director or officer derived an improper personal benefit; (iii) in the case of a director, a circumstance under which the director has voted for or assented to a distribution made in violation of the Florida Act or the corporation's articles of incorporation; or (iv) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder.
