PROXY STATEMENT

The Board of Directors of SpectraSite, Inc. is furnishing this Proxy Statement to solicit proxies for use at SpectraSite's Annual Meeting of Stockholders (the 2005 Annual Meeting), to be held on May 2, 2005 at 9:00 a.m., local time, at the offices of SpectraSite, Inc., 400 Regency Forest Drive, Cary, NC 27511, and at any adjournment of the meeting. Each valid proxy received in time will be voted at the meeting according to the choice specified, if any. A proxy may be revoked at any time before the proxy is voted as outlined below. Unless the context indicates or otherwise requires, the terms SpectraSite, we, our, and the Company refer to SpectraSite, Inc., its wholly owned subsidiaries and its predecessor entity, SpectraSite Holdings, Inc.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our 2005 Annual Meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of directors, approval of the Company's 2005 Incentive Plan, and the ratification of the Company's independent registered public accounting firm. In addition, management will report on the performance of the Company and respond to questions from stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on March 21, 2005, the record date for the meeting, are entitled to receive notice of and to participate in the 2005 Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of the holders of SpectraSite common stock?

Each outstanding share of SpectraSite common stock will be entitled to one vote on each matter considered at the meeting.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the 2005 Annual Meeting. If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the votes represented by the common stock issued and outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. Proxies received but marked as withheld or abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to the Company, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations regarding the agenda items?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

for election of the nominees for the Board of Directors (see Proposal No. 1);

for the approval of the SpectraSite, Inc. 2005 Incentive Plan (the 2005 Incentive Plan) (see Proposal No. 2), a copy of which 2005 Incentive Plan is attached hereto as Exhibit A; and

for ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2005 (see Proposal No. 3).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

How are votes counted?

In the election of directors, you may vote **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. For the other items of business, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you **ABSTAIN**, the abstention has the same effect as a vote **AGAINST**. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. In other words, the eight persons receiving the highest number of **FOR** votes at the 2005 Annual Meeting will be elected as directors. A properly executed proxy marked **WITHHELD** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For each other item, the affirmative **FOR** vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked **ABSTAIN** with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters, including your approval of the SpectraSite, Inc. 2005 Incentive Plan (Proposal No. 2). Thus, if you do not give your broker or nominee

Table of Contents

specific instructions, your shares will not be voted on this Proposal and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

What happens if additional matters are presented at the annual meeting?

Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the 2005 Annual Meeting. If you grant a proxy, the persons named as proxyholders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

Who will bear the cost of soliciting votes for the annual meeting?

SpectraSite is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. SpectraSite has engaged a proxy solicitation firm to assist the Company in preparing for its 2005 Annual Meeting, for which it will pay reasonable fees and distribution expenses.

Where can I find the voting results of the annual meeting?

We intend to announce preliminary voting results at the 2005 Annual Meeting and publish the final results in our Quarterly Report on Form 10-Q for the fiscal period ending June 30, 2005.

Table of Contents**ELECTION OF DIRECTORS
(PROPOSAL NO. 1)**

At the 2005 Annual Meeting, eight directors are nominated to be elected to hold office until the Company's next annual meeting of stockholders or until their respective successors have been elected and qualified. All of the nominees are currently directors of the Company. The eight directors nominated for election at the 2005 Annual Meeting of Stockholders are: Stephen H. Clark, Timothy G. Biltz, Paul M. Albert, Jr., John F. Chlebowski, Dean J. Douglas, Patricia L. Higgins, Samme L. Thompson and Kari-Pekka Wilska. The persons named as proxies intend (unless authority is withheld) to vote for the election of all of the nominees as directors.

If at the time of the 2005 Annual Meeting any of the nominees is unable or unwilling to serve as a director of SpectraSite, the persons named in the proxy intend to vote for such substitutes as may be nominated by our Board of Directors. Our Board knows of no reason why any nominee for director would be unable to serve as director.

**The Board of Directors recommends a vote FOR the election of all of the nominees.

(1) See "Other Compensation Table" below for additional information regarding amounts reflected.

- (2) All options granted in 2003 were issued under our 2003 Equity Incentive Plan that was approved by the bankruptcy court as part of our Plan of Reorganization in February 2003.
- (3) Amounts reported are SpectraSite's contribution under its 401(k) plan.

The amount of the emergence bonus equaled the amount by which the aggregate exercise price of stock options granted to Mr. Clark upon the Company's emergence from bankruptcy exceeded the aggregate fair market value of the common stock subject to such options.
- (5) The exercise price of the executive's options was set at an amount above the fair market value of our common stock on the effective date of the grant. There is no assurance that the value realized by the optionee will be at or near the assumed appreciation rates, or that the optionee will remain an employee of SpectraSite during the entire term of the option.
- (2) A total of 366,000 options were granted to our executive officers and employees during fiscal year 2004 under our 2003 Equity Incentive Plan.
- (3) These options vest ratably on a monthly basis over the 36 months following the grant date, so long as the holder remains employed with the Company.
- (4) These options vest on the earlier of November 1, 2005 or the day immediately prior to the effective date of any new accounting rule or policy that would require an accounting charge by the Company with respect to such stock options.

Employment Agreements

We have entered into employment agreements with each of Messrs. Clark and Biltz, effective as of February 10, 2003. The initial term of the employment agreements is three years, with automatic one-year renewals unless either party gives written notice of nonrenewal at least six months prior to the end of the term. The annual base salaries for Messrs. Clark and Biltz are determined pursuant to their respective employment agreements, and they are each eligible to receive annual bonuses in amounts not less than the executive's base salary in the event that we achieve certain annual financial targets established by our Board of Directors. In connection with our emergence from chapter 11 bankruptcy, Mr. Clark also received a cash bonus on February 10, 2003, in the amount of \$2,800,000. If the employment of Messrs. Clark or Biltz is terminated as a result of his death or disability or is terminated by us without cause, or if he resigns without good reason during the thirteenth month following a change in control, he will be entitled to receive continued salary, average annual bonus and certain benefits for a period of 24 months following the termination, provided that this period shall be extended to 36 months if he is terminated by us without cause or if he resigns with good reason during the 24-month period following a change in control.

Effective as of November 1, 2004, SpectraSite entered into an employment agreement with Mr. Slaven defining the terms of his employment with the SpectraSite as Chief Financial Officer. The initial term of Mr. Slaven's employment agreement is three years, with automatic one-year renewals unless either party gives written notice of nonrenewal at least six months prior to the end of the term. Mr. Slaven's annual base salary is \$300,000. Mr. Slaven is eligible to receive an annual bonus in an amount not less than 75% of his base salary (pro rated with respect to the 2004 fiscal year) in the event that SpectraSite achieves certain annual financial targets established by our Board of Directors.

If Mr. Slaven's employment is terminated as a result of his death or disability, or is terminated by SpectraSite without cause, or if he resigns without good reason during the thirteenth month following a change in control, he will be entitled to receive continued salary, average annual bonus and certain benefits for a period of 24 months following the termination, provided that this period shall be extended to 36 months if he is terminated by SpectraSite without cause or if he resigns with good reason during the 24-month period following a change in control.

For this purpose, a change of control occurs upon (i) the acquisition, other than by our principal stockholders, of more than 35% of the total combined voting power of our outstanding securities and such principal stockholders own a lesser percentage of the voting power of our outstanding securities than such acquiring person and cease to have the ability to elect or designate for election a majority of our Board of Directors; (ii) a change in the composition of our Board of Directors during any two-year period that results in the current directors (or those directors approved by our Board of Directors) ceasing to constitute a majority of the directors; (iii) our merger or consolidation with another entity unless our outstanding voting securities are exchanged for consideration including securities representing a majority of the voting power of the surviving corporation; or (iv) a sale of all or substantially all of our assets other than to our principal stockholders or persons controlled by such stockholders.

Messrs. Clark, Slaven and Biltz have agreed that for a period of 24 months following the termination of their employment with us they generally will not:

engage in, or own any interest in or perform any services for any business that engages in, competition with us;

solicit our management employees or otherwise interfere with the employment relationship between us and our employees; or

hire, engage or in any manner be associated with any supplier, contractor or entity with a business relationship with us, if such action would have a material adverse effect on us.

Table of Contents

In connection with their employment agreements, Messrs. Clark and Biltz were granted options under our 2003 Equity Incentive Plan to purchase 1,527,778 and 972,222 shares of common stock, respectively. The exercise prices of these options are \$14.91 and \$13.08, respectively. Twenty percent of the options vested on March 12, 2003 and, subject to the optionee's continued employment, 50% vest ratably on a monthly basis during the 36 months beginning April 12, 2003, and 30% will vest on March 12, 2009, or earlier if we achieve certain annual financial targets.

Other than Messrs. Clark, Slaven and Biltz, no other executive officers of the Company have employment agreements with the Company. In connection with Mr. Slaven's hiring, Mr. Slaven was granted options under the 2003 Equity Incentive Plan to purchase 200,000 shares of our common stock. The per share exercise prices of 50,000 and 150,000 of such stock options was \$51.80 and \$58.11, respectively, which were the closing prices of our common stock on the dates of grants. 50,000 of these stock options vest on the earlier of November 1, 2005 or the day immediately prior to the effective date of any new accounting rule or policy that would require an accounting charge by the Company with respect to such stock options, and 150,000 of these options vest ratably on a monthly basis over the 36 months following the grant date. In the event that Mr. Slaven's employment is terminated by the Company without cause, or on account of death or disability or by Mr. Slaven for good reason, any unvested portion of such stock options shall become fully vested and exercisable as of the date of such termination. In the event that a change in control of the Company occurs, any unvested portion of such stock options shall become fully vested and exercisable as of the date immediately prior to such change in control.

The Company's former Chief Financial Officer, David P. Tomick, with an annual salary of \$235,000, left the Company on July 28, 2004 on terms mutually agreeable to the Company and Mr. Tomick. Mr. Tomick was paid \$142,808 of salary as of the date of his departure. Mr. Tomick also received severance in 2004 of \$184,385 in accordance with the terms of his employment agreement entered into in connection with, and approved as part of, the Company's Plan of Reorganization which resulted in the Company's emergence from bankruptcy in February 2003. Pursuant to the terms of his employment agreement, Mr. Tomick shall receive his salary, annual bonus and certain employee benefits for a period of two years subsequent to the date of his termination. In connection with Mr. Tomick's termination, a total of 461,405 unvested stock options became fully vested and exercisable pursuant to the terms of his stock option agreement entered into in March 2003. The remaining portion of unvested stock options issued under this agreement expired pursuant to the terms of such stock option agreement.

Severance Plans

Messrs. Carey and Prestwood and Ms. Gonzalez participate in our Executive Severance Plan B. This plan generally provides that, upon termination of a participant's employment by us other than for cause or by the participant for good reason (which includes any termination by a participant during the thirteenth month following a change in control), the participant will be entitled to continued payments of base salary and target bonus, as well as certain benefits, during the 18 months following termination if the participant then has five or more years experience in current or equivalent employment positions, and 12 months following termination if the participant has less than five years of such experience. In the event of certain terminations in anticipation of or in the two-year period following a change in control, the periods referred to above shall be increased to 24 months. For this purpose, change of control has the same definition as described above with respect to the employment agreements.

(2) Consists of our 2003 Equity Incentive Plan. The 2003 Equity Incentive Plan was approved as part of our Plan of Reorganization by the bankruptcy court and by claim holders who received common stock in connection with the Plan of Reorganization.

2003 Equity Incentive Plan

In 2004, options for 366,000 shares of common stock were issued under the 2003 Equity Incentive Plan, having an average weighted exercise price of \$47.86 per share. As of March 15, 2005, 164,634 shares of common stock are available for future grants under this plan.

The following is a discussion of other features of the plan.

Purpose of Plan. The nature and purpose of the plan is to use performance-based grants of long-term, equity-based incentives in the form of stock options and other equity based awards in order to link total compensation for management and key employees to our performance and stock price appreciation and to allow us to remain competitive and to retain top performing employees over time. The plan also permits awards to directors.

Plan Administration. The plan is administered by the Compensation Committee of our Board of Directors. The Compensation Committee has sole discretion, subject to the terms of the plan, to determine the amounts and types of awards to be made, set the terms, conditions and limitations applicable to each award, and prescribe the form of the instruments embodying any award. The Board of Directors or the Compensation Committee may delegate to another committee of the Board of Directors the authority to grant awards to certain persons and the Compensation Committee may generally delegate the authority to act on its behalf to certain of our officers.

Eligibility. Awards may be granted under the plan to any of our directors, officers or other employees and any individual providing services as our consultant, advisor or otherwise as an independent contractor.

Vesting and Exercise of Options. Options become exercisable as set forth in a participant's award agreement.

Payment for Options. The exercise price of any stock option awarded under the plan is determined by the Compensation Committee prior to the grant date. Participants may exercise an option by making payment in any manner specified in the plan.

Table of Contents

Restricted Stock. The Compensation Committee may authorize awards of restricted stock, including performance-based restricted stock. Awards of restricted stock may be made for no consideration, or for an amount as is determined by the Compensation Committee. Restricted stock is common stock that generally is non-transferable and is subject to other restrictions determined by the Compensation Committee for a specified period. Unless the Compensation Committee determines otherwise if the participant terminates employment during the restricted period, then any unvested restricted stock will be forfeited. To date, 7,500 shares of restricted stock have been awarded under the plan.

Other Awards Under the Plan. The Compensation Committee may grant other types of equity-based awards such as stock appreciation rights, deferred stock, dividend equivalents and performance-based awards. Such awards and awards of restricted stock may be subject to attainment of pre-established performance goals based on sales, revenue, net income, operating income, cash flow, return on assets, return on equity, return on capital or total stockholder return.

Federal Income Tax Consequences of Options. The grant of a stock option under the plan will generally not have any immediate effect on the federal income tax liability to us or the participant. If the Compensation Committee grants a non-qualified stock option, then the participant will recognize ordinary income at the time he or she exercises the option in an amount equal to the difference between the fair market value of the common stock at the time of its exercise and the exercise price, and we will receive a deduction for the same amount.

If the Compensation Committee grants an incentive stock option, the participant generally will not recognize any taxable income at the time he or she exercises the incentive stock option, but will recognize income at the time he or she sells the common stock acquired by exercise of the incentive stock option. Upon sale of the common stock acquired upon exercise of the incentive stock option, the employee will recognize income equal to the difference between the exercise price and the amount received upon sale, and such income generally will be eligible for capital gain treatment. We generally are not entitled to an income tax deduction in connection with an incentive stock option. However, if the employee sells the common stock either within two years of the date of the grant, or within one year of the date of the exercise of the incentive stock option, then the option is treated for federal income tax purposes as if it were a non-qualified stock option; the income recognized by the employee will not be eligible for capital gain treatment and we will be entitled to a federal income tax deduction equal to the amount of income recognized by the employee.

2005 Incentive Plan

Subject to stockholder approval at the 2005 Annual Meeting, the Company has adopted the SpectraSite, Inc. 2005 Incentive Plan. For a summary of the terms of this plan, please refer to Proposal No. 2 Approval of the SpectraSite, Inc. 2005 Incentive Plan located elsewhere in this proxy statement.

Table of Contents**REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION****Overview**

The Compensation Committee (the Committee) assists SpectraSite's Board of Directors in the discharge of the Board's oversight responsibilities relating to the compensation of the Company's executives. In this regard, the Committee is responsible for overseeing the Company's compensation plans and policies. The Committee's duties include, among others, annually reviewing and approving the corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determining the Chief Executive Officer's compensation based on this evaluation. In addition, the Committee is responsible for overseeing and approving all compensation to executive officers on an annual basis. The Committee's charter reflects these various responsibilities, and the Committee and the Board periodically review and revise the charter. The Committee's membership is determined by the Board and is composed entirely of independent directors. The Committee meets at scheduled times during the year, and it also holds special meetings from time to time and considers and takes action by written consent. The Committee Chairperson reports on Committee actions and recommendations at Board meetings.

SpectraSite's human resources department supports the Committee in its work. The Committee also has the authority to engage the services of outside advisers, experts and others to assist the Committee in fulfilling its duties and responsibilities. During 2004, the Committee directly engaged two outside compensation consulting firms to assist the Committee in its review of the Company's compensation philosophy and practices. One of these firms made specific findings and recommendations with respect to the SpectraSite's executive compensation levels, and the other firm advised the Committee with respect to Company's proposed new 2005 Equity Incentive Plan (the 2005 Incentive Plan) that is being submitted for stockholder approval at the 2005 Annual Meeting.

Compensation Philosophy and Objectives

The core principles underlying SpectraSite's executive compensation policies are to:

- (i) provide competitive compensation and benefits to attract and retain the highest quality executive officers;
- (ii) provide variable pay opportunities through bonus plans and incentive plans that reward executive officers for superior performance; and
- (iii) establish an appropriate relationship between executive compensation and the creation of long-term stockholder value.

The Committee reviews SpectraSite's executive compensation practices against comparable practices at peer companies in the tower and wireless telecommunications industries and the broader executive compensation marketplace. The peer group used in these analyses may change from year to year depending on changes in the marketplace and the business focus of the Company, and will not necessarily correspond to the list of companies comprising the peer group used in the stock performance graph in this proxy statement. The Committee believes that the market for top tier executive talent is potentially broader than SpectraSite's direct industry competitors.

Executive Compensation Components and Practices

SpectraSite's executive compensation program consists of the following three primary components:

Base Salary;

Annual Incentives; and

Long-Term Incentives.

Table of Contents***Base Salary***

The Committee establishes salary ranges for each of the executive officer positions based on job responsibilities, level of experience and expertise required, the strategic impact of the position, and competitive rates of compensation for similar position within similar companies. Annual salary adjustments reflect the overall performance of the Company, the sustained performance of the individual, and other factors such as typical market movements, the officer's compensation relative to other officers in the company, and officer-level salary increases relative to salary increase budgets for other SpectraSite employees.

Our Chief Executive Officer and Chief Operating Officer did not receive salary increases in 2004. Our other executive officers received a 4% increase in their salaries. The Committee believes, based upon a review of compensation levels for executives in comparable positions at the peer group of companies, that the 2004 base salaries paid to our Chief Executive Officer and our other executive officers are generally below the market median (50th percentile). This is consistent with SpectraSite's leveraged pay strategy that relies more heavily on performance-based compensation to deliver market competitive rewards to executives. See sections of this report entitled "Annual Incentives" and "Long-Term Incentives" for a description of the Company's variable pay programs.

Annual Incentives

The Committee establishes target annual incentive opportunities, expressed as a percent of base salary, for each executive officer position. These opportunities are established in accordance with SpectraSite's guiding principles and are set in much the same manner as described for salary structures and annual salary adjustments. For most executive officers, target cash incentives approximate 30% to 40% of base salary. For the Company's Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, the target cash incentive opportunities range from 75% to 125% of such officer's base salary.

Annual incentive opportunities are tied directly to the achievement of pre-determined performance targets for improvements in earnings before interest, taxes, depreciation and amortization (EBITDA), as adjusted for certain items as determined by our Board. The Committee believes that EBITDA is an objective and appropriate measure for aligning executive compensation with Company performance.

In March 2005, based on the Company exceeding certain pre-approved EBITDA targets applicable to fiscal 2004, the Committee approved the 2004 bonus awards included in the Summary Compensation Table under the heading

Bonus. In addition, the Committee separately approved Mr. Clark's bonus award for 2004. See "Compensation of Chief Executive Officer" discussed below.

Long-Term Incentives

The Committee administers SpectraSite's equity compensation programs and approves awards granted under the stockholder-approved plans. The 2003 Equity Incentive Plan was approved by the bankruptcy court and the claim holders who received SpectraSite common stock in connection with the Plan of Reorganization as part of SpectraSite's Plan of Reorganization. In March 2003, the Committee approved the total option grants for the Company's executive officers at the time, among others, during 2003 as detailed in the Summary Compensation Table under "Number of Securities Underlying Options/ SARs." The Committee also determined that the EBITDA targets included in the fiscal 2003 Board Plan, as previously adopted by the Board of Directors, were the measures to use in setting the performance-accelerated vesting provisions of certain stock option awards. The size of the option award for each executive officer was determined principally by each position's level of responsibility and accountability for the Company's performance upon emergence from bankruptcy.

During 2004, the Committee did not award any new options to any of the Company's executive officers under the Company's 2003 Equity Incentive Plan, other than 200,000 options issued to the Company's new Chief Financial Officer in connection with such officer's hiring.

In early 2005, the Committee, working with the assistance of one of its independent consultants, redesigned SpectraSite's long-term incentive program. The new program is expected to rely on a combination

Table of Contents

of stock options and restricted stock for providing long-term performance and retention incentives to senior management. The following guiding principles were used in designing the new program:

Award opportunities should be set based on competitive market practices for the annualized value of long-term incentives being provided to comparable positions within comparable companies;

Awards should be performance-based, having a strong and direct link to sustainable improvements in both company performance and stockholder value creation; and

Executives should be required to maintain a certain level of stock ownership in order to further align their interests with long-term stockholder value creation.

A key element of the new long-term incentive program is the 2005 Incentive Plan being submitted for stockholder approval at the Company's 2005 Annual Meeting. The 2005 Incentive Plan provides the Committee with the flexibility it requires to continue providing important performance and retention incentives to key management. This flexibility arises from both a new share reserve and a new plan document that allows for the granting of various forms of equity and cash-based incentives. The Committee believes that this plan is critical to SpectraSite's ability to continue to attract, motivate, and retain the very best talent in the industry, while further aligning executive's interests with the long-term stockholder value creation.

Executive Benefits and Perquisites

In addition to the core components outlined above, SpectraSite's executive officers are eligible for participation in: the Company-wide employee benefit program that includes medical, dental, vision, prescription drug, life insurance, accidental death and dismemberment, short-term and long-term disability, flexible spending account, and other voluntary benefits;

the SpectraSite 401(k) plan under which we currently provide a 50% matching contribution up to the first 6% of deferral; and

certain customary perquisites consisting of amounts for automobile use and relocation expenses, as appropriate.

While the Company permits Vice Presidents and above to participate in the Company's deferred compensation program, none of the Company's executive officers currently participate in this program. The Company does not sponsor any program that provides its executive officers with any personal-benefit perquisites such as reserved parking spaces, separate dining or other facilities, or pay for or defray the costs of personal lodging, entertainment or family travel. There are no outstanding loans of any kind to any of the Company's executive officers.

Compensation of Chief Executive Officer

Fiscal 2004 was a year of outstanding progress and strong accomplishments across a number of critical fundamentals, building a strong foundation for SpectraSite's continued success. Under Mr. Clark's leadership, SpectraSite achieved full year profitability for fiscal 2004, the first time since the Company's existence, and exceeded its business plan on several key dimensions. In 2004, the Company achieved record revenues and net cash from operating activities of \$355.1 million and \$141.1 million, respectively. During 2004, the Company exceeded its operating income target, the Company's market value grew by 73.5%, and its credit ratings were upgraded. Through Mr. Clark's leadership, SpectraSite is positioned to be the telecommunication industry's leader in wireless tower and site operations.

The policies and guidelines described above for the compensation of executive officers also apply to the compensation determination made with respect to Mr. Clark as the Company's Chief Executive Officer. The Committee also considers Mr. Clark's leadership, industry standing, and the Company's overall performance as important factors upon which to base his total compensation. During 2004, the Committee decided not to change Mr. Clark's \$375,000 base salary or target cash incentive opportunities, and did not award Mr. Clark

Table of Contents

any stock options or other long-term incentive compensation. In February 2005, in reviewing Mr. Clark's compensation for fiscal 2005, the Committee set certain financial thresholds based on the Company's financial performance that will determine the amount of Mr. Clark's 2005 performance bonus. In addition, in March 2005, the Committee determined that the Company achieved the pre-determined financial targets applicable to the Company's fiscal 2004 performance. Accordingly, based on meeting these targets, Mr. Clark was paid a bonus in the amount of \$411,225 pursuant to the terms of his employment agreement with the Company. The components of Mr. Clark's compensation are set forth under "Executive Compensation" section located herein. As indicated in the table in this proxy statement entitled "Other Compensation in 2004," the fringe benefits provided to Mr. Clark during fiscal 2004 represented approximately 2% of his total salary and bonus for the year.

Compliance with Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid in any year to a company's chief executive officer and the four other most highly compensated officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limitation if certain requirements are met. The 2003 Equity Incentive Plan is currently qualified so that awards under such Plan constitute performance-based compensation not subject to the deduction limit under Section 162(m). The 2005 Incentive Plan, subject to stockholder approval at the 2005 Annual Meeting, is also designed such that designated awards granted under such Plan will not be subject to the deduction limit under 162(m).

Although the Committee has not adopted any specific policy with respect to the application of Section 162(m), the Committee generally seeks to structure executive compensation to the Company's executive officers in a manner that is intended to avoid disallowance of deductions under Section 162(m). The Committee reserves the right to pay compensation or grant awards that are not deductible under 162(m) if it is believed to be in the best interest of the Company and its stockholders.

Summary

The Committee believes that SpectraSite's overall executive compensation philosophy and programs are market competitive, performance-based, and stockholder aligned. Accordingly, the Committee believes that SpectraSite will continue to attract, motivate, and retain high caliber executive management to serve the interests of the Company and its stockholders. The Committee will continue to monitor the effectiveness of SpectraSite's total compensation program and to make proposals aimed at better meeting the current and future needs of the Company and its stockholders.

REPORT OF THE AUDIT COMMITTEE

The charter of the Audit Committee of the Board, as revised in January 2005, specifies that the purpose of the Audit Committee is to assist the Board in its oversight of:

the integrity of the Company's financial statements and other financial information provided to the Company's stockholders, the public and others;

the Company's compliance with legal and regulatory requirements;

the qualifications and independence of the Company's independent auditors;

the performance of the Company's independent auditors and of the Company's internal audit function; and

the preparation of the annual report of the Audit Committee.

The full text of the Audit Committee's revised charter is attached to this proxy statement as Exhibit B and is available on the Company's website (www.spectrasite.com) under *Investors/ Corporate Governance*. In carrying out its responsibilities, the Audit Committee, among other things:

monitors preparation of quarterly and annual financial reports by the Company's management;

supervises the relationship between the Company and its independent auditors, including: having direct responsibility for their appointment, compensation and retention; reviewing the scope of their audit services; approving significant non-audit services; and confirming the independence of the independent auditors; and

oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the Company's policies relating to legal and regulatory compliance, ethics and conflicts of interests and review of the Company's internal auditing program.

The Audit Committee met eleven times during fiscal 2004. The Audit Committee's meetings include, whenever appropriate, executive sessions with the Company's independent registered public accounting firm and with the Company's internal auditors, in each case without the presence of the Company's management.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent registered public accounting firm all annual and quarterly financial statements prior to their issuance. During fiscal 2004, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accounting firm of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the Audit Committee pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the undersigned Audit Committee members recommended to the Board that the Board approve the inclusion of the Company's audited financial

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Registration Rights Agreement

Pursuant to the Plan of Reorganization, we entered into a registration rights agreement with Oaktree Capital Management, LLC, as general partner and/or investment manager of certain funds and accounts it manages, AP Towers LLC, an affiliate of Apollo Management V, L.P., and Capital Research Management Company, as investment adviser for certain funds it manages, providing for the registration of the common stock. Under this registration rights agreement, the holders of our common stock that are party to the agreement may require us to register all or some of their shares under the Securities Act of 1933, as amended. Pursuant to this registration rights agreement, three registrations have been effected in connection with our three public offerings on behalf of certain selling stockholders that occurred in October 2003, February 2004 and May 2004, respectively. As a result of these registrations and the selling stockholders' sales of our common stock thereunder, we have no further obligations to register shares of our common stock under this registration rights agreement.

Transactions with Executive Officers

In August 1999, we loaned David P. Tomick, our Chief Financial Officer at the time, \$325,000 in connection with the exercise of stock options to acquire shares of common stock of our predecessor company. The loan had an interest rate at the applicable federal rate under the Internal Revenue Code, 5.36% per annum, and was scheduled to mature in August 2004. In May 2004, Mr. Tomick repaid this loan in full and Mr. Tomick has no further obligations owing to SpectraSite.

In September 1999, we loaned Timothy G. Biltz \$500,000 to purchase a home as a relocation incentive. This had an interest rate of 5.82% per annum and would have matured in September 2004. In March 2004, Mr. Biltz repaid this loan in full and Mr. Biltz has no further obligations owing to SpectraSite.

In January 2000, we loaned Stephen H. Clark \$1,100,000 in connection with the exercise of stock options to acquire 512,500 shares of common stock of our predecessor company. The loan had an interest rate of 5.80% per annum and would have matured in December 2004. In June 2004, Mr. Clark repaid this loan in full and Mr. Clark has no further obligations owing to SpectraSite.

Mr. Clark's son is our employee, and received \$106,786 in aggregate annual salary and bonuses during 2004. SpectraSite also contributed \$3,291 to its 401(k) plan on his behalf. In 2003, Mr. Clark's son was also granted stock options to buy 10,000 shares of our common stock with an exercise price of \$13.075 per share, the fair market value of the common stock on the date of the grant. The compensation received by Mr. Clark's son was commensurate in amount to the compensation received by our employees in comparable positions.

Table of Contents**CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS**

SpectraSite is committed to having sound corporate governance principles. Having such principles is essential to running SpectraSite's business efficiently and to maintaining SpectraSite's integrity in the marketplace. SpectraSite's Corporate Governance Guidelines are available on the Company's website (www.spectrasite.com) under *Investors/Corporate Governance*.

Board Independence

The Board has determined that each of the current non-employee directors standing for re-election has no material relationship with SpectraSite (either directly or as a partner, stockholder or officer of an organization that has a relationship with SpectraSite) and is independent within the meaning of the director independence standards set by the NYSE and the SEC. This determination is based principally on the fact that none of these independent directors has a material relationship (either directly or indirectly) with SpectraSite other than serving as one of our directors. Furthermore, the Board has determined that each of the members of each of the committees of the Board has no material relationship with SpectraSite (either directly or as a partner, stockholder or officer of an organization that has a relationship with SpectraSite) and is independent within the meaning of the NYSE and SEC rules. The Board has also determined that each of the members of the Audit Committee is a financial expert as defined under the SEC rules.

In 2004, we made a number of changes to our Board, its committees and our corporate governance processes. In June 2004, we expanded the size of our Board from four directors to ten directors, adding the following six persons to our Board, five of whom have been deemed independent: Timothy G. Biltz, our current Chief Operating Officer, John F. Chlebowski, Dean J. Douglas, Patricia L. Higgins, Samme L. Thompson and Kari-Pekka Wilska. In October 2004, we reduced the size of our Board to eight directors upon the resignation of two of our directors, Messrs. Masson and Katz. These directors resigned from our Board in connection with the firms with which they are affiliated no longer holding a significant stockholder interest in our common stock. In October 2004, we dissolved the Executive Committee and formed the Corporate Strategy Committee. In November 2004, we named Ms. Higgins as the Board's new Lead Independent Director and further defined the mandate for such position.

Consideration of Director Nominees***Stockholder Nominees***

The policy of the Nominating and Governance Committee relating to stockholder nominations of candidates for membership to the Board is to consider properly and timely submitted nominations as described below under

Identifying and Evaluating Nominees for Directors. In evaluating such nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability

on the Board and to address the membership criteria set forth under **Director Qualifications** below. Any stockholder nominations proposed for consideration by the Nominating and Governance Committee should include the nominee's name and qualifications for Board membership and should be addressed to:

Secretary
SpectraSite, Inc.
400 Regency Forest Drive, Suite 400
Cary, NC 27511

In addition, the by-laws of SpectraSite permit stockholders to nominate directors for consideration at an annual stockholder meeting. For a description of the process for nominating directors or other stockholder proposals in accordance with SpectraSite's by-laws, see **Stockholder Proposals** in this proxy statement.

Identifying and Evaluating Nominees for Directors

The Nominating and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at meetings of the Nominating and Governance Committee, and may be considered at any point during the year. As described above, the Nominating and Governance Committee considers properly submitted stockholder nominations as candidates for the Board. Following verification of the stockholder status of persons proposing candidates, properly submitted recommendations will be aggregated and considered by the Nominating and Governance Committee at a meeting prior to the issuance of the proxy statement for SpectraSite's annual meeting. If any materials will be provided by a stockholder in connection with the nomination of a director candidate, such materials will be forwarded to the Nominating and Governance Committee. The Nominating and Governance Committee also reviews materials provided by professional search firms or others in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

In 2004, the Nominating and Governance Committee retained a third party search firm to identify the new independent directors to add to our Board. The third party search firm identified a slate of individuals who matched the Company's qualifications, and thereafter presented them to our Nominating and Governance Committee for consideration. Based on the identification process conducted by the third party search firm, the Nominating and Governance Committee recommended that our Board add five new directors (Messrs. Chlebowski, Douglas, Thompson and Wilska, and Ms. Higgins) to our Board in June 2004.

Director Qualifications

The Nominating and Governance Committee use a number of criteria to determine the qualification of a director nominee for the Board. The minimum criteria used by the Nominating and Governance Committee consists of the following:

Directors should be of the highest ethical character and share the mission, vision and values of SpectraSite;

Directors should have reputations, both personal and professional, consistent with the image and reputation of SpectraSite;

Directors should be highly accomplished in their respective fields, with superior credentials and recognition;

In selecting directors, the Board may generally seek active and former chief executive officers and/or executive or senior officers of public companies; at the same time, in recognition of the fact that the

Table of Contents

foundation of the Company is in the tower management and telecommunications wireless industries, the Board may also seek some directors who are widely recognized as leaders in these industries;

Each director should have relevant expertise and experience, and be able to offer advice and guidance to the chief executive officer based on that expertise and experience;

The majority of directors on the Board should be independent, not only as that term may be legally defined, but also without the appearance of any conflict in serving as a director;

Each director should have the ability to exercise sound business judgment; and

Each director shall be no older than 70 at the time of such director's nomination.

The Nominating and Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee and industry expertise and the evaluations of other prospective nominees. After completing the interview and evaluation process that the Nominating and Governance Committee deems appropriate, it makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and the report of the Nominating and Governance Committee.

Executive Sessions

Executive sessions of non-management directors are held regularly at the end of each meeting of the Board of Directors. The Lead Independent Director of our Board chairs each of these executive sessions.

Lead Independent Director Mandate

Our Board has approved and adopted a mandate for the Lead Independent Director. Pursuant to the mandate, the Lead Independent Director is an outside and unrelated director who is designated by the outside members of our Board to lead the Board in fulfilling its duties effectively, efficiently and independent of management. Specifically, the Lead Independent Director is responsible for the following:

Liaison between our Board and management;

Act as principal liaison between our Board and management;

Communicate to management, as appropriate, the results of private discussions among outside directors;
Board activities;

Chair executive sessions of our Board where only outside directors are in attendance;

Provide input to the Chairman on preparation of agendas for our Board and our Board committee meetings;

Ensure that outside directors have adequate opportunities to meet to discuss issues without management present; and

Consult with the Chairman and our Board on the effectiveness of our Board and our Board committees.

Our Lead Independent Director shall also have the right to attend any meetings of our Board's committees that such director deems appropriate to attend.

The Disclosure Committee's responsibilities include assisting the Company's Chief Executive Officer and Chief Financial Officer in fulfilling their responsibilities for the oversight of the accuracy and timeliness of the public disclosures made by the Company; ensuring that the information required to be disclosed in the reports that the Company files or submits to the SEC and other information that the Company will disclose to the investment community is recorded, processed, summarized and reported accurately and on a timely basis, and the information is accumulated and communicated to management, including the Company's Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding such required disclosure. The Disclosure Committee regularly meets in connection with the Company's preparation of its SEC filings to review important disclosure matters.

Each written communication intended for the Board of Directors, the Lead Independent Director, or one of the committees and received by the Secretary will be forwarded to the specified party following its clearance through normal security procedures. The written communication will not be opened, but rather will be forwarded unopened to the intended recipients.

We believe that each of our employees and directors shall maintain high ethical standards. We have adopted our Code of Business Conduct and Ethics applicable to our employees and directors and our Code of Ethics for the Principal Executive Officer and Senior Financial Officers. These codes are available on our website (www.spectrasite.com) under *Investors/ Corporate Governance*, and in print upon any written request by a stockholder. The Company intends to post at this location on its website any amendments to or waivers from the provisions of these codes.

**APPROVAL OF THE SPECTRASITE, INC.
2005 INCENTIVE PLAN
(PROPOSAL NO. 2)**

The Board of Directors recommends a vote FOR this proposal.

Overview

Our Board recommends that the stockholders approve the 2005 Incentive Plan.

Based upon the recommendation of our Board's Compensation Committee, our Board has unanimously approved the 2005 Incentive Plan, subject to stockholder approval at the annual meeting. As with the 2003 Equity Incentive Plan, which only has 164,634 shares remaining available for grant as of March 15, 2005, the 2005 Incentive Plan is an omnibus plan that provides flexibility to grant a variety of equity awards to employees and non-employee directors.

A maximum of 3,200,000 shares of our common stock will be reserved for issuance under the 2005 Incentive Plan. All employees of SpectraSite (approximately 450 persons) and its non-employee directors are eligible to receive awards under the 2005 Incentive Plan. These awards may be granted in the form of stock options, stock appreciation rights, restricted stock awards, restricted stock units and stock awards. Our Board believes that by allowing SpectraSite to continue to offer its employees long-term, performance-based compensation through the 2005 Incentive Plan, SpectraSite will promote the following key objectives:

aligning the interest of employees with those of the stockholders through increased employee ownership of the Company; and

attracting, motivating and retaining experienced and highly qualified employees who will contribute to SpectraSite's financial success.

The 2005 Incentive Plan does not permit the repricing of options or stock appreciation rights without the approval of our stockholders, or the granting of discounted options or stock options with reload features.

Summary of the 2005 Incentive Plan

In March 2005, our Board approved the 2005 Incentive Plan, subject to stockholder approval, a copy of which 2005 Incentive Plan is attached hereto as Exhibit A. The purpose of our 2005 Incentive Plan is to give us a competitive edge in attracting, retaining and motivating employees, directors and consultants and to provide us with a stock plan providing incentives directly related to increases in our stockholder value.

Administration. Our Compensation Committee will administer our 2005 Incentive Plan. The Compensation Committee will have the authority to determine the terms and conditions of any agreements evidencing any awards granted under our 2005 Incentive Plan, and to adopt, alter and repeal rules, guidelines and practices relating to our 2005 Incentive Plan. Our Compensation Committee will have full discretion to administer and interpret the 2005 Incentive Plan, to adopt such rules, regulations and procedures as it deems necessary or advisable and to determine among other things the time or times at which the awards may be exercised, and whether and under what circumstances an award may be exercised.

Eligibility. Any of our employees, directors, officers or consultants, or of our subsidiaries or their respective affiliates will be eligible for awards under our 2005 Incentive Plan. Our Compensation Committee has the sole and complete authority to determine who will be granted an award under the plan.

Number of Shares Authorized. The 2005 Incentive Plan provides for an aggregate of 3,200,000 shares of our common stock to be available for awards. Any awards under our 2005 Incentive Plan that can only be settled in cash and certain awards under the 2005 Incentive Plan made in substitution for existing awards held by employees, directors and consultants of entities acquired by the Company will not count against this limit. No participant may be granted awards of options and stock appreciation rights with respect to more than 1,000,000 shares of common stock in any one year. No more than 1,000,000 shares of common stock may be granted to any participant under our 2005 Incentive Plan with respect to performance compensation awards in

Table of Contents

any performance period. If any award is forfeited, or if any award terminates, expires or lapses without being exercised under our 2005 Incentive Plan or our 2003 Equity Incentive Plan, shares of our common stock subject to such award will again be available for future grant under our 2005 Incentive Plan. If there is any change in our corporate capitalization, the Compensation Committee in its sole discretion may make substitutions or adjustments to the number of shares reserved for issuance under our 2005 Incentive Plan, the number of shares covered by awards then outstanding under our 2005 Incentive Plan, the limitations on awards under our 2005 Incentive Plan, the exercise price of outstanding options and such other equitable substitution or adjustments as it may determine appropriate.

The 2005 Incentive Plan will have a term of ten years and no further awards may be granted after that date.

Awards Available for Grant. The Compensation Committee may grant awards of nonqualified stock options, incentive (qualified) stock options, stock appreciation rights, restricted stock awards, restricted stock units, stock bonus awards, performance compensation awards or any combination of the foregoing.

Options. The Compensation Committee is authorized to grant options to purchase shares of common stock that are either qualified, meaning they satisfy the requirements of Section 422 of the Internal Revenue Code (the Code) for incentive stock options, or nonqualified, meaning they are not intended to satisfy the requirements of Section 422 of the Code. These options will be subject to the terms and conditions established by the Compensation Committee. Under the terms of our 2005 Incentive Plan, the exercise price of the options will not be less than the fair market value of our common stock at the time of grant. Options granted under the 2005 Incentive Plan will be subject to such terms, including the exercise price and the conditions and timing of exercise, as may be determined by our Compensation Committee and specified in the applicable award agreement. The maximum term of an option granted under the 2005 Incentive Plan will be ten years from the date of grant (or five years in the case of a qualified option granted to a 10% stockholder). Payment in respect of the exercise of an option may be made in cash or by check, by surrender of unrestricted shares (at their fair market value on the date of exercise) which have been held by the participant for at least six months, have been purchased on the open market, or the Compensation Committee may, in its discretion and to the extent permitted by law, allow such payment to be made through a broker-assisted cashless exercise mechanism or by such other method as our Compensation Committee may determine to be appropriate.

Stock Appreciation Rights. Our Compensation Committee is authorized to award stock appreciation rights (referred to in this prospectus as SARs) under the 2005 Incentive Plan. SARs will be subject to the terms and conditions established by the Compensation Committee. An SAR is a contractual right that allows a participant to receive, in the form of shares, the appreciation, if any, in the value of a share over a certain period of time. An option granted under the 2005 Incentive Plan may include SARs and they may also award SARs to a participant independent of the grant of an option. SARs granted in connection with an option shall be subject to terms similar to the option corresponding to such SARs. The terms of the SARs shall be subject to terms established by the Compensation Committee and reflected in the award agreement.

Restricted Stock. Our Compensation Committee is authorized to award restricted stock under the 2005 Incentive Plan. Awards of restricted stock will be subject to the terms and conditions established by the Compensation Committee. Restricted stock is common stock that generally is non-transferable and is subject to other restrictions determined by the Compensation Committee for a specified period. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment during the restricted period, then any unvested restricted stock is forfeited.

Restricted Stock Unit Awards. Our Compensation Committee is authorized to award restricted stock units. Restricted stock unit awards will be subject to the terms and conditions established by the Compensation Committee. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment or services during the period of time over which all or a portion of the units are to be earned, then any unvested units will be forfeited. At the election of the Compensation Committee, the participant will receive a number of shares of common stock equal to the number of units earned or an amount in cash equal to the fair market value of that number of shares, at the

Table of Contents

expiration of the period over which the units are to be earned, or at a later date selected by the Compensation Committee.

Stock Bonus Awards. Our Compensation Committee is authorized to grant awards of unrestricted shares, either alone or in tandem with other awards, under such terms and conditions as the Compensation Committee may determine.

Performance Compensation Awards. The Compensation Committee may grant any award under the 2005 Incentive Plan (including cash bonuses) in the form of a performance compensation award by conditioning the vesting of the award on the satisfaction of certain performance goals. The maximum amount that can be paid in any calendar year to a participant pursuant to a performance compensation award that is in the form of a cash bonus will be \$2,000,000. The committee may establish these performance goals with reference to one or more of the following:

net earnings or net income (before or after taxes);

basic or diluted earnings per share (before or after taxes);

net revenue or net revenue growth;

gross profit or gross profit growth;

net operating profit (before or after taxes);

return measures (including, but not limited to, return on assets, capital, invested capital, equity, or sales);

cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital);

earnings before or after taxes, interest, depreciation and/or amortization;

gross or operating margins;

productivity ratios;

share price (including, but not limited to, growth measures and total stockholder return);

expense targets;

margins;

operating efficiency;

objective measures of customer satisfaction;

working capital targets;

measures of economic value added;

inventory control; and

enterprise value.

Transferability. Each award may be exercised during the participant's lifetime only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative, and may not be otherwise transferred or encumbered by a participant other than by will or by the laws of descent and distribution. Notwithstanding the foregoing, the Compensation Committee may permit awards to be transferred to certain permitted transferees described in the 2005 Incentive Plan.

Amendment. Our 2005 Incentive Plan will have a term of ten years. Our board of directors may amend, suspend or terminate our 2005 Incentive Plan at any time; however, stockholder approval may be necessary if the law so requires. No amendment, suspension or termination will impair the rights of any participant or recipient of any award without the consent of the participant or recipient.

Table of Contents

Change in Control. In the event of a change in control (as defined in the 2005 Incentive Plan), all outstanding options and equity (other than performance compensation awards) issued under the 2005 Incentive Plan shall fully vest and performance compensation awards shall vest, as determined by the Compensation Committee, based on the level of attainment of the performance goals. The Compensation Committee may, in its discretion, cancel outstanding awards and pay the value of the awards to the participants in connection with a change in control.

U.S. Federal Income Tax Consequences.

The following is a general summary of the material U.S. federal income tax consequences of the grant and exercise of awards under the plan and the disposition of shares purchased pursuant to the exercise of such awards and is intended to reflect the current provisions of the Code and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address foreign, state, local and payroll tax considerations. Moreover, the U.S. federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant.

Options. The Code requires that, for treatment of an option as a qualified option, shares of our common stock acquired through the exercise of a qualified option cannot be disposed of before the later of (i) two years from the date of grant of the option, or (ii) one year from the date of exercise. Holders of qualified options will generally incur no federal income tax liability at the time of grant or upon exercise of those options. However, the spread at exercise will be an item of tax preference which may give rise to alternative minimum tax liability for the taxable year in which the exercise occurs. If the holder does not dispose of the shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares will constitute long term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to us for federal income tax purposes in connection with the grant or exercise of the qualified option. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares acquired through the exercise of a qualified option disposes of those shares, the participant will generally realize taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the share on the date of exercise or the amount realized on the subsequent disposition of the shares, and that amount will generally be deductible by us for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those Sections. Finally, if an otherwise qualified option becomes first exercisable in any one year for shares having an aggregate value in excess of \$100,000 (based on the grant date value), the portion of the qualified option in respect of those excess shares will be treated as a non-qualified stock option for federal income tax purposes. No income will be realized by a participant upon grant of a non-qualified stock option. Upon the exercise of a non-qualified stock option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying exercised shares over the option exercise price paid at the time of exercise. We will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock. A participant will not be subject to tax upon the grant of an award of restricted stock unless the participant otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the participant will have taxable compensation equal to the difference between the fair market value of the shares on that date over the amount the participant paid for such shares, if any, unless the participant made an election under Section 83(b) of the Code to be taxed at the time of grant. If the participant made an election under Section 83(b), the participant will have taxable compensation at the time of grant equal to the difference between the fair market value of the shares on the date of grant over the amount the participant paid for such shares, if any. (Special rules apply to the receipt and disposition of restricted shares received by officers and directors who are subject to Section 16(b) of the Securities Exchange Act of 1934.) We will be

Table of Contents

able to deduct, at the same time as it is recognized by the participant, the amount of taxable compensation to the participant for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock Units. A participant will not be subject to tax upon the grant of a restricted stock unit award. Rather, upon the delivery of shares or cash pursuant to a restricted stock unit award, the participant will have taxable compensation equal to the fair market value of the number of shares (or the amount of cash) he actually receives with respect to the award. We will be able to deduct the amount of taxable compensation to the participant for U.S. federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Section 162(m). In general, Section 162(m) of the Code denies a publicly held corporation a deduction for U.S. federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and the four other officers whose compensation is disclosed in its proxy statement, subject to certain exceptions. The 2005 Incentive Plan is intended to satisfy either an exception or applicable transitional rule requirements with respect to grants of options to covered employees. In addition, the 2005 Incentive Plan is designed to permit certain awards of restricted stock units and other awards to be awarded as performance compensation awards intended to qualify under either the performance-based compensation exception to Section 162(m) of the Code or applicable transitional rule requirements.

New Plan Benefits

As awards under the 2005 Incentive Plan are made in the full discretion of the Compensation Committee, it is not currently possible to ascertain the awards that will be made in the future to officers, executive officers and non-executive officer employees.

The expiration date of the Plan, on and after which no Awards may be granted hereunder, shall be the tenth anniversary of the Effective Date; *provided, however*, that such expiration shall not affect Awards then outstanding, and the terms and conditions of the Plan shall continue to apply to such Awards.

4. Administration

(a) The Committee shall administer the Plan. The majority of the members of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present or acts approved in writing by a majority of the Committee shall be deemed the acts of the Committee.

(e) No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award hereunder.

5. Grant of Awards; Shares Subject to the Plan

The Committee may, from time to time, grant Awards of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Stock Bonuses and/or Performance Compensation Awards to one or more Eligible Persons; *provided, however*, that:

(a) Subject to Section 13, the aggregate number of shares of Stock in respect of which Awards may be granted under the Plan is 3,200,000 shares;

(b) Shares of Stock delivered (either directly or by means of attestation) in full or partial payment of the Option Price in accordance with Section 7(b) shall be deducted from the number of shares of Stock delivered to the Participant pursuant to such Option for purposes of determining the number of shares of Stock acquired pursuant to the Plan. In accordance with (and without limitation upon) the preceding sentence, if and to the extent an Award under the Plan or the Prior Plan expires, terminates or is canceled for any reason whatsoever without the Participant having received any benefit therefrom, the shares covered by such Award shall again become available for future Awards under the Plan. In addition, Awards under the Plan that are settled in cash and Substitution Awards shall not be counted against the aggregate number of shares available for issuance. For purposes of the foregoing sentence, a Participant shall not be deemed to have received any benefit in the case of forfeited Restricted Stock Awards by reason of having enjoyed voting rights and dividend rights prior to the date of forfeiture.

(c) Stock delivered by the Company in settlement of Awards may be authorized and unissued Stock, Stock held in the treasury of the Company, Stock purchased on the open market or by private purchase, or a combination of the foregoing.

(d) Subject to Section 13, no person may be granted Options or SARs under the Plan during any calendar year with respect to more than 1,000,000 shares of Stock.

6. Eligibility

Participation shall be limited to Eligible Persons who have entered into an Award agreement or who have received written notification from the Committee, or from a person designated by the Committee, that they have been selected to participate in the Plan.

7. Options

The Committee is authorized to grant one or more Incentive Stock Options or Nonqualified Stock Options to any Eligible Person; *provided, however*, that no Incentive Stock Option shall be granted to any Eligible Person who is not an employee of the Company or a Parent or Subsidiary. Each Option so granted shall be subject to the conditions set forth in this Section 7, or to such other conditions as may be reflected in the applicable Stock Option Agreement.

(a) **Option Price.** The exercise price (Option Price) per share of Stock for each Option which is not a Substitution Award shall be set by the Committee at the time of grant but shall not be less than the Fair Market Value of a share of Stock on the Date of Grant.

(b) **Manner of Exercise and Form of Payment.** No shares of Stock shall be delivered pursuant to any exercise of an Option until payment in full of the Option Price therefor is received by the Company. Options which have become exercisable may be exercised by delivery of written notice of exercise to the Committee accompanied by payment of the Option Price. The Option Price shall be payable (i) in cash, check, cash equivalent and/or shares of Stock valued at the Fair Market Value at the time the Option is exercised (including by means of attestation of ownership of a sufficient number of shares of Stock in lieu of actual

Table of Contents

delivery of such shares to the Company); *provided*, that such shares of Stock are Mature Shares; (ii) in the discretion of the Committee, either (A) in other property having a fair market value on the date of exercise equal to the Option Price or (B) by delivering to the Committee a copy of irrevocable instructions to a stockbroker to deliver promptly to the Company an amount sufficient to pay the Option Price; or (iii) by such other method as the Committee may allow. Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in the manner described in clause (ii) or (iii) of the preceding sentence if the Committee determines that exercising an Option in such manner would violate the Sarbanes-Oxley Act of 2002, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter dealer quotation system on which the securities of the Company or any Affiliates are listed or traded.

(c) **Vesting, Option Period and Expiration.** Options shall vest and become exercisable in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the Option Period); *provided, however*, that notwithstanding any vesting dates set by the Committee, the Committee may, in its sole discretion, accelerate the exercisability of any Option, which acceleration shall not affect the terms and conditions of such Option other than with respect to exercisability. If an Option is exercisable in installments, such installments or portions thereof which become exercisable shall remain exercisable until the Option expires.

(d) **Stock Option Agreement Other Terms and Conditions.** Each Option granted under the Plan shall be evidenced by a Stock Option Agreement. Except as specifically provided otherwise in such Stock Option Agreement, each Option granted under the Plan shall be subject to the following terms and conditions:

(i) Each Option or portion thereof that is exercisable shall be exercisable for the full amount or for any part thereof.

(ii) Each share of Stock purchased through the exercise of an Option shall be paid for in full at the time of the exercise. Each Option shall cease to be exercisable, as to any share of Stock, when the Participant purchases the share or exercises a related SAR or when the Option expires.

(iii) Subject to Section 12(k), Options shall not be transferable by the Participant except by will or the laws of descent and distribution and shall be exercisable during the Participant's lifetime only by him.

(iv) Each Option shall vest and become exercisable by the Participant in accordance with the vesting schedule established by the Committee and set forth in the Stock Option Agreement.

(v) At the time of any exercise of an Option, the Committee may, in its sole discretion, require a Participant to deliver to the Committee a written representation that the shares of Stock to be acquired upon such exercise are to be acquired for investment and not for resale or with a view to the distribution thereof and any other representation deemed necessary by the Committee to ensure compliance with all applicable federal and state securities laws. Upon such a request by the Committee, delivery of such representation prior to the delivery of any shares issued upon exercise of an Option shall be a condition precedent to the right of the Participant or such other person to purchase any shares. In the event certificates for Stock are delivered under the Plan with respect to which such investment representation has been obtained, the Committee may cause a legend or legends to be placed on such certificates to make appropriate reference to such representation and to restrict transfer in the absence of compliance with applicable federal or state securities laws.

(vi) Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date he or she makes a disqualifying disposition of any Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including any sale) of such Stock before the later of (A) two years after the Date of Grant of the Incentive Stock Option or (B) one year after

the date the Participant acquired the Stock by exercising the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by it, retain possession of any Stock acquired pursuant to the exercise of an Incentive Stock Option as agent for the applicable Participant until the end of the period described in the

A-8

Table of Contents

preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Stock.

(e) **Incentive Stock Option Grants to 10% Stockholders.** Notwithstanding anything to the contrary in this Section 7, if an Incentive Stock Option is granted to a Participant who owns stock representing more than ten percent of the voting power of all classes of stock of the Company or of a Subsidiary or Parent, the Option Period shall not exceed five years from the Date of Grant of such Option and the Option Price shall be at least 110 percent of the Fair Market Value (on the Date of Grant) of the Stock subject to the Option.

(f) **\$100,000 Per Year Limitation for Incentive Stock Options.** To the extent the aggregate Fair Market Value (determined as of the Date of Grant) of Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.

8. Stock Appreciation Rights

Any Option granted under the Plan may include SARs, either at the Date of Grant or, except in the case of an Incentive Stock Option, by subsequent amendment. The Committee also may award SARs to Eligible Persons independent of any Option. A SAR shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose, including, but not limited to, the following:

(a) **Vesting, Transferability and Expiration.** A SAR granted in connection with an Option shall become exercisable, be transferable and shall expire according to the same vesting schedule, transferability rules and expiration provisions as the corresponding Option. A SAR granted independent of an Option shall become exercisable, be transferable and shall expire in accordance with a vesting schedule, transferability rules and expiration provisions as established by the Committee and reflected in an Award agreement.

(b) **Automatic Exercise.** If on the last day of the Option Period (or in the case of a SAR independent of an option, the period established by the Committee after which the SAR shall expire), the Fair Market Value exceeds the Strike Price, the Participant has not exercised the SAR or the corresponding Option, and neither the SAR nor the corresponding Option has expired, such SAR shall be deemed to have been exercised by the Participant on such last day and the Company shall make the appropriate payment therefor.

(c) **Payment.** Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR multiplied by the excess, if any, of the Fair Market Value of one share of Stock on the exercise date over the Strike Price. The Company shall pay such excess in shares of Stock valued at Fair Market Value.

(d) **Method of Exercise.** A Participant may exercise a SAR at such time or times as may be determined by the Committee at the time of grant by filing an irrevocable written notice with the Committee or its designee, specifying the number of SARs to be exercised and the date on which such SARs were awarded.

(e) **Expiration.** Except as otherwise provided in the case of SARs granted in connection with Options, a SAR shall expire on a date designated by the Committee which is not later than ten years after the Date of Grant of the SAR.

9. Restricted Stock and Restricted Stock Units

(a) **Award of Restricted Stock and Restricted Stock Units.**

(i) The Committee shall have the authority (A) to grant Restricted Stock and Restricted Stock Units to Eligible Persons, (B) to issue or transfer Restricted Stock to Participants, and (C) to establish terms, conditions and restrictions applicable to such Restricted Stock and Restricted Stock Units, including the Restricted Period, as applicable, which may differ with respect to each grantee, the time or

Table of Contents

times at which Restricted Stock or Restricted Stock Units shall be granted or become vested and the number of shares or units to be covered by each grant.

(ii) Each Participant granted Restricted Stock shall execute and deliver to the Company an Award agreement with respect to the Restricted Stock setting forth the restrictions and other terms and conditions applicable to such Restricted Stock. If the Committee determines that the Restricted Stock shall be held in escrow rather than delivered to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (A) an escrow agreement satisfactory to the Committee and (B) the appropriate blank stock powers with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and stock powers, the Award shall be null and void. Subject to the restrictions set forth in Section 9(b), the Participant generally shall have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock. At the discretion of the Committee, cash dividends and stock dividends with respect to the Restricted Stock may be either currently paid to the Participant or withheld by the Company for the Participant's account, and interest may be credited on the amount of dividends withheld at a rate and subject to such terms as determined by the Committee. The cash dividends or stock dividends so withheld by the Committee and attributable to any particular share of Restricted Stock (and earnings thereon, if applicable) shall be distributed to the Participant in cash or, at the discretion of the Committee, in shares of Stock having a Fair Market Value equal to the amount of such dividends and earnings, if applicable, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such cash dividends, stock dividends or earnings.

(iii) Upon the grant of Restricted Stock, the Committee shall cause a stock certificate registered in the name of the Participant to be issued and, if it so determines, deposited together with the stock powers with an escrow agent designated by the Committee. If an escrow arrangement is used, the Committee may cause the escrow agent to issue to the Participant a receipt evidencing any stock certificate held by it, registered in the name of the Participant.

(iv) The terms and conditions of a grant of Restricted Stock Units shall be reflected in a written Award agreement. No shares of Stock shall be issued at the time a Restricted Stock Unit is granted, and the Company will not be required to set aside a fund for the payment of any such Award. At the discretion of the Committee, each Restricted Stock Unit (representing one share of Stock) may be credited with cash and stock dividends paid by the Company in respect of one share of Stock (Dividend Equivalents). At the discretion of the Committee, Dividend Equivalents may be either currently paid to the Participant or withheld by the Company for the Participant's account, and interest may be credited on the amount of cash Dividend Equivalents withheld at a rate and subject to such terms as determined by the Committee. Dividend Equivalents credited to a Participant's account and attributable to any particular Restricted Stock Unit (and earnings thereon, if applicable) shall be distributed in cash or, at the discretion of the Committee, in shares of Stock having a Fair Market Value equal to the amount of such Dividend Equivalents and earnings, if applicable, to the Participant upon settlement of such Restricted Stock Unit and, if such Restricted Stock Unit is forfeited, the Participant shall have no right to such Dividend Equivalents.

(b) Restrictions.

(i) Restricted Stock awarded to a Participant shall be subject to the following restrictions until the expiration of the Restricted Period, and to such other terms and conditions as may be set forth in the applicable Award agreement: (A) if an escrow arrangement is used, the Participant shall not be entitled to delivery of the stock certificate; (B) the shares shall be subject to the restrictions on transferability set forth in the Award agreement; (C) the shares shall be subject to forfeiture to the extent provided in Section 9(d) and the applicable Award agreement; and (D) to the extent such shares are forfeited, the stock certificates shall be returned to the Company, and all rights of the Participant to such shares and as a shareholder shall terminate without further obligation on the part of the Company.

Table of Contents

(ii) Restricted Stock Units awarded to any Participant shall be subject to (A) forfeiture until the expiration of the Restricted Period, and satisfaction of any applicable Performance Goals during such period, to the extent provided in the applicable Award agreement, and to the extent such Restricted Stock Units are forfeited, all rights of the Participant to such Restricted Stock Units shall terminate without further obligation on the part of the Company and (B) such other terms and conditions as may be set forth in the applicable Award agreement.

(iii) The Committee shall have the authority to remove any or all of the restrictions on the Restricted Stock and Restricted Stock Units whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the date of the Restricted Stock or Restricted Stock Units are granted, such action is appropriate.

(c) **Restricted Period.** The Restricted Period of Restricted Stock and Restricted Stock Units shall commence on the Date of Grant and shall expire from time to time as to that part of the Restricted Stock and Restricted Stock Units indicated in a schedule established by the Committee in the applicable Award agreement.

(d) **Delivery of Restricted Stock and Settlement of Restricted Stock Units.** Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in Section 9(b) and the applicable Award agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award agreement. If an escrow arrangement is used, upon such expiration, the Company shall deliver to the Participant, or his beneficiary, without charge, the stock certificate evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (to the nearest full share) and any cash dividends or stock dividends credited to the Participant's account with respect to such Restricted Stock and the interest thereon, if any.

Upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his beneficiary, without charge, one share of Stock for each such outstanding Restricted Stock Unit (Vested Unit) and cash equal to any Dividend Equivalents credited with respect to each such Vested Unit in accordance with Section 9(a)(iv) hereof and the interest thereon or, at the discretion of the Committee, in shares of Stock having a Fair Market Value equal to such Dividend Equivalents and interest thereon, if any; *provided, however*, that, if explicitly provided in the applicable Award agreement, the Committee may, in its sole discretion, elect to (i) pay cash or part cash and part Stock in lieu of delivering only shares of Stock for Vested Units or (ii) delay the delivery of Stock (or cash or part Stock and part cash, as the case may be) beyond the expiration of the Restricted Period. If a cash payment is made in lieu of delivering shares of Stock, the amount of such payment shall be equal to the Fair Market Value of the Stock as of the date on which the Restricted Period lapsed with respect to such Vested Unit.

(e) **Stock Restrictions.** Each certificate representing Restricted Stock awarded under the Plan shall bear a legend substantially in the form of the following until the lapse of all restrictions with respect to such Stock as well as any other information the Company deems appropriate:

Transfer of this certificate and the shares represented hereby is restricted pursuant to the terms of the SpectraSite, Inc. 2005 Incentive Plan and a Restricted Stock Purchase and Award Agreement, dated as of _____, between SpectraSite, Inc. and _____. A copy of such Plan and Agreement is on file at the offices of SpectraSite, Inc.

Stop transfer orders shall be entered with the Company's transfer agent and registrar against the transfer of legended securities.

10. Stock Bonus Awards

The Committee may issue unrestricted Stock, or other Awards denominated in Stock, under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts and subject to such terms and conditions as the Committee shall from time to time in its sole discretion determine. A Stock Bonus Award under the Plan shall be granted as, or in payment of, a bonus, or to provide incentives or recognize special achievements or contributions.

Table of Contents**11. Performance Compensation Awards**

(a) **General.** The Committee shall have the authority, at the time of grant of any Award described in Sections 7 through 10 (other than Options and Stock Appreciation Rights granted with an exercise price or grant price, as the case may be, equal to or greater than the Fair Market Value per share of Stock on the date of grant), to designate such Award as a Performance Compensation Award in order to qualify such Award as performance-based compensation under Section 162(m) of the Code. In addition, the Committee shall have the authority to make an award of a cash bonus to any Participant and designate such Award as a Performance Compensation Award in order to qualify such Award as performance-based compensation under Section 162(m).

(b) **Eligibility.** The Committee will, in its sole discretion, designate which Participants will be eligible to receive Performance Compensation Awards in respect of such Performance Period. However, designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Performance Compensation Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Performance Compensation Award shall be decided solely in accordance with the provisions of this Section 11. Moreover, designation of a Participant eligible to receive an Award hereunder for a particular Performance Period shall not require designation of such Participant eligible to receive an Award hereunder in any subsequent Performance Period and designation of one person as a Participant eligible to receive an Award hereunder shall not require designation of any other person as a Participant eligible to receive an Award hereunder in such period or in any other period.

(c) **Discretion of Committee with Respect to Performance Compensation Awards.** With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period (provided any such Performance Period shall be not less than one (1) year in duration), the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is(are) to apply to the Company and the Performance Formula. Within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence of this Section 11(c) and record the same in writing.

(d) Payment of Performance Compensation Awards

(i) **Condition to Receipt of Payment.** Unless otherwise provided in the applicable Award agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) **Limitation.** A Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) the Performance Formula as applied against such Performance Goals determines that all or some portion of such Participant's Performance Award has been earned for the Performance Period.

(iii) **Certification.** Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the actual size of each Participant's Performance Compensation Award for the Performance Period and, in so doing, may apply Negative Discretion in accordance with Section 11(d)(iv) hereof, if and when it deems appropriate.

(iv) **Use of Discretion.** In determining the actual size of an individual Performance Award for a Performance Period, the Committee may reduce or eliminate the amount of the Performance Compensation Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate. The Committee

Table of Contents

shall not have the discretion to (a) grant or provide payment in respect of Performance Compensation Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained; or (b) increase a Performance Compensation Award above the maximum amount payable under Section 5(a) or Section 11(d)(vi) of the Plan.

(v) **Timing of Award Payments.** Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 11.

(vi) **Maximum Award Payable.** Notwithstanding any provision contained in this Plan to the contrary, the maximum Performance Compensation Award payable to any one Participant under the Plan for a Performance Period is 1,000,000 shares of Stock or, in the event such Performance Compensation Award is paid in cash, the equivalent cash value thereof on the first or last day of the Performance Period to which such Award relates, as determined by the Committee. The maximum amount that can be paid in any calendar year to any Participant pursuant to a cash bonus Award described in the last sentence of Section 11(a) shall be \$2,000,000. Furthermore, any Performance Compensation Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (A) with respect to Performance Compensation Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Committee or (B) with respect to a Performance Compensation Award that is payable in shares of Stock, by an amount greater than the appreciation of a share of Stock from the date such Award is deferred to the payment date.

12. General

(a) **Additional Provisions of an Award.** Awards to a Participant under the Plan also may be subject to such other provisions (whether or not applicable to Awards granted to any other Participant) as the Committee determines appropriate, including, without limitation, provisions (in addition to those provisions of Section 9 providing for the payment of dividends with respect to Restricted Stock and Dividend Equivalents with respect to Restricted Stock Units) adding dividend equivalent rights or other protections to Participants in respect of dividends paid on Stock underlying any Award, provisions for the forfeiture of or restrictions on resale or other disposition of shares of Stock acquired under any Award, provisions giving the Company the right to repurchase shares of Stock acquired under any Award in the event the Participant elects to dispose of such shares, provisions allowing the Participant to elect to defer the receipt of payment in respect of Awards for a specified period or until a specified event, and provisions to comply with Federal and state securities laws and Federal and state tax withholding requirements; provided, however, that any such deferral does not result in acceleration of taxability of an Award prior to receipt, or tax penalties, under Section 409A of the Code. Any such provisions shall be reflected in the applicable Award agreement.

(b) **Privileges of Stock Ownership.** Except as otherwise specifically provided in the Plan, no person shall be entitled to the privileges of ownership in respect of shares of Stock which are subject to Awards hereunder until such shares have been issued to that person.

(c) **Government and Other Regulations.** The obligation of the Company to settle Awards in Stock shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Stock to be offered or sold under the Plan. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company

may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

(d) Tax Withholding.

(i) A Participant may be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any shares of Stock or other property deliverable under any Award or from any compensation or other amounts owing to a Participant, the amount (in cash, Stock or other property) of any required income tax withholding and payroll taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such withholding and taxes.

(ii) Without limiting the generality of clause (i) above, the Committee may, in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability (but no more than the minimum required withholding liability) by (A) the delivery of Mature Shares owned by the Participant having a Fair Market Value equal to such withholding liability or (B) having the Company withhold from the number of shares of Stock otherwise issuable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability.

(e) **Claim to Awards and Employment Rights.** No employee of the Company or an Affiliate, or other person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or an Affiliate.

(f) **Designation and Change of Beneficiary.** Each Participant may file with the Committee a written designation of one or more persons as the beneficiary who shall be entitled to receive the amounts payable with respect to an Award, if any, due under the Plan upon his death. A Participant may, from time to time, revoke or change his beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; *provided, however*, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by a Participant, the beneficiary shall be deemed to be his or her spouse or, if the Participant is unmarried at the time of death, his or her estate.

(g) **Payments to Persons Other Than Participants.** If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(h) **No Liability of Committee Members.** No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Committee nor for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or willful bad faith; *provided, however*, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Table of Contents

(i) **Governing Law.** The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and performed wholly within the State of Delaware.

(j) **Funding.** No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

(k) **Nontransferability.**

(i) Each Award shall be exercisable only by a Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards other than Incentive Stock Options to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award agreement to preserve the purposes of the Plan, to:

(A) any person who is a family member of the Participant, as such term is used in the instructions to Form S-8 (collectively, the Immediate Family Members);

(B) a trust solely for the benefit of the Participant and his or her Immediate Family Members;

(C) a partnership or limited liability company whose only partners or shareholders are the Participant and his or her Immediate Family Members; or

(D) any other transferee as may be approved either (a) by the Board or the Committee in its sole discretion, or (b) as provided in the applicable Award agreement;

(each transferee described in clauses (A), (B), (C) and (D) above is hereinafter referred to as a Permitted Transferee); provided that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with the immediately preceding sentence shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the shares of Stock to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award agreement, that such a registration statement is necessary or appropriate; (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (D) the consequences of the termination of the Participant's employment by, or services to, the Company or an Affiliate under the terms of the Plan and the applicable Award agreement shall continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award agreement.

(l) **Reliance on Reports.** Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent public accountant of the Company and its Affiliates and/or any other information furnished in connection with the Plan by any person or persons other than himself.

(m) **Relationship to Other Benefits.** No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan.

(n) **Expenses.** The expenses of administering the Plan shall be borne by the Company and Affiliates.

(o) **Pronouns.** Masculine pronouns and other words of masculine gender shall refer to both men and women.

(p) **Titles and Headings.** The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.

(q) **Termination of Employment.** Unless an applicable Award agreement provides otherwise, for purposes of the Plan a person who transfers from employment or service with the Company to employment or service with an Affiliate or vice versa shall not be deemed to have terminated employment or service with the Company or an Affiliate.

(r) **Severability.** If any provision of the Plan or any Award agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

13. Changes in Capital Structure

Awards granted under the Plan and any agreements evidencing such Awards, the maximum number of shares of Stock subject to all Awards stated in Section 5(a) and the maximum number of shares of Stock with respect to which any one person may be granted Awards during any period stated in Sections 5(d) or 11(d)(vi) shall be subject to adjustment or substitution, as determined by the Committee in its sole discretion, as to the number, price or kind of a share of Stock or other consideration subject to such Awards or as otherwise determined by the Committee to be equitable (i) in the event of changes in the outstanding Stock or in the capital structure of the Company by reason of stock or extraordinary cash dividends, stock splits, reverse stock splits, recapitalization, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the Date of Grant of any such Award or (ii) in the event of any change in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, Participants, or which otherwise warrants equitable adjustment because it interferes with the intended operation of the Plan. Any adjustment in Incentive Stock Options under this Section 13 shall be made only to the extent not constituting a modification within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 13 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. Further, with respect to Awards intended to qualify as performance-based compensation under Section 162(m) of the Code, such adjustments or substitutions shall be made only to the extent that the Committee determines that such adjustments or substitutions may be made without causing the Company to be denied a tax deduction on account of Section 162(m) of the Code. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

Notwithstanding the above, in the event of any of the following:

A. The Company is merged or consolidated with another corporation or entity and, in connection therewith, consideration is received by shareholders of the Company in a form other than stock or other equity interests of the surviving entity;

B. All or substantially all of the assets of the Company are acquired by another person;

C. The reorganization or liquidation of the Company; or

D. The Company shall enter into a written agreement to undergo an event described in clauses A, B or C above,

then the Committee may, in its discretion and upon at least 10 days advance notice to the affected persons, cancel any outstanding Awards and cause the holders thereof to be paid, in cash or stock, or any combination thereof, the value of such Awards based upon the price per share of Stock received or to be received by other shareholders of the Company in the event. The terms of this Section 13 may be varied by the Committee in any particular Award agreement.

14. Effect of Change in Control

(a) Except to the extent provided in a particular Award agreement:

(i) In the event of a Change in Control, notwithstanding any provision of the Plan to the contrary, all Options and SARs shall become immediately exercisable with respect to 100 percent of the shares subject to such Option or SAR, and the Restricted Period shall expire immediately with respect to 100 percent of such shares of Restricted Stock or Restricted Stock Units (including a waiver of any applicable Performance Goals) and, to the extent practicable, such acceleration of exercisability and expiration of the Restricted Period (as applicable) shall occur in a manner and at a time which allows affected Participants the ability to participate in the Change in Control transaction with respect to the Stock subject to their Awards.

(ii) In the event of a Change in Control, all incomplete Performance Periods in effect on the date the Change in Control occurs shall end on the date of such change, and the Committee shall (A) determine the extent to which Performance Goals with respect to each such Award Period have been met based upon such audited or unaudited financial information then available as it deems relevant, (B) cause to be paid to each Participant partial or full Awards with respect to Performance Goals for each such Award Period based upon the Committee's determination of the degree of attainment of Performance Goals which Awards may be adjusted, at the discretion of the Committee, to reflect the portion of the Award Period occurring before such Change in Control, and (C) cause all previously deferred Awards to be settled in full as soon as possible, provided, however, that any such payment does not result in acceleration of taxability of an Award prior to receipt, or tax penalties, under Section 409A of the Code.

(b) In addition, in the event of a Change in Control, the Committee may in its discretion and upon at least 10 days advance notice to the affected persons, cancel any outstanding Awards and pay to the holders thereof, in cash or stock, or any combination thereof, the value of such Awards based upon the price per share of Stock received or to be received by other shareholders of the Company in the event.

(c) The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company. The Company agrees that it will make appropriate provisions for the preservation of Participants' rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

Table of Contents**15. Nonexclusivity of the Plan**

Neither the adoption of this Plan by the Board nor the submission of this Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either applicable generally or only in specific cases.

16. Amendments and Termination

(a) **Amendment and Termination of the Plan.** The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided*, that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including as necessary to comply with any applicable stock exchange listing requirement or to prevent the Company from being denied a tax deduction on account of Section 162(m) of the Code); and *provided, further*, that any such amendment, alteration, suspension, discontinuance or termination that would impair the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. The expiration date of the Plan is the tenth anniversary of the Effective Date, as described in Section 3 of the Plan.

(b) **Amendment of Award Agreements.** The Committee may, to the extent consistent with the terms of any applicable Award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award agreement, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would impair the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary; and *provided, further*, that, without stockholder approval, (i) no amendment or modification may reduce the Option Price of any Option or the Strike Price of any SAR, (ii) the Committee may not cancel any outstanding Option or SAR and replace it with a new Option or SAR (with a lower Option Price or Strike Price, as the case may be) in a manner which would either (A) be reportable on the Company's proxy statement as Options which have been repriced (as such term is used in Item 402 of Regulation S-K promulgated under the Exchange Act), or (B) result in any repricing for financial statement reporting purposes and (iii) the Committee may not take any other action which is considered a repricing for purposes of the shareholder approval rules of any applicable stock exchange.

(c) Section 162(m) Reapproval

The provisions of the Plan regarding Performance Compensation Awards shall be disclosed and reapproved by stockholders of the Company no later than the first stockholder meeting that occurs in the fifth year following the year that stockholders previously approved such provisions, in order for Performance Compensation Awards granted after such time to be exempt from the deduction limitations of Section 162(m) of the Code. Nothing in this Section 16(c), however, shall affect the validity of Performance Compensation Awards granted after such time if such stockholder approval has not been sought.

The primary objective of the audit committee (the **Audit Committee**) of the Board of Directors (the **Board**) of SpectraSite, Inc. (the **Company**) shall be to assist the Board in fulfilling its oversight responsibilities with respect to (i) the financial statements and other financial information provided by the Company to its stockholders, the public and others, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence and (iv) the performance of the Company's internal audit function and independent auditors. The Audit Committee shall also prepare the annual report referred to in item 12 of part IV below.

Although the Audit Committee has the powers and responsibilities set forth in this Charter, the role of the Audit Committee is oversight. None of the members of the Audit Committee are employees of the Company and all of the members of the Audit Committee are financially literate or will become financially literate within a reasonable period of time after appointment to the Audit Committee. At least one of the members shall have accounting or related financial management expertise.

It is not the duty of the Audit Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditors.

II. Organization

The Audit Committee shall consist entirely of at least three independent directors in accordance with the requirements of the United States Securities and Exchange Commission (the **SEC**), any applicable self regulatory organization and other applicable regulatory requirements. Nothing in this Charter, however, shall in and of itself require that any or all of the members of the Audit Committee be an audit committee financial expert, as that term is defined in Item 401 to SEC Regulation S-K (17 CFR 228.401).

The members of the Audit Committee shall be appointed by the Board.

III. Meetings

The Audit Committee shall meet at least four times per year on a quarterly basis, or more frequently as circumstances require. As part of its responsibility to foster open communication, the Audit Committee shall meet at least quarterly with management, the chief internal auditor and the independent auditors in such separate executive sessions as the Audit Committee determines are necessary to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

IV. Authority and Responsibilities

In recognition of the fact that the independent auditors are ultimately accountable to the Audit Committee, the Audit Committee shall have the sole authority and responsibility to select, retain, evaluate, compensate and, where appropriate, replace the independent auditors, and shall approve all audit engagement fees and terms and all non-audit engagements with the independent auditors. The Audit Committee may consult in these matters with management and the internal audit group but shall not delegate these responsibilities.

To fulfill its responsibilities, the Audit Committee shall:

With respect to the independent auditors:

1. Be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors (including resolution of disagreements between management and the indepen-

dent auditors regarding financial reporting) for the purpose of preparing the audit report or related work or performing other audit, review or attest services.

2. Have the sole authority to review in advance, and grant any appropriate pre-approvals, of (a) all auditing, review or attest services to be provided by the independent auditors and (b) all non-audit services to be provided by the independent auditors as permitted by Section 10A of the Securities Exchange Act and applicable rules thereunder, and, in connection therewith, to approve all fees and other terms of engagement. The Audit Committee shall also discuss disclosures required to be included in Securities and Exchange Commission periodic reports filed under Section 13(a) of the Securities Exchange Act with respect to non-audit services.

3. Review on an annual basis the performance of the independent auditors, including the lead audit partner.

4. Ensure that the independent auditors submit to the Audit Committee on an annual basis a written statement consistent with Independent Standards Board Standard No. 1, discuss with the independent auditors any relationships, compensation arrangements or services that may impact the objectivity and independence of the independent auditors and satisfy itself as to the independent auditors' independence.

5.
