Item 1.01 Entry Into a Material Definitive Agreement

On May 16, 2006, the Board of Directors of Seacoast Banking Corporation of Florida (the Company) adopted a new executive compensation program (the Compensation Program) pursuant to which it will grant awards to certain executives, including Dennis S. Hudson, III, Chairman of the Board and Chief Executive Officer, A. Douglas Gilbert, President and Chief Operating Officer, William R. Hahl, Executive Vice President and Chief Financial Officer, and O. Jean Strickland, Senior Executive President, (the Named Executive Officers). The material terms of the Compensation Program are as follows.

Purpose and Participants. The Compensation Program provides a framework for annual grants of restricted stock and stock appreciation rights under the Company s 2000 Long-Term Incentive Plan (the 2000 Plan) to eligible employees of the Company. Participants in the Compensation Program will be classified into tiers, which will represent a group of executives whose position and responsibility are similar. The tiers of officers are as follows:

- Tier 1 Senior Executive Management Group (EMG)
- Tier 2 EMG/Regional Presidents
- Tier 3 EMG/Line and Support Executives
- Tier 4 Senior Managers and Division Heads
- Tier 5 Key Contributors

The Named Executive Officers are participants under Tier 1.

Awards. The Compensation Program provides for the grant of equity awards to officers with Tiers 1-4, depending on the financial performance of the Company. The Salary and Benefits Committee will establish financial performance goals, upon which the size of the equity award, if any, will be determined. The target and maximum amounts of the equity awards that each participant may receive will be based upon a percentage his or her base compensation, as follows:

| | <i>Target Award</i> | <i>Maximum Award</i> |
|--------|-------------------------|--------------------------|
| Tier 1 | 40% | 80% |
| Tier 2 | 30% | 60% |
| Tier 3 | 25% | 50% |
| Tier 4 | 20% | 40% |

Annual awards under the new compensation program will be paid to participants in the form of restricted stock, stock appreciation rights, or both, at the participant s election. Participants may elect to receive one of the following: (i) 100% restricted stock, (ii) 100% stock appreciation rights, or (iii) 50% restricted stock and 50% stock appreciation rights. Any equity awards that are earned will be granted in or about the first quarter of 2007, after the Salary and Benefits Committee has evaluated the Company s performance against its goals and determined the size of resulting awards. Such awards will be granted pursuant to the terms and conditions of the 2000 Plan, and the awards will vest as to 20% of the shares each year beginning on the second anniversary of the date of grant. Vesting will accelerate in full in the event of the participant s death or disability, or upon the occurrence of a change of control of the Company. All stock appreciation rights will be settled in shares of Company common stock.

The form of Restricted Stock Agreement and the form of Stock-Appreciation Rights Agreement that will be used for these awards are filed as Exhibits 10.1 and 10.2 to this Form 8-K, and incorporated by reference herein.

Bonus Stock Matching Program. The Compensation Program also provides for a bonus stock matching program. Under this program, participants may elect to use a percentage of his or her annual cash bonus, if any, to purchase shares of Company common stock. If the participant makes such an election, the Company will match a percentage of the shares purchased with the participant's cash bonus by granting the participant an award of restricted stock under the 2000 Plan. Officers within Tiers 1-5 are eligible for participation in the bonus stock matching program. The maximum percentage of the annual cash bonus that such officers may use to purchase common stock, and the percentage of the Company match, is described below.

| | <i>Percentage of Annual Cash Bonus</i> | <i>Company Match in Restricted Stock</i> |
|--------|--|--|
| Tier 1 | 50% | 50% |
| Tier 2 | 30% | 50% |
| Tier 3 | 30% | 50% |
| Tier 4 | 25% | 50% |
| Tier 5 | 25% | 100% |

Stock Ownership Guidelines. As part of the Compensation Program, the Board also established new stock ownership guidelines for its officers and directors, as described below.

| | <i>Stock Ownership</i> |
|------------------|-------------------------|
| Tier 1 | 3 times annual salary |
| Tier 2 | 2 times annual salary |
| Tier 3 | 2 times annual salary |
| Tier 4 | 1 times annual salary |
| Board Members | 5 times annual retainer |

Equity Awards for 2005 Performance On May 16, 2006, the Board also authorized equity awards to certain of the Company's named executive officers. These awards were made pursuant to and subject to the provisions of the 2000 Plan, and each officer may elect either 100% restricted stock (RS), stock-settled stock-appreciation rights (SSARs), or a combination of both.

The following executive officers received grants:

| <i>Name</i> | <i>Number of Award to be Received Based on Participant's Election</i> | | | |
|-----------------------|---|-----------------------|--|-------|
| | <i>100% RS</i> | <i>100% SSARs</i> | <i>Combination of Both SSARs RS</i> | |
