Explanatory Note

On March 29, 2007, Goodrich Corporation (the Company) filed a Form 8-K providing reclassified information about the January 1, 2007 reorganization of our businesses. The Company has determined that the originally filed unaudited financial schedules did not reflect the appropriate classification of certain costs between the business segments resulting from the organization changes that occurred in the first quarter of 2007. This Form 8-K/A amends the following items included in the financial schedules contained in Exhibit 99.1: segment operating income and segment operating income as a percent of sales for Actuation and Landing Systems and Electronic Systems for the first and second quarters and full-year 2006; and the segment operating income and segment operating income as a percent of sales for Nacelles and Interior Systems and Actuation and Landing Systems for the fourth quarter and full year 2006.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

The following exhibit is being filed with this Current Report on Form 8-K:
