- b. Seller's execution, delivery, and performance of this Agreement has not resulted and will not result in a breach or violation of any provision of (i) such Seller's organizational documents, (ii) any statute, law, writ, order, rule or regulation of any governmental authority applicable to such Seller, (iii) any judgment, injunction, decree or determination applicable to such Seller or (iv) any contract, indenture, mortgage, loan agreement, note, lease or other agreement, document or instrument to which such Seller may be a party, by which such Seller may be bound or to which any of the assets of such Seller is subject.
- c. (i) This Agreement (A) has been duly and validly authorized, executed and delivered by such Seller and (B) is the legal, valid and binding obligation of such Seller, enforceable against such Seller in accordance with its terms, except that such enforceability against such Seller may be limited by bankruptcy, insolvency, or other similar laws of general applicability affecting the enforcement of creditors' rights generally and by the court's discretion in relation to equitable remedies; and

- i. Seller (i) is a sophisticated seller with respect to the sale of the Shares, (ii) has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of the Shares and (iii) has independently and without reliance upon Purchaser, and based on such information as such Seller has deemed appropriate, made its own analysis and decision to enter into this Agreement. - k. No restrictions exist under the Securities Act of 1933, as amended (the Act) or otherwise which prevent or limit the sale of the Shares in accordance with the terms of this Agreement. Seller has not made any offers to sell, or solicitations of any offers to buy, all or any portion of the Shares in violation of any applicable securities laws.

- l. Seller is not a party to, or bound by, any document or agreement that could materially and adversely affect the Shares or Purchaser rights and remedies under this Agreement.
 - m. To the best of Seller's knowledge, neither Seller nor anyone acting on its behalf has taken any action which could subject the sale of the Shares to Section 5 of the Act.
 - n. Seller is fully aware that, with regard to the sale of the Shares, the Purchaser is relying upon the truth and accuracy of these representations and warranties.
 - o. The Shares transferred to Purchaser hereunder are being delivered pursuant to an effective registration statement on Form S-3 (the Registration Statement) and Seller has complied with all prospectus delivery and other requirements set forth in the Registration Statement required to deliver to Seller unrestricted and freely tradable Shares.

 - d. The Shares were not offered or sold to Purchaser by any form of general solicitation or general advertising.
 - e. Purchaser acknowledges that it has conducted, to the extent it deemed necessary, an independent investigation of such matters, and has had the opportunity to receive such information as, in its judgment, is necessary for it to make an informed investment decision, and has not relied upon the Seller for any investigation or assessment to evaluate the transaction contemplated hereby.

f. The Purchaser is fully aware that, with regard to the sale of the Shares, the Seller is relying upon the truth and accuracy of these representations and warranties.

5. Indemnification.

a. Seller agrees to indemnify and hold the Purchaser harmless against and in respect of any and all damages, losses, liabilities, obligations, costs and expenses (including reasonable attorney's fees) (collectively "Damages") that the Purchaser may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Seller set forth herein (notwithstanding any investigation or verifications made by or on behalf of the Purchaser).
