This proxy statement was first mailed on December 16, 2005 to shareholders of record on December 5, 2005.

Any shareholder giving a proxy for the meeting may revoke it before it is exercised by giving a later dated proxy or by giving notice of revocation to the Company in writing before or at the 2006 Annual Meeting. Officers, directors and greater than ten (10) percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16 (a) forms they file.

Based solely upon a review of Forms 3, 4 and 5 furnished to the Company during, or with respect to, 2005, no director, officer, beneficial owner of more than ten (10) percent of its outstanding common stock or any other person subject to Section 16 (a) of the Exchange Act failed to file on a timely basis during 2005 any reports required by 16 (a) of the Exchange Act, except that one (1) officer made a single late filing with respect to a stock option exercise.

**ORGANIZATION AND COMPENSATION OF THE BOARD OF DIRECTORS**

The Company's Board of Directors held four (4) regularly scheduled meetings during the last fiscal year. The Board of Directors' standing committees are the Audit, Compensation, and Governance Committees. During fiscal 2005 each director attended at least 75% of the total number of meetings of the Board and the committees on which he or she served. SIFCO's independent directors meet at each regularly scheduled Board meeting.

The functions of the Audit Committee are to select, subject to shareholder ratification, the Company's independent auditor; to approve all non-audit related services performed by the Company's independent auditor; to determine the scope of the audit; to discuss any special problems that may arise during the course of the audit; and to review the audit and its findings for the purpose of reporting to the Board of Directors. The members of the Audit Committee are all independent directors as defined in Section 121A of The AMEX Listing Standards, Policies and Requirements. Each member of the Audit committee is financially literate with at least one experienced in finance and accounting. The Audit Committee, currently composed of M. S. Lipscomb (Chairperson), A. L. Reitman, P. C. Miller, Jr. and J. D. Whelan, held two (2) meetings during the last fiscal year. The Audit Committee operates under a written charter that was filed with the Securities and Exchange Commission on December 17, 2004, as Exhibit A to the Proxy Statement dated December 17, 2004.

The function of the Compensation Committee is to review and recommend the compensation of directors and officers of the Company, including the granting of stock options and the number of shares that should be subject to each option so granted. The Compensation Committee, currently composed of J. D. Whelan (Chairperson), M. S. Lipscomb, A. L. Reitman and P. C. Miller, Jr., held two (2) meetings during the last fiscal year.

The function of the Governance Committee is to recommend candidates for the Board of Directors and address issues relating to senior management performance and succession, and to the composition and procedures of the Board. The Governance Committee is currently composed of M. S. Lipscomb, A. L. Reitman, J. D. Whelan and P. C. Miller, Jr. The members of the Governance Committee

are all independent directors as defined in Section 121A of the AMEX Listing Standards, Policies and Requirements. The Governance Committee did not hold any formal meetings during the last fiscal year; however, its function was fulfilled during sessions of the full Board of Directors. The Governance Committee operates under a written charter that was filed with the Securities and Exchange Commission on December 17, 2004, as Exhibit B to the Proxy Statement dated December 17, 2004. In its role as the nominating body for the Board, the Governance Committee reviews the credentials of potential director candidates (including potential candidates recommended by shareholders), conducts interviews and makes formal recommendations to the Board for the annual and any interim election of directors. In making its recommendations, the Governance Committee considers a variety of factors, including skills, independence, background, experience, diversity and compatibility with existing Board members. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Governance Committee may also consider such other factors as it deems appropriate in the best interests of the Company and its shareholders.

The Governance Committee will consider shareholder nominations for directors at any time. Any shareholder desiring to have a nominee considered by the Governance Committee should submit such recommendation in writing to a member of the Governance Committee or the Secretary of the Company, c/o SIFCO Industries, Inc., 970 East 64<sup>th</sup> Street, Cleveland, OH 44103. The recommendation letter should include the shareholder's own name, address and the number of shares owned and the candidate's name, age, business address, residence address, and principal occupation, as well as the number of shares the candidate owns. The letter should provide all of the information that would need to be disclosed in the solicitation of proxies for the election of directors under federal securities laws. Finally, the shareholder should also submit the recommended candidate's written consent to be elected and commitment to serve if elected. The Company may also require a candidate to furnish additional information regarding his or her eligibility and qualifications.

For fiscal 2005, each director (other than directors who are employed by the Company) received an annual retainer fee of \$12,000 and an attendance fee of \$2,000 per Board of Directors meeting and \$1,000 per committee meeting. Committee Chairpersons received an additional \$3,000 annual retainer for such service.

Mr. Smith received payments of \$114,700 during fiscal 2005 under such Separation Agreement. **Defined Benefit Pension Plans**

The amounts stated in the foregoing Summary Compensation Table do not include amounts paid by the Company for purposes of funding the Company's non-contributory pension plan. Mr. J. P. Gotschall and Mr. F. A. Cappello participate on the same basis as other salaried employees in a qualified, non-contributory pension plan known as SIFCO Industries, Inc. Salaried Retirement Plan (the

**Table of Contents**

Retirement Plan ). Mr. T. V. Crean participates in the SIFCO Turbine Components Limited Pension Plan (the STCL Plan ), which is described later in this section.

The Summary Compensation Table on page 7 includes both base salary and incentive compensation. Benefits payable under the Retirement Plan are calculated using only base salary. Under the terms of the Retirement Plan, as amended March 1, 2003 to cease the accrual of future retirement benefits as of that date, the amount of normal annual retirement benefit payable to a participating employee is generally based upon (i) years of service with the Company prior to normal retirement date but limited to service through March 1, 2003; (ii) final average earnings (average base salary during the 60 consecutive month period, within the 120 month period preceding March 1, 2003, during which the total amount of base salary was the highest); and (iii) average Social Security covered compensation. For an employee retiring with 25 years of service or less as of March 1, 2003, the benefit is equal to 2.144% of final average earnings minus .625% of average Social Security covered compensation multiplied by years of service up to 25 years. If an employee has more than 25 years of service as of March 1, 2003, the benefit is increased by 1.25% of final average earnings multiplied by his years of service in excess of 25 years. The amount so determined is payable in the form of a single life annuity or a lump sum payment. Under the Internal Revenue Code, the maximum annual benefit payable under the Retirement Plan to covered employees is limited to \$170,000 per year for 2005. In addition, the maximum amount of final average earnings used to compute benefits under the Retirement Plan is limited by the Internal Revenue Code. Therefore, in response to such limitations, the Company established a non-qualified Supplemental Executive Retirement Plan ( SERP ) to provide covered employees with a benefit amount equal to what they would have been entitled to receive under the Retirement Plan, as of March 1, 2003, if no such limitations existed.

The estimated annual retirement benefit under the combined plans for each participant is based upon the base salary at March 1, 2003, the date on which benefits under the Retirement Plan and SERP ceased to accrue for all participants. The following table shows estimated combined annual benefits payable upon retirement under the Retirement Plan and the SERP.

P. Gotschall \$132,598 (29.7 years) and Mr. F. A. Cappello \$7,755 (3.1 years). Total pension expense related to the Retirement Plan and SERP for fiscal year 2005 was \$54,395.

Mr. T. V. Crean participates in the STCL Plan. This is a contributory plan for employees of the Company's Irish subsidiary, SIFCO Turbine Components Limited (STCL). Under the STCL Plan, the employee and STCL each pay 50% of retirement benefits. Other costs such as life insurance are borne by STCL.

Under the terms of the STCL Plan, the amount of normal annual retirement benefits payable to a participating employee is generally based upon years of service with STCL prior to normal retirement date, final pensionable salary (average basic salary during the period of 36 consecutive months preceding retirement) and average government pension. The benefit is 1/60<sup>th</sup> of final pensionable salary for each year of service, subject to a maximum of 40 years, minus 1<sup>1</sup>/<sub>2</sub> times the single person's annual rate of government retirement pension. Years of service for senior managers who will have completed at least ten years of service may be augmented. Any related additional cost is paid by STCL.

The payments by STCL and employees to fund the benefits under the STCL Plan are actuarially determined. The current U.S. dollar value of estimated annual benefits payable (in Euros) upon retirement and projected years of credited service to retirement for Mr. T. V. Crean is \$157,165 (40 years). Total pension expense for the STCL Plan for fiscal year 2005 was \$476,213.

**Change in Control and Separation Pay Agreements**

The Company has entered into agreements with certain key executives of the Company in order to protect the Company and such key executives in the event of involuntary termination of key executives for other than cause and/or as a result of a change in control of the Company. The purpose of these agreements is to reinforce and encourage the continued attention and dedication of these executives to their assigned duties without distraction in the face of (i) solicitations by other employers and (ii) the potentially disturbing circumstances arising from the possibility of a change in control of the Company. To that end, the agreements obligate the Company to provide certain severance benefits, described below, to any of these officers whose employment is terminated under certain circumstances. Such benefits for Mr. J. P. Gotschall, Mr. T. V. Crean, and Mr. F. A. Cappello principally include a payment equal to a maximum of 250% of the employee's annual compensation, continuation of insurance coverage for up to 24 months following termination, and accelerated vesting of existing stock options and certain retirement benefits.

**REPORT OF THE COMPENSATION COMMITTEE**

The Company's compensation of its executive personnel has three components: base salary, cash incentive compensation and stock-based compensation (stock options and restricted shares).

Based on a consideration of Chief Executive Officer salaries in manufacturing companies of comparable size in the aerospace industry and the Company's performance, Mr. Gotschall's annual salary was adjusted to \$207,000 in November 2004, which reflected an increase of \$27,000 following a temporary reduction in July 2003 of \$60,000 in his annual salary for fiscal 2004. Mr. Gotschall received no cash incentive for fiscal 2005.

**Table of Contents**

The Company has incentive plans for each business unit and for the corporate headquarters staff. In general, certain members of the business units share in compensation pools equal to 10% of the unit's operating profits, subject to certain adjustments and members of the corporate staff may earn incentives from a pool equal to up to 10% of profits before tax, subject to certain adjustments.

During fiscal 2005, options on 55,000 shares were awarded to participants in the Company's 1995 Long-Term Incentive Plan, including awards of 6,000 shares to Mr. F. A. Cappello.
