PROXY STATEMENT

Our Board of Directors is sending you this proxy statement to ask for your vote as a shareholder of Associated Estates Realty Corporation on certain matters to be voted on at the upcoming annual meeting of shareholders, which will be held at The Forum, One Cleveland Center, 1375 E. Ninth St., Cleveland, Ohio 44114, on Wednesday, May 2, 2007, at 10:00 a.m., local time. We are mailing this proxy statement and the accompanying notice and proxy, along with our Annual Report to Shareholders, on or about March 26, 2007.

ABOUT THE MEETING

What Is the Purpose of the Annual Meeting of Shareholders?

At the Company's annual meeting of shareholders, shareholders will act upon matters outlined in the accompanying notice of meeting, including the election of seven directors and a proposal to ratify the selection of PricewaterhouseCoopers LLP as the Company's independent accountants for the Company's fiscal year ending December 31, 2007. We are not aware of any other matter that will be presented for your vote at the meeting.

Who Is Entitled to Vote?

Only shareholders of record at the close of business on the record date, March 16, 2007, are entitled to receive notice of and to vote the common shares that they held on the record date at the meeting, or any postponement or adjournment of the meeting. Each outstanding common share entitles its holder to cast one vote on each matter to be voted on. As of the record date, the Company had outstanding 17,495,926 common shares.

Who Can Attend the Meeting?

Only shareholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold your shares in street name (that is, through a broker or other nominee), your name does not appear in the Company's records, and you will need to bring a copy of your brokerage statement reflecting your ownership of common shares as of the record date.

When and Where Is the Meeting?

The meeting will be held at The Forum, One Cleveland Center, 1375 E. Ninth St., Cleveland, Ohio 44114, on Wednesday, May 2, 2007, at 10:00 a.m., local time. Parking is available at One Cleveland Center. You can enter the parking garage from either St. Clair Ave. or Rockwell Ave. There will be a fee of approximately \$9.50 charged for parking in that garage. If that garage is full, there are other parking facilities within walking distance of One Cleveland Center.

What Constitutes a Quorum?

The presence at the meeting, either in person or by proxy, of the holders of a majority of the common shares outstanding on the record date will represent a quorum, permitting the conduct of business at the meeting. Proxies received by the Company but marked as abstentions or broker non-votes will be included in the calculation of the

number of shares considered to be present at the meeting for purposes of establishing a quorum.

Table of Contents

What Vote is Required to Approve each Proposal Assuming that a Quorum Is Present at the Annual Meeting of Shareholders?

Proposal One: Election of Directors. The seven director nominees who receive the greatest number of affirmative votes will be elected directors, and abstentions and broker non-votes will not count for or against any nominee for director.

Proposal Two: Ratification of the Selection of PricewaterhouseCoopers LLP as the Company's Independent Accountants. The Audit Committee plans to reappoint PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm to audit our financial statements for calendar year 2007. Although ratification is not required, the Board is submitting this appointment to our shareholders for ratification as a matter of good corporate practice. See page 19 under Proposal Two for additional information. A majority of the votes cast is required for this proposal. Broker non-votes will not be deemed to be cast. Abstentions will be treated as cast and will have the same effect as a vote against ratification.

How Do I Vote?

You may cast your vote in person at the meeting or by any one of the following ways:

By Telephone: You may call the toll-free number printed on your proxy card. Follow the simple instructions and use the personalized control number printed on your proxy card to vote your shares. You will be able to confirm that your vote has been properly recorded. Telephone voting is available 24 hours a day. If you vote by telephone, you do not need to return your proxy card.

Over the Internet: You may visit the website printed on your proxy card. Follow the simple instructions and use the personalized control number printed on your proxy card to vote your shares. You will be able to confirm that your vote has been properly recorded. Internet voting is available 24 hours a day. If you vote over the Internet, you do not need to return your proxy card.

By Mail: You may mark, sign and date the enclosed proxy card and return it in the enclosed postage-paid envelope.

If you sign, date and return the enclosed proxy card or vote by telephone or via the Internet, the common shares represented by your proxy will be voted as you specify in the proxy. If you return a signed and dated proxy, but do not make any such specification, the common shares represented by your proxy will be voted to elect the directors set forth under the caption "Election of Directors" and in favor of Proposal Two.

You may revoke or change your vote at any time before your proxy has been exercised by filing a written notice of revocation or a duly executed proxy bearing a later date with the Company at the Company's principal address indicated on the attached Notice of Annual Meeting of Shareholders, or by giving notice of revocation to the Company in open meeting. However, your presence at the annual meeting of shareholders alone will not be sufficient to revoke your previously granted proxy.

How Will the Proxy Solicitation Be Conducted?

This solicitation of proxies is made by and on behalf of the Board of Directors. The cost of the solicitation of your proxy will be borne by the Company. In addition to solicitation of proxies by mail and electronically, officers and regular employees of the Company may solicit proxies in person, by telephone or facsimile. These officers and employees will not receive any additional compensation for their participation in the solicitation.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the annual meeting of shareholders, unless you specify otherwise, the common shares represented by your proxy will be voted to re-elect Messrs. Adams, Delaney, Friedman, Gibbons, Milstein, Schoff and Schwarz. Each director elected will serve until the next annual meeting of shareholders and until his successor is elected and qualified.

Table of Contents

If for any reason any of the nominees is not a candidate at the time of the election (which is not expected), the common shares represented by your proxy will be voted for the election of a substitute nominee designated by the Board of Directors as recommended by the Nominating and Corporate Governance Committee.

Mr. Schwarz is also a director Enpath Medical, Inc., a manufacturer of medical devices.

Table of Contents**How Often Did the Board Meet During 2006?**

The Board of Directors held five meetings in 2006. In 2006, each member of the Board of Directors attended at least 75 percent of the meetings of the Board of Directors and the committees of which he was a member. The Company has a policy requiring director attendance at all Board of Directors meetings, absent unusual circumstances. The Company expects its directors to attend the annual meeting of shareholders (which is usually held the same day as a meeting of the Board of Directors), and all of the Company's directors serving at the time attended the 2006 annual meeting of shareholders.

How Are Directors Compensated?

Employees of the Company who are also directors are not paid any director fees. In 2006, compensation for non-employee directors included the following:

An annual retainer fee of \$35,000, paid on a quarterly basis;

An additional annual retainer fee of \$5,000, paid on a quarterly basis, to the respective Chairs of the Executive Compensation, Finance and Planning and Nominating and Corporate Governance Committees;

An additional annual retainer fee of \$7,500, paid on a quarterly basis, to the Chair of the Audit Committee;

An additional annual retainer of \$2,500, paid on a quarterly basis, to the lead director;

Reimbursement of expenses related to attending Board of Directors and committee meetings; and

A grant of 3,000 restricted shares issued on May 3, 2006. The closing price of the Company's stock on the date of that grant was \$11.75.

Non-employee directors are eligible for restricted share grants and option grants, which may be awarded from time to time by the Board of Directors. The Company maintains a non-qualified deferred compensation plan for directors (the Directors' Deferred Compensation Plan). Each non-employee director has the opportunity to elect to defer fees earned in cash and/or equity awards into an account that is converted to share units. These units are valued based on the Company's share price and receive dividend equivalents. Distributions are made in cash from each participant's account based on the instructions set forth by the participant at the time he elects to defer his compensation. Because the value of a director's account balance is determined by reference to the Company's stock price and because dividend equivalents received are equal to the dividend declared on the Company's common stock, there are no above-market earnings on deferred compensation account balances.

The following table sets forth the compensation paid to the Company's directors during 2006:

DIRECTOR COMPENSATION

- (1) Messrs. Adams and Schoff have elected to defer the fees earned in cash into the Director's Deferred Compensation Plan.

Table of Contents

- (2) The amounts reflect dollar amounts recognized for financial statement reporting purposes for the fiscal year ended December 31, 2006, in accordance with FAS 123(R) and include restricted shares granted and deferred share units accrued during and prior to 2006. Assumptions used in the calculation of these amounts are included in Note 17 of the Notes to the Consolidated Financial Statements included in the Company's Annual Report on Form 10-K, for the year ended December 31, 2006, filed with the SEC on February 28, 2007. In 2006, Messrs. Adams, Delaney, and Schoff elected to defer their shares into the Directors' Deferred Compensation Plan. Amounts credited to deferral accounts are converted to share units which are valued based upon the closing price of the Company's common shares at the end of each reporting period. Each deferral account is increased when the Company pays a dividend on the Company's common shares by the number of share units that represent the dividend paid per share multiplied by the number of share units in the account on the date of record for the related dividend payment. At the end of each reporting period, the total value of the deferred compensation is adjusted for increases in share units and for changes in our common share price.
- (3) Mr. Mosier retired from the Board of Directors in May 2006.
- (4) Mr. Schoff was initially elected to the Board of Directors in May 2006.

The Company has adopted share ownership guidelines for members of the Board of Directors. The guidelines provide that each director own Company common shares or common share equivalents having a value at least equal to such director's annual retainer (including committee retainers) and that once achieved such guidelines shall be deemed to have been satisfied without regard to any fluctuation in value in the Company's common shares. All current directors of the Board have met this ownership guideline.

The Board of Directors recommends that shareholders vote FOR the nominees for election set forth above.

CORPORATE GOVERNANCE

The Board of Directors adopted Corporate Governance Guidelines to assist the Board of Directors in the exercise of its responsibilities and to serve the best interests of the Company and its shareholders. A copy of the Company's Corporate Governance Guidelines is posted on the Company's web site, www.aecrealty.com, under Investor Relations.

Codes of Ethics

Code of Ethics for Senior Financial Officers. The Company has a Code of Ethics for Senior Financial Officers that applies to the principal executive officer, principal financial officer and director of financial reporting (collectively, Senior Financial Officers) of the Company. The code requires Senior Financial Officers to act with honesty and integrity; to endeavor to provide information that is full, fair, accurate, timely and understandable in all reports and documents that the Company files with, or submits to, the Securities and Exchange Commission (SEC) and other public filings or communications made by the Company; to endeavor to comply faithfully with all laws, rules and regulations of federal, state and local governments and all applicable private or public regulatory agencies; to proactively promote ethical behavior among peers and subordinates in the workplace and to promptly report to the Audit Committee any violation or suspected violation of the code. The code is posted on the Company's web site, www.aecrealty.com, under Investor Relations. Any waiver of any provision of the code granted to a Senior Financial Officer may only be made by the Audit Committee or the Board of Directors and will be promptly disclosed in a filing on Form 8-K with the SEC or, subject to satisfaction of any condition established by the SEC, by posting on the Company's web site.

Code of Business Conduct and Ethics. The Company has a Code of Business Conduct and Ethics that applies to all employees, officers and directors of the Company. of Directors or a Committee of the Board authorized to do so and will be promptly disclosed as required by applicable laws or NYSE listing standards.

Independent Directors

The Board has determined that all of the nominees for director, except for Messrs. Friedman and Milstein, are independent directors within the meaning of the NYSE listing standards. Albert T. Adams is a partner in the law firm of Baker & Hostetler LLP, which has provided (and is expected to continue providing) legal services to the Company; however, the Board affirmatively determined that Mr. Adams is an independent director within the meaning of the NYSE listing standards and that his relationship with Baker & Hostetler LLP does not interfere with his exercise of independent judgment as a director. James M. Delaney is a consultant to AON Risk Management Services, which is a vendor of the Company; however, the Board affirmatively determined that Mr. Delaney is an independent director within the meaning of the NYSE listing standards and that his relationship with AON Risk Management Services does not interfere with his exercise of independent judgment as a director.

Executive Session

The non-management directors of the Board regularly meet in executive session without management. Mr. Schwarz currently serves as lead director. The lead director serves as a liaison between the Chairman of the Board and other directors and presides at meetings of non-management directors.

Board Committees

The Board of Directors has an Audit Committee, an Executive Committee, an Executive Compensation Committee, a Finance and Planning Committee and a Nominating and Corporate Governance Committee. All of the members of the Board's Audit, Executive Compensation and Nominating and Corporate Governance Committees are independent directors under the NYSE listing standards.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is comprised of Messrs. Adams (Chairman), Delaney and Schwarz, all of whom are independent under NYSE listing standards. The Nominating and Corporate Governance Committee held four meetings in 2006. This Committee was formed to assist the Board of Directors in identifying individuals qualified to become Board members; to recommend Board committee structure, membership and operations; to develop and recommend to the Board of Directors a set of effective corporate governance policies and procedures; and to lead the Board of Directors in its annual review of the Board's performance.

The Nominating and Corporate Governance Committee will consider suggestions forwarded by shareholders to the Secretary of the Company concerning qualified candidates for election as directors. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, a shareholder may submit the candidate's name and qualifications to the Company's Secretary, Martin A. Fishman, at the following address: 1 AEC Parkway, Richmond Heights, Ohio 44143. The Nominating and Corporate Governance Committee has not established specific minimum qualifications a candidate must have in order to be recommended to the Board of Directors. However, in determining qualifications for new directors, it will consider a potential member's qualification as independent under the NYSE listing standards, as well as age, skill and experience in the context of the needs of the Board of Directors. The Nominating and Corporate Governance Committee recommends a slate of nominees to the Board of Directors for election by shareholders at the Company's annual meeting. Although the Nominating and Corporate Governance Committee may retain a Board search consultant to supplement the pool of Board candidates, it has not engaged a consultant at this time.

The Nominating and Corporate Governance Committee recommended to the Board of Directors each of the nominees identified in Proposal One: Election of Directors on page 2.

A current copy of the Nominating and Corporate Governance Committee's charter is available to shareholders on the Company's web site, www.aecrealty.com, under Investor Relations and a written copy is available to shareholders upon written request to the Company, to the attention of Investor Relations.

EXECUTIVE COMPENSATION

Executive Compensation Discussion and Analysis

Objectives of the Executive Compensation Program

The executive compensation program supports the Company's commitment to creating shareholder value, achieving performance objectives, attracting and retaining top organizational contributors and linking executives' pay to their ability to influence financial and organizational objectives, with a focus on the Company's current priorities and long-term goals.

The Committee has overall responsibility for establishing, implementing and monitoring the executive compensation program for the executive officers named in the Summary Compensation Table and approving individual equity and cash awards under these programs. The key components of the Company's executive compensation program are base salary, annual incentives, longer-term, share-based incentives and retirement and welfare benefits. Each of these components operates within an integrated total compensation program to ensure that executives are compensated equitably, both from an internal and external perspective.

The integrated total compensation package is intended to compensate the Company's executive officers between the median and the 75th percentile of the competitive peer group, described in the introduction to the summary compensation table on page 12, and to provide the opportunity for executives to earn incentive-based compensation driven by the accomplishment of performance expectations. The Committee believes the executive compensation program, in total, reflects the competitive market practices of the peer group.

The Committee has engaged a nationally recognized consulting firm to: (i) assist the Committee with identifying the peer group, which was selected using a number of factors such as asset class, market capitalization, number of units and number of full-time equivalent employees; (ii) assess the overall framework of the Company's executive compensation program; and (iii) make recommendations for an executive compensation program that was consistent with the Company's compensation philosophy and objectives. This included the design, development and implementation of a long-term incentive plan, which had not previously been utilized by the Company. The Committee also relied upon the consultant's expertise for guidance and recommendations in establishing the overall compensation structure and individual compensation opportunities that were in place during 2006.

The Committee reviews the overall executive compensation program and each executive's compensation package at least annually. A number of factors influence the Committee's decisions in recommending and implementing adjustments to the executive compensation framework and each executive's compensation package. These factors include: a competitive peer group analysis, individual performance, range of responsibilities relative to the Company's business plan, demonstrated competencies, value, contribution to the organization, experience and professional growth and development. The peer group analysis is conducted by comparing each element of each executive's compensation package and total remuneration to the compensation delivered to executives in similar positions within the peer group. This analysis is prepared with the help of the consultant and the Vice President of Human Resources and reflects compensation published in most recent proxy statements and in the consultant's proprietary database.

The Committee works in concert with the Finance and Planning Committee and Audit Committee to ensure that the targets established under the annual and long-term incentive plans support the Company's strategic objectives and that those objectives are met. The Committee also relies upon input from the Chief Executive Officer to ensure that the other executives are in agreement that the objectives related to the annual and long-term incentive plans are not only

realistic but also challenging and motivating. The Committee also relies upon the Chief Executive Officer to update it on the individual performance of each executive and may also seek recommendations for compensation adjustments delivered to each executive based on his performance, influence on the results of the organization and professional development.

The Committee has delegated authority to the Chief Executive Officer to award grants of equity compensation from a discretionary pool to non-executive employees for purposes of fostering retention, rewarding performance or in conjunction with an offer of employment.

Table of Contents

Elements of the Executive Compensation Program

Base Salary

Base salary serves as the cornerstone for the executive compensation program and recognizes the relative value that an individual's contribution brings to the Company. Base salaries are intended to reflect the median salaries among the peer group. Base salary increases for each of the executive officers were approved in 2006 to align them at a level that is more competitive with the peer group and in recognition of individual and Company performance.

Annual Incentives

Annual incentives emphasize pay for performance and serve as a key means of driving current objectives and priorities. Executives are rewarded for increases in the Company's short-term financial performance and achievement of established corporate objectives. In 2006, 100 percent of each executive's annual incentive opportunity was tied to performance relative to a Company-wide same property net operating income (NOI) benchmark. NOI is determined by deducting property operating and maintenance expenses from total property revenues. Actual NOI achievement exceeded the pre-established target level objective that was approved by the Board of Directors and awards were delivered at 117.7 percent of target. Award payouts were delivered in a combination of cash and restricted shares that vest over a three-year period described in Grants of Plan-Based Awards in 2006 on page 14.

Target annual incentive opportunities for the named executive officers were established at the beginning of 2006 and ranged from 40 percent to 100 percent of base salary. Individual target awards were determined based on a peer group compensation analysis and are intended to provide award opportunities that are between the median and 75th percentile of the peer group.

In June of 2006, after a comprehensive review of CEO compensation among the peer group and in consideration of the Company's objectives, the Committee adjusted the annual bonus opportunity for the Chief Executive Officer from 85 percent of base salary to 100 percent of base salary. The adjustment was intended to provide an annual bonus potential at a level consistent with the median of the peer group, if the Company achieved the NOI objective at a target level.

Long-Term Incentives

Long-term incentives emphasize pay for performance and are linked to both the longer-term, strategic objectives of the Company and the long-term interests of shareholders. The Committee believes that equity-based awards serve as an important means of attracting and retaining executives who are in a position to most directly influence the long-term success of the Company. The Committee also believes that equity-based awards align executives' interests with those of shareholders by reinforcing the risk of ownership and the importance of providing competitive long-term, total returns to shareholders.

In February of 2006, the Committee established the terms of the Company's 2006 Long-Term Incentive Plan and issued grants accordingly. The plan is intended to reward executive officers, in part, for the achievement of certain milestones linked to the Company's strategic plan over a three-year period beginning January 1, 2006 and ending December 31, 2008. The long-term awards are generally delivered through a combination of 50 percent non-qualified stock options and 50 percent restricted shares. The non-qualified stock options are based on continued service with the Company and vest in one-third annual installments at the conclusion of each measurement period. The vesting of the restricted shares are performance contingent and the vesting of up to one-sixth of the original restricted share grant may be accelerated at the end of each annual measurement period based upon the achievement of interim strategic

objectives as set forth by the Committee at the beginning of the plan year. Any of these restricted shares that have not vested previously will vest at the end of the three-year period if the overall three-year objective is met, or will be forfeited if the overall objective is not achieved.

The goals under the 2006 long-term incentive plan are linked to the achievement of annual increases in funds from operations (FFO) per share and the maintenance of pre-established interest coverage and fixed charge coverage ratios. Based on these results and upon the approval of the Committee, one-sixth of these restricted shares vested on February 26, 2007.

Table of Contents

Target long-term incentive awards were established as a percentage of base salary and ranged from 30 percent to 125 percent of base salary and, as with the other elements of the executive compensation package other than base salary, provide award opportunities that are in line with the median to 75th percentile of the competitive peer group. The portion of an executive's total remuneration that is delivered through long-term compensation is determined by reviewing a competitive peer group analysis, individual performance, range of responsibilities relative to the Company's business plan and contribution to the organization. The peer group analysis is used not only as a guideline for determining appropriate target long-term award opportunities, but also to ensure the mix of total compensation delivered to each executive is competitive with similar positions within the peer group. In June of 2006, upon reviewing a competitive peer group analysis based on 2006 proxy data, the Committee adjusted the target long-term incentive opportunity for the Chief Executive Officer from 100 percent of base salary to 125 percent of base salary. The adjustment was intended to provide a long-term incentive opportunity that is between the median and 75th percentile of the peer group, based on the value of the Chief Executive Officer's long-term award on the date of the grant of the stock options and restricted shares.

Equity-Based Incentives

All equity compensation awards that are granted to executives in connection with the annual and long-term incentive programs described above is governed by the terms and conditions of the Amended and Restated Equity-Based Award Plan, which was adopted by shareholders in 2005. The Company's equity-based plans provide executive officers and other key employees of the Company the opportunity to earn equity-based incentives, including common shares. Awards made under the plans may be in the form of stock options, restricted shares or other equity-based awards. Stock options are granted with an exercise price that is equal to the current fair market value of the Company's shares on the date of the grant and will only be of value to the extent the Company's share price increases over time. Additionally, the number of stock options that can be granted to an executive is capped at 125,000 stock options per annum. This provision impacts the mix of stock options and restricted shares granted to the Chief Executive Officer under the long-term incentive plan. Generally, stock options and restricted share awards will vest in installments over no less than a three-year period or upon achievement of performance objectives.

The Committee generally issues equity awards at its February meeting. These awards are granted in conjunction with approval and payouts of the annual bonus and also in conjunction with establishing objectives under the long-term incentive plan as described above. The number of restricted shares that are granted to each executive is determined based on dividing the cash value of the award by the closing price of the Company shares on the date of grant. The cash value of the award is determined as a percentage of base salary for both the annual and long-term incentive plan. The number of stock options granted to each executive is determined using the Black-Scholes model.

Supplemental Executive Retirement Plan

The Company's Supplemental Executive Retirement Plan (the "SERP") was adopted by the Board of Directors on January 1, 1997, and is administered by the Committee. This non-qualified, unfunded, defined contribution plan extends to executive officers of the Company and other officers as recommended by the Chief Executive Officer and approved by the Committee. Pursuant to the SERP, the Company makes a contribution to the account of each of the participating officers at the end of each plan year. The contribution, which was 6 percent of eligible earnings for 2006 (including base salary and payments under the annual incentive plan), is set by the Committee prior to the beginning of each plan year. The account balances are treated by the Company as an unfunded liability until the benefits are paid. The account balances earn interest each year at a rate that is set by the Committee prior to the beginning of each plan year. Historically, the interest rate paid on the account balances approximated the Company's cost of capital. The interest rate was 8.3 percent for 2005 and 2006.

Each participant's SERP account vests when the participant turns 55. In the event of a change in control (as defined in the plan), the Company must make a cash contribution to an irrevocable rabbi trust in an amount necessary to fully fund the SERP accounts within thirty days of the change in control. Effective January 1, 2007, additional contributions to the SERP will only be made for Messrs. Friedman and Fishman; however, the account balances for Messrs. Fatica and Shannon will continue to accumulate earnings.

Perquisites

In 2006, the Chief Executive Officer received certain perquisites pursuant to his employment agreement, which is described below. These items are more fully discussed in the Summary Compensation Table.

Employment Agreement

The Company has an employment agreement with Jeffrey I. Friedman to serve as the Company's President and Chief Executive Officer. This agreement, dated January 1, 1996, as amended, had an initial term of three years and is automatically extended for an additional year at the end of each year of the agreement, subject to the right of either party to terminate by giving one year's prior written notice. Under the agreement, Mr. Friedman must devote his entire business time to the Company and may participate in real estate activities only through the Company. In addition, Mr. Friedman is prohibited from competing with the Company for a period of three years following termination of employment. The agreement provides for: (i) an annual base salary, which was set at \$450,000 in June of 2006 by the Committee, (ii) the use of an automobile, (iii) memberships in a golf club and a business club, (iv) an allowance of up to \$10,000 annually for financial planning and tax return preparation service, and (v) services of a full-time bookkeeper and assistant thereto for Mr. Friedman's business and personal use, including matters unrelated to the business of the Company and Mr. Friedman's performance of his duties. Mr. Friedman's employment agreement also addresses severance payments that may be due to him under certain termination scenarios. These payments are discussed under "Potential Payments Upon Termination and Change in Control" below. In addition, Mr. Friedman's employment agreement also includes non-competition and non-solicitation provisions that apply during the term of the agreement and for a period of three years thereafter.

Severance

The Company has a policy of paying severance to each of the executive officers named in the Summary Compensation Table, other than Mr. Friedman, if the Company terminates such executive officer without cause. Mr. Friedman has severance provisions in his employment agreement. This policy and potential payments under this policy are further defined under "Potential Payments Upon Termination and Change in Control" on page 16.

The Committee believes the executive compensation program, in total, reflects the competitive market practices of the peer group.

Report of the Executive Compensation Committee

The Executive Compensation Committee has reviewed and discussed with the Company's management the Compensation Discussion and Analysis set forth above. Based on the review and discussions noted above, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, for filing with the Securities and Exchange Commission.

Summary Compensation Table

The following table summarizes the compensation earned during fiscal 2006 to the Company's Chief Executive Officer and Chief Financial Officer serving during fiscal 2006 and each of the Company's other named executive officers who served as of December 31, 2006.

Total compensation opportunities for each executive are established based on a comprehensive review of similar positions within the Company's peer group. Each executive's opportunity is intended to align his compensation near the median to 75th percentile of the peer group, depending on performance against pre-established goals and objectives. In addition, each executive's mix of total compensation is based on the mix of compensation for similar positions within the peer group. Compensation opportunities for the Company's executives in 2006 were determined using 2005 peer group proxy data. This peer group included Amli Residential, Mid

Table of Contents

America, Town & Country, Gables, Home Properties, Post, AIMCO, Archstone-Smith, Avalon Bay, BRE, Equity Residential, Essex and United Dominion.

In 2006, base salaries of the named executive officers comprised 38 percent of their total compensation while the annual bonuses, long-term incentives and other compensation, such as perquisites and above-market non-qualified deferred compensation earnings, for the named executive officers comprised 23 percent, 30 percent and 9 percent, respectively, of their total compensation as illustrated in the compensation tables based on the fair value of equity awards recognized for financial statement reporting purposes for the fiscal year ended December 31, 2006, in accordance with FAS 123(R). No cash bonuses outside of the Company's non-equity incentive compensation plan were paid to any named executive officer in 2006.

Potential Payments Upon Termination and Change in Control

The Company has a severance program for the named executives, with the exception of the Chief Executive Officer, whose severance is governed by his employment agreement. Under this program, the executive will receive a severance payment if his employment is terminated by the Company for a reason other than willful misconduct equal to one year of base salary, one year of insurance coverage, a pro-rata payout of the annual bonus for the year in which the termination occurs and executive outplacement services. In exchange for the severance, the executive is required to execute an agreement not to compete with the Company or to solicit any clients or employees of the Company for a one-year period. If Mr. Fishman, Fatica or Shannon had been terminated by the Company for a reason other than willful misconduct on December 31, 2006, he would have received severance equal to \$387,181, \$381,290 and \$392,628, respectively.

Pursuant to the terms of his employment agreement, if Mr. Friedman, our Chief Executive Officer, is terminated for cause (as defined in the agreement), he will receive only any unpaid but accrued base salary and benefits. Thus, if Mr. Friedman had been terminated for cause on December 31, 2006, he would have received \$8,654 in accrued base salary and benefits. If Mr. Friedman is terminated due to death or permanent disability (as defined in his employment agreement), he will receive payment equal to two years of base salary plus a pro-rata portion of the bonus for the year in which termination occurs. If Mr. Friedman had been terminated for death or permanent disability on December 31, 2006, he would have received \$1,350,000 in base salary and bonus payments. If Mr. Friedman is terminated without cause by the Company or is terminated in connection with a change in control or voluntarily resigns for good reason (as defined in the employment agreement), he will receive a lump sum equal to the greater of (a) unpaid base salary for the remainder of the unexpired term of his agreement, pro-rata bonus and other accrued benefits or (b) the current year's base salary, pro-rata bonus and other accrued benefits. Thus, if Mr. Friedman had been terminated by the Company without cause or in connection with a change in control or has resigned his employment for good reason on December 31, 2006, he would have received \$1,800,000 in base salary, bonus and benefits. If any amounts payable to Mr. Friedman constitute an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code that are subject to excise tax, the amounts payable shall be

Table of Contents

increased to the extent necessary to place Mr. Friedman in the same after-tax position as he would have been in had no such tax assessment been imposed. Based on the severance payment that represents the amount due based on a change in control on December 31, 2006 as noted above, plus the accelerated vesting of the SERP and equity plan amounts as noted below, the amount of this gross up would be \$1,057,154. In addition to these items, beginning on the day after the cessation of his employment with the Company (except in the case of termination for cause, death, and until the date that Mr. Friedman would begin employment with another company), the Company shall provide to Mr. Friedman at no cost to him, office space at a location (other than the executive offices of the Company) and a full-time secretary and other customary office support functions.

In addition, if a named executive officer dies or becomes disabled or if a change in control (as defined in the Company's equity plan) occurs, any stock options held by him shall become immediately and automatically vested and exercisable. If Mr. Friedman, Fishman, Fatica or Shannon had died or become disabled, or if a change in control had occurred, on December 31, 2006, he would have had 190,511, 54,848, 31,744 or 107,040 stock options at a value of \$537,263, \$137,676, \$103,377 and \$470,054, respectively, vest. Furthermore, upon death or disability or a change in control, any restricted shares held by a named executive officer shall vest and any restrictions thereon shall immediately lapse. If Mr. Friedman, Fishman, Fatica or Shannon had died or become disabled, or if a change in control had occurred, on December 31, 2006, he would have had 79,449, 17,064, 13,686 or 23,114 restricted shares at a value of \$1,091,629, \$234,459, \$188,046 and \$317,586, respectively, vest.

Moreover, all SERP account balances become fully vested in the event of a change in control (as defined therein). If a change in control had occurred on December 31, 2006, Messrs. Friedman, Fishman, Fatica and Shannon would have become vested in amounts under the SERP equal to \$682,677, \$354,723, \$73,745 and \$43,111, respectively.

**PROPOSAL TWO: RATIFICATION OF THE SELECTION OF
PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S
INDEPENDENT ACCOUNTANTS**

PricewaterhouseCoopers LLP served as independent registered public accounting firm to the Company in 2006 and is expected to be retained by the Company's Audit Committee to do so in 2007. The Board of Directors has directed that management submit the selection of the Company's independent registered public accounting firm for ratification by shareholders at the annual meeting of shareholders. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting of shareholders, will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions from shareholders.

Shareholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm is not required by Ohio law, the Company's Code of Regulations or otherwise. However, the Board of Directors is submitting the selection of PricewaterhouseCoopers LLP to shareholders for ratification as a matter of good corporate practice. If shareholders do not ratify the selection, the Audit Committee will consider the shareholder vote in determining whether or not to retain the firm. The Audit Committee may retain PricewaterhouseCoopers LLP, notwithstanding the fact that shareholders did not ratify the selection, or select another nationally recognized accounting firm without re-submitting the matter to shareholders. Even if the

selection is ratified, the Audit Committee reserves the right in its discretion to select a different nationally recognized accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

HOUSEHOLDING

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces mailing and printing costs. A number of brokerage firms have instituted householding. In accordance with a notice sent during 2002 to certain beneficial shareholders who share a single address, only one copy of this proxy statement and the attached annual report will be sent to that address, unless any shareholder residing at that address gave contrary instructions.

If any beneficial shareholder residing at such an address desires at this time to receive a separate copy of this proxy statement and the attached annual report, a copy can be obtained by calling toll-free 1-800-440-2372, or by writing to Associated Estates Realty Corporation, Investor Relations, 1 AEC Parkway, Richmond Heights, OH 44143. In addition, if any such shareholder wishes to receive a separate proxy statement and annual report in the future, the shareholder should provide such instructions by calling toll-free 1-800-440-2372, or by writing to Associated Estates Realty Corporation, Investor Relations, 1 AEC Parkway, Richmond Heights, OH 44143.

Also, shareholders that share an address and that receive multiple copies of annual reports or proxy statements can request that only one copy be sent to that address in the future by providing instructions by calling toll-free 1-800-440-2372, or by writing to Associated Estates Realty Corporation, Investor Relations, at 1 AEC Parkway, Richmond Heights, OH 44143.

OTHER MATTERS

Shareholders and other interested parties may send written communications to the Board of Directors, an individual director, the lead director or the non-management directors as a group by mailing them to the Board of Directors, individual director, lead director or group of non-management directors (as applicable), c/o Secretary, Associated Estates Realty Corporation, 1 AEC Parkway, Richmond Heights, OH 44143. All communications will be forwarded to the Board of Directors, individual director, lead director or group of non-management directors, as applicable, although the Secretary will not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

Management does not know of any other matters that will be presented for action at the meeting other than the items referred to in this proxy statement. If any other matters properly come before the meeting, the persons named in the proxy will vote on those matters in accordance with their judgment. For each other item that properly comes before the meeting, the vote required will be determined by applicable law, NYSE requirements and the Company's governing documents.
