Explanatory Note

Exhibit 99.2 to the first of two Forms 8-K filed by National Fuel Gas Company (the Company) on December 12, 2007 is hereby amended and restated in its entirety to correct and update certain disclosures as described below. The Company inadvertently reported, in the section describing Robert T. Brady's principal occupation, the total return of Moog Inc. (Moog) for the five-year period ending September 30, 2007 as 25%. The correct total return figure for Moog for that five-year period is 250%. Moog is a worldwide designer, manufacturer and integrator of precision control components and systems. Mr. Brady has been Chairman of the Board of Moog since 1996 and President and Chief Executive Officer of Moog since 1988. Mr. Brady, a director of the Company since 1995, is one of the nominees of the Board of Directors of the Company for election at the Company's 2008 Annual Meeting of Stockholders. The Company is filing this Form 8-K/A to correct the error. The Company is also filing this Form 8-K/A to (i) clarify biographical information for certain individuals, (ii) add Donna L. DeCarolis, Vice President Business Development of the Company, as an executive officer of the Company who may be deemed to be a participant in the Company's solicitation of proxies for its 2008 Annual Meeting, and (iii) make minor changes to the table in Exhibit 99.2 which sets forth purchases or sales of the Company's common stock during the past two years by persons who are or may be deemed to be participants in the solicitation.
