- (f) All or a portion of the security has been segregated as collateral for an open futures contract.
- (k) As of February 28, 2007, the trust held securities fair valued in accordance with the policies adopted by the Board of Trustees, aggregating \$345,307,013 and 93.45% of market value. An independent pricing service provided an evaluated bid for 93.30% of the market value.
- (n) Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be sold in the ordinary course of business in transactions exempt from registration, normally to qualified institutional buyers. At period end, the aggregate value of these securities was \$3,166,282, representing 0.85% of net assets.
- (z) Restricted securities are not registered under the Securities Act of 1933 and are subject to restrictions on resale. These securities generally may be resold in transactions exempt from registration or to the public if the securities are subsequently registered. Disposal of these securities may involve time-consuming negotiations and prompt sale at an acceptable price may be difficult. The trust holds the following restricted securities:
