FORWARD-LOOKING STATEMENTS

In order to utilize the "Safe Harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 (the "Reform Act"), Sappi Limited (the "Company") is providing the following cautionary statement. Except for historical information contained herein, statements contained in this Report on Form 6-K may constitute "forward-looking statements" within the meaning of the Reform Act. The words "believe", "anticipate", "expect", "intend", "estimate", "plan", "assume", "positioned", "will", "may", "should", "risk" and other similar expressions, which are predictions of or indicate future events and future trends, which do not relate to historical matters, identify forward-looking statements. In addition, this Report on Form 6-K may include forward-looking statements relating to the Company's potential exposure to various types of market risks, such as interest rate risk, foreign exchange rate risk and commodity price risk. Reliance should not be placed on forward-looking statements because they involve known and unknown risks, uncertainties and other factors which are in some cases beyond the control of the Company, together with its subsidiaries (the "Group"), and may cause the actual results, performance or achievements of the Group to differ materially from anticipated future results, performance or achievements expressed or implied by such forward-looking statements (and from past results, performance or achievements). Certain factors that may cause such differences include but are not limited to: the impact of the global economic downturn, the highly cyclical nature of the pulp and paper industry (and the factors that contribute to such cyclicity, such as levels of demand, production capacity, production, input costs including raw material, energy and employee costs, and pricing), adverse changes in the markets for the group's products, consequences of substantial leverage, including as a result of adverse changes in credit markets that affect our ability to raise capital when needed, changing regulatory requirements, unanticipated production disruptions (including as a result of planned or unexpected power outages), economic and political conditions in international markets, the impact of investments, acquisitions and dispositions (including related financing), any delays, unexpected costs or other problems experienced with integrating acquisitions and achieving expected savings and synergies and currency fluctuations. These and other risks, uncertainties and factors are discussed in the Company's Annual Report on Form 20-F and other filings with and submissions to the Securities and Exchange Commission, including this Report on Form 6-K. Shareholders and prospective investors are cautioned not to place undue reliance on these forward-looking statements. These forward-looking statements are made as of the date of the submission of this Report on Form 6-K and are not intended to give any assurance as to future results. The Company undertakes no obligation to publicly update or revise any of these forward looking statements, whether to reflect new information or future events or circumstances or otherwise.

SAPPI ANNOUNCES CASH TENDER OFFER FOR UP TO \$150 MILLION
PRINCIPAL AMOUNT OF ITS \$500 MILLION 6.75% GUARANTEED NOTES DUE 2012

Luxembourg, 9 February 2011. Sappi Papier Holding GmbH (formerly Sappi Papier Holding AG, the “Company”) hereby announces it is offering to purchase for cash (the “Offer”) up to \$150 million principal amount (the “Tender Cap”) of its outstanding \$500 million 6.75% Guaranteed Notes due 2012 (the “Securities”) from each registered holder of Securities (a “Holder”). The purpose of the Offer is to acquire Securities in order to reduce the aggregate amount of the Company’s outstanding indebtedness.

The Offer is being made upon the terms and subject to the conditions set forth in the offer to purchase dated 9 February 2011 (the “Offer to Purchase”) and the related Letter of Transmittal. Capitalised terms used in this announcement have the meanings ascribed to them in the Offer to Purchase.

Title of Security	ISIN / Common Code or CUSIP Reg S:	Principal Amount Outstanding	Tender Cap	Minimum Offer Price(1)(2)	Maximum Offer Price(1)(2)	Early Tender Premium(1)
6.75% Guaranteed Notes due 2012	XS0149605627 / 014960562 144A: US803070AA91 / 803070AA9	\$ 500,000,000	\$ 150,000,000	\$ 1,030	\$ 1,060	\$ 20

(1) Per \$1,000 principal amount of Securities validly tendered and not validly withdrawn prior to the Early Tender Date.

(2) Includes the Early Tender Premium.

The Offer will expire at 5:00 p.m., New York City time, on 10 March 2011, unless extended (such date and time, as the same may be extended, the “Expiration Date”). Holders must validly tender and not validly withdraw their Securities at or before 5:00 p.m., New York City time, on 23 February 2011, unless extended (such date and time, as the same may be extended, the “Early Tender Date”) to be eligible to receive the Total Consideration (determined pursuant to the modified “Dutch Auction” procedure described below) which includes the Early Tender Premium set out in the table above. The deadline for Holders to validly withdraw tenders of Securities is 5:00 p.m., New York City time, on 23 February 2011, unless extended (such date and time, as the same may be extended, the “Withdrawal Deadline”). Holders who validly tender their Securities after the Early Tender Date and at or before the Expiration Date will only be eligible to receive the Tender Consideration, which is the Total Consideration minus the Early Tender Premium.

Holders wishing to participate in the Offer must submit either (i) a Competitive Offer at an Offer Price that specifies the minimum amount of cash (which shall be inclusive of the Early Tender Premium, no less than the Minimum Offer Price, no more than the Maximum Offer Price and in increments of \$2.50 above the Minimum Offer Price) such Holder wishes to receive in respect of each \$1,000 principal amount of Securities tendered; or (ii) a Non-Competitive Offer, which does not specify an Offer Price and will be deemed to have been made at the Minimum Offer Price.

Under the modified “Dutch Auction” procedure, the Company will accept Securities validly tendered in the order of the lowest to the highest Offer Prices specified (or deemed to have been specified) by tendering Holders and will select the single lowest price per \$1,000 principal amount of Securities validly tendered that will enable the Company to purchase an aggregate principal amount of Securities equal to the Tender Cap (or, if the aggregate principal amount of Securities validly tendered is lower than the Tender Cap, to purchase all Securities so tendered). Such price will be the Total Consideration, which includes the Early Tender Premium, and will be no less than the Minimum Offer Price and no greater than the Maximum Offer Price.

The Company will announce whether it will accept any tenders of Securities and, if so, the aggregate principal amount to be repurchased, the Proration Factor (if any), the Total Consideration and the Tender Consideration on the business day following the Expiration Date, which is expected to be 11 March 2011. Settlement is expected to occur on 15 March 2011 (the “Settlement Date”).

All Holders who validly submit a Non-Competitive Offer or a Competitive Offer at an Offer Price that is at or below the Total Consideration will have their Securities accepted in the Offer and will receive the Total Consideration or Tender Consideration, as applicable, on the Settlement Date, subject to possible proration as fully described in the Offer to Purchase, together with Accrued Interest on such Securities accepted for purchase. Holders who submit a Competitive Offer at an Offer Price that is above the Total Consideration will not have their Securities accepted for purchase in the Offer.

If the aggregate principal amount of Securities validly tendered (and not validly withdrawn) at Offer Prices equal to or lower than the Total Consideration exceeds the Tender Cap, subject to the terms and conditions set forth in the Offer to Purchase, the Company will then accept for purchase (i) first, all duly submitted Non-Competitive Offers, subject to possible proration; (ii) second, all duly submitted Competitive Offers that specify Offer Prices lower than the Total Consideration; and (iii) third, all duly submitted Competitive Offers that specify Offer Prices equal to the Total Consideration, subject to possible proration. Each tender of Securities reduced on a pro rata basis will be rounded down to the nearest \$1,000 principal amount, provided that no tender of Securities shall be accepted in this manner where the acceptance of prorated Securities under the Offer would result in a residual amount of Securities held by a tendering Holder totalling less than \$1,000 principal amount.

Subject to applicable law and as provided in the Offer to Purchase, the Company may, in its sole discretion, extend, re-open, amend, waive any condition of or terminate the Offer at any time. Details of any such extension, re-opening, amendment, waiver or termination will be announced as soon as reasonably practicable after the relevant decision is made.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold Securities whether such intermediary would require to receive instructions to participate in or revoke their instructions to participate in the Offer before the deadlines set out above.
