Each share of Series A Preferred Stock issued and outstanding as of the Preferred Stock Record Date shall have 20 votes on the matters presented herein. As of the Record Date, Sierra Ventures VI, L.P. and its affiliates ("Sierra"), the Goldman Sachs Group, Inc. and its affiliates and Vivant! Corporation held 18.8%, 6.3% and 5.4%, respectively, of our outstanding shares of Common Stock. As of the Preferred Stock Record Date, Warburg Pincus Private Equity VIII, L.P. ("Warburg"), Index Ventures I, L.P. and its affiliates and Sierra held 76.9%, 11.5% and 7.7%, respectively, of our outstanding shares of Series A Preferred Stock. We are not aware of any other holders of record of 5% or more of our outstanding Common Stock or Series A Preferred Stock. See "Stock Ownership of Certain Beneficial Owners and Management." There is no cumulative voting in the election of our directors.

with Warburg held an aggregate of 10,770,132 shares of Common Stock, or approximately 26.4% of our total outstanding shares of Common Stock, as of the Record Date.

SOLICITATION OF PROXIES

We will pay the cost of soliciting proxies. In addition to soliciting stockholders by mail and through our regular employees, we will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have our stock registered in their names and will reimburse them for their reasonable, out-of-pocket costs. We may use our officers, directors and others to solicit proxies, personally or by telephone, facsimile or electronic mail, without additional compensation.

VOTING OF PROXIES

All valid proxies received prior to the Annual Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies through the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If you do not indicate a choice on the proxy, your shares will be voted "FOR" the nominees for election to the Board of Directors named in this Proxy Statement; "FOR" approval of the amendment and restatement of the Company's Amended and Restated

Edgar Filing: EVOLVE SOFTWARE INC - Form PRER14A

Certificate of Incorporation (the "Certificate of Incorporation") increasing the authorized shares of Common Stock from 110,000,000 to 200,000,000 and adopting the Written Consent Amendment; "FOR" approval of the increase in the shares reserved under the Company's 2000 Stock Plan in the amount of 10,000,000 shares and the increase in the number of shares added to the Stock Plan on an annual basis; and "FOR" the ratification of independent public accountants. The shares will be voted as the proxy holders may determine in their discretion with respect to any other matters that properly come before the meeting. A stockholder giving a proxy has the power to revoke his or her proxy, at any time prior to the time it is voted, by (i) delivering to the Company's Assistant Secretary either a written instrument revoking the proxy or a valid proxy with a later date, or (ii) attending the Annual Meeting and voting in person.

QUORUM

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date and the shares of Preferred Stock outstanding on the Preferred Stock Record Date. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter (the "Votes Cast") are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter.

ABSTENTIONS

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the number of Votes Cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

4

BROKER NON-VOTES

Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Accordingly, broker non-votes will not affect the outcome of the voting on a proposal that requires a majority of the Votes Cast (such as the proposed amendments to our 2000 Stock Plan). With respect to a proposal that requires a majority of the outstanding shares (such as the proposed amendments to our Certificate of Incorporation), however, a broker non-vote has the same effect as a vote against the proposal.
