**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Participants and Administrator of  
TD Waterhouse Group, Inc.  
401(k) Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of TD Waterhouse Group, Inc. 401(k) Plan (the "Plan") at December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held At End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financials statements taken as a whole.

**TD WATERHOUSE GROUP, INC.  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS  
For the Year Ended December 31, 2003**

**1. PLAN DESCRIPTION**

The TD Waterhouse Group, Inc. 401(k) Plan (the "Plan"), formerly TD Waterhouse Holdings, Inc. 401(k) Plan, is a defined contribution plan sponsored by TD Waterhouse Group, Inc. ("TDW Group") and its subsidiaries (the "Company"). TDW Group is a wholly owned subsidiary of The Toronto-Dominion Bank (the "Parent"). The Plan was established on September 1, 1994, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The following description of the TD Waterhouse Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**GENERAL**

The Plan covers all employees of the Company who have completed 30 days of service and are age 21 or older. Participants are eligible to make 401(k) deferrals immediately upon becoming participants. Participants are eligible to receive matching contributions on the January 1, April 1, June 1, or October 1 following their completion of a year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**PARTICIPANT ACCOUNTS**

Individual accounts are maintained for each participant to reflect the participant's contributions, matching contributions and investment earnings. Investment earnings are allocated daily based on each participant's investment choices and relative account balances.

**CONTRIBUTIONS**

Each year, participants may contribute up to the maximum amount of pre-tax annual compensation as determined by the Internal Revenue Code ("IRC"), subject to certain other limitations. Participants who are age 50 or older may make additional "catch-up contributions." Participants also may contribute amounts representing distributions from other qualified employer-sponsored retirement plans. Each year, the Company contributes to the Plan as a matching contribution 50% of the participant's contributions to the Plan (not including any catch-up contributions) not to exceed 6% of the participant's compensation. The Company's matching contribution shall be made in cash. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers 13 mutual funds and the common stock of The Toronto-Dominion Bank as investment options for participants.

**VESTING**

Participants are immediately vested in voluntary contributions plus actual earnings thereon. Vesting in the Company matching contribution is based on years of continuous service. A participant becomes 100% vested in the Company matching contributions after six years of credited service. However, a participant who was an employee of R.J. Thompson Holdings, Inc. or Info Comp International Inc. on December 15, 2001, will be 100% vested after four years of credited service.

A participant whose employment is terminated prior to his or her retirement date (for any reason other than death) shall have a vested and nonforfeitable right in the Company's matching contributions, and any earnings or losses attributable thereto, in accordance with the following schedule:

<b>Years of Service</b>	<b>Percentage</b>
(as defined by the Plan)	
Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 years or more	100%

**INVESTMENT OPTIONS**

Participants' funds are invested at the discretion of the participants among the following T.Rowe Price funds: T.Rowe Price Emerging Markets Stock Fund, T.Rowe Price International Stock Fund, T.Rowe Price New Income Fund, T.Rowe Price Prime Reserve Fund, T.Rowe Price Small-Cap Value Fund, T.Rowe Price Equity Index Fund, T.Rowe Price Mid-Cap Growth Fund, T.Rowe Price Capital Appreciation Fund, T.Rowe Price Science & Technology Fund, T.Rowe Price Equity Income Fund, T.Rowe Price International Bond Fund, T.Rowe Price Blue Chip Growth Fund, and T.Rowe Price Media and Telecommunications Fund. Participants may change their investment options daily. Toronto Dominion Bank common stock (Parent's common stock) was added as an investment option to the TD Waterhouse Group, Inc. 401(k) Plan as of January 1, 2003.

**PARTICIPANT LOANS RECEIVABLES**

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of (i) \$50,000 minus the greatest amount owed on a loan during the previous 12 months, (ii) 50% of their vested account, or (iii) any loan amount for which the loan repayments will not exceed the participant's net earnings each month, whichever is less. The loans are collateralized by the balance in the participant's account and bear interest at a rate of prime plus 1% as of the date the loan is made. Principal and interest are repaid through payroll deductions.

**PAYMENT OF BENEFITS**

On termination of service for any reason, a participant is entitled to receive the value of the participant's vested interest in his or her account. If the value of the participant's account is less than \$5,000, the participant will automatically receive the value of his or her account in a single lump sum. If the value of the participant's account is greater than \$5,000, a participant may elect to receive the value of his or her account in a single lump sum, a direct rollover to another employer's retirement plan, equal monthly, quarterly, semi-annual or annual installments for a period that does not exceed the participant's or the beneficiary's life expectancy, or a combination of the lump-sum and the direct rollover. A participant may elect to receive such portion of his or her account as is invested in common stock of The Toronto-Dominion Bank in whole shares of stock or in cash (or in a combination of the two). Withdrawals may be made under certain other circumstances in accordance with the Plan document.

**RISKS AND UNCERTAINTIES**

The Plan provides for various investment options, which include investments in any combination of equities, fixed income securities, individual guaranteed investment contracts, currency and commodities and derivative contracts. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**FORFEITURES**

At December 31, 2003, forfeited nonvested accounts totaled \$194,571. These amounts will be used to reinstate prior forfeitures for employees who return to work and to reduce future Company contributions.

**PLAN ADMINISTRATION AND TRUSTEESHIP**

The terms and provisions of the Plan are administered by the "Committee", as defined in the Plan document. The Committee is appointed by the Board of Directors of the Parent, and consists of at least three individuals who have the authority to control and manage the operation and administration of the Plan. Committee members serve without pay.

### **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
