The Annual Meeting is scheduled to be held as follows:

Date: Wednesday, May 9, 2012
Time: 10:30 a.m., Pacific time
Place: The Jonathan Club
850 Palisades Beach Road
Santa Monica, CA 90403

This Proxy Statement and the accompanying form of proxy are first being sent to stockholders on or about April 6, 2012.

**Important Information Regarding the Availability of Proxy Materials for

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

1. *What is being voted on at the Annual Meeting?*

The matters to be considered and voted upon at the Annual Meeting are as follows:

1. Election of Directors. To elect thirteen (13) members of the Board of Directors who shall hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified.

Table of Contents

2. Amendment to the 2003 Stock Incentive Plan. To approve an increase in the authorized number of shares available for issuance under PacWest Bancorp's 2003 Stock Incentive Plan from 5,000,000 to 6,500,000 and extend the expiration date of the plan from May 31, 2015 to May 31, 2017.

3. Advisory Vote on Executive Compensation. To consider and vote upon the compensation of the Company's named executive officers.

4. Ratification of Appointment of Independent Auditors. To approve a proposal to ratify the appointment of KPMG LLP as independent auditors for the Company for the fiscal year ending December 31, 2012.

5. Adjournments. To consider and act upon a proposal to approve, if necessary, an adjournment or postponement of the Annual Meeting to solicit additional proxies.

6. Other Business. To consider and act upon such other business and matters or proposals as may properly come before the Annual Meeting or any adjournments or postponements thereof.

2. *Who is entitled to vote? How many votes am I entitled to?*

Only stockholders of record as of the close of business on March 20, 2012 (the "Record Date") may vote at the Annual Meeting. According to Wells Fargo Shareowner Services, our transfer agent, there were 35,680,378 shares of common stock outstanding, excluding 1,617,760 shares of unvested time-based and performance-based restricted stock, held by approximately 1,598 stockholders as of the Record Date.

Each holder of the Company's common stock is entitled to one vote for each share recorded in their name on the books of the Company as of the Record Date on any matter submitted to the stockholders for a vote, except that stockholders may vote their shares cumulatively for the election of directors if certain conditions are met at the Annual Meeting. Cumulative voting provides each stockholder with a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such stockholder, which such stockholder can then vote in favor of one or more nominees. For example, if you held 100 shares as of the Record Date, you would be entitled to 1,300 votes which you could then distribute among one or more nominees since there are thirteen (13) directors to be elected. Cumulative voting may only be exercised at the Annual Meeting if (i) the name of the candidate or candidates for whom such votes would be cast has been placed in nomination prior to the voting; and (ii) at least one stockholder has given notice at the Annual Meeting prior to the voting of such stockholder's intention to cumulate his/her votes.

3. *What is the vote necessary to approve each of the matters being considered at the Annual Meeting?*

The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the thirteen (13) directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The affirmative vote of the holders of a majority of the shares of common stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve (1) the amendment to the PacWest Bancorp 2003 Stock Incentive Plan, (2) the advisory vote on compensation of the Company's named executive officers, (3) the ratification of the appointment of KPMG LLP, (4) any adjournment or postponement of the Meeting to solicit additional proxies, and (5) any other matters not included in this document that may properly be brought before the Annual Meeting.

With respect to each matter to be acted upon, an abstention from voting will be treated as "present" for quorum purposes (other than in the election of directors). As such, shares present but not voted because of abstention will have the effect of a vote against (1) the proposal to approve the

Edgar Filing: PACWEST BANCORP - Form DEF 14A

Table of Contents

amendment to the PacWest Bancorp 2003 Stock Incentive Plan, (2) the advisory vote on compensation of the Company's named executive officers, and (3) the proposal to ratify the appointment of KPMG LLP as our independent auditor. Broker non-votes (i.e., proxies from banks, brokers or other nominees indicating that such entities have not received instructions from the beneficial owners or other persons entitled to vote as to a matter which such bank, broker or other nominee does not have discretionary power to vote) will be treated as "present" for quorum purposes, but will not have an impact on the vote on any proposal.

4. *If I hold shares of PacWest Bancorp common stock pursuant to the PacWest Bancorp 401(k) Plan, will I be able to vote?*

Yes. You will receive a proxy card for the shares allocated to your 401(k) plan account, which you should return as indicated on the instructions accompanying the proxy card.

5. *How does the Board of Directors recommend I vote?*

The Board of Directors recommends a vote FOR each of the nominees for director, and a vote "FOR" approval of each of the other proposals.

6. *How many shares must be represented at the Annual Meeting to constitute a "quorum"?*

A majority of the outstanding shares must be present at the Annual Meeting, either in person or by proxy, to constitute a quorum. There must be a quorum for the Annual Meeting to be held. If you return a signed proxy card, you will be counted as being present, even if you abstain from voting. Broker non-votes will also be counted as being present for purposes of determining a quorum.

7. *What do I have to do to vote?*

Holders of record. If you are a holder of record (that is, if your shares are registered in your own name with our transfer agent), you may vote by Internet or by telephone as indicated on the proxy card. You may also vote by mail by marking, signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope. If you mark the proxy card to show how you wish to vote, your shares will be voted as you direct. If you return a signed proxy card but do not mark the proxy card to show how you wish to vote, your shares will be voted FOR each of the Board of Directors' nominees for election as directors, FOR approval of the amendment to the PacWest Bancorp 2003 Stock Incentive Plan, FOR the approval of the compensation of the Company's named executive officers, FOR the ratification of the appointment of KPMG LLP as independent auditors, FOR adjournment or postponement of the Annual Meeting to solicit additional proxies, if needed, and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting. You may change or revoke your vote at any time before it is counted at the Annual Meeting by:

Notifying our Secretary at the address shown above in writing that you wish to revoke your proxy;

Submitting a later dated proxy card; or

Attending the Annual Meeting and voting in person.

Attending the Annual Meeting will not automatically revoke your prior proxy. You must comply with one of the methods indicated above in order to revoke your proxy.

Street name holders. If you hold your shares in "street name" (that is, through a bank, broker or other nominee), you should receive a proxy from your bank or brokerage firm asking you how you want to vote your shares. If you do not receive a proxy, you may contact such bank or brokerage firm in whose name your shares are registered and obtain a proxy from them. Please refer to the information in the materials provided by your bank or brokerage firm for an explanation of how to vote and how to change or revoke your vote and of the effect of not indicating a vote.

Table of Contents

8. *How will voting on any other business be conducted?*

We do not know of any business to be considered at the Annual Meeting other than the matters listed in this Proxy Statement. For holders of record, if any other business is properly presented at the Annual Meeting, any of the persons named on the proxy card as your designated proxies may vote on such matter in their discretion. If you hold your shares in "street name," please see the materials provided by your bank or brokerage firm for an explanation of how your shares will be voted on any other business.

9. *Who pays the cost of soliciting proxies on behalf of the Company?*

The Company will pay the cost of preparing, assembling and mailing the proxy materials and soliciting proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and employees of the Company or its subsidiaries telephonically, electronically or by other means of communication. Such directors, officers and employees will receive no additional compensation for their services. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

10. *Can I attend the Annual Meeting?*

Any stockholder entitled to vote at the Annual Meeting may attend the Annual Meeting and vote in person. You will need to bring picture identification. If you hold shares in "street name" and would like to attend the Annual Meeting and vote in person, you will need to bring picture identification and a brokerage account statement or other acceptable evidence of ownership of common stock as of the Record Date. Alternatively, in order to vote, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the Annual Meeting.

Cumulative Voting and Vote Required

Each holder of PacWest common stock may vote their shares cumulatively for the election of directors if certain conditions are met at the Annual Meeting. Cumulative voting provides each stockholder with a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such stockholder, which such stockholder can then vote in favor of one or more nominees. For example, if you held 100 shares as of the Record Date, you would be entitled to 1,300 votes which you could then distribute among one or more nominees since there are 13 directors to be elected. Cumulative voting may only be exercised at the Annual Meeting if (1) the name of the candidate or candidates for whom such votes would be cast has been placed in nomination prior to the voting, and (2) at least one stockholder has given notice at the Annual Meeting prior to the voting of such stockholder's intention to cumulate his/her votes.

Directors are elected by a plurality of votes cast for election of directors. Accordingly, the 13 director positions to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Recommendation of the PacWest Board of Directors

The PacWest Board of Directors recommends a vote "FOR" all of the nominees listed above. Unless a contrary choice is specified, proxies solicited by the Board of Directors will be voted FOR each nominee listed above.

PROPOSAL 2: AMENDMENT TO THE PACWEST BANCORP 2003 STOCK INCENTIVE PLAN

The PacWest Bancorp Board of Directors has approved, subject to the approval of its stockholders, an amendment to the PacWest Bancorp 2003 Stock Incentive Plan to increase the aggregate number of shares of PacWest Bancorp common stock available for issuance under the PacWest Bancorp 2003 Stock Incentive Plan, or the Incentive Plan, from 5,000,000 shares to a total of 6,500,000 shares and to extend the expiration date of the Incentive Plan from May 31, 2015 to May 31, 2017. We refer to this amendment as the Incentive Plan Amendment.

Currently, the Incentive Plan authorizes the granting of common stock-based awards in the form of time-based and performance-based restricted stock grants, stock appreciation rights and options to purchase up to 5,000,000 shares of PacWest common stock. The Incentive Plan Amendment is necessary to permit PacWest to continue to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of

Table of Contents

such persons with those of PacWest and its subsidiaries. PacWest is a services business, and has historically issued equity incentives as a key element to attract, motivate and retain its employees.

As of the Record Date, net grants of 2,043,453 shares of performance-based restricted stock and 1,092,500 shares of time-based restricted stock have been granted under the Incentive Plan, with 414,365 shares remaining available for issuance under the Incentive Plan. In 2003, PacWest discontinued the practice of granting stock options and currently grants time-based and performance-based restricted stock as forms of equity compensation.

As described under "Executive Compensation" beginning on page 24 of this Proxy Statement, the Incentive Plan is an important tool for the retention and compensation of our employees and allows the Company to compete effectively for the best banking talent. Additionally, the Incentive Plan is a valuable asset in our acquisition strategy, as it allows us to acquire companies with the promise of ensuring that key management of the target companies will be able to participate in the ongoing success of the combined company.

If this proposal is not approved by PacWest's stockholders, PacWest's flexibility may be limited with respect to the Company's ability to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of such persons with those of PacWest and its subsidiaries. Furthermore, failure to approve the proposal may limit the ability of the Company to carry out its acquisition strategy effectively.

If approved by the stockholders, the Incentive Plan Amendment will be effective as of the date of the Annual Meeting.

Other than as described in this section, there are no material changes to the Incentive Plan. The Incentive Plan (as proposed to be amended) is attached as Appendix A to this document.

Vote Required and Recommendation of the PacWest Board of Directors

The affirmative vote of at least a majority of the shares of common stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the Incentive Plan Amendment.

The PacWest Board of Directors believes that this proposal is in the best interests of PacWest and its stockholders and recommends a vote "FOR" Proposal 2.

PROPOSAL 3: ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are seeking advisory stockholder approval of the compensation of our Named Executive Officers, as disclosed in this Proxy Statement.

As described in the section entitled "Executive Compensation Compensation Discussion and Analysis" beginning on page 24 of this Proxy Statement, the Company's goal for its executive compensation program is to link a substantial portion of executive compensation to the financial strength, long-term profitability and risk management of the Company, as well as to align the interests of our executive officers with the interests of our stockholders. The Company believes that its executive compensation program satisfies these goals. The Company requests stockholder approval of the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement pursuant to the SEC's compensation disclosure rules (which disclosure includes the Compensation Committee Report, the Compensation Discussion and Analysis, and the compensation tables).

This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather our overall compensation policies and procedures relating to our Named Executive Officers described in this Proxy Statement. Accordingly,

Table of Contents

your vote will not directly affect or otherwise limit any existing compensation or award arrangement of any of our Named Executive Officers.

As an advisory vote, this proposal is not binding upon the Board or the Company. However, the CNG Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

In 2011, our stockholders recommended that the Company hold an advisory vote on executive compensation every year. Additionally, in 2011, a majority of the Company's stockholders voted "FOR" approval of the compensation of the Company's Named Executive Officers for 2010. For the reasons outlined beginning on page 24 of this Proxy Statement, the Board believes that the compensation of the Company's Named Executive Officers is appropriate and should be approved on an advisory basis by the Company's stockholders.

Vote Required and Recommendation of the PacWest Board of Directors

The affirmative vote of at least a majority of the shares of common stock present at the Annual Meeting, in person or by proxy and entitled to vote is required to approve the advisory vote on the compensation of our Named Executive Officers as disclosed in this Proxy Statement.

The PacWest Board of Directors recommends a vote "FOR" approval of the compensation of our Named Executive Officers as disclosed in this Proxy Statement pursuant to the disclosure rules of the SEC.

PROPOSAL 4: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Company's Audit Committee has appointed the firm of KPMG LLP as independent auditors for PacWest for the fiscal year ending December 31, 2012, and is submitting its selection for ratification by our stockholders. KPMG LLP has served as our independent auditors since the Company's formation in 2000. Subject to the matters discussed under the section entitled "Report of the Audit Committee," the Audit Committee carefully considered the firm's qualifications as independent auditors for PacWest. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established and any issues raised by the most recent quality control review of the firm. The Audit Committee's review also included the matters regarding auditor independence discussed under the section entitled "Audit Committee Report," including whether the nature and extent of non-audit services would impair the independence of the auditors. Services provided to the Company and its subsidiaries by KPMG LLP in fiscal 2011 are described under the section entitled "Independent Auditors Independent Auditor Fees" below.

The Company's organizational documents do not require that stockholders ratify the appointment of KPMG LLP as the Company's independent auditor. The Company is seeking stockholder approval because the Board of Directors believes it is a matter of good corporate practice. If the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee will consider the appointment of other independent auditors, but is not required to do so. The Audit Committee retains the power to replace the independent auditors whose appointment was ratified by stockholders if the Audit Committee determines that the best interests of PacWest warrant a change of its independent auditors.

A representative of KPMG LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so. KPMG LLP's representative is expected to be available to respond to appropriate questions.

Table of Contents**Vote Required and Recommendation of the PacWest Board of Directors**

The affirmative vote of at least a majority of the shares of common stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the ratification of the appointment of the independent auditors.

The PacWest Board of Directors recommends a vote "FOR" ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 31, 2012.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

The Company is committed to maintaining good corporate governance practices and adhering to high standards of ethical conduct. The Board regularly reviews its governance procedures to ensure compliance with rapidly changing laws, rules and regulations that govern the Company's business. The Company's website at www.pacwestbancorp.com includes important information regarding Company policies and Board charters, including the Company's Corporate Governance Guidelines and its Code of Business Conduct and Ethics, and all of the Company's SEC filings and press releases, among other information.

During the fiscal year 2011, the Board of Directors of the Company met seven times. The independent directors also met twice in executive session during 2011. The sessions of the independent directors were presided over by Mr. Stephen Dunn, who was elected by the independent directors as lead independent director and has served in that capacity since May 2009. No director attended less than 75% of the Company's Board meetings and Committee meetings on which he or she served during 2011, with the exception of Mr. Rose who missed the sole meeting of the Executive Committee, which was a special meeting called on short notice. In 2011, nine directors attended the 2011 Annual Meeting of Stockholders. The Board's policy regarding director attendance at the Annual Meeting of Stockholders is that directors are welcome to attend, and that the Company will make all appropriate arrangements for directors who choose to attend and reimburse their reasonable expenses in connection therewith.

Independence

A majority of the Board is composed of independent directors. At least annually, the Board, with the assistance of the CNG Committee, evaluates the independence of the directors based on the independence requirements of the Nasdaq listing standards and applicable SEC rules and regulations.

In March 2012, the Board affirmatively determined, upon the recommendation of the CNG Committee, that each director who served the Company during 2011 and each director and director nominee, with the exceptions of Mr. Eggemeyer, Mr. Platt and Mr. Wagner, meets the independence requirements of the Nasdaq listing standards and applicable SEC rules and regulations, including the independence requirements for committee membership. In making such determinations, the Board evaluated banking, commercial, service, familial or other transactions involving each director or immediate family member and their related interests and the Company, if any. For further information on Mr. Eggemeyer's relationship with the Company, please see the section entitled "Certain Relationships and Transactions with Related Persons" on page 39 of this Proxy Statement.

Board's Role in Risk Oversight

We believe that effective risk management is of primary importance to the success of our Company. We have a comprehensive risk management process that monitors, evaluates and manages the risks we assume in conducting our activities. Our Board's oversight of this risk management process is conducted through the responsibilities of the Board's standing committees: the Asset Liability Management Committee, Audit Committee, CNG Committee and Credit Risk Committee. As described in more detail below, each of these committees is responsible for monitoring components of risk and the Company's exposure to such risks. The Committees each report to the Board and the Board has overall responsibility for ensuring that overall risk awareness and risk management is appropriate. As a general matter, except for cases where a particular committee may choose to meet in executive session, all Board members are invited to attend (but not required to attend) the regular meetings of all Board committees, and our Board meetings are designed to facilitate attendance by all members. We believe that this open and collaborative structure provides for a more informed Board of Directors and also helps the Board understand and monitor the various internal and external risks to which the Company may be exposed.

Asset Liability Management ("ALM") Committee

During 2011, the ALM Committee met four times. The ALM Committee monitors compliance by the Company and its subsidiaries with the Company's ALM policies and receives reports from the Company's executive management ALM committee, which oversees the management of the Company's investment portfolio and asset/liability strategy on a day-to-day basis. The objective of the Company's ALM policy is to manage balance sheet and off-balance sheet assets and liabilities in order to maximize the spread between interest earned and interest paid, to maintain acceptable levels of interest rate risk, and to ensure that the Company has the ability to pay liabilities as they come due and fund continued asset growth. The executive management members responsible for managing the Company's ALM activities generally meet monthly to discuss ALM activities. The ALM Committee reviews management reports and management's recommendations for the Company's ALM strategies on a going forward basis, and oversees management's development and implementation of asset/liability pricing in order to attain the overall strategic objectives of the Company.

Audit Committee

During 2011, the Audit Committee met 12 times. The Board has determined that each member of the Audit Committee is financially literate and that each of Mr. Carlson, Mr. Langley and Ms. Lester is qualified as an audit committee financial expert and that each of them has accounting or related

financial management expertise, in each case in accordance with the rules of the SEC and the listing standards of Nasdaq. For additional information regarding the background and relevant experience of Mr. Carlson, Mr. Langley and Ms. Lester, please see the biographies of director nominees under the section entitled "Proposal 1: Election of Directors," beginning on page 8 of this Proxy Statement. Information regarding the functions performed by the Audit Committee is set forth in the "Audit Committee Report" included in this Proxy Statement, as well as in the Audit Committee charter. The charter of the Audit Committee was last amended as of May 2011, a copy of which may be obtained on the Company's website at <http://www.pacwestbancorp.com> under the section entitled "Corporate Governance."

Compensation, Nominating and Governance ("CNG") Committee

During 2011, the CNG Committee met six times. The CNG Committee reviews and approves, or makes recommendations to the Board of Directors on matters concerning the salaries and benefits, including equity compensation, of the Company's executive officers, compensation of the directors, and director independence. The CNG Committee also reviews and approves the Company's incentive compensation plans and equity-based plans, 401(k) plans and other employee benefit plans. The CNG Committee assists the Board of Directors in promoting the best interests of the Company and its stockholders through the implementation of sound corporate governance principles and practices, including the review and approval or ratification of related-party transactions of the Company. The CNG Committee also makes recommendations to the Board of Directors regarding the composition and size of the Board and its committees. In furtherance thereof, the CNG Committee identifies, evaluates and recommends candidates for the Company's Board of Directors and considers nominees for directors nominated by the Company's stockholders in accordance with the Company's bylaws. The CNG Committee operates under a charter that was last amended as of May 2011, a copy of which may be obtained on the Company's website at www.pacwestbancorp.com under the section entitled "Corporate Governance."

In identifying and recommending nominees for positions on the Board of Directors, the CNG Committee places primary emphasis on the criteria set forth under "Selection of Directors" in our Corporate Governance Guidelines, namely: (1) personal qualities and characteristics, accomplishments and professional reputation; (2) current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business; (3) ability and willingness to commit adequate time to Board and committee matters; (4) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company; (5) diversity of viewpoints, backgrounds, experience and geographical location; and (6) the ability and skill set required and other relevant experience. In addition, under the terms of the stock purchase agreement with CapGen Financial Group entered into in September 2008, CapGen was entitled to nominate one individual to the Company's Board of Directors. CapGen's nominee to the Company's Board of Directors was Mr. Rose. The CNG Committee has continued to recommend the nomination and election of Mr. Rose since that time.

The CNG Committee does not set specific, minimum qualifications that nominees must meet in order for the CNG Committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Through the Board's annual self-evaluation process, the CNG Committee evaluates the result, including whether the diversity of the Board members is appropriate to advise the Company on its risks and opportunities. Members of the CNG Committee may seek input from other members of the Board in identifying possible candidates, and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates. The CNG Committee will consider candidates recommended by stockholders against the

same criteria as nominees not proposed by stockholders. Stockholders who wish to submit nominees for director for consideration by the CNG Committee for election at our 2013 Annual Meeting should follow the process detailed in the section entitled "Other Business Director Nominations" on page 42 of this Proxy Statement.

For further information on the Company's processes and procedures for the consideration and determination of director compensation, please see the section entitled "Compensation of Directors" on page 18 of this Proxy Statement. For further information on the Company's processes and procedures for the consideration and determination of executive compensation, please see the section entitled "Executive Compensation Compensation Discussion and Analysis" on page 24 of this Proxy Statement.

Credit Risk Committee

During 2011, the Credit Risk Committee met four times. The Credit Risk Committee is responsible for monitoring trends in the Company's loan portfolio and the Company's allowance for credit losses, as well as establishing internal limits related to the Company's lending exposure. The Company's chief credit officer reports on a quarterly basis to the Credit Risk Committee, or more frequently, as needed, regarding the Company's loan portfolio and allowance for credit losses. The Credit Risk Committee also receives reports from the Company's external loan review consultants.

Executive Committee

During 2011, the Executive Committee met once. The Executive Committee reviews and makes recommendations to the Board of Directors with respect to strategy, acquisitions and other opportunities for the Company and acts on behalf of the Board, to the full extent permitted by law, when it is impractical for the full Board to meet. In addition, the Executive Committee is a forum to review other significant matters not addressed by the other Board committees and to make appropriate recommendations to the Board of Directors.

Family Relationships

There are no family relationships among any of the directors or executive officers of the Company.

Compensation Committee Interlocks and Insider Participation

During 2011, Mr. Dunn, Mr. Fitzpatrick, Mr. Matz, Mr. Messer and Mr. Stine served on the CNG Committee. None of these directors was formerly an officer or employee of the Company or any of its subsidiaries. No executive officer of the Company serves on the board of directors of any other company that has one or more executive officers serving as a member of the CNG Committee. In addition, no executive officer of the Company serves as a member of the compensation committee of the board of any other company that has one or more executive officers serving as a member of the Company's Board of Directors. No such interlocking relationships existed during 2011.

COMPENSATION OF DIRECTORS

The Company compensates its non-management directors through an annual cash retainer, paid quarterly. Additionally, beginning in 2011, the Company determined to make an annual grant of stock to each of the Directors. The Company does not pay per Board meeting or per committee meeting fees.

The CNG Committee of the Board evaluates director compensation, and compares the compensation of the Company's directors to that offered by peer companies. The Company also subscribes to surveys to further provide information on director compensation at peer companies. The

Table of Contents

CNG Committee recommends compensation for non-employee directors to the full Board, which in turn determines director compensation for each fiscal year. The compensation is designed to attract and retain qualified directors, and to compensate them for the time and risk associated with being a director. The Company reimburses its directors for their reasonable travel, lodging, food and other expenses incurred in connection with their service on the Board and its committees.

Compensation of the Board was last increased in May 2011 following the engagement of an independent compensation consultant in February 2011. Prior to that increase, Board compensation was last increased in February 2008. No increase in Board compensation was made during 2009 or 2010. The consultant evaluated the Company's board compensation, and components of compensation relative to a Company peer group. The consultant determined that the Board's compensation: (a) was generally low relative to peers; (b) did not include equity components; and (c) with the exception of the Board chair and compensation for directors who also served on the Bank's board, did not provide additional compensation to directors who chaired committees.

Based on the recommendations of the consultant, the CNG Committee recommended certain changes to Board compensation, which the Board adopted. Effective May 2011, Board compensation was approved and modified as follows:

Annual retainers for Board service: The Board kept the annual retainers for non-employee directors at the same level, with each non-employee director receiving \$60,000 annually and the Board chairperson receiving \$120,000 annually paid in quarterly installments. Additionally, Mr. Eggemeyer and Mr. Langley each receive a \$10,000 retainer annually, paid in quarterly installments, for their service on the board of directors of Pacific Western Bank, the Company's wholly-owned banking subsidiary.

Annual retainer for Bank board service: The Board kept the annual retainers for non-employee directors serving on the board of Pacific Western Bank at the same level, with each non-employee director receiving a \$10,000 retainer annually, paid in quarterly installments. This is in addition to any compensation for service on the Company's Board. As noted above, currently Mr. Eggemeyer and Mr. Langley serve on the Bank board.

Committee Chair Fees: The Board determined to pay the Chairperson of the Audit Committee an additional cash retainer of \$15,000 per year, and the non-employee chairpersons of each of the ALM, CNG and Credit Risk Committees an additional cash retainer of \$10,000 per year, paid in quarterly installments.

Equity Grants/Cash Equivalent: The Board determined to pay each non-employee director an annual grant of fully-vested shares of the Company's common stock of approximately \$30,000, based on the closing price of the Company's common stock on the date of grant; provided, however, that for any director beneficially owning or representing a beneficial owner of 5% or more, a cash grant of \$30,000 will be paid in lieu of the stock grant. It is contemplated that such grants will be made annually in May.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

It is the duty of the CNG Committee of the Board to administer the Company's compensation system and various incentive plans, including the Company's 2003 Stock Incentive Plan, which we refer to as the Incentive Plan, and the Executive Incentive Plan, or EIC Plan. The CNG Committee reviews and approves compensation levels of members of executive management, including the five executives who are identified in the 2011 Summary Compensation Table on page 32 of this Proxy Statement (whom we refer to as our Named Executive Officers), evaluates the performance of the executive management team and considers executive management succession and related matters. With respect to the compensation of the CEO, the CNG Committee evaluates and recommends such compensation to the Board for approval annually. The CNG Committee reviews with the Board, at least annually, all material aspects of compensation for the Company's executive officers.

Compensation Philosophy and Objectives

The primary goal of our compensation program is to link a substantial portion of executive compensation to the financial strength, long-term profitability and risk management of the Company. The CNG Committee achieves this goal by tying meaningful grants of equity compensation and an annual cash bonus to significant measures of financial and non-financial performance, as provided in the EIC Plan.

The second goal of our compensation program is to align the interests of our executive officers with the interests of our stockholders. We attempt to accomplish this by establishing performance goals for incentive compensation and performance-based restricted stock that are also tied to financial objectives that are meaningful to our stockholders, such as growth in earnings per share (EPS) and other measures of financial strength that promote the long-term success of the Company. The Company's annual and long-term goals and objectives are designed to ensure the Company continually strengthens its financial position and improves its long-term value for stockholders. The annual goals and objectives designed to direct the Company toward its long-term goals change from year to year based on the underlying economic climate and outlook.

The third goal of the compensation program is to retain highly competent executives. Our executives, and particularly our Named Executive Officers, are talented managers and they are often presented with opportunities at other institutions, including opportunities at potentially higher compensation levels. The Company does not currently have employment agreements with any of its employees. Accordingly, we seek to retain our executives by setting base compensation and incentives at competitive levels and by awarding meaningful stock-based awards. The CNG Committee reviews executive compensation levels paid by peer companies across a range of asset sizes, based on available data, as discussed below. Key elements of compensation to our Named Executive Officers and other executive officers include payout following the achievement of long-range financial and strategic objectives. The CNG Committee intends to pay incentive compensation at the high end of peer group incentive compensation, but only if the Company performs at the high end among peers.

We combine the compensation elements for each of our Named Executive Officers and other executive officers in a way we believe will maximize such executive's contribution to the Company and contribute to the Company's long-term success. The CNG Committee has not established a policy or target for the allocation between either cash and non-cash or short-term and long-term compensation. Rather, the CNG Committee undertakes a subjective analysis in light of the goals described above and, in connection with their analysis, reviews and considers information provided by independent

Table of Contents

compensation consultants and surveys to which the Company subscribes to determine the appropriate level and mix of base compensation, performance-based pay and other elements of compensation.

Components of Compensation

The Company compensates its executive officers in three ways: base compensation, annual cash bonus opportunity under our EIC Plan, and periodic grants of time-based and performance-based restricted stock under the Incentive Plan. Our executives can defer base salary through our tax-qualified 401(k) plan. In addition, we provide change in control severance protection to our executive officers through our Executive Severance Pay Plan. We also provide certain perquisites to our executive officers, such as an auto allowance or use of a company vehicle, reimbursement of club dues for clubs that are used frequently for business purposes, and life, disability and long-term care insurance. The CNG Committee reviews at least annually all components of compensation payable to the CEO and the other executive officers, in terms of current compensation, long-term and incentive compensation, perquisites and payouts upon or following a change in control of the Company, to ensure that the compensation program is meeting the goals of the Company's compensation philosophy described above. The overall review of compensation is also discussed with the Board annually.

Base Salary The CNG Committee reviews the base compensation of the CEO and of the executive officers reporting to him. The CNG Committee makes compensation recommendations for the CEO to the full Board (excluding the CEO). Based on recommendations from the CEO, the CNG Committee evaluates and determines compensation levels for the other members of the Company's executive management team. The CNG Committee does not tie its base compensation decisions to any particular benchmarks, formulas, measurements or criteria, but the CNG Committee considers the Company's performance, individual executive performance and compensation levels paid by comparable financial institutions, as well as economic conditions in the Company's market areas, and refers to analyses or guidance from consultants during the annual review process. The CNG Committee reviews banking-related salary survey data related to a peer group as described below under " Annual Review of Executive Compensation Program" and last received external guidance during February 2012 from an independent compensation consultant.

Annual Cash Bonus Pursuant to the Company's EIC Plan, annual cash bonuses are paid to executives based on the achievement of certain performance targets and satisfactory individual performance. Performance targets may be financial goals or non-financial goals tied to the management of organizational risk, such as the achievement of satisfactory results related to internal audits or regulatory examinations. Not all eligible executive officers will necessarily receive a bonus and not all eligible executive officers will necessarily receive the same bonus. Additional amounts may be paid as bonuses to members of the Company's executive management team who are deemed by the CNG Committee to have achieved superior performance during the fiscal year. Depending on an individual's overall compensation, payments of any amounts to the Named Executive Officers outside of amounts established under the EIC Plan, however, may not be eligible for tax deductibility. The performance target under the EIC Plan generally represents a meaningful increase in the performance target over the previous fiscal year, a significant achievement in a given economic environment, or meaningful goals that balance the performance of the Company and return to stockholders with prudent risk management. Financial performance targets corresponding to achievement of a payout equal to a participant's target bonus are typically set at levels equal to the Company's budgeted financial performance for the current fiscal year. The achievement levels and corresponding award opportunities are not determined by the CNG Committee based on any set formula or pre-determined methodology, but rather reflect the subjective analysis and determination by the CNG Committee as to the appropriate incentive to focus management on the profitability, targeted growth and corresponding management of risk for the Company. The achievement levels and corresponding award opportunities, however, typically have been constant from year to year.

Table of Contents

Stock-Based Awards Stock-based awards granted to executive officers of the Company under the Incentive Plan may be granted from time to time at the discretion of the CNG Committee upon its own determination or recommendation from the CEO, and may be granted to the CEO upon recommendation of the CNG Committee and approval of the Board. Typically, the CNG Committee decides whether to approve the grant of equity awards, and the terms of such grant, after discussion with executive management presenting the grant proposals. Awards of long-term incentive compensation in the form of restricted stock grants to our Named Executive Officers and other executive officers generally occur during the first quarter along with the formal annual evaluation of such executive's total compensation. Additionally, grants may also coincide with promotions or the vesting of a previous grant. In considering whether to recommend the grant of an equity award and the size of the grant to be awarded, the CNG Committee considers, with respect to the executive officer, the salary level, the contributions expected toward the strategic growth, financial strength, risk management and profitability of the Company. The CNG Committee also evaluates survey data indicating grants made to similarly situated officers at comparable financial institutions, as detailed in reports or peer groups advised by its consultants, as described below under " Annual Review of Executive Compensation Program."

Since 2003, the Company has granted time-based and performance-based restricted stock in lieu of granting stock options as incentive compensation. Although the Company has not granted stock options recently, it reserves the right to do so in the future pursuant to the terms of the Incentive Plan. While stock options and time-based restricted stock link an executive's interests to those of stockholders, they do not have a performance component or measure. Performance-based restricted stock, however, has a performance component and the Company has historically used performance-based restricted stock to tie the incentive pay of executives to the performance of the Company. Because restricted stock, both performance-based and time-based, generally has value whether or not the Company's stock price fluctuates, the Company can grant fewer shares of restricted stock compared to stock options, resulting in less dilution to stockholders. The value of both time-based and performance-based restricted stock fluctuates directly with changes in our stock price and, with respect to performance-based restricted stock, only vests to the extent that specific internal financial performance targets are achieved. If the minimum or set performance targets are not achieved, no vesting occurs and the granted shares are forfeited. All granted shares accelerate vesting upon a change in control of the Company, as defined in the Incentive Plan. On all grants to date of time-based and performance-based restricted stock, the Company has elected to pay dividends to the grantee on such shares prior to vesting at the same rate as dividends are paid to stockholders generally. Dividends paid prior to vesting are treated as compensation to the grantee and taxed at ordinary income rates for tax purposes.

401(k) Plan. Our 401(k) plan allows executives and other participants to defer a portion of their compensation and, for 2011, the Company provided participants a match of 1.5% of contributions up to 6% of their base salaries, subject to IRS limitations. We currently have no tax-deferred investment alternatives for our executive officers other than our 401(k) Plan.

Change in Control Protection. The Company has adopted an Executive Severance Pay Plan, or the Severance Plan, which provides for severance compensation for our executive officers in the event of termination without "cause" or for "good reason" (as each is defined in the Severance Plan) within two years following a change in control. The purposes of the Severance Plan are to assist in recruiting, encourage retention and minimize the uncertainty and distraction caused by the potential for bank acquisitions, and to allow our executive officers to focus on performance by providing transition assistance if there is a change in control. In addition, the program is intended to align executive and stockholder interests by enabling the executive officers to consider corporate transactions that are in the best interests of the stockholders and other constituents of the Company without undue concern over whether the transactions may jeopardize the executives' own employment. The Severance Plan requires that there be both a change in control and an involuntary termination without "cause" or a

Table of Contents

voluntary termination for "good reason", which is often referred to as a "double-trigger." Under the double-trigger formula, the Company's successor is obligated to make payments under the Severance Plan only if the executive is actually or constructively discharged following a change in control. In addition, under the Company's Incentive Plan, all granted equity awards fully vest upon a change in control. The Company determined that accelerated vesting is appropriate under this circumstance as a means to attract and retain executives in light of the uncertainty that accompanies consolidation in the banking sector. For more information on the Severance Plan, please see the section entitled "Potential Payments on Termination and Change in Control" beginning on page 34 of this Proxy Statement.

Other Benefits. The Company's compensation program is streamlined to focus its executives on goals and objectives that are in the best interests of the Company and its stockholders. The Company does not provide employment contracts to its executives; instead it retains key executives to the Company with meaningful grants of time-based and performance-based restricted stock, the value of which is tied to the common stock of the Company. Additionally, the Company has chosen not to provide significant retirement benefits such as SERPs or deferred compensation arrangements that continue to pay executives after they leave the Company. While such benefits may be provided by our peers, the CNG Committee and the Board have elected to balance the foregoing components of compensation (base salary, cash bonus, equity incentives and change in control protection) in lieu of those other benefits which may require payments even though executives may no longer be contributing to the Company.

Risk Management

Through the Company's compensation program, the CNG Committee attempts to balance appropriate compensation and performance incentives with the Company's risk profile. Specifically, the CNG Committee alters the performance measures under the EIC Plan, for a given year, based on financial and operating metrics the Company seeks to achieve. For example, in a particular year, net operating earnings may be a performance measure but have a lower weight than a prior year. Since 2009, in determining target award opportunities under the EIC Plan, the CNG Committee placed less emphasis on earnings and loan growth than in prior years, and more emphasis on deposit growth, credit quality and overall risk management (through the use of composite regulatory rating as a performance measure). Additionally, the CNG Committee has made greater grants of time-based restricted stock relative to performance-based restricted stock, in order to balance the ratio of time-based and performance-based restricted stock of the Company's executives, and to place more emphasis on steady achievement than performance goals that have a higher level of volatility and lower level of probability. These changes were adopted in part in response to recommendations of the Company's outside compensation consultant engaged in November 2008.

Annual Review of Executive Compensation Program

Generally, an overall review of compensation is conducted by the CNG Committee at the end of each fiscal year in advance of salary and compensation recommendations made at the beginning of the subsequent fiscal year in conjunction with the annual budgeting process. The CNG Committee most recently engaged an outside consultant, Frederick W. Cook & Co., or FWC, in December 2011 to help evaluate the overall compensation program for the Company's executive officers and to help determine compensation for 2012. No compensation consultant was engaged in 2009 or 2010 for the determination of 2010 or 2011 compensation. However, the CNG Committee further implemented during 2009 and 2010 many of the recommendations made by the outside consultant engaged at the end of 2008. For 2012, FWC was engaged by the CNG Committee to perform a review of the Company's executive compensation program, focusing on the Company's program compared to competitive practices for companies in related businesses of similar size and asset value and the

changing business and regulatory environment, institutional investor initiatives and corporate governance considerations.

As noted above, FWC analyzed the Company's total compensation program, including retention and incentive goals. FWC used two sets of data against which it measured Company compensation: i) survey data from Towers Watson covering financial services companies with assets between \$2 billion and \$20 billion or revenues between \$150 million and \$2 billion; and ii) a peer group of 16 publicly-traded financial institutions with assets from \$4.7 billion to \$23.1 billion, including the following financial institutions: BancFirst Corp., Bank of Hawaii Corporation, Boston Private Financial Holdings, Inc., Cathay General Bancorp, Chemical Financial Corp., Columbia Banking System Inc., CVB Financial Corp., East West Bancorp, Independent Bank Corp., Pinnacle Financial Partners, Inc., Private Bancorp, SVB Financial Group, Umpqua Holdings Corp, Westamerica Bancorporation, and Western Alliance Bancorporation. FWC reviewed total compensation elements relative to these peers and the Company's financial performance relative to the peer group.

FWC also evaluated indirect compensation, indirect benefits, executive equity holdings, companywide grant levels of equity compensation and long-term incentive design, ownership guidelines and change-in-control severance benefits. Since FWC's work was performed in 2012, its findings and recommendations did not have a bearing on compensation decisions with respect to 2011.

2011 Executive Compensation

The CNG Committee (and the Board, in the case of the CEO) reviewed and approved the compensation of Matthew Wagner, the CEO, Victor Santoro, the CFO, and each of the other Named Executive Officers and executive officers for 2011.

2011 Base Salary. The CNG Committee approved 2011 base salaries in February 2011, to take effect March 1, 2011. For 2011, no changes in base salaries were recommended or made for any of the Named Executive Officers. For 2011, the CNG Committee had previously recommended that target cash bonus opportunities for the Named Executive Officers, other than the CEO, be increased to a Target Award of 70% from 60% for 2010. No other change in base salaries or in potential cash bonus compensation was approved or recommended by the CNG Committee with respect to the Named Executive Officers for 2011. In holding base salaries unchanged from 2010, the CNG Committee determined that the levels for the Named Executive Officers were appropriate in light of the Company's operating performance, size and the specific responsibilities of the Named Executive Officers. The CNG Committee had last increased base salaries, and potential cash bonus compensation, for the Named Executive Officers and certain other executive officers in 2008, and for Mr. Wolff in 2010, in light of certain changes in his responsibilities. Mr. Wagner's base salary and potential cash bonus opportunity was last raised in February 2007. The CNG Committee also determined, however, that the increase in the Target Award for bonus opportunities should be increased to 70% of base salaries both to reflect appropriate total potential cash compensation for the Named Executive Officers, and in light of the specific goals that were set relative to the difficult operating environment.

2011 Annual Bonus/EIC Plan Awards. The CNG Committee established the performance targets, achievement levels and corresponding award opportunities under the EIC Plan in March 2011 for 2011 cash bonuses, which were paid at the end of February 2012 based on determination by the CNG Committee in February 2012 of achievement of the pre-established 2011 award levels. As noted above, annual cash bonus opportunities for each of the Named Executive Officers, except for the CEO, were set for 2011 at 70% of base salary and Mr. Wagner's annual cash bonus opportunity for 2011 was set at 100% of base salary.

Table of Contents

Below are the target award opportunities for each category of participant under the EIC Plan:

Participant	Target Award Opportunities
CEO	100% of Base Salary
Other Executive Officers ⁽¹⁾	70% of Base Salary
Officers ⁽²⁾	50% of Base Salary
Officers ⁽³⁾	10% to 30% of Base Salary

(1) Includes each of the other Named Executive Officers and an additional 12 executive officers.

(2) Includes 24 officers.

(3) Includes 97 officers.

Four performance measures were established and each assigned a weight, representing the percentage of the target bonus that such performance measures represented. The performance measures for 2011 were net operating earnings, core deposit growth, composite regulatory rating and loan growth. Achievement of budgeted net operating earnings and core deposit growth corresponded to a 100% payout of that performance measure's bonus weight.

The following are the target performance measures, weights and corresponding award opportunities that were approved for the Company's executive officers for 2011:

Performance Measure	Weight	Performance and Corresponding Payout of Target Award Opportunity		
		75%	100%	125%
Net Earnings	35%	80% of Budget	Budget	125% of Budget
Core Deposit Growth	30%	80% of Budget	Budget	125% of Budget
Composite Regulatory Rating	30%	Lower range	Current range	Current range and 110% payout of at least 2 other targets
Loan Growth	5%	80% of Budget	Budget	120% of Budget

For 2011, net earnings was budgeted at \$44.9 million, representing an increase over the net loss in 2010 of \$62.0 million. Budgeted net earnings for 2011 was based on, and subject to, expectations of stabilization of the economy and the credit environment. Core deposit growth, which excludes growth in certificates of deposits and brokered deposits, was set at 3.2% and represented an increase over the prior year as the Company's momentum continued to positively attract high quality deposits, but also reflected expectation that as the economy improved deposits would begin to outflow into other opportunities and investments. Composite regulatory rating was based on maintaining a composite regulatory rating that would permit the Company and the Bank to operate comfortably in the current environment, without restriction on corporate activities such as mergers and acquisitions. Loan growth was budgeted for 3%, representing a modest level for 2011 in light of the continuing uncertainty of the economic climate and the Company's efforts to manage risk.

During 2011, the CNG Committee determined that the Company increased budgeted core deposits by 10.3%, well in excess of the 3.2% growth goal and corresponding to a 110% payout. The CNG Committee also determined that the Company met its composite regulatory rating at target levels corresponding to a 100% payout. With a continuing stagnation in the economy and lack of loan opportunities that the Company found attractive, the Company missed its loan growth target, as loans declined 11.2%. Notwithstanding the decline in loans, the Company had favorable improvements in credit quality and management of expenses. The Company achieved net earnings of \$50.7 million in 2011, exceeding its budgeted earnings target by 13%, and the CNG Committee determined that the Company met the threshold for a 113% payout of its net earnings performance measure. Accordingly,

Table of Contents

overall the Company achieved performance targets at a level corresponding to payment to participants in the EIC of approximately 103% of their respective target bonuses. In light of these accomplishments, the CNG awarded to the Named Executive Officers (other than the CEO) cash bonuses under the EIC plan equal to 103% of their target bonus opportunities and recommended to the Board that the CEO be awarded a cash bonus equal to 103% of his bonus opportunity, which the Board approved.

Stock-Based Awards. During 2011, the CNG Committee (or the Board, upon recommendation of the CNG Committee, in the case of Mr. Wagner) awarded certain performance-based restricted stock awards to the Named Executive Officers or other executive officers. Mr. Wagner was awarded 125,000 shares, Mr. Santoro and Mr. Wolff were each awarded 50,000 shares, and Mr. Perdue and Mr. Platt were each awarded 25,000 shares. The awards have a four year expiration date and will vest only if the net earnings performance target is reached by or before the fiscal year ending December 31, 2015. In the view of the CNG Committee and the Board, as with other performance stock grants, the performance target is attainable but represents a stretch goal that would be attainable by exceptional performance by the Company. The number of shares granted to each grant recipient represents a meaningful award, that would vest in full upon attainment of the goal, and provide value to the recipient as if an extra bonus had been paid for each year of the grant. In granting the performance-based restricted stock awards to the Named Executive Officers and other executive officers, the CNG Committee (and the Board, in the case of Mr. Wagner) determined that these grants were an important element of the overall compensation program, in light of base salaries and other components of compensation, and would provide appropriate incentive to achieve key performance goals that were aligned with the best interests of the Company and its stockholders.

Statement Regarding Deductibility

Under Internal Revenue Code Section 162(m), the Company's tax deduction may be limited to the extent total compensation paid to "covered officers" exceeds \$1 million in any one tax year. Applicable IRS regulations define "covered officers" to include the CEO and each of the next three most highly compensated executive officers (but excluding in all cases the CFO). The deduction limit does not apply to payments that qualify as "performance-based" provided certain requirements are met, including receipt of stockholder approval of the plan under which such performance-based payments are made. Regulations under Section 162(m) also permit stock options to be excluded from compensation if certain conditions are met, but time-based restricted stock and time-based restricted stock awards (other than performance-based stock and performance-based stock awards) may not be exempt if the aggregate compensation of the executive officer would exceed the limit. The CNG Committee believes that all performance-based restricted stock granted under the Incentive Plan meet these conditions. Generally, it is the intent of the CNG Committee to structure the Company's cash and stock-based compensation programs so that compensation payments and stock-based awards are tax deductible. In 2010, the Company's stockholders approved the Company's EIC Plan, in order to ensure future bonus awards under that plan meet the requirements for deductibility under Section 162(m). All performance targets used in the EIC Plan for 2011 were set forth in the plan approved by stockholders. However, the CNG Committee reserves the discretion to make payments or stock-based awards that are not tax deductible.

Potential Payments on Termination and Change in Control

Edgar Filing: PACWEST BANCORP - Form DEF 14A

Change in Control Severance Plan. The Company has an Executive Severance Pay Plan, or the Severance Plan, in which the Named Executive Officers, and other company officers, are participants. The Severance Plan provides severance to participants in the event of a change in control and, within two years thereof, termination of employment by a participant for Good Reason or termination of a participant other than for Cause. Under those circumstances, the Company will (i) provide or pay, as the case may be, the participant (a) his or her accrued base salary and benefits through termination, plus his or her pro rata target annual bonus for the year in which the participant is terminated, and

Table of Contents

(b) a designated multiple of the participant's annual compensation (annual base salary plus annual target bonus, auto allowance and club dues) and (ii) provide the participant and his or her dependents with medical, dental and vision coverage for the number of years corresponding to the participant's severance multiple, unless the participant obtains other health coverage. If a participant is subject to any excise tax imposed under Section 4999 of the Internal Revenue Code by reason of a change in control, then the Company will pay to the participant an amount as specified in the Severance Plan. In consideration for the severance, a participant will be subject to a non-solicitation covenant following any termination of his or her employment for the number of years corresponding to the participant's severance multiple. Mr. Wagner has a severance multiple of three and each of the other Named Executive Officers has a severance multiple of two. The Severance Plan is administered by the Company's CNG Committee and was last approved on November 4, 2011.

Under the Severance Plan:

a "Change in Control" generally means (1) a change in the majority control of the Company; (2) a change in the majority (two-thirds under the Incentive Plan) control of the Company's Board of Directors; or (3) the consummation of certain business combinations, including a reorganization, merger or consolidation, or the sale of all or substantially all of the assets of the Company, if the Company's stockholders do not hold at least a majority (70% under the Incentive Plan) of the combined voting power of the resulting company and the existing directors do not constitute at least half (two-thirds under the Incentive Plan) of the board of directors of the resulting company.

"Good Reason" generally means (1) the executive is assigned duties inconsistent with his position and present responsibilities; (2) the executive's base salary is reduced or benefits are significantly reduced; (3) the executive is terminated other than for Cause (see below); or (4) the executive is required to be based more than 25 miles from the location of his place of employment immediately before the Change in Control, except for normal business travel in connection with his duties with the Company. Isolated, insubstantial and inadvertent actions, taken in good faith and fully corrected by the Company before the date of termination do not generally constitute Good Reason.

"Cause" generally refers to (1) an executive's intentional, continued failure to perform his duties for reasons other than physical or mental illness; or (2) an intentional illegal act or gross misconduct which is materially and demonstrably injurious to the Company, as determined by a vote of two-thirds of the board of directors of the Company.

The following table sets forth the potential payments that may be made to the Named Executive Officers upon a termination in connection with a change in control or otherwise. Except as described pursuant to the Severance Plan, there are no agreements, arrangements or plans that entitle executive officers to severance, perquisites or other enhanced benefits upon termination of their employment. Any agreement to provide such payments or benefits to a terminated executive officer (other than following a change in control) would be in the discretion of the CNG Committee. The payments calculated below are based on the executive's salary as of December 31, 2011 and indicate payments

(1) Assumes an effective date of a change in control of December 31, 2011. In addition to the payments provided in this row, in the event the Named Executive Officer is terminated within 24 months following a change in control either (i) by the Company for any reason other than cause or (ii) by the executive for good reason, the executive is entitled to receive accrued benefits, including salary and bonus, which are earned through the date of termination.

(2) Under the Company's employee severance policy, full-time employees of the Company are entitled to receive a severance benefit in the event their employment is terminated because of the elimination of a previously required position or previously required service, or due to the consolidation of departments, abandonment of plants or offices, or technological change or declining business activities, where such termination is intended to be permanent. The amount of severance benefit is determined based on the length of service and the employee's base salary. In general, an eligible employee is entitled to a severance benefit of one week of base salary for each year of service plus a supplemental severance benefit based on level and term of service. Amounts based on 18 weeks salary for each Named Executive Officer. In addition, eligible employees are entitled to a bonus prorated from the beginning of the calendar year to the date of separation. The above table does not include any prorated bonuses because the involuntary termination severance payments presented therein are as of the end of the year.

(3) The Severance Plan is a "double trigger" program, meaning payments are made only if the employee suffers a covered termination of employment within two years following the change in control. The amounts shown in the first three columns of the above table for "termination without cause or for good reason after change in control" are based on the following assumptions and provisions of the Severance Plan: in the event the named executive is terminated within two years after a change in control either (i) by the Company for any reason other than cause or (ii) by the executive for good reason, the

Company is required to pay an amount equal to 200% (300% in the case of Mr. Wagner) of the sum of the executive's base salary and target EIC Plan award. For a termination at December 31, 2011:

Mr. Wagner had a base salary of \$750,000 and an EIC Plan target of 100% of his base salary, or \$750,000;

Mr. Santoro had a base salary of \$456,250 and an EIC Plan target of 70% of his base salary, or \$319,375;

Mr. Wolff had a base salary of \$393,750 and an EIC Plan target of 70% of his base salary, or \$275,625; and

Mr. Perdue had a base salary of \$387,508 and an EIC Plan target of 70% of his base salary, or \$271,256;

Mr. Platt had a base salary of \$300,000 and an EIC Plan target of 70% of his base salary, or \$210,000.

- (4) The EIC Plan is an annual cash-based performance incentive plan under which payments are made in the year following the year in which performance is measured. For purposes of this table, the EIC Plan numbers represent target payments under the plan in 2012 for 2011 performance. See "Compensation Discussion and Analysis 2011 Executive Compensation" on page 28 of this Proxy Statement for more information regarding the award opportunities under the EIC Plan during 2011.
- (5) Under the Incentive Plan, upon a change in control, any unvested stock options, unvested time-based or performance-based restricted stock, or other equity awards would fully vest. The Company ceased granting stock options in 2003 and all outstanding stock options have vested. The amounts in this column represent the value of the unvested time-based and performance-based restricted stock held by the Named Executive Officers based on the closing price of the Company's common stock on December 31, 2011.
- (6) For amounts listed with respect to termination without cause or for good reason after a change in control, the payments relating to time-based and performance-based shares represent the value of unvested and accelerated stock as of December 31, 2011, calculated by multiplying the number of accelerated shares by the closing price of Company stock on December 31, 2011.
- (7) Represents reimbursement for COBRA payments based on employee's premiums for health and dental insurance at December 31, 2011 multiplied by employee's severance multiple.
- (8) Upon a change in control of the Company, the executive may be subject to certain excise taxes pursuant to Section 4999 of the Internal Revenue Code of 1986, as amended. The Company has agreed to reimburse each Named Executive Officer for all excise taxes that are imposed on the executive under Section 4999 and any income and excise taxes that are payable by the executive as a result of any reimbursements for Section 4999 excise taxes. The calculation of the Section 4999 gross-up amount in the above tables is based upon a Section 4999 excise tax rate of 20%, a 35% federal income tax rate, a 1.45% Medicare tax rate and a 10.55% state income tax rate. In calculating such payments, Treasury Regulation Section 1.280G-1 Q&A 24(c) was used when valuing payments for time-based restricted stock and Treasury Regulation Section 1.280G-1 Q&A 24(d)(3) was used when valuing payments for performance-based restricted stock. In valuing the payments for performance-based restricted stock, a portion of such stock was treated as reasonable compensation for services rendered prior to the assumed change in control. No value was assigned to any non-solicitation covenants that may arise in a change in control.
- (9) Other amounts include three-times the sum of the amounts for automobile allowance, life, medical, long-term care and disability insurance premiums paid by the Company, and club dues for Mr. Wagner and two-times the sum of the same amounts for the other Named Executive Officers.
- (10) A termination of employment due to death or disability does not entitle the Named Executive Officers to any payments or benefits that are not available to salaried employees generally. However, unvested stock awards vest upon death.

The Board has determined, upon recommendations from the CNG Committee, that each member of the Audit Committee is financially literate and that each of Mr. Craig A. Carlson, Mr. George E. Langley, and Ms. Susan E. Lester is qualified as an audit committee financial expert and that each of them has accounting or relating financial management expertise, in each case in accordance with the rules of the SEC and the listing standards of Nasdaq.

The Audit Committee operates pursuant to a written charter that was last amended and restated as of May 11, 2011. A copy of the Audit Committee charter may be obtained on the Company's website at <http://www.pacwestbancorp.com> under the section entitled "Corporate Governance." As set forth in such charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles and the effectiveness of internal control over financial reporting.

During 2011, the Audit Committee performed all of its duties and responsibilities under the Audit Committee charter. The Audit Committee has reviewed and discussed the audited consolidated financial statements as of and for the year ended December 31, 2011 with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and has discussed with the independent auditors the independent auditors' independence.

Based upon the reports and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee's charter, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company for 2011 be included in its Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the SEC.

CERTAIN RELATIONSHIPS AND TRANSACTIONS WITH RELATED PERSONS

Related-Party Transactions Policy

The Company's Board of Directors has adopted a written policy ("Policy") governing the approval of Related-Party Transactions. "Related-Party Transactions" include any transaction, or any amendment or modification to a transaction, involving a director or director nominee, executive officer, a 5% stockholder of the Company or any person known by the Company to be an immediate family member of any of the foregoing individuals that would need to be disclosed under Item 404(a) of Regulation S-K promulgated by the SEC. Such transactions do not include, however, indemnification payments or compensation paid to directors and executive officers for their services as directors and executive officers. The Policy prohibits all Related-Party Transactions, unless they are approved or ratified by the CNG Committee in accordance with the Policy. Under the Policy, the Company's legal department, in consultation with management and outside counsel, analyzes all potential Related-Party Transactions brought to the attention of the Company to determine whether they constitute Related-Party Transactions. If the Legal Department determines a transaction constitutes a Related-Party Transaction, the CNG Committee will then review the transaction to determine whether or not to approve or ratify it. In making its determination, the CNG Committee considers several factors including, but not limited to, whether the terms of the Related-Party Transaction are fair to the Company; whether the Company has compelling business reasons to enter into the transaction; whether the transaction will impair the independence of an outside director; and whether the transaction presents an improper conflict of interest for any directors or executive officers of the Company. Members of the CNG Committee having an interest in a transaction under review must abstain from voting on the approval of the Related-Party Transaction, but may, if the Chairperson of the CNG Committee so requests, participate in the CNG Committee's discussions of the transaction.

Certain Relationships and Related-Party Transactions

John M. Eggemeyer was appointed to the Board of Rancho Santa Fe National Bank on February 27, 1995 and was appointed Chairman of the Board on that date. Mr. Eggemeyer became chairman of the Board of the Company upon the Company's formation on May 31, 2000. Pursuant to an agreement, dated May 18, 2011, with Castle Creek Financial, LLC of which Mr. Eggemeyer is chief executive officer, the Company named Castle Creek Financial as the Company's exclusive financial advisor. We refer to this agreement as the Castle Creek Contract. The Castle Creek Contract provides for the payment of the following fees upon the consummation of certain transactions: (a) 1.0% of the aggregate consideration paid in the event the Company is sold; and (b) in the event of an acquisition of another financial institution by the Company: 1.0% of the aggregate value of the transaction if the aggregate value is \$20 million or less; and, if the aggregate value is over \$20 million, \$200,000 plus 0.65% of the amount of the transaction in excess of \$20 million. Castle Creek Financial is also entitled to reimbursement of its reasonable expenses incurred on behalf of the Company. The Castle Creek Contract may be terminated by either party upon 30 days prior notice. In the event of termination, Castle Creek shall still be entitled to its fees pursuant to the terms of the contract should the Company engage in a transaction (i) on which Castle Creek provided advice or participated in discussions with any of the investors in such transaction or (ii) with any of the parties as to which Castle Creek advised the Company or with whom the Company engaged in discussions regarding a possible transaction prior to the termination of the Castle Creek Contract, provided that such transaction is completed within 18 months following the termination of the contract.

The Castle Creek Contract, and similar predecessor agreements which have been entered into with the Company since 2000, have been reviewed annually by the CNG Committee pursuant to the Company's Related-Party Transactions Policy. In approving the Castle Creek Contract, the CNG Committee concluded that the contract was in the best interests of the Company and its stockholders and was on terms comparable to those prevailing for similar transactions with other persons not having

any relationship with the Company. Castle Creek Financial and its affiliates have not received any fees from the Company for services rendered since 2007.

Since July 2001, the Company has engaged Martin J. Wolff & Co., Inc. as its insurance broker to help the Company evaluate and obtain certain insurance products for the Company and its subsidiaries, including its group health insurance coverage, life and disability insurance and other insurance benefit products. Martin J. Wolff, the chairman of Martin J. Wolff & Co., Inc., is the father of Jared M. Wolff, the Company's Executive Vice President, General Counsel and Assistant Secretary, and President of the Los Angeles and Ventura Regions of Pacific Western Bank, who joined the Company in October 2002. Jared Wolff was previously associated with the law firm of Sullivan & Cromwell LLP, which firm has been outside counsel to the Company since its formation in 2000. During 2011, the Company purchased comprehensive group insurance, disability insurance, executive life insurance and other insurance products from Martin J. Wolff & Co., Inc. totaling approximately \$8.7 million in premiums. To the best knowledge of the Company, Martin J. Wolff & Co., Inc. received approximately \$466,000 in commissions from such purchases. Jared Wolff is not involved in the analysis, negotiation or acquisition of group health, disability, executive life or other insurance products purchased by the Company from Martin J. Wolff & Co., Inc. The CNG Committee has approved this relationship pursuant to the Company's Related-Party Transactions Policy. In the opinion of the Company's management, the transactions are in the best interests of the Company and its stockholders and have occurred on terms comparable to those available from other providers of similar products who have no relationship with the Company.

Certain directors and executive officers, entities associated with them and members of their immediate families were customers of and had banking transactions, including loans, with the Company's subsidiary bank in the ordinary course of business during fiscal 2011. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. These loans did not involve more than the normal risk of collection or present other unfavorable features. The Company expects its subsidiary bank to have banking transactions with such persons in the future.

INDEPENDENT AUDITORS

The Audit Committee has reappointed the firm of KPMG LLP as independent auditors to audit the financial statements of the Company for the current fiscal year. Representatives from KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The following is a description of fees billed to the Company by KPMG LLP during the last two fiscal years:

The aggregate audit fees billed to the Company by KPMG LLP for the years ended December 31, 2011 and 2010 totaled \$1,311,559 and \$918,292, respectively.

All Other Fees. All other fees include accounting consultations related to the evaluation of other strategic initiatives. The aggregate other fees billed to the Company by KPMG LLP for the year ended December 31, 2011 or 2010 totaled \$55,285 and \$0, respectively.

Pre-Approval Policies and Procedures. The Audit Committee has adopted a policy that requires advance approval by the Audit Committee of all audit, audit-related, tax services and all other services performed by the independent auditor. During 2011, the Audit Committee pre-approved all audit services, non-audit services, audit-related services and tax services performed for the Company by KPMG LLP. In approving any non-audit services, the Audit Committee considered whether the provision of such services would be compatible with maintaining KPMG's independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, (the "Exchange Act") requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership of, and transactions in, the Company's equity securities with the SEC. Such directors, executive officers and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) reports that they file. Based solely on a review of the copies of such reports received by the Company, and on written representations from certain reporting persons, the Company believes that all Section 16(a) filing requirements applicable to its directors, executive officers and 10% stockholders were complied with during 2011.

"HOUSEHOLDING" OF PROXY MATERIALS

The SEC has approved a rule concerning the delivery of annual reports and proxy statements. It permits a single set of these reports to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses of the Company. In accordance with a notice sent to certain stockholders who shared a single address, only one annual report and proxy statement will be sent to that address unless any stockholder at that address requested that multiple sets of documents be sent. However, if any stockholder who agreed to householding wishes to receive a separate proxy statement or annual report either now or in the future, he or she may contact our transfer agent Wells Fargo Shareowner Services at (800) 468-9176 or by mail at P.O. Box 64874, St. Paul, MN 55164-0874. Stockholders sharing an address who wish to receive a single set of reports or proxy statements may do so by contacting their banks or brokers, if they are beneficial holders, or by contacting Wells Fargo Shareowner Services at the address set forth above, if they are record holders.

INCORPORATION BY REFERENCE

The sections in this Proxy Statement entitled "Compensation Committee Report" and "Audit Committee Report" do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates any such Reports by reference therein.

(a) Except as otherwise provided for below, the Plan shall be administered by (i) the Board or (ii) a Committee, which Committee shall be constituted to satisfy applicable laws.

(i) *Section 162(m).* To the extent that the Administrator determines that it is desirable to qualify Awards as "performance-based compensation" within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee comprised solely of two or more "outside directors" within the meaning of Section 162(m) of the Code.

(ii) *Rule 16b-3.* To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(vi) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award. (vii) to determine the method of payment of the Exercise Price;

(ix) to delegate to others responsibilities to assist in administering the Plan;

(x) to construe and interpret the terms of the Plan, Option Agreements, Stock Award Agreements, SAR Agreements and any other documents related to the Awards;

(c) *Effect of Administrator's Decision.* All decisions, determinations, and interpretations of the Administrator shall be final and binding on all Participants and any other holders of any Awards. The Administrator's decisions and determinations under the Plan need not be uniform and may be made selectively among Participants whether or not such Participants are similarly situated.

(d) *Liability.* No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his/her behalf in his/her capacity as a member of the Committee for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or bad faith. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power the Company may have to indemnify them or hold them harmless.

Table of Contents

Incentive Stock Options shall in no event exceed 6,500,000 Shares, subject to the adjustments provided for in Section 11 of the Plan.

5. *Eligibility.* The persons eligible to participate in the Plan shall be limited to Employees, Non-Employee Directors, and Consultants who have the potential to impact the long-term success of the Company and/or its Affiliates and who have been selected by the Administrator to participate in the Plan.

6. *Option Terms.* Each Option shall be evidenced by an Option Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, that each Option Agreement shall comply with the terms specified below. No person may be granted (in any calendar year) Options to purchase more than 250,000 Shares, subject to the adjustments provided for in Section 11 of the Plan. Each Option Agreement evidencing an Incentive Stock Option shall, in addition, be subject to Section 7 below.

(a) *Exercise Price.*

(i) The Exercise Price of an Option shall be determined by the Administrator but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option.

(ii) Notwithstanding the foregoing, where the outstanding shares of stock of another corporation are changed into or exchanged for shares of Common Stock without monetary consideration to that other corporation, then, subject to the approval of the Board, Options may be granted in exchange for unexercised, unexpired stock options of the other corporation and the exercise price of the Optioned Shares subject to each Option so granted may be fixed at a price less than 100% of the Fair Market Value of the Common Stock at the time such Option is granted if said exercise price has been computed to be not less than the exercise price set forth in the stock option of the other corporation, with appropriate adjustment to reflect the exchange ratio of the shares of stock of the other corporation into the shares of Common Stock of the Company.

(iii) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator and may consist entirely of (A) cash, (B) check, (C) Mature Shares, (D) Qualified Note, or (e) any combination of the foregoing methods of payment. The Administrator may also permit Optionees, either on a selective or aggregate basis, to simultaneously exercise Options and sell the shares of Common Stock thereby acquired, pursuant to a brokerage or similar arrangement, approved in advance by the Administrator, and use the proceeds from such sale as payment of part or all of the exercise price of such shares. Notwithstanding the foregoing, a method of payment may not be used if it causes the Company to: (i) recognize compensation expense for financial reporting purposes; (ii) violate Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto; or (iii) violate Regulation O, promulgated by the Board of Governors of the Federal Reserve System, as determined by the Administrator in its sole discretion.

(b) *Vesting.* Any Option granted hereunder shall be exercisable and shall vest at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement, but in the case of an Optionee who is not an officer of the Company, a Non-Employee Director, or a Consultant, an Option or Shares purchased thereunder shall vest at a rate of at least 20% per year. An Option may not be exercised for a fraction of a Share. Notwithstanding anything herein to the contrary, upon the occurrence of a Vesting Event, all Options that are outstanding on the date of the Vesting Event shall become exercisable on such date (whether or not previously vested).

Table of Contents

(c) *Term of Options.* No Option shall have a term in excess of 10 years measured from the Date of Grant of such Option.

(d) *Procedure for Exercise.* An Option shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the Option Agreement by the person entitled to exercise the Option and full payment of the applicable Exercise Price for the Share being exercised has been received by the Administrator. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Subsection (a)(iii) above. In the event of a cashless exercise, the broker shall not be deemed to be an agent of the Administrator.

(e) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her Option, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such Option on the Termination Date (but in no event later than the expiration of the term of such Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, on the Termination Date, the Optionee is not entitled to exercise the Optionee's entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(ii) *Disability of Optionee.* In the event of termination of an Optionee's Service due to his/her Disability, the Optionee may exercise his/her Option, but only on or prior to the date that is twelve months following the Termination Date, and only to the extent that the Optionee was entitled to exercise such Option on the Termination Date (but in no event later than the expiration date of the term of his/her Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). To the extent the Optionee is not entitled to exercise the Option on the Termination Date, or if the Optionee does not exercise the Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's Option may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the Option by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the Option at the date of death (but in no event later than the expiration date of the term of his/her Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, at the time of death, the Optionee was not entitled to exercise his/her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(iv) *Cause.* In the event of termination of an Optionee's Service due to Cause, the Optionee's Options shall terminate on the Termination Date.

(v) To the extent that the Company does not violate Section 409A of the Code or any regulations adopted, Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto or Regulation O, promulgated by the Board of Governors of the Federal Reserve System (as determined by the Administrator in its sole discretion), the

Administrator shall have complete discretion, exercisable either at the time an Option or SAR is granted or at any time while the Option or SAR remains outstanding, to:

(A) extend the period of time for which the Option or SAR is to remain exercisable following the Optionee's cessation of Service from the limited exercise period otherwise in effect for that Option or SAR to such greater period of time as the Administrator shall deem appropriate, but in no event beyond the expiration of the Option or SAR term; and/or

(B) permit the Option or SAR to be exercised, during the applicable post-Service exercise period, not only with respect to the number of vested Shares for which such Option or SAR is exercisable at the time of the Optionee's cessation of Service but also with respect to one or more additional installments in which the Optionee would have vested had the Optionee continued in Service.

(f) *Stockholder Rights.* Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such certificate promptly upon exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 below.

(g) *Non-transferability of Options.* Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

7. *Incentive Stock Options.* The terms specified below shall be applicable to all Incentive Stock Options, and these terms shall, as to such Incentive Stock Options, supercede any conflicting terms in Section 6 above. Options which are specifically designated as Non-Statutory Stock Options when issued under the Plan shall *not* be subject to the terms of this Section.

(a) *Eligibility.* Incentive Stock Options may only be granted to Employees.

(b) *Exercise Price.* The Exercise Price of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option, except as otherwise provided for in Subsection (d) below.

(c) *Dollar Limitation.* In the case of an Incentive Stock Option, the aggregate Fair Market Value of the Optioned Stock (determined as of the Date of Grant of each Option) with respect to Options granted to any Employee under the Plan (or any other option plan of the Company or any Affiliate) that may for the first time become exercisable as Incentive Stock Options during any one calendar year shall not exceed the sum of \$100,000. To the extent the Employee holds two or more such Options which become exercisable for the first time in the same calendar year, the

Table of Contents

foregoing limitation on the exercisability of such Options as Incentive Stock Options shall be applied on the basis of the order in which such Options are granted. Any Options in excess of such limitation shall automatically be treated as Non-Statutory Stock Options.

(d) *10% Stockholder.* If any Employee to whom an Incentive Stock Option is granted is a 10% Stockholder, then the Exercise Price shall not be less than 110% of the Fair Market Value of a Share on the Date of Grant of such Option, and the Option term shall not exceed five years measured from the Date of Grant of such Option.

(e) *Change in Status.* In the event of an Optionee's change of status from Employee to Consultant or to Non-Employee Director, an Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option three months and one day following such change of status.

(f) *Approved Leave of Absence.* If an Optionee is on an approved leave of absence, and the Optionee's reemployment upon expiration of such leave is not guaranteed by statute or contract, including Company policies, then on the 91st day of such leave any Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option.

8. *Restricted Stock Award.* Each Restricted Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Restricted Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in the Granted Stock at such times and under such conditions as determined by the Administrator and set forth in the Stock Award Agreement. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* Except as otherwise determined by the Administrator in its discretion, the Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other conditions to the vesting of the Restricted Stock were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon vesting of a Restricted Stock Award, the Grantee shall have the rights of a stockholder with respect to the voting of the vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Granted Stock.

(d) *Non-transferability of Restricted Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Restricted Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to

transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

9. *Performance Stock Award.* Each Performance Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator, and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Performance Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in or accelerate vesting in the Granted Stock, in whole or in part, if certain goals established by the Administrator are achieved over a designated period of time, but not in any event more than 10 years. At the discretion of the Administrator, the goals may be based upon the attainment of one or more of the following business criteria (determined either in absolute terms or relative to the performance of one or more similarly situated companies or a published index covering the performance of a number of companies): net income; return on average assets ("ROA"); cash ROA; cash ROA; return on average equity ("ROE"); cash ROE; earnings per share ("EPS"); cash EPS; stock price; and efficiency ratio. Performance goals may be established on a Company-wide basis or with respect to one or more business units or divisions. When establishing performance goals, the Administrator may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The Administrator may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator deems appropriate. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* The Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other conditions to the vesting of the Performance Stock Award, including performance goals, were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon vesting of a Performance Stock Award, the Grantee shall have the rights of a stockholder with respect to the voting of the vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

Table of Contents

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on Granted Stock.

(d) *Non-transferability of Performance Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Performance Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

10. *Stock Appreciation Rights.* Each SAR shall be evidenced by a SAR Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, that each SAR Agreement shall comply with the terms specified below. No person may be granted (in any calendar year) SARs that pertain to more than 250,000 Shares, subject to the adjustments provided for in Section 11 of the Plan.

(a) *Exercise Price.* The Exercise Price of a SAR shall be determined by the Administrator but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such SAR.

(b) *Vesting.* Any SAR granted hereunder shall be exercisable and shall vest at such times and under such conditions as determined by the Administrator and set forth in the SAR Agreement. Notwithstanding anything herein to the contrary, upon the occurrence of a Vesting Event, all SARs that are outstanding on the date of the Vesting Event shall become exercisable on such date (whether or not previously vested).

(c) *Term of SARs.* No SAR shall have a term in excess of 10 years measured from the Date of Grant of such SAR.

(d) *Non-transferability of SARs.* SARs may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

(e) *Procedure for Exercise.* A SAR shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the SAR Agreement by the person entitled to exercise the SAR. Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive an amount equal to the amount by which the Fair Market Value (on the date of surrender) of a Share exceeds the Exercise Price of such SAR. The Company shall pay this amount in the form of: (i) Common Stock; (ii) cash; or (iii) a combination of Common Stock and cash, as determined by the Administrator.

(f) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her SARs, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration of the term of such SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, on the Termination Date, the Optionee is not entitled to exercise all of the Optionee's SARs, then the Shares that pertain to the unexercisable SARs shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her SARs within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(ii) *Disability of Optionee.* In the event of termination of an Optionee's Service due to his/her Disability, the Optionee may exercise his/her SARs, but only on or prior to the date that is twelve months following the Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). To the extent the Optionee is not entitled to exercise the SARs on the Termination Date, or if the Optionee does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's SARs may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the SARs by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the SARs at the date of death (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, at the time of death, the Optionee was not entitled to exercise all of his/her SARs, the Shares that pertain to the unexercisable SARs shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the SARs by bequest or inheritance does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iv) *Cause.* In the event of termination of an Optionee's Service due to Cause, the Optionee's SARs shall terminate on the Termination Date.

11. *Adjustments Upon Changes in Capitalization.*

(a) *Changes in Capitalization.* The limitations set forth in Sections 4, 6, and 10 of the Plan, the number of Shares that pertain to each outstanding Award, and the Exercise Price of each Option and SAR shall be proportionately adjusted for any increase or decrease in the number of issued and outstanding Shares resulting from a stock split, reverse stock split, stock dividend,

recapitalization, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued and outstanding Shares, effected without the receipt of consideration by the Company. Such adjustment shall be made by the Administrator, to the extent possible, so that the adjustment shall not result in an accounting consequence under APB 25 and FASB Interpretation No. 44, as amended, and so that the adjustment shall not result in any taxes to the Company or the Participant. The Administrator's determination with respect to the adjustment shall be final, binding, and conclusive.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. In such event, the Administrator, in its discretion, may provide for a Participant to fully vest in his/her Option and SAR, and the Right of Forfeiture to lapse on his/her Granted Stock. To the extent it has not been previously exercised, an Award will terminate upon termination or liquidation of the Company.

12. *Deferral of Stock Awards and SARs.* The Administrator, in its sole discretion, may permit a Grantee to defer his/her Stock Awards, and an Optionee to defer his/her SARs pursuant to the terms and conditions provided for in the PacWest Bancorp Directors Deferred Compensation Plan. Notwithstanding the foregoing, to the extent an Award is determined to constitute a "deferral of compensation" within the meaning of Section 409A, any such subsequent deferral shall be made in accordance with the terms of Code Section 409A(a)(4) and the regulations promulgated thereunder.

13. *Cancellation and Regrant of Awards.* The Administrator shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionee, the cancellation of any or all outstanding Options or SARs and to grant in substitution new Options or SARs covering the same or a different number of Shares but with an Exercise Price per Share based on the Fair Market Value per Share on the new Date of Grant of the Option or SAR. The Administrator shall also have the authority to effect, at any time and from time to time, with the consent of the affected Grantee, the cancellation of any or all outstanding Stock Awards and to grant in substitution new Stock Awards covering the same or a different number of Shares. Notwithstanding the foregoing or anything in this Plan to the contrary, the Administrator may not take any action which would constitute a "repricing" of Options or other Awards without recommending that such repricing be subject to the approval of the Company's stockholders prior to effectiveness. For purposes of Section 4 hereof, Shares underlying any Award cancelled by the Company in such exchange shall be available for issuance under the Plan; furthermore, except with respect to a Participant subject to Section 162(m) of the Code, a grant of any Award to a Participant pursuant to such exchange shall be disregarded for purposes of determining whether such Participant has exceeded any limitations hereunder limiting the amount of any type of Award or aggregate amount of Awards that may be granted to a Participant (except to the extent the number of Shares underlying such Awards exceeds the number of Shares underlying the Participant's cancelled Awards).

14. *Share Escrow/Legends.* Unvested Shares issued under the Plan may, in the Administrator's discretion, be held in escrow by the Company until the Participant's interest in such Shares vests or may be issued directly to the Participant with restrictive legends on the certificates evidencing those unvested Shares.

15. *Tax Withholding.*

(a) For corporate purposes, the Company's obligation to deliver Shares upon the exercise of Options, deliver Shares or cash upon the exercise of SARs, or deliver Shares or remove any restrictive legends upon vesting of such Shares under the Plan shall be subject to the satisfaction of all applicable federal, state and local income and employment tax withholding requirements.

(b) To the extent permitted under Section 402 of the Sarbanes-Oxley Act of 2002 and the regulations adopted pursuant thereto, the Administrator may, in its discretion, provide any or all holders of Non-Statutory Stock Options or SARS, or unvested Shares under the Plan with the right to use previously vested Shares in satisfaction of all or part of the Taxes incurred by such holders in connection with the exercise of their Non-Statutory Stock Options or SARs, or the vesting of their Shares; provided, however, that this form of payment shall be limited to the withholding amount calculated using the minimum statutory rates. Such right may be provided to any such holder in either or both of the following formats:

(i) *Stock Withholding:* The election to have the Company withhold, from the Shares otherwise issuable upon the exercise of such Non-Statutory Stock Option or SAR, or the vesting of such Shares, a portion of those Shares with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory withholding rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

(ii) *Stock Delivery:* The election to deliver to the Company, at the time the Non-Statutory Stock Option or SAR is exercised or the Shares vest, one or more Shares previously acquired by such holder (other than in connection with the Option or SAR exercise, or Share vesting triggering the Taxes) with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

16. *Effective Date and Term of the Plan.* The Plan, as an amendment and restatement of the 2003 Plan, was last approved by the Board on March 28, 2012 and shall become effective upon stockholder approval. Unless sooner terminated by the Administrator, the Plan shall continue until May 31, 2017. When the Plan terminates, no Awards shall be granted under the Plan thereafter. The termination of the Plan shall not affect any Shares previously issued or any Award previously granted under the Plan.

17. *Time of Granting Awards.* The Date of Grant of an Award shall, for all purposes, be the date on which the Administrator makes the determination to grant such Award, or such other date as determined by the Administrator; provided, however, that any Award granted prior to the date on which the Plan is approved by the Company's stockholders shall be subject to stockholder approval of the Plan. Notice of the determination shall be given to each Service Provider to whom an Award is so granted within a reasonable period of time after the date of such grant.

18. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend, or discontinue the Plan, but no amendment, alteration, suspension, or discontinuation shall be made which would impair the rights of any Participant under any grant theretofore made without his/her consent. In addition, to the extent necessary and desirable to comply with Section 422 of the Code (or any other applicable law or regulation, including the requirements of any stock exchange or national market system upon which the Common Stock is then listed), the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) *Effect of Amendment and Termination.* Any such amendment or termination of the Plan shall not affect Awards already granted, and such Awards shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Board, which agreement must be in writing and signed by the Participant and the Company.

19. *Regulatory Approvals.*

(a) The implementation of the Plan, the granting of any Awards and the issuance of any Shares upon the exercise of any granted Awards shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the Awards granted under it, and the Shares issued pursuant to it.

(b) No Shares or other assets shall be issued or delivered under the Plan unless and until there shall have been compliance with all applicable requirements of federal and state securities laws, including the filing and effectiveness of the Form S-8 registration statement (if required) for the Shares issuable under the Plan, and all applicable listing requirements of any stock exchange (or the Nasdaq Stock Market, if applicable) on which the Common Stock is then listed for trading (if any).

20. *No Employment/Service Rights.* Nothing in the Plan shall confer upon the Participant any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Affiliate employing or retaining such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's Service at any time for any reason, with or without cause.

21. *Governing Law.* This Plan shall be governed by California law, applied without regard to conflict of laws principles.

22. *Code Section 409A.* Awards under this Plan are intended to be exempt from Section 409A of the Code. Notwithstanding foregoing, to the extent (x) an Award constitutes a "deferral of compensation" within the meaning of Section 409A of the Code, (y) the Grantee or Optionee is a "specified employee" as determined pursuant to Section 409A of the Code as of the date of his or her "separation from service" (within the meaning of Treasury Regulation 1.409A-1(h)), and (z) any such Award cannot be settled or paid without subjecting the Grantee or Optionee to "additional tax", interest or penalties under Section 409A of the Code, then any such settlement or payment that is payable during the first six months following the Grantee's or Optionee's "separation from service" shall be paid or provided to the Grantee or Optionee on the first business day of the seventh calendar month following the month in which his or her "separation from service" occurs or, if earlier, at his or her death. In addition, any settlement or payment of an Award that is subject to Section 409A of the Code upon a termination of Service that represents a "deferral of compensation" within the meaning of Section 409A of the Code shall only be settled or paid upon a "separation from service".
