MERGER PROPOSAL YOUR VOTE IS IMPORTANT

Dear Stockholder:

On behalf of the board of directors of Nord Resources Corporation, I cordially invite you to attend a special meeting of stockholders to be held at 620 East Wetmore Road, Tucson, Arizona, 85705 on December 20, 2006 at 10:00 a.m. Arizona Time.

At the special meeting, you will be asked to consider and vote upon a proposal to adopt the Agreement and Plan of Merger dated October 23, 2006, by and among Nord Resources Corporation, Platinum Diversified Mining, Inc. (Platinum), Platinum Diversified Mining USA, Inc. (Platinum USA), and PDM Merger Corp. (Merger Sub) and approve the merger contemplated by the Agreement and Plan of Merger. Merger Sub is a wholly-owned subsidiary of Platinum USA, which in turn is a wholly-owned subsidiary of Platinum. By adopting the Agreement and Plan of Merger and approving the merger, you will be approving the appointment of CuShaman LLC as representative of our stockholders under the holdback escrow agreement to be established under the Agreement and Plan of Merger. CuShaman LLC is a limited liability corporation owned by our chairman, Mr. Ronald A. Hirsch.

I enthusiastically support this transaction and join the other members of our board of directors in recommending that you vote for the adoption of the merger agreement and the approval of the merger.

If the merger is completed, we will become a direct subsidiary of Platinum USA and an indirect subsidiary of Platinum and we will no longer have our shares traded on the OTC Pink Sheets. We are asking our stockholders to adopt the merger agreement and approve the merger.

If we complete the merger, our stockholders will receive:

- an amount in cash that we refer to as the **per share merger consideration** for each share of common stock that is outstanding immediately prior to the effective time of the merger; and
- a contingent right to receive an amount in cash that we refer to as the **per share net holdback consideration** for each share of common stock that is outstanding immediately prior to the effective time of the merger which will equal a pro rata share of the amounts remaining, if any, of:
 - a holdback amount of \$3,000,000 that will be available for a period of six months to indemnify Platinum and its subsidiaries for damages arising from certain breaches by us of the merger agreement and expenses associated with our stock options and certain other matters, plus
 - a \$250,000 advance fund on account of expenses to be provided to CuShaman LLC as stockholder representative in connection with the holdback amount.

We estimate that the per share merger consideration will equal **\$1.20** per share. We estimate that the per share net holdback consideration will equal **\$0.07** per share, prior to deduction of fees and expenses associated with the escrow arrangement for the holdback and expenses of the stockholder representative, if there are no claims for damages made against the holdback amount.

The per share merger consideration will be paid to stockholders on consummation of the merger. The per share net holdback consideration will be payable to our stockholders upon expiry of the holdback

period and also upon resolution of any contested claims for damages. All payments will be without interest and subject to applicable withholding taxes.

The merger has been approved by a special committee of our board of directors comprised of independent directors who considered a fairness opinion of an independent financial advisor in reaching their determination. Our board of directors has carefully reviewed and considered the terms and conditions of the merger agreement and proposed merger and the recommendation of the special committee. Based on this review and the recommendation of the special committee, our board of directors (i) determined that the merger and the other transactions contemplated by the merger agreement are fair to and advisable and in the best interests of Nord Resources and its stockholders and (ii) approved the merger agreement and the transactions contemplated thereby, including the merger.

Our board of directors has approved the merger agreement and the transactions contemplated thereby, including the merger and recommends that you vote FOR the adoption of the merger agreement and FOR the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies.

We cannot complete the merger unless the merger agreement is adopted and the merger approved by (i) the holders of a majority of the voting power of the outstanding shares of our common stock, and (ii) the holders of a majority of the outstanding shares of common stock held by our stockholders, exclusive of shares held by Ronald A. Hirsch, our chairman, and Stephen Seymour, one of our directors, who or which attend and are entitled to vote at our stockholders meeting. Your vote is important. We encourage you to read the accompanying proxy statement, including the annexes, in its entirety because it explains the proposed merger, the documents related to the merger and other related matters. You may also obtain additional information about Nord Resources from documents filed with the Securities and Exchange Commission.

Whether or not you plan to attend the special meeting, please take the time to submit a proxy by following the instructions on your proxy card as soon as possible. If you are a stockholder of record, you may submit your proxy by completing, signing, dating and returning the enclosed proxy card by mail in the accompanying pre-addressed, postage paid envelope. You may also submit a proxy by telephone by calling 1-800-PROXIES (1-800-776-9437) or by Internet at www.voteproxy.com. If your shares are held in an account at a brokerage firm, bank or other nominee, you should instruct your broker, bank or nominee how to vote in accordance with the voting instruction form furnished by your broker, bank or nominee. If you do not vote or do not instruct your broker, bank or nominee how to vote, it will have the same effect as voting against the adoption of the merger agreement.

If you sign, date and send your proxy and do not indicate how you want to vote, your proxy will be voted FOR the adoption of the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, provided that no proxy that is specifically marked AGAINST the proposal to adopt the merger agreement will be voted in favor of the adjournment proposal, unless it is specifically marked FOR the adjournment proposal.

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS

To Be Held On December 20, 2006

To the Stockholders of Nord Resources Corporation:

We will hold a special meeting of the stockholders of Nord Resources Corporation at 620 East Wetmore Road, Tucson, Arizona, 85705 on December 20, 2006 at 10:00 a.m. Arizona Time. The purpose of the special meeting will be:

1. to consider and vote on a proposal to adopt the Agreement and Plan of Merger dated as of October 23, 2006, by and among Nord Resources Corporation, Platinum Diversified Mining, Inc. (Platinum), Platinum Diversified Mining USA, Inc. (Platinum USA), and PDM Merger Corp. (Merger Sub) and approve the merger contemplated by the Agreement and Plan of Merger. Merger Sub is a wholly-owned subsidiary of Platinum USA, which in turn is a wholly-owned subsidiary of Platinum. By adopting the Agreement and Plan of Merger and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the holdback escrow agreement to be established under the Agreement and Plan of Merger;
2. to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the merger agreement; and
3. to transact any other business as may properly come before the special meeting or any adjournment or postponement of the special meeting.

Only holders of record of our common stock at the close of business on November 13, 2006, the record date for the special meeting, may vote at the special meeting. Each share of our common stock is entitled to one vote on each matter to be voted upon at the special meeting.

A complete list of our stockholders of record entitled to vote at the special meeting will be available for ten days prior to the special meeting at our executive offices and principal place of business for inspection by stockholders during ordinary business hours for any purpose germane to the special meeting and will also be available at the special meeting.

Stockholders who do not vote in favor of the adoption of the merger agreement will have the right to seek appraisal of the fair value of their shares if the merger is completed, but only if they submit a written demand for appraisal to us before the vote is taken on the adoption of the merger agreement at the special meeting and they comply with all requirements of Section 262 of the General Corporation Law of the State of Delaware, which are summarized in the accompanying proxy statement and attached to it as Annex D.

Your vote is very important. Even if you do not expect to attend the meeting in person, it is important that your shares be represented. If you are a stockholder of record, please use the enclosed proxy card to vote on the matters to be considered at the special meeting by signing and dating the proxy card and mailing it promptly in the enclosed envelope, which requires no postage if mailed in the United States. You may also submit a proxy by telephone by calling 1-800-PROXIES (1-800-776-9437) or by Internet at www.voteproxy.com. Returning a signed proxy card

by mail or submitting your proxy by telephone or Internet will not prevent you from attending the meeting and voting in person if you wish to do so.

Whether you attend the special meeting or not, you may revoke a proxy at any time before it is voted by submitting to our corporate secretary a duly executed revocation of proxy or a duly executed proxy bearing a later date or by appearing at the special meeting and voting in person. You may revoke a proxy by any of these methods, regardless of the method used to deliver your previous proxy. Attendance at the special meeting without voting will not itself revoke a proxy. If your shares are held in an account at a brokerage firm, bank or other nominee, you must contact your broker, bank or nominee and follow their instructions to revoke your proxy.

For more information about the merger described above and the other transactions contemplated by the merger agreement, please review the accompanying proxy statement and the merger agreement attached to it as Annex A.

Ronald A. Hirsch

Chairman of the Board

Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the merger, passed upon the merits or fairness of the merger or passed upon the adequacy or accuracy of the disclosure in the proxy statement. QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers address briefly some questions you may have regarding the special meeting and the proposed merger. These questions and answers may not address all questions that may be important to you as a stockholder of Nord Resources Corporation. Please refer to the more detailed information contained elsewhere in this proxy statement and the annexes to this proxy statement. In this proxy statement, the terms Nord Resources, Company, we, our, ours, and us refer to Nord Resources Corporation. We refer to Platinum Diversified Mining, Platinum , Platinum Diversified Mining USA, Inc. as Platinum USA and PDM Merger Corp. as Merger Sub .

Q: Why am I receiving this proxy statement?

A: We have entered into the merger agreement with Platinum, Platinum USA and Merger Sub. Under the merger agreement, we will become a wholly-owned subsidiary of Platinum USA, which in turn is a subsidiary of Platinum, and our common stock will no longer be traded on the OTC Pink Sheets. A copy of the merger agreement is attached to this proxy statement as Annex A.

In order to complete the merger, our stockholders must vote to adopt the merger agreement. Our board of directors is providing this proxy statement to give you information for use in determining how to vote on the proposals submitted to the stockholders at the special meeting of our stockholders. You should read this proxy statement and the annexes carefully. The enclosed proxy card allows you, as our stockholder, to vote your shares without attending the special meeting.

Q: When and where is the special meeting?

A: The special meeting of stockholders will take place at 620 East Wetmore Road, Tucson, Arizona, 85705 on December 20, 2006 at 10:00 a.m. Arizona Time.

Q: What matters will be voted on at the special meeting?

A: You will vote on a proposal to adopt the merger agreement and a proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if necessary or appropriate.

Q: Who can vote or submit a proxy to vote and attend the special meeting?

A: All stockholders as of the close of business on November 13, 2006, the record date for the special meeting, are entitled to receive notice of and to attend and vote or submit a proxy to vote at the special meeting. If you want to attend the special meeting and your shares are held in an account at a brokerage firm, bank or other nominee, you will need to bring a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. If you hold options or warrants to purchase shares of our common stock and you exercise your options or warrants after the record date, you will not be entitled to attend or vote at the special meeting.

Q: As a stockholder, what will I be entitled to receive in the merger?

A: At the effective time of the merger, each share of our capital stock outstanding immediately prior to the effective time of the merger (other than shares held by us, our wholly-owned subsidiaries, Platinum USA or Merger Sub or by holders properly exercising appraisal rights under Delaware law), will be automatically converted into:

- an amount in cash that we refer to as the **per share merger consideration** which will be calculated based on the aggregate merger consideration to be paid on consummation of the merger, which amount will be exclusive of a holdback amount of \$3,000,000; and
- a contingent right to receive an amount that we refer to as the **per share net holdback consideration** which will equal a pro rata share of the amounts remaining, if any, of:
 - the holdback amount of \$3,000,000 after the expiry of a six month holdback period during which the holdback amount will be available to indemnify Platinum, Platinum USA and the surviving corporation for any damages arising from certain breaches by us of the merger agreement and expenses associated with our stock options and certain other matters, plus
 - a \$250,000 advance fund on account of expenses to be provided to CuShaman LLC as stockholder representative in connection with the holdback amount.

We estimate that the per share merger consideration will equal **\$1.20** per share, however the final per share merger consideration could be more or less than this amount. We estimate that the per share net holdback consideration will equal **\$0.07** per share, prior to deduction of fees and expenses associated with the escrow arrangement for the holdback and expenses of the stockholder representative, if there are no claims for damages made against the holdback amount. There is no assurance that any portion of the holdback amount or the stockholder advance will be available for payout to our stockholders upon expiry of the six month holdback period.

The per share merger consideration and the per share net holdback consideration will each be paid without interest and less any applicable withholding taxes.

The per share merger consideration will be paid to our stockholders on consummation of the merger. Any per share net holdback consideration will be paid to our stockholders upon expiry of the holdback period and also upon resolution of any contested claims for damages.

Q: How will the Per Share Merger Consideration be calculated?

A. The aggregate merger consideration to be paid by Platinum and Platinum USA to our security holders on consummation of the merger will be calculated in accordance with the merger agreement based on the following formula:

- the amount of \$60,000,000; less
- a holdback amount of \$3,000,000; less
- the advance fund of \$250,000 to be provided to CuShaman LLC as stockholder representative in connection with the holdback; less
- certain liabilities of Nord Resources as of the effective time of the merger, including liabilities on account of our corporate debt, certain deferred payments on account of salaries, consultant fees and severance payments and transaction expenses associated with the merger that Platinum has not agreed to reimburse; plus
- the amount of our cash on closing, plus
- certain expenses for which Platinum has agreed to reimburse us, including expenses associated with completing the merger, subject to specified limits, and expenses associated with the maintenance of our interest in our Coyote Springs property.

The amount of liabilities and cash as of the effective time of the merger will be based on a balance sheet of Nord Resources to be delivered by Nord Resources to Platinum prior to closing.

Q: What is the purpose of the holdback?

A. In aggregate, a total of \$3,000,000 will be held back from the amount paid to the stockholders of Nord Resources on consummation of the merger. The holdback amount will be held in trust for a holdback period of six months pursuant to the terms of a holdback escrow agreement to be executed upon consummation of the merger. During the holdback period, the holdback amount may be used to indemnify, defend and hold harmless Platinum, Platinum USA and the surviving corporation of the merger from and against any and all damages arising from certain breaches by us of the merger agreement and expenses associated with our stock options and certain other matters.

Q: Who will represent the interests of the stockholders of Nord Resources under the Holdback Escrow Agreement?

A. CuShaman LLC, a limited liability company of which Ronald A. Hirsch, our chairman, is the sole member, will be the representative of our security holders, including our stockholders and the holders of our options, warrants, convertible notes and deferred stock units, under the escrow agreement. We will advance \$250,000 to the stockholder representative to fund expenses incurred by the stockholder representative in representing our security holders under the escrow agreement. Any unused portion of this stockholder representative advance will be included in the per share net holdback consideration. By adopting the merger agreement and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the escrow agreement.

Q: How will the Per Share Net Holdback Consideration be calculated?

A. The aggregate amount of the per share net holdback consideration that will be paid to our security holders will be determined based on the following formula:

- the original holdback amount of \$3,000,000, less
- the amount of the holdback paid to satisfy claims for damages by Platinum, Platinum USA and the surviving corporation; less
- fees, costs and expenses of the transfer agent, after application of any interest earned on the holdback amount, plus
- the remaining amount of the \$250,000 advance to the stockholder representative after payment of any expenses of the stockholder representative.

If the total amount of (i) any claims for damages that have been paid out during the holdback period, plus (ii) fees, costs and expenses of the transfer agent, is equal to or in excess of the holdback amount, then there will be no amount of the holdback available for payment to our security holders. Similarly, if the expenses of the stockholder representative equal or exceed \$250,000, then there will be no portion of this amount available for payment to our security holders.

Q: When will the Per Share Net Holdback Consideration be paid?

A. The per share net holdback consideration will be paid upon expiry of the six month holdback period in the event that there are no claims for damages made by Platinum, Platinum USA and the surviving corporation during the holdback period, or if any such claims have been paid out or withdrawn during the holdback period. If there are any claims for damages made by Platinum, Platinum USA and the surviving corporation that are the subject of arbitration proceedings at the time of expiry of the holdback period, the per share net holdback consideration, if any, less the amount of those claims and a reasonable estimate of related expenses will be paid out on the end of the six month holdback period and the remainder, if any, will not be paid until a final arbitration award in respect of such claims has been made in the manner contemplated by the escrow agreement.

Q: Has Platinum paid a deposit in connection with the merger?

A. Yes. Platinum paid a deposit of \$500,000 upon execution of the merger agreement. This deposit will be increased by additional deposits of \$250,000 each due on November 30, 2006 and December 27, 2006. The deposit is held in trust pursuant to a deposit escrow agreement. The deposit will be paid to us in the event of termination of the merger agreement in certain circumstances, including termination by us in the event that the shareholders of Platinum do not adopt and approve the merger agreement and the merger. The deposit will be returned to Platinum in the event of termination of the merger agreement in certain circumstances, including in the event that our stockholders do not adopt the merger agreement and approve the merger. The deposit will form part of the merger consideration to be paid to our security holders by Platinum on consummation of the merger in the event that the merger is consummated.

Q: Is either party obligated to pay a termination fee if the merger agreement is terminated?

A. Yes. We are obligated to pay a termination fee to Platinum in the amount of \$2.0 million in the event of termination of the merger agreement in certain circumstances, including in the event that we terminate the merger agreement in order to accept a superior proposal. Platinum is obligated to pay a termination fee to us in the amount of \$2.0 million in the event of termination of the merger agreement in certain circumstances, including in the event that Platinum's board of directors withdraws, qualifies or modifies its approval of the merger agreement. In addition, we will be obligated to re-pay to Platinum any amounts paid to us by Platinum as reimbursement of (i) expenses incurred by us in connection with the maintenance of our interest in the Coyote Springs property, and (ii) in certain circumstances where we are obligated to pay a termination fee, one-half of the cost of the fairness opinion provided by GMP Securities.

Q: If I hold options (including options that vest as a result of the merger) or warrants to purchase shares of common stock, how will my options or warrants be treated in the merger?

A: If you hold in-the-money vested options or warrants to purchase shares of our common stock, or if you hold in-the-money options that will vest as a result of the merger, you will receive:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the excess, if any, of (A) the per share merger consideration over (B) the per share exercise price of the option or warrant, multiplied by (ii) the number of shares of our common stock subject to such option or warrant immediately prior to the effective time, and
- a contingent right to receive a portion of the remaining holdback amount and the stockholder advance fund in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to the option or warrant immediately prior to the effective time.

Any unvested portion of your option will be cancelled and you will not receive payment for the unvested portion of your option. If your options or warrants have an exercise price equal to or greater than the per share merger consideration plus the amount of the per share net holdback consideration, you will not receive any consideration in the merger with respect to those options or warrants.

Q: Is the merger contingent upon Platinum obtaining financing?

A: No. The completion of the merger is not contingent upon Platinum obtaining financing. Platinum has represented to us that it has access to, and will have at closing, sufficient funds available to complete the merger. Platinum was admitted to trading on the AIM stock market on March 14, 2006. At that time, Platinum raised approximately \$77.9 million via a public flotation of units comprised of shares and share

purchase warrants of Platinum. Platinum plans to use the proceeds of its public flotation to pay the merger consideration.

Q: Is the merger contingent upon satisfaction of conditions?

A: Yes, consummation of the merger is subject to satisfaction or waiver of a number of conditions, including:

- the stockholders of Nord Resources must adopt the merger agreement in the manner described below; and
- the shareholders of Platinum must approve the merger agreement and the merger in the manner described below.

We can not assure you that all of these conditions will be satisfied.

Q: What approval of the shareholders of Platinum is required to effect the merger?

A: The merger agreement must be approved and adopted by the shareholders of Platinum at an extraordinary general meeting of the shareholders of Platinum by a resolution passed by 80% or more of the shares of Platinum voted at such extraordinary general meeting. In addition, it is a condition of the merger agreement that shareholders of Platinum, exclusive of the founding shareholders of Platinum, holding 20% or more of the issued shares of Platinum shall not have voted against approving the merger agreement and the merger.

Q: When is the extraordinary meeting of the shareholders of Platinum scheduled to be held?

A: Platinum has agreed to hold the extraordinary meeting of its shareholders prior to December 29, 2006. That meeting is scheduled to be held on November 27, 2006.

Q: What approval of the stockholders of Nord Resources is required to effect the merger?

A: The merger agreement must be adopted at our stockholders meeting by:

- the holders of the majority of our outstanding shares of common stock; and
- the holders of the majority of our outstanding shares of common stock, exclusive of shares held by Ronald A. Hirsch, our chairman, and Stephen Seymour, one of our directors, who or which attend and are entitled to vote at our stockholders meeting.

Q: How does our board of directors recommend that I vote?

A: Our board of directors recommends that you vote **FOR** the proposal to adopt the merger agreement and **FOR** the proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if necessary or appropriate.

Q: Why is our board of directors recommending that I vote **FOR the proposal to adopt the merger agreement?**

A: Our board of directors carefully reviewed and considered the terms and conditions of the merger agreement and proposed merger. Based on this review, our board of directors determined that the merger is advisable, fair to and in the best interests of us and our stockholders. In reaching its decision to approve and adopt the merger agreement and to recommend the adoption of the merger agreement by our stockholders, our board of directors considered, among other things, the recommendation of a special

committee of independent directors established to evaluate the merger and the merger agreement. The special committee was comprised of our independent directors, namely Wade Nesmith, John Cook and Doug Hamilton. The special committee engaged a financial advisor that delivered a fairness opinion in support of the merger agreement and concluded that the merger and the merger agreement were fair to our stockholders from a financial perspective. Our board of directors considered the recommendation of the special committee in reaching its decision. In addition, our board of directors consulted with our management, as well as our legal and financial advisors, and considered the terms of the merger agreement and the transactions contemplated by the merger agreement. Our board of directors also considered each of the items set forth on pages 39 through 42 under The Merger Recommendation of Our Board of Directors; Our Reasons for the Merger.

Q: How many votes am I entitled to cast for each share of Nord Resources stock I own?

A: For each share of our common stock that you own on November 13, 2006, the record date for the special meeting, you are entitled to cast one vote on each matter voted upon at the special meeting.

Q: Have any stockholders of Nord Resources agreed to vote in favor of the adoption of the merger agreement?

A: Yes. Concurrently with entering into the merger agreement, Platinum and Platinum USA entered into voting agreements with certain of our directors and certain officers, namely Ronald A. Hirsch and Stephen Seymour. These voting agreements provide that Mr. Hirsch and Mr. Seymour will vote their shares, which represented approximately twenty six percent (26%) of our outstanding shares as of November 13, 2006, the record date for the special meeting, in favor of the merger.

Q: I don't hold a significant number of Nord Resources shares; do I still need to vote my shares?

A: Yes, your vote is important. Nord Resources has thousands of stockholders, none of whom holds more than 17% of our outstanding capital stock. Since we need a majority of all of our outstanding shares to approve the merger, your vote is important.

Q: How do I cast my vote?

A: Before you vote, you should read this proxy statement in its entirety, including its annexes, and carefully consider how the merger affects you. Then, if you were a holder of record at the close of business on November 13, 2006, you may vote by submitting a proxy for the special meeting. You can submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying preaddressed, postage paid envelope. You may also submit a proxy by telephone by calling 1-800-PROXIES (1-800-776-9437) or by Internet at www.voteproxy.com. If you submit your proxy by telephone or Internet, please have your proxy card available and follow the instructions that are provided. You may also attend the special meeting and vote your shares in person whether or not you sign and return your proxy card or submit your proxy by telephone or Internet.

The laws of Delaware, under which we are incorporated, specifically permit electronically transmitted proxies, provided that each such proxy contains or is submitted with information from which it can be determined that such proxy was authorized by the stockholder. The telephone and Internet voting procedures available to you are designed to authenticate your identity, to allow you to vote your shares and to confirm that your instructions have been properly recorded.

If you submit your proxy and do not indicate how you want to vote, your proxy will be voted FOR the adoption the merger agreement and FOR the proposal to adjourn the special meeting for the

purpose of soliciting additional proxies, if necessary, provided that no proxy that is specifically marked **AGAINST** the proposal to adopt the merger agreement will be voted in favor of the adjournment proposal, unless it is specifically marked **FOR** the adjournment proposal.

Beneficial owners whose stock is held in street name do not receive our form of proxy card. Instead, they receive voting instruction forms from their banks, brokers or ADP Investor Communications Services, an agent for brokers and banks. Beneficial owners may also be able to vote by telephone or the Internet. They should follow the instructions on the voting form they receive from their bank, broker or other agent.

Q: How do I cast my vote if my Nord Resources shares are held in street name by my bank, broker or another nominee?

A: If you hold your shares in street name, which means your shares are held of record by a broker, bank or nominee, you must provide the record holder of your shares with instructions on how to vote your shares in accordance with the voting directions provided by your broker, bank or nominee. If you do not provide your broker, bank or nominee with instructions on how to vote your shares, it will not be permitted to vote your shares. This will have the same effect as voting against the proposal to adopt the merger agreement. Please refer to the voting instruction card provided by your broker, bank or nominee to see if you may submit voting instructions using the Internet or telephone.

Q: What will happen if I abstain from voting or fail to vote on the proposal to adopt the merger agreement or the proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if necessary?

A: **If you abstain from voting, fail to cast your vote in person or by proxy or fail to give voting instructions to your broker, bank or nominee, it will have the same effect as a vote against the proposal to adopt the merger agreement.** A failure to cast a vote or failure to give voting instructions will have no effect on the proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if such a proposal to adjourn is necessary or appropriate, while an abstention will have the same effect as a vote against the adjournment proposal.

Q: Can I change my vote after I have delivered my proxy?

A: Yes, you may revoke and change your vote at any time before your proxy card is voted at the special meeting. You can do this in one of three ways:

- first, you can provide a written notice to our corporate secretary prior to the special meeting stating that you would like to revoke your proxy;
- second, you can complete and submit a later dated proxy in writing; or
- third, if you are a holder of record, you can attend the special meeting and vote in person, which will automatically cancel any proxy previously given, or you may revoke your proxy in person; your attendance alone, however, will not revoke any proxy that you have previously given.

If you have instructed a broker, bank or other nominee to vote your shares, you must follow the directions received from your broker, bank or other nominee to change those instructions.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage

account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete and submit each proxy card and voting instruction card that you receive.

Q: What rights do I have if I oppose the merger?

A: Under Section 262 of the General Corporation Law of the State of Delaware, holders of our common stock who do not vote in favor of the proposal to adopt the merger agreement will have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the merger is completed, but only if they deliver a written demand for an appraisal to us prior to the vote on the adoption of the merger agreement and they comply with the Delaware law procedures explained in this proxy statement, including by not voting in favor of the adoption of the merger agreement. Dissenting stockholders who properly perfect their appraisal rights will receive only the judicially-determined fair value of their shares if one or more dissenting stockholders files suit in the Delaware Court of Chancery and litigates the resulting appraisal case to a decision. The judicially-determined appraisal amount could be more than, the same as or less than the amount the dissenting stockholder would be entitled to receive under the terms of the merger agreement. For additional information about appraisal rights, see *The Merger Appraisal Rights* on page 54.

Q: Is the merger expected to result in a taxable transaction?

A: Generally, yes. The receipt of cash for each share of our common stock pursuant to the merger will be a taxable transaction for United States federal income tax purposes. For United States federal income tax purposes, generally you will recognize gain or loss as a result of the merger measured by the difference, if any, between the amount of cash per share that you receive and your adjusted tax basis in that share.

You should read *The Merger Material U.S. Federal Income Tax Consequences* on page 52 for a more complete discussion of the United States federal income tax consequences of the merger. Tax matters can be complicated, and the tax consequences of the merger to you will depend on your particular tax situation. We urge you to consult your tax advisor on the tax consequences of the merger to you.

Q: Should I send in my share certificates now?

A: No. Promptly after the merger is completed, you will be sent a letter of transmittal with written instructions for exchanging your share certificates for the cash consideration. These instructions will tell you how and where to send in your certificates for your cash consideration. You will receive your cash payment after the paying agent receives your stock certificates and any other documents requested in the instructions.

Q: When do you expect the merger to be completed?

A: We are working to complete the merger as quickly as possible. We currently expect to complete the merger on or about December 22, 2006.

Q: Where can I find out more information about Nord Resources?

A: We file annual reports on Form 10-KSB, which include our audited financial statements, quarterly reports on Form 10-QSB, current reports on Form 8-K and our proxy statements with the Securities and Exchange Commission. You may read and copy these reports, proxy statements and other information at the Securities and Exchange Commission's Public Reference Section at 100 F Street, N.E., Washington, DC 20549. The Securities and Exchange Commission also maintains an Internet website, located at <http://www.sec.gov>, that contains these reports, proxy statements and other information regarding Nord Resources and other registrants that file electronically with the Securities and Exchange Commission.

Q: Who can help answer my questions?

SUMMARY TERM SHEET

This summary term sheet, together with the section of this proxy statement entitled Questions and Answers About the Merger, highlights selected information from this proxy statement and may not contain all of the information that is important to you as a Nord Resources stockholder or that you should consider before voting on the proposal to adopt the merger agreement. To better understand the merger, you should read carefully this entire proxy statement and all of its annexes, including the merger agreement, which is attached as Annex A, before voting on the proposal to adopt the merger agreement. Each item in this summary includes a page reference directing you to a more complete description of that item.

Information about Nord Resources Corporation, Platinum Diversified Mining, Inc., Platinum Diversified Mining USA, Inc., and PDM Merger Corp. (page 27)

Nord Resources Corporation

We are in the business of exploring for and developing mineral resource properties. Our principal asset is the Johnson Camp copper mine located in Arizona that we acquired in 1999 from Arimetco Inc. In addition, we have options to acquire interests in three exploration stage projects, namely, the Coyote Springs and the Texas Arizona Mines projects, both located in Arizona, and Mimbres project, located in New Mexico.

The Johnson Camp mine is an existing open pit copper mine that includes two existing open pits, namely the Burro and the Copper Chief, and a production facility that uses the solvent extraction, electrowinning (SX-EW) process. The Johnson Camp mine produced copper from 1975 to 2003. The Johnson Camp mine was placed on a care and maintenance program in 2003 due to weak market conditions for copper at that time and is presently not in production. In order to resume full mining

operations, we will have to complete a mine development plan that has been outlined in a feasibility study that we have obtained as part of our efforts to re-activate production at the Johnson Camp mine. The mine development plan calls for initial capital costs in excess of \$22 million (including working capital) to be incurred within the first two years of start-up. These capital expenses relate primarily to the rehabilitation of solution ponds, refurbishment and a modest expansion of the copper production facility, and the purchase and installation of crushing and conveying equipment.

Our plan of operations for the past two years has been to pursue the financing that will be necessary to enable us to resume mining and leaching operations at the Johnson Camp mine, with the objective of producing approximately 25 million pounds of copper per year. We have not been successful in achieving this financing to date. If we do not complete the merger, we plan to resume pursuit of this financing with the objective of completing the mine development plan and bringing the Johnson Camp mine into production.

Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona 85705 and out telephone number is (520) 292-0266.

Platinum Diversified Mining, Inc. (or Platinum)

Platinum Diversified Mining, Inc. is a special purpose acquisition corporation organized under the laws of the Cayman Islands on January 12, 2006. It was formed with the purpose of effecting one or more business combinations with unidentified operating businesses in the metals and mining industries. Platinum's stated investment strategy is to invest in the mining industry by acquiring producing assets and/ or developing assets with near term production.

On March 14, 2006, Platinum was admitted to the AIM stock market following the completion of a public flotation of units comprised of common shares and share purchase warrants from which it derived net proceeds of \$77.9 million. The net proceeds from the public flotation were placed in a trust account that is governed by an investment management trust agreement entered into between Platinum and American Stock Transfer and Trust Company. Such funds will be used to pay the merger consideration to our stockholders upon consummation of the merger.

Platinum Diversified Mining USA, Inc. is a Delaware corporation that was formed by Platinum as a wholly owned subsidiary of Platinum to be the United States parent and holding corporation of Merger Sub. We refer to Platinum Diversified Mining USA, Inc. as Platinum USA. PDM Merger Corp. is a Delaware corporation that was formed by Platinum to effect a merger with Nord Resources and is a wholly-owned subsidiary of Platinum USA. We refer to PDM Merger Corp. as Merger Sub. Neither Platinum USA nor Merger Sub has conducted any other activities to date other than activities incidental to its formation and in connection with the transactions contemplated in the merger agreement.

The principal executive office of Platinum is located at 152 West 57th Street, 54th Floor, New York, NY 10019, and its telephone number is (212) 582-2222.

The Merger (page 27)

We have agreed to be acquired by Platinum pursuant to the terms of the merger agreement that is described in this proxy statement and attached as Annex A. We encourage you to read the merger agreement carefully and in its entirety. It is the principal document governing the merger. The merger agreement provides that Merger Sub will merge into Nord Resources, with Nord Resources continuing as the surviving corporation and a wholly-owned subsidiary of Platinum USA, which will in turn be a subsidiary of Platinum.

Following the completion of the merger, we will no longer be a public company and you will cease to have any ownership interest in Nord Resources and will not participate in any future earnings and growth of Nord Resources or the development of the Johnson Camp mine. Further, you will not have any ownership interest in Platinum and will not participate in any future earnings and growth of Platinum.

Stockholders who do not vote in favor of the adoption of the merger agreement will have the right to seek appraisal of the fair value of their shares if the merger is completed, but only if they submit a written demand for appraisal to us before the vote is taken on the adoption of the merger agreement at the special meeting and they comply with all requirements of Delaware law. After the merger is effected, each dissenting stockholder will no longer have any rights as a stockholder of Nord Resources with respect to his or her shares, except for the right to receive payment of the fair value of his or her shares under Delaware law as determined by the Delaware Court of Chancery if the stockholder has validly perfected and not withdrawn this right. Dissenting stockholders will receive only the judicially-determined fair value of their shares if one or more dissenting stockholders files suit in the Delaware Court of Chancery and litigates the resulting appraisal case to a decision. For additional information about appraisal rights, see *The Merger Appraisal Rights* on page 54.

The Merger Consideration (page 58)

At the effective time of the merger, each share of our capital stock outstanding immediately prior to the effective time of the merger (other than shares held by us, our wholly-owned subsidiaries, Platinum USA or Merger Sub or by holders properly exercising appraisal rights under Delaware law, whose shares will be cancelled), will be automatically converted into:

- the right to receive an amount in cash equal to the **per share merger consideration**; and
- a contingent right to receive an amount in cash equal to the **per share net holdback consideration**.

We estimate that the per share merger consideration will equal **\$1.20** per share, however the final per share merger consideration could be more or less than this amount. We estimate that the per share net holdback consideration will equal **\$0.07** per share, prior to deduction of fees and expenses associated with the escrow arrangement for the holdback and expenses of the stockholder representative, if there are no claims for damages made against the holdback amount. There is no assurance that any portion of the holdback amount or the stockholder advance will be available for payout to our stockholders upon expiry of the six month holdback period.

The per share merger consideration and the per share net holdback consideration will each be paid without interest and less any applicable withholding taxes.

The per share merger consideration will be paid to our stockholders on consummation of the merger. Any per share net holdback consideration will be paid to our stockholders upon expiry of the holdback period and also upon resolution of any contested claims for damages.

The Holdback (page 61)

A total of \$3,000,000 on account of a holdback will be placed in trust on the terms of a holdback escrow agreement upon consummation of the merger.

During the holdback period, the holdback amount may be used to indemnify, defend and hold harmless Platinum, Platinum USA and the surviving corporation of the merger from and against any and all damages arising from (i) inaccuracies in the calculation of the per share merger consideration, (ii) inaccuracies in the closing balance sheet, (iii) breaches by us of certain of our representations and

warranties set forth in the merger agreement, including representations regarding our capitalization, executive compensation and related party transactions, (iv) costs and expenses connected with the cancellation or termination of certain out-of-the-money stock options, subject to an aggregate limit of \$25,000, and (v) costs and expenses connected with the termination of Nord's 401(k) plan, subject to an aggregate limit of \$100,000. The holdback amount will be used to satisfy any claims for damages made by Platinum, Platinum USA and the surviving corporation during the holdback period. Any claims made are subject to arbitration provisions in the event of a disagreement between Platinum, Platinum USA and the surviving corporation and CuShaman LLC, as the stockholder representative.

The merger agreement includes provisions for claims for damages to be made by Platinum, Platinum USA and the surviving corporation against the holdback amount. The merger agreement also includes arbitration provisions that will be apply if the stockholder representative contests any claim for damages made by Platinum, Platinum USA and the surviving corporation under the escrow agreement.

The Holdback Escrow Agreement (page 62)

The parties to the holdback escrow agreement will be American Stock Transfer & Trust Company, the paying agent under the merger agreement, as escrow agent, Platinum, Platinum USA and CuShaman LLC, as representative of the stockholders of Nord Resources. The fees, costs and expenses of the escrow agent in administering the escrow agreement will be deducted from the holdback amount. Interest earned on the holdback amount will be applied as a credit against these fees, costs and expenses, with any balance being remitted to Platinum.

Nord Stockholder Representative (page 62)

CuShaman LLC, a limited liability company of which Ronald A. Hirsch, our chairman, is the sole member, will be the representative of our security holders, including our stockholders and the holders of our options, warrants, convertible notes and deferred stock units, under the escrow agreement. We will advance \$250,000 to the stockholder representative to fund expenses incurred by the stockholder representative in representing our security holders under the escrow agreement. Any unused portion of this stockholder representative advance fund will be included in the per share net holdback consideration. The stockholder representative will not be liable for any act done or omitted under the escrow agreement while acting in good faith, and any act done or omitted pursuant to the advice of legal counsel will be conclusive evidence of good faith. By adopting the merger agreement and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the escrow agreement. A form of the Holdback Escrow Agreement is attached to this proxy statement as Annex E.

The Deposit (page 63)

Platinum paid a deposit of \$500,000 upon execution of the merger agreement. This deposit will be increased by additional deposits of \$250,000 each due on November 30, 2006 and December 27, 2006. The deposit is held in trust pursuant to a deposit escrow agreement. The deposit will be paid to us in the event of termination of the merger agreement in certain circumstances, including termination by us in the event that the shareholders of Platinum do not adopt and approve the merger agreement and the merger. The deposit will be returned to Platinum in the event of termination of the merger agreement in certain circumstances, including in the event that our stockholders do not adopt the merger agreement and approve the merger. The deposit will form part of the merger consideration to be paid to our security holders by Platinum on consummation of the merger in the event that the merger is consummated

Payments by Platinum USA on Consummation of the Merger (page 63)

Platinum has agreed to cause Platinum USA to pay the following liabilities of Nord Resources upon consummation of the merger to the extent that these liabilities remain unpaid as of consummation of the merger:

- liabilities comprising our corporate debt, as determined in accordance with the per share merger consideration calculation;
 - liabilities comprising our deferred payments, as determined in accordance with the per share merger consideration calculation;
 - liabilities comprising transaction expenses related to the negotiation of the merger agreement and completion of the merger, including specifically expenses for accounting, legal, investment bankers, the fairness opinion of GMP Securities and the preparation, filing and mailing of this proxy statement; and
 - liabilities that we have incurred in connection with a proposed public offering of our common stock.
- These payments have been taken into account in calculating the per share merger consideration.

Effect of the Merger on Stock Options and Warrants (page 64)

Each outstanding in-the-money vested option and warrant to purchase shares of our common stock, including options that will vest as a result of the merger, will be converted into:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the excess, if any, of (A) the per share merger consideration over (B) the per share exercise price of the option or warrant, multiplied by (ii) the number of shares of our common stock subject to such option or warrant immediately prior to the effective time, and
- a contingent right to receive a portion the remaining holdback amount and the stockholder advance fund in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to such option or warrant immediately prior to the effective time.

Any unvested portion of any option will be cancelled and the holder will not receive payment for the unvested portion of the option. If the options or warrants have an exercise price equal to or greater than the per share merger consideration plus the amount of the per share net holdback consideration, the holder will not receive any cash consideration in the merger with respect to those options or warrants.

The Special Meeting (page 23)

The special meeting of our stockholders will be held at 620 East Wetmore Road, Tucson, Arizona, 85705, on December 20, 2006 at 10:00 a.m. Arizona Time. At the special meeting, you will be asked to vote on the proposal to adopt the merger agreement and, if necessary, the proposal to adjourn the special meeting to solicit additional proxies.

Stockholders Entitled to Vote; Record Date; Vote Required (page 23)

Only holders of record of our common stock at the close of business on November 13, 2006, the record date for the special meeting, may vote at the special meeting. For each share of our common stock that you owned on the record date, you are entitled to cast one vote on each matter voted upon at the special meeting.

Adoption of the merger agreement requires the affirmative vote of (i) the holders of a majority of the voting power of the outstanding shares of our common stock, and (ii) the holders of a majority of the outstanding shares of our common stock held by our stockholders, other than Ronald Hirsch and Steven Seymour, who or which attend and are entitled to vote at our stockholders meeting. Approval of the proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if necessary, requires a majority of the shares present and voting on the proposal.

Voting Agreements (page 78)

Concurrently with entering into the merger agreement, Platinum and Platinum USA entered into voting agreements with certain of our directors and certain officers, namely Ronald Hirsch and Stephen Seymour. These voting agreements provide that each of these directors and officers will vote their shares, which represented approximately 26% of our outstanding shares as of November 13, 2006, the record date for the special meeting, in favor of the merger. The voting agreements terminate on the earlier of (i) the date of closing of the merger, (ii) termination of the merger agreement in accordance with its terms (including if Nord Resources terminates the merger agreement to accept a superior proposal), and (iii) the written agreement of the parties. We encourage you to read the form of voting agreement carefully in its entirety. For additional information about the voting agreements, see The Merger Agreement Voting Agreements on page 78. A form of the voting agreement is attached to this proxy statement as Annex B.

Shares Owned by Our Directors and Executive Officers (page 80)

As of November 13, 2006, the record date for the special meeting, our directors and executive officers beneficially owned 10,813,343 shares of common stock (excluding options, warrants, convertible notes and deferred stock units exercisable within 60 days) entitled to vote at the meeting, or approximately 32% of our total voting power outstanding on that date.

Procedures for Receiving Merger Consideration (page 65)

As soon as practicable after the effective time of the merger, American Stock Transfer and Trust Company as the paying agent will mail a letter of transmittal and instructions to you and the other Nord Resources stockholders. The letter of transmittal and instructions will tell you how to surrender your shares in exchange for the merger consideration. You should not return your stock certificate with the enclosed proxy card or voting instruction card, and you should not forward your stock certificate to the exchange agent without a letter of transmittal.

The per share net holdback consideration will be paid by American Stock Transfer and Trust Company as the paying agent upon expiry of the six month holdback period in the event that there are no claims for damages made by Platinum, Platinum USA and the surviving corporation during the holdback period, or if any such claims have been paid out or withdrawn during the holdback period. If there are any claims for damages made by Platinum, Platinum USA and the surviving corporation that are the subject of arbitration proceedings at the time of expiry of the holdback period, the per share net holdback consideration, if any, less the amount of those claims and a reasonable estimate of related expenses will be paid out on the end of the six month holdback period and the remainder, if any will not be paid until a final arbitration award in respect of such claims has been made in the manner contemplated by the escrow agreement.

- determined that it was in the best interests of us and our stockholders to enter into the merger agreement and consummate the merger on the terms and conditions set forth in the merger agreement; and

Our board of directors recommends that our stockholders vote *FOR* the proposal to adopt the merger agreement and *FOR* the proposal to adjourn the special meeting, if necessary, to solicit additional proxies.

To review the background of the merger and the factors that our board of directors considered when deciding whether to approve the merger agreement and the transactions contemplated by the merger agreement, see *The Merger Background of the Merger* on pages 29 through 38.

These bonuses were approved by our independent directors. These amounts will be paid on consummation of the merger and are included in our estimate of the amount of the deferred payments to be made upon consummation of the merger. These estimated unpaid bonuses are summarized as follows:

	Accrued but Unpaid Bonuses
Erland Anderson, President and Chief Executive Officer	\$300,000
Ronald Hirsch, Chairman	\$300,000
John Perry, Senior Vice President, Secretary, Treasurer and Chief Financial Officer	\$300,000

Opinion of Financial Advisors (page 42)

In connection with the merger, our board of directors constituted a special committee comprised of independent directors that was charged with the mandate of negotiating the merger and the merger agreement and evaluating whether the merger and merger agreement are fair to our stockholders. In undertaking its mandate, the special committee engaged GMP Securities L.P. to act as financial advisor to the special committee. Pursuant to this engagement GMP Securities delivered its written opinion as to the fairness, from a financial perspective, of the merger consideration to be received by holders of our common stock. The full text of the written opinion of GMP Securities, dated October 20, 2006, is attached to this proxy statement as Annex C. Holders of our equity securities are encouraged to read this opinion carefully in its entirety for a description of the assumptions made, procedures followed, matters considered and limitations on the review undertaken. GMP Securities' opinion was directed to the special committee of our board of directors in connection with its evaluation of the merger consideration, does not address any other aspect of the merger and does not constitute a recommendation to any stockholder as to how to vote or act with respect to the merger agreement. We agreed to pay GMP Securities a fee of \$175,000 upon the delivery of its fairness opinion, which amount was in addition to \$75,000 previously paid to GMP Securities in September 2006 as a retainer fee.

Delisting and Deregistration of Our Common Stock (page 52)

If the merger is completed, our common stock will no longer be traded on the OTC Pink Sheets and will be deregistered under the Securities Exchange Act of 1934 (or Exchange Act), and we will no longer file periodic reports

with the Securities and Exchange Commission.

Litigation Relating to the Merger (page 52)

As of the date of this proxy statement, we are unaware of any lawsuits filed against us or our board of directors in connection with the merger.

The Merger Agreement (page 57)

Agreement to Use Reasonable Best Efforts (page 67)

We and Platinum, Platinum USA and Merger Sub have agreed to use our reasonable best efforts to take, or cause to be taken, promptly all actions, and to do, or cause to be done, promptly all things necessary, proper or advisable under the merger agreement and applicable laws to consummate the merger and the other transactions contemplated by the merger agreement as soon as practicable. This agreement includes preparing, filing and mailing as promptly as practicable all documentation and all necessary applications, notices, petitions, filings, and other documents, and to obtain as promptly as practicable the required approvals set forth in the merger agreement.

Nord Resources Stockholders Meeting and Duty to Recommend (page 68)

We have agreed to call a meeting of our stockholders as soon as practicable following the execution of the merger agreement for the purpose of obtaining approval by our stockholders of the merger agreement and the merger. We agreed to prepare and file this proxy statement with the Securities and Exchange Commission (SEC) in connection with this meeting of our stockholders. Platinum agreed to provide us with all information regarding it and its business that we reasonably request in connection with any response to the SEC. We agreed to cause the proxy statement to be mailed to our stockholders as promptly as reasonably practicable. This proxy statement represents the proxy statement that we are obligated to file with the SEC and mail to our stockholders in connection with obtaining approval of the merger agreement and the merger.

Our board of directors has (a) determined that the merger agreement and the merger are advisable, fair to and in the best interests of our stockholders; (b) declared the merger advisable and in all respects approved the merger agreement and the merger; and (c) resolved to recommend that our stockholders adopt the merger agreement and approve the merger. We have agreed to include this recommendation of our board of directors in this proxy statement.

Extraordinary Meeting of Platinum Shareholders (page 68)

Platinum has agreed to, as promptly as practicable, duly call, give notice of, convene and hold an extraordinary general meeting of the holders of its ordinary shares in connection with the merger agreement and the merger and the new admission document to be delivered by Platinum in accordance with the rules of the AIM stock market. The new admission document will contain the recommendation of Platinum's board of directors that the shareholders of Platinum vote in favor of the merger. The general meeting of Platinum's shareholders will be conducted in accordance with the rules of the AIM stock market, the charter documents of Platinum, Platinum's original AIM admission document, the investment management trust agreement to which Platinum is governed and applicable laws. Platinum has agreed to mail the new admission document to its shareholders by no later than October 29, 2006 and to hold the meeting prior to December 29, 2006. This meeting is scheduled to be held on November 27, 2006.

Superior Proposals (page 70)

The merger agreement contains detailed provisions prohibiting us from seeking an alternative transaction to the merger. The merger agreement does not prevent us from providing information in response to a request for information by, or engaging in any negotiations or discussions with, a person who has made a bona fide written acquisition proposal to our board of directors prior to the adoption of the merger agreement and approval of the merger by our stockholders, provided that this action is required in order to enable our board of directors to comply with their fiduciary duties.

Further, the merger agreement does not prevent our board of directors from recommending such unsolicited bona fide acquisition proposal to our stockholders as a superior proposal in order to comply with their fiduciary duties, provided that we have delivered to Platinum USA seventy two (72) hours prior written notice of our board of directors intention to recommend the superior proposal and our board of directors has taken into account any modifications to the merger transaction that are proposed by Platinum USA after receipt of the superior proposal notice.

Conditions to Completion of the Merger (page 74)

The completion of the merger is subject to the satisfaction or waiver of certain conditions, including the following:

- the merger agreement will have been adopted by our stockholders in the manner required by the merger agreement; and
- the merger agreement must be approved and adopted by the shareholders of Platinum in the manner required by the merger agreement.

Termination of the Merger Agreement (page 75)

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger, whether before or after adoption of the merger agreement and approval of the merger by our stockholders by mutual written consent of Nord Resources and Platinum USA.

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger by action of our board of directors or by the board of directors of Platinum USA upon certain events, including if:

- the merger shall not have been consummated by February 15, 2007, provided that this right to terminate shall not be available to any party whose breach of any obligation under the merger agreement results in the failure of the merger to be consummated by February 15, 2007;
- our stockholders do not adopt the merger agreement in the manner required by the merger agreement; or
- the shareholders of Platinum do not adopt and approve the merger agreement in the manner required by the merger agreement.

The merger agreement may be terminated and the merger abandoned by us if:

- there has been a material breach of any representations, warranties, covenants or agreements made by Platinum, Platinum USA or Merger Sub in the merger agreement that is not cured in the manner provided by the merger agreement;
- at any time before the adoption of the merger agreement by our stockholders and the holders of the ordinary shares of Platinum in order to enable us to enter into an agreement with respect to a

superior proposal, provided that we shall have paid to Platinum USA the termination fee of \$2.0 million in accordance with requirements of the merger agreement; or

- Platinum's board of directors shall have withdrawn, qualified or modified its approval of the merger agreement or the recommendation of its board of directors, or shall have resolved to do any of the foregoing.

The merger agreement may be terminated and the merger abandoned by Platinum, Platinum USA or Merger Sub if:

- our board of directors shall have withdrawn, qualified or modified our approval of the merger agreement or the recommendation of our board of directors in a manner adverse to Platinum USA or approved or recommended any acquisition proposal (other than the merger agreement and the merger), or has resolved to do any of the foregoing; or
- we have materially breached any of our representations, warranties, covenants or agreements made in the merger agreement (other than our covenants with respect to acquisition proposals) which we fail to cure in the manner provided for in the merger agreement.

Termination Fees, Fees and Other Expenses (page 77)

We have agreed to pay to Platinum USA a termination fee in the amount of \$2.0 million in cash in the event that:

- Platinum USA shall have terminated the merger agreement by reason of our material breach of any of our representations, warranties or covenants made in the merger agreement;
- we or Platinum USA shall have terminated the merger agreement as a result of the failure of the merger to be consummated by February 15, 2007 in circumstances where:
 - on or prior to such termination any third party shall have made or publicly disclosed its intention to make and not withdrawn an acquisition proposal or a superior proposal;
 - within twelve months of the date of termination of the merger agreement, we enter into an agreement with the third party with respect to such an acquisition proposal or superior proposal; and
 - such acquisition proposal or superior proposal is consummated at any time;
- we shall have terminated the merger agreement as a result of our board of directors recommending any acquisition proposal to our stockholders; or
- Platinum USA shall have terminated the merger agreement as a result of our withdrawal, qualification or modification of our approval of the merger agreement or the recommendation of our board of directors in a manner adverse to Platinum USA or approved or recommended any acquisition proposal (other than the merger agreement and the merger), or our resolving to do any of the foregoing.

Platinum USA have agreed to pay us a termination fee in the amount of \$2.0 million in cash in the event that:

- we shall have terminated the merger agreement by reason of Platinum, Platinum USA or Merger Sub's material breach of any of their representations, warranties or covenants made in the merger agreement; or
- we shall have terminated the merger agreement as a result of Platinum's withdrawal, qualification or modification of its approval of the merger agreement or the recommendation of its board of directors in a manner adverse to us, or them resolving to do any of the foregoing.

Except as specifically provided above, we will each pay our respective costs and expenses incurred in connection with the merger agreement and the merger, except that we will reimburse Platinum

for any amounts advance to us by Platinum as reimbursement of expenses that we incur in connection with maintaining our option on the Coyote Springs property in good standing.

Material U.S. Federal Income Tax Consequences (page 52)

The receipt of cash in exchange for shares of our common stock pursuant to the merger will be a taxable transaction for U.S. federal income tax purposes. For U.S. federal income tax purposes, generally you will recognize gain or loss as a result of the merger measured by the difference, if any, between the amount of cash received in exchange for shares of our common stock pursuant to the merger and your adjusted tax basis in such shares.

You should read *The Merger* *Material U.S. Federal Income Tax Consequences* beginning on page 52 for a more complete discussion of the federal income tax consequences of the merger. Tax matters can be complicated, and the tax consequences of the merger to you will depend on your particular tax situation. We urge you to consult your tax advisor on the tax consequences of the merger to you.

Paying Agent (page 65)

Platinum will hire the American Stock Transfer and Trust Company to act as the paying agent for the payment of the merger consideration.

Appraisal Rights (page 54)

Under Delaware law, stockholders who do not wish to accept the consideration payable for their shares of common stock pursuant to the merger may seek, under Section 262 of the General Corporation Law of the State of Delaware, judicial appraisal of the fair value of their shares by the Delaware Court of Chancery. This value could be more than, less than or equal to the applicable merger consideration for such shares. This right to appraisal is subject to a number of restrictions and technical requirements. Generally, in order to properly demand appraisal, among other things:

- you must not vote in favor of the proposal to adopt the merger agreement;
- you must deliver a written demand to us for appraisal in compliance with the General Corporation Law of the State of Delaware before the vote on the proposal to adopt the merger agreement occurs at the special meeting; and
- you must hold your shares of record continuously from the time of making a written demand for appraisal through the effective time of the merger; a stockholder who is the record holder of shares of our common stock on the date the written demand for appraisal is made, but who thereafter transfers those shares prior to the effective time of the merger, will lose any right to appraisal in respect of those shares.

Merely voting against, or failing to vote in favor of, the merger agreement will not preserve your right to appraisal under Delaware law. Also, because a submitted proxy not marked *against* or *abstain* will be voted *FOR* the proposal to adopt the merger agreement, the submission of a proxy not marked *against* or *abstain* will result in the waiver of appraisal rights. If you hold shares in the name of a broker, bank or other nominee, you must instruct your nominee to take the steps necessary to enable you to demand appraisal for your shares. If you or your nominee fails to follow all of the steps required by Section 262 of the General Corporation Law of the State of Delaware, you will lose your right of appraisal. See *The Merger* *Appraisal Rights* on page 54 for a description of the procedures that you must follow in order to exercise your appraisal rights.

Dissenting stockholders who properly perfect their appraisal rights will receive the judicially-determined fair value of their shares only if one or more dissenting stockholders files suit in the Delaware Court of Chancery and litigates the resulting appraisal case to a decision.

Annex D to this proxy statement contains the full text of Section 262 of the General Corporation Law of the State of Delaware, which relates to your right of appraisal. We encourage you to read these provisions carefully and in their entirety.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement contains forward-looking statements within the meaning of the safe harbor provisions of Section 21E of the Securities Exchange Act of 1934, as amended. Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent risks and uncertainties. - Platinum's ability to obtain the approval of its shareholders required for the merger,
- material adverse change in our business, assets, liabilities, capitalization, financial condition or results of operation;
- our ability to satisfy the other conditions to the closing of the merger;
- diversion of management time on merger-related issues;
- the timing of the closing of the merger and receipt by stockholders of the merger consideration;
- legislative or regulation developments that could have the effect of delaying or preventing the merger;
- our ability to continue to seek financing for the reactivation of the Johnson Camp mine;
- our ability to retain our employees;

THE NORD RESOURCES SPECIAL MEETING

We are furnishing this proxy statement to our stockholders as part of the solicitation of proxies by our board of directors for use at the special meeting.

Date, Time and Place

We will hold the special meeting at 620 East Wetmore Road, Tucson, Arizona, 85705 on December 20, 2006 at 10:00 a.m. Arizona Time.

Purpose of the Special Meeting

At the special meeting, we are asking holders of record of our common stock at the close of business on November 13, 2006, to consider and vote on the following proposals:

1. to adopt the Agreement and Plan of Merger dated October 23, 2006, by and among Nord Resources Corporation, Platinum Diversified Mining, Inc., Platinum Diversified Mining USA, Inc., and PDM Merger Corp., a wholly-owned subsidiary of Platinum, and approve the merger contemplated by the Agreement and Plan of Merger. By adopting the Agreement and Plan of Merger and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the Holdback Escrow Agreement to be established under the Agreement and Plan of Merger;

2. to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the merger to adopt the merger agreement; and

3. to transact any other business as may properly come before the special meeting or any adjournment or postponement of the special meeting.

Recommendation of Our Board of Directors

Our board of directors has determined that the terms of the merger agreement are fair to and in the best interests of us and our stockholders and has determined the merger to be advisable to our stockholders.

Our board of directors recommends that our stockholders vote **FOR** the adoption of the merger agreement and **FOR** the adjournment of the special meeting, if necessary, to solicit additional proxies. See **The Merger Recommendation of Our Board of Directors; Our Reasons for the Merger.**

Stockholders Entitled to Vote; Record Date; Vote Required

A quorum of stockholders is necessary to hold the special meeting. The required quorum for the transaction of business at the special meeting is the presence, either in person or represented by proxy, of the holders of one-third of our issued and outstanding shares of common stock as of the record date. Abstentions and broker non-votes, discussed below, count as present for establishing a quorum.

You may vote at the special meeting if you owned shares of our common stock at the close of business on November 13, 2006, the record date for the special meeting. For each share of our common stock that you owned on the record date, you are entitled to cast one vote on each matter voted upon at the special meeting.

Adoption of the merger agreement and approval of the merger requires the affirmative vote of the holders of a majority of the voting power of the outstanding shares of our common stock. In addition, the merger agreement must be adopted and the merger approved by the holders of a majority of the outstanding shares of our common stock held by our stockholders, exclusive of shares held by Ronald A. Hirsch, our chairman, and Stephen Seymour, one of our directors, who or which attend and are entitled to vote at our stockholders meeting.

Because the vote on the proposal to adopt the merger agreement is based on the voting power of the total number of shares outstanding, rather than the number of actual votes cast, failure to vote your shares and broker non-votes will have the same effect as voting against the adoption of the merger agreement.

Approval of the proposal to adjourn the special meeting for the purpose of soliciting proxies, if necessary, requires a majority of the voting power present in person represented by proxy and entitled to vote on the adjournment proposal. Because the vote on the proposal to adjourn the meeting is based on the voting power present with respect to this proposal, failure to vote your shares and broker non-votes will have no effect on the outcome of the proposal, but an abstention will have the same effect as a vote against this proposal.

A list of our stockholders will be available for review for any purpose germane to the special meeting at our executive offices and principal place of business during regular business hours for a period of ten days before the special meeting and will also be available at the special meeting.

Shares Owned by Our Directors and Executive Officers

As of the close of November 13, 2006, the record date for the special meeting, our directors and executive officers, beneficially owned 10,813,343 shares of common stock (excluding options, warrants, convertible notes and deferred stock units exercisable or convertible within 60 days) entitled to vote at the meeting, or approximately 32% of our total voting power outstanding on that date.

Voting; Proxies

You may vote by proxy or in person at the special meeting.

Voting in Person

If you plan to attend the special meeting and wish to vote in person, you will be given a ballot at the special meeting. Please note, however, that if your shares are held in street name, which means your shares are held of record by a broker, bank or other nominee, and you wish to vote at the special meeting, you must bring to the special meeting a legal proxy from the record holder of the shares (your broker, bank or nominee) authorizing you to vote at the special meeting.

Voting by Proxy

You can submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying preaddressed, postage paid envelope. You may also submit a proxy by telephone by calling 1-800-PROXIES (1-800-776-9437) or by Internet at www.voteproxy.com. If you submit your proxy by telephone or Internet, please have your proxy card available and follow the instructions that are provided. You may also attend the special meeting and vote your shares in person whether or not you sign and return your proxy card or submit your proxy by telephone or Internet.

The laws of Delaware, under which we are incorporated, specifically permit electronically transmitted proxies, provided that each such proxy contains or is submitted with information from which it can be determined that such proxy was authorized by the stockholder. The telephone and Internet voting procedures available to you are designed to authenticate your identity, to allow you to vote your shares and to confirm that your instructions have been properly recorded.

All shares represented by properly executed proxies received in time for the special meeting will be voted at the special meeting in the manner specified by the stockholders giving those proxies. Properly executed proxies that do not contain voting instructions will be voted **FOR** the proposal to adopt the merger agreement and the proposal to adjourn the special meeting to solicit additional proxies, if necessary, provided that no proxy that is specifically marked **AGAINST** the proposal to adopt the merger agreement will be voted in favor of the adjournment proposal, unless it is specifically marked **FOR** the adjournment proposal.

Only shares affirmatively voted for the proposal to adopt the merger agreement and the proposal to adjourn the special meeting to solicit additional proxies, if necessary, and properly executed proxies that do not contain voting instructions, will be counted as votes **FOR** the proposals. Shares of our stock held by persons attending the special meeting but abstaining from voting, and shares of our stock for which we received proxies directing an abstention, will have the same effect as votes against the adoption of the merger agreement and against the proposal to adjourn the special meeting to solicit additional proxies, if necessary. Shares represented by proxies that reflect a **broker non-vote** will be counted for purposes of determining whether a quorum exists, but those proxies will have the same effect as votes against the proposal to adopt the merger agreement. Broker non-votes will have no effect on the outcome of the vote on the adjournment proposal.

A **broker non-vote** occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares.

If any other matters are properly presented for consideration at the special meeting, the persons named as proxies in the enclosed proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the special meeting. If, however, a matter is properly presented at the special meeting or any adjournment or postponement of the special meeting, the persons appointed as proxies will have discretionary authority to vote the shares represented by duly executed proxies in accordance with their discretion and judgment.

Any adjournment may be made without notice (if the adjournment is not for more than thirty days), provided an announcement is made at the special meeting of the time, date and place of the adjourned meeting. Any adjournment of the special meeting for the purpose of soliciting additional proxies will allow our stockholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned or postponed.

Other Business

We do not expect that any matter other than the proposal to adopt the merger agreement will be brought before the special meeting. If, however, other matters are properly presented at the special meeting, the persons named as proxies will vote in accordance with their best judgment with respect to those matters.

Revocation of Proxies

Submitting a proxy on the enclosed form, by telephone or on-line does not preclude a stockholder from voting in person at the special meeting. A stockholder of record may revoke a proxy at any time before it is voted by filing with our corporate secretary a duly executed revocation of proxy, by submitting a duly executed proxy to our corporate secretary with a later date or by appearing at the special meeting and voting in person. A stockholder of record may revoke a proxy by any of these methods, regardless of the method used to deliver the stockholder's previous proxy. Attendance at the special meeting without voting will not itself revoke a proxy. If your shares are held in street name, you must contact your broker, bank or nominee to revoke your proxy.

Solicitation of Proxies

We and our proxy solicitation firm, Morrow & Co., Inc., are soliciting proxies for the special meeting from our stockholders. We will bear the entire cost of soliciting proxies from our stockholders, including the payment a fee of \$6,500, plus reasonable expenses, to Morrow & Co., Inc. for its services. In addition to the solicitation of proxies by mail, we will request that banks, brokers and other record holders send proxies and proxy materials to the beneficial owners of our common stock held by them and secure their voting instructions, if necessary. We will reimburse those record holders for their reasonable expenses in so doing. We may use several of our directors, executive officers and regular employees, who will not be specially compensated, to solicit proxies from our stockholders, either personally or by telephone, Internet, telegram, facsimile or special delivery letter.

Appraisal Rights

Under the General Corporation Law of the State of Delaware, holders of our common stock who do not vote in favor of the proposal to adopt the merger agreement will have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the merger is completed, but only if they submit a written demand for an appraisal prior to the vote on the adoption of the merger agreement and they comply with the provisions of Section 262 of the General Corporation Law of the State of Delaware set forth in full at Annex D to this proxy statement, including by not voting in favor of the adoption of the merger agreement. Dissenting stockholders who properly perfect their appraisal rights will receive only the judicially-determined fair value of their shares if one or more dissenting stockholders files suit in the Delaware Court of Chancery and litigates the resulting appraisal case to a decision. For more information on appraisal rights see below under "The Merger Appraisal Rights" beginning on page 54.

PROPOSAL 1 ADOPTION OF THE MERGER AGREEMENT

THE MERGER

Introduction

We are asking our stockholders to adopt the merger agreement and approve the merger. By adopting the merger agreement and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the holdback escrow agreement to be established under the merger agreement.

If we complete the merger, we will become a wholly-owned subsidiary of Platinum, and our stockholders will receive:

- an amount in cash that we refer to as the **per share merger consideration** which will be calculated based on the aggregate merger consideration to be paid on consummation of the merger, which amount will be exclusive of a holdback amount of \$3,000,000; and
- a contingent right to receive an amount that we refer to as the **per share net holdback consideration** which will equal a pro rata share of the amounts remaining, if any, of:
 - the holdback amount of \$3,000,000 after the expiry of a six month holdback period during which the holdback amount will be available to indemnify Platinum, Platinum USA and the surviving corporation for any damages arising from certain breaches by us of the merger agreement and expenses associated with our stock options and certain other matters, plus
 - a \$250,000 advance on account of expenses that we will make to CuShaman LLC as stockholder representative in connection with the holdback amount.

We estimate that the per share merger consideration will equal **\$1.20** per share, however the final per share merger consideration could be more or less than this amount. We estimate that the per share net holdback consideration will equal **\$0.07** per share, prior to deduction of fees and expenses associated with the escrow arrangement for the holdback and expenses of the stockholder representative, if there are no claims for damages made against the holdback amount. There is no assurance that any portion of the holdback amount or the stockholder advance will be available for payout to our stockholders upon expiry of the six month holdback period.

The per share merger consideration and the per share net holdback consideration will each be paid without interest and less any applicable withholding taxes.

The per share merger consideration will be paid to our stockholders on consummation of the merger. Any per share net holdback consideration will be paid to our stockholders upon expiry of the holdback period and also upon resolution of any contested claims for damages.

The Companies

Nord Resources Corporation

We are in the business of exploring for and developing mineral resource properties. Our principal asset is the Johnson Camp copper mine located in Arizona that we acquired in 1999 from Arimetco Inc. In addition, we have options to acquire interests in three exploration stage projects, namely, the Coyote Springs and the Texas Arizona Mines projects, both located in Arizona, and Mimbres project, located in New Mexico.

The Johnson Camp mine is an existing open pit copper mine that includes two existing open pits, namely the Burro and the Copper Chief, and a production facility that uses the solvent extraction, electrowinning (SX-EW) process. The Johnson Camp mine produced copper from 1975 to 2003. The Johnson Camp mine was placed on a care and maintenance program in 2003 due to weak market conditions for copper at that time and is presently not in production. In order to resume full mining operations, we will have to complete a mine development plan that has been outlined in a feasibility study that we have obtained as part of our efforts to re-activate production at the Johnson Camp mine. The mine development plan calls for initial capital costs in excess of \$22 million (including working capital) to be incurred within the first two years of start-up. These capital expenses relate primarily to the rehabilitation of solution ponds, refurbishment and a modest expansion of the copper production facility, and the purchase and installation of crushing and conveying equipment.

Our plan of operations for the past two years has been to pursue the financing that will be necessary to enable us to resume mining and leaching operations at the Johnson Camp mine, with the objective of producing approximately 25 million pounds of copper per year. We have not been successful in achieving this financing to date. If we do not complete the merger, we plan to resume pursuit of this financing with the objective of completing the mine development plan and bringing the Johnson Camp mine into production.

Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona 85705 and out telephone number is (520) 292-0266.

Platinum Diversified Mining, Inc. (or Platinum)

Platinum Diversified Mining, Inc. is a special purpose acquisition corporation organized under the laws of the Cayman Islands on January 12, 2006. It was formed with the purpose of effecting one or more business combinations with unidentified operating businesses in the metals and mining industries. Platinum's stated investment strategy is to invest in the mining industry by acquiring producing assets and/ or developing assets with near term production. Although Platinum's intention is primarily to acquire assets, it will also consider acquiring undervalued mining companies that primarily own mineable reserves of minerals.

On March 14, 2006, Platinum was admitted to the AIM stock market following the completion of a public flotation of units comprised of common shares and share purchase warrants from which it derived net proceeds of \$77.9 million. The net proceeds from the public flotation were placed in a trust account that is governed by an investment management trust agreement entered into between Platinum and American Stock Transfer and Trust Company. Such funds will be used to pay the merger consideration to our stockholders upon consummation of the merger.

Other than its public flotation and the pursuit of a business combination, Platinum has not engaged in any business to date. If Platinum does not consummate a business combination by September 14, 2007, then, pursuant to its certificate of incorporation, Platinum's officers must take all actions necessary to dissolve and liquidate Platinum as soon as reasonably practicable. In the event of dissolution and liquidation of Platinum, trust funds will be returned to the original public flotation investors in accordance with the investment management trust agreement.

The principal executive office of Platinum is located at 152 West 57th Street, 54th Floor, New York, NY 10019, and its telephone number is (212) 582-2222.

Platinum Diversified Mining USA, Inc. (or Platinum USA)

Platinum Diversified Mining USA, Inc. was organized as a corporation under the laws of the State of Delaware on October 4, 2006. It was formed to be the United States parent and holding corporation of Merger Sub and, upon completion of the merger, to be the parent of the surviving corporation of the merger between Nord Resources and Merger Sub. PDM Merger Corp. (or Merger Sub)

PDM Merger Corp. was organized as a corporation under the laws of the State of Delaware on October 4, 2006. It was formed to effect a merger with Nord Resources and is a wholly-owned subsidiary of Platinum USA. We refer to PDM Merger Corp. as the **Merger Sub**. Merger Sub is a direct wholly-owned subsidiary of Platinum USA, which in turn is a wholly-owned subsidiary of Platinum. Merger Sub was created solely for the purpose of entering into the merger agreement and completing the transactions contemplated by the merger agreement. Merger Sub has not conducted any other activities to date other than activities incidental to its formation and in connection with the transactions contemplated in the merger agreement.

The mailing address and telephone number of PDM Merger Corp. is the same as that of Platinum and Platinum USA.

Background of the Merger

Throughout the past one and one-half years, our near term objective has been to resume mining and leaching operations at our Johnson Camp Mine, with the view towards producing approximately 25 million pounds of copper per year. However, our ability to reactivate the Johnson Camp Mine is subject to our obtaining sufficient financing for the initial capital costs to be incurred within the first two years of start up, which are expected to exceed \$22 million (including working capital). Such costs relate primarily to the rehabilitation of solution ponds, refurbishment and a modest expansion of the copper production facility, and the purchase and installation of crushing and conveying equipment. The capital costs to be incurred in the two years following reactivation are expected to be approximately an additional \$9 million (including working capital) and would include costs related to the construction of new leach pads, new ponds and pipe, and the infrastructure for conveyor relocation.

In August 2005, we commenced discussions with Salman Partners Inc. (**Salman Partners**), a Canadian-based broker-dealer, with the view to possibly engaging Salman Partners as lead agent to facilitate a public offering of our securities in Canada and the United States. However, in consultation with Salman Partners and our legal counsel, our management determined that we would not be in a position to undertake any public offering of our securities until we had taken steps to bring our company back into compliance with our obligations to file periodic reports under the *Securities Exchange Act of 1934*, as amended (the **Exchange Act**). Accordingly, our management focused on completing delinquent and current filings under the Exchange Act. This involved a review of our filings by the Securities and Exchange Commission. In August 2006, the Securities and Exchange Commission cleared its final comments on Amendment No. 3 to our annual report on Form 10-KSB for the year ended December 31, 2005. We believe that we are now current in our obligations to file periodic reports under the Exchange Act.

From August 2005 to late October 2006, our management continued to diligently focus on positioning our company to effect a public offering of its securities, while at the same time considering our strategic alternatives. In that regard, we obtained an update to an existing 2000 feasibility study on the Johnson Camp Mine in October 2005, which was supplemented by an addendum in June 2006. During this period, our management also worked to preserve our assets, in part by seeking and obtaining secured bridge financing from Auramet Trading, LLC ("Auramet") in October 2005 and from Nedbank Limited ("Nedbank") in November 2005. Amidst these efforts, it became apparent that, with the average price of copper remaining relatively high throughout this period, our company could be attractive to better-financed mining entities as a takeover target. On March 29, 2006, we were advised by Auramet that Platinum might be interested in acquiring an interest in our company.

During the first week of April 2006, Bobby Cooper, Chief Executive Officer of Platinum, met informally with Erland Anderson, who at that time was our Chief Operating Officer, and John Perry, our Chief Financial Officer, in Tucson, Arizona. Mr. Cooper explained that Platinum is a Cayman Islands company listed as a "Special Purpose Acquisition Company" (commonly referred to as a "SPAC") on the Alternative Investment Market of the London Stock Exchange ("AIM"), and that Platinum was seeking to acquire an interest in a mining company and desired to pursue discussions with us regarding the acquisition of an interest in the Johnson Camp Mine. The parties agreed that further discussions were warranted.

On April 18, 2006, we entered into a confidentiality agreement with Platinum to facilitate further discussions. At around this time, Platinum offered to pay \$20 million for a 75 percent interest in the Johnson Camp Mine. Arrangements were made for Mr. Cooper to meet with our management team in early May 2006.

On May 3, 2006, Mr. Cooper met with our management at our corporate offices in Tucson, Arizona. Mr. Cooper indicated that he was authorized by Platinum's board of directors to propose a share exchange transaction whereby Platinum would acquire all of the issued and outstanding securities of our company in exchange for shares of Platinum, or a combination of cash and shares of Platinum, based on a valuation of our company at \$50 million. Mr. Cooper proposed a three-week due diligence period. Mr. Cooper was informed by our management that no action could be taken by our company without appropriate authorization from our board of directors.

On May 4, 2006, representatives from a Canadian mining company that had previously expressed interest in our company, and that had entered into a confidentiality agreement with us, toured the Johnson Camp Mine. This did not lead to any meaningful discussions in furtherance of the Canadian mining company's expression of interest.

On May 5, 2006, our management presented a report of these developments to our board of directors, together with additional details about Platinum and management's analysis of Platinum's proposal. The board of directors authorized our management to propose \$65 million as the value of our company (\$60 million of which should be attributed to the value of our Johnson Camp Mine), as the basis for further negotiations with Platinum. On May 8, 2006, on instructions from our board of directors, management proposed that Platinum pay \$65 million for all of our company's assets, or \$60 million for the Johnson Camp property. Platinum countered with a proposal to value our company at \$55 million, which was communicated to our board of directors.

After further negotiations between our company and Platinum, on May 9, 2006, in accordance with instructions from our board of directors, our management advised Platinum that our company would be willing to proceed with negotiations based on a preliminary valuation of our company of \$55 million. Platinum indicated that it was prepared to offer consideration consisting of 50% in cash and 50% in shares in the capital of Platinum.

On May 10, 2006, management provided a status report to our board of directors with respect to the ongoing negotiations with Platinum. The board authorized management to consult Auramet as a strategic adviser. Thereafter, management updated the board on the ongoing status of negotiations on at least a weekly basis through various forms of communication.

Discussions between our company and Platinum continued between May 10 and May 12, 2006. The parties discussed the feasibility of a 30-day exclusivity period, during which each party would complete its due diligence investigation. However, after consulting legal counsel, Platinum proposed a four-month exclusivity period, which our company advised Platinum was unacceptable.

Negotiations were subsequently resumed and Platinum's proposal was refined such that, by May 16, 2006, it consisted of the following proposed terms: (a) a transaction value of \$55 million for our company, including the assumption of all outstanding debt and obligations; (b) at each stockholder's option, consideration consisting of (i) shares in the capital of Platinum or (ii) 50% in cash and 50% in Platinum shares; (c) our company would not be entitled to solicit competing bids during an exclusivity period; and (d) our company could continue to focus on positioning itself to effect a public offering of its securities. At that time, however, our company and Platinum were unable to agree upon the length of the exclusivity period or our company's ability to accept an unsolicited bid from a third party during the exclusivity period. In addition, a \$5.5 million termination fee was discussed between the parties.

Ongoing negotiations on the outstanding issues between the parties occurred between May 16, 2006 and May 26, 2006. On or about May 26, 2006, Platinum proposed to acquire the Johnson Camp property for \$50 million. In response to Platinum's proposal, our management sought preliminary tax advice regarding our company's ability to utilize our outstanding net operating losses to offset the anticipated taxable gain on the disposition of our Johnson Camp property in an asset sale transaction.

On May 30, 2006, Platinum increased its offer to acquire the Johnson Camp property from \$50 million to \$55 million. Upon consultation with its advisors, our board of directors determined that a sale of the Johnson Camp property alone was unacceptable since an asset sale transaction would give rise to unfavorable tax consequences to our company. On May 31, 2006, Platinum presented our company with a term sheet which contemplated a purchase price of \$60 million in cash for all of our company's assets, subject to settlement of all related indebtedness from the cash proceeds.

Further negotiations between the parties during the first three days of June 2006 culminated in the execution of a confidentiality agreement between Platinum and our company dated June 3, 2006. The term sheet annexed to the confidentiality agreement contemplated, among other things: (a) a stock purchase transaction structured as a tender offer for an aggregate purchase price of \$60 million, with adjustments based on our company effectively assuming all customary non-trade liabilities and Platinum effectively assuming all customary trade liabilities upon closing; (b) a termination fee of \$3 million; (c) a 30 day due diligence period commencing June 10, 2006, with a definitive agreement to be completed no later than July 26, 2006; and (d) that Platinum would be entitled to exclusivity during the period between June 10, 2006 and July 26, 2006. Discussions and customary due diligence continued between the parties during June 2006. On June 23, 2006, Platinum informed our management that regulatory restrictions imposed upon Platinum under applicable AIM Rules dictated an acquisition of our company by way of a merger, rather than a tender offer. In addition, Platinum confirmed its willingness to agree to a fiduciary out provision that would allow our board of directors to consider an unsolicited superior offer, subject to the payment of a termination fee. On June 27, 2006, the parties and their respective legal counsel participated in a conference call during which potential regulatory issues, including the process for Platinum's re-admission to AIM and the requirement for stockholder approval of the merger agreement by both parties, were discussed.

Discussions and customary due diligence continued between the parties during July 2006. On July 21, 2006, we received a preliminary draft of the merger agreement from Platinum. At this time, the parties continued to discuss issues related to our company's insistence on the right to continue to prepare for a public offering of our securities to protect our company in the event that the proposed merger transaction did not proceed, as well as whether the merger consideration would include shares in the capital of Platinum. Platinum furnished a revised draft of the merger agreement to our company on August 10, 2006.

On August 14, 2006, in light of the potential conflict of two of our directors, Messrs. Hirsch and Seymour, by virtue of their status as creditors of our company, our board of directors constituted a special committee of our independent directors (the Committee), consisting of Wade Nesmith, Douglas Hamilton and John Cook. The Committee was charged with the power and authority to negotiate the merger and the merger agreement and the transactions contemplated thereby, and to evaluate whether the merger and merger agreement were fair to and in the best interest of our company and our stockholders. In undertaking its mandate effective September 1, 2006, the special committee engaged Potter Anderson & Corroon LLP (Potter Anderson) as special Delaware legal counsel to advise it. Potter Anderson had previously provided advice to our board with respect to its fiduciary duties under Delaware law.

On August 24, 2006, our company and Platinum entered into an amendment agreement to amend the confidentiality agreement dated June 3, 2006, such that Platinum's right to exclusivity was extended to the earlier of September 15, 2006 and the execution of a definitive merger agreement.

On August 22, 2006, the Committee retained GMP Securities L.P. (GMP Securities) to provide advice concerning the merger and, if requested, an opinion regarding the fairness of the consideration to be received by the holders of common stock of our company in the proposed merger, from a financial point of view. At a meeting with the Committee on August 28, 2006, GMP Securities presented its analysis and reviewed the current stock and copper market conditions, reviewed the proposed terms of the transaction with Platinum, and discussed its valuation of our company, employing a number of different valuation methodologies. The Committee discussed the alternatives available to our company, including proceeding with the negotiations regarding the proposed merger with Platinum, arranging a private offering of special warrants in a transaction at or near the proposed merger price per share, considering a public offering, or putting our company up for auction. After considering the benefits and risks associated with each alternative, the Committee determined that it was in the best interest of our company and our stockholders to proceed with the merger negotiations with Platinum and to explore whether there was the potential for greater consideration in the proposed merger through the use of debt financing. In addition, the Committee determined simultaneously to continue to explore the use of a special warrants transaction to facilitate a public offering in the event the parties were not ultimately successful in reaching agreement on the terms of the proposed merger.

Our board of directors met on August 30, 2006 to receive a report from the Committee regarding the status of the negotiations with Platinum and, in particular, Platinum's recent request that our company indemnify Platinum in connection with certain breaches by our company of its representations and warranties under the merger agreement. Mr. Nesmith advised the board of directors that two alternative structures had been proposed for providing the indemnity requested by Platinum including (i) a hold back of a portion of the proposed purchase price in an escrow fund or (ii) a personal indemnity by two of our company's largest stockholders, Messrs. Hirsch and Seymour. The Board and its advisors discussed each of the alternatives and the issues raised in connection with each alternative, but left determination of the ultimate structure to the Committee. In addition, it was noted that Platinum had requested that Messrs. Hirsch and Seymour enter into an agreement to vote their shares in favor of the transaction.

The Committee met again on September 1, 2006 to review the issues raised at the meeting of our board of directors held the previous day, including the two proposed indemnity structures. The

Committee considered whether Messrs. Hirsch and Seymour would agree to the proposed form of indemnity agreement requested by Platinum. In this regard, Potter Anderson discussed with the directors their fiduciary duties and the process by which the Committee would monitor and participate in continuing discussions with Platinum as well as the challenges of the proposed structures from a legal perspective. The Committee then discussed Platinum's proposed forms of indemnity agreement and voting agreement and directed its legal advisors to discuss the issues related thereto with Platinum's counsel. In addition, the Committee and its advisors discussed the open issues relating to the proposed merger agreement, including the proposed condition in the draft merger agreement requiring that the proposed merger be approved by a majority of the stockholders of our company other than Messrs. Hirsch and Seymour and recent case law regarding the calculation of the required majority vote.

On September 8, 2006, our board of directors met to receive an update from the Committee with respect to the negotiations with Platinum and matters related thereto. Lang Michener LLP (Lang Michener), legal counsel to our company, advised our board of directors regarding its recent discussion with Platinum's counsel concerning the proposed merger agreement and noted the major issues of discussion concerned indemnity, termination rights and fees related thereto, and the delivery of proxies for Platinum shares requested by our company to facilitate approval of the merger by Platinum stockholders. With respect to indemnity, it was reported that Platinum continued to request that a significant shareholder group, consisting at a minimum of Messrs. Hirsch and Seymour, provide personal post-closing indemnification to Platinum for breaches by our company of its representations and warranties as well as security for such obligations. As to termination rights, Lang Michener reported that Platinum had agreed to abandon its request for a broad termination right not tied to breaches by our company, the presence of an alternative transaction or other customary provisions, but that Platinum continued to insist on receiving a termination fee if (a) an alternative proposal is announced and not withdrawn on the termination date, (b) the merger agreement is terminated after December 31, 2006, (c) our company enters into an agreement for an alternative transaction within 12 months after termination, and (d) the alternative transaction is ultimately consummated. As to our company's request for Platinum's proxies in support of the merger, Platinum's advisors explained that there were legal impediments to Platinum delivering such proxies from holders who could provide any meaningful assurance of Platinum approval.

At the same meeting, discussion ensued among our board of directors regarding our company's cash needs and our board of directors authorized our company's Chief Financial Officer to engage in discussions with Nedbank, our company's primary lender, for an extension of the repayment date of the amounts due Nedbank on its promissory note in order to permit the closing of a transaction with Platinum.

The Committee and its advisors met on September 10, 2006 to review the issues discussed at the board of directors meeting held on September 8, 2006, including the open issues between our company and Platinum with respect to the merger agreement and our company's financing alternatives and cash flow needs. The Committee noted that further precision was necessary with respect to the purchase price adjustment calculations contemplated by the merger agreement and the exact terms of the condition requiring a vote of a majority of the disinterested stockholders of our company. The Committee members also discussed the outstanding claims against Oconee Electric and TMD Acquisition Corporation and the effect such claims could have upon the proposed merger consideration.

On September 11, 2006, Mr. Hirsch addressed a meeting of our board of directors and provided an update on the status of negotiations between our company and Platinum. It was noted that our company's management and members of the Committee, would be participating in further negotiations throughout the forthcoming week.

On September 13, 2006, the Committee met and considered whether progress in the negotiations was sufficient to grant an extension of the exclusivity right granted to Platinum under the confidentiality agreement between our company and Platinum dated June 3, 2006 and subsequently amended. In that regard, the Committee and its advisors discussed the outstanding issues between the parties, including: (i) Platinum's request for indemnity from Messrs. Hirsch and Seymour or, alternatively, a holdback of \$3 million of the proposed purchase price in an escrow; (ii) how to manage the risk posed by Platinum's need for stockholder approval; and (iii) our company's recent request for a reverse termination fee payable by Platinum in the event of termination of the merger agreement in certain circumstances, including in the event that the Platinum board withdraws or changes its recommendation of the merger agreement. The Committee reviewed the history of the negotiations of the proposed merger agreement with Platinum and further discussed the challenges presented in the negotiations as a result of Platinum's structure as a SPAC. After deliberation, the Committee determined that it would grant an extension of the exclusivity agreement with Platinum if requested. The Committee then discussed alternatives to the Platinum proposal, including Salman Partners' continuing efforts to arrange potential financing for a public offering.

On September 16, 2006 the Committee and its advisors met to discuss (i) a revised draft of the merger agreement, and (ii) the status of the exclusivity agreement between Platinum and our company. The Committee discussed the potential impact of certain additional concerns raised by Platinum as a result of the due diligence process on the timing of the proposed transaction, and the related concern that any disclosure document forwarded by Platinum to its stockholders under the AIM Rules accurately describe our company and its assets. Concerns were raised regarding the timing of the proposed transaction and the financing needs of our company in view of the possible delay. Accordingly, the Committee once again considered the possibility of completing an auction or a public offering should the proposed merger negotiations be unsuccessful, and discussed the merits of each approach. The Committee also discussed (i) the most recent draft of the merger agreement and the feasibility of the reverse termination fee in light of Platinum's structure as a SPAC, including the possibility of requesting that Platinum's promoters personally guarantee any termination fee, (ii) Platinum's request for a voting agreement from Messrs. Hirsch and Seymour, and (iii) Platinum's request for an indemnity from Messrs. Hirsch and Seymour and/or a holdback of \$3 million of the merger consideration.

On September 18, 2006, Mr. Hirsch addressed a meeting of our board of directors and provided an update on the status of negotiations between our company and Platinum. It was noted that our company's management and members of the Committee, would be participating in further negotiations throughout the forthcoming week.

On September 19, 2006, the parties met telephonically at which time our company communicated to Platinum that in order for our company to continue further with the negotiations, our company would require certain assurances that the merger would be completed, such as Platinum's providing our company with a non-refundable deposit upon execution of a definitive merger agreement and/or Platinum executives agreeing to subscribe for our company's shares in the event Platinum shareholders did not approve the merger. The parties also discussed a potential decrease in the reciprocal termination fees from \$3 million to \$2 million.

On September 20, 2006, representatives of each of our company and Platinum's nominated advisor, KBC Peel Hunt Limited (the "NOMAD"), met by telephone and discussed the issues raised by the NOMAD as communicated to our company on September 15, 2006.

Later in the day on September 20, 2006, the Committee met and received a report from our company's legal advisors regarding the meeting between our company and Platinum held the previous day as well as the meeting held earlier in the day between our company and the NOMAD, and discussed the issues raised at each meeting. The Committee discussed the timing and coordination of the two,

parallel processes required to complete the merger, including (i) the publication of the admission document by Platinum and (ii) the execution of the merger agreement, at which time the admission document incorporating the shareholder disclosure required by United Kingdom law would be executed. Further discussion ensued regarding whether the NOMAD was prepared to proceed with the merger. The Committee then renewed its discussion regarding the possibility of a public offering as an alternative to proceeding with the proposed transaction with Platinum. The Committee and its advisors also expressed the need for further communications with respect to the regulatory process applicable to Platinum due to its listing on AIM and the terms of the agreement under which the proposed holdback amount of \$3 million would be placed in escrow.

On September 25, 2006, Mr. Hirsch again addressed a meeting of our board of directors and provided an update on the status of negotiations between our company and Platinum.

Mr. Hirsch and Mr. Cooper met telephonically on September 28, 2006 and reached agreement in principle on a number of outstanding issues, subject to approval of our company's board of directors and the Committee. Such issues included the proposal made on September 13, 2006 to hold back and place \$3 million of the proposed purchase price in escrow, subject to review of the form of the holdback escrow agreement and the appointment of a stockholder representative acceptable to Platinum who would have been a party to the holdback escrow agreement. Mr. Hirsch and Mr. Cooper also discussed the \$2 million termination fee, agreeing in principle on the terms upon which it would be payable by our company and (by Platinum). In addition, it was agreed in principle that any transfer taxes that might be payable in connection with the merger would be for the account of the company, such that they would reduce the amount of the per share merger consideration.

During the meeting, Mr. Cooper and Mr. Hirsch also discussed Platinum's insistence that, upon closing of the transactions contemplated by the merger agreement, all outstanding options, warrants and convertible debt of our company be cancelled or repaid, as the case may be, and that all of our current directors and officers resign. Mr. Hirsch reiterated the concern, previously discussed between the parties, that this condition might not be achievable. The parties eventually agreed that we would use our best efforts to get from all holders of our outstanding options and warrants an agreement to surrender their options and warrants for cancellation, but that receiving such agreement would not be a condition of closing and that Platinum would have limited recourse against the holdback fund to be held in escrow after closing.

Mr. Cooper and Mr. Hirsch discussed additional outstanding issues, including our request for a majority of the minority vote and that any reduction in the market price of copper would have no effect on consideration of whether there has been a material adverse effect with respect to our company that could trigger a right of termination by Platinum.

The Committee met on September 29, 2006 to discuss the issues raised between Mr. Hirsch and Mr. Cooper during their telephonic meeting of September 28, 2006, and the revised draft merger agreement circulated by Platinum the previous evening. Counsel reviewed with the Committee the terms of the revised draft of the merger agreement and outstanding issues related thereto, including the provisions related to (i) the definition of material adverse effect, (ii) the holdback and escrow, (iii) the shareholder representative, (iv) the calculation of the purchase price, (v) the conditions to closing and (vi) termination rights and fees related thereto. The Committee discussed timing of the proposed transaction and, in particular, our company's ability to obtain sufficient financing to remain viable up to the closing date and, if necessary, past that date. The Committee also renewed its discussion regarding two possible alternatives to the proposed merger with Platinum, a public offering and a private placement, but indicated that neither seemed feasible at this juncture.

Our board of directors (with the exception of Mr. Hirsch, who was absent) met on October 2, 2006 to receive an update from the Committee regarding the status of the negotiations with Platinum, including, among other things, issues regarding our company's existing financing from Nedbank and our company's outstanding options and warrants. With the consent of the Committee, the board of directors resolved to authorize Mr. Hirsch to discuss the possible resolution of these issues with Mr. Cooper of Platinum on behalf of our company.

The Committee met on October 5, 2006 with its advisors to review the status of the negotiations with Platinum and the discussions of the board of directors at its meeting on October 2, 2006. With respect to our company's existing financing arrangements, the Committee discussed the fact that Nedbank was only obligated to provide financing through December 22, 2006 and that the closing of the transaction might not occur before the end of 2006. Accordingly, the Committee determined that representatives of our company should meet with Nedbank to discuss its financing arrangements should the proposed merger not close by December 22, 2006. The Committee continued to discuss the outstanding issues with Platinum and the alternatives to a merger with Platinum.

On October 9, 2006, Mr. Hirsch again addressed a meeting of our board of directors and provided an update on the status of negotiations between our company and Platinum. It was noted that negotiations were scheduled to continue throughout the forthcoming week respecting the outstanding issues between the parties, including Platinum's continued insistence to include as one of its closing conditions the requirement that all of our outstanding options and warrants be cancelled.

The Committee met on October 11, 2006 with its legal advisors and Messrs. Hirsch and Seymour with regard to the status of the negotiations regarding the proposed transaction with Platinum undertaken by Mr. Hirsch on behalf of our company. Mr. Hirsch advised the Committee that, subject to its approval of the proposed terms, most of the open issues had been resolved. These issues included Nedbank's consent to the merger, which was obtained, as well as verbal assurances that the December 22, 2006 maturity date of our company's secured promissory note would be extended, the NOMAD's agreement to the readmission document, the requirement in Platinum's proposed draft merger agreement that we obtain releases from all warrant and option holders for the termination of their rights in the merger, and our request for a \$1 million deposit from Platinum. With respect to this last issue, Platinum proposed to deposit funds upon the execution of the merger agreement: (i) \$500,000 as of the date of the signing of the merger agreement; (ii) \$250,000 on November 30, 2006; and (iii) \$250,000 on December 27, 2006. Under Platinum's proposal, if the stockholders of Platinum vote in favor of the proposed merger but our company's stockholders do not, then our company would be required to return the entire \$1 million to Platinum. If, on the other hand, the stockholders of Platinum did not vote in favor of the merger, our company would retain the amount deposited into escrow, up to \$1 million.

Thereafter, Messrs. Hirsch and Seymour left the meeting and the Committee discussed the deposit proposal from Platinum, the circumstances under which our company would have to refund the entire amount of the deposit, and our options should the merger not close and, if not, the effect of the potential loss of the \$1 million deposit upon the stockholder approval of the merger. Thereafter, counsel reviewed with the Committee the terms of the revised draft of the merger agreement and discussed several issues raised by the draft and the Committee's proposed responses to those issues.

The Committee met again on October 12, 2006 with its legal and financial advisors to receive an update from GMP Securities regarding its fairness analysis. Representatives of GMP Securities discussed certain factors underlying its analysis and fairness opinion and explained that the opinion took into account changes in the prices of commodities and the resulting changes in the values of comparable companies due to the sensitivity of share price to commodity price as well as changes in the overall commodities market since its presentation on August 28, 2006. GMP Securities noted that in its preliminary view the consideration to be received by the holders of Company common stock was fair,

from a financial point of view, and stated that GMP Securities would be in a position to render its definitive opinion at the request of the Committee.

On October 16, 2006, Mr. Hirsch addressed a meeting of our board of directors and provided an update on the status of negotiations between our company and Platinum. It was noted that negotiations were scheduled to continue throughout the forthcoming week respecting the outstanding issues between the parties, including Platinum's continued insistence to include as one of its closing conditions the requirement that all of our outstanding options and warrants be cancelled.

On October 19, 2006, the Committee and its advisors met with Mr. Hirsch to discuss the most recent draft of the merger agreement and the status of the negotiations with Platinum. Counsel reviewed with the Committee the changes since the previous draft of the proposed merger agreement, and specifically noted that Platinum continued to request that our company file tax returns on Form 5500 with respect to its 401(k) plan for all past tax years of the plan as a condition to closing and continued to seek an extension of the holdback period to provide Platinum with funds to resolve any issues with respect to the filing of our company's Forms 5500. Mr. Hirsch then reported that he had negotiated with Platinum the resolution of certain outstanding issues, subject to Committee approval, including the amount and kind of expenses that would be taken into account in determining the final total of the per share merger consideration and the per share net holdback consideration, Platinum's continuing request that our company obtain releases from the holders of options and warrants before closing, and the payment of the deposit by Platinum into escrow in three tranches.

The Committee noted that the latest version of the calculation of the estimated total of the per share merger consideration and the per share net holdback consideration that would be payable by Platinum to our stockholders that had been provided to the Committee indicated that, assuming no claims would be made on the escrowed holdback funds and taking into account the current state of the parties' negotiations as related by Mr. Hirsch, the total of the per share merger consideration and the per share net holdback consideration was now estimated to be \$1.28, representing a decrease of \$0.02 per share from the earlier estimate of \$1.30 per share communicated to the Committee at its meeting on August 28, 2006. The Committee expressed its belief that this small decrease did not affect its view of the advisability of the transaction. After considerable discussion, the Committee expressed its belief that it would be in a position to approve the revised terms of the merger agreement and related documents reflecting the points negotiated by Mr. Hirsch when they were finalized.

On October 20, 2006, the Committee met to discuss the revised draft of the merger agreement. Prior to the meeting, the Committee members received revised drafts of the merger agreement, the voting agreement, the holdback escrow agreement and the deposit escrow agreement. Counsel to the Committee reviewed the resolution of all issues with respect to the calculation of the final per share merger consideration, the filing of our Forms 5500 and other issues that had remained outstanding. Counsel further noted that the estimate of the total of the per share merger consideration and the per share net holdback consideration had decreased by \$0.002, from \$1.28 to \$1.278, as a result of the refinement of the parties' agreement on the calculation of additions to and subtractions from the \$60 million base purchase price agreed to be paid by Platinum. (As disclosed elsewhere in this proxy statement, the total of the per share merger consideration and the per share net holdback consideration is estimated to be \$1.27, which is the result, rounded to two decimal places, when the \$250,000 advance fund on account of expenses to be provided to CuShaman LLC, as stockholder representative, is also subtracted from the \$60 million base purchase price. However, any unused portion of this stockholder representative advance fund will be included in the per share net holdback consideration.) The Committee noted that these issues did not materially alter the terms of the merger agreement. After considerable discussion, the Committee concurred with the proposed resolution of these issues and agreed to communicate its agreement to Mr. Hirsch. Mr. Hirsch met telephonically with Mr. Cooper later that day and resolved the final outstanding issues between the parties.

Counsel then discussed with the Committee its fiduciary duties of care, loyalty and good faith under Delaware law in connection with its recommendation regarding the merger and the proposed merger agreement. Thereafter, the Committee and its counsel discussed in detail the terms of the merger agreement.

The meeting was adjourned and then reconvened later that day. At the reconvened meeting, the Committee reviewed with counsel the final version of the proposed merger agreement and counsel discussed the changes to the merger agreement from the draft previously circulated, including a refinement of the scope of transaction expenses. The Committee concurred with the changes. Thereafter, GMP Securities delivered its fairness opinion and confirmed its earlier view that the per share merger consideration to be received by the holders of our common stock was fair, from a financial point of view, to our company and its stockholders. After considerable discussion, the Committee unanimously approved resolutions determining that the merger was advisable and in the best interest of our company and its stockholders and that it was advisable to enter into the merger agreement and recommended that the board approve the merger agreement, the voting agreement and the agreements and transactions contemplated thereby.

Following completion of the meeting of the Committee, our entire board of directors met to discuss the revised draft of the merger agreement. GMP Securities, counsel to the company and counsel to the Committee, were present at the request of our board. Prior to the meeting, the directors received revised drafts of the merger agreement, the voting agreement, the holdback escrow agreement and the deposit escrow agreement. GMP Securities presented to the full board its opinion that the consideration to be received by the holders of our common stock in the merger was fair, from a financial point of view, to our stockholders. GMP Securities then explained the reasoning behind its opinion, including a brief review of changes in the commodities and copper markets since its presentation to the Committee on August 28, 2006.

Counsel to the Committee reported that the Committee had unanimously recommended that our board approve the merger agreement, the voting agreement and the agreements and transactions contemplated thereby. After discussion, our board of directors approved resolutions determining that the merger was advisable and in the best interest of our company and its stockholders, and authorizing our company to execute and deliver the merger agreement, the voting agreement and related agreements, and to enter into transactions contemplated thereby. In light of the potential conflict of interest faced by Messrs. Hirsch and Seymour, by virtue of their status as creditors of our company, they abstained from voting on the proposed resolutions but noted their agreement with them.

The signing of the merger agreement was publicly announced on October 23, 2006.

Recommendation of Our Board of Directors

Our board of directors:

- approved the merger agreement and other transactions contemplated by the merger agreement, and declared the merger to be advisable to our stockholders;
- determined that it was in the best interests of Nord Resources and its stockholders to enter into the merger agreement and consummate the merger on the terms and conditions set forth in the merger agreement; and
- determined that the consideration to be paid in the merger was fair from a financial point of view to our stockholders.

Accordingly, our board of directors recommends that you vote FOR the adoption of the merger agreement.

Our Reasons for the Merger

In reaching its determination to approve the merger agreement and the transactions contemplated thereby and to recommend that you vote in favor of the proposal to adopt the merger agreement, our board of directors considered the recommendation of the special committee of our board of directors and consulted with our management, as well as our legal and financial advisors, and considered a number of factors, including the following material factors:

Factors Relating to the Transaction Generally:

- our current and future operating risks and opportunities if we were to remain as an independent publicly traded company in light of a number of relevant factors, including:
 - our limited ability as a publicly traded company not listed on a recognized national securities exchange or the Nasdaq stock market to obtain a financing of the magnitude necessary for us to complete our plan of operations to reactivate the Johnson Camp mine;
 - issues concerning our ability and the length of time and expense that it would take for us to secure a listing on a recognized national securities exchange or the Nasdaq stock market in light of our current stock price, our working capital deficit and our inability to reactivate the Johnson Camp mine without significant additional capital;
 - the current price of copper and the risk that the price of copper will decline as a result of lower demand during the period in which we would attempt to secure a stock exchange listing and the necessary financing, which would reduce the rates of return achievable from reactivation of the Johnson Camp mine and the likelihood that we would be able to achieve the requisite financing;
 - concerns relating to our ability to pay our existing creditors in view of our current working capital deficit;
 - the possibility that investors will be reluctant to finance the reactivation of the Johnson Camp mine, either due to perceived risk associated with an investment in the Johnson Camp mine or perceived risk associated with general economic conditions, including world demand and market prices for copper;
 - any financing that we would obtain for the reactivation of the Johnson Camp mine would most likely include an equity financing which would result in a dilution to the interests of existing shareholders in Nord Resources;
 - our current status as a company without a producing mine or other material revenue generating assets that would enable us to generate the significant revenues necessary for us to sustain our current operations and reactivate the Johnson Camp mine without additional financing;
- information with respect to our financial condition, results of operations, business and prospects, including the Company's current working capital deficit, management's projections of the capital cost to reactivate the Johnson Camp mine, the operating cost to be associated with mining activities at the Johnson Camp mine, the inherent uncertainties and contingencies associated with financial projections, and the economic and competitive market conditions affecting Nord Resources, including difficulties in securing the financing necessary to reactivate the Johnson Camp mine;
- our board of directors' belief, in light of its knowledge of our business, financial condition, results of operations, prospects and the business and competitive environment in which we operate, that the merger is more favorable to our stockholders than any other alternative reasonably available to Nord Resources including continued independent operations or other potential strategic transactions;

- the likelihood of obtaining a superior offer from an alternative purchaser to Platinum in light of the process that we had undertaken to identify and contact other potential purchasers and the risk of losing the proposed transaction with Platinum; and
- the potential stockholder value that our board of directors believed might result from other possible alternatives to the proposed merger, including the alternative of continuing to operate Nord Resources on a stand-alone basis or seeking to grow through acquisitions, as well as the risks and uncertainties associated with those alternatives.

Factors Relating to the Specific Terms of the Merger Agreement with Platinum:

- the total estimated per share merger consideration and per share net holdback consideration, presuming no payments of the holdback amount on account of damages to Platinum under the escrow holdback agreement, of \$1.27 per share of our common stock represents a substantial premium to the trading price of our common stock. The per share common stock merger consideration represents a 63% premium over the \$0.78 closing price of our common stock on October 20, 2006, the last trading day prior to the execution of the merger agreement; a 59% premium over our average common stock closing price for the thirty trading day period ending October 20, 2006; and a 56% premium over our average common closing stock price for the ninety trading day period ending October 20, 2006;
- the board of directors concluded that the merger consideration was likely the highest price reasonably attainable for our stockholders in a merger or other acquisition transaction;
- our board considered the presentation by GMP Securities Inc. on October 20, 2006 and its opinion that, as of October 20, 2006, and based on and subject to the matters set forth in its opinion, the consideration to be offered to holders of our common stock in the merger was fair, from a financial perspective, to our stockholders;
- the merger consideration consists solely of cash, which provides certainty of value to our stockholders (although payment of the per share net holdback consideration is not certain);
- there is no financing condition to the completion of the merger, and our board of directors, after consultation with its financial and legal advisors, has determined that Platinum will have adequate capital resources to pay the merger consideration, subject to Platinum obtaining shareholder approval for the merger and the conditions for release of its trust funds being satisfied;
- the merger agreement, subject to the limitations and requirements contained in the agreement, allows our board of directors to furnish information to and conduct negotiations with third parties other than Platinum under certain circumstances and, if the board of directors determines in good faith that a third party proposal constitutes a superior proposal, the board may terminate the merger agreement (subject to payment of a \$2.0 million termination fee);
- Platinum is obligated to pay to us a termination fee of \$2.0 million if we terminate the merger agreement under certain circumstances, including in the event of a withdrawal, qualification or modification by Platinum of its approval of the merger agreement or the recommendation of its board of directors regarding the merger agreement in a manner adverse to us;
- Platinum paid a deposit of \$500,000 upon execution of the merger agreement which will be increased by additional deposits of \$250,000 each due on November 30, 2006 and December 27, 2006. The deposit will be paid to us in the event of termination of the merger agreement in certain circumstances, including termination by us in the event that the shareholders of Platinum do not adopt the merger agreement.
- the fact that the completion of the merger is subject to the adoption of the merger agreement by our stockholders and if a superior offer for an alternative transaction were to be made prior to the adoption of the merger agreement by our stockholders at the special meeting of our stockholders, our stockholders would be free to reject the transaction with Platinum by voting against the adoption of the merger agreement.

Potential Negative Factors Relating to the Transaction:

Our board of directors also considered risks relating to the merger and other countervailing factors, including the following material risks and factors:

- we will no longer exist as an independent company and our stockholders will no longer participate in our growth as an independent company and also will not participate in the development and re-commencement of mining activities at the Johnson Camp mine;
- Platinum's obligation to consummate the merger is subject to receipt of approval of its shareholders to be obtained by a resolution passed by 80% or more of the Platinum shares voted at an extraordinary general meeting of the shareholders of Platinum called for the purpose of approving the merger agreement. In addition, shareholders of Platinum, exclusive of Platinum's founding shareholders, holding 20% or more of the issued Shares of Platinum must not have voted against approving and adopting the merger agreement and the merger.
- Platinum's obligation to consummate the merger is subject to the absence of a material adverse effect with respect to our business;
- consummation of the merger is subject to the satisfaction or waiver of numerous other conditions;
- it is possible that the merger may not be completed even if the merger agreement is adopted by our stockholders because other conditions to the merger may not be satisfied. If the merger does not close, we may incur significant cost and be subject to significant risks, including the possibility of disruption to our operations, diversion of management and employee attention, employee attrition and a potentially negative effect on business and customer relationships;
- the merger agreement precludes us from actively soliciting alternative proposals;
- we are obligated to pay Platinum a termination fee of \$2.0 million if we terminate or if Platinum terminates the merger agreement under certain circumstances, which may deter others from proposing an alternative transaction that might be more advantageous to our stockholders;
- certain of our directors and officers may have conflicts of interest in connection with the merger, as they may receive certain benefits that are different from, and in addition to, those of our other stockholders;
- the right to receive payment on account of the per share net holdback consideration is contingent and such payment (i) may never be received, (ii) may be delayed, or (iii) may be less than \$0.07 after any Platinum claims for damages have been satisfied and fees and expenses relating to the holdback escrow have been paid; and
- the gain from an all-cash transaction would be taxable to our tax-paying stockholders for United States federal income tax purposes.

After taking into account all of the factors set forth above, as well as others, our board of directors agreed that the benefits of the merger outweigh the risks and that the transactions contemplated by the merger agreement, including the merger, are advisable, fair to and in the best interests of Nord Resources and its stockholders. Our board of directors has approved the merger agreement and the merger and recommends that our stockholders vote to adopt the merger agreement at the special meeting.

The foregoing discussion is not intended to be exhaustive, but we believe it addresses the material information and factors considered by our board of directors in its consideration of the merger. In view of the number and variety of factors and the amount of information considered, our board of directors did not find it practicable to, and did not make specific assessments of, quantify or otherwise assign relative weights to, the specific factors considered in reaching its determination. In addition, our board of directors did not undertake to make any specific determination as to whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to its ultimate determination, and individual members of our board of directors may have given different weights to different factors.

Opinion of Financial Advisors

GMP Securities has acted as financial advisor to the special committee of our board of directors with respect to the merger. The special committee was comprised of our independent directors, namely Wade Nesmith, John Cook and Doug Hamilton. In connection with GMP Securities' engagement as financial advisor, the special committee of our board of directors requested that GMP Securities evaluate the fairness, from a financial point of view, of the merger consideration to be received by the holders of our common stock. On October 20, 2006 GMP Securities delivered its oral opinion to the special committee of our board of directors and subsequently to our board of directors as to the fairness, from a financial point of view, of the consideration to be received by stockholders of Nord in the merger. On October 20, 2006 GMP Securities confirmed in writing, to the special committee of our board of directors that, as of the date of its opinion and based upon and subject to the qualifications, limitations and assumptions set forth therein, the merger consideration to be received by the holders of our common stock was fair, from a financial perspective, to the holders of our common stock.

The summary of the written opinion of GMP Securities in this proxy statement is qualified in its entirety by reference to the full text of the written opinion of GMP Securities, dated October 20, 2006 attached to this proxy statement as Annex C. You are urged to, and should, read the written opinion of GMP Securities carefully and in its entirety. The written opinion of GMP Securities addresses only the fairness, from a financial point of view, of the merger consideration to be received by the holders of our common stock as of the date of the written opinion of GMP Securities, and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the merger.

In arriving at its opinion, GMP Securities, among other things:

- reviewed published research and industry reports for Nord Resources and for the worldwide metals and mining industry;
- reviewed the merger agreement as it relates to the financial consideration being offered, including schedules 1.1 through 1.5 thereof;
- reviewed the Johnson Camp Mine copper project 2005 feasibility study prepared by Winters, Dorsey & Company LLC;
- reviewed and analyzed publicly available information relating to the business, operations, financial performance and stock trading history of Nord Resources and other public companies considered to be relevant;
- reviewed press releases issued by Nord Resources;
- reviewed public filings submitted by Nord Resources to securities commissions or similar regulatory authorities and stock exchanges in the United States;
- conferred with senior officers of Nord Resources, including review of a representation certificate as to certain factual matters dated as of October 20, 2006 from senior management of Nord Resources;
- reviewed public financial and transaction information relating to other transactions which it deemed to be relevant; and
- reviewed such other corporate, industry and financial market information, investigations and analyses as it deemed necessary or appropriate for the purposes of its opinion.

In connection with its review, and subject to the exercise of professional judgment, GMP Securities did not assume any responsibility for independent verification of any of the foregoing information and relied upon a certificate dated as of October 20, 2006 from senior management of Nord Resources representing that such information was, at the date the information was provided, and except as disclosed in writing to GMP Securities, is complete, accurate and fair in all material respects.

GMP Securities' opinion addresses only the fairness, from a financial point of view, of the merger consideration to the holders of our common stock and does not address any other aspect or implication of the merger or any other agreement, arrangement or understanding entered into in connection with the merger or otherwise. GMP Securities' opinion is necessarily based upon information made available to it as of the date of its opinion, and upon financial, economic, market and general business conditions as they existed and could be evaluated on the date of the GMP Securities' opinion. In its analyses and in preparing the GMP Securities' opinion, GMP Securities made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of GMP Securities or any party involved in the merger. The GMP Securities' opinion does not address the relative merits of the merger as compared to other business strategies that might be available to us, nor does it address our underlying business decision to proceed with the merger.

In preparing its opinion, GMP Securities performed a number of financial and comparative analyses, including those described below. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. GMP Securities believes that its analyses must be considered as a whole and that selecting portions of its analyses and of the factors considered by it, without considering all analyses and factors, could create a misleading view of the processes underlying the GMP Securities' opinion. In addition, GMP Securities may have given some analyses more or less weight than other analyses, and may have deemed various assumptions more or less probable than other assumptions, so that the range of valuation resulting from any particular analysis described below should not be taken to be GMP Securities' view of the actual value of Nord Resources. The analyses performed by GMP Securities are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. The analyses performed were prepared solely as part of GMP Securities' analysis of the fairness, from a financial point of view, of the merger consideration to be received by the holders of our common stock and were provided to the special committee of our board of directors in connection with the delivery of the GMP Securities' opinion.

The following is a summary of material financial analyses performed by GMP Securities in connection with the preparation of its opinion, which had been reviewed with the special committee of our board of directors, at meetings held on August 30, 2006. GMP Securities confirmed in delivering its final opinion that these analyses had not changed materially as of October 20, 2006. Certain of the following summaries of financial analyses that were performed by GMP Securities include information presented in tabular format. In order to understand fully the material financial analyses that were performed by GMP Securities, the tables should be read together with the text of each summary. The tables alone do not constitute a complete description of the material financial analyses.

Comparison of Selected Publicly Traded Companies. GMP Securities compared selected financial information about Nord Resources with that of other public companies in the copper mining industry. The copper mining companies that GMP Securities considered were:

Aur Resources, Inc.
Constellation Copper Corp.
Equinox Minerals Ltd.
Eurozinc Mining Corp.
Frontera Copper Corp.
Imperial Metals Corp.
Inmet Mining Corp.
Mercator Minerals Ltd.
Northern Orion Resources Inc.

Quadra Mining Ltd.
Sherwood Copper Corp.

For these companies, GMP Securities reviewed several financial metrics, including but not limited to, enterprise value (calculated as the sum of market capitalization, net debt, minority interest and preferred shares) to copper reserves and resources, price to cash flow, price to earnings and price to net asset value.

Although the publicly-traded copper mining companies were used for comparison purposes, none of those companies is directly comparable to Nord Resources. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the comparable companies and other factors that could affect the public trading value of the comparable companies and Nord Resources.

Comparison of Precedent Mining Transactions. GMP Securities reviewed financial metrics from selected transactions in the mining industry. Specifically, GMP Securities reviewed the comparable transaction multiples of the selected transactions, calculated as the amount paid per pound of copper reserve and resource.

Although the transactions were used for comparison purposes, none of those transactions is directly comparable to the merger, and none of the companies in those transactions is directly comparable to Nord Resources. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical financial and operating characteristics of the companies involved and other factors that could affect the acquisition value of such companies or the company to which they are being compared.

Premium Analysis. GMP Securities also calculated the implied premium paid in 13 selected all cash transactions that occurred between March 30, 2003, and August 21, 2006, involving mining companies with transaction values ranging from approximately \$117 million to \$17 billion. GMP Securities derived the following information from data observed for the selected transactions based on an assumed announcement date of August 30, 2006 and the aggregate of the per share merger consideration and the per share net merger consideration being equal to \$1.30 per share:

	Offer Price Premium to Target	
	Price	
	<u>1 Day</u> <u>Premium</u>	<u>1 Week</u> <u>Premium</u>
Comparable Transactions Summary		
Mean	23.9 %	26.5%
Mean Excluding Maximum / Minimum Values	23.2 %	26.7 %
Maximum	42.0 %	40.1 %
Minimum	14.0 %	10.5%
Nord Resources / Platinum Merger	64.0%	66.0%

Although the premiums paid in the selected transactions were used for comparison purposes, none of those transactions is directly comparable to the merger, and none of the companies in those transactions is directly comparable to Nord Resources. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical financial and operating characteristics of the companies involved and

other factors that could affect the acquisition value of such companies or the company to which they are being compared.

GMP Securities' opinion and earlier presentation to the special committee of our board of directors was one of many factors taken into consideration by the board of directors in deciding to enter into the merger agreement. Consequently, the analyses described above should not be viewed as determinative of the opinion of Nord Resources, or Nord Resources' management with respect to whether the special committee of our board of directors would have been willing to agree to a different aggregate merger consideration to be received by holders of our common stock.

GMP Securities was retained by the special committee of our board of directors to act as its financial advisor in connection with evaluating the merger, from a financial perspective to the shareholders of Nord Resources. GMP Securities was selected by Nord Resources based on GMP Securities' qualifications, expertise and reputation. GMP Securities, as part of its investment banking business, is continuously engaged in the valuation of businesses and securities in connection with mergers and acquisitions, private placements and related financings, bankruptcy reorganizations and similar recapitalizations, negotiated underwritings, secondary distributions of listed and unlisted securities, and valuations for corporate and other purposes. In the ordinary course of its business as a broker-dealer and market maker, GMP Securities and its clients may have, or may in the future have, long or short positions in securities of Nord Resources or its respective affiliates or associates and, from time to time, GMP Securities may have executed or may execute transactions on behalf of Nord Resources or on behalf of other clients for which it received or will receive compensation.

Pursuant to an engagement letter dated as of August 22, 2006, the special committee of our board of directors engaged GMP Securities to provide financial advisory services to Nord Resources in connection with the merger, including, among other things, rendering its opinion to the special committee of the board of directors. Pursuant to the terms of the engagement letter, GMP Securities was paid a \$75,000 retainer upon the signing of the engagement letter and received an additional \$175,000 fee for its services in connection with the merger which was paid upon delivery of the opinion. In addition, Nord Resources has agreed to indemnify GMP Securities for certain liabilities and expenses arising out of or in conjunction with its rendering of services under its engagement, including liabilities arising under the federal securities laws.

Interests of Our Directors and Executive Officers in the Merger

In considering the recommendation of our board of directors with respect to the merger agreement, you should be aware that our directors and executive officers may have interests in the merger and have arrangements that are different from, or in addition to, those of our stockholders generally. The following table sets forth the number of deferred stock units that our directors hold and the estimated aggregate amount of the per share merger consideration and per share net holdback consideration they will receive upon consummation of the merger, based on the number of deferred stock units outstanding as of November 13, 2006, the record date for the special meeting:

Name	Number of Deferred Stock Units Beneficially Owned	Cash Payment on Closing in Respect of DSUs Held if Per Share Merger Consideration is \$1.20 per share	Cash Payment on Account of Per Share Net Holdback Consideration if Per Share Net Holdback Consideration is \$0.07 per share
Stephen D. Seymour Director	19,731.571	\$23,678	\$1,381

Wade D. Nesmith Director	37,489.984	\$44,988	\$2,624
Douglas P. Hamilton Director	31,570.513	\$37,885	\$2,210
John F. Cook Director	25,651.042	\$30,781	\$1,796

Severance Provisions in Amended Employment Agreements

We have entered into amendments to employment agreements with certain of our executive officers that provide for certain severance benefits upon the occurrence of a Significant Transaction,

which is defined to include a significant transaction in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of shares representing 51% or more of our outstanding common stock. The consummation of the merger will constitute a Significant Transaction under these employment agreements that will trigger payment of these severance amounts. These severance amounts have been included in our estimate of the amount of the deferred payments to be made upon consummation of the merger. These severance payments are summarized below:

Erland Anderson, President and Chief Executive Officer

- Under the applicable severance provisions of Mr. Anderson's amended employment agreement, upon completion of the merger, we will be obligated to provide Mr. Anderson with the following payments and benefits: (a) the sum of \$150,000; (b) if we elect continuation of coverage of medical and dental benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985, we must pay 100% of such premiums for the first 18 months of coverage; and (c) the premiums necessary for continuation of any Supplemental Disability Policy (as defined in the employment agreement) or, at our election, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective date of termination; provided, however, that in lieu of such the payments and benefits described in clauses (b) and (c), and in full payment and satisfaction our obligations to Mr. Anderson in respect thereof, we may in our sole discretion elect to pay to Mr. Anderson the sum of \$24,000 in cash no later than the closing date of the merger. We intend to exercise this right and pay Mr. Anderson the sum of \$24,000 on or prior to the closing date of the merger, in addition to the lump sum payment of \$150,000 referred to in clause (a).

Ronald A. Hirsch, Chairman

- Under the applicable severance provisions of Mr. Hirsch's amended employment agreement, upon completion of the merger, we will be obligated to provide Mr. Hirsch with the following payments and benefits: (a) if we elect continuation of coverage of medical and dental benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985, we must pay 100% of such premiums for the first 18 months of coverage; and (b) the premiums necessary for continuation of any Supplemental Disability Policy (as defined in the employment agreement) or, at our election, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective date of termination; provided, however, that in lieu of such payments and benefits, and in full payment and satisfaction our obligations to Mr. Hirsch in respect thereof, we may in our sole discretion elect to pay to Mr. Hirsch the sum of \$9,000 in cash no later than the closing date of the merger. We intend to exercise this right and pay Mr. Hirsch the sum of \$9,000 on or prior to the closing date of the merger.

John Perry, Senior Vice President, Secretary, Treasurer and Chief Financial Officer

- Under the applicable severance provisions of Mr. Perry's amended employment agreement, upon completion of the merger, we will be obligated to provide Mr. Perry with the following payments and benefits: (a) the sum of \$225,000; (b) if we elect continuation of coverage of medical and dental benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985, we must pay 100% of such premiums for the first 18 months of coverage; and (c) the premiums necessary for continuation of any Supplemental Disability Policy (as defined in the employment agreement) or, at our election, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective

date of termination; provided, however, that in lieu of such the payments and benefits described in clauses (b) and (c), and in full payment and satisfaction our obligations to Mr. Perry in respect thereof, we may in our sole discretion elect to pay a lump sum in cash equal to the aggregate of the premiums that would have been payable during the 18 months following the closing date of the merger on the assumption that the premiums would be assessed and charged during that period at the same respective rates in force on the date of such payment. NORD currently does not cover Mr. Perry's medical and dental benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 or any premiums in respect of any Supplemental Disability Policy for Mr. Perry. Accordingly, Mr. Perry will only be entitled to receive the lump sum payment of \$225,000 referred to in clause (a).

Payments of Accrued but Unpaid Salaries, Bonuses and Consulting Fees

Each of Mr. Anderson and Mr. Hirsch is presently owed unpaid salaries and consulting fees that we have accrued but have not paid due to a lack of funding. These amounts will be paid on consummation of the merger and are included in our estimate of the amount of the deferred payments to be made upon consummation of the merger. These estimated unpaid salaries and consulting fees as of November 13, 2006 and exclusive of the unpaid bonuses described below, are summarized as follows:

	Accrued but Unpaid Salary	Accrued but Unpaid Consultant Fees
Erland Anderson, President and Chief Executive Officer	\$377,150	\$32,448
Ronald Hirsch, Chairman	\$573,888	\$295,000

Each of Mr. Anderson, Mr. Hirsch and Mr. Perry is presently owed unpaid bonuses that we have accrued but have not paid due to a lack of funding. These bonuses were approved by our independent directors. These amounts will be paid on consummation of the merger and are included in our estimate of the amount of the deferred payments to be made upon consummation of the merger. These estimated unpaid bonuses are summarized as follows:

	Accrued but Unpaid Bonuses
Erland Anderson, President and Chief Executive Officer	\$300,000
Ronald Hirsch, Chairman	\$300,000
John Perry, Senior Vice President, Secretary, Treasurer and Chief Financial Officer	\$300,000

Termination of Employment Arrangements Upon Consummation of the Merger

None of our directors or executive officers will continue on with the surviving corporation as a director, executive officer or employee of the surviving corporation or in any other capacity. Accordingly, all employment agreements with our executive officers will terminate upon consummation of the merger.

Voting Agreements

Concurrently with entering into the merger agreement, Platinum USA entered into a voting agreement with certain of our directors and officers who are also shareholders of Nord Resources, namely Ronald Hirsch and Stephen Seymour. These voting agreements provide that the directors and officers will

vote their shares, which represented approximately twenty six percent (26%) of our outstanding shares as of November 13, 2006, the record date for the special meeting, in favor of the merger. The voting agreements terminate on the earlier of (i) the date of closing of the merger or (ii) termination of the merger agreement in accordance with its terms (including if we terminate the merger agreement to accept a superior proposal). We encourage you to read the form of voting agreement carefully in its entirety. Each shareholder that is a party to a voting agreement has agreed to deliver a proxy to Platinum USA which will be used by Platinum USA to vote the shares at the meeting of our stockholders.

A form of the voting agreement is attached to this proxy statement as Annex B.

Indemnification, Insurance and Employee Benefits

Platinum USA has agreed that for a period of two years from the effective time of the merger, the surviving corporation's certificate of incorporation and bylaws will contain provisions no less favorable with respect to indemnification than are set forth in our charter documents, in each case as in effect on the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of one year from the effective time of the merger in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the effective time, were directors or officers of Nord Resources or any of our Subsidiaries, unless such modification shall be required by law and then only to the minimum extent required by law. Platinum USA has further agreed to cause the surviving corporation or Platinum USA to obtain and maintain in effect, for a period of two years after the effective time, policies of directors' and officers' liability insurance on behalf of the former officers and directors of Nord Resources currently covered by our directors' and officers' liability insurance policy with respect to acts or omissions occurring prior to the effective time with at least the same coverage and containing terms and conditions that are not less favorable than those under existing policies.

Delisting and Deregistration of Our Common Stock

If the merger is completed, our common stock will no longer trade on the OTC Pink Sheets and deregistered under the Exchange Act, and Nord Resources will no longer file periodic reports with the Securities and Exchange Commission.

Litigation Relating to the Merger

As of the date of this proxy statement, we are unaware of any lawsuits filed against us or our board of directors in connection with the merger.

Material U.S. Federal Income Tax Consequences

The following is a summary of the material United States federal income tax consequences of the merger to United States Holders (as defined below) of our common stock whose shares are converted into the right to receive cash under the merger. This summary is based on the Internal Revenue Code of 1986, as amended (or, the Code), applicable Treasury Regulations, and administrative and judicial interpretations thereof, each as in effect as of the date hereof, all of which may change, possibly with retroactive effect.

This summary is limited to United States Holders (as defined below) who hold our shares of common stock as capital assets. It does not address all of the tax consequences that may be relevant to a holder's particular circumstances, or to holders that may be subject to special tax rules, including, without limitation:

- banks, insurance companies or other financial institutions;
- broker-dealers;

- traders;
- expatriates;
- tax-exempt organizations;
- Non-United States Holders (as defined below);
- persons that are S-corporations, partnerships or other pass through entities;
- persons who are subject to alternative minimum tax;
- persons who hold their shares of our common stock as a position in a straddle, a hedging or conversion transaction, or other risk;
- reduction transaction;
- persons deemed to sell their shares of our common stock under the constructive sale provisions of the Code;
- persons that have a functional currency other than the United States dollar; or
- persons who acquired their shares of our common stock upon the exercise of stock options or otherwise as compensation.

In addition, this summary does not address any U.S. federal estate or gift tax consequences, nor any state, local or foreign tax consequences of the merger, and this summary does not address the tax consequences to holders of our common stock who exercise appraisal rights under Delaware law.

THIS SUMMARY DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OF THE POTENTIAL TAX CONSIDERATIONS RELATING TO THE MERGER, AND IS NOT TAX ADVICE. THEREFORE, YOU ARE URGED TO CONSULT YOUR TAX ADVISOR WITH RESPECT TO THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO YOUR PARTICULAR SITUATION, AS WELL AS ANY TAX CONSEQUENCES OF THE MERGER ARISING UNDER THE FEDERAL ESTATE OR GIFT TAX RULES OR UNDER THE LAWS OF ANY STATE, LOCAL, FOREIGN OR OTHER TAXING JURISDICTION OR UNDER ANY APPLICABLE TAX TREATY.

For purposes of this summary, a United States Holder means a holder that is:

- an individual citizen or resident of the United States;
 - a corporation or an entity treated as a corporation for United States federal income tax purposes created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
 - an estate the income of which is subject to United States federal income taxation regardless of its source; or
 - a trust (a) the administration over which a United States court can exercise primary supervision and all of the substantial decisions of which one or more United States persons have the authority to control and (b) certain other trusts considered United States Holders for federal income tax purposes.
- A Non-United States Holder is a holder other than a United States Holder.

Consequences of the Merger

The receipt of cash in exchange for shares of our common stock pursuant to the merger will be a taxable transaction for United States federal income tax purposes. In general, a United States Holder who receives cash in exchange for shares of our common stock pursuant to the merger will recognize capital gain or loss for United States federal income tax purposes equal to the difference, if any, between the amount of cash received and the holder's adjusted tax basis in the shares of our common stock exchanged therefore. Any such gain or loss would be long-term capital gain or loss if the holding period for the shares of our common stock exceeded one year. Long-term capital gains of non-corporate taxpayers are generally subject to tax at reduced rates. The deductibility of capital losses is subject to limitations. Gain or loss

must be calculated separately for each block of common stock (i.e., shares acquired at the same cost in a single transaction) exchanged for cash in the merger.

Backup Withholding

Backup withholding may apply to payments made in connection with the merger. Backup withholding will not apply, however, to a holder who (1) furnishes a correct taxpayer identification number and certifies it is not subject to backup withholding on the substitute Form W-9 or successor form included in the letter of transmittal to be delivered to holders of our common stock prior to completion of the merger, or (2) is otherwise exempt from backup withholding. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against such holder's United States federal income tax liability provided the required information is furnished to the Internal Revenue Service.

Appraisal Rights

Holders of record of our shares of common stock who do not vote in favor of the adoption of the merger agreement or consent thereto in writing and who properly demand appraisal of their shares will be entitled to appraisal rights in connection with the merger under Section 262 of the General Corporation Law of the State of Delaware, or Section 262.

The following discussion is not a complete statement of the law pertaining to appraisal rights under Section 262 and is qualified in its entirety by the full text of Section 262 which is attached to this proxy statement as Annex D. The following summary does not constitute any legal or other advice nor does it constitute a recommendation that stockholders exercise their appraisal rights under Section 262. All references in Section 262 and in this summary to a stockholder or holders of shares of our common stock are to the record holder or holders of the shares of our common stock as to which appraisal rights are asserted. A person having a beneficial interest in shares of our common stock held of record in the name of another person, such as a broker, fiduciary, depository or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights.

Under Section 262, a record holder of shares of our common stock who makes the demand described below with respect to such shares, who continuously is the record holder of such shares through the effective time of the merger, who does not vote in favor of the adoption of the merger agreement and who otherwise follows the procedures set forth in Section 262, will be entitled to have his or her shares appraised by the Delaware Court of Chancery and to receive payment in cash of the fair value of the shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, as determined by the court.

Under Section 262, where a merger is to be submitted for approval at a meeting of stockholders, as in the case of the adoption of the merger agreement by our stockholders, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders entitled to appraisal rights that appraisal rights are available and include in the notice a copy of Section 262. This proxy statement shall constitute the notice required by Section 262 of the availability of appraisal rights, and the full text of Section 262 is attached to this proxy statement as Annex D. Any holder of our common stock who wishes to exercise appraisal rights should review the following discussion and *Annex D* carefully because failure to timely and properly comply with the procedures specified will result in the loss of appraisal rights. Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of shares of our common stock, we believe that if you consider exercising such rights, you should seek the advice of legal counsel.

Any stockholder wishing to exercise appraisal rights must deliver to us, before the vote on the adoption of the merger agreement at the special meeting on December 20, 2006, a written demand for the appraisal of the stockholder's shares, and a holder of shares of our common stock must not vote in favor of the adoption of the merger agreement. A holder of shares of our common stock wishing to exercise appraisal rights must hold of record the shares on the date the written demand for appraisal is made and must continue to hold the shares of record through the effective time of the merger, since appraisal rights will be lost if the shares are transferred prior to the effective time of the merger. A proxy which is signed and does not contain voting instructions will, unless revoked, be voted in favor of the adoption of the merger agreement.

Therefore, a stockholder who votes by proxy and who wishes to exercise appraisal rights must vote against the adoption of the merger agreement or abstain from voting on the merger agreement. Neither voting against the adoption of the merger agreement (in person or by proxy), nor abstaining from voting or failing to vote on the proposal to adopt the merger agreement will in and of itself constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on the proposal to adopt the merger agreement. The demand must reasonably inform us of the identity of the record holder as well as the intention of the holder to demand an appraisal of the fair value of the shares held by the holder. A stockholder's failure to make the written demand prior to the taking of the vote on the adoption of the merger agreement at the special meeting of stockholders will constitute a waiver of appraisal rights.

Only a holder of record of shares of our common stock is entitled to assert appraisal rights for the shares registered in that holder's name. A demand for appraisal in respect of shares of our common stock should be executed by or on behalf of the holder of record and must state that the person intends thereby to demand appraisal of the holder's shares in connection with the merger. If the shares are owned of record by a person other than the beneficial owner, including a broker, fiduciary (such as a trustee, guardian or custodian), depositary or other nominee, execution of the demand should be by or for the record owner, and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or on behalf of all joint owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder or record; however, the agent must identify the record owner or owners and expressly disclose that, in executing the demand, the agent is acting as agent for the record owner or owners. A record holder such as a broker who holds shares as nominee for several beneficial owners may exercise appraisal rights with respect to the shares held for one or more beneficial owners while not exercising the rights with respect to the shares held for other beneficial owners; in such case, however, the written demand should set forth the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned the demand will be presumed to cover all shares of our common stock held in the name of the record owner. Stockholders who hold their shares in brokerage accounts or other nominee forms and who wish to exercise appraisal rights are urged to consult with their broker or nominee to determine the appropriate procedures for the making of a demand for appraisal by such a nominee.

All written demands for appraisal pursuant to Section 262 should be sent or delivered to Nord Resources Corporation, 1 West Wetmore Road, Tucson, Arizona 85705, Attention: Secretary.

Within ten days after the effective time of the merger, we must notify each holder of our common stock who has complied with Section 262, and who has not voted in favor of the adoption of the merger agreement, that the merger has become effective. Within 120 days after the effective time of the merger, but not thereafter, we or any holder of our common stock who has so complied with Section 262 and is entitled to appraisal rights under Section 262 may file a petition in the Delaware Court of Chancery (with a copy served on us) demanding a determination of the fair value of the shares held by all dissenting holders. If a petition for appraisal is not timely filed, then the right to an appraisal for all dissenting stockholders will cease. We are under no obligation to and has no present intention to file a petition and

holders should not assume that we will file a petition or that we will initiate any negotiations with respect to the fair value of such shares. Accordingly, the holders of our common stock who desire to have their shares appraised should initiate all necessary action to perfect their appraisal rights in respect of shares of our common stock within the time and in the manner prescribed in Section 262.

Within 120 days after the effective time of the merger, any holder of our common stock who has complied with the requirements for exercise of appraisal rights will be entitled, upon written request, to receive from us a statement setting forth the aggregate number of shares not voted in favor of the adoption of the merger agreement and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within ten days after a written request therefore has been received by the surviving corporation or within ten days after the expiration of the period for delivery of demands for appraisal, whichever is later.

Under the merger agreement, we have agreed to provide Platinum prompt notice of any demands for appraisal, withdrawals of such demands and any other instruments served on or otherwise received by us pursuant to Section 262. Platinum will have the right to participate in all negotiations and proceedings with respect to demands for appraisal under Section 262. We will not make any payments with respect to, or settle or offer to settle, any demands for appraisal without the written consent of Platinum.

If a petition for an appraisal is timely filed by a holder of shares of our common stock and a copy thereof is served upon the surviving corporation, we will then be obligated within 20 days to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached. After notice to the stockholders as required by the Court, the Delaware Court of Chancery is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. The Delaware Court of Chancery may require the stockholders who demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with the direction, the Court of Chancery may dismiss the proceedings as to the stockholder.

After determining the holders of our common stock entitled to appraisal, the Delaware Court of Chancery will determine the fair value of their shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value and, if applicable, a fair rate of interest, the Delaware Court of Chancery will take into account all relevant factors.

Stockholders considering seeking appraisal should be aware that the fair value of their shares as so determined could be more than, the same as or less than the common merger consideration (approximately \$1.27 per share of common stock assuming no deductions from the holdback amount, and \$1.20 assuming the entire holdback amount is required to be paid to Platinum under the terms of the merger agreement) that they would receive pursuant to the merger if they did not seek appraisal of their shares and that an investment banking opinion as to the fairness from a financial point of view of the consideration to be received in a merger is not necessarily an opinion as to fair value under Section 262. Although we believe that the merger consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the merger consideration. Platinum has informed us that it does not anticipate offering to any stockholder exercising appraisal rights more than \$1.27 per share to any holder of shares of common stock, and Platinum has reserved the right to assert, in any appraisal proceeding, that for purposes of Section 262, the fair value of a share of our common stock is less than \$1.27 per share of common stock. The Delaware Court of Chancery will also determine the amount of interest, if any, to be paid upon

the amounts to be received by persons whose shares of our common stock have been appraised. The costs of the action may be determined by the Court and taxed upon the parties as the Court deems equitable under the circumstances. However, costs do not include attorneys' and expert witness fees. Each dissenting stockholder is responsible for his or her attorneys' and expert witness expenses, although upon application of a dissenting stockholder or the surviving corporation, the Court may also order that all or a portion of the expenses incurred by a stockholder in connection with an appraisal, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts utilized in the appraisal proceeding, be charged pro rata against the value of all the shares entitled to be appraised.

Any holder of shares of our common stock who has duly demanded an appraisal in compliance with Section 262 will not, after the effective time of the merger, be entitled to vote the shares subject to the demand for any purpose or be entitled to the payment of dividends or other distributions on those shares (except dividends or other distributions payable to holders of record of our common stock as of a record date prior to the effective time of the merger).

If any stockholder who demands appraisal of shares of our common stock under Section 262 fails to perfect, or successfully withdraws or loses, such holder's right to appraisal, the stockholder's shares of our common stock will be deemed to have been converted at the effective time of the merger into the right to receive the per share merger consideration and a contingent right to the per share net holdback consideration, each without interest and less any applicable withholding taxes. A stockholder will fail to perfect, or effectively lose or withdraw, the holder's right to appraisal if no petition for appraisal is filed within 120 days after the effective time of the merger. In addition, a stockholder may withdraw his, her or its demand for appraisal rights if the stockholder delivers to us a written withdrawal of the stockholder's demand for appraisal and an acceptance of the merger consideration at any time within 60 days after the effective time of the merger or thereafter with written approval. However, once a petition for appraisal is filed, the appraisal proceeding may not be dismissed as to any holder absent approval by the Delaware Court of Chancery, which approval may be conditioned upon the terms the Court deems just.

Failure to comply with all of the procedures set forth in Section 262 will result in the loss of a stockholder's statutory appraisal rights. Consequently, any stockholder wishing to exercise appraisal rights is urged to consult legal counsel before attempting to exercise those rights.

THE MERGER AGREEMENT

The following description summarizes the material provisions of the merger agreement. Stockholders should read carefully the merger agreement, which is attached as Annex A to this proxy statement.

This summary of the merger agreement has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about us. Such information can be found elsewhere in this proxy statement and in the other public filings we make with the Securities and Exchange Commission, which are available without charge at www.sec.gov.

The merger agreement contains representations and warranties that we, on the one hand, and Platinum, Platinum USA and Merger Sub, on the other hand, have made to one another as of specific dates. These representations and warranties have been made for the benefit of the other parties to the merger agreement and may be intended not as statements of fact but rather as a way of allocating the risk to one of the parties if those statements prove to be incorrect. In addition, the assertions embodied in the representations and warranties are qualified by information in confidential disclosures letters exchanged by the parties in connection with signing the merger agreement. While we do not believe that these disclosure schedules contain information required to be publicly disclosed under the applicable securities

laws other than information that has already been so disclosed, the disclosure schedules do contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the attached merger agreement. Accordingly, you should not rely on the representations and warranties as current characterizations of factual information about us, since they were made as of specific dates, may be intended merely as a risk allocation mechanism between us and Platinum, Platinum USA and Merger Sub and are modified in important part by the underlying disclosure schedules.

The Merger

The merger agreement provides that Merger Sub will merge with and into us. We will survive the merger as a wholly-owned subsidiary of Platinum.

The closing date for the merger will be as soon as practicable, but no later than the second business day following, the satisfaction or waiver of all conditions to closing in the merger agreement. We will seek to complete the merger shortly following the special meeting of stockholders on December 20, 2006 and currently expect to complete the merger on or about December 22, 2006. However, we cannot assure you when, or if, all of the conditions to completion of the merger will be satisfied. See The Merger Agreement Conditions to the Merger.

The merger will be effective when we file a certificate of merger with the Secretary of State of the State of Delaware, or at such later time as we and Platinum specify in the certificate of merger. We expect to make this filing at the time of the closing under the merger agreement.

Merger Consideration

The merger agreement provides that each share of our common stock outstanding immediately prior to the effective time of the merger (other than shares held by us, our wholly-owned subsidiaries, Platinum USA or Merger Sub or by holders properly exercising appraisal rights under Delaware law) will be converted at the effective time of the merger into:

- the right to receive the **per share merger consideration**, as determined in accordance with the merger agreement, in cash on consummation of the merger, subject to an aggregate of holdback amount of \$3,000,000; and
- a contingent right to receive the **per share net holdback consideration**, as determined in accordance with the merger agreement based on the pro rata share of amounts remaining, if any, of:
 - the holdback amount of \$3,000,000 after the expiry of a six month holdback period during which the holdback amount will be available to indemnify Platinum, Platinum USA and surviving corporation for any damages arising from certain breaches by us of the merger agreement and expenses associated with our stock options and certain other matters, plus
 - a \$250,000 advance on account of expenses that we will make to CuShaman LLC as stockholder representative in connection with the holdback amount.

We will not be able to determine the exact amount of the per share merger consideration until the time of consummation of the merger. We estimate that the per share merger consideration will equal **\$1.20** per share, however the final per share merger consideration could be more or less than this amount. We estimate that the per share net holdback consideration will equal **\$0.07** per share, prior to deduction of fees and expenses associated with the escrow arrangement for the holdback and expenses of the stockholder representative, if there are no claims for damages made against the holdback amount. There is no assurance that any portion of the holdback amount or the stockholder advance will be available for payout to our stockholders upon expiry of the six month holdback period.

The per share merger consideration and the per share net holdback consideration will each be paid without interest and less any applicable withholding taxes.

The per share merger consideration will be paid to our stockholders on consummation of the merger. Any per share net holdback consideration will be paid to our stockholders upon expiry of the holdback period and also upon resolution of any contested claims for damages.

In order to enable the per share merger consideration to be calculated, we will, not later than two days prior to the closing date, deliver to Platinum and Platinum USA a balance sheet of Nord Resources as of five business days prior to the closing date. The balance sheet shall be prepared in accordance with generally accepted accounting principals, consistent with the preparation of our financial statements and books and records. The cash amount on the closing balance sheet will not include deduction of any amount on account of the \$250,000 stockholder advance fund.

The aggregate merger consideration to be paid by Platinum and Platinum USA to our security holders on consummation of the merger will be calculated in accordance with the merger agreement based on the following formula:

- the amount of \$60,000,000; less
- a holdback amount of \$3,000,000; less
- certain corporate debt of Nord Resources that includes our corporate indebtedness under any agreements, instruments or arrangements for borrowed money between us or our subsidiaries any other person as lender, that is not convertible or exchangeable into shares of our common stock or other securities; less
- the amount of certain deferred payments that are defined to include (i) any accrued salary, severance payment, consulting fee or other benefit owing by us or our subsidiaries to any employee, consultant or director that is due and unpaid, including payments due as a result of the merger, or otherwise, and shall include any amounts to be paid under our retention bonus program and any taxes or expenses related to any parachute payments under the Internal Revenue Code, and (ii) costs and expenses relating to a settlement regarding our claim in the bankruptcy of ASARCO, LLC. This amount will include payments to be made to certain of our officers and directors under the severance payment provisions of their employment contracts and on account of accrued but unpaid salary and consulting fees; less
- the amount by which our liabilities as of the effective time of the merger exceed \$1,000,000, which liabilities will not include liabilities on account of :
 - certain agreed upon liabilities that are referred to as excluded liabilities;
 - our corporate debt, as described above;
 - the deferred payments, as described above;
 - liabilities that we incur relating to maintenance of our option in the Coyote Springs project in good standing and that have not been paid by us or reimbursed by Platinum;
 - liabilities that we incur relating to completion of the merger transaction that have not been paid by us or reimbursed by Platinum;
 - liabilities that we have incurred in connection with a proposed public offering of our common stock; less
- the total of:
 - the amount of liabilities that we incur relating to completion of the merger transaction that is in excess of the agreed upon limits described below; plus
 - liabilities that we have incurred in connection with a proposed public offering of our common stock; less
- an advance fund of \$250,000 paid to the representative of our stockholders in connection with the holdback; plus

- the amount of our cash on the consummation of the merger, prior to payment of any amount on account of the stockholder representative advance fund; plus
- the amount of expenditures paid for by us between the date of the merger agreement and the consummation of the merger relating to maintenance of our option in the Coyote Springs project in good standing, to the extent that we have not been reimbursed for these expenses by Platinum; plus
- the amount of expenditures paid for by us in connection with the merger transaction, subject to a maximum of \$750,000 on account of legal fees, \$100,000 on account of accounting fees and \$110,000 on account of proxy statement and proxy solicitation expenses, to the extent that we have not been reimbursed for these expenses by Platinum.

The amounts of our cash and liabilities as of consummation of the merger will be determined from the closing balance sheet delivered by us to Platinum immediately prior to the consummation of the merger.

In order to calculate the per share merger consideration, we will, not later than two days prior to the closing date, deliver to Platinum and Platinum USA a closing schedule detailing the calculation of the per share merger consideration based on the cash and liabilities from the closing balance sheet.

The amount of the per share merger consideration will equal (i) the aggregate merger consideration, as determined above, plus (ii) the aggregate exercise price or conversion price of our outstanding options and warrants, divided by the total of (iii) the total number of issued and outstanding shares of our common stock as of consummation of the merger, and (iv) the total number of shares of our common stock that are subject to our outstanding options, warrants and convertible notes as of consummation of the merger.

If any of our stockholders perfects appraisal rights with respect to any of our shares, then we will treat those shares as described under *The Merger Appraisal Rights* beginning on page 54.

The Estimate of the Per Share Merger Consideration

We have estimated the per share merger consideration based on the per share merger consideration calculation described above and the estimates set forth in Schedules 1.3, 1.4 and 1.5 to the merger agreement, as follows:

Per Share Merger Consideration Calculation	Credit to or Debit Against Per Share Merger Consideration	Estimated Amount
Base amount of \$60,000,000	Credit	\$60,000,000
Holdback amount of \$3,000,000	Debit	(\$3,000,000)

Deferred Payments	Debit	(\$3,275,341)
The amount by which our liabilities as of the effective time of the merger exceed \$1,000,000, exclusive of the agreed upon liabilities	Debit	(\$53,386)

Per Share Merger Consideration Calculation	Credit to or Debit Against Per Share Merger Consideration	Estimated Amount
<p>The total of:</p> <ul style="list-style-type: none"> o the amount of liabilities that we incur relating to completion of the merger transaction that is in excess of the agreed upon limits; plus o liabilities that we have incurred in connection with a proposed public offering of our common stock 	Debit	(\$1,416,098)
Stockholder Representative Advance Fund	Debit	(\$250,000)
The amount of our cash on the consummation of the merger, prior to payment of any amount on account of the stockholder representative advance fund	Credit	\$Nil
The amount of expenditures paid for by us between the date of the merger agreement and the consummation of the merger relating to maintenance of our option in the Coyote Springs project in good standing, to the extent that we have not been reimbursed for these expenses by Platinum	Credit	\$250,000
The amount of expenditures paid for by us in connection with the merger transaction, subject to a maximum of \$750,000 on account of legal fees, \$100,000 on account of accounting fees and \$110,000 on account of proxy statement and proxy solicitation expenses, to the extent that we have not been reimbursed for these expenses by Platinum	Credit	\$913,498
Aggregate merger consideration to be paid upon consummation of the merger	N/A	\$47,703,861

The per share merger consideration is also based on the following estimates:

- 33,963,043 shares of our common stock issued and outstanding as of consummation of the merger;
- 9,234,835 shares of our common stock issuable pursuant to outstanding options, warrants, convertible notes and deferred stock units; and
- the aggregate exercise price or conversion price of our outstanding options and warrants being equal to \$4,208,018.

Applying the per share merger consideration calculation described above, the per share merger consideration is estimated as \$1.20 per share

The above amounts are estimates only and are provided for purposes of illustrating the calculation of the estimated per share merger consideration. The actual per share merger consideration will be based on actual amounts and liabilities determined from the closing balance sheet and could be more or less than the estimated amount.

The Holdback

In aggregate, a total of \$3,000,000 will be held back from the amount paid to the stockholders of Nord Resources on consummation of the merger. The holdback amount will be held in trust for a holdback period of six months pursuant to the terms of the holdback escrow agreement to be executed upon consummation of the merger.

- 61 -

During the holdback period, the holdback amount may be used to indemnify, defend and hold harmless Platinum, Platinum USA and the surviving corporation of the merger from and against any and all damages arising from (i) inaccuracies in the calculation of the per share merger consideration, (ii) inaccuracies in the closing balance sheet, (iii) breaches by us of certain of our representations and warranties set forth in the merger agreement, including representations regarding our capitalization, executive compensation and related party transactions, (iv) costs and expenses connected with the cancellation or termination of certain out-of-the-money stock options, subject to an aggregate limit of \$25,000, and (v) costs and expenses connected with the termination of Nord's 401(k) plan, subject to an aggregate limit of \$100,000. No claim may be made for damages under paragraphs (i), (ii) or (iii) unless the damages exceed \$50,000 in aggregate.

The merger agreement includes provisions for claims for damages to be made by Platinum, Platinum USA and the surviving corporation against the holdback amount. The merger agreement also includes arbitration provisions that will be apply if the stockholder representative contests any claim for damages made by Platinum, Platinum USA and the surviving corporation under the escrow agreement.

The Holdback Escrow Agreement

The parties to the holdback escrow agreement will be American Stock Transfer & Trust Company, the paying agent under the merger agreement, as escrow agent, Platinum, Platinum USA and CuShaman LLC, as representative of the stockholders of Nord Resources. The fees, costs and expenses of the escrow agent in administering the escrow agreement will be deducted from the holdback amount. Interest earned on the holdback amount will be applied as a credit against these fees, costs and expenses, with any balance being remitted to Platinum USA. A form of the Holdback Escrow Agreement is attached to this proxy statement as Annex E.

The per share net holdback consideration will be paid by American Stock Transfer and Trust Company as the paying agent upon expiry of the six month holdback period in the event that there are no claims for damages made by Platinum, Platinum USA and the surviving corporation during the holdback period, or if any such claims have been paid out or withdrawn during the holdback period. If there are any claims for damages made by Platinum, Platinum USA and the surviving corporation that are the subject of arbitration proceedings at the time of expiry of the holdback period, the per share net holdback consideration, if any, less the amount of those claims and a reasonable estimate of related expenses will be paid out on the end of the six month holdback period and the remainder, if any will not be paid until a final arbitration award in respect of such claims has been made in the manner contemplated by the escrow agreement.

Nord Stockholder Representative

CuShaman LLC, a limited liability company of which Ronald A. Hirsch, our chairman, is the sole member, will be the representative of our security holders, including our stockholders and the holders of our options, warrants, convertible notes and deferred stock units, under the escrow agreement. We will advance \$250,000 to the stockholder representative to fund expenses incurred by the stockholder representative in representing our security holders under the escrow agreement. Any unused portion of this stockholder representative advance will be included in the per share net holdback consideration. The stockholder representative will not be liable for any act done or omitted under the escrow agreement as stockholder representative except as a result of its own willful misconduct or gross negligence. Any act done or omitted pursuant to the advice of legal counsel will not be considered to constitute willful misconduct or gross negligence and the stockholder representative will have no liability for any act done or omitted. The merger agreement provides that the security holders of Nord Resources will severally indemnify the stockholder representative and hold such agent harmless against any loss, liability or

expense incurred without bad faith on the part of the stockholder representative and arising out of or in connection with the acceptance or administration of its duties.

By adopting the merger agreement and approving the merger, our stockholders will be approving the appointment of CuShaman LLC as representative of our stockholders under the escrow agreement.

Payout of the Holdback

Upon expiry of the holdback period, the aggregate amount of the net holdback consideration that will be paid to our security holders will be determined based on the following formula:

- the original holdback amount of \$3,000,000, less
- the amount of the holdback paid to satisfy claims for damages by Platinum, Platinum USA and the surviving corporation; less
- fees, costs and expenses of the transfer agent, after application of any interest earned on the holdback amount, plus
- the remaining amount of the \$250,000 advance to the stockholder representative after payment of any expenses of the stockholder representative.

The amount of the per share net holdback consideration will equal the aggregate amount of the net holdback consideration to be paid to our security holders, as determined above, divided by the total of (i) the total number of issued and outstanding shares of our common stock as of consummation of the merger, and (ii) the total number of shares of our common stock that are subject to our outstanding options, warrants and, convertible notes as of consummation of the merger.

Payments by Platinum USA on Consummation of the Merger

Platinum has agreed to cause Platinum USA to pay the following liabilities of Nord Resources upon consummation of the merger to the extent that these liabilities remain unpaid as of consummation of the merger:

- liabilities comprising our corporate debt, as determined in accordance with the per share merger consideration calculation;
- liabilities comprising our deferred payments, as determined in accordance with the per share merger consideration calculation;
- liabilities comprising transaction expenses related to the negotiation of the merger agreement and completion of the merger, including specifically expenses for accounting, legal, investment bankers, the fairness opinion of GMP Securities, the stockholder representative and the preparation, filing and mailing of this proxy statement; and
- liabilities that we have incurred in connection with a proposed public offering of our common stock.

These payments have been taken into account in calculating the per share merger consideration.

Deposit

Platinum caused Platinum USA to pay a deposit of \$500,000 to American Stock Transfer & Trust Company on execution of the merger agreement. The deposit is held pursuant to a deposit escrow agreement entered into between us, Platinum USA and American Stock Transfer & Trust Company on execution of the merger agreement. Platinum USA has agreed to make two further additional deposits of \$250,000 on each of November 30, 2006 and December 27, 2006, provided that the merger has not been consummated by such dates. In the event of consummation of the merger, the escrow agent will apply the

deposit funds to the merger consideration funds to be deposited by Platinum and Platinum USA with the escrow agent for the purposes of paying the merger consideration. If we terminate the merger agreement as a result of the failure of the shareholders of Platinum to approve the merger agreement and the merger by December 29, 2006, then the deposit funds will be released to us. If this meeting occurs prior to November 30, 2006 and the merger is not approved, Platinum will pay an additional \$250,000 to us, which amount will be deemed to be part of the deposit fund. In the event that Platinum terminates the merger agreement as a result of the failure of our stockholders to approve and adopt the merger agreement, the deposit fund will be released to Platinum. Interest on the deposit fund will accrue to the benefit of Platinum USA. In the event that we are entitled to payment of a termination fee from Platinum, the deposit fund will be released to us as a partial payment on account of the termination fee.

Treatment of Stock Options

Each in-the-money option to purchase shares of our common stock, if vested, will be converted into:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the excess, if any, of (A) the per share merger consideration over (B) the per share exercise price of the option, multiplied by (ii) the number of shares of our common stock subject to such vested option immediately prior to the effective time, and
- a contingent right to receive a portion of the net holdback consideration in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to such vested option immediately prior to the effective time.

We have agreed to use our best efforts to obtain the consent of all of our option holders such that all of our outstanding stock options will be converted in this manner on consummation of the merger. All outstanding options converted in this manner will be cancelled at the effective time of the merger. Any unvested portion of any option to purchase shares of our common stock shall be cancelled and the holder of such option will not receive payment for such unvested portion of their option. Holders of options having an exercise price equal to or greater than the per share merger consideration plus the amount of the per share net holdback consideration will not receive any consideration in the merger with respect to those options.

Treatment of Warrants

Each warrant to purchase shares of our common stock will be converted into:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the excess, if any, of (A) the per share merger consideration over (B) the per share exercise price of the warrant, multiplied by (ii) the number of shares of our common stock subject to such warrant immediately prior to the effective time, and
- a contingent right to receive a portion of the net holdback consideration in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to such warrant immediately prior to the effective time.

All outstanding warrants converted in this manner will be cancelled at the effective time of the merger. Holders of warrants having an exercise price equal to or greater than the per share merger consideration plus the amount of the per share net holdback consideration will not receive any consideration in the merger with respect to those warrants. There will be no outstanding warrants to purchase shares of our common stock following the effective time of the merger.

Treatment of Convertible Promissory Notes

Each outstanding convertible promissory note will be converted into:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the per share merger consideration, multiplied by the quotient of (ii) (A) the amount of outstanding principal of the convertible promissory notes divided by (B) the conversion price of the convertible promissory notes, and
- a contingent right to receive a portion of the net holdback consideration in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to the convertible promissory notes immediately prior to the effective time.

All outstanding convertible promissory notes converted in this manner will be cancelled at the effective time of the merger.

Treatment of Deferred Stock Units

Each outstanding deferred stock unit, if vested, will be converted into:

- the right to receive a cash payment upon consummation of the merger, without interest, equal to (i) the per share merger consideration, multiplied by (ii) the number of shares of our common stock subject to such deferred stock unit immediately prior to the effective time, and
- a contingent right to receive a portion of the holdback in an amount equal to (i) the amount of the per share net holdback consideration, multiplied by (ii) the number of shares of our common stock subject to the deferred stock unit immediately prior to the effective time.

All outstanding deferred stock units converted in this manner will be cancelled at the effective time of the merger.

Surrender of Stock Certificates; Payment of Shares; Lost Certificates

Prior to the completion of the merger, American Stock Transfer & Trust Company will be appointed as paying agent for the benefit of our security holders.

At the effective time, Platinum or Platinum USA will deposit or will cause Merger Sub to deposit with the paying agent an amount in cash in an amount sufficient for the payment of the aggregate merger consideration, including the holdback amount.

As promptly as practicable after the effective time of the merger, the paying agent will mail to each person who was a holder of record of our capital stock immediately prior to the effective time of the merger a letter of transmittal containing instructions for exchanging certificates our securities for the cash merger consideration. Upon surrender of certificates representing our securities to the paying agent, the security holder will be entitled to receive payment of the merger consideration payable to the security holder based on the per share merger consideration.

No interest will be paid or shall accrue on the cash payable upon surrender of any certificate.

If any certificate representing our capital stock has been lost, stolen or destroyed, the paying agent will pay the merger consideration with respect to each share of our capital stock formerly represented by such certificate upon the making of an affidavit of that fact by the person claiming such certificate to be lost stolen, defaced or destroyed and, if required by Platinum USA or the surviving

corporation, the posting by such person of a bond in such reasonable amount as Platinum USA or the surviving corporation may direct as indemnity against any claim that may be made against Platinum USA or the surviving corporation following the effective time of the merger with respect to such certificate.

Directors and Officers

The merger agreement provides that the officers and directors of Merger Sub immediately before the effective time of the merger will be the officers and directors of the surviving corporation until their respective successors are duly elected and qualified. Our directors and officers will not be directors or officers of Platinum, Platinum USA or Merger Sub.

Nord Resources Stockholders Meeting and Duty to Recommend

We have agreed to call a meeting of our stockholders as soon as practicable following the execution of the merger agreement for the purpose of obtaining approval by our stockholders of the merger agreement and the merger. We agreed to prepare and file a proxy statement with the Securities and Exchange Commission (SEC) in connection with this meeting of our stockholders. Platinum agreed to provide us with all information regarding it and its business that we reasonably request in connection with any response to the SEC. We agreed to cause the proxy statement to be mailed to our stockholders as promptly as reasonably practicable. This proxy statement represents the proxy statement that we are obligated to file with the SEC and mail to our stockholders in connection with obtaining approval of the merger agreement and the merger.

Our board of directors has (a) determined that the merger agreement and the merger are advisable and in the best interests of our stockholders; (b) declared the merger agreement advisable and in all respects approved the merger agreement; and (c) resolved to recommend that our stockholders adopt the merger agreement and approve the merger. We have agreed to include this recommendation of our board of directors in this proxy statement.

We agreed to include the recommendation of our board of directors in the proxy statement and to use our reasonable best efforts to solicit the adoption of the merger agreement and approval of the merger by our stockholders. Our board of directors has agreed to recommend the adoption of the merger agreement by our stockholders. Subject to certain restrictions, prior to the approval of our stockholders of the merger agreement with Platinum, our board, however, is permitted to withhold, withdraw or qualify its recommendation in any manner adverse to Platinum if our board determines after consultation with outside legal counsel that a failure to do so would be reasonably likely to result in a breach of its fiduciary duties under applicable law. See *The Merger The Merger Agreement Superior Proposals* on page 70 for more details on our board of directors rights to withdraw its recommendation in any manner adverse to Platinum.

No Solicitation of Acquisition Proposals

The merger agreement contains detailed provisions prohibiting us from seeking an alternative transaction to the merger. Under these no solicitation provisions, we agree that we may not, subject to specific exceptions described below, directly or indirectly:

- initiate, solicit or knowingly encourage or facilitate any inquiries with respect to, or the making of, any acquisition proposal (as described below);
- engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with, any person relating to an acquisition proposal, or otherwise knowingly encourage or facilitate any effort or attempt to make or implement an acquisition proposal;
- approve or recommend or propose publicly to approve or recommend any acquisition proposal; or
- approve or recommend, or propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement relating to any acquisition proposal or propose publicly or agree to do any of the foregoing relating to any acquisition proposal.

For purposes of the merger agreement, an acquisition proposal is any offer or proposal with respect to Nord Resources relating to any of the following:

- a merger, reorganization, share exchange, consolidation, business combination, recapitalization, dissolution, liquidation or similar transaction;
- any purchase of an equity interest (including by means of a tender or exchange offer) representing an amount equal to or greater than a 15% voting or economic interest in Nord Resources;
- any purchase of assets, securities or ownership interests representing an amount equal to or greater than 15% of the consolidated assets of us and our subsidiaries taken as a whole.

Under the merger agreement, we agreed to cease and cause to be terminated any existing activities, discussions or negotiations with any third party conducted prior to the execution of the merger agreement with respect to any acquisition proposal. We also agreed to request the return or destruction of all confidential information and materials provided prior to the date of the merger agreement provided by us to any third party with whom we have executed a confidentiality agreement within the last twelve months in connection with its consideration or making of any acquisition proposal.

The merger agreement permits us and our board of directors to comply with our disclosure obligations under Rule 14d-9 and Rule 14e-2 under the Exchange Act with regard to any acquisition proposal that we receive, provided, however, that if such disclosure has the effect of withdrawing, modifying or qualifying the approval of this merger agreement by our board of directors or the recommendation of our board of directors in a manner adverse to Platinum USA, then Platinum USA will have the right to terminate the merger agreement.

We have agreed to promptly, orally notify Platinum USA of any request for information or any inquiries, proposals or offers relating to an acquisition proposal indicating, in connection with such notice, the name of such person making such request, inquiry, proposal or offer and the material terms and conditions of any proposals or offers and we shall provide to Platinum USA written notice of any such inquiry, proposal or offer within 24 hours of such event. We have agreed to keep Platinum USA informed orally on a reasonably current basis of the status of any acquisition proposal, including with respect to the status and material terms of any such proposal or offer and whether any such proposal or offer has been definitively withdrawn or rejected. We have also agreed to provide Platinum USA with any material non-public information regarding us that we are providing to another person pursuant to any such request for information or any inquiry, proposal or offer.

Superior Proposals

Notwithstanding our agreements in the merger agreement, including those agreements summarized under the heading **No Solicitation of Acquisition Proposals** above, the merger agreement does not prevent us from providing information in response to a request for information by, or engaging in any negotiations or discussions with, a person who has made a bona fide written acquisition proposal to our board of directors prior to the adoption of the merger agreement and approval of by our stockholders, if and only to the extent that:

- the acquisition proposal was not solicited by us, directly or indirectly, in violation of our obligations under the merger agreement;
- our board of directors receives from such person an executed confidentiality agreement on customary terms no less favorable to us than our confidentiality agreement with Platinum;
- our board of directors determines in good faith after consultation with outside legal counsel that a failure to take such action would be reasonably likely to result in a breach by our directors of their respective fiduciary duties under applicable law; and
- our board of directors determines in good faith after consultation with outside legal counsel and outside financial advisors that there is a reasonable likelihood that such acquisition proposal reasonably could be expected to result in a superior proposal (as defined below).

For purposes of the merger agreement, a **superior proposal** is a bona fide written acquisition proposal to Nord Resources relating to any of the following transactions which our board of directors, after consultation with its outside financial advisor and outside counsel, in good faith concludes, taking into account, among other relevant considerations, all legal, financial, regulatory and other aspects of the proposal, the likelihood of obtaining financing and satisfying other conditions, and the person making the proposal, are more favorable to our stockholders than the merger proposed with Platinum, Platinum USA and Merger Sub, taking into account any change in the transaction proposed by Platinum USA:

- a merger, reorganization, share exchange, consolidation, business combination, recapitalization, dissolution, liquidation or similar transaction;
- any purchase of an equity interest (including by means of a tender or exchange offer) representing an amount equal to or greater than a 50% voting or economic interest in Nord Resources;
- any purchase of assets, securities or ownership interests representing an amount equal to or greater than 50% of the consolidated assets of us and our subsidiaries taken as a whole.

In addition and notwithstanding our agreements in the merger agreement, including those agreements summarized under the heading **No Solicitation of Acquisition Proposals** above, our board of directors may recommend such an unsolicited bona fide written acquisition proposal to our stockholders, if and only to the extent that:

- our board of directors determines in good faith after consultation with outside legal counsel that a failure to take such action would be reasonably likely to result in a breach by our directors of their respective fiduciary duties under applicable law;
- Platinum shall have received written notice of our intention to recommend the unsolicited bona fide written acquisition proposal at least seventy-two (72) hours prior to the making of such recommendation;
- our board of directors determines in good faith that such acquisition proposal (in the form, other than immaterial changes, that was the subject of the superior proposal notice to be provided by us to Platinum) constitutes a superior proposal; and

- our board of directors continues to believe, after taking into account any modifications to the terms of the transaction contemplated by the merger agreement that are proposed by Platinum USA after its receipt of the superior proposal notice (with respect to which modifications we and Platinum USA shall endeavor to negotiate in good faith), that such acquisition proposal constitutes a superior proposal.

If the our board of directors recommends an unsolicited bona fide written acquisition proposal in accordance with the provisions of the merger agreement outlined above, then Platinum USA will be entitled to terminate the merger agreement and we will be obligated to pay the \$2.0 million termination fee.

If we enter into an agreement with respect to a superior proposal, we may terminate the merger agreement, subject to payment to Platinum of the \$2.0 million termination fee as further described under *The Merger* *The Merger Agreement* *Termination of the Merger Agreement* on page 75 and *Termination Fees and Expenses* on page 77.

Third Party Standstill Agreements

Until the effective time of the merger, we have agreed:

- not to terminate, amend, modify or waive any provision of any confidentiality or standstill agreement to which we are a party;
- use our commercially reasonable efforts to enforce, to the fullest extent permitted under applicable law, the provisions of any such agreements, including, if so requested by Platinum USA and at Platinum USA's expense, seeking injunctions to prevent any breaches of such confidentiality or standstill agreements and enforcing specifically the terms and provisions thereof in any court of the United States or any state thereof having jurisdiction.

Covenants Regarding the Operation of our Business

In the merger agreement, we have agreed that we and our subsidiaries will conduct our business and operate our properties in the ordinary course of business consistent with our past practice and to use our commercially reasonable efforts to preserve substantially intact our business organization and current relationships with third parties and to keep available the services of our present officers and employees.

We have also agreed that we will promptly notify Platinum in writing of any material adverse effect to our business or its operations.

We have also agreed that prior to the merger, subject to certain exceptions or unless Platinum USA gives its prior written consent (which consent will not be unreasonably withheld or delayed), we and our subsidiaries will not:

- adjust, split, combine or reclassify our capital stock or that of our subsidiaries;
- make, declare or pay any dividend or distribution on, or, directly or indirectly, redeem, purchase or otherwise acquire, any shares of our capital stock or that of our subsidiaries or any securities or obligations convertible into or exchangeable for any shares of our capital stock or that of our subsidiaries;
- grant any person any right or option to acquire any shares of our capital stock or that of our subsidiaries or any other equity-based compensation award based on shares of our capital stock or that of our subsidiaries;
- issue, deliver, sell, pledge or encumber or agree to issue, deliver, sell, pledge or encumber any shares of our capital stock or any securities or obligations convertible into or exchangeable or

exercisable for any shares of our capital stock or that of our subsidiaries (except pursuant to the exercise or conversion of securities to purchase shares of our common stock that are outstanding as of the date of the merger agreement and in accordance with the existing terms of such securities);

- enter into any agreement, understanding or arrangement with respect to the sale, voting, registration or repurchase of our capital stock or that of our subsidiaries;
- directly or indirectly, sell, transfer, lease, pledge, mortgage, encumber or otherwise dispose of any of our property or assets, other than transfers in the ordinary course of business consistent with past practice;

Definition of Material Adverse Effect

Nord Resources

For the purposes of the merger agreement, the term *material adverse effect* with respect to Nord Resources is defined to include any event, change, circumstance or effect (any such item, an *Effect*) that is or is reasonably likely to have a material adverse effect on our business, results of operations or financial condition and our subsidiaries taken as a whole or on our ability to perform our obligations under the merger agreement on a timely basis or to consummate the transactions contemplated by the merger agreement on a timely basis; *provided, however*, that in no event shall any of the following be deemed, either alone or in combination, to constitute, nor shall any of the following be taken into account in determining whether there has been, a material adverse effect with respect to us:

- any Effect related to the actions of Platinum, Platinum USA or Merger Sub or the public announcement or pendency of the transactions contemplated by the merger agreement,
- any Effect that results from (i) any action taken pursuant to or in accordance with the merger agreement, (ii) any action taken, or any failure to take action, to which Platinum USA has consented in writing,
- any change, in and of itself, in the market price or trading volume of shares of Nord Resources, or
- any Effect that results from changes in general economic conditions or general changes in the mining industry including economic, legal or regulatory changes, except to the extent those Effects adversely affect us to a materially greater extent than they affect other entities in the mining industry.

Platinum and Platinum USA

Material Adverse Effect with respect to Platinum or Platinum USA shall mean any Effect that is or is reasonably likely to have a material adverse effect on the ability of Platinum or Platinum USA to perform its obligations under the merger agreement on a timely basis or to consummate the transactions contemplated by the merger agreement on a timely basis.

Additional Covenants of Platinum

Platinum USA has agreed that for a period of two years from the effective time of the merger, the surviving corporation's certificate of incorporation and bylaws will contain provisions no less favorable with respect to indemnification than are set forth in our charter documents, in each case as in effect on the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of two years from the effective time of the merger in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the effective time, were directors or officers of Nord Resources or any of our Subsidiaries, unless such modification shall be required by law and then only to the minimum extent required by law. Platinum USA has further agreed to cause the surviving corporation or Platinum USA to obtain and maintain in effect, for a period of two years after the effective time, policies of directors' and officers' liability insurance on behalf of the former officers and directors of Nord Resources currently covered by our directors' and officers' liability insurance policy with respect to acts or omissions occurring prior to the effective time with at least the same coverage and containing terms and conditions that are not less favorable than those under existing policies.

Platinum and Platinum USA have agreed to use commercially reasonable efforts following consummation of the merger to promptly obtain releases of personal guarantees provided by Ronald A. Hirsch and Erland Anderson relating to certain leases that we have entered into.

Conditions to Completion of the Merger

The obligations of Platinum and Merger Sub to effect the merger are subject to the satisfaction or waiver of the following conditions:

- our representations and warranties must be true and correct, without giving effect to any material adverse effect or other materiality qualifications, with only such exceptions as would not, individually or in the aggregate, have or reasonably be expected to have a material adverse effect on our business, results of operations or financial condition;
- we will have performed and complied with all of our covenants under the merger agreement in all material respects through the closing of the merger, except to the extent that such covenants are qualified by terms such as "material" or "material adverse effect," in which case we shall have performed and complied with all of such covenants in all respects through the closing;
- we will have entered into agreements, in a form mutually agreed by us and Platinum, with the owners of the Coyote Springs Project and the Mimbres Project whereby payments to maintain the options for the purchase of the Coyote Springs Project and the Mimbres Project will be paid solely in cash or, at the option of Platinum, in shares of Platinum. We have completed these negotiations and executed agreements with the owners of Coyote Springs Project and the Mimbres Project as required to satisfy this condition precedent;
- no statute, rule, regulation, executive order, decree or injunction shall have been enacted, entered, promulgated or enforced by any court or governmental authority of competent jurisdiction which is then in effect and which prohibits the consummation of the merger.
- the merger agreement will have been adopted and the merger approved by our stockholders in the manner required by the merger agreement, as described below
- the merger agreement must be approved and adopted by the shareholders of Platinum at an extraordinary general meeting of the shareholders of Platinum by a resolution passed by 80% or more of the shares of Platinum voted at such extraordinary general meeting. In addition, it is a condition of the merger agreement that shareholders of Platinum, exclusive of the founding shareholders of Platinum, holding 20% or more of the issued shares of Platinum shall not have voted against approving the merger agreement and the merger;
- the stockholder representative will have executed the holdback escrow agreement;

- no events, effects, violations or breaches shall have occurred which have had, or are likely to have, a material adverse effect on our business, results of operations or financial condition; and
- we will have filed certain tax returns related to our 401(k) plan with the United States Department of Labor and notified the participants of the termination; and
- we will have delivered or caused to be delivered certain closing documentation to Platinum USA.

Our obligation to complete the merger is subject to the satisfaction or waiver by us of the following additional conditions:

- the representations and warranties of Platinum, Platinum USA and Merger Sub must be true and correct, without giving effect to any material adverse effect or other materiality qualifications, with only such exceptions as would not, individually or in the aggregate, have or reasonably be expected to have a material adverse effect on the ability of Platinum USA to perform its obligations under the merger agreement on a timely basis or to consummate the merger;
- Platinum, Platinum USA and Merger Sub will have performed and complied with all of their respective covenants under the merger agreement in all material respects through the closing of the merger, except to the extent that such covenants are qualified by terms such as material or material adverse effect, in which case the covenants shall have been performed and complied with in all respects through the closing;
- Platinum USA will have delivered or cause to be delivered certain closing documentation to us;
- The merger agreement will have been adopted and the merger approved by (i) holders of the majority of our outstanding shares of common stock; and (ii) holders of the majority of our outstanding shares of common stock, exclusive of shares held by Ronald A. Hirsch, our chairman, and Stephen Seymour, one of our directors, who or which attend and are entitled to vote at our stockholders meeting.

Termination of the Merger Agreement

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger, whether before or after adoption and approval of the merger agreement by our stockholders by mutual written consent of Nord Resources and Platinum USA.

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger by action of our board of directors or by the board of directors of Platinum USA if:

- the merger shall not have been consummated by February 15, 2007, whether such date is before or after the date of the adoption and approval of the merger agreement and the merger by our stockholders and the holders of the ordinary shares of Platinum; *provided, however*, that this right to terminate shall not be available to any party whose breach of any obligation under the merger agreement results in the failure of the merger to be consummated by February 15, 2007;
- the adoption of the merger agreement by our stockholders shall not have been obtained at the meeting of our stockholders called for the purpose of adopting the merger agreement;
- the adoption and approval by the holders of ordinary shares of Platinum required by the merger agreement shall not have been obtained at the meeting of the holders of the ordinary shares of Platinum called for the purpose of adopting and approving the merger agreement on or prior to December 29, 2006;
- any governmental authority of competent jurisdiction shall have issued an order, decree or ruling or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the merger and such order, decree or ruling or other action shall have become

final and non-appealable, whether before or after the adoption and approval of the merger agreement by our stockholders and the holders of the ordinary shares of Platinum.

The merger agreement may be terminated and the merger abandoned by us if:

- at any time prior to the effective time of the merger, whether before or after the adoption of the merger agreement and approval of the merger by our stockholders and the holders of the ordinary shares of Platinum, by action of our board of directors if there has been a material breach of any representations, warranties, covenants or agreements made by Platinum, Platinum USA or Merger Sub in the merger agreement, or any such representations and warranties shall have become untrue or incorrect after the execution of the merger agreement, in each case such that the conditions to closing of the merger set forth in the merger agreement would not be satisfied and such breach or failure to be true and correct is not cured within 30 calendar days following receipt of written notice from us of such breach or failure (or such longer period during which Platinum, Platinum USA or Merger Sub exercises reasonable best efforts to cure);
- at any time before the adoption of the merger agreement by our stockholders and the holders of the ordinary shares of Platinum in order to enable us to enter into an agreement with respect to a superior proposal if:
 - our board of directors has determined that an unsolicited bona fide acquisition proposal constitutes a superior proposal;
 - our board of directors has recommended to our stockholders that the unsolicited bona fide acquisition proposal be accepted; and
 - we have otherwise complied with our obligations under the merger agreement as they pertain to the acquisition proposal; provided, however, that prior to or concurrent with any such termination we shall have paid to Platinum USA the termination fee of \$2.0 million in accordance with requirements of the merger agreement; or
- the Platinum board of directors shall have withdrawn, qualified or modified its approval of the merger agreement or the recommendation of its board of directors, or shall have resolved to do any of the foregoing, in a manner adverse to us.

The merger agreement may be terminated and the merger abandoned by Platinum, Platinum USA or Merger Sub if:

- our board of directors shall have withdrawn, qualified or modified our approval of the merger agreement or the recommendation of our board of directors in a manner adverse to Platinum USA or approved or recommended any acquisition proposal (other than the merger agreement and the merger), or has resolved to do any of the foregoing; or
- we have materially breached any of our representations, warranties, covenants or agreements made in the merger agreement (other than our covenants with respect to acquisition proposals), or any of our representations or warranties shall have become untrue or incorrect after the execution of the merger agreement such that Platinum and Platinum USA's conditions to closing of the merger would not be satisfied and such breach or failure to be true and correct is not cured within 30 calendar days following receipt by us of written notice from Platinum USA of such breach or failure (or such longer period reasonably agreed to by Platinum USA during which we exercise reasonable best efforts to cure).

In the event of a termination of the merger agreement and the abandonment of the merger in accordance with the termination provisions of the merger agreement, the merger agreement shall become void and of no effect with no liability on the part of any party hereto (or of any of its directors, officers, employees, agents, legal and financial advisors or other representatives), other than the provisions of the merger agreement with respect to liabilities and fees and expenses upon termination. Notwithstanding this provision of the merger agreement, except as otherwise provided in the merger agreement, no such

termination shall relieve any party to the merger agreement of any liability or damages resulting from any willful or intentional breach of the merger agreement.

Termination Fees and Expenses

We have agreed to pay to Platinum USA a termination fee in the amount of \$2.0 million in cash in the event that:

- Platinum or Platinum USA shall have terminated the merger agreement by reason of our material breach of any of our representations, warranties or covenants made in the merger agreement, even after:
 - approval of the merger agreement and the merger by the holders of the ordinary shares of Platinum in accordance with the merger agreement; or
 - application has been made for the admission of the enlarged Platinum as required under the rules of the AIM stock market and the rules and requirements of the London Stock Exchange plc;
- we or Platinum USA shall have terminated the merger agreement as a result of the failure of the merger to be consummated by February 15, 2007 in circumstances where:
 - on or prior to such termination any third party shall have made or publicly disclosed its intention to make and not withdrawn an acquisition proposal or a superior proposal;
 - within twelve months of the date of termination of the merger agreement, we enter into an agreement with the third party with respect to such an acquisition proposal or superior proposal; and
 - such acquisition proposal or superior proposal is consummated at any time;
- we shall have terminated the merger agreement as a result of our board of directors recommending any acquisition proposal to our stockholders as a superior proposal; or
- Platinum or Platinum USA shall have terminated the merger agreement as a result of our withdrawal, qualification or modification of our approval of the merger agreement or the recommendation of our board of directors or approved or recommended any acquisition proposal (other than the merger agreement and the merger), or our resolving to do any of the foregoing.

Platinum USA have agreed to pay us a termination fee in the amount of \$2.0 million in cash in the event that:

- we shall have terminated the merger agreement by reason of Platinum, Platinum USA or Merger Subs's material breach of any of their representations, warranties or covenants made in the merger agreement, whether before or after the adoption of the merger agreement by our stockholders or the holders of the ordinary shares of Platinum; or
- we shall have terminated the merger agreement as a result of Platinum's withdrawal, qualification or modification of its approval of the merger agreement or the recommendation of its board of directors in a manner adverse to us, or Platinum's resolving to do any of the foregoing.

Except as specifically provided above, in the event of termination of the agreement all costs and expenses incurred in connection with the merger agreement and the merger and the transactions contemplated by the merger agreement shall be paid by the party incurring such expenses, except that we will reimburse Platinum for any amounts advanced to us by Platinum as reimbursement of expenses that we incur in connection with maintaining our option on the Coyote Springs property in good standing.

Voting Agreements

Concurrently with entering into the merger agreement, Platinum USA entered into voting agreements with certain of our directors and officers who are also shareholders of Nord Resources, namely Ronald Hirsch and Stephen Seymour. These voting agreements provide that the directors and officers will vote their shares, which represented approximately twenty six percent (26%) of our outstanding shares as of November 13, 2006, the record date for the special meeting, in favor of the merger. The voting agreements terminate on the earlier of (i) the date of closing of the merger, (ii) termination of the merger agreement in accordance with its terms (including if Nord Resources terminates the merger agreement to accept a superior proposal), and (iii) the written agreement of the parties. We encourage you to read the form of voting agreement carefully in its entirety. Each shareholder that is a party to a voting agreement has agreed to deliver a proxy to Platinum USA which will be used by Platinum USA to vote the shares at the meeting of our stockholders.

A form of the voting agreement is attached to this proxy statement as Annex B.

Amendment

The merger agreement may be amended by written agreement of each of us, Platinum, Platinum USA and Merger Sub at any time before or after approval of the merger by our stockholders; provided, however, that after any such approval, no amendment shall be made that by law requires further approval by our stockholders and the holders of the ordinary shares of Platinum without such approval having been obtained.

PROPOSAL 2 AUTHORITY TO ADJOURN THE SPECIAL MEETING

The Adjournment Proposal

If at the special meeting of stockholders, the number of shares of our common stock present or represented and voting in favor of adoption of the merger agreement is insufficient to adopt that proposal under the Delaware General Corporation Law, we intend to move to adjourn the special meeting in order to enable our board of directors to solicit additional proxies in respect of such proposal. In that event, we will ask our stockholders to vote only upon the adjournment proposal, and not the proposal regarding the adoption of the merger agreement.

In this proposal, we are asking you to authorize the holder of any proxy solicited by our board of directors to vote in favor of granting discretionary authority to the proxy or attorney-in-fact to adjourn the special meeting to another time and place for the purpose of soliciting additional proxies. If the stockholders approve the adjournment proposal, we could adjourn the special meeting and any adjourned session of the special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from stockholders that have previously voted. Among other things, approval of the adjournment proposal could mean that, even if we had received proxies representing a sufficient number of votes against the adoption of the merger agreement to defeat that proposal subject to the fiduciary duties of our board of directors, we could adjourn the special meeting without a vote on the merger agreement and seek to convince the holders of those shares to change their votes to votes in favor of adoption of the merger agreement.

Under the Delaware General Corporation Law and our Bylaws we may also adjourn the special meeting of stockholders for reasons other than to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the merger agreement. Any such adjournment may be made without notice (if the adjournment is not for more than thirty days), provided an announcement is made at the special meeting of the time, date and place of the adjourned meeting.

Vote Required and Board Recommendation

Approval of the proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if necessary or appropriate, requires a majority of the voting power present with respect to the vote cast on the proposal. No proxy that is specifically marked **AGAINST** adoption of the merger agreement will be voted in favor of the adjournment proposal, unless it is specifically marked **FOR** the adjournment proposal.

Our board of directors believes that if the number of shares of our common stock present or represented at the special meeting and voting in favor of adoption of the merger agreement is insufficient to approve that proposal, it is in the best interests of us and our stockholders to enable our board of directors to continue to seek to obtain a sufficient number of additional votes in favor of adoption of the merger agreement to bring about its approval.

Our board of directors recommends that you vote **FOR** the adjournment proposal.

BENEFICIAL OWNERSHIP OF COMMON STOCK

The following table sets forth information as of November 13, 2006, the record date for the special meeting regarding the beneficial ownership of our common stock by:

SUBMISSION OF STOCKHOLDER PROPOSALS

We will hold our 2007 annual meeting of stockholders only if the merger is not consummated because following the merger our common stock will be removed from trading on the OTC Pink Sheets, our common stock will be deregistered under the Exchange Act and we will no longer be a publicly-held company. If we hold our 2007 annual meeting, the deadline for submission of stockholder proposals to be included in the proxy statement and form of proxy for the Company's next Annual Meeting of stockholders will be May 21, 2007. Stockholder proposals must satisfy the conditions established by the Securities and Exchange Commission for stockholder proposals in order to be included in the Company's proxy statement for that meeting.

For any stockholder that intends to present a proposal that will not be included in the proxy statement for the Company's 2007 Annual Meeting, but is instead sought to be presented directly at the 2007 Annual Meeting, SEC rules permit management to vote proxies in its discretion if we: (1) receive

notice of the proposal before the close of business on August 6, 2007 and advise stockholders in the 2007 proxy statement about the nature of the matter and how management intends to vote on such matter; or (2) do not receive notice of the proposal prior to the close of business on August 6, 2007.

Proposals or notices of intention to present proposals should be addressed to: John T. Perry, Secretary, Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

OTHER MATTERS

As of the date of this proxy statement, our board of directors knows of no other matters which may be presented for consideration at the special meeting. However, if any other matter is presented properly for consideration and action at the meeting, it is intended that the proxies will be voted with respect thereto in accordance with the best judgment and in the discretion of the proxy holders.

Platinum, Platinum USA and Merger Sub are not participants in the solicitation made by this proxy statement. Neither of Platinum or Merger Sub has any interest in the solicitation other than as a result of Platinum's agreement to acquire all of the outstanding shares of our common stock pursuant to the terms of the merger agreement.

ARTICLE II

CONVERSION OF SECURITIES

2.1 *Effect on Capital Stock.* At the Effective Time, by virtue of the Merger and without any action on the part of PDM USA, Merger Sub or NORD or their respective stockholders:

(a) Each share of common stock, US\$0.001 par value, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one fully paid and nonassessable share of common stock, US\$0.001 par value, of the Surviving Corporation. Such newly issued shares shall thereafter constitute all of the issued and outstanding Surviving Corporation capital stock.

(b) Subject to the other provisions of this Article II, each share of Common Stock issued and outstanding immediately prior to the Effective Time (excluding (i) any shares of Common Stock owned by NORD (which shares shall be cancelled in accordance with

Section 2.1(c)), (ii) any shares of Common Stock owned by PDM USA or any direct or indirect wholly-owned subsidiary of NORD or PDM USA (which shares shall be cancelled without payment therefor) and (iii) any shares of Common Stock owned by stockholders properly exercising appraisal rights pursuant to Section 262 of the DGCL, as provided in Section 2.1(d)) shall be converted into the right to receive (i) Per Share Merger Consideration and (ii) a contingent right to receive the Per Share Net Holdback Consideration. At the Effective Time, all shares of Common Stock, save as set out above, shall no longer be outstanding and automatically shall be cancelled and shall cease to exist, and each holder of a certificate that immediately prior to the Effective Time represented such shares of Common Stock (a Certificate) shall cease to have any rights with respect thereto, except the right to receive (i) the Per Share Merger Consideration and (ii) a contingent right to receive the Per Share Net Holdback Consideration.

(c) Each share of NORD capital stock held in the treasury of NORD automatically shall be cancelled and retired and no payment shall be made in respect thereof.

(d) Notwithstanding anything in this Agreement to the contrary, the Appraisal Shares shall not be converted into the right to receive (i) the Per Share Merger Consideration and (ii) a contingent right to receive the Per Share Net Holdback Consideration as provided in Section 2.1(b), but, instead, each holder of such Appraisal Shares shall be entitled to such rights (but only such rights) as are granted by Section 262 of the DGCL. At the Effective Time, all Appraisal Shares shall no longer be outstanding and automatically shall be cancelled and shall cease to exist, and, except as otherwise provided by Applicable Laws, each holder of Appraisal Shares shall cease to have any rights with respect to the Appraisal Shares, other than such rights as are granted by Section 262 of the DGCL. Notwithstanding the foregoing, if any holder of such Appraisal Shares shall fail to validly perfect or shall otherwise waive, withdraw or lose the right to appraisal under Section 262 of the DGCL or if a court of competent jurisdiction shall determine that such NORD Stockholder is not entitled to the relief provided by Section 262 of the DGCL, then the rights of such NORD Stockholder under Section 262 of the DGCL shall cease, and such Appraisal Shares shall be deemed to have been converted at the Effective Time into, and shall have become, the right to receive (i) the Per Share Merger Consideration and (ii) a contingent right to receive the Per Share Net Holdback Consideration as provided in Section 2.1(b) without interest. NORD shall give prompt notice to PDM USA of any demands for appraisal of any shares of Common Stock, and PDM USA shall have the opportunity to participate in all negotiations and proceedings with respect to such demands. Prior to the Effective Time, NORD shall not, without the prior written consent of PDM USA, make any payment with respect to, or settle or offer to settle, any such demands, or agree to do any of the foregoing.

2.2 *Surrender and Payment.*

(a) Paying Agent; Exchange Fund. Prior to the Effective Time, American Stock Transfer & Trust Company shall be designated (pursuant to an agreement in form and substance reasonably acceptable to PDM USA and NORD) to act as agent for the payment of the Per Share Merger Consideration in respect of Securities upon surrender of such Securities in accordance with this Article II from time to time after the Effective Time (the Paying Agent). At the Effective Time, PDM or PDM USA shall deposit, or cause Merger Sub to deposit, with the Paying Agent cash less the balance of Deposit Fund in an amount sufficient for the payment

of the aggregate Per Share Merger Consideration, Option Consideration, Warrant Consideration, Convertible Consideration and Deferred Stock Consideration, as applicable, pursuant to Sections 2.1(b) and 2.3 upon surrender of such Securities, (such cash, the Exchange Fund). Once transferred to the Paying Agent at the Effective Time in accordance with the Deposit Escrow Agreement, the Deposit Fund shall become part of the Exchange Fund. The Paying Agent shall invest any cash included in the Exchange Fund as directed by PDM USA; *provided* that such investments shall be in (i) obligations issued or guaranteed by the United States of America or any agency or instrumentality thereof; (ii) obligations (including certificates of deposit and bankers' acceptances) of domestic commercial banks which at the date of their last public reporting had total assets in excess of Five Hundred Million Dollars (US\$500,000,000), (iii) commercial paper rated at least A-1 or P-1 or, if not rated, issued by companies having outstanding debt rated at least AA or Aa and (iv) money market mutual funds invested exclusively in some or all of the securities described in the foregoing clauses (i), (ii) and (iii). Subject to the provisions of the Holdback Escrow Agreement, any portion of the Exchange Fund (including any interest and other income resulting from investments of the Exchange Fund) and the Holdback Amount that remains undistributed to the NORD Stockholders six months after the date of the mailing required by Section 2.2(b) shall be delivered to PDM USA, upon demand by PDM USA, and holders of Securities that have not theretofore complied with this Section 2.2 shall thereafter look only to PDM USA for payment of any claim to the Per Share Merger Consideration and the Per Share Net Holdback Consideration. If any Certificates, NORD Options or NORD Warrants shall not have been surrendered prior to seven years after the Effective Time, any such cash, dividends or distributions in respect of such Certificates, NORD Options and NORD Warrants shall, to the extent permitted by Applicable Laws, become the property of PDM USA, free and clear of all claims or interest of any Person previously entitled thereto.

(b) Exchange Procedure. As promptly as practicable after the Effective Time, the Paying Agent shall mail to each holder of record of a Security (i) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Securities held by such Person shall pass, only upon proper delivery of the Securities to the Paying Agent and shall be in such form and have such other customary provisions as PDM USA may reasonably specify), and (ii) instructions for use in effecting the surrender of the Securities. Subject to Section 2.2(e), upon surrender of Securities for cancellation to the Paying Agent or to such other agent or agents as may be appointed by PDM USA, together with such letter of transmittal, duly completed and validly executed, and such other documents as may reasonably be required by the Paying Agent, the holder of such Securities shall be entitled to receive promptly in exchange therefor the Per Share Merger Consideration, the Option Consideration, the Deferred Stock Consideration, the Warrant Consideration or the Convertible Consideration, as applicable, and, in accordance with Article VIII, the Per Share Net Holdback Consideration, into which the Securities shall have been converted pursuant to Section 2.1(b) or Section 2.3, as applicable, and the Securities so surrendered shall be cancelled. In the event of a transfer of ownership of Securities that is not registered in the stock transfer books of NORD or other records, the proper amount of cash may be paid in exchange therefor to a Person other than the Person in whose name the Securities so surrendered is registered if the Securities shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such payment shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of the Securities or establish to the satisfaction of PDM USA that

the Tax has been paid or is not applicable. No interest shall be paid or shall accrue on the cash payable upon surrender of any Securities.

(c) Stock Transfer Books. At the close of business on the day on which the Effective Time occurs, the stock transfer books of NORD shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Securities are presented to the Surviving Corporation or the Paying Agent for transfer or any other reason, they shall be cancelled and exchanged as provided in this Article II.

(d) No Liability. None of PDM USA, Merger Sub, NORD or the Paying Agent shall be liable to any Person in respect of any cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(e) Lost Certificates. If any Security shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming a Security to be lost, stolen or destroyed and, if required by PDM USA or the Surviving Corporation, the posting by such Person of a bond in such reasonable amount as PDM USA or the Surviving Corporation may reasonably direct as indemnity against any claim that may be made against it with respect to the Security, the Paying Agent shall pay in respect of the lost, stolen or destroyed Security the Per Share Merger Consideration.

(f) No Further Ownership Rights in Common Stock. The Per Share Merger Consideration paid in accordance with the terms of this Article II in respect of Securities that have been surrendered in accordance with the terms of this Agreement and the Per Share Net Holdback Consideration shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Common Stock represented thereby.

(g) Withholding Rights. Each of the Surviving Corporation and PDM USA shall be entitled to deduct and withhold, or cause the Paying Agent to deduct and withhold, from the consideration otherwise payable pursuant to this Agreement to any NORD Stockholders or any holder of Securities such amounts as it may be required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by the Surviving Corporation, PDM USA or the Paying Agent, as the case may be, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the NORD Stockholders or holders of Securities (as applicable) in respect of which the deduction and withholding was made by the Surviving Corporation, PDM USA or the Paying Agent, as the case may be.

2.3 *Treatment of NORD Options, NORD Warrants, NORD Convertibles and Deferred Stock Units.*

(a) Prior to the Closing Date, NORD shall use its best efforts to obtain the consent of each holder of a NORD Option to amend each NORD Option so that each NORD Option may be cancelled or terminated immediately prior to the Effective Time at NORD's discretion, in consideration for the right to receive (as soon as practicable following the Effective Time) (i) Option Consideration and (ii) the contingent right to receive the Per Share Net

Holdback Consideration multiplied by the number of shares of Common Stock subject to such NORD Option immediately prior to the Effective Time. NORD shall take any action required prior to the Closing Date so that the NORD Options, so amended or as amended prior to the date hereof, shall in fact be cancelled or terminated immediately prior to the Effective Time in accordance with the terms of the NORD Options, as amended. Any unvested portion of any NORD Option shall be cancelled and the holder of such NORD Option shall not receive payment for such unvested portion. The holder of each NORD Option with an exercise price per share of Common Stock that is equal to or greater than the sum of (i) the Per Share Merger Consideration and (ii) the Per Share Net Holdback Consideration shall not be entitled to receive any consideration from the Surviving Corporation or PDM USA. The parties acknowledge that NORD's best efforts under this Section 2.3(a) shall not require it to pay an aggregate of more than Ten Thousand Dollars (US\$10,000) to obtain the consent of the holders of the NORD Options set forth on Schedule 2.3 to amend their NORD Options to allow for the cancellation or termination of such NORD Options immediately prior to the Effective Time. Except for the NORD Options set forth on Schedule 2.3, there shall be no outstanding NORD Options following the Effective Time.

(b) Prior to the Closing Date, NORD shall use its best efforts to obtain the consent of each holder of a NORD Warrant to amend each NORD Warrant so that each NORD Warrant may be cancelled or terminated immediately prior to the Effective Time at NORD's discretion in consideration for the right to receive (as soon as practicable following the Effective Time) (i) Warrant Consideration and (ii) the contingent right to receive the Per Share Net Holdback Consideration multiplied by the number of shares of Common Stock subject to such NORD Warrant immediately prior to the Effective Time. NORD shall take any action required prior to the Closing Date so that the NORD Warrants, as amended, shall in fact be cancelled or terminated immediately prior to the Effective Time in accordance with the terms of the NORD Warrants, as amended. Any unvested portion of any NORD Warrant shall be cancelled and the holder of such NORD Warrant shall not receive payment for such unvested portion. The holder of each NORD Warrant with an exercise price per share of Common Stock that is equal to or greater than the sum of (i) the Per Share Merger Consideration and (ii) the Per Share Net Holdback Consideration shall not be entitled to receive any consideration from the Surviving Corporation or PDM USA. There shall be no outstanding NORD Warrants following the Effective Time.

Prior to the Effective Time, NORD shall take any and all actions necessary to effectuate this Section 2.3(c). There shall be no outstanding NORD Convertibles following the Effective Time.

(d) At the Effective Time, each Deferred Stock Unit if vested shall be cancelled in consideration for the right to receive (i) (as soon as practicable following the Effective Time) Deferred Stock Consideration and (ii) the Per Share Net Holdback Consideration multiplied by the number of Deferred Stock Units immediately prior to the Effective Time. Any unvested portion of any Deferred Stock Unit shall be cancelled and the holder of such Deferred

Stock Unit shall not receive payment for such unvested portion. Prior to the Effective Time, NORD shall take any and all actions necessary to effectuate this Section 2.3(d). There shall be no outstanding Deferred Stock Unit following the Effective Time.

2.4 *Adjustments to Prevent Dilution.* In the event that NORD changes the number of shares of Common Stock, or securities convertible or exchangeable into or exercisable for shares of Common Stock, issued and outstanding prior to the Effective Time as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, subdivision, issuer tender or exchange offer or other similar transaction, the Per Share Merger Consideration shall be equitably adjusted to reflect such change.

2.5 *Payments by PDM USA.* At Closing, PDM shall cause PDM USA to pay all outstanding and unpaid NORD Corporate Debt, Transaction Expenses, IPO Transaction Expenses and Deferred Payments.

2.6 *Closing Balance Sheet and Closing Schedule.*

(a) Closing Balance Sheet. Not later than two (2) days prior to the Closing Date, NORD shall deliver to PDM USA a balance sheet of NORD as of five (5) business days prior to the Closing Date (the Closing Balance Sheet). The Closing Balance Sheet shall be prepared in accordance with GAAP, consistent with the preparation of the Financial Statements and with the books and records of NORD (which books and records are warranted by NORD to be correct and complete), except as otherwise provided in this Agreement. The cash amount on the Closing Balance Sheet shall not be reduced by any portion of the Advance Fund paid by NORD prior to Closing.

(b) Closing Schedule. Not later than two (2) days prior to the Closing Date, NORD shall deliver to PDM USA a schedule of the Per Share Merger Consideration, calculated in accordance with Schedule 1.5 (the Closing Schedule). The Closing Schedule shall be calculated using cash and Liabilities from the Closing Balance Sheet.

2.7 *Holdback.* At the Effective Time, PDM shall cause PDM USA to deposit with the Paying Agent cash in an amount equal to the Holdback Amount. The Holdback Amount shall be held in escrow by the Paying Agent during the Holdback Period in accordance with the Holdback Escrow Agreement. The Indemnified Parties may make a claim against the Holdback Amount for Damages as described in Article VIII. The Per Share Net Holdback Consideration shall be paid to the holders of Securities at the end of the Holdback Period by the Paying Agent pursuant to Article VIII.

2.8 *Determinations by NORD.* Prior to the Effective Time, NORD shall in its sole discretion make the determinations regarding (a) the acceleration of any vesting of the NORD Options or the Deferred Stock Units or (b) that the Merger immediately triggers severance or change of control payments under Executive Agreements.

2.9 *Deposit Fund.* As of the date hereof, PDM shall cause PDM USA to deposit Five Hundred Thousand Dollars (US\$500,000) with the Paying Agent (the Deposit). Unless the Closing has already occurred, on each of November 30, 2006 and December 27, 2006, PDM USA shall deposit an additional Two Hundred Fifty Thousand Dollars (US\$250,000) on each

The New Admission Document contains a recommendation of the PDM Board that the holders of PDM Shares vote in favor of the Agreement and the Merger.

3.3 *Conflicts; Consents and Approval.* Neither the execution and delivery of this Agreement by PDM, PDM USA or Merger Sub nor the consummation of the transactions contemplated by this Agreement will:

(a) conflict with, or result in a breach of any provision of PDM, PDM USA or Merger Sub's Charter Documents;

(b) violate, or conflict with, or result in a breach of any provision of, or constitute a default (or an event that, with the giving of notice, the passage of time or otherwise, would constitute a default) under, or entitle any person (with the giving of notice, the passage of time or otherwise) to terminate, accelerate, modify or call a default under, or result in the creation of any Encumbrance upon any of the properties or assets of either PDM, PDM USA or Merger Sub or any of its Subsidiaries under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, contract, undertaking, agreement, lease or other instrument or obligation to which either PDM, PDM USA or, as applicable, is a party;

(d) require any action or consent or approval of, or review by, or registration or filing by PDM, PDM USA or Merger Sub or any of its Affiliates with, any third party or Governmental Authority, other than (i) compliance with any United States federal and state securities laws and any other applicable takeover laws, (ii) the filing with the Delaware Secretary of State of the Certificate of Merger, and (iii) in relation to the readmission of the PDM Shares and PDM Warrants to trading on AIM;

except in the case of Sections 3.3(b), 3.3(c) and 3.3(d) above for any of the foregoing that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect on PDM, PDM USA or Merger Sub on an aggregate basis.

3.4 *Information Supplied.* None of the information supplied or to be supplied by PDM specifically for inclusion or incorporation by reference in the Proxy Statement will, at the date the Proxy Statement is mailed to the NORD Stockholders or, at the time of the NORD Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary, in order to make the statements therein in light of the circumstances under which they are made, not misleading.

Upon consummation of the Merger and notice thereof to the Trustee, the Trust Account will terminate and the Trustee shall thereupon be obligated to release as promptly as practicable to PDM the funds and government securities held in the Trust Account, which funds and government securities will be free of any Encumbrance other than any funds paid or payable to holders of PDM Shares who shall have demanded that PDM convert their shares into cash pursuant to Charter Documents, the Original Admission Document or the Investment Management Trust Agreement.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF NORD

Except as set forth in the NORD Disclosure Schedule that has been prepared by NORD and delivered by NORD to PDM USA and dated the date of this Agreement (the *NORD Disclosure Schedule*) or as disclosed in the NORD SEC Documents (as defined below) filed

prior to the date of this Agreement if the relevance of such disclosure is reasonably apparent on its face, in order to induce PDM, Merger Sub and PDM USA to enter into this Agreement, NORD hereby represents and warrants to PDM, PDM USA and Merger Sub as follows:

4.1 *Organization and Standing.* NORD is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware with full corporate power and authority to own, lease, use and operate its properties and to conduct its business as and where now owned, leased, used, operated and conducted. Each of NORD's Subsidiaries is an organization duly incorporated, validly existing, and in good standing under the laws of its jurisdiction of incorporation with full corporate power and authority to own, lease, use and operate its properties and to conduct its business as and where now owned, leased, used, operated and conducted. Each of NORD and its Subsidiaries is duly qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted by it or the property it owns, leases or operates requires it to so qualify, except where the failure to be so qualified or in good standing in such jurisdiction would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. Except as set forth in Section 4.1 of the NORD Disclosure Schedule, NORD is not in default in the performance, observance or fulfillment of any provision of the NORD Charter Documents. No Subsidiary of NORD is in default in the performance, observance or fulfillment of any provision of such subsidiary's certificate of incorporation, bylaws or similar organizational documents. NORD has heretofore furnished or made available to PDM USA complete and correct copies of the NORD Charter Documents and the certificates of incorporation and bylaws or similar organizational documents for each of NORD's Subsidiaries.

4.2 *Subsidiaries.* NORD does not own, directly or indirectly, any equity or other ownership interest in any corporation, partnership, joint venture or other entity or enterprise, except for the Subsidiaries set forth in Section 4.2 to the NORD Disclosure Schedule. Except as set forth in Section 4.2 to the NORD Disclosure Schedule, NORD is not subject to any obligation or requirement to provide funds to or make any investment (in the form of a loan, capital contribution or otherwise) in any such Person (except for payments in the ordinary course of business). Except as set forth in Section 4.2 to the NORD Disclosure Schedule, NORD owns, directly or indirectly, each of the outstanding shares of capital stock (or other ownership interests having by their terms ordinary voting power to elect a majority of directors or others performing similar functions with respect to such subsidiary) of each of its Subsidiaries. Except as set forth in Section 4.2 to the NORD Disclosure Schedule, each of the outstanding shares of capital stock of each of NORD's Subsidiaries is duly authorized, validly issued, fully paid and nonassessable, and is owned, directly or indirectly, by NORD free and clear of any and all Encumbrances. The following information for each of NORD's Subsidiaries is set forth in Section 4.2 to the NORD Disclosure Schedule, as applicable: (a) its name and jurisdiction of incorporation or organization; (b) its authorized capital stock or share capital; and (c) the number of issued and outstanding shares of capital stock or share capital and the record owner(s) thereof. Other than as set forth in Section 4.2 to the NORD Disclosure Schedule, there are no outstanding subscriptions, options, warrants, puts, calls, agreements, understandings, claims or other commitments or rights of any type relating to the issuance, sale or transfer of any securities of any of NORD's Subsidiaries, nor are there outstanding any securities that are convertible into or exchangeable for any shares of capital stock or other voting securities or ownership interests of any of NORD's Subsidiaries.

4.3 *Corporate Power and Authority.* NORD has all requisite corporate power and authority to enter into and deliver this Agreement, to perform its obligations under this Agreement, and, subject to approval by the NORD Stockholders to consummate the Merger. The execution, performance and delivery of this Agreement by NORD has been duly authorized by all necessary corporate action on the part of NORD, and no other corporate proceedings on the part of NORD are necessary to authorize the consummation of the Merger, other than the approval of the NORD Stockholders. This Agreement has been duly and validly executed and delivered by NORD, and, assuming the due authorization, execution and delivery by PDM, PDM USA and Merger Sub, constitutes the legal, valid and binding obligation of NORD enforceable against it in accordance with its terms except that such enforceability (a) may be limited by bankruptcy, insolvency, moratorium or other similar laws affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principals of equity.

4.4 *Capitalization of NORD.*

(a) NORD's authorized capital stock consists solely of Fifty Million (50,000,000) shares of Common Stock, of which as of September 30, 2006 (the Capitalization Date) (i) Thirty-Three Million Nine Hundred Forty-Three Thousand Forty-Three (33,943,043) shares are issued and outstanding, (ii) Two Million Nine Hundred Thirty-Nine Thousand Nine Hundred Ninety-Eight (2,939,998) shares are reserved for issuance upon the exercise of all outstanding NORD Options, (iii) Five Million Three Hundred Seventy Thousand Three Hundred Ninety-Four (5,370,394) shares are reserved for issuance upon the exercise of all outstanding NORD Warrants, (iv) One Million Sixty Thousand (1,060,000) shares are reserved for issuance upon conversion of outstanding NORD Convertibles and (v) One Hundred Fourteen Thousand Four Hundred Forty-Four (114,444) shares are reserved for issuance in connection with outstanding Deferred Stock Units. No shares of Common Stock are held in the treasury and no shares of preferred stock are authorized. Except as disclosed in Section 4.4(a) to the NORD Disclosure Schedule, since the Capitalization Date through the date hereof, (i) no capital stock of NORD has been issued except pursuant to (A) the employment agreement between NORD and John Perry as described on Section 4.4(a) of the NORD Disclosure Schedule, and (B) the exercise or conversion of NORD Options and NORD Warrants and (ii) no NORD Options or NORD Warrants have been granted. In addition, as described in Section 4.4(a) of the NORD Disclosure Schedule, NORD has issued Deferred Stock Units to certain members of the NORD Board.

(b) Other than as set forth in Section 4.4(a) of this Agreement and on Section 4.4(b) of the NORD Disclosure Schedule, there are no outstanding (i) shares of NORD capital stock or NORD voting securities, (ii) subscriptions, options, warrants, puts, calls, agreements, understandings, claims or other commitments or rights of any type relating to the issuance, sale, repurchase or transfer of any securities of NORD, or (iii) securities that are convertible into or exchangeable for any shares of NORD capital stock or NORD voting securities, and neither NORD nor any of its Subsidiaries has any obligation of any kind to issue any additional securities or to pay for, repurchase, redeem or otherwise acquire any securities of NORD or any of its Subsidiaries or any of their respective predecessors.

(c) None of NORD's Subsidiaries owns any capital stock of NORD. Each outstanding share of NORD capital stock is, and each share of NORD capital stock that may be

issued will be, when issued, duly authorized and validly issued, fully paid and nonassessable, and not subject to any preemptive or similar rights. Except as set forth on Section 4.4(c) of the NORD Disclosure Schedule, since January 1, 2003, and to the Knowledge of NORD, prior to January 1, 2003, the issuance and sale of all of the shares of capital stock described in this Section 4.4 have been in compliance in all material respects with United States federal and state securities laws (including the Securities Act). The issuance and sale of all securities convertible into shares of capital stock described in this Section 4.4 have been in compliance in all material respects with United States federal and state securities laws (including the Securities Act). Section 4.4 to the NORD Disclosure Schedule states the number of shares of Common Stock issuable to each holder of NORD Options and NORD Warrants as of the Capitalization Date, including the applicable vesting schedule, exercise price and, in respect of the NORD Options, whether such NORD Option is intended to qualify as an incentive stock option (within the meaning of Section 422 of the Code). Except as set forth in Section 4.4 to the NORD Disclosure Schedule, neither NORD nor any of its Subsidiaries has agreed to register any securities under the Securities Act or under any state securities law or granted registration rights to any Person; complete and correct copies of any such agreements have previously been provided or made available to PDM USA. Except as set forth in Section 4.4(c) of the NORD Disclosure Schedule, to the Knowledge of NORD, based on the advice of its professional advisors, NORD has paid or withheld all Taxes necessary or required to be paid or withheld in respect of the NORD Options.

(d) To the Knowledge of NORD, there are no agreements, understandings or arrangements among NORD Stockholders with respect to the voting, sale or other disposition of any shares of capital stock, except as specifically described in this Agreement. Except as set forth in Section 4.4(d) of the NORD Disclosure Schedule, none of the NORD Options or NORD Warrants contains a provision for acceleration of vesting (or lapse of a repurchase right) upon the occurrence of any event or combination of events. Except as set forth in Section 4.4(d) of the NORD Disclosure Schedule, NORD has never adjusted or amended the exercise price of any NORD Options or NORD Warrants previously awarded, whether through amendment, cancellation, replacement grant, repricing, or any other means. NORD has not made any representations regarding equity incentives to any officer, employee, director or consultant that are inconsistent with the share amounts and terms set forth in NORD's corporate minutes.

(e) With respect to NORD Options either (i) granted or materially modified after October 3, 2004, or (ii) unvested as of January 1, 2005, except as set forth on Section 4.4(e) of the NORD Disclosure Schedule, the exercise price per share was set at the date of grant at the fair market value of the shares on the date of grant in good faith compliance with any then existing guidance issued by the IRS under Section 409A of the Code in order to avoid the relevant option being treated a deferred compensation under Section 409A of the Code; and NORD has otherwise endeavored to satisfy the requirements of Prop. Treas. Reg. Section 1.409A -1(b)(5), to the extent required as explained in Notice 2006-6, such that the options granted after the issuance of such regulations were otherwise exempt from the application of Code Section 409A.

4.5 *Conflicts; Consents and Approvals.* Except as set forth in Section 4.5 of the NORD Disclosure Schedule, neither the execution and delivery of this Agreement by NORD nor the consummation of the transactions contemplated by this Agreement by NORD will:

(a) conflict with, or result in a breach of any provision of, the NORD Charter Documents;

(b) violate, or conflict with, or result in a breach of any provision of, or constitute a default (or an event that, with the giving of notice, the passage of time or otherwise, would constitute a default) under, or entitle any person (with the giving of notice, the passage of time or otherwise) to terminate, accelerate, modify or call a default under, or result in the creation of any Encumbrance upon any of the properties or assets of NORD or any of its Subsidiaries under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, contract, undertaking, agreement, lease or other instrument or obligation to which NORD or any of its Subsidiaries is a party;

(c) violate any order, writ, injunction, decree, or, subject to the matters referred to in clauses (i) and (ii) of Section 4.5(d) below, any Applicable Law applicable to NORD or any of its Subsidiaries or any of their respective properties or assets; or

(d) require any action or consent or approval of, or review by, or registration or filing by NORD or any of its Affiliates with, any third party or any Governmental Authority, other than (i) approval of this Agreement and the transactions contemplated by this Agreement by NORD Stockholders, (ii) compliance with any United States federal and state securities laws, and (iii) the filing with the Delaware Secretary of State of the Certificate of Merger;

except in the case of Sections 4.5(b), 4.5(c) and 4.5(d) above for any of the foregoing that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect on NORD.

4.6 *Brokerage and Finders Fees; Expenses.* Except for NORD's obligations to pay a success fee to Auramet Trading, LLC pursuant to letter agreements between NORD and Auramet Trading, LLC dated September 30, 2005 and June 30, 2006 (true and complete copies of all agreements relating to such obligations having previously been provided or made available to PDM USA), neither NORD nor any director, officer, employee or Subsidiary of NORD, has incurred or will incur on behalf of NORD or its Subsidiaries, any brokerage, finders', advisory or similar fee in connection with the transactions contemplated by this Agreement. Section 4.6 to the NORD Disclosure Schedule discloses NORD's best estimate as of the date hereof of the maximum aggregate amount of all fees and expenses that will be paid or will be payable after the date hereof by NORD and its Subsidiaries to all attorneys, accountants and investment bankers in connection with the Merger and the transactions contemplated by this Agreement.

4.7 *NORD SEC Documents.*

(a) Except as set forth in Section 4.7(a) of the NORD Disclosure Schedule, NORD has timely filed with the Commission all registration statements, prospectuses, forms, reports, schedules, statements and other documents required to be filed by it since January 1, 2003 under the Exchange Act or the Securities Act (as supplemented and amended since the time of filing, collectively, the NORD SEC Documents). The NORD SEC Documents, including any financial statements or schedules included in the NORD SEC Documents, at the time filed (and, in the case of registration statements and proxy statements, on the dates of effectiveness

and the dates of mailing, respectively) or, in the case of any NORD SEC Document amended or superseded by a filing prior to the date of this Agreement, then solely on the date of such amending or superseding filing, (i) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and (ii) complied in all material respects with the applicable requirements of the Exchange Act and the Securities Act, as the case may be. The financial statements of NORD and its Subsidiaries included in the NORD SEC Documents (i) have been prepared from, and are in accordance with, the books and records of NORD and its Subsidiaries, (ii) at the time filed (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of mailing, respectively) or, in the case of such NORD SEC Document amended or superseded by a filing prior to the date of this Agreement, then solely on the date of such amending or superseding filing, complied as to form in all material respects with the applicable accounting requirements and with the published rules and regulations of the Commission with respect thereto, (iii) were prepared in accordance with GAAP during the periods involved (except as may be indicated in the notes thereto, or, in the case of unaudited statements, as permitted by Form 10-QSB of the Commission), and (iv) fairly present (subject, in the case of unaudited statements, to normal, recurring audit adjustments) the consolidated financial position of NORD and its Subsidiaries as at the dates thereof and the consolidated results of their operations and cash flows (and changes in financial position, if any) for the periods then ended.

(b) With respect to each Annual Report on Form 10-KSB and each Quarterly Report on Form 10-QSB included in the NORD SEC Documents filed since March 31, 2003, the financial statements and other financial information included in each such NORD SEC Document fairly present (within the meaning of the Sarbanes-Oxley Act of 2002) in all material respects the financial condition and results of operations of NORD as of, and for, the periods presented in the NORD SEC Documents. Since March 31, 2003, NORD's principal executive officer and its principal financial officer have disclosed to NORD's auditors and the audit committee of the NORD Board (i) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect NORD's ability to record, process, summarize and report financial information and have identified for NORD's auditors any material weaknesses in internal controls and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in NORD's internal controls over financial reporting and NORD has made available to PDM USA its books and records and the working papers of its auditors that contain written materials relating to the foregoing. Except as set forth on Section 4.7(b) of the NORD Disclosure Schedule, NORD has established and maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are designed to ensure that material information relating to NORD, including its consolidated subsidiaries, is made known to NORD's principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the Exchange Act are being prepared, and, to the knowledge of NORD, except as set forth on Section 4.7(b) of the NORD Disclosure Schedule, such disclosure controls and procedures are effective to ensure that all material information required to be included in NORD's periodic reports required under the Exchange Act is made known on a timely basis to the individuals responsible for filing the NORD SEC Documents. Except as set forth in Section 4.7(b) to the NORD Disclosure Schedule, there are no outstanding loans made

by NORD or any of its Subsidiaries to any executive officer (as defined in Rule 3b-7 under the Exchange Act) or director of NORD. Except as set forth on Section 4.7(b) of the NORD Disclosure Schedule, since the enactment of the Sarbanes-Oxley Act of 2002, neither NORD nor any of its Subsidiaries has made any loans to any executive officer (as defined in Rule 3b-7 under the Exchange Act) or director of NORD or any of its Subsidiaries.

4.8 *Undisclosed Liabilities.* Except (a) as and to the extent disclosed or reserved against on the balance sheet of NORD as of June 30, 2006 included in the NORD SEC Documents, (b) as incurred after the date thereof in the ordinary course of business consistent with prior practice, (c) as contemplated by this Agreement or (d) as set forth in Section 4.8 to the NORD Disclosure Schedule, neither NORD nor any of its Subsidiaries has any liabilities or obligations of any nature, whether absolute, accrued, contingent or otherwise and whether due or to become due, that would be required by GAAP to be reflected on a consolidated balance sheet of NORD and its Subsidiaries (or disclosed in the notes thereto).

4.9 *Information Supplied.*

(a) At the date the NORD Proxy Statement is mailed to the NORD Stockholders and at the time of the NORD Stockholders Meeting, the NORD Proxy Statement will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary, in order to make the statements therein in light of the circumstances under which they are made, not misleading. The representation contained in the immediately preceding sentence will not apply to statements or omissions included in the NORD Proxy Statement based upon information furnished to NORD by PDM USA or Merger Sub specifically for use therein. The NORD Proxy Statement will comply as to form in all material respects with the provisions of the Exchange Act.

(b) None of the information supplied or to be supplied by NORD specifically for inclusion or incorporation by reference in the New Admission Document and EGM Notice will, at the date the New Admission Document and EGM Notice is mailed to the holders of PDM Shares, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary, in order to make the statements therein in light of the circumstances under which they are made, not misleading. NORD will promptly bring to the attention of PDM any matter, which would result in an untrue statement or an omission of a material fact required to be stated therein or necessary, in order to make the statements therein in light of the circumstances under which they are made, not misleading.

4.10 *Compliance with Law.* The businesses of NORD and its Subsidiaries are not being conducted in violation of any Applicable Law, except as disclosed on Section 4.10 of the NORD Disclosure Schedule and except for violations that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. Except as set forth in Section 4.10 to the NORD Disclosure Schedule, no investigation or review by any Governmental Authority with respect to NORD or any of its Subsidiaries is pending or, to the Knowledge of NORD, threatened, nor has any Governmental Authority indicated in writing an intention to conduct any such investigation or review, other than, in each case, those the outcome of which would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

4.11 *Litigation.* Except as set forth on Section 4.11 of the NORD Disclosure Schedule, there is no Action pending, or, to the Knowledge of NORD, threatened, against NORD or any of its Subsidiaries or any executive officer or director of NORD or any of its Subsidiaries that would, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. Neither NORD nor any of its Subsidiaries is subject to any outstanding order, writ, injunction or decree that would, individually or in the aggregate, insofar as can be reasonably foreseen, have or reasonably be expected to have a Material Adverse Effect.

4.12 *Absence of Certain Changes or Events.* Since December 31, 2005, there has not been any Material Adverse Effect or any event, change, effect or development that would, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

4.13 *Taxes.* Since January 1, 2003, and to the Knowledge of NORD, prior to January 1, 2003, NORD and each of its Subsidiaries has filed all material Tax Returns required to be filed by it. All such Tax Returns were true, correct and complete in all material respects, and NORD and each of its Subsidiaries has paid or caused to be paid all material Taxes in respect of the periods covered by such Tax Returns other than Taxes for which appropriate reserves have been established in accordance with GAAP. Since January 1, 2003, and to the Knowledge of NORD, prior to January 1, 2003, except as set forth on Section 4.13 of the NORD Disclosure Schedule, Each of NORD and its Subsidiaries has timely withheld and paid all material Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, creditor, independent contractor, shareholder or other third party or in connection with the exercise of NORD Options and NORD Warrants. There are no material Encumbrances on any of the assets of NORD or any of its Subsidiaries that arose in connection with any failure to pay any Tax when due (taking into account relevant extensions), except with respect to such Taxes that are being contested in good faith by appropriate proceedings and for which appropriate reserves have been established in accordance with GAAP. There is no Action concerning any material Tax liability of NORD or its Subsidiaries either (a) claimed or raised by any Governmental Authority in writing or (b) as to which any of the directors and officers (and employees responsible for Tax matters) of NORD and its Subsidiaries has knowledge based on the books and records of NORD. No issue has been raised in writing in any examination by any Governmental Authority with respect to NORD or any Subsidiary which, by application of similar principles, reasonably could be expected to result in a proposed material increase in Tax, in excess of that provided for in any reserve for Taxes, for any other period not so examined. There are no outstanding agreements or waivers extending the statutory period of limitation applicable to any material Tax Return of NORD or any of its Subsidiaries. Neither NORD nor any of its Subsidiaries (a) has been a member of a group filing consolidated returns for federal income Tax purpose (except for the group of which NORD is the common parent), (b) has any liability for the Taxes of any person (other than NORD and its Subsidiaries) under Treasury Regulation Section 1.1502 -6 (or any similar provision of state, local or foreign law), as a transferor or successor, by contract or otherwise, or (c) is a party to any Tax sharing or Tax indemnity agreement or any other agreement of a similar nature involving a material amount of Taxes that remains in effect. NORD has not constituted either a distributing corporation or a controlled corporation (within the meaning of Section 355(a)(1)(A) of the Code) in a distribution of stock intended to qualify for tax-free treatment under Section 355 of the Code (a) in the two (2) years prior to the date of this Agreement (or will constitute such a corporation

in two (2) years prior to this Agreement) or (b) in a distribution that otherwise constitutes part of a plan or series of related transactions (within the meaning of Section 355(e) of the Code) in conjunction with the Merger. NORD has not been a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Code. No foreign subsidiary of NORD is (a) engaged in a United States trade or business for federal income tax purposes or (b) a passive foreign investment company or a shareholder, directly or indirectly, in a passive foreign investment company, each within the meaning of the Code.

4.14 *Intellectual Property.* To the Knowledge of NORD, it and its Subsidiaries own, or are validly licensed or otherwise have the right to use, all Intellectual Property Rights used in the conduct of their businesses, except where the failure to own or possess valid rights to such Intellectual Property Rights would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. No NORD Intellectual Property Right is subject to any outstanding judgment, injunction, order, decree or agreement restricting the use thereof by NORD or any of its Subsidiaries or restricting the licensing thereof by NORD or any of its Subsidiaries to any Person, except for any judgment, injunction, order, decree or agreement which would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. To the Knowledge of NORD, neither it nor any of its Subsidiaries is infringing on any other Person's Intellectual Property Rights and to the Knowledge of NORD no Person is infringing on any NORD Intellectual Property Rights, except, in either case, as would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. Except for such matters as would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect, (a) neither NORD nor any of its Subsidiaries is a defendant in any Action relating to, or otherwise was notified of, any claim alleging infringement by NORD or any of its Subsidiaries of any other Person's Intellectual Property Right and (b) NORD and its Subsidiaries have no outstanding claim or suit for any continuing infringement by any other Person of any NORD Intellectual Property Rights.

4.15 *Employee Benefit Plans.*

(a) Section 4.15 of the NORD Disclosure Schedule contains a list and brief description of (i) all employee pension benefit plans (as defined in Section 3(2) of the Employee Retirement Income Security Act of 1974, as amended (ERISA)), employee welfare benefit plans (as defined in Section 3(1) of ERISA), and all agreements that are currently in force or that have been entered into since January 1, 2003 that provide for payments or other benefits on retirement, termination, severance or a change of control, to which NORD or any of its Subsidiaries is a party, for the benefit of any present or former officers, employees, directors or independent contractors of NORD or any of its Subsidiaries, (ii) each employee benefit plan (as defined in Section 3(3) of ERISA) currently in force or entered into since January 1, 2003, for which NORD could incur liability under Section 4069 of ERISA in the event such plan has been or were to be terminated, and (iii) any employee benefit plan currently in force or entered into since January 1, 2003 in respect of which NORD could incur liability under Section 4212(c) of ERISA (all the foregoing being herein called the NORD Benefit Plans). NORD has made available to PDM USA true, complete and correct copies of (i) each NORD Benefit Plan (or, in the case of any unwritten Benefit Plans, descriptions thereof), along with all amendments thereto, (ii) the most recent annual report on Form 5500 filed with the Internal Revenue Service with

(xviii) agree in writing or otherwise to take any of the foregoing actions.

(b) Acquisition Proposals.

(i) NORD agrees that neither it nor any of its Subsidiaries shall, and that it shall cause its and its Subsidiaries' respective officers, directors, employees, agents and representatives (including any investment banker, attorney or accountant ("Representatives") retained by it or any of its Subsidiaries) not to, directly or indirectly, (A) initiate, solicit or knowingly encourage or facilitate any inquiries with respect to, or the making of, an Acquisition Proposal, (B) engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with, any Person relating to an Acquisition Proposal, or otherwise knowingly encourage or facilitate any effort or attempt to make or implement an Acquisition Proposal, (C) approve or recommend or propose publicly to approve or recommend, any Acquisition Proposal or (D) approve or recommend, or propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement relating to any Acquisition Proposal or propose publicly or agree to do any of the foregoing relating to any Acquisition Proposal.

(ii) Notwithstanding anything in this Agreement to the contrary, nothing contained in this Agreement shall prevent NORD or the NORD Board from complying with its disclosure obligations under Sections 14d-9 and 14e-2 of the Exchange Act with regard to an Acquisition Proposal; *provided, however*, that if such disclosure has the effect of withdrawing, modifying or qualifying the approval of this Agreement by the NORD Board or the NORD Board Recommendation in a manner adverse to PDM USA, then PDM USA shall have the right to terminate this Agreement to the extent set forth in Section 7.4(a) of this Agreement.

(iii) Notwithstanding anything in this Agreement to the contrary, nothing contained in this Agreement shall prevent NORD or the NORD Board from at any time prior to, but not after, the time this Agreement and the Merger are adopted by the NORD Stockholders at the NORD Stockholders Meeting, (A) providing information in response to a request therefor by, or engaging in any negotiations or discussions with, a Person who has made

a bona fide written Acquisition Proposal to the NORD Board after the date hereof which was not solicited by NORD, directly or indirectly, after the date hereof in violation of Section 5.3(b)(i) if the NORD Board receives from such Person an executed confidentiality agreement on customary terms no less favorable to NORD than the Confidentiality Agreement (except that such confidentiality agreement need not contain provisions similar to the financial provisions in the Confidentiality Agreement); or (B) recommending such an unsolicited bona fide written Acquisition Proposal to the NORD Stockholders, if and only to the extent that, (1) in each such case referred to in clause (A) or (B) above, the NORD Board determines in good faith after consultation with outside legal counsel that a failure to take such action would be reasonably likely to result in a breach by its directors of their respective fiduciary duties under Applicable Law, and (2) in the case of clause (A) above, the NORD Board determines in good faith after consultation with outside legal counsel and outside financial advisors that there is a reasonable likelihood that such Acquisition Proposal reasonably could be expected to result in a Superior Proposal; and (3) in the case of clause (B) above, the NORD Board determines in good faith that such Acquisition Proposal (in the form, other than immaterial changes, that was the subject of the Superior Proposal Notice, as defined below) constitutes a Superior Proposal and PDM USA shall have received written notice (the Superior Proposal Notice) of NORD's intention to take the action referred to in clause (B) at least seventy-two (72) hours prior to the taking of such action by NORD (the Waiting Period); *provided, however*, that the NORD Board continues to believe, after taking into account any modifications to the terms of the transaction contemplated by this Agreement that are proposed by PDM USA after its receipt of the Superior Proposal Notice (with respect to which modifications NORD and PDM USA shall endeavor to negotiate in good faith), that such Acquisition Proposal constitutes a Superior Proposal. If the NORD Board recommends an unsolicited bona fide written Acquisition Proposal pursuant to clause (B) above, then PDM USA shall be entitled to terminate this Agreement pursuant to Section 7.4(a) of the Agreement.

(iv) NORD agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Person (other than the parties hereto) conducted heretofore with respect to any Acquisition Proposal. NORD agrees that it will take the necessary steps to promptly inform the officers, directors, employees and Representatives of NORD and its Subsidiaries of the obligations undertaken in this Section 5.3(b). NORD also agrees promptly, but, in any event, within five (5) business days after the date of this Agreement, to request the return or destruction of all confidential information and materials provided prior to the date of this Agreement by it, its Subsidiaries or their respective Representatives to any Person (other than the parties hereto) that has executed a confidentiality agreement within the last twelve (12) months prior to the date hereof in connection with its consideration or making of any Acquisition Proposal.

(v) From and after the execution of this Agreement, NORD shall promptly, orally notify PDM USA of any request for information or any inquiries, proposals or offers relating to an Acquisition Proposal indicating, in connection with such notice, the name of such Person making such request, inquiry, proposal or offer and the material terms and conditions of any proposals or offers and NORD shall provide to PDM USA written notice of any such inquiry, proposal or offer within twenty-four (24) hours of such event. NORD shall keep PDM USA informed orally on a reasonably current basis of the status of any Acquisition Proposal, including with respect to the status and material terms of any such proposal or offer

and whether any such proposal or offer has been definitively withdrawn or rejected. NORD also agrees to provide to PDM USA any material non-public information regarding NORD (not theretofore provided or made available to PDM USA) that it is providing to another Person pursuant to this Section 5.3(b)(v) promptly after it provides such information to such other Person.

(vi) Without limiting the foregoing, it is understood that any violation of the restrictions set forth in this Section 5.3(b) by any officer, director or employee of NORD or any of its Subsidiaries or any Representative of NORD or any of its Subsidiaries shall be deemed to be a breach of this Section 5.3(b) by NORD.

(c) Third Party Standstill Agreements. During the period from the date of this Agreement until the earlier of the Effective Time and termination of this Agreement: (i) NORD shall not (and shall not agree to, and shall not permit any of its Subsidiaries to or to agree to) terminate, amend, modify or waive any provision of any confidentiality or standstill agreement to which it or any of its Subsidiaries is a party (other than any involving PDM USA or its Subsidiaries); and (ii) NORD shall use its commercially reasonable efforts to enforce, to the fullest extent permitted under Applicable Law, the provisions of any such agreements, including, if so requested by PDM USA and at PDM USA's expense, seeking injunctions to prevent any breaches of such confidentiality or standstill agreements and enforcing specifically the terms and provisions thereof in any court of the United States or any state thereof having jurisdiction.

(d) Access. From the date hereof until the Effective Time and subject to Applicable Law and the Confidentiality Agreement, NORD shall (i) give PDM USA and its Representatives reasonable access during normal business hours to the offices, properties, books and records of NORD and its Subsidiaries, (ii) furnish to PDM USA and its Representatives such financial and operating data and other information as such Persons may reasonably request (including furnishing to PDM USA NORD's financial results in advance of filing any NORD SEC Documents containing such financial results), and (iii) instruct the employees and Representatives of NORD and its Subsidiaries to cooperate with PDM USA in its investigation of NORD and its Subsidiaries. Any investigation pursuant to this Section 5.3(d) shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of NORD and its Subsidiaries. No information or knowledge obtained by PDM USA in any investigation pursuant to this Section shall affect or be deemed to modify any representation or warranty made by NORD hereunder.

(e) Closing Balance Sheet and Closing Schedule. NORD shall deliver the Closing Balance Sheet and Closing Schedule as described in Section 2.6 to PDM USA, subject to review and comment by PDM USA.

(f) AGM Proxy Statement. NORD shall, at NORD's discretion, either (i) supplement or amend the AGM Proxy Statement to provide the NORD Stockholders with appropriate disclosure regarding the Merger and this Agreement reasonably prior to the NORD AGM, or (ii) provide the NORD Stockholders with notice of a special NORD Stockholders Meeting to consider the vote upon approval of this Agreement and the Merger, together with a separate Proxy Statement with appropriate disclosure regarding the Merger and this Agreement, reasonably prior to such special NORD Stockholders Meeting.

(g) 401(k) Plan. At least one day prior to the Closing Date, NORD's board of directors shall resolve to terminate NORD's 401(k) plan.

6.2 *Conditions to Obligation of NORD.* The obligation of NORD to consummate the Merger shall also be subject to the satisfaction or waiver by NORD at or prior to the Effective Time of the following conditions:

(e) No statute, rule, regulation, executive order, decree or injunction shall have been enacted, entered, promulgated or enforced by any court or Governmental Authority of competent jurisdiction which is then in effect and which prohibits the consummation of the Merger.

ARTICLE VII

TERMINATION; FEES AND EXPENSES

7.1 *Termination by Mutual Consent.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after the

adoption and approval of this Agreement by the NORD Stockholders referred to in Section 6.2(d) or the holders of PDM Shares referred to in Section 6.1(g), by mutual written consent of NORD and PDM USA by action of their respective boards of directors.

7.2 Termination by Either PDM USA or NORD. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by action of the respective board of directors of either PDM, PDM USA, Merger Sub or NORD if:

(a) notwithstanding the curative provisions set forth in Sections 7.3(a) and 7.4(b), the Merger shall not have been consummated by February 15, 2007 (the Termination Date) whether such date is before or after the date of the adoption and approval of this Agreement and the Merger by the NORD Stockholders and the holders of PDM Shares; *provided, however*, that the right to terminate this Agreement pursuant to this Section 7.2(a) shall not be available to any party whose breach of any obligation under this Agreement results in the failure of the Merger to be consummated by the Termination Date;

(b) the adoption and approval by the NORD Stockholders required by Section 6.2(d) shall not have been obtained at the NORD Stockholders Meeting (after giving effect to all adjournments or postponements thereof);

(c) the adoption and approval by the holders of PDM Shares required by Section 6.1(g) shall not have been obtained at the EGM (after giving effect to all adjournments or postponements thereof) on or prior to December 29, 2006; or

(d) any Governmental Authority of competent jurisdiction shall have issued an order, decree or ruling or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger and such order, decree or ruling or other action shall have become final and nonappealable, whether before or after the adoption and approval of this Agreement by the NORD Stockholders and the holders of PDM Shares.

7.3 Termination by NORD. This Agreement may be terminated and the Merger may be abandoned by NORD:

(a) at any time prior to the Effective Time, whether before or after the adoption and approval of this Agreement by the NORD Stockholders and/or the holders of PDM Shares, if there has been a material breach of any representation, warranty, covenant or agreement made by PDM, PDM USA or Merger Sub in this Agreement, or any such representation and warranty shall have become untrue or incorrect after the execution of this Agreement, in each case such that the conditions set forth in Section 6.2(a) or 6.2(b) would not be satisfied and such breach or failure to be true and correct is not cured within 30 calendar days following receipt of written notice from NORD of such breach or failure (or such longer period reasonably agreed to by NORD during which PDM, PDM USA or Merger Sub exercises reasonable best efforts to cure);

(b) at any time before the adoption and approval of this Agreement by the NORD Stockholders and the holders of PDM Shares in order for NORD to enter into an agreement with respect to a Superior Proposal if NORD has taken the action referred to in Section 5.3(b)(iii)(B) and has otherwise complied with its obligations under Section 5.3(b) of the

Agreement as they pertain to the Acquisition Proposal that is the subject of the Superior Proposal Notice; *provided, however*, that prior to or concurrent with any termination pursuant to this Section 7.3(b) NORD shall have paid to PDM USA the Termination Fee in accordance with Section 7.6; or

(c) if the PDM Board shall have withdrawn, qualified or modified its approval of this Agreement or its recommendation contained in Section 1.8(a), or shall have resolved to do any of the foregoing in a manner adverse to NORD.

7.4 Termination by PDM USA. This Agreement may be terminated and the Merger may be abandoned by PDM, PDM USA or Merger Sub:

(a) if the NORD Board shall have withdrawn, qualified or modified its approval of this Agreement or the NORD Board Recommendation or approved or recommended any Acquisition Proposal (other than this Agreement and the Merger), or shall have resolved to do any of the foregoing; or

(b) at any time prior to the Effective Time, whether before or after the adoption and approval of this Agreement by the NORD Stockholders and/or the holders of PDM Shares, if there has been a material breach of any representation, warranty, covenant or agreement made by NORD in this Agreement (including the covenants contained in Section 5.3), or any such representation and warranty shall have become untrue or incorrect after the execution of this Agreement, such that the conditions set forth in Section 6.1(a) or 6.1(b) would not be satisfied and such breach or failure to be true and correct is not cured within 30 calendar days following receipt of written notice from PDM USA of such breach or failure (or such longer period reasonably agreed to by PDM USA during which NORD exercises reasonable best efforts to cure).

7.5 Effect of Termination and Abandonment. In the event of a termination of this Agreement and the abandonment of the Merger pursuant to this Article VII, this Agreement shall become void and of no effect with no liability on the part of any party hereto (or of any of its directors, officers, employees, agents, legal and financial advisors or other Representatives), other than the provisions of this Section 7.5 and Section 7.6; *provided, however*, that, except as otherwise provided herein, no such termination shall relieve any party hereto of any liability or damages resulting from any willful or intentional breach of this Agreement.

7.6 Fees and Expenses.

(a) In the event that:

(i) (A) PDM or PDM USA shall have terminated this Agreement pursuant to Section 7.4(b) by reason of NORD's material breach of any representation, warranty or covenant made by NORD in this Agreement even after (1) approval of this Agreement and the Merger by the holders of PDM Shares in accordance with Agreement and (2) application has been made for the Admission of the enlarged PDM for Admission as required under the AIM Rules and the rules and requirements of the London Stock Exchange; or (B)(1) PDM USA or NORD shall have terminated this Agreement pursuant to Section 7.2(a); (2) on or prior to such time any Person (other than PDM USA) shall have made (or publicly disclosed its intention to

make) and not withdrawn an Acquisition Proposal or a Superior Proposal (collectively, a Covered Proposal); (3) within twelve (12) months of termination of this Agreement, NORD enters into an agreement with respect to the Covered Proposal; and (4) such Covered Proposal is thereafter consummated at any time;

(ii) NORD shall have terminated this Agreement pursuant to Section 7.3(b), or

(iii) PDM or PDM USA shall have terminated this Agreement pursuant to Section 7.4(a),

then, in any such event, NORD shall pay to PDM USA the Termination Fee in cash; *provided* that, in the case of clauses (i)(B), and (ii) above, in addition to the Termination Fee, NORD shall pay to PDM USA the amounts advanced by PDM to NORD pursuant to the Confidentiality Agreement. Any Termination Fee that becomes payable shall be paid (i) in the case of clause (i) above, not later than the date on which NORD consummates a Covered Proposal, (ii) in the case of clause (ii) above, not later than the second business day after the date that the Agreement is terminated, and (iii) in the case of clause (iii) above, immediately prior to or concurrently with the termination of the Agreement, in each case payable by wire transfer of same day funds.

(b) In the event that NORD shall have terminated this Agreement pursuant to Section 7.3(a) or Section 7.3(c), then, in any such event, PDM shall pay to NORD the Termination Fee less the Deposit Fund paid to NORD, if applicable, in cash. Any Termination Fee that becomes payable shall be paid not later than the second business day after the date that the Agreement is terminated, by wire transfer of same day funds.

(c) In the event that NORD shall have terminated this Agreement pursuant to Section 7.2(c), the outstanding balance in the Deposit Fund as of the earlier of: (i) the date of the EGM or (ii) December 29, 2006, shall be transferred to NORD in accordance with the Deposit Escrow Agreement and PDM and PDM USA shall have no further payment obligation pursuant to Section 2.9. If the EGM occurs prior to November 30, 2006, and the holders of the PDM Shares do not approve the Merger, PDM shall cause PDM USA to pay NORD the November 30, 2006 payment set forth in Section 2.9, which shall be deemed to be part of the Deposit Fund (to the extent not already paid into the Deposit Fund). To the extent NORD receives the Deposit Fund pursuant to this section and to the extent that PDM otherwise owes NORD a Termination Fee under this Section 7.6, such Termination Fee shall be reduced by the payment of the Deposit Fund.

(d) In the event that PDM or PDM USA shall have terminated this Agreement pursuant to Section 7.2(b), the outstanding balance in the Deposit Fund shall be transferred to PDM in accordance with the Deposit Escrow Agreement and PDM shall have no further payment obligation pursuant to Section 2.9. PDM's receipt of the Deposit Fund shall not reduce any Termination Fee otherwise owed by NORD pursuant to this Section 7.6, if any.

(e) Each of PDM USA and NORD acknowledges that the agreements contained in this Section 7.6 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, neither PDM USA nor NORD would enter into

this Agreement; accordingly, if a party (the **Paying Party**) fails to promptly pay any amount due pursuant to this Section 7.6, and, in order to obtain such payment, the party entitled to payment (the **Recipient Party**) commences a suit that results in a judgment against the Paying Party for the fees set forth in this Section 7.6 or any portion of such fees, the Paying Party shall pay to the Recipient Party its reasonable costs and expenses (including reasonable attorneys' fees) in connection with such suit, together with interest on the amount of the fees at the prime rate of Citibank, N.A. in effect on the date such payment was required to be made from the date such payment was required to be made through the date of payment.

(f) Except as specifically provided in this Section 7.6, if there is a termination pursuant to this Article VII, then all costs and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the party hereto incurring such expenses, except that NORD shall reimburse PDM for all amounts paid to NORD pursuant to Section 5.2(c) . NORD shall have no obligation to repay to PDM amounts paid by PDM to NORD pursuant to the Confidentiality Agreement and PDM shall have no further obligation to pay any amounts owed to NORD at the Closing Date under the Confidentiality Agreement.

ARTICLE VIII

HOLDBACK

8.1 *Holdback.* The Holdback Amount shall be used to indemnify, defend and hold harmless the Indemnified Parties from and against any and all Damages, without duplication, arising from or relating to (a) inaccuracies in the Closing Schedule; (b) inaccuracies in the Closing Balance Sheet; or (c) breaches by NORD of the representations and warranties contained in Sections 4.4, 4.18(e), and 4.19 (regardless of the survival provisions contained in Section 9.1), (d) costs and expenses, on a Dollar-for-Dollar basis, connected with the cancellation or termination of the NORD Options set forth on Schedule 2.3, (e) costs and expenses, on a Dollar-for-Dollar basis, connected with the termination of NORD's 401(k) plan and distribution of the accounts to the participants; *provided* that the right of the Indemnified Parties to all or any portion of the Holdback Amount for Damages arising from breaches of the representations and warranties contained in Section 4.18(e) shall not exceed in the aggregate Five Hundred Thousand Dollars (US\$500,000); *provided, further*, that the right of the Indemnified Parties to all or any portion of the Holdback Amount for Damages related to clause (d) above shall not exceed in the aggregate Twenty Five Thousand Dollars (US\$25,000); *provided, further*, that the right of the Indemnified Parties to all or any parts of the Holdback Amount for Damages related to clause (e) above shall not exceed in the aggregate One Hundred Thousand Dollars (US\$100,000); *provided, further*, that the Indemnified Parties shall not be entitled to all or any portion of the Holdback Amount until the Damages suffered by the Indemnified Parties exceeds in the aggregate Fifty Thousand Dollars (US\$50,000) except Damages related to clauses (d) and (e) above, whereafter the Indemnified Parties shall be entitled to use the Holdback Amount for all Damages suffered by the Indemnified Parties, including the initial Fifty Thousand Dollars (US\$50,000). The Indemnified Parties shall promptly make a claim for Damages. If the Indemnified Parties have made no claim for Damages during the Holdback Period, then the Paying Agent shall pay to each holder of Securities the Per Share Net Holdback Consideration attributable to such Securities. If, however, any one or more of the Indemnified Parties have

made a claim for Damages on or before the end of the Holdback Period, then the Paying Agent shall retain the Holdback Amount (to the extent of the claim for Damages and reasonable estimated expenses) pending final resolution of such claims for Damages. Upon final resolution of such claim for Damages, the Paying Agent shall pay to each holder of Securities the remaining amount of the Per Share Net Holdback Consideration for such Securities. Any interest earned on the Holdback Amount during the Holdback Period shall first be used to pay any costs, fees or expenses owed the Paying Agent under the Holdback Escrow Agreement or in respect of the distribution of the Holdback Amount and any remainder shall be paid to PDM USA. Any costs, fees or expenses owed the Paying Agent under the Holdback Escrow Agreement or in respect of the distribution of the Holdback Amount in excess of interest earned on the Holdback Amount during the Holdback Period shall be deducted from the Holdback Amount.

8.2 *Arbitration.* The Indemnified Parties and the Stockholder Representative will attempt to resolve a claim against the Holdback Amount for Damages. At any time, either party may demand arbitration of the matter, which arbitration shall be conducted by a single arbitrator in accordance with the procedures established by JAMS. The Indemnified Party asserting the claim and the Stockholder Representative shall agree on the arbitrator, *provided* that if the Indemnified Party asserting the claim and the Stockholder Representative shall cannot agree on such arbitrator within ten (10) days, then the arbitrator shall be appointed by JAMS. The arbitrator shall set a limited time period and establish procedures designed to reduce the cost and time for discovery while allowing discovery of information from the opposing parties about the subject matter of the dispute. The arbitrator shall rule upon motions to compel or limit discovery and shall have the authority to impose sanctions, including attorneys' fees and costs, to the same extent as a court of competent law or equity, should the arbitrator determine that the discovery was sought without substantial justification or that discovery was refused or objected to without substantial justification. The decision of the arbitrator shall be written, shall be in accordance with applicable Law and with this Agreement, and shall be supported by written findings of fact and conclusion of law, which shall set forth the basis for the decision of the arbitrator. The decision of the arbitrator as to the validity and amount of any claim shall be binding and conclusive upon the Indemnified Parties, the NORD Stockholders, the Stockholder Representative and, notwithstanding any other provision of this Article VIII, the Paying Agent, if applicable, shall be entitled to make or withhold payments out of the Holdback Amount in accordance therewith.

8.3 *Stockholder Representative.*

(a) The Stockholder Representative shall be the exclusive agent of the holders of NORD Securities, to do the following: (i) to give and receive notices and communications, to agree to, negotiate, enter into settlements and compromises of, make claims and demand arbitration and comply with orders of courts and awards of arbitrators with respect to claims made or any other action to be taken by or on behalf of any holder of NORD Securities in connection with the Holdback Amount, and to take all actions necessary or appropriate in the judgment of the Stockholder Representative for the accomplishment of the foregoing and (ii) to take any actions required of the NORD Stockholders under the Holdback Escrow Agreement. The Indemnified Parties may rely on the Stockholder Representative as the exclusive agent of the

holders of NORD Securities under this Agreement and shall incur no liability to any party with respect to any action taken or suffered by it in reliance thereon.

(b) The Stockholder Representative shall not be liable for any act as Stockholder Representative done or omitted hereunder except as a result of its own wilful misconduct or gross negligence. Any act done or omitted pursuant to the advice of counsel shall not be considered to constitute wilful misconduct or gross negligence and the Stockholder Representative shall have no liability for such act done or omitted. The holders of NORD Securities shall severally indemnify the Stockholder Representative and hold such agent harmless against any loss, liability or expense incurred without bad faith on the part of the Stockholder Representative and arising out of or in connection with the acceptance or administration of the Stockholder Representative's duties hereunder. The Stockholder

Representative shall not, by virtue of being the Stockholder Representative, incur any obligation or liability to the Indemnified Parties. The Indemnified Parties may rely on the Stockholder Representative as the exclusive agent of the holders of NORD Securities under this Agreement and shall incur no liability to any party with respect to any action or suffered by it in reliance thereon.

The headings, the table of contents and the index of defined terms contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words include, includes, or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. Information disclosed in one section of the NORD Disclosure Schedule shall be integrated into another section of the NORD Disclosure Schedule without the necessity of a cross-reference to the extent its applicability thereto is readily apparent.

9.4 *Counterparts.* This Agreement may be executed in counterparts, which together shall constitute one and the same agreement. The parties hereto may execute more than one copy of this Agreement, each of which shall constitute an original.

9.5 *Entire Agreement.* This Agreement (including the documents and the instruments referred to in this Agreement) and the Confidentiality Agreement constitute the entire agreement among the parties hereto and thereto and supersede all prior agreements and understandings, agreements or representations by or among the parties hereto and thereto, written and oral, with respect to the subject matter hereof and thereof.

9.6 *Third-Party Beneficiaries.* Except for the agreements set forth in Section 5.2(a), nothing in this Agreement, express or implied, is intended or shall be construed to create any third-party beneficiaries.

9.7 *Governing Law.* This Agreement shall be governed and construed in accordance with the laws of the State of Delaware applicable to contracts executed in and to be performed in that State. Except as set forth in Section 8.2, all Actions arising out of or relating to this Agreement and the Confidentiality Agreement shall be heard and determined in any state or federal court sitting in the State of Delaware.

9.8 *Consent to Jurisdiction; Venue.*

(a) Except as set forth in Section 8.2, each of the parties hereto irrevocably submits to the exclusive jurisdiction of the state courts of Delaware and to the jurisdiction of the United States District Court for the District of Delaware for the purpose of any Action arising out of or relating to this Agreement and the Confidentiality Agreement, and each of the parties hereto irrevocably agrees that all claims in respect to such Action may be heard and determined exclusively in any Delaware state or federal court sitting in the State of Delaware. Each of the parties hereto agrees that a final judgment in any Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto irrevocably consents to the service of any summons and complaint and any other process in any other Action relating to the Merger, on behalf of itself or its property, by the personal delivery of copies of such process to such party. Nothing in this Section 9.8 shall affect the right of any party hereto to serve legal process in any other manner permitted by law.

(c) Waiver of Jury Trial. THE PARTIES EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO JURY TRIAL OF ANY DISPUTE BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENTS RELATING HERETO OR ANY DEALINGS AMONG THEM RELATING TO THE TRANSACTIONS. The scope of this waiver is intended to be all encompassing of any and all Actions that may be filed in any court and that relate to the subject matter of any Transactions, including, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. The Parties each acknowledge that this waiver is a material inducement to enter into a business relationship and that they will continue to rely on the waiver in their related future dealings. Each Party further represents and warrants that it has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY AMENDMENTS, RENEWALS, SUPPLEMENTS, OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING HERETO. In the event of an Action, this Agreement may be filed as a written consent to trial by a judge.

9.9 *Specific Performance.* The transactions contemplated by this Agreement are unique. Accordingly, each of the parties hereto acknowledges and agrees that, in addition to all

other remedies to which it may be entitled, each of the parties hereto is entitled to a decree of specific performance; *provided*, that such party hereto was not in material default hereunder at the time of the other party's material breach of the Agreement. The parties hereto agree that if PDM USA, Merger Sub or NORD shall have failed to perform its obligations under this Agreement, then the party hereto seeking to enforce this Agreement against such nonperforming party under this Agreement shall be entitled to specific performance and injunctive and other equitable relief, and the parties hereto further agree to waive any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief. This provision is without prejudice to any other rights that any party hereto may have against another party hereto for any failure to perform its obligations under this Agreement.

9.10 *Assignment.* Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties hereto. Notwithstanding the foregoing, PDM, PDM USA and Merger Sub, prior to NORD mailing its Proxy Statement for the NORD Stockholders Meeting, may without such consent assign or delegate its rights and obligations hereunder or under any instrument executed or delivered in connection herewith to a wholly-owned subsidiary of PDM and its Subsidiary, as applicable. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

9.11 *Amendment.* This Agreement may be amended by the parties hereto at any time before or after approval of the Merger by the NORD Stockholders; *provided, however*, that after any such approval, no amendment shall be made that by law requires further approval by the NORD Stockholders and the holders of PDM Shares without such approval having been obtained. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

9.12 *Extension; Waiver.* At any time prior to the Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto or (c) waive compliance with any of the agreements or conditions contained herein. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights and the single or partial exercise of any rights hereof shall not preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

9.13 *Severability.* Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

IN WITNESS WHEREOF, PDM, PDM USA, Merger Sub and NORD have signed this Agreement as of the date first written above.

(a) No Registration of Transfers. NORD shall not register the transfer of any Shares or New Shares, or any convertible securities of NORD, of any Stockholder on the stock record books, records or ledgers of NORD at any time prior to the Expiration Date. NORD shall issue stop-transfer instructions to each transfer agent (if any) for any class or series of its capital stock, instructing each such transfer agent not to register any transfer of any such Shares or New Shares during the term hereof except in compliance with the terms of this Agreement.

(b) Filing of Proxies. NORD shall promptly file each Proxy with the corporate secretary of NORD.

(c) Notice of Conflict. NORD shall notify PDM USA as soon as practicable, but in any event within one business day, if it receives (i) any proxy, power of attorney or similar authorization or any revocation which purports to revoke or otherwise conflicts with any Proxy, or (ii) any request or notice of transfer of any Shares or New Shares of any Stockholder.

7. New Shares. NORD and each Stockholder agree that New Shares shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted Shares. Each Stockholder shall promptly, and in any event within two business days, notify PDM USA of the number of New Shares it acquires from time to time.

8. Permitted Activities. Nothing in this Agreement shall be construed to (i) require any Stockholder to exercise any option, warrant or other Security to acquire shares of capital stock of NORD, or (ii) prohibit any Stockholder from engaging in a net exercise of any option, warrant or other security to acquire shares of capital stock of NORD in accordance with the terms thereof.

9. Further Assurances. From time to time, at PDM USA's request and without consideration, each Stockholder and NORD shall execute and deliver such additional documents and take all such further action as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions and appointments contemplated by this Agreement. Without limiting the generality of the foregoing, each Stockholder (solely in its capacity as such) shall execute and deliver any additional documents and instruments as necessary or desirable, in the reasonable opinion of PDM USA, to carry out the intent of this Agreement, including executing another or different appointment of proxy.

10. Miscellaneous.

(a) Term. This Agreement shall be effective as of the date hereof. This Agreement shall terminate, and have no further force or effect, as of the Expiration Date; provided that such termination of this Agreement shall relieve any party hereto from any liability for any breach of this Agreement prior to termination.

(b) Titles and Headings. The section and paragraph titles and headings contained herein are inserted purely as a matter of convenience and for ease of reference and shall be disregarded for all other purposes, including the construction, interpretation or enforcement of this Agreement or any of its terms or provisions.

(c) Voluntary Execution of Agreement. This Agreement is executed voluntarily and without any duress or undue influence on the part or behalf of the parties hereto. Each of the Stockholders, NORD and PDM USA hereby acknowledges, represents and warrants that (i) it has read and fully understood this Agreement and the implications and consequences thereof; (ii) it has been represented in the preparation, negotiation, and execution of this Agreement by legal counsel of its own choice, or it has made a voluntary and informed decision to decline to seek such counsel; and (iii) it is fully aware of the legal and binding effect of this Agreement.

(d) Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof; provided that if any provision of this Agreement, as applied to any party or to any circumstance, is adjudged by a court, tribunal or other governmental body, arbitrator or mediator not to be enforceable in accordance with its terms, the parties agree that such governmental body, arbitrator or mediator making such determination shall have the power to modify the provision in a manner consistent with its objectives such that it is enforceable, and to delete specific words or phrases, and in its reduced form, such provision shall then be enforceable and shall be enforced.

(e) Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned without the prior written consent of each other party hereto. Any assignment in violation of the preceding sentence shall be null and void and of no force or effect. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns.

(f) Amendments and Modification. This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by each of the parties hereto.

(g) No Waiver. The failure of any party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party hereto with its obligations hereunder, or any custom or practice of the parties at variance with the terms hereof shall not constitute a waiver by such party of its right to exercise any such or other right, power or remedy or to

demand such compliance. No waiver by any party of any default, misrepresentation or breach hereunder, whether intentional or not, shall be effective unless in writing and signed by the party against whom such waiver is sought to be enforced, and no such waiver shall be deemed to extend to any prior or subsequent default, misrepresentation or breach hereunder or affect in any way any rights arising because of any prior or subsequent such occurrence.

(h) Specific Performance; Injunctive Relief. Each of the parties hereto acknowledges and agrees that any breach or non-performance of, or default under, any of the terms and provisions hereof would cause substantial and irreparable damage to the other parties, and that money damages would be an inadequate remedy therefor. Accordingly, each of the parties hereto agrees that each of them shall be entitled to seek equitable relief, including specific performance and injunctive relief, in the event of any such breach, non-performance or default in any action or proceeding instituted in any court of the United States or any state having competent jurisdiction, or before any arbitrator, in addition to any other remedy to which such party may be entitled, at law or in equity.

(i) Notices. All notices and other communications hereunder shall be made and delivered as set forth in Section 9.2 of the Merger Agreement, provided that for each Stockholder the address shall be as set forth on the signature page hereof below such Stockholder's signature.

(j) Governing Law. This Agreement and the performance of the transactions and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts negotiated, executed and to be performed entirely within such State.

(k) Third-Party Beneficiaries. This Agreement is made solely for the benefit of the parties to this Agreement and their respective permitted successors and assigns, and no other Person shall have or acquire any right or remedy by virtue hereof except as otherwise expressly provided herein.

(l) Consent to Jurisdiction; Venue. The terms and provisions of Section 9.8 (Consent to Jurisdiction; Venue) of the Merger Agreement are hereby incorporated by reference herein and shall apply to this Agreement mutatis mutandis, as if expressly set forth herein, except that each party hereto submits to the exclusive jurisdiction of the federal courts located in Denver, Colorado.

(m) Counterparts. This Agreement may be executed in two or more original or facsimile counterparts, each of which shall be deemed an original but all of which together shall constitute but one and the same instrument.

(n) Facsimile Execution. A facsimile, telecopy or other reproduction of this Agreement may be executed by one or more parties hereto, and an executed copy of this Agreement may be delivered by one or more parties hereto by facsimile or similar electronic transmission device pursuant to which the signature of or on behalf of such party can be seen, and such execution and delivery shall be considered valid, binding and effective for all purposes.

At the request of any party hereto, all parties hereto agree to execute an original of this Agreement as well as any facsimile, telecopy or other reproduction hereof.

Pursuant to the Merger, each share of common stock of NORD, par value \$0.001 per share (Common Stock), issued and outstanding at the Effective Time, other than the shares of Common Stock owned by PDM USA, Merger Sub or NORD (or any of their respective direct or indirect wholly-owned Subsidiaries) and other than the Appraisal Shares, will be converted into the right to receive (i) the Per Share Merger Consideration equal to \$1.204 in cash payable upon the closing of the transaction and (ii) a contingent right to receive the Per Share Net Holdback Consideration equal to up to \$0.075 per share pursuant to the terms of a Holdback Escrow Agreement proposed to be entered into by and among PDM USA, CuShaman LLC, as the Stockholder Representative and American Stock Transfer & Trust Company, as the Escrow Agent. Capitalized terms not otherwise defined herein shall have the respective meanings ascribed to them in the Merger Agreement. The Per Share Merger Consideration and the Per Share Net Holdback Consideration are collectively referred to herein as the Merger Consideration.

The special committee of the Board of Directors of Nord (the Special Committee) has requested GMP's opinion (the GMP Fairness Opinion) as to whether the Merger Consideration to be received by the holders of Nord Common Stock pursuant to the Merger Agreement is fair, from a financial point of view, to such holders (the Nord Shareholders). The GMP Fairness Opinion is provided pursuant to GMP's engagement by Nord to provide financial advice to the Special Committee of Nord under a letter agreement dated August 10, 2006 (the Engagement).

GMP ENGAGEMENT

Subject to the terms of the Engagement, GMP consents to the inclusion of a copy of the GMP Fairness Opinion, with a summary thereof in a form acceptable to GMP, in any filing that the Corporation is required to make with the Securities and Exchange Commission in connection with the Merger or any other management information circular to be sent to Nord Shareholders in connection with the Merger and the filing thereof by Nord with the applicable securities regulatory authorities.

GMP has not, to the best of its knowledge, been denied access by the Corporation to any information requested. GMP did not meet with the auditors of the Corporation and has assumed the accuracy and fair presentation of the audited consolidated financial statements of the Corporation and the reports of the auditors thereon and of the unaudited interim financial statements of the Corporation referred to above.

APPROACH TO ANALYSIS

In connection with the GMP Fairness Opinion, GMP has performed a variety of financial and comparative analyses. In arriving at the GMP Fairness Opinion, GMP has attributed greater weight to certain analyses and factors that it deemed appropriate based on GMP's experience in rendering such opinions.

ASSUMPTIONS AND LIMITATIONS

With the Special Committee's approval, GMP has relied upon the completeness, accuracy and fair presentation of all of the financial and other information, data, advice, opinions or representations obtained by it from public sources, senior management of the Corporation, and their consultants and advisors (collectively, the Information). The GMP Fairness Opinion is conditional upon such completeness, accuracy and fair presentation of such Information. Subject to the exercise of professional judgement and except as expressly described herein, GMP has not attempted to verify independently the completeness, accuracy or fair presentation of any of the Information.

Senior officers of the Corporation have represented to GMP in a certificate delivered as of the date hereof, among other things, that (i) the Information provided orally by, or in the presence of, an officer or employee of the Corporation or in writing by the Corporation to GMP relating to the Corporation and the Offer for the purpose of preparing this GMP Fairness Opinion was, at the date the Information was

provided to GMP, and is, except as has been disclosed in writing to GMP, complete, true and correct in all material respects, and did not and does not contain any untrue statement of a material fact in respect of the Corporation or the Merger, necessary to make the Information not misleading in light of the circumstances under which the Information was made or provided; and (ii) since the dates on which the Information was provided to GMP, except as disclosed in writing to GMP, there has been no material change (as such term is defined in the Act), financial or otherwise, in the financial condition, assets, liabilities (contingent or otherwise), business, operations or prospects of the Corporation and no material change has occurred in the Information or any part thereof which would have or which would reasonably be expected to have a material effect on the GMP Fairness Opinion.

The GMP Fairness Opinion is rendered on the basis of securities and commodities markets, economic, financial and general business conditions prevailing as at the date hereof and the condition and prospects, financial and otherwise, of the Corporation and its subsidiaries and affiliates, as they were reflected in the Information and as they have been represented to GMP in discussions with management of the Corporation. In its analyses and in preparing the GMP Fairness Opinion, GMP made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of GMP or any party involved in the Merger.

GMP is acting as financial advisor to the Corporation and will receive a fee from the Corporation for its services, including the delivery of this GMP Fairness Opinion. In addition, the Corporation has agreed to indemnify GMP, its affiliates and their respective officers, directors, employees, partners, agents, advisors and shareholders against certain liabilities that may arise from the Engagement.

The GMP Fairness Opinion is not, and should not be construed as an independent valuation or appraisal of Nord, or any of the assets or securities thereof. Furthermore, the GMP Fairness Opinion is not, and should not be construed as, advice as to the price at which shares of the Corporation (before or after completion of the Merger) may trade at any future date. This GMP Fairness Opinion is not to be construed as a recommendation to any holder of Common Stock as to whether to vote in favor of the Merger.

The GMP Fairness Opinion has been provided for the use of the Special Committee of the Board of Directors of the Corporation and may not be used by any other person or relied upon by any other person other than the Special Committee and the Corporation without the express prior written consent of GMP. The GMP Fairness Opinion is given as of the date hereof and GMP does not have any obligation to update, revise or affirm this opinion or advise any person of any change in any fact or matter affecting the GMP Fairness Opinion that may come or be brought to GMP's attention after the date hereof.

GMP believes that its analyses must be considered as a whole and that selecting portions of the analyses or the factors considered by GMP, without considering all factors and analyses together, could create a misleading view of the process underlying the GMP Fairness Opinion. The preparation of an opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Any attempt to do so could lead to undue emphasis on any particular factor or analysis

CONCLUSION

Based on and subject to the foregoing, GMP is of the opinion on the date hereof that the Merger Consideration to be received by the holders of shares of Nord Common Stock pursuant to the Merger Agreement is fair, from a financial point of view, to such holders.

Yours very truly,

GMP Securities L.P.

Appraisal Rights under Section 262 of Delaware Code

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or

depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with

respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all

proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and in the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation. FORM OF HOLDBACK ESCROW AGREEMENT

This Holdback Escrow Agreement is entered into as of _____, 2006, by and among Platinum Diversified Mining USA, Inc., a Delaware corporation (the **Buyer**), CuShaman LLC (the **Stockholder Representative**) and American Stock Transfer & Trust Company (the **Escrow Agent**). Capitalized terms not otherwise defined herein shall have the respective monies ascribed to them in their Merger Agreement (as defined below).

WHEREAS, the Buyer, Platinum Diversified Mining, Inc., a Cayman Islands corporation (**PDM**) and NORD Resources Corporation (the **Company**) have entered into an Agreement and Plan of Merger dated as of October 23, 2006 (the **Merger Agreement**) by and among the Company, PDM, the Buyer and a subsidiary of the Buyer, pursuant to which such subsidiary will be merged (the **Merger**) into the Company which, as the surviving corporation (the **Surviving Corporation**), will become a wholly-owned subsidiary of the Buyer;

WHEREAS, the Merger Agreement provides that a holdback of \$3,000,000 (the **Holdback Amount**) will be established to secure the indemnification obligations under the Merger Agreement to the Indemnified Parties;

WHEREAS, the Company will advance \$250,000 (the **Stockholder Representative Funds**) to the Stockholder Representative to be used by the Stockholder Representative in payment of costs and expenses that may be incurred by the Stockholder Representative in the discharge of its obligations in connection with the Merger Agreement and this Agreement; and

WHEREAS, the parties hereto desire to establish the terms and conditions pursuant to which such Holdback Amount will be established and maintained.

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. **Establishment of Holdback**. By virtue of the approval of the Merger Agreement: (a) the Holdback Amount has been established to secure the indemnification obligations under Article VIII of the Merger Agreement, (b) the Stockholder Representative has been appointed as the representative for the securityholders of the Company receiving consideration pursuant to the Merger Agreement (the **Securityholders**) for purposes of this Agreement and as attorney-in-fact and agent for and on behalf of each Securityholder, (c) the taking by the Stockholder Representative of any and all actions and the making of any decisions required or permitted to be taken or made by the Securityholders under this Agreement has been approved, and (d) all of the other terms, conditions and limitations in this Agreement have been approved.

2. **Escrow and Indemnification**.

(a) **Holdback Amount**. At or prior to the effective time of the Merger (the **Effective Time**), the Buyer shall deposit with the Escrow Agent, by wire transfer, the Holdback Amount. The Escrow Agent hereby acknowledges receipt of such sum. The Holdback Amount shall be held as a trust fund and shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any party hereto. The Holdback

Amount shall be invested in accordance with Section 4 of this Agreement. The Escrow Agent agrees to hold the Holdback Amount in an escrow account subject to the terms and conditions of this Agreement.

(b) **Indemnification**. In Article VIII of the Merger Agreement, the parties thereto have agreed that the Holdback Amount shall be available to indemnify and hold harmless the Indemnified Parties from and against specified Damages (as defined in the Merger Agreement) subject to the limitations, and in the manner provided in the Merger Agreement.

(c) **Transferability**. The respective interests of the Securityholders in the Holdback Amount ultimately available for distribution shall not be assignable or transferable, other than by operation of law. Notice of any such assignment or transfer by operation of law shall be given to the Escrow Agent and the Buyer, and no such assignment or transfer shall be valid until such notice is given.

3. **Disbursement of Holdback Amount**.

(a) **Disbursement by Escrow Agent**. The Escrow Agent shall disburse the Holdback Amount only in accordance with (i) a written instrument delivered to the Escrow Agent that is executed by both the Buyer and the Stockholder Representative and that instructs the Escrow Agent as to the disbursement of some or all of the Holdback Amount, as the case may be, (ii) an order of a court of competent jurisdiction, a copy of which is delivered to the Escrow Agent by either the Buyer or the Stockholder Representative, that instructs the Escrow Agent as to the disbursement of some or all of the Holdback Amount, as the case may be, (iii) a final written decision of the arbitrator pursuant to Article VIII of the Merger Agreement, a copy of which is delivered to the Escrow Agent by either the Buyer or the Stockholder Representative, that instructs the Escrow Agent as to the disbursement of some or all of the Holdback Amount, as the case may be, or (iv) the provisions of Section 3(b), Section 4(b) and Section 7(e) hereof.

(b) **Disbursement of Holdback Amount**. Within five (5) business days after the date that is six (6) months after the Closing (the **Holdback Amount Termination Date**), the Stockholder Representative and Buyer shall notify the Escrow Agent, in writing, of the Holdback Amount Termination Date and the Escrow Agent shall distribute to the Securityholders all of the Holdback Amount then held in escrow. Notwithstanding the foregoing, if the Buyer has previously delivered to the Escrow Agent a claim notice pursuant to Article VIII of the Merger Agreement and the Escrow Agent has not received written notice of the resolution of the claim covered thereby pursuant to Article VIII of the Merger Agreement, the Escrow Agent shall retain in escrow after the Holdback Amount Termination Date an amount equal to the estimated amount of Damages set forth in such claim notice plus a reasonable estimate by the Buyer of the expenses it expects to incur in connection with resolving the Damages claim. Any funds so retained in escrow shall be disbursed upon the events specified in clauses (i), (ii) or (iii) of Section 3(a) and in accordance with Section 3(d), with the last such event which disburses all remaining funds deemed to be the **Final Distribution Event**.

(c) **Disbursement of Stockholder Representative Funds**. Within one (1) business day following the Holdback Amount Termination Date or Final Distribution Event, as applicable, the Stockholder Representative shall remit to the Escrow Agent the balance (the **Net**

Stockholder Representative Funds), if any, of the Stockholder Representative Funds remaining at that time. The Net Stockholder Representative Funds shall be received by the Escrow Agent on the same terms as if they were part of the Holdback Amount and disbursed pursuant to Section 3(d).

(d) **Method of Disbursement.** Any distribution of all or a portion of the Holdback Amount to the Securityholders shall be made on a pro rata basis in accordance with the information received by the Escrow Agent pursuant to Section 2.2 of the Merger Agreement, within ten (10) days of the Holdback Termination Date or Final Distribution Event, as applicable, and in accordance with the manner of payment set forth in Section 2.2 of the Merger Agreement. To the extent a Securityholder has not surrendered their Security to the Paying Agent in accordance with Section 2.2 of the Merger Agreement at the time of the distribution, the Escrow Agent shall pay such pro rata amounts to PDM USA in accordance with Section 2.2 of the Merger Agreement and those Securityholders shall look to PDM USA for payment.

4. **Investment of Holdback Amount.**

(a) **Permitted Investments.** Any monies held in the Holdback Amount shall be invested by the Escrow Agent, to the extent permitted by law and as directed by the Buyer, in (i) obligations issued or guaranteed by the United States of America or any agency or instrumentality thereof; (ii) obligations (including certificates of deposit and bankers' acceptances) of domestic commercial banks which at the date of their last public reporting had total assets in excess of \$500,000,000, (iii) commercial paper rated at least A-1 or P-1 or, if not rated, issued by companies having outstanding debt rated at least AA or Aa and (iv) money market mutual funds invested exclusively in some or all of the securities described in the foregoing clauses (i), (ii) and (iii). Absent receipt of specific written investment instructions from the Buyer, the Escrow Agent shall have no obligation or duty to invest (or otherwise pay interest on) the Holdback Amount. The Escrow Agent shall have no liability for any investment losses, including without limitation any market loss on any investment liquidated prior to maturity in order to make a payment required hereunder.

(b) **Escrow Income.** All interest and other income earned from the investment of the Holdback Amount, after deduction of and remittance to Buyer of the amount of any taxes payable by Buyer with respect to such interest and other income (**Escrow Income Taxes**), shall be used to pay fees and expenses of the Escrow Agent described in Section 5 below. The parties agree that, for tax reporting purposes, all Escrow Income Taxes shall be taxable to Buyer. The Buyer agrees to provide the Escrow Agent with a certified tax identification number by signing and returning a Form W-9 (or Form W-8, in the case of non-U.S. persons) to the Escrow Agent prior to the date on which any income earned on the investment of the Holdback Amount is credited to the Holdback Amount. Ten days prior to the Holdback Amount Termination Date, Buyer shall submit to the Escrow Agent, with a copy to the Stockholder Representative, a notice specifying the Escrow Income Taxes so payable and showing in reasonable detail the calculation of the applicable Escrow Income Taxes, and Escrow Agent shall remit to Buyer, out of the interest and other income earned on the Holdback Amount, the amount so specified, and Buyer shall be responsible for paying such Escrow Income Taxes to the appropriate taxing authorities.

5. **Fees and Expenses of Escrow Agent.** The fees of the Escrow Agent for the services to be rendered by the Escrow Agent hereunder shall be deducted first from the interest and other income on the Holdback Amount and second, if there are any remaining fees owed to the Escrow Agent after payment from the interest and other income, from the Holdback Amount. The Escrow Agent shall also be reimbursed for its reasonable expenses (including reasonable attorney's fees and expenses) incurred in connection with the performance of its duties under this Agreement in the same manner as the fees owed to the Escrow Agent.

6. **Limitation of Escrow Agent's Liability.**

(a) **Limitation on Liability.** The Escrow Agent shall incur no liability with respect to any action taken or suffered by it in reliance upon any notice, direction, instruction, consent, statement or other documents believed by it to be genuine and duly authorized, nor for any other action or inaction, except its own willful misconduct or gross negligence. The Escrow Agent shall not be responsible for the validity or sufficiency of this Agreement or any other agreement referred to herein. In all questions arising under the Escrow Agreement, the Escrow Agent may rely on the advice of counsel, and the Escrow Agent shall not be liable to anyone for anything done, omitted or suffered in good faith by the Escrow Agent based on such advice. The Escrow Agent shall not be required to take any action hereunder involving any expense unless the payment of such expense is made or provided for in a manner reasonably satisfactory to it. In no event shall the Escrow Agent be liable for indirect, punitive, special or consequential damages.

(b) **Indemnification.** The Buyer and the Stockholder Representative, jointly and severally, agree to indemnify the Escrow Agent for, and hold it harmless against, any loss, liability or expense incurred without gross negligence or willful misconduct on the part of Escrow Agent, arising out of or in connection with its carrying out of its duties hereunder.

7. **Liability and Authority of Stockholder Representative; Successors and Assignees; Fees and Expenses.**

(a) **Limitation on Liability.** The Stockholder Representative shall not be liable for any act as Stockholder Representative done or omitted hereunder except as a result of its own willful misconduct or gross negligence. Any act done or omitted pursuant to the advice of counsel shall not be considered to constitute willful misconduct or gross negligence and the Stockholder Representative shall have no liability for such act done or omitted. The Securityholders shall severally indemnify the Stockholder Representative and hold such agent harmless against any loss, liability or expense incurred without bad faith on the part of the Stockholder Representative and arising out of or in connection with the acceptance or administration of the Stockholder Representative's duties hereunder. The Stockholder Representative shall not, by virtue of being the Stockholder Representative, incur any obligation or liability to the Buyer.

(b) **Successor Stockholder Representative.** In the event of the dissolution of the Stockholder Representative or the death or permanent disability of the sole member of the Stockholder Representative, or the resignation of the Stockholder Representative as the Stockholder Representative, a successor Stockholder Representative shall be elected by a

majority vote of the Securityholders, with each such Securityholder (or his, her or its successors or assigns) to be given a vote equal to the number of votes represented by the shares of stock of the Company held or for which an option or other convertible security could have been exercised by such Securityholder immediately prior to the effective time of the Merger). The successor Stockholder Representative shall have all of the power, authority, rights and privileges conferred by this Agreement upon the original Stockholder Representative, and the term **Stockholder Representative** as used herein shall be deemed to include the successor Stockholder Representative.

(c) **Power and Authority.** The Stockholder Representative, shall have full power and authority to represent the Securityholders, and their successors, with respect to all matters arising under this Agreement and all actions taken by the Stockholder Representative hereunder shall be binding upon the Securityholders, and their successors, as if expressly confirmed and ratified in writing by each of them. Without limiting the generality of the foregoing, the Stockholder Representative shall have full power and authority to interpret all of the terms and provisions of this Agreement, to compromise any claims asserted hereunder and to authorize payments to be made with respect thereto, on behalf of the Securityholders and their successors. All actions to be taken by the Stockholder Representative hereunder may be evidenced by a written instrument signed by the Stockholder Representative.

(d) **Reliance by Escrow Agent.** The Escrow Agent may rely on the Stockholder Representative as the exclusive agent of the Securityholders under this Agreement and shall incur no liability to any party with respect to any action taken or suffered by it in reliance thereon.

(e) **Fees and Indemnification.** The Stockholder Representative shall not be entitled to any fees for his or her services hereunder. The Securityholders shall, severally and not jointly, on a pro rata basis according to their proportionate interest in the Final Net Merger Consideration, indemnify, defend and hold harmless the Stockholder Representative against any loss, damage, liability and expense that may be incurred by the Stockholder Representative arising out of or in connection with his or her duties under this Agreement and the Merger Agreement.

(f) **Cooperation.** Buyer shall provide to the Stockholder Representative reasonable access to information about the Company and the reasonable assistance of the Company's officers and employees for the purpose of performing his or her duties and exercising his or her rights hereunder.

8. **Termination.** This Agreement shall terminate upon the disbursement by the Escrow Agent of all of the Holdback Amount in accordance with this Agreement; *provided* that the provisions of Sections 6 and 7 shall survive such termination.

9. **Successor Escrow Agent.** In the event the Escrow Agent becomes unavailable or unwilling to continue in its capacity herewith, the Escrow Agent may resign and be discharged from its duties or obligations hereunder by delivering a resignation to the parties to this Escrow Agreement, not less than 60 days prior to the date when such resignation shall take effect. The Buyer may appoint a successor Escrow Agent without the consent of the Stockholder

Representative so long as such successor is a United States branch of a United States bank with assets of at least \$500,000,000, and may appoint any other successor Escrow Agent with the consent of the Stockholder Representative, which shall not be unreasonably withheld. If, within such notice period, the Buyer provides to the Escrow Agent written instructions with respect to the appointment of a successor Escrow Agent and directions for the transfer of the Holdback Amount, as the case may be, then held by the Escrow Agent to such successor, the Escrow Agent shall act in accordance with such instructions and promptly transfer the Holdback Amount to such designated successor. If no successor Escrow Agent is named as provided in this Section 9 prior to the date on which the resignation of the Escrow Agent is to properly take effect, the Escrow Agent may apply to a court of competent jurisdiction for appointment of a successor Escrow Agent.

10. **General.**
