**What do I Need to Do?**

Edgar Filing: POLYMET MINING CORP - Form FWP

Shareholders should have received one Right for every share owned, subject to applicable law. Two Rights enable the Rights holder to purchase one new common share of PolyMet for US\$0.66. The shares to be issued are the same as the PolyMet common shares already issued. The Rights are trading on the TSX: POM.RT and NYSE MKT: PLM.RT.

If you are a registered shareholder, you should have received the materials directly and should complete the forms on the Rights Certificate. If you hold your shares through a Broker (securities broker or dealer, bank or trust company or other CDS or DTC Participant) you will need to instruct you Broker on what you want to do.

Any Rights not subscribed for will be void and worthless. The Rights will continue to trade on the TSX: POM.RT (until noon Eastern time on July 3, 2013) and NYSE MKT: PLM.RT (until close of business on July 2, 2013).

**About PolyMet**

PolyMet Mining Corp. ([www.polymetmining.com](http://www.polymetmining.com)) is a publicly-traded mine development company that owns 100% of Poly Met Mining, Inc., a Minnesota corporation that controls 100% of the NorthMet copper-nickel-precious metals ore body through a long-term lease and owns 100% of the Erie Plant, a large processing facility located approximately six miles from the ore body in the established mining district of the Mesabi Range in northeastern Minnesota. Poly Met Mining, Inc. has completed its Definitive Feasibility Study and is seeking environmental and operating permits to enable it to commence production. The NorthMet project is expected to require approximately two million hours of construction labor, creating approximately 360 long-term jobs, a level of activity that will have a significant multiplier effect in the local economy.
