The information in this Current Report, including but not limited to Exhibit 99.1 attached hereto, is furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

ITEM 8.01. OTHER EVENTS

On March 2, 2015, the Company's board of directors authorized the repurchase of up to \$30 million of the Company's outstanding common shares over a 12-month period effective immediately and continuing through March 2, 2016. The repurchases are expected to occur from time to time as market conditions warrant through open market transactions effected through the facilities of the Nasdaq Stock Market in compliance with Securities and Exchange Commission Rule 10b-18, subject to market conditions, applicable legal requirements, and other relevant factors. In no event will the Company acquire shares representing in excess of 5% of its issued and outstanding shares unless all necessary regulatory approvals have first been obtained. The actual number of shares purchased, the timing of purchases and the price at which shares will be purchased under the share repurchase program will depend on the market price of the Company's shares, general market conditions and the Company's capital requirements and potential alternative uses for cash resources. There is no assurance that any shares will be purchased under the share repurchase program and the Company may elect to suspend or discontinue the program at any time.
