NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

TO THE SHAREHOLDERS OF THE YORK WATER COMPANY

NOTICE IS HEREBY GIVEN that the Annual Meeting of the Shareholders of The York Water Company will be held at The Yorktowne Hotel, 48 East Market Street, York, Pennsylvania, on Monday, May 5, 2003, at 1:00 P.M. for the purpose of taking action upon the following proposals:

- (1) To elect three (3) Directors to three-year terms of office;
- (2) To appoint independent accountants to audit the financial statements of the Company for the year 2003; and
- (3) To transact such other business as may properly come before the meeting.

The Board of Directors has fixed the close of business on March 14, 2003, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting, and at any adjournment or adjournments thereof.

You are cordially invited to attend the meeting. In the event you will be unable to attend, you are respectfully requested to sign, date and return the enclosed proxy at your earliest convenience in the enclosed stamped return envelope. Returning your proxy does not deprive you of the right to attend the meeting and vote your shares in person.

By order of the Board of Directors,

JEFFREY R. HINES
Secretary

THE YORK WATER COMPANY
130 EAST MARKET STREET
YORK, PENNSYLVANIA 17401

April 4, 2003

PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished to the shareholders of The York Water Company (hereinafter referred to as the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company, whereby shareholders would appoint Irvin S. Naylor, William T. Morris, and Jeffrey S. Osman, and each of them, as Proxies on behalf of the shareholders, to be used at the Annual Meeting of the Shareholders of the Company to be held at 1:00 p.m. at The Yorktowne Hotel, 48 East Market Street, York, Pennsylvania, Monday, May 5, 2003 (the "Annual

Edgar Filing: YORK WATER CO - Form DEF 14A

Meeting"), and at any adjournment thereof.

Solicitation of proxies will be primarily by mail. Proxies may also be solicited personally and by telephone by regular employees of the Company. The expenses of the solicitation will be borne by the Company. Such expenses may also include ordinary charges and expenses of brokerage houses and other custodians, nominees and other fiduciaries for forwarding documents to shareholders. This Proxy Statement has been mailed to shareholders of the Company on or about April 4, 2003.

A shareholder who completes and forwards the enclosed proxy to the Company's transfer agent, American Stock Transfer & Trust Company, is not precluded from attending the Annual Meeting and voting his or her shares in person, and may revoke the proxy by delivering a later dated proxy or by written notification to the Company or to the transfer agent, at any time before the proxy is exercised.

PURPOSE OF THE MEETING

At the Annual Meeting, shareholders of the Company will consider and vote upon proposals: (i) to elect three (3) Directors to serve for a term of three (3) years; and (ii) to ratify the appointment of Stambaugh Ness, PC as independent auditors for the fiscal year ending December 31, 2003. Shareholders may also consider and vote upon such other matters as may properly come before the Annual Meeting or any adjournment thereof. \

VOTING AT THE MEETING

The outstanding securities of the Company entitled to vote at the meeting consist of 6,364,803 shares of Common Stock. The presence at the Annual Meeting in person or by proxy of shareholders entitled to cast a majority of the votes which all shareholders are entitled to cast will constitute a quorum for the Annual Meeting.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or at any adjournment or adjournments thereof was the close of business on March 14, 2003. Shareholders are entitled to one vote for each share on all matters coming before the meeting, except that shareholders have cumulative voting rights with respect to the election of Directors. Cumulative voting rights permit each shareholder to cast as many votes in the election of each class of Directors to be elected as shall equal the number of such shareholder's shares of Common Stock multiplied by the number of Directors to be elected in such class of Directors, and

each shareholder may cast all such votes for a single nominee or distribute such votes among two or more nominees in such class as the shareholder may see fit. Discretionary authority to cumulate votes is not being solicited.

In accordance with Pennsylvania law, a shareholder can withhold authority to vote for all nominees for directors or can withhold authority to vote for certain nominees for directors. Directors will be elected by a plurality of the votes cast. Votes that are withheld will be excluded from the vote and will have no effect.

Any votes that are withheld on the proposal to ratify the selection of the independent accountants will have the effect of a negative vote because this proposal requires the affirmative vote of a majority of the shares present at the meeting in person or represented by proxy at the meeting and entitled to vote.

Brokers who have received no voting instructions from their customers will have discretion to vote with respect to election of directors and the

Edgar Filing: YORK WATER CO - Form DEF 14A

proposal to ratify the Company's auditors.

If any nominee becomes unavailable for any reason or if a vacancy should occur before the election (which events are not anticipated), the shares represented by the enclosed proxy may be voted as may be determined by the Proxies.

The three Directors are to be elected by a plurality of the votes cast at the Annual Meeting. The Board of Directors unanimously recommends a vote "FOR" each of the nominees.

Name and Principal Position	Annual Compensation		All Other Compensation (\$) ⁽¹⁾

William T. Morris, Chairman, President, Chief Executive Officer and Director	2002	251,115	1,000

	2000	175,542	1,000

	2001	116,658	1,000
	2000	109,753	1,000

(1) Represents \$1,000 of Company matching contributions to Mr. Morris' and to Mr. Osman's 401(k) plan in 2000, 2001, and 2002.

Officers with five years' service are entitled to benefits under the Company's General and Administrative Employees Pension Plan (the "Pension Plan") upon retirement after attaining age 55. The pension benefit computation is based on the years of service times the sum of \$17.50 and 1-1/2% of that portion of the final average monthly earnings which are in excess of \$400. The final average monthly earnings are the average of the employee's earnings for the 60 months immediately preceding the date the pension benefit calculation is made. As of December 31, 2002, Mr. Morris has been credited with 34 years of service and Mr. Osman has been credited with 19 years of service under the Pension Plan. The following table illustrates the approximate annual benefit that may become payable under the Pension Plan to the executive officers who have met both the five year and 55 year age requirements, based upon the indicated assumptions as to remuneration and years of credited service.

Remuneration	Years of Service			
	19	25	30	34
\$248,286	\$73,382	\$96,555	\$115,866	\$131,315
147,539	44,672	58,779	-	-

Edgar Filing: YORK WATER CO - Form DEF 14A

The above figures assume retirement at age 65 with a straight-life annuity and without reduction for a survivor benefit or Social Security benefits.

The Company maintains a supplemental retirement program (the "Supplemental Plan"), which provides senior management with a retirement benefit in addition to the Pension Plan. The Supplemental Plan is designed to encourage management to stay with the Company until retirement. Supplemental Plan benefits have been made available to five members of the Company's management and are payable to the executive or his beneficiary (a "Supplemental Plan Beneficiary") monthly over a period of 180 months. The annual benefit payable under the Supplemental Plan (the "Annual Benefit") may be calculated by multiplying the number of years of service subsequent to December 31, 1983 but prior to the attainment of age 65, by a predetermined annual retirement benefit unit, which in the case of Mr. Morris is \$3,600, in the case of Mr. Osman is \$1,440 and in the case of all Supplemental Plan Participants ranges from \$1,200

to \$3,600. The estimated Annual Benefit payable to Mr. Morris at normal retirement age under the Supplemental Plan is \$68,400, and the estimated benefit payable to Mr. Osman at normal retirement age under the Supplemental Plan is \$34,560. The Supplemental Plan is funded by insurance policies owned by the Company on each manager covered by the Supplemental Plan, and if the assumptions made as to mortality experience, policy dividends and other factors (the "Funding Assumptions") are realized, the Company will recover all of its payments made under the Supplemental Plan plus a factor for the use of the Company's money. The Company is obligated to pay Annual Benefits, and Supplemental Plan Beneficiaries have the status of unsecured creditors of the Company with respect to Annual Benefits, regardless of whether the Funding Assumptions are realized and the insurance policies fully fund or reimburse the Company for its payments under the Supplemental Plan. The following table illustrates the approximate Annual Benefits that may become payable to Supplemental Plan Beneficiaries:

Annual Retirement Benefit Unit	Years of Service				
	Subsequent to December 31, 1983				
	10	15	20	25	30
\$3,600	\$36,000	\$54,000	\$72,000	\$90,000	\$108,000
2,100	21,000	31,500	42,000	52,500	63,000
1,754	17,540	26,310	35,080	43,850	52,620
1,440	14,400	21,600	28,800	36,000	43,200
1,200	12,000	18,000	24,000	30,000	36,000

The Deferred Compensation Program permits eligible supervisors, managers and executives to defer up to 5% of salary, normally over an eleven (11) year period, with the Company matching the deferment, up to 2-1/2% of salary. The Company has obtained life insurance policies for participants under the Deferred Compensation Program to fund its future payment obligations under the Deferred Compensation Program, and no cash balances are maintained by the Company to fund participant deferrals, Company matching contributions, or earnings with respect to such balances derived from the insurance policies (together, the "Deferred Compensation Program Balances"). At retirement, each participant, or beneficiary, is entitled to receive over a ten-year period monthly payments equal in the aggregate to the Deferred Compensation Program Balance that accrued with respect to such participant in Company maintained book-entry accounts. Except for Mr. Morris and Mr. Osman, no other directors participate in this program. Mr. Morris' projected annual payment under this program is \$24,792, and Mr. Osman's projected annual payment under this program is \$15,828.

Mr. Osman has an employment contract with the Company which provides that, in the event of his involuntary termination of employment for any reason

Edgar Filing: YORK WATER CO - Form DEF 14A

other than cause prior to or following a change of control of the Company, he would be entitled to severance payments. Mr. Osman would be entitled to a severance payment equal to .5 times his base salary for the preceding 12 months. Mr. Osman would be entitled to medical, dental and other insurance benefits for a period of one year after his termination date. The employment contract contains provisions regarding his obligation to maintain the confidentiality of Company information and his agreement not to compete with the Company within its franchised service territory for a period of one year after termination of his employment by the Company.

Each Director who is not a regular full-time employee of the Company is entitled to receive the following amounts for services rendered to the Company: \$8,500 per annum in Directors' fees; \$4,250 per annum for service as a regular member of the Executive Committee; a per diem of \$525 for each Board of Directors' Meeting; and a per diem of \$525 for a regular or alternate member's attendance at each Executive Committee Meeting. There were 15 Board of Directors' Meetings

and 11 Executive Committee Meetings during the fiscal year ended December 31, 2002. All Directors attended at least 75% of the scheduled Board of Directors and committee meetings.

The return for the Peer Index presented above took into consideration the cumulative total return of the common stock of the following water companies included in the Peer Index: American States Water Company, American Water Works Inc., Artesian Resources Corp., BIW Limited, California Water Service, Connecticut Water Service, Inc., Middlesex Water Company, Pennichuck Corporation, Philadelphia Suburban Corp., SJW Corp., and Southwest Water Co.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Nomination Committee of the Board of Directors of the Company establishes general compensation policies of the Company and considers and makes recommendations to the Board of Directors concerning the proposed compensation, salaries and per diems of the President and Chief Executive Officer, the Chairman, Vice Chairman, directors and members of the Committees of the Board of Directors of the Company. The Vice Chairman

serves the Company in a part-time capacity, and the amount of salary payable to such officer has been determined by the Committee based upon the amount of time dedicated and value of contributions made to the Company.

Edgar Filing: YORK WATER CO - Form DEF 14A

Mr. Morris, the Chief Executive Officer of the Company, served the Company as its President and General Manager from May, 1982 to May, 1995. In May 1995 Mr. Morris assumed the position of President and Chief Executive Officer, and in November 2001 the position of Chairman. Mr. Morris retired as President and Chief Executive Officer in December, 2002. Mr. Osman has served the Company as its Vice President-Finance and Secretary-Treasurer since May, 1995, and became President and Chief Executive Officer in January, 2003. The Compensation and Nomination Committee historically has established Mr. Morris' and Mr. Osman's compensation after considering comparative salary data from industry and other salary surveys (including data derived from publicly disclosed compensation information concerning many of the companies identified in the Peer Index), individual past performance, the Company's performance (on an absolute basis and in comparison to peer performance within the context of a regulated industry), and to a lesser extent changes in the cost of living in the Company's service territory. While no formal salary or compensation guidelines have been developed or used, salary levels have been determined after balancing the foregoing factors (in their entirety, without giving weight to any particular factor and without regard to any particular relationship between compensation levels and any quantitative or qualitative aspect of the Company's performance) with the interests of the Company's shareholders, customers and employees.

Section 162(m) of the Internal Revenue Code generally disallows, in certain circumstances, a tax deduction to public companies for compensation over \$1 million paid to a corporation's chief executive officer and next four most highly compensated executive officers. The Company does not have any compensation programs that would be impacted by Section 162(m).

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee (the "Committee") consists of four non-employee directors that are considered independent according to the guidelines set forth by the National Association of Securities Dealers. In January, 2003, the Board of Directors adopted an amended and restated written charter for the Audit Committee. A copy of the amended and restated written charter is attached as an appendix to the proxy statement.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board, reports to the Securities and Exchange Commission on Forms 10-Q and 10-K and releases of earnings. In addition, the Committee selects, subject to stockholder ratification, the Company's independent public accountants.

John L. Finlayson, Chairman of the Audit Committee, is a financial expert. Chairman Finlayson is a Certified Public Accountant, and has an understanding of generally accepted accounting principles and financial statements. Chairman Finlayson is experienced in the preparation and auditing of financial statements of public companies, and has an understanding of accounting estimates, internal accounting controls, and audit committee functions.

Fees for audit services include the examination of financial statements, assistance with the preparation of the Annual Report to Shareholders and the reports on Form 10-Q and 10-K to the Securities and Exchange Commission, tax computation assistance, and consultation in connection with various accounting and tax related matters.

Edgar Filing: YORK WATER CO - Form DEF 14A

During 2002 and 2001, fees for services provided by Stambaugh Ness, PC were as follows:

	2002	2001
Audit fees	\$48,675	\$50,940
Income Tax Service Fees	5,690	7,885
SEC Registration Statement Fees	0	5,900
All Other Fees	0	0
	\$54,365	\$64,725

Representatives of Stambaugh Ness, PC are expected to be present at the Annual Meeting. Representatives of Stambaugh Ness, PC will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote at the Annual Meeting. The Board of Directors unanimously recommends a vote "FOR" this proposal. It is understood that even if the selection of Stambaugh Ness, PC is ratified, the Audit Committee, in its discretion, may direct the appointment of a new independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

DISCRETIONARY AUTHORITY

The notice of Annual Meeting of Shareholders calls for the transaction of such other business as may properly come before the meeting.
