Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On September 5, 2006, Eden Bioscience Corporation received a Nasdaq Staff Deficiency Letter from the Nasdaq Stock Market notifying us that the closing price per share of our common stock was below the \$1.00 minimum bid price for 30 consecutive trading days and that, as a result, we no longer meet The Nasdaq Capital Market's minimum bid price requirement for continued listing set forth in Marketplace Rule 4310(c)(4). Nasdaq has provided us with 180 calendar days, or until March 5, 2007, to regain compliance. To regain compliance with the minimum bid price requirement, the closing bid price of our common stock must remain above \$1.00 for a minimum of ten consecutive trading days. If we do not regain compliance by March 5, 2007, and we are not eligible for an additional 180-day compliance period, our common stock will be delisted from The Nasdaq Capital Market. Eden Bioscience management and Board of Directors are considering various alternatives to address this issue.
