**Item 1.01. Entry into a Material Definitive Agreement.**

On March 2, 2005, at a meeting of the Compensation Committee (the Committee) of the Board of Directors of Omnicell, Inc. (the Company), the Committee approved the terms of the Omnicell Quarterly Executive Bonus Plan for the final three quarters of the 2005 fiscal year (the 2005 Bonus Plan) which is applicable to the Company's management team, director level and above, including Section 16(b) officers.

For the participants to be eligible for the quarterly bonus, the 2005 Bonus Plan requires the Company to achieve both a minimum profitability target and sales backlog target as set by the Committee each quarter. If the Company's targets are achieved, the participants are eligible to receive 50% of their bonus amount. Each participant will also have individual quarterly performance targets set by management, that, if achieved, will allow the participant to receive the remaining 50% of their bonus amount. No bonuses are paid under the 2005 Bonus Plan in any quarter where the Company targets are not achieved; however, if the end of year sales bookings target is met, any quarterly bonuses that were not paid due solely to the failure to achieve that quarter's sales booking target will then be made up and paid. Also, in any quarter where the quarterly Company targets are achieved and the profitability target is exceeded, each participant can earn an additional 10% of his or her quarterly bonus for each incremental target achieved, as set by the Committee. The bonus is computed as a percentage of the participant's quarterly base salary, which is established by the Committee. In fiscal 2005, the bonus target levels range from 15% of quarterly salary to 40% of quarterly salary depending on the seniority level of the participant. The Committee may alter the incentive payout based on such factors as achievement of publicly announced targets, product milestones, strategic goals, cross-functional teamwork and collaboration, and unforeseen changes in the economy and/or geopolitical climate.

A copy of the 2005 Bonus Plan is attached as Exhibit 10.1 to this Current Report on Form 8-K.
