**4120 Dublin Blvd., Suite 400**

**Dublin, California 94568**

**March 25, 2005**

**PROXY STATEMENT**

**Solicitation and Voting of Proxies**

The accompanying proxy is solicited on behalf of the Board of Directors of Simpson Manufacturing Co., Inc., a Delaware corporation (the Company), for use at the Annual Meeting of Stockholders of the Company to be held at the Company's home office located at 4120 Dublin Blvd., Suite 400, Dublin, California, on Tuesday, May 3, 2005, at 2:00 p.m., Pacific Daylight Time, or any adjournment (the Meeting). Only holders of record of the Company's Common Stock at the close of business on March 7, 2005, will be entitled to vote at the Meeting. At the close of business on that date, the Company had 47,988,044 shares of Common Stock outstanding and entitled to vote. A majority, or 23,994,023, of these shares, present in person or by proxy at the Meeting, will constitute a quorum for the transaction of business. This Proxy Statement and the Company's Annual Report to Stockholders for the year ended December 31, 2004, are being mailed to each stockholder on or about March 25, 2005.

**Revocability of Proxy**

A stockholder who has given a proxy may revoke it at any time before it is exercised at the Meeting, by (1) delivering to the Secretary of the Company (by any means, including facsimile) a written notice stating that the proxy is revoked, (2) signing and so delivering a proxy bearing a later date or (3) attending the Meeting and voting in person (although attendance at the Meeting will not, by itself, revoke a proxy). If, however, a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Meeting, the stockholder must bring to the Meeting a letter from the broker, bank or other nominee confirming the stockholder's beneficial ownership of the shares to be voted.

**Expenses of Proxy Solicitation**

The expenses of this solicitation of proxies will be paid by the Company. Following the original mailing of this Proxy Statement and other soliciting materials, the Company or its agents may also solicit proxies by mail, telephone or facsimile or in person.

**Voting Rights**

The holders of the Company's Common Stock are entitled to one vote per share on any matter submitted to a vote of the stockholders, except that, subject to certain conditions, stockholders may cumulate their votes in the election of directors, and each stockholder may give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such stockholder or may distribute such stockholder's votes on the same principle among as many candidates as such stockholder thinks fit. No stockholder will be entitled, however, to cumulate votes (that is, cast for any nominee a number of votes greater than the number of votes that the stockholder normally is entitled to cast) unless the nominee's name has been placed in nomination prior to the voting and the stockholder gives notice at the Meeting prior to the voting of the stockholder's intention to cumulate the stockholder's votes. If any one stockholder gives such notice, all stockholders may cumulate their votes for nominees. In the election of directors, the nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them up to the number of directors to be elected by such shares are elected. Votes against a nominee and votes withheld have no legal effect.

The Board of Directors expects all nominees named below to be available for election. In case any nominee is not available, the proxy holders may vote for a substitute. The Company knows of no specific matter to be brought before the Meeting that is not identified in the notice of the Meeting or this Proxy Statement. If, however, proposals of stockholders that are not included in this Proxy Statement are presented at the Meeting, the proxies will be voted in the discretion of the proxy holders. Regulations of the Securities and Exchange Commission permit the proxies solicited by this Proxy Statement to confer discretionary authority with respect to matters of which the Company is not aware a reasonable time before the Meeting. Accordingly, the proxy holders may use their discretionary authority to vote with respect to any such matter pursuant to the proxies solicited hereby.

Directors will be elected at the Meeting by a plurality of the votes cast at the Meeting by the holders of shares represented in person or by proxy. Approval of Proposals Nos. 2 and 3 will require the affirmative vote of a majority of the votes cast at the Meeting by the holders of shares represented in person or by proxy. Abstentions and broker nonvotes are counted as shares present for determination of a quorum but are not counted as affirmative or negative votes on any item to be voted upon and are not counted in determining the number of shares voted on any item.

The Company's Certificate of Incorporation currently authorizes 80,000,000 shares of Common Stock and 5,000,000 shares of Preferred Stock, all with a par value of \$0.01 per share. The Board of Directors approved this amendment of the Certificate of Incorporation on January 24, 2005. No change is being proposed to the Preferred Stock (none of which has been issued).

## Employee Stock Bonus Plan

The Company maintains the 1994 Employee Stock Bonus Plan (the "Bonus Plan") whereby it awards employees, who do not otherwise participate in one of the Company's stock option plans, shares based upon years of service. The amount of shares awarded, as well as the period of service, are considered by the Compensation Committee of the Board of Directors, at its discretion. These employees are also compensated for the income taxes payable as a result of the stock bonuses. For the past years, the shares were issued in the year following the year in which the employee reached his or her tenth anniversary.

## Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors of the Company comprises Barry Lawson Williams, the Chair, Jennifer A. Chatman and Peter N. Louras, Jr., all independent directors of the Company. Mr. Williams, Ms. Chatman and Mr. Louras have no relationships with the Company or any of its subsidiaries other than as members of the Company's Board of Directors and certain committees of the Company's Board of Directors. Certain transactions to which Barclay Simpson, his affiliates and members of his family and other current and former affiliates and employees of the Company have been parties are described below.

## Real Estate Transactions

The Company, directly and through its subsidiaries, leases or previously leased certain of its facilities from general partnerships (the "Partnerships") wholly or partly comprising current or former directors, officers, employees and stockholders of the Company and its subsidiaries. The Partnerships, their partners, the percentage interests of such partners in the Partnerships and the properties that the Partnerships lease, or previously leased and sold, to the Company or a subsidiary, are as follows:

Partnership	Partners (percentage interests)	Property Location
Doolittle Investors	Barclay and Sharon Simpson (25.51%), Simpson Investment Company ( SIC (25.51%), Everett H. Johnston Family Trust (23.13%), Judy F. ---------------------	--	------------------------

Barclay Simpson is the managing partner of SIC, a general partnership of Mr. Simpson and his seven adult children. Everett H. Johnston, formerly a director and executive officer of the Company (now retired), is the managing partner of each Partnership. Stephen P. Eberhard, is an officer of SDV and Robert J. Phelan is an officer of SST. Richard C. Perkins (retired) and Doyle E. Norman (retired) and Tyrell T. Gilb (deceased) formerly were employees of the Company, as was Judy F. Oliphant's late husband, Hugh Oliphant. Sharon Simpson is Barclay Simpson's wife.

Aggregate lease payments by the Company and its subsidiaries to the Partnerships in 2004, 2003 and 2002 were, and the terms of the leases will expire, as follows:

Partnership	2004	Lease Payments 2003	2002	Lease Expiration Date
Doolittle Investors	367,992	367,992	367,992	12/31/09
Columbus Westbelt Investment Co. (1)	626,328	626,328	626,328	9/30/05
Vacaville Investors	478,392	454,874	452,736	11/30/07
Vicksburg Investors (2)		64,226	385,356	(2)

(1) In August 2004, the Company entered into an agreement to purchase this building. The purchase price is approximately \$4.1 million and the purchase is expected to be completed in 2005.

(2) This building was sold by the Partnership to an unrelated party in February 2003. The lease expired in November 2003.

The leases with the Partnerships are expected to continue until the expiration of the respective terms of the leases, and they may be renewed. The Company's future rent obligations under the continuing leases are expected to be consistent with the rents paid in 2004, subject to adjustments as provided in certain of the leases.

If and when any lease is proposed to be amended or renewed or any property subject to any lease is proposed to be purchased by the Company, the Company will enter into such transaction only with the approval of a majority of the directors of the Company who are not employees or officers of the Company and who are not partners of any of the Partnerships and only after such directors satisfy themselves that such transaction will be fair, just and reasonable as to the Company, beneficial to the Company and on terms reasonably consistent with the terms available from unrelated parties in similar transactions negotiated at arm's length.

In January 2005, Michael Petrovic was appointed as an officer of Simpson Strong-Tie Canada, Limited (SSTC), a wholly-owned subsidiary of Simpson Strong-Tie. Mr. Petrovic was an owner of MGA Construction Hardware & Steel Fabricating Limited and MGA Connectors Limited, which SSTC acquired in 2003, and is a co-lessor of the property that SSTC leases in Maple Ridge, British Columbia. SSTC estimates that it will pay approximately \$150,000 per year to lease the property from Mr. Petrovic and his associates. The lease expires in 2007.

The Company does not intend in the future to lease from any of the Partnerships or any other entities controlled by any of its directors, officers or employees any facilities that are not on or adjacent to the property subject to the existing leases.

*Hire of Airplane*

In 2003, the Company's Chief Executive Officer leased an airplane that is managed by a charter company unrelated to the Company. The Company pays the charter company standard hourly rates when this airplane is hired for use by its Chief Executive Officer in travel between his home and Company offices or by him and other Company employees in travel on Company business. As lessee of the airplane, the Company's Chief Executive Officer is also responsible for its maintenance and he receives a portion of each payment to the charter company for its use, whether by the Company or others. The total cost to the Company, including the Company's Chief Executive Officer's compensation, was approximately \$380,000 in 2004. The independent members of the Board of Directors unanimously approved this arrangement. The Company computes the compensation cost of the use of airplanes using the Standard Industrial Fair Level ( SIFL ) tables prescribed under applicable Internal Revenue Service regulations.

*Purchase of Artwork*

In 2004, the Company paid approximately \$4,000 to Barclay Simpson Fine Arts, an art gallery owned by the Company's Chairman, for artwork to decorate the Company's offices. The independent members of the Board of Directors approved these purchases after a review of an independent appraisal and a review of the cost of comparable artwork.

*Other Related Party Transactions*

In December 2004, the Company made a donation in the amount of \$5,000 to the African American Experience Fund of the National Park Foundation, whose Chairman is Barry Lawson Williams, a director of the Company. The independent members of the Board of Directors, with Director Williams abstaining, approved this donation.

In February 2005, the Company paid \$50,000 to the California College of the Arts ( CCA ) to sponsor the development of a unique interdisciplinary course. The Company's Chairman, Barclay Simpson, is the Vice Chairman of CCA's Board of Trustees. The independent members of the Board of Directors approved the sponsorship of this course.

*Executive Officer Cash Profit Sharing Plan*

In 2003, the Company's stockholders approved the Executive Officer Cash Profit Sharing Plan, which is designed to qualify as performance-based compensation under section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations and interpretations thereunder (the Code ), and provides compensation paid to the Chief Executive Officer and the four other most highly compensated executive officers of the Company ( Covered Employees ). The Company's cash profit sharing bonus plan (see below) has been a part of the Covered Employees' compensation package for over 25 years. Covered Employees no longer participate in the Company's existing cash profit sharing bonus plan. The Executive Officer Cash Profit Sharing Plan provides bonuses to the Covered Employees on the same terms as have been available under the existing cash profit sharing bonus plan, but enables the Company to deduct fully, for federal income tax purposes, bonuses paid to Covered Employees under the Plan. No award in excess of \$2,500,000 will be paid, however, to any Covered Employee under the Executive Officer Cash Profit Sharing Plan in any year.

The Company's Board of Directors has delegated the administration of the Executive Officer Cash Profit Sharing Plan to its Compensation Committee (the Committee ), consisting of Barry Lawson Williams, Chairman, Jennifer A. Chatman and Peter N. Louras, Jr. The members of the Committee are (a) non-employee directors, which means directors who satisfy the requirements established by the Securities and Exchange Commission for non-employee directors under Rule 16b-3, and (b) outside directors, which means directors who satisfy the requirements established under Code section 162(m). Members of the Committee are appointed by the Company's Board of Directors for indefinite terms and may be removed by the Board of Directors at any time. The Committee has the sole discretion and authority to administer and interpret the Plan in accordance with Code section 162(m).

The Committee determines the amount of the award that each Covered Employee will be eligible to receive under the Plan each fiscal quarter. Awards will be based on a percentage of the amount by which net profits, as defined by the Compensation Committee of the Board of Directors, of the Company or a subsidiary of the Company for a fiscal quarter exceed a qualifying level of net profits for the Company or such subsidiary,

respectively, for that fiscal quarter. Qualifying levels are based on the value of net operating assets of the Company or the subsidiary, multiplied by a rate of return on those assets. Individual percentages are based on job function. The Committee has discretion to reduce or eliminate any award under the Plan, but a reduction in an award to one Covered Employee does not affect the amount of the award to any other Covered Employee. The Committee may at any time amend the Plan, subject in some cases to the approval of the Company's stockholders, or terminate the Plan. The amounts that were paid to the Covered Employees in 2004, 2003 and 2002 are shown in the Summary Compensation Table.

*Cash Profit Sharing Bonus Plan*

The Company maintains a cash profit sharing bonus plan for the benefit of employees of the Company and its subsidiaries. Beginning in 2003, this bonus plan was no longer available to officers who participate in the Executive Officer Cash Profit Sharing Plan. The Company may change, amend or terminate this bonus plan at any time. Under this bonus plan, as currently in effect, the Compensation Committee of the Board of Directors determines a qualifying level for the coming fiscal year for the Company, SDV and each qualifying branch of SST. The qualifying level is equal to the value of the net operating assets (as defined) of the Company, SDV or the respective branch of SST, multiplied by a rate of return on those assets. If profits exceed the qualifying level in any fiscal quarter, a portion of such excess profits is distributed to the eligible employees as cash bonuses. Prior to 2003, the percentage of excess profits distributed and the rates used to calculate the amounts to be distributed to the Named Executive Officers were determined by the Compensation Committee of the Board of Directors. The percentage of excess profits distributed and the rates used to calculate the amounts to be distributed to all other participants were and are determined by the executive officers. The failure to earn a cash bonus in any given quarter does not affect the ability to earn a cash bonus in any other quarter. Amounts paid under this bonus plan, excluding amounts paid to the Named Executive Officers in 2002, aggregated \$36.1 million, \$26.6 million and \$23.6 million in 2004, 2003 and 2002, respectively.

*1994 Stock Option Plan*

By affording selected employees and directors of and consultants to the Company and its subsidiaries the opportunity to own shares of Common Stock of the Company, the Simpson Manufacturing Co., Inc. 1994 Stock Option Plan (the "Option Plan") is intended to enhance the ability of the Company and its subsidiaries to retain the services of persons who are now employees, directors or consultants, to secure and retain the services of new employees, directors and consultants, and to provide incentives for such persons to exert maximum efforts for the success of the Company and its subsidiaries. The Option Plan was adopted by the Company's Board of Directors and approved by the Company's stockholders prior to the Company's initial public offering in 1994. It was amended in 1997, 2000 and 2002 with stockholder approval. No more than 16,000,000 shares of Common Stock may be sold (including shares already sold) pursuant to all options granted under the Option Plan. Common Stock sold on exercise of options granted under the Option Plan may be previously unissued shares or reacquired shares, bought on the market or otherwise. Options to purchase 1,147,000 and 1,003,000 shares of Common Stock were granted pursuant to commitments made related to the preceding fiscal years under the Option Plan in 2003 and 2002, respectively, and options to purchase 518,550 shares of Common Stock, out of a possible 527,550 shares, were committed to be granted in 2004. Options granted under the Option Plan to Named Executive Officers in 2004 and 2003, and those committed to be granted are shown in the Summary Compensation Table. In January 2005, the Company's Board of Directors resolved to accelerate the vesting of all outstanding options under the Option Plan on a change of control of the Company.

#### *Profit Sharing Plans*

The Company's subsidiaries maintain defined contribution profit sharing plans for their U.S. based salaried employees (the "Salaried Plan") and for U.S. based nonunion hourly employees (the "Hourly Plan"). An employee is eligible for participation in a given year if he or she is an employee on the first and last days of that calendar year and completes at least 1,000 hours of service during that calendar year for the Salaried Plan or 750 hours of service during that calendar year for the Hourly Plan. As of December 31, 2004, there were 500 participants in the Salaried Plan and 646 participants in the Hourly Plan. Under the Salaried Plan and the Hourly Plan, the Board of Directors may authorize contributions to the plan trusts in their exclusive discretion. Contributions to the plan trusts by the Company's subsidiaries are limited to the amount deductible for federal income tax purposes under Code section 404(a). Barclay Simpson and Michael J. Herbert, who are Named Executive Officers of the Company, are trustees of the plan trusts. Mr. Simpson and Mr. Herbert are also participants in the Salaried Plan. The amounts contributed by the Company for their accounts in 2004, 2003 and 2002 are shown in the Summary Compensation Table. Certain of the Company's foreign subsidiaries maintain similar plans for their employees.

*Compensation of Directors*

The Company's directors who do not receive compensation as officers or employees of the Company are each paid an annual retainer of \$32,000, up from \$20,000 during 2004, and a fee of \$2,000 for attending in person each meeting of the Board of Directors and for attending in person each meeting of any committee held on a day when the Board of Directors does not meet. Each outside director is also paid \$1,000 for each committee meeting he or she attends in person on the same day as a Board of Directors or other committee meeting and for each Board of Directors meeting attended by telephone conference. The Chair of the Audit Committee is paid an additional annual fee of \$8,000 while the Chair of each of the Board's Compensation and Governance and Nominating Committees is paid an additional annual fee of \$4,000. Directors are also reimbursed for expenses incurred in connection with their attendance at Board of Directors and committee meetings. In addition, directors are paid \$3,000 per day plus expenses when they visit Company facilities to observe operations.

*1995 Independent Director Stock Option Plan*

The Simpson Manufacturing Co., Inc. 1995 Independent Director Stock Option Plan (the "Independent Director Plan") was adopted by the Board of Directors and approved by the stockholders in 1995 and was amended by the Board of Directors in 1997, 2002 and 2004. The stockholders approved the 2002 amendment. No more than 320,000 shares of Common Stock may be sold (including shares already sold) pursuant to all options granted under the Independent Director Plan. Common Stock sold on exercise of options granted under the Independent Director Plan may be previously unissued shares or reacquired shares, bought on the market or otherwise. The purpose of the Independent Director Plan is to give independent directors of the Company an opportunity to own shares of Common Stock of the Company, to encourage independent directors in their efforts on behalf of the Company and to secure their continued service to the Company. Options to purchase 14,000, 6,000 and 8,000 shares of Common Stock were committed to be granted under the Independent Director Plan in 2004, 2003 and 2002, respectively.

**Report of the Audit Committee of the Board of Directors**

The Audit Committee of the Board of Directors (the "Audit Committee") is responsible for financial and accounting management. Its policies and practices are described as follows:

**Composition.** The Audit Committee is composed of three independent directors, as defined by the New York Stock Exchange rules, and operates under a written charter adopted by the Board of Directors and available on the Company's website at: <http://www.simpsonmfg.com/docs/audit-charter.html>. Printed copies will be provided to stockholders on request. The members of the Audit Committee are Peter N. Louras, Jr., Chair, Earl F. Cheit and Robin G. MacGillivray. The Board has determined that each of the three members of the Audit Committee meets the definitions and standards for independence. Additionally, each member of the Audit Committee is financially literate, and one of the Audit Committee members, Peter N. Louras, Jr., has financial management expertise as required by the New York Stock Exchange's rules and meets the Securities and Exchange Commission's definition of an audit committee financial expert.

**Responsibilities.** The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the accounting firm engaged as the Company's independent registered public accounting firm.

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's internal controls over financial reporting and for performing an independent audit of its consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to oversee these processes.

**Review with Management and the Independent Registered Public Accounting Firm.** The Audit Committee met nine times in 2004 and has held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's

consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees.

The Company's independent registered public accounting firm also provided the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent registered public accounting firm, PricewaterhouseCoopers LLP, that firm's independence. On that basis, the Audit Committee believes that PricewaterhouseCoopers LLP is independent.

**Summary.** Based upon the Audit Committee's discussions with management and the independent registered public accounting firm and the Audit Committee's review of the representations of management, and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, as filed with the Securities and Exchange Commission. The Audit Committee believes that it has satisfied its responsibilities under its charter.

**Audit and Related Fees**

**Audit Fees.** For professional services for the audit of Company's annual consolidated financial statements included in the Company's Forms 10-K, the review of the consolidated financial statements included in the Company's Forms 10-Q and the audit of the Company's two domestic profit sharing plans, PricewaterhouseCoopers LLP billed the Company an aggregate of approximately \$632,000 and \$370,000 for 2004 and 2003, respectively, approximately 41% and 40% of the total fees paid to PricewaterhouseCoopers LLP for those years.

**Audit-Related Fees.** For professional services for the attestation of Company's compliance with section 404 of the Sarbanes-Oxley Act of 2002, PricewaterhouseCoopers LLP billed the Company an aggregate of approximately \$487,000 and \$19,000 for 2004 and 2003, respectively, approximately 32% and 2% of the total fees paid to PricewaterhouseCoopers LLP for those years.

**Tax Fees.** For professional services for tax compliance associated with the Company's annual tax returns, and for tax advisory and planning services, PricewaterhouseCoopers LLP billed the Company an aggregate of approximately \$362,000 and \$443,000 for 2004 and 2003, respectively, approximately 23% and 47% of the total fees paid to PricewaterhouseCoopers LLP for those years.

**All Other Fees.** For all other services, PricewaterhouseCoopers LLP billed the Company an aggregate of approximately \$67,000 and \$100,000 for 2004 and 2003, respectively, approximately 4% and 11% of the total fees paid to PricewaterhouseCoopers LLP for those years. The services provided by PricewaterhouseCoopers LLP were primarily for work performed related to acquisitions and transfer pricing studies.

The Audit Committee must pre-approve all fees paid to PricewaterhouseCoopers LLP before commencement of the services. All fees and services were pre-approved for the work performed by PricewaterhouseCoopers LLP in 2004 and 2003. The Audit Committee has determined that the fees for services rendered were compatible with maintaining PricewaterhouseCoopers LLP's independence.

## **Report of the Compensation Committee and Board of Directors on Executive Compensation**

The Compensation Committee of the Board of Directors is responsible for the development and review of the Company's compensation policy for all of the salaried employees, including compensation in the form of stock options. The Compensation Committee comprises three independent directors, as defined by the New York Stock Exchange Rules, and operates under a written charter adopted by the Board of Directors that is available on the Company's website at <http://www.simpsonmfg.com/docs/compensation-charter.html>. Printed copies will be provided to stockholders on request. The overall philosophy of the Company's compensation program is to provide a high degree of incentive to employees by creating programs that reward achievement of specific profit goals. The Company believes that these incentive programs based on profit targets are best suited to align the interests of employees and stockholders. Historically, as a means of creating a sense of unity and cooperation among the employees, the Company has not had any special plans for the executive officers. In 2003, the stockholders approved the Executive Officer Cash Profit Sharing Plan, which was implemented for the Covered Employees to comply with Code section 162(m) to allow the Company to deduct compensation paid to such officers in excess of \$1,000,000 per year. The Executive Officer Cash Profit Sharing Plan operates in all material respects in the same manner as the cash profit sharing bonus plan. The four elements of the Company's compensation plan for most salaried employees and all officers are base salary, a profit sharing retirement plan, a cash profit sharing bonus plan and the Option Plan.

The Compensation Committee had the Company perform a salary survey in 2004. It believes the base salaries and total compensation for the Chief Executive Officer and other executive officers are competitive when compared to similar companies. Barclay Simpson did not receive an increase in salary in 2004. Thomas J Fitzmyers, Stephen B. Lamson and Michael J. Herbert received 3% salary increases in 2004. Mr. Eberhard received no salary increase at the start of 2004, although his pay had been increased upon his promotion to President of SDV on November 1, 2003.

All U.S. based salaried employees, including the Chief Executive Officer and other executive officers, participate in the profit sharing plan in proportion to their salaries, subject to limitations under applicable provisions of the Employee Retirement Income Security Act of 1974, as amended. For 2004, the Company will contribute an amount equal to 15% of all U.S. based salaried employees' base pay to the profit sharing plan, subject to the limitations of applicable law. In 2004, Thomas J Fitzmyers, President and Chief Executive Officer, was subject to a contribution limit under applicable law; the Company's contribution to the profit sharing plan for his account was \$30,750.

Most salaried employees, except those on commission programs, participate in one of the Company's quarterly cash profit sharing bonus plans. Annually, the Compensation Committee establishes an acceptable range of participation in the profits in excess of the qualifying level to be distributed as cash bonuses for each profit center. The Compensation Committee also approves the specific percentages to be distributed to the Chief Executive Officer and other executive officers. The executive officers determine the specific percentages for distributions to all other participating employees. Historically, the percentage of profits in excess of the qualifying level distributed under these plans has not changed substantially from year to year. Employees with higher levels of responsibility typically receive higher proportions of the cash profit sharing for their profit center. In 2004, the Chief Executive Officer received most of his total compensation through cash profit sharing bonuses. Because the cash profit sharing bonus plan and the Executive Officer Cash Profit Sharing Plan are based on a return on net operating assets, and not subjectively determined, the Compensation Committee believes such plans provide substantial incentive to all participating employees, not only the Company's officers.

The Compensation Committee believes an option plan is most effective if options are granted to all participants on an objective rather than subjective basis. Therefore, under the Option Plan, participants are granted options if Company-wide and profit center operating goals are met. The Compensation Committee establishes these goals at the beginning of the year. The Compensation Committee also believes that option plans with broad based participation are most effective. The Compensation Committee determines each year the employees who are eligible to participate in the Option Plan, based on job responsibilities and contributions made to the Company. At present, approximately one quarter of the

Company's salaried employees participate in the Option Plan. The Compensation Committee determines the number of options to be granted under the Option Plan. In determining the potential grants, the Compensation Committee considers previous stock and option awards, current options owned, job responsibilities and contributions to the Company. These same considerations apply to option grants to the Chief Executive Officer and other executive officers. Because of the responsibilities of the Chief Executive Officer and the other executive officers, their stock option grants are generally higher than those of other participants who also achieve their goals. Most of the operating goals were met in 2004 and, accordingly, options to purchase 518,550 shares of Common Stock, out of a possible 527,550 shares, were committed to be granted in 2004.

In 1995, the Company adopted the Independent Director Plan to give the outside members of the Board of Directors an opportunity to own shares of Common Stock of the Company. The Independent Director Plan is administered by the Board of Directors (as its manager and not as its trustee) and determines which persons are eligible to be granted options. The Board of Directors believes this kind of option plan is most effective if options are granted to outside directors on an objective basis. Therefore, the Board of Directors determines the number of shares subject to options that they believe will be an appropriate incentive to be granted when an outside director becomes a member of the Board of Directors and if Company-wide operating goals, established by the Compensation Committee at the beginning of the year, are met. These operating goals were met in 2004 and, accordingly, an option to purchase 2,000 shares was committed to be granted to each of the three continuing outside directors and an option to purchase 4,000 shares was committed to be granted to both of the new outside directors.
