**Item 3.02 Sale of Unregistered Equity Securities**

On February 19, 2008 XELR8 Holdings, Inc. (the Company) announced that it had sold 500,000 units of its securities at \$1 per unit to a group of accredited investors. Each unit consists of one share of common stock and six/tenths (6/10) of a Class G Warrant to purchase common stock. In connection with the private placement, the Company agreed to reduce the exercise price of certain of its Series E Warrants and Series F Warrants previously purchased by the same investors in the May 8, 2007 private placement. The Class G Warrants have an exercise price of \$1.50 and are exercisable for a five year period with a call provision by the Company if the Company's share price closes above \$2.50 for twenty consecutive days. The Amended Class E warrants have an exercise price of \$1.50 and are exercisable for a five year period, with a call provision by the Company if the Company's share price closes above \$3.00 for twenty consecutive days. The Amended Class F warrants have an exercise price of \$1.50 and are exercisable for a five year period, with a call provision by the Company if the Company's share price closes above \$4.50 for twenty consecutive days.

Burnham Hill Partners, a division of Pali Capital, Inc. acted as financial advisor to the Company in connection with this transaction. John Thomas Financial acted as a consultant to the Company. The placement is contingent upon approval of the unit issuance by the American Stock Exchange. The Company will have 15,697,170 shares outstanding after completion of the private placement sale. The subscription and registration rights agreement do not require the Company to file a resale registration statement covering the shares of common stock, but do require the Company to file a resale registration statement covering the shares of common stock underlying the warrants to be filed with the U.S. Securities and Exchange Commission within one year of the closing date.

The Company will receive approximately \$440,000 in net proceeds after fees and other estimated costs of the offering.
