Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 12, 2008, the Board of Directors of CF Industries Holdings, Inc. (the Company) approved amendments to Sections 4 and 5 of Article II and Section 13 of Article VIII of the Company s Amended and Restated Bylaws, as amended through October 24, 2007 (the Bylaws).

The amendments to Sections 4 and 5 of Article II of the Bylaws provide that additional information must be set out in a stockholder s notice to the Secretary with respect to a nomination for election to the Board of Directors and a stockholder proposal of business at an annual meeting of stockholders. The amended Bylaws provide that the stockholder must, in addition to the information that was previously required, provide the following information with respect to the stockholder and any Stockholder Associated Person (as defined in the amended Bylaws): (i) the nominee holder for and number of shares owned beneficially by such person; (ii) whether and the extent to which any hedging or other transaction has been entered into by or on behalf of, or any other agreement, arrangement or understanding has been made, the effect or intent of which is to mitigate loss to or manage risk or benefit of share price changes for, or to increase or decrease the voting power of, such person with respect to any share of stock of the Company; (iii) to the extent known by the stockholder giving the notice, the name and address of any other stockholder supporting the proposal of business or the nominee for election on the date of such stockholder s notice; (iv) a description of all agreements, arrangements or understandings between or among such persons or any other person in connection with the proposal of such business or nomination by such stockholder; (v) with respect to stockholder nominees for election to the Board of Directors, any relationship between or among the stockholder giving notice and any Stockholder Associated Person, on the one hand, and each proposed nominee on the other hand and (vi) notice whether such persons intend to solicit proxies in connection with the proposed business or nomination by such stockholder.

The amendments to Sections 4 and 5 of Article II of the Bylaws also mandate that any information required to be provided to the Secretary shall be supplemented to speak as of the record date for the meeting. This supplemental information must be provided to the Secretary no later than ten (10) days after such record date. In addition, with respect to stockholder nominees for the Board of Directors, the Company may require any proposed nominee to furnish such other information as may reasonably be required by it to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable stockholder s understanding of the independence, or lack thereof, of such nominee.

In addition, Section 13 of Article VIII of the Bylaws was added to clarify that modifications to the indemnification and advancement of expenses provisions of the Bylaws do not adversely impact rights to indemnification or advancement of expenses with respect to acts or omissions occurring prior to such modification.

The foregoing summary of the amendments to the Bylaws is qualified in its entirety by reference to the text of the Company s Bylaws, as amended and restated on

December 12, 2008, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
