Item 2.02 Results of Operations and Financial Condition.

The following information is being furnished under Item 2.02 Results of Operations and Financial Condition. This information, including the exhibit attached hereto, shall not be deemed filed for any purpose, including for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that Section. The information under this Item 2.02 of this Current Report on Form 8-K shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or under the Exchange Act, regardless of any general incorporation language in such filing.

On March 3, 2011, United Natural Foods, Inc., a Delaware corporation (the Company) issued a press release to report its financial results for the second fiscal quarter ended January 29, 2011. The press release is furnished as Exhibit 99.1 hereto.

The press release furnished herewith as Exhibit 99.1 presents the Company's net sales for the second quarter of fiscal 2011 excluding the impact of sales related to the Company's June 2010 Canadian acquisition and its acquisition of certain inventory and distribution assets of Whole Foods Market Distribution, Inc. (Whole Foods Market) in October 2010. The presentation of this non-GAAP financial measure is not intended to be considered in isolation or as a substitute for any measure prepared in accordance with GAAP. The Company believes that presenting its net sales for the second quarter of fiscal 2011 excluding sales related to the Company's Canadian acquisition and its acquisition of certain inventory and distribution assets of Whole Foods Market facilitates making period-to-period comparisons and is a meaningful indication of its operating performance. The Company's management utilizes this non-GAAP financial information to compare the Company's operating performance during the 2011 fiscal year versus the comparable periods in the 2010 fiscal year and to internally prepared projections.
