Item 2.01 Completion of Acquisition or Disposition of Assets.

On September 1, 2011, The Hertz Corporation (Hertz), a wholly-owned subsidiary of the registrant, Hertz Global Holdings, Inc. (the Registrant), pursuant to the previously announced Agreement and Plan of Merger (the Merger Agreement), dated as of July 12, 2011, by and among Hertz, DNL Merger Corp., an Illinois corporation and wholly-owned subsidiary of Hertz (Sub), Donlen Corporation, an Illinois corporation (Donlen), Gary Rappeport, as Shareholder Representative and Subsidiary Shareholder, and Nancy Liace, as Subsidiary Shareholder, acquired the entire equity interest in Donlen and certain of its affiliates. The base equity valuation for the transaction was \$250.0 million, subject to adjustment either upward or downward based on the net assets of Donlen at closing. The preliminary purchase price adjustment at closing resulted in a downward adjustment of \$2.4 million (resulting in a closing cash payment for equity of \$247.6 million) and is subject to further adjustment upon finalization of the Donlen closing date balance sheet. Financing for the acquisition and the refinancing or assumption of related Donlen indebtedness consisted of \$177 million in cash proceeds from Hertz and \$770 million in Donlen fleet debt.

The foregoing summary description of the Merger Agreement is qualified in its entirety by reference to the full text of the agreement, which is attached as Exhibit 2.1 hereto and incorporated by reference herein. The Registrant has attached the Merger Agreement to provide information about the terms contained therein, and the Merger Agreement is not intended to provide any factual information about any party thereto. Specifically, the Merger Agreement contains a number of representations and warranties which Hertz, Sub and Donlen have made to each other. The assertions made in those representations and warranties are qualified by information in confidential disclosure schedules provided by Donlen to Hertz, which have not been provided as an exhibit to this or any former Current Report on Form 8-K. Such representations and warranties were used for the purpose of allocating risk, both known and unknown, among the parties to the Merger Agreement rather than to make affirmative factual claims or statements. Accordingly, you should not rely on the representations and warranties as current characterizations of factual information, or as definitively stating actual facts, with respect to any parties to the Merger Agreement.
