Attendance at the Meeting

All of our shareholders of record at the close of business on the Record Date, or their duly appointed proxies, may attend the Annual Meeting. Seating is limited, however, and admission to the Annual Meeting will be on a first-come, first-served basis. Quorum

In accordance with our Articles of Incorporation, as amended (our Articles of Incorporation), the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of our voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions from voting on a proposal by a shareholder at the Annual Meeting, as well as broker nonvotes, will be considered for purposes of determining the number of total votes present at the Annual Meeting.

Vote Required

Vote Required to Elect Directors (Proposal 1). The affirmative vote of a plurality of the total votes cast for directors at the Annual Meeting is necessary to elect a director. No cumulative voting is permitted. The seven nominees receiving the highest number of votes cast for the nominee will be elected.

Vote Required to Ratify the Independent Registered Public Accounting Firm (Proposal 2). The affirmative vote of a majority of the voting power represented at the Annual Meeting is necessary to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2015. The total number of votes cast for the proposal will be counted for purposes of determining whether sufficient votes have been cast to approve the proposal.

Treatment of Abstentions and Broker Nonvotes. Abstentions will have the same effect as votes against the ratification of the appointment of KPMG LLP as our independent registered public accounting firm. However, abstentions will not be counted as against or for the election of directors. Broker nonvotes will not be considered in determining the election of directors.

CORPORATE GOVERNANCE

Board of Directors Information

Our Board of Directors held four meetings in 2014 and took action by unanimous written consent four times during 2014. During 2014, each of our directors attended at least 75% of the aggregate of: (i) the total number of meetings of the Board held during the period in which he was a director and from which he was not recused; and (ii) the total number of meetings held by all committees of the Board on which he served. In addition, our nonemployee directors held four executive sessions in 2014.

Directors are elected annually and serve until their successors are duly elected and qualified or their earlier resignation or removal. Officers serve at the discretion of the Board.

We are a controlled company within the meaning of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by Charles W. Ergen, our Chairman. Mr. Ergen currently beneficially owns equity securities representing approximately 62.6% of the total voting power. See *Equity Security Ownership and Related Matters* below. Therefore, we are not subject to the NASDAQ listing requirements that would otherwise require us to have: (i) a Board of Directors comprised of a majority of independent directors; (ii) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; (iii) a compensation committee charter which provides the compensation committee with the authority and funding to retain compensation consultants and other advisors, and (iv) director nominees selected, or recommended for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Committee Information

The Corporation has created an Executive Compensation Committee (the *Compensation Committee*), an Audit Committee and a Nominating Committee, all of which are composed entirely of independent directors. The function and authority of each of the committees of our Board of Directors are described below. The charters of our Compensation, Audit and Nominating Committees are available free of charge on our website at <http://www.echostar.com>.

Compensation Committee. The Compensation Committee operates under a Compensation Committee Charter adopted by the Board. The principal functions of the Compensation Committee are, to the extent the Board deems necessary or appropriate, to: (i) make and approve all option grants and other issuances of EchoStar's equity securities to EchoStar's executive officers and Board members other than nonemployee directors; (ii) approve all other option grants and issuances of EchoStar's equity securities, and recommend that the full Board make and approve such grants and issuances; (iii) establish in writing all performance goals for performance-based compensation that, together with other compensation to senior executive officers (other than standard stock incentive plan options that may be paid to EchoStar's executive officers), could exceed \$1 million annually, and certify the achievement of such goals prior to payment; and (iv) set the compensation of our Chairman, Mr. Ergen.

Edgar Filing: EchoStar CORP - Form DEF 14A

The Compensation Committee held five meetings and took action by unanimous written consent on three occasions during 2014. The current members of the Compensation Committee are Mr. Ortoff, Mr. Schroeder and Mr. Federico, with Mr. Ortoff serving as Chairman of the Compensation Committee. The Board has determined that each member of the Compensation Committee meets the independence requirements of NASDAQ and SEC rules and regulations. A report of the Compensation Committee is set forth below on page 21 of this Proxy Statement.

Audit Committee. Our Board has established a standing Audit Committee in accordance with NASDAQ rules and Section 10A of the Securities Exchange Act of 1934 (the Exchange Act) and related SEC rules and regulation. The Audit Committee operates under an Audit Committee Charter adopted by the Board. The principal functions of the Audit Committee are to: (i) select the independent registered public accounting firm and set their compensation; (ii) select the internal auditor; (iii) review and approve management s plan for engaging our independent registered public accounting firm during the year to perform non-audit services and consider what effect these services will have on the independence of our independent registered public accounting firm; (iv) review our annual financial statements and other financial reports that require approval by the Board; (v) oversee the integrity of our financial

statements, our systems of disclosure and internal controls, and our compliance with legal and regulatory requirements; (vi) review the scope of our independent registered public accounting firm's audit plans and the results of their audits; and (vii) evaluate the performance of our internal audit function and the independent registered public accounting firm.

The Audit Committee held five meetings and took action once by unanimous written consent during 2014. The current members of the Audit Committee are Mr. Ortolf, Mr. Schroeder and Mr. Federico, with Mr. Schroeder serving as Chairman of the Audit Committee. The Board has determined that each member of our Audit Committee meets the independence requirements of NASDAQ and SEC rules and regulations. The Board has also determined that each member of our Audit Committee is financially literate and that Mr. Ortolf qualifies as our audit committee financial expert as defined by applicable SEC rules and regulations. A report of the Audit Committee is set forth below on page 42 of this Proxy Statement.

Nominating Committee. The Nominating Committee operates under a Nominating Committee Charter adopted by the Board. The principal function of the Nominating Committee is to recommend independent director nominees for selection by the Board. The Nominating Committee held one meeting and took action once by written consent during 2014. The current members of the Nominating Committee are Mr. Ortolf, Mr. Schroeder and Mr. Federico, with Mr. Federico serving as Chairman of the Nominating Committee. The Board has determined that each member of the Nominating Committee meets the independence requirements of NASDAQ and SEC rules and regulations.

Board Criteria and Board Selection Process

The Nominating Committee considers candidates suggested by its members, other directors, senior management and shareholders, as appropriate. No search firms or other advisors were retained to identify prospective nominees during the past fiscal year. In considering whether to recommend a prospective nominee for selection by the Board, the Nominating Committee considers the entirety of the prospective nominee's credentials, including but not limited to the following diverse factors: (i) their reputation and character; (ii) their ability and willingness to devote sufficient time to Board duties; (iii) their educational background; (iv) their business and professional achievements, experience and industry background; (v) their independence from management under listing standards and the Corporation's governance guidelines; and (vi) the needs of the Board and the Corporation. The Nominating Committee does not assign specific weights to any particular criteria and no particular criterion is necessarily applicable to all prospective nominees. However, the Corporation believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Nominating Committee recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of experience, knowledge and abilities required for the Board as a whole and contains at least the minimum number of independent directors required by applicable laws and regulations.

The Nominating Committee has not adopted a written policy with respect to the consideration of candidates proposed by shareholders or with respect to nominating anyone to our Board other than nonemployee directors. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Corporation's Secretary or any member of the Nominating Committee in writing, in accordance with the process described in *Shareholder Communications* below, with whatever supporting material the shareholder considers appropriate. It is the practice of the Nominating Committee to consider whether to nominate any person nominated by a shareholder pursuant to the provisions of the Corporation's bylaws relating to shareholder nominations.

Board Leadership Structure

The Board currently separates the role of Chairman of the Board from the role of Chief Executive Officer with Mr. Charles W. Ergen serving as Chairman and Mr. Michael T. Dugan serving as Chief Executive Officer and President of the Corporation. Mr. Dugan is responsible for the day-to-day management of the Corporation and Mr. Ergen primarily identifies strategic priorities and leads the discussion and execution of strategy for the Corporation. We believe this leadership structure is appropriate for the Corporation and in the best interest of its shareholders, among other reasons, because separating the Chairman and Chief Executive Officer roles allows us to efficiently develop and implement corporate strategy that is consistent with the Board's oversight role, while facilitating strong day-to-day executive leadership. Among other things, separation of these roles allows our Chief Executive Officer and

other members of senior management to focus on our day-to-day business, while at the same time the Board is able to take advantage of the unique blend of leadership, experience and knowledge of our industry and business that Mr. Ergen brings to the role of Chairman in providing guidance to, and oversight of, management. In light of the separation of the role of Chairman of the Board from the role of Chief Executive Officer and Mr. Ergen's voting control, we believe that the creation of a lead independent director position is not necessary at this time.

The Board's Role in Risk Oversight

The Board has ultimate responsibility for oversight of the Corporation's risk management processes. The Board discharges this oversight responsibility through regular reports received from and discussions with senior management on areas of material risk exposure to the Corporation. These reports and Board discussions include, among other things, operational, financial, legal and regulatory, and strategic risks. Additionally, the Corporation's risk management processes are intended to identify, manage and control risks so that they are appropriate considering the Corporation's scope, operations and business objectives. The Board (or the appropriate committee in the case of risks in areas for which responsibility has been delegated to a particular committee) engages with the appropriate members of senior management to enable its members to understand and provide input to, and oversight of, our risk identification, risk management and risk mitigation strategies. The Audit Committee also meets regularly in executive session without management present to, among other things, discuss the Corporation's risk management culture and processes. For example, as part of its charter, our Audit Committee is responsible for discussing the Corporation's policies with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Corporation. When a committee receives a report from a member of management regarding areas of risk, the chairman of the relevant committee is expected to report on the discussion to the Board to the extent necessary or appropriate. This enables the Board to coordinate risk oversight, particularly with respect to interrelated or cumulative risks that may involve multiple areas for which more than one committee has responsibility. The Board or applicable committee also has authority to engage external advisors as necessary.

We believe that during 2014, our directors, executive officers and 10% shareholders complied with all Section 16(a) filing requirements, with the exception of the inadvertent late filing of (i) one Form 4 by Mr. Kranti Kilaru, which related to the exercise of a stock option and subsequent sale of the underlying Class A Shares and (ii) one Form 4 by Mr. Charles W. Ergen, which related to his acquisition of an indirect beneficial ownership interest in the Preferred Tracking Shares. In making these statements, we have relied upon examination of copies of Forms 3, 4 and 5 provided to us and the written representations of our directors and officers.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (CD&A) addresses our compensation objectives and policies for our NEOs, the elements of NEO compensation and the application of those objectives and policies to each element of compensation for our NEOs for fiscal year 2014.

Our NEOs in 2014 were Mr. Michael T. Dugan, Mr. Mark W. Jackson, Mr. Pradman P. Kaul, Mr. Dean A. Manson and Mr. David J. Rayner. All of our NEOs were employed and solely compensated by EchoStar during 2014. With the exception of Mr. Kaul, who entered into an agreement regarding his employment with Hughes prior to our acquisition of all of the outstanding equity of Hughes Communications, Inc. in 2011 (the Hughes Acquisition), none of our NEOs have entered into an employment agreement with us.

Overall Executive Compensation Program Objectives and Policies

Compensation Philosophy

Our executive compensation program was guided by the following key principles in 2014:

- attraction, retention and motivation of executive officers over the long-term;
- recognition of individual performance;
- recognition of the achievement of company-wide performance goals, if any; and
- creation of shareholder value by aligning the interests of management and shareholders through equity incentives.

General Compensation Levels

The total direct compensation opportunities, both base salaries and long-term incentives, offered to our NEOs have been designed to ensure that they are competitive with market compensation levels, support our executive recruitment and retention objectives, reward individual and company-wide performance and contribute to our long-term success by aligning the interests of our executive officers and shareholders.

Edgar Filing: EchoStar CORP - Form DEF 14A

Mr. Ergen recommended to the Board of Directors, but the Board of Directors ultimately approved, the base compensation of the NEOs. The Compensation Committee makes and approves grants of options and other equity-based compensation to the NEOs.

In determining the amount of each NEO's overall compensation, the Board of Directors reviews the information described in "Compilation of Certain Peer Group Data" below, the executive's performance (after reviewing Mr. Ergen's recommendations with respect to the NEOs), the executive's success in achieving individual and company-wide goals, whether the performance goals of any short-term or long-term incentive plans were met and the payouts that would become payable upon achievement of those performance goals, equity awards previously granted to the executive, and equity awards that would normally be granted upon a promotion in accordance with our policies for promotions. The Board of Directors has also considered the extent to which individual efforts of each of the NEOs resulted in tangible increases in corporate, division or department success when setting base cash salaries and any short-term incentive compensation. This approach to general compensation levels is not formulaic and the weight given to any particular factor in determining a particular NEO's compensation depends on the subjective consideration of all factors described above in the aggregate.

With respect to equity incentive compensation, we attempt to ensure that each of the NEOs has appropriate incentives tied to the performance of our Class A Shares. Therefore, we may grant more options to one particular NEO in a given year if a substantial portion of the NEO's equity incentives are vested and the underlying stock is capable of being sold. In addition, if an NEO recently received a substantial amount of equity incentives, we may not grant any equity incentives to that particular NEO.

Table of Contents

Compilation of Certain Peer Group Data

In connection with the approval process for our 2014 executive officer compensation, the Board of Directors and Compensation Committee had management prepare a compilation of the compensation components for the NEOs of companies similar in size and/or industry to EchoStar, as disclosed in their respective publicly-filed proxy statements (the Peer Group Data). The surveyed companies included, among other companies: Loral Space & Communications, Inc., Cisco Systems, Inc., and ViaSat Communications, Inc. The Peer Group Data, along with other information obtained by members of the Compensation Committee and the Board of Directors from media reports or other generally available sources related to executive compensation is used solely as a subjective frame of reference, rather than for benchmarking compensation for the NEOs. The Compensation Committee and Board of Directors do not utilize a formulaic or standard, formalized benchmarking level or element in setting our executive compensation relative to that of other companies. Generally, our overall executive compensation lags behind competitors in the areas of short-term incentives and severance packages, and may be competitive over time in equity compensation. If our stock performance substantially outperforms similar companies, our executive compensation could exceed other companies.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code places a limit on the tax deductibility of compensation in excess of \$1.0 million paid to certain covered employees of a publicly held corporation (generally, the corporation's chief executive officer and its next three most highly compensated executive officers (other than the chief financial officer) in the year that the compensation is paid). This limitation applies only to compensation that is not considered performance-based under the Section 162(m) rules. We generally structure our compensation programs, where feasible, to minimize or eliminate the impact of the limitations of Section 162(m) of the Internal Revenue Code when we believe such payments are appropriate, after taking into consideration changing business conditions or the officer's performance. However, nondeductible compensation in excess of this limitation may be paid.

Use of Compensation Consultants

No compensation consultants were retained by the Corporation, the Board of Directors or the Compensation Committee to evaluate or recommend the setting of executive compensation during the past fiscal year.

Implementation of Executive Compensation Program Objectives and Policies

Elements of Executive Compensation

The primary components of our executive compensation program may include:

Edgar Filing: EchoStar CORP - Form DEF 14A

- base salary;
- long-term equity incentive compensation in the form of stock options and/or restricted stock units offered under EchoStar's stock incentive plan;
- short-term incentive compensation;
- 401(k) plan; and
- other compensation, including perquisites and personal benefits and post-termination compensation.

Our executive compensation program may also include long and short-term incentive compensation in the form of conditional and/or performance-based cash incentive compensation and discretionary bonuses. These elements combine to promote the objectives and policies described above. Base salary, 401(k) benefits and other benefits and perquisites provided generally to employees provide a minimum level of compensation for our NEOs. Long-term equity-incentive compensation aligns NEO compensation directly with the creation of long-term shareholder value and promotes retention. Short-term incentives reward individual performance and achievement of annual goals important to the Corporation.

We have not required that a certain percentage of an executive's compensation be provided in one form versus another. However, the goal of the Compensation Committee and the Board of Directors is to award compensation

Table of Contents

that is reasonable in relation to our compensation program and objectives when all elements of potential compensation are considered. Generally, for the reasons discussed in Long-Term Equity Incentive Compensation, we have weighted overall compensation towards equity components as opposed to base salaries. Each element of our historical executive compensation and the rationale for each element are described below.

Base Salary

We have traditionally included salary in our executive compensation package under the belief that it is appropriate that some portion of the compensation paid to our executives be provided in a form that is fixed and liquid occurring over regular intervals. The Board of Directors has traditionally been free to set base salary at any level deemed appropriate, with the Compensation Committee setting the base salary of the Chairman. The Compensation Committee and the Board of Directors typically review base salaries once annually. Any increases or decreases in base salary on a year-over-year basis have usually been dependent on a combination of the following factors:

- EchoStar's overall financial and business performance;
- the performance of the NEO's business unit, if applicable;
- the NEO's individual contributions to EchoStar; and
- the rate of standard annual merit increase for employees who are performing at a satisfactory level.

Long-Term Equity Incentive Compensation

We have operated under the belief that our executive officers will be better able to contribute to our long-term success and help build incremental shareholder value if they have a stake in our future success and value. We believe this stake focuses the executive officers' attention on managing as owners with equity positions and aligns their interests with the long-term interests of our shareholders. Equity awards therefore have generally represented an important component of our compensation program for our NEOs. We have attempted to create general incentives with standard stock option grants and conditional incentives through conditional awards that may include payouts in cash or equity. In addition, we generally seek to ensure that each NEO has appropriate incentives tied to the performance of our Class A Shares. Therefore, we may grant more options to one particular NEO in a given year if a substantial portion of the NEO's equity incentives are vested and the underlying stock is capable of being sold. In addition, if an NEO recently received a substantial amount of equity incentives, we may not grant any equity incentives to that particular NEO.

In granting equity incentive compensation, the Compensation Committee also takes into account whether an NEO has recently been promoted in determining whether to grant equity awards to that individual. Finally, from time to time, the Compensation Committee may grant one-time equity awards based on a number of subjective criteria, including an NEO's position and role in our success and whether an NEO made any exceptional contributions to our success.

To aid in our retention of employees, options granted under our stock incentive plans, including options granted to our NEOs, generally vest at the rate of 20% per year and have exercise prices not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the date of grant is not a trading day). Our standard form of option agreement given to executive officers has included acceleration of vesting upon a change in control for those executive officers that are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control.

Stock Incentive Plan. We have adopted an employee stock incentive plan, which we refer to as the 2008 Stock Incentive Plan. The purpose of the 2008 Stock Incentive Plan is to provide incentives to attract and retain executive officers and other key employees. The 2008 Stock Incentive Plan is administered by our Compensation Committee and the Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding awards and to re-price awards. Awards available to be granted under the 2008 Stock Incentive Plan include: (i) stock options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. We generally grant equity awards on the first day of each calendar quarter following the quarter in which the award was approved and have set exercise prices at not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the grant date is not a trading day). The exercise prices of these options range from less than \$1.00 to

Table of Contents

\$52.50 per Class A Share. As of December 31, 2014, there were (i) outstanding options to purchase 6,604,614 Class A Shares; (ii) 96,768 outstanding restricted stock units; and (iii) 4,454,755 of our Class A Shares available for issuance under the 2008 Stock Incentive Plan. These awards generally vest at the rate of 20% per year commencing one year from the date of grant.

Class B Chairman Stock Option Plan. We have adopted a Class B Chairman stock option plan, which we refer to as the 2008 Class B Chairman Stock Option Plan. The purpose of the 2008 Class B Chairman Stock Option Plan is to promote the interests of the Corporation by aiding in the retention of Mr. Ergen, who our Board of Directors believes is crucial to assuring our future success, to offer Mr. Ergen incentives to put forth maximum efforts for our future success and to afford Mr. Ergen an opportunity to acquire additional proprietary interests in the Corporation. Mr. Ergen abstained from our Board of Directors' vote regarding the adoption of the 2008 Class B Chairman Stock Option Plan. Awards available to be granted under the 2008 Class B Chairman Stock Option Plan include nonqualified stock options and dividend equivalent rights with respect to our Class B Shares. Up to 4 million shares of our Class B Shares are available for awards under the 2008 Class B Chairman Stock Option Plan. Only Mr. Ergen is eligible to participate in the 2008 Class B Chairman Stock Option Plan. No awards have been granted under the 2008 Class B Chairman Stock Option Plan.

Employee Stock Purchase Plan. We have adopted an employee stock purchase plan, which we refer to as the ESPP. The purpose of the ESPP is to provide our eligible employees with an opportunity to acquire a proprietary interest in the Corporation through the purchase of our Class A Shares. All full-time employees who are employed by EchoStar for at least one calendar quarter are eligible to participate in the ESPP. Employee stock purchases are made through payroll deductions. Under the terms of the ESPP, employees are not permitted to deduct an amount that would permit such employee to purchase our capital stock under our ESPP in an amount that exceeds \$25,000 in fair market value of capital stock in any one year. The ESPP is intended to qualify under Section 423 of the Internal Revenue Code and thereby provide participating employees with an opportunity to receive certain favorable income tax consequences as to stock purchase rights under the ESPP.

Short-Term Incentive Compensation

For 2014, the Board of Directors and the Compensation Committee elected not to implement a short-term incentive program. In the future, the Board of Directors and the Compensation Committee may elect to award short-term incentive compensation that reflects appropriate performance goals for our business. However, Hughes has in place an annual incentive plan that was established prior to the Hughes Acquisition (the Hughes Annual Incentive Plan). Pursuant to the Hughes Annual Incentive Plan, certain of our officers are eligible to receive short-term incentive payments.

401(k) Plan

We have adopted a defined-contribution tax-qualified 401(k) plan for all EchoStar employees, including our executives, to encourage our employees to save some percentage of their cash compensation for retirement. Our executives participate in the 401(k) plan on the same terms as our other employees. Under the plan, new employees become immediately eligible for participation in the 401(k) plan upon the commencement of their employment. Participants in the 401(k) plan are able to contribute up to 75% of their compensation in each contribution period, subject to the maximum deductible limit provided by the Internal Revenue Code. We also make a matching employer contribution of 50% of the participant's contributions of up to 6% of such participant's eligible compensation, up to a maximum of \$7,500 per participant per calendar year. In addition, we may make an annual discretionary profit sharing contribution to the 401(k) plan with the approval of the Compensation Committee and the Board of Directors. Participants in the 401(k) plan are immediately vested in their voluntary contributions and earnings on voluntary contributions. Our employer contributions to 401(k) plan participants' accounts vest 20% per year commencing one year from the participants' first day of employment, and in the case of certain legacy Hughes employees, 100% on the third anniversary of such

Edgar Filing: EchoStar CORP - Form DEF 14A

participants first day of employment. After five years of employment (three years for certain legacy Hughes employees), participants are fully vested in all past and subsequent 401(k) plan contributions by the Corporation.

Excess Benefit Plan. We have adopted a non-qualified Excess Benefit Plan for the benefit of a select group of officers and highly compensated employees of the Corporation whose benefits under our 401(k) plan are limited by

Table of Contents

the Internal Revenue Code. Excess Benefit Plan participants, including our NEOs, may elect to contribute up to 16% of their eligible compensation into the plan on a pre-tax basis each payroll period. We do not match any employee contributions in the Excess Benefit Plan. Participants are always 100% vested in the contributions they make into the plan. During 2014, certain officers, including Mr. Rayner, participated in the Excess Benefit Plan.

Perquisites, Personal Benefits, Post-Termination Compensation and Other Compensation

We have traditionally offered certain plans and other benefits to our executive officers on the same terms as other employees. These plans and benefits have included medical, vision, and dental insurance, life insurance, and the employee stock purchase plan, as well as discounts on our products and services. Relocation benefits may also be provided, but are individually negotiated when they occur. In addition, we have permitted certain NEOs and their family members and guests to use our corporate aircraft for personal use. We have also paid annual tax preparation costs and provided executive medical benefits and personal liability insurance for certain NEOs.

We have not traditionally had any plans in place to provide severance benefits to employees. However, certain stock options and restricted stock units have been granted to our executive officers subject to acceleration of vesting upon a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control. In addition, certain officers of Hughes, including Mr. Kaul, have severance benefits that were approved by the board of directors of Hughes as part of their employment agreements prior to the Hughes Acquisition.

Shareholder Advisory Vote on Executive Compensation

We provided our shareholders with the opportunity to cast a non-binding advisory vote on executive compensation at the annual meeting of shareholders held in October 2014. Over 96% of the voting power represented at the meeting and entitled to vote on that matter voted to approve, on a non-binding advisory basis, the compensation paid to our named executive officers, as described in the proxy statement for that meeting. The Compensation Committee reviewed these voting results, and the Corporation did not change its approach to executive compensation in 2014 as a direct result of the vote. We intend to seek a shareholder advisory vote on executive compensation once every three years.

2014 Executive Compensation

We generally make decisions with respect to executive compensation for a particular compensation year in the first or second quarter of the applicable year. With respect to the executive compensation of our NEOs, the Board of Directors and the Compensation Committee (together with Mr. Ergen) reviewed total compensation of each NEO and the value of (a) historic and current components of each NEO's compensation, including the base salary and any bonus paid to the NEO in the prior year, and (b) stock options and restricted stock units held by each NEO pursuant to our incentive plans. The Compensation Committee (together with Mr. Ergen) also reviewed the Peer Group Data prepared for 2014 and other information described in *Compilation of Certain Proxy Data* above. As described in *General Compensation Levels* above, we aim to provide base salaries and long-term incentives that are competitive with market practice with an emphasis on providing a substantial portion of overall compensation in the form of equity incentives.

Compensation of Our Chief Executive Officer and President

2014 Base Salary. In determining Mr. Dugan's 2014 base salary, Mr. Ergen subjectively determined that Mr. Dugan's existing base compensation was already within the range of market compensation for companies of similar industry and size in light of our practices with respect to base salaries and that therefore an increase over Mr. Dugan's 2013 base salary was not necessary.

2014 Cash Bonus. No bonus was paid to Mr. Dugan in 2014.

2014 Equity Incentives. With respect to equity incentives, we attempt to ensure that our Chief Executive Officer and President has equity awards at any given time that are significant in relation to his annual cash compensation to ensure that he has appropriate incentives tied to the performance of our Class A Shares. During 2014, the

Table of Contents

Compensation Committee determined that Mr. Dugan had sufficient equity awards to ensure that he had appropriate incentives tied to the performance of our Class A Shares and therefore did not award Mr. Dugan any additional equity awards.

Compensation of Other Named Executive Officers

2014 Base Salary. Base salaries for each of the other NEOs are determined annually by the Board of Directors primarily based on Mr. Ergen's recommendations. The Board of Directors places substantial weight on Mr. Ergen's recommendations in light of his role as Chairman and as our controlling shareholder. Mr. Ergen made recommendations to the Board of Directors with respect to the 2014 base salary of each of the NEOs, after considering: (a) the NEO's base salary in 2013, (b) the base salary including the range of the percentage increases in base salary, for NEOs of the companies contained in the Peer Group Data, (c) whether the NEO's base salary was appropriate in light of our goals, including retention of the NEO, (d) the expected compensation to be paid to other senior officers in 2014 in relation to a particular NEO, (e) whether the NEO was promoted or newly hired in 2014, and (f) whether in Mr. Ergen's subjective determination, the NEO's performance in 2013 warranted an increase in the NEO's base salary in 2014. Placing primary weight on (a) the NEO's base salary in 2013 and (b) whether, in Mr. Ergen's subjective view, an increase in base salary was warranted based on performance or necessary to retain the NEO, Mr. Ergen made the following recommendations regarding the base salaries of each of the other NEOs.

Mr. Jackson. In determining Mr. Jackson's 2014 base salary, Mr. Ergen subjectively determined that Mr. Jackson's existing base compensation was already within the range of market compensation indicated in the Peer Group Data in light of the Corporation's practices with respect to base salaries and that therefore an increase over Mr. Jackson's 2013 base salary was not necessary.

Mr. Kaul. In determining Mr. Kaul's 2014 base salary, Mr. Ergen subjectively determined that Mr. Kaul's existing base compensation was already within the range of market compensation indicated in the Peer Group Data in light of the Corporation's practices with respect to base salaries and that therefore an increase over Mr. Kaul's 2013 base salary was not necessary.

Mr. Manson. Based on Mr. Manson's performance in 2013, the Peer Group Data, and Mr. Ergen's subjective determination, Mr. Ergen recommended a base salary increase for Mr. Manson for 2014.

Mr. Rayner. Based on Mr. Rayner's performance in 2013, the Peer Group Data, and Mr. Ergen's subjective determination, Mr. Ergen recommended a base salary increase for Mr. Rayner for 2014.

The Board of Directors accepted each of Mr. Ergen's recommendations with respect to the base salaries for each of the NEOs.

2014 Cash Bonus. Mr. Ergen generally recommends that an NEO receive a discretionary cash bonus only to the extent that Mr. Ergen considers a particular individual's performance to have made an extraordinary contribution towards the achievement of EchoStar's goals. Mr. Kaul received a cash bonus in 2014 pursuant to Mr. Kaul's employment agreement and the Hughes Annual Incentive Plan. Mr. Manson also received a cash bonus in 2014 pursuant to the Hughes Annual Incentive Plan. Other than Mr. Kaul and Mr. Manson, no other cash bonuses were awarded to any NEOs in 2014.

2014 Equity Incentives. With respect to equity incentives, we primarily evaluate the position of each NEO to ensure that the NEO has appropriate incentives tied to the performance of our Class A Shares. This determination is made by the Compensation Committee primarily on the basis of Mr. Ergen's recommendation. For 2014, Mr. Ergen based his recommendation on, and the Compensation Committee took into account, among other things, the equity awards necessary to retain our executive officers. During 2014, the Compensation Committee granted Mr. Jackson an option to purchase 25,000 Class A Shares; Mr. Manson an option to purchase 75,000 Class A Shares; and Mr. Rayner an option to purchase 75,000 Class A Shares; in each case, to ensure that each NEO had appropriate incentives tied to the performance of our Class A Shares.

Compensation Committee Report

- Make and approve all option grants and other issuances of EchoStar's equity securities to EchoStar's executive officers and members of our Board of Directors other than nonemployee directors;
- Approve all other option grants and issuances of EchoStar's equity securities, and recommend that the full Board of Directors make and approve such grants and issuances; and

In connection with the Spin-off, effective January 1, 2008, all DISH Network stock options and restricted stock units held by DISH Network employees, including executive officers, were adjusted to reflect the change in the price of DISH Network common stock that occurred as a result of the Spin-off, and an additional award was granted that related to EchoStar's common stock. Each DISH Network stock option was converted into two options: (i) an adjusted DISH Network stock option for the same number of shares as were exercisable under the original DISH Network stock option with an exercise price equal to the exercise price of the original DISH Network stock option multiplied by 0.831219; and (ii) a new EchoStar stock option for one-fifth of the number of shares as were exercisable under the original DISH Network stock option with an exercise price equal to the exercise price of the

following such change in control. There are no benefits triggered solely by a change of control or solely because of termination.

Generally a change in control is deemed to occur upon: (i) a transaction or a series of transactions the result of which is that any person (other than Mr. Ergen, our controlling shareholder, or a related party) individually owns more than fifty percent (50%) of the total equity interests of either (a) EchoStar or (b) the surviving entity in any such transaction(s) or a controlling affiliate of such surviving entity in such transaction(s); and (ii) the first day on which a majority of the members of the Board of Directors of EchoStar are not continuing directors.

Assuming a change in control was to have taken place as of December 31, 2014 and the executives are terminated by EchoStar or the surviving entity at such date, the estimated benefits that would have been provided to our NEOs are as follows:

Name	Maximum Value of Accelerated Vesting of Options and Stock (\$)
Michael T. Dugan (1)	
Mark W. Jackson	1,013,450
Dean A. Manson	208,500
David J. Rayner	2,355,300

(1) All of Mr. Dugan's outstanding equity awards were vested as of December 31, 2014.

Mr. Kaul's termination benefits were set by Hughes prior to the Hughes Acquisition. Mr. Kaul does not have any benefits triggered by a change of control of EchoStar.

Pursuant to his employment agreement, if Mr. Kaul's employment is terminated for cause, Mr. Kaul will receive his: (i) earned but unpaid base salary; (ii) earned but unpaid bonus; (iii) accrued but unused paid time off; and (iv) unreimbursed business expenses (subject to company policies), through the date of termination. In the event that Mr. Kaul's employment is terminated by us without cause, terminated by him for good reason, or in the event that we provide him with notice of non-renewal of his employment agreement, subject to his execution of a waiver and release of claims in favor of Hughes and its affiliates, Mr. Kaul would receive: (i) any earned but unpaid compensation, including base salary, bonus, accrued but unused paid time off and unreimbursed business expenses (subject to company policies); (ii) a lump sum amount equal to three (3) times the sum of (x) and (y), where (x) is Mr. Kaul's annual base salary (in effect on the date of termination) and (y) is 100% of Mr. Kaul's target bonus amount; (iii) certain COBRA benefits not to exceed a cash amount equal to 1.5 times the monthly COBRA premium paid by Mr. Kaul; and (vi) reasonable outplacement benefits. However, in the event Mr. Kaul terminates his employment without good reason, he becomes permanently disabled and is terminated by us, or he dies during the term of his employment agreement, he will only be entitled to his earned but unpaid compensation, including base salary, bonus, accrued but unused paid time off and unreimbursed business expenses (subject to company policies), through the date of termination.

Table of Contents

Assuming Mr. Kaul's employment was terminated under any of the following circumstances as of December 31, 2014, the payments and benefits that would have been provided to Mr. Kaul are as follows:

Circumstance	Cash Severance (\$ (1))	Bonus (\$ (2))	Medical Continuation (\$ (3))	Equity and Performance Awards and Excess Benefit Plan Accounts (\$)	Outplacement Benefits (\$)
For cause		740,000			
Without cause, for good reason or or non-renewal of agreement by us	4,440,000	740,000	22,582		20,000
Without good reason or non-renewal of agreement by executive		740,000			
Disability or death		740,000			

(1) This amount represents three times the sum of Mr. Kaul's base salary plus target bonus pursuant to his employment agreement and the Hughes Annual Incentive Plan.

(2) This amount represents Mr. Kaul's target bonus pursuant to his employment agreement and the Hughes Annual Incentive Plan.

(3) This amount represents the amount of Mr. Kaul's medical payments for 18 months of COBRA coverage times 1.5.

Risk Assessment

We believe that our compensation programs and practices, which consist primarily of fixed cash salary and long term incentive awards, assist in our efforts to mitigate excessive risk taking by our employees. The Board of Directors annually reviews the cash and equity incentive programs for the Corporation's senior officers, including our executive officers, who are the employees whose actions could expose the Corporation to the most significant business risks. The Board of Directors concluded that certain features of these programs tend to reduce the likelihood of excessive risk taking. These features include a compensation mix that delivers a substantial portion of compensation in the form of long-term equity awards to create incentives to work for the long-term growth of the Corporation; multi-year vesting of equity awards; limited use of short-term incentive awards, thus reducing the incentive to take short-term risks; and the Compensation Committee and Board of Directors ongoing oversight to ensure the Corporation's compensation programs and practices appropriately balance the interests of employees and stockholders.

For the foregoing reasons, the Board of Directors believes that the Corporation's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Corporation.

Table of Contents**Equity Compensation Plan Information**

The following table sets forth a description of our equity compensation plans, including the 2008 Stock Incentive Plan and the 2008 Director Plan, as of December 31, 2014:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a))
	(a)	(b) (1)	(c) (2)
Equity compensation plans approved by shareholders	6,766,382	\$ 34.02	4,562,755
Equity compensation plans not approved by shareholders			
Total	6,766,382	\$ 34.02	4,562,755

(1) The calculation of the weighted-average exercise price of outstanding options, warrants and rights excludes restricted stock units that provide for the issuance of shares of common stock upon vesting because these awards do not require payment of an exercise price in order to obtain the underlying shares upon vesting.

(2) The shares available for issuance under the 2008 Class B Chairman Stock Option Plan are not included.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our Board of Directors has adopted a written policy for the review and approval of transactions involving EchoStar and related parties, such as directors, executive officers (and their immediate family members) and DISH Network. In order to identify these transactions, we distribute questionnaires to our officers and directors on a quarterly basis. Our General Counsel then directs the appropriate review of all potential related-party transactions and schedules their presentation at the next regularly-scheduled meetings of the Audit Committee and the Board of Directors. Both the Audit Committee and the Board of Directors must approve these transactions, with all interested parties abstaining from the vote. Once each calendar year, the Audit Committee and the Board of Directors undertake a review of all recurring potential related-party transactions. Both the Audit Committee and the Board of Directors must approve the continuation of each such transaction, with all interested parties abstaining. Transactions involving DISH Network are subject to the approval of a committee of the non-interlocking directors or in certain circumstances, non-interlocking management.

Related Party Transactions with DISH Network

Following the Spin-off, we and DISH Network have operated as separate publicly-traded companies. However, pursuant to the Satellite and Tracking Stock Transaction described below, DISH Network owns Preferred Tracking Shares representing an aggregate 80.0% economic interest in the residential retail satellite broadband business of HNS, including certain operations, assets and liabilities attributed to such business. In addition, a substantial majority of the voting power of the shares of both companies is owned beneficially by Charles W. Ergen, our Chairman, and by certain trusts established by Mr. Ergen for the benefit of his family.

In connection with and following the Spin-off, we and DISH Network have entered into certain agreements pursuant to which we obtain certain products, services and rights from DISH Network; DISH Network obtains certain products, services and rights from us; and we and DISH Network have indemnified each other against certain liabilities arising from our respective businesses. We also may enter into additional agreements with DISH Network in the future. Generally, the amounts DISH Network pays for products and services provided under the agreements are based on our cost plus a fixed margin (unless noted differently below), which varies depending on the nature of the products and services provided.

Blockbuster Agreements

On April 26, 2011, DISH Network acquired substantially all of the assets of Blockbuster, Inc. (the Blockbuster Acquisition). On June 8, 2011, we completed the Hughes Acquisition. HNS provided certain broadband products and services to Blockbuster, Inc. pursuant to an agreement that was entered into prior to the Blockbuster Acquisition and the Hughes Acquisition. Subsequent to both the Blockbuster Acquisition and the Hughes Acquisition, Blockbuster L.L.C. (Blockbuster) entered into a new agreement with HNS pursuant to which Blockbuster could continue to purchase broadband products and services from HNS (the Blockbuster VSAT Agreement). We earned revenues of approximately \$4,000 under the Blockbuster VSAT Agreement for the year ended December 31, 2014. Effective February 1, 2014, all services to all Blockbuster locations, including Blockbuster franchisee locations, terminated in connection with the closing of all of the Blockbuster retail locations.

Broadcast Agreement

Effective January 1, 2012, we and DISH Network entered into a new broadcast agreement (the 2012 Broadcast Agreement) pursuant to which we provide certain broadcast services to DISH Network, including teleport services such as transmission and downlinking, channel origination services, and channel management services, for the period from January 1, 2012 to December 31, 2016. The 2012 Broadcast Agreement replaced the broadcast agreement that we entered into with DISH Network in connection with the Spin-off. The fees for the services provided under the 2012 Broadcast Agreement are calculated at either: (a) our cost of providing the relevant service plus a fixed dollar fee, which is subject to certain adjustments; or (b) our cost of providing the relevant service plus a fixed margin, which will depend on the nature of the services provided. DISH Network has the ability to terminate channel origination services and channel management services for any reason and without any liability upon at least 60 days notice to us. If DISH Network terminates the teleport services provided under the 2012 Broadcast Agreement for a reason other than our breach, DISH Network generally is obligated to reimburse us for any direct

costs we incur related to any such termination that we cannot reasonably mitigate. We earned revenues of approximately \$223.9 million from DISH Network under the 2012 Broadcast Agreement for the year ended December 31, 2014.

Broadcast Agreement for Certain Sports Related Programming

During May 2010, we and DISH Network entered into a broadcast agreement pursuant to which we provide certain broadcast services to DISH Network in connection with its carriage of certain sports related programming. The term of this agreement is ten years. If DISH Network terminates this agreement for a reason other than our breach, DISH Network generally is obligated to reimburse us for any direct costs we incur related to any such termination that we cannot reasonably mitigate. The fees for the broadcast services provided under this agreement depend, among other things, upon the cost to develop and provide such services. We earned revenue from DISH Network of approximately \$1.4 million under this broadcast agreement for the year ended December 31, 2014.

DBSD North America Agreement

On March 9, 2012, DISH Network completed its acquisition of 100% of the equity of reorganized DBSD North America, Inc. ("DBSD North America"). Prior to DISH Network's acquisition of DBSD North America and our completion of the Hughes Acquisition, DBSD North America and HNS entered into an agreement pursuant to which our Hughes segment provides, among other things, hosting, operations and maintenance services of DBSD North America's satellite gateway and associated ground infrastructure. This agreement automatically renewed for a one-year period ending on February 15, 2016, and will renew for one additional one-year period unless terminated by DBSD North America upon at least 30 days' notice prior to the expiration of any renewal term. HNS earned revenue from DBSD North America of approximately \$2.3 million under this agreement for the year ended December 31, 2014.

DISHOnline.com Services Agreement

Effective January 1, 2010, DISH Network entered into a two-year agreement with us pursuant to which DISH Network receives certain services associated with an online video portal. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. We earned revenue of approximately \$6.2 million under the DISHOnline.com Services Agreement for the year ended December 31, 2014. DISH Network has the option to renew this agreement for successive one year terms and the agreement may be terminated by DISH Network for any reason upon at least 120 days' notice to us. In October 2014, DISH Network exercised its right to renew this agreement for a one-year period ending on December 31, 2015.

DISH Remote Access Services Agreement

Effective February 23, 2010, we entered into an agreement with DISH Network pursuant to which DISH Network receives, among other things, certain remote digital video recorder ("DVR") management services. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. We earned revenue of approximately \$2.0 million under the DISH Remote Access Services Agreement for the year ended December 31, 2014. This agreement has a term of five years with automatic renewal for

successive one year terms and may be terminated by DISH Network for any reason upon at least 120 days notice to us.

Hughes Broadband Distribution Agreement

Effective October 1, 2012, HNS and dishNET Satellite Broadband L.L.C. (dishNET), a wholly-owned subsidiary of DISH Network, entered into a distribution agreement (the Distribution Agreement) pursuant to which dishNET has the right, but not the obligation, to market, sell and distribute the Hughes satellite internet service (the Hughes service). dishNET pays HNS a monthly per subscriber wholesale service fee for the Hughes service based upon a subscriber s service level, and, beginning January 1, 2014, based upon certain volume subscription thresholds. The Distribution Agreement also provides that dishNET has the right, but not the obligation, to purchase certain broadband equipment from us to support the sale of the Hughes service. The Distribution Agreement has an initial

term of five years with automatic renewal for successive one year terms unless terminated by either party with a written notice at least 180 days before the expiration of the then-current term. On February 20, 2014, HNS and dishNET entered into an amendment to the Distribution Agreement which, among other things, extended the initial term of the Distribution Agreement through March 1, 2024. Upon expiration or termination of the Distribution Agreement, the parties will continue to provide the Hughes service to the then-current dishNET subscribers pursuant to the terms and conditions of the Distribution Agreement. HNS earned revenue of approximately \$94.5 million from dishNET under the Distribution Agreement for the year ended December 31, 2014.

Intellectual Property Matters Agreement

We entered into an Intellectual Property Matters Agreement with DISH Network and certain of its subsidiaries in connection with the Spin-off. The Intellectual Property Matters Agreement governs our relationship with DISH Network with respect to patents, trademarks and other intellectual property. The term of the Intellectual Property Matters Agreement will continue in perpetuity. Pursuant to the Intellectual Property Matters Agreement, DISH Network and certain of its subsidiaries irrevocably assigned to us all right, title and interest in certain patents, trademarks and other intellectual property necessary for the operation of our set-top box business. In addition, the agreement permits us to use, in the operation of our set-top box business, certain other intellectual property currently owned or licensed by DISH Network and its subsidiaries. In addition, DISH Network and its subsidiaries may not use the EchoStar name as a trademark, except in certain limited circumstances. Similarly, the intellectual property matters agreement provides that we will not make any use of the name or trademark DISH Network or any other trademark owned by DISH Network or its subsidiaries, except in certain circumstances. There were no payments under the Intellectual Property Matters Agreement during 2014. There are no payments expected under the Intellectual Property Matters Agreement in 2015.

Patent Cross-License Agreements

During December 2011, we and DISH Network entered into separate patent cross-license agreements with the same third party whereby: (i) we and such third party licensed our respective patents to each other subject to certain conditions; and (ii) DISH Network and such third party licensed their respective patents to each other subject to certain conditions (each, a Cross-License Agreement). Each Cross-License Agreement covers patents acquired by the respective party prior to January 1, 2017 and aggregate payments under both Cross-License Agreements total less than \$10.0 million. Each Cross-License Agreement also contains an option to extend each Cross-License Agreement to include patents acquired by the respective party prior to January 1, 2022. If both options are exercised, the aggregate additional payments to such third party would total less than \$3.0 million. However, we and DISH Network may elect to extend our respective Cross-License Agreement independently of each other. Since the aggregate payments under both Cross-License Agreements were based on the combined annual revenue of us and DISH Network, we and DISH Network agreed to allocate our respective payments to such third party based on our respective percentage of combined total revenue. No payments were made under the Cross-License Agreement during 2014.

Product Support Agreement

In connection with the Spin-off, we entered into a product support agreement pursuant to which DISH Network has the right, but not the obligation, to receive product support from us (including certain engineering and technical support services) for all set-top boxes and related components that our subsidiaries have previously sold and in the future may sell to DISH Network. The fees for the services provided under the product support agreement are calculated at cost plus a fixed margin, which varies depending on the nature of the services provided. The term of the product support agreement is the economic life of such set-top boxes and related components, unless terminated earlier. DISH Network may terminate the product support agreement for any reason upon at least 60 days notice. In the event of an early termination of this agreement,

Edgar Filing: EchoStar CORP - Form DEF 14A

DISH Network is entitled to a refund of any unearned fees paid to us for the services. We earned revenue of approximately \$48.1 million from DISH Network under the Product Support Agreement for the year ended December 31, 2014.

Professional Services Agreement

In connection with the Spin-off, we entered into various agreements with DISH Network including the Transition Services Agreement, Satellite Procurement Agreement and Services Agreement, which all expired on January 1, 2010 and were replaced by a Professional Services Agreement. During 2009, we and DISH Network agreed that we shall continue to have the right, but not the obligation, to receive the following services from DISH Network, among others, certain of which were previously provided under the Transition Services Agreement: information technology, travel and event coordination, internal audit, legal, accounting and tax, benefits administration, program acquisition services and other support services. Additionally, we and DISH Network agreed that DISH Network would continue to have the right, but not the obligation, to engage us to manage the process of procuring new satellite capacity for DISH Network (previously provided under the Satellite Procurement Agreement), receive logistics, procurement and quality assurance services from us (previously provided under the Services Agreement) and other support services. The Professional Services Agreement automatically renewed on January 1, 2015 for an additional one-year period and renews automatically for successive one-year periods thereafter, unless terminated earlier by either party upon at least 60 days' notice. However, either party may terminate the Professional Services Agreement in part with respect to any particular service it receives for any reason upon at least 30 days' notice. For the year ended December 31, 2014, under the Professional Services Agreement, we incurred expenses payable to DISH Network of approximately \$0.8 million and earned revenue from DISH Network of approximately \$14.3 million.

Radio Access Network Agreement

On November 29, 2012, HNS entered into an agreement with DISH Network L.L.C. pursuant to which HNS constructed for DISH Network a ground-based satellite radio access network (RAN) for a fixed fee. The parties mutually agreed to terminate this agreement in the fourth quarter of 2014. We earned revenue of approximately \$7.8 million from DISH Network under this agreement for the year ended December 31, 2014.

Real Estate Lease Agreements

We have entered into lease agreements pursuant to which DISH Network leases certain real estate from us. The rent on a per square foot basis for each of the leases is comparable to per square foot rental rates of similar commercial property in the same geographic area at the time of the lease, and DISH Network is responsible for its portion of the taxes, insurance, utilities and maintenance of the premises. We earned revenue of approximately \$14.0 million from DISH Network under the real estate lease agreements for the year ended December 31, 2014. The term of each of the leases is set forth below:

Inverness Lease Agreement. The lease for certain space at 90 Inverness Circle East in Englewood, Colorado is for a period ending on December 31, 2016. This agreement can be terminated by either party upon six months prior notice.

Meridian Lease Agreement. The lease for all of 9601 S. Meridian Blvd. in Englewood, Colorado is for a period ending on December 31, 2016.

Edgar Filing: EchoStar CORP - Form DEF 14A

Santa Fe Lease Agreement. The lease for all of 5701 S. Santa Fe Dr. in Littleton, Colorado is for a period ending on December 31, 2016 with a renewal option for one additional year.

EchoStar Data Networks Sublease Agreement. The sublease for certain space at 211 Perimeter Center in Atlanta, Georgia is for a period ending on October 31, 2016.

Gilbert Lease Agreement. The original lease for certain space at 801 N. DISH Dr. in Gilbert, Arizona was a month to month lease and could be terminated by either party upon 30 days prior notice. The original lease was terminated in May 2014. Effective August 1, 2014, we began leasing this space to DISH Network under a new lease for a period ending July 31, 2016. DISH Network has renewal options for three additional one year terms.

Cheyenne Lease Agreement. The lease for certain space at 530 EchoStar Drive in Cheyenne, Wyoming is for a period ending on December 31, 2031.

Since the Spin-off, we have entered into lease agreements pursuant to which we lease certain real estate from DISH Network. The rent on a per square foot basis for each of the leases is comparable to per square foot rental rates of similar commercial property in the same geographic area at the time of the lease, and we are responsible for our portion of the taxes, insurance, utilities and maintenance of the premises. We incurred expenses payable to DISH Network of approximately \$0.3 million under the real estate lease agreements for the year ended December 31, 2014. The term of each of the leases is set forth below:

El Paso Lease Agreement. The lease for certain space at 1285 Joe Battle Blvd., El Paso, Texas is for a period ending on August 1, 2015, and provides us with renewal options for four consecutive three year terms.

American Fork Occupancy License Agreement. The license for certain space at 796 East Utah Valley Drive in American Fork, Utah is for a period ending on July 31, 2017, subject to the terms of the underlying lease agreement. This license was terminated during the fourth quarter of 2014.

Receiver Agreement

Effective January 1, 2012, we and DISH Network entered into a new receiver agreement (the 2012 Receiver Agreement), pursuant to which DISH Network has the right, but not the obligation, to purchase digital set-top boxes, related accessories, and other equipment from us for the period from January 1, 2012 to December 31, 2014. The 2012 Receiver Agreement replaced the receiver agreement we entered into with DISH Network in connection with the Spin-off. The 2012 Receiver Agreement allows DISH Network to purchase digital set-top boxes, related accessories, and other equipment from us either: (i) at cost (decreasing as we reduce costs and increasing as costs increase) plus a dollar mark-up which will depend upon the cost of the product subject to a collar on our mark-up; or (ii) at cost plus a fixed margin, which will depend on the nature of the equipment purchased. Under the 2012 Receiver Agreement, our margins will be increased if we are able to reduce the costs of our digital set-top boxes and our margins will be reduced if these costs increase. We provide DISH Network with standard manufacturer warranties for the goods sold under the 2012 Receiver Agreement. Additionally, the 2012 Receiver Agreement includes an indemnification provision, whereby the parties indemnify each other for certain intellectual property matters. DISH Network is able to terminate the 2012 Receiver Agreement for any reason upon at least 60 days' notice to us. We are able to terminate the 2012 Receiver Agreement if certain entities acquire DISH Network. DISH Network has an option, but not the obligation, to extend the 2012 Receiver Agreement for one additional year upon 180 days' notice prior to the end of the term. On May 5, 2014, we received DISH Network's notice to extend the 2012 Receiver Agreement for one year to December 31, 2015. We earned revenue of approximately \$1.1 billion from DISH Network under the 2012 Receiver Agreement for the year ended December 31, 2014.

Remanufactured Receiver Agreement

In connection with the Spin-off, we entered into a remanufactured receiver agreement with DISH Network pursuant to which we have the right, but not the obligation, to purchase remanufactured receivers and related components from DISH Network at cost plus a fixed margin, which varies depending on the nature of the equipment purchased. In November 2014, we and DISH Network extended this agreement until December 31, 2015. We may terminate the remanufactured receiver agreement for any reason upon at least 60 days' notice to DISH Network. DISH Network may also terminate this agreement if certain entities acquire DISH Network. Our purchase of remanufactured receivers and related components from DISH Network was approximately \$2.6 million for the year ended December 31, 2014.

RUS Implementation Agreement

In September 2010, DISH Broadband L.L.C. ("DISH Broadband"), DISH Network's wholly-owned subsidiary, was selected by the Rural Utilities Service ("RUS") of the United States Department of Agriculture to receive up to approximately \$14.1 million in broadband stimulus grant funds (the "Grant Funds"). Effective November 2011, HNS and DISH Broadband entered into a RUS Implementation Agreement (the "RUS Agreement") pursuant to which HNS provided certain portions of the equipment and broadband service used to implement DISH Broadband's RUS program. While the RUS Agreement expired in June 2013 when the Grant Funds were exhausted, HNS is required to continue providing services to DISH Broadband's customers activated prior to the expiration of the RUS Agreement in accordance with the terms and conditions of the RUS Agreement. We recognized revenue of approximately \$2.7 million from DISH Broadband under the RUS Agreement for the year ended December 31, 2014.

Satellite Services Provided to DISH Network

Since the Spin-off, we have entered into certain satellite service agreements pursuant to which DISH Network receives satellite services on certain satellites owned or leased by us. The fees for the services provided under these satellite service agreements depend, among other things, upon the orbital location of the applicable satellite, the number of transponders that are providing services on the applicable satellite, and the length of the service arrangements. We earned revenue of approximately \$403.8 million from DISH Network under the satellite service agreements for the year ended December 31, 2014. The term of each service arrangement is set forth below:

EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV. As part of the Satellite and Tracking Stock Transaction discussed in Note 2, on March 1, 2014, we began providing certain satellite services to DISH Network on the EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV satellites. The term of each satellite services agreement generally terminates upon the earlier of: (i) the end of life of the satellite; (ii) the date the satellite fails; or (iii) a certain date, which depends upon, among other things, the estimated useful life of the satellite. DISH Network generally has the option to renew each satellite service agreement on a year-to-year basis through the end of the respective satellite's life. There can be no assurance that any options to renew such agreements will be exercised.

EchoStar VIII. In May 2013, DISH Network began receiving satellite services from us on EchoStar VIII as an in-orbit spare. Effective March 1, 2014, this satellite services arrangement converted to a month-to-month service agreement. Both parties have the right to terminate this agreement upon 30 days' notice.

EchoStar IX. Effective January 2008, DISH Network began receiving satellite services from us on EchoStar IX. Subject to availability, DISH Network generally has the right to continue to receive satellite services from us on EchoStar IX on a month-to-month basis.

EchoStar XII. DISH Network receives satellite services from us on EchoStar XII. The term of the satellite services agreement terminates upon the earlier of: (i) the end of life of the satellite; (ii) the date the satellite fails or the date the transponder(s) on which the service was being provided under the agreement fails; or (iii) a certain date, which depends upon, among other things, the estimated useful life of the satellite. DISH Network generally has the option to renew the agreement on a year-to-year basis through the end of the satellite's life. There can be no assurance that any options to renew this agreement will be exercised.

Table of Contents

EchoStar XVI. During December 2009, we entered into an initial ten-year transponder service agreement with DISH Network, pursuant to which DISH Network receives satellite services from us on EchoStar XVI. Effective December 21, 2012, we and DISH Network amended the transponder service agreement to, among other things, change the initial term to generally expire upon the earlier of: (i) the end-of-life or replacement of the satellite; (ii) the date the satellite fails; (iii) the date the transponder(s) on which service is being provided under the agreement fails; or (iv) four years following the actual service commencement date. Prior to expiration of the initial term, we, upon certain conditions, and DISH Network have the option to renew for an additional six-year period. If either we or DISH Network exercise our respective six-year renewal options, DISH Network has the option to renew for an additional five-year period prior to expiration of the then-current term. There can be no assurance that any option to renew this agreement will be exercised. We began to provide satellite services on EchoStar XVI to DISH Network in January 2013.

Nimiq 5 Agreement. During 2009, we entered into a fifteen-year satellite service agreement with Telesat Canada (Telesat) to receive service on all 32 DBS transponders on the Nimiq 5 satellite at the 72.7 degree west longitude orbital location (the Telesat Transponder Agreement). During 2009, we also entered into a satellite service agreement (the DISH Nimiq 5 Agreement) with DISH Network, pursuant to which DISH Network receives satellite services from us on all 32 of the DBS transponders covered by the Telesat Transponder Agreement.

Under the terms of the DISH Nimiq 5 Agreement, DISH Network makes certain monthly payments to us that commenced in September 2009, when the Nimiq 5 satellite was placed into service, and continue through the service term. Unless earlier terminated under the terms and conditions of the DISH Nimiq 5 Agreement, the service term will expire ten years following the date it was placed into service. Upon expiration of the initial term, DISH Network has the option to renew the DISH Nimiq 5 Agreement on a year-to-year basis through the end of life of the Nimiq 5 satellite. Upon in-orbit failure or end of life of the Nimiq 5 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can be no assurance that any options to renew the DISH Nimiq 5 Agreement will be exercised or that DISH Network will exercise its option to receive service on a replacement satellite.

QuetzSat-1 Agreement. During 2008, we entered into a ten-year satellite service agreement with SES Latin America, which provides, among other things, for the provision by SES Latin America to us of service on 32 DBS transponders on the QuetzSat-1 satellite. Concurrently, in 2008, we entered into a transponder service agreement with DISH Network, pursuant to which DISH Network receives satellite services on 24 of the DBS transponders on QuetzSat-1. QuetzSat-1 was launched on September 29, 2011 and was placed into service during the fourth quarter of 2011 at the 67.1 degree west longitude orbital location. In the interim, we provided DISH Network with alternate capacity at the 77 degree west longitude orbital location. During the third quarter of 2012, we and DISH Network entered into an agreement pursuant to which we receive certain satellite services from DISH Network on five DBS transponders on the QuetzSat-1 satellite. In January 2013, QuetzSat-1 was moved to the 77 degree west longitude orbital location and DISH Network commenced commercial operations at such location in February 2013.

Under the terms of our contractual arrangements with DISH Network, we began to provide service to DISH Network on the QuetzSat-1 satellite in February 2013 and will continue to provide service through the remainder of the service term. Unless extended or earlier terminated under the terms and conditions of our agreement with DISH Network for the QuetzSat-1 satellite, the initial service term will expire in November 2021. Upon expiration of the initial service term, DISH Network has the option to renew the agreement for the QuetzSat-1 satellite on a year-to-year basis through the end of life of the QuetzSat-1 satellite. Upon an in-orbit failure or end of life of the QuetzSat-1 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can be no assurance that any options to renew this agreement will be exercised or that DISH Network will exercise its option to receive service on a replacement satellite.

103 Degree Orbital Location/SES-3. During May 2012, we entered into a spectrum development agreement (the 103 Spectrum Development Agreement) with Ciel Satellite Holdings Inc. (Ciel) to develop certain spectrum rights at the 103 degree west longitude orbital location (the 103 Spectrum Rights). During June 2013, we and DISH Network entered into a spectrum development agreement (the DISH 103 Spectrum

Table of Contents

Development Agreement) pursuant to which DISH Network may use and develop the 103 Spectrum Rights. During the third quarter 2013, DISH Network made a payment to us in exchange for our right under the 103 Spectrum Development Agreement. Unless earlier terminated under the terms and conditions of the DISH 103 Spectrum Development Agreement, the term generally will continue for the duration of the 103 Spectrum Rights Agreement.

In connection with the 103 Spectrum Development Agreement, during May 2012, we also entered into a ten-year service agreement with Ciel pursuant to which we receive certain satellite services from Ciel on the SES-3 satellite at the 103 degree orbital location (the 103 Service Agreement). During June 2013, we and DISH Network entered into an agreement pursuant to which DISH Network receives certain satellite services from us on the SES-3 satellite (the DISH 103 Service Agreement). Under the terms of the DISH 103 Service Agreement, DISH Network makes certain monthly payments to us through the service term. Unless earlier terminated under the terms and conditions of the DISH 103 Service Agreement, the initial service term will expire on the earlier of: (i) the date the SES-3 satellite fails; (ii) the date the transponder(s) on which service was being provided under the agreement fails; or (iii) ten years following the actual service commencement date. Upon in-orbit failure or end of life of the SES-3 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can be no assurance that DISH Network will exercise its option to receive service on a replacement satellite.

Satellite Services Received from DISH Network

Since the Spin-off, we entered into certain satellite services agreements pursuant to which we receive satellite services from DISH Network on certain satellites owned or leased by DISH Network. The fees for the services provided under these satellite services agreements depend, among other things, upon the orbital location of the applicable satellite, the number of transponders that are providing services on the applicable satellite and the length of the service term. We incurred expenses payable to DISH Network of approximately \$51.1 million under the satellite service agreements for the year ended December 31, 2014. The term of each satellite service agreement is set forth below:

D-1. In November 2012, HNS entered into a satellite service agreement pursuant to which HNS received satellite services from DISH Network on the D-1 satellite for research and development. This agreement terminated on June 30, 2014.

EchoStar XV. In May 2013, we began receiving satellite services from DISH Network on EchoStar XV and relocated the satellite to the 45 degree west longitude orbital location for testing pursuant to our Brazilian authorization. Effective March 1, 2014, this satellite services agreement converted to a month-to-month service agreement. Both parties have the right to terminate this agreement upon 30 days' notice.

Satellite and Tracking Stock Transaction

On February 20, 2014, we entered into agreements with DISH Network to implement a transaction pursuant to which, among other things: (i) on March 1, 2014, EchoStar and Hughes Satellite Systems Corporation, a then wholly-owned subsidiary of EchoStar, issued Preferred Tracking Shares to DISH Network in exchange for five satellites owned by DISH Network (EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV) (including related in-orbit incentive obligations and interest payments of approximately \$58.9 million) and approximately \$11.4 million in cash; and (ii) on March 1, 2014, DISH Network began receiving certain satellite services on these five satellites from us (collectively, the Satellite and Tracking Stock Transaction).

Set-Top Box Application Development Agreement

During the fourth quarter of 2012, we and DISH Network entered into a set-top box application development agreement (the Application Development Agreement) pursuant to which we provide DISH Network with certain services relating to the development of web-based applications for the period ending February 1, 2016. The Application Development Agreement renews automatically for successive one-year periods thereafter, unless terminated earlier by us or DISH Network at any time upon at least 90 days notice. The fees for services provided under the Application Development Agreement are calculated at our cost of providing the relevant service plus a fixed margin, which will depend on the nature of the services provided. We earned revenue of approximately \$6.6 million from DISH Network under the Application Development Agreement for the year ended December 31, 2014.

SlingService Services Agreement

Effective February 23, 2010, we entered into an agreement with DISH Network pursuant to which DISH Network receives certain services related to placeshifting. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. This agreement has a term of five years with automatic renewal for successive one year terms and may be terminated by DISH Network for any reason upon at least 120 days notice to us. We earned revenue from DISH Network of approximately \$5.0 million under the SlingService Services Agreement for the year ended December 31, 2014.

Sling Trademark License Agreement

On December 31, 2014, DISH Digital Holding L.L.C. (DISH Digital) (now known as Sling TV Holding L.L.C.) entered into an agreement with Sling Media, Inc., our subsidiary, pursuant to which Sling TV has the right, for a fixed fee, to use certain trademarks, domain names and other intellectual property related to the Sling trademark for a period ending December 31, 2016.

Sling TV Holding L.L.C. (formerly DISH Digital Holding L.L.C.)

Effective July 1, 2012, we and DISH Network formed DISH Digital, which was owned two-thirds by DISH Network and one-third by EchoStar. DISH Digital was formed to develop and commercialize certain advanced technologies. At that time, we, DISH Network and DISH Digital entered into the following agreements with respect to DISH Digital: (i) a contribution agreement pursuant to which we and DISH Network contributed certain assets in exchange for our respective ownership interests in DISH Digital; (ii) a limited liability company operating agreement (Operating Agreement), which provided for the governance of DISH Digital; and (iii) a commercial agreement (Commercial Agreement) pursuant to which, among other things, DISH Digital had: (a) certain rights and corresponding obligations with respect to its business; and (b) the right, but not the obligation, to receive certain services from us and DISH Network, respectively. We earned revenue from DISH Digital of approximately \$21.4 million under the commercial agreement for the year ended December 31, 2014.

Effective August 1, 2014, we and DISH Digital entered into an exchange agreement (Exchange Agreement) pursuant to which, among other things, DISH Digital distributed certain assets to us and we reduced our interest in DISH Digital to a 10.0% non-voting interest. As a result,

Edgar Filing: EchoStar CORP - Form DEF 14A

DISH Network has a 90.0% equity interest and a 100% voting interest in DISH Digital. In addition, we, DISH Network and DISH Digital amended and restated the Operating Agreement, primarily to reflect the changes implemented by the Exchange Agreement. Finally, we, DISH Network and DISH Digital amended and restated the Commercial Agreement, pursuant to which, among other things, DISH Digital: (1) continues to have certain rights and corresponding obligations with respect to its business; (2) continues to have the right, but not the obligation, to receive certain services from us and DISH Network; and (3) has a license from us to use certain of the assets distributed to us as part of the Exchange Agreement. As of December 31, 2014, we accounted for our investment in DISH Digital using the cost method.

Tax Sharing Agreement

In connection with the Spin-off, we entered into a tax sharing agreement with DISH Network which governs our respective rights, responsibilities and obligations after the Spin-off with respect to taxes for the periods ending on or before the Spin-off. Generally, all pre-Spin-off taxes, including any taxes that are incurred as a result of

Table of Contents

restructuring activities undertaken to implement the Spin-off, are borne by DISH Network, and DISH Network will indemnify us for such taxes. However, DISH Network is not liable for and will not indemnify us for any taxes that are incurred as a result of the Spin-off or certain related transactions failing to qualify as tax-free distributions pursuant to any provision of Section 355 or Section 361 of the Internal Revenue Code because of: (i) a direct or indirect acquisition of any of our stock, stock options or assets; (ii) any action that we take or fail to take; or (iii) any action that we take that is inconsistent with the information and representations furnished to the IRS in connection with the request for the private letter ruling, or to counsel in connection with any opinion being delivered by counsel with respect to the Spin-off or certain related transactions. In such case, we will be solely liable for, and will indemnify DISH Network for, any resulting taxes, as well as any losses, claims and expenses. The tax sharing agreement will only terminate after the later of the full period of all applicable statutes of limitations, including extensions, or once all rights and obligations are fully effectuated or performed.

In light of the tax sharing agreement, among other things, and in connection with our consolidated federal income tax returns for certain tax years prior to and for the year of the Spin-off, during the third quarter of 2013, we and DISH Network agreed upon a supplemental allocation of the tax benefits arising from certain tax items resolved in the course of the IRS's examination of our consolidated tax returns. Prior to the agreement with DISH Network, the federal tax benefits of \$83.2 million were reflected as a deferred tax asset for depreciation and amortization, which was netted in our noncurrent deferred tax liabilities. The agreement requires DISH Network to pay us \$83.2 million of the federal tax benefit it receives at such time as we would have otherwise been able to realize such tax benefit, which we currently estimate would be after 2015. Accordingly, we recorded a noncurrent receivable from DISH Network for \$83.2 million in Other receivable DISH Network and a corresponding increase in our net noncurrent deferred tax liabilities to reflect the effects of this agreement in the third quarter of 2013. In addition, during the third quarter of 2013, we and DISH Network agreed upon a tax sharing arrangement for filing certain combined state income tax returns and a method of allocating the respective tax liabilities between us and DISH Network for such combined returns, through the taxable period ending on December 31, 2017. There were no payments made under the Tax Sharing Agreement during the year ended December 31, 2014.

We and DISH Network file combined income tax returns in certain states. In 2014, we earned and recognized a tax benefit for certain state income tax credits that we would be unable to utilize currently if we had filed separately from DISH Network. DISH Network expects to utilize these tax credits to reduce its state income tax payable. Consistent with accounting principles that apply to transfers of assets between entities under common control, we recorded a charge of \$5.3 million in additional paid-in capital, representing the amount that we estimate is more likely than not to be realized by DISH Network as a result of its utilization of the tax credits that we earned. We expect to credit additional paid-in capital upon receipt of any consideration paid to us by DISH Network in exchange for these tax credits.

TerreStar Agreement

On March 9, 2012, DISH Network completed its acquisition of substantially all the assets of TerreStar Networks Inc. (TerreStar). Prior to DISH Network's acquisition of substantially all the assets of TerreStar and our completion of the Hughes Acquisition, TerreStar and HNS entered into various agreements pursuant to which our Hughes segment provides, among other things, hosting, operations and maintenance services for TerreStar's satellite gateway and associated ground infrastructure. Hughes earned revenues from TerreStar of approximately \$4.6 million under these agreements for the year ended December 31, 2014. These agreements generally may be terminated by DISH Network at any time for convenience.

TiVo

Edgar Filing: EchoStar CORP - Form DEF 14A

On April 29, 2011, we and DISH Network entered into a settlement agreement with TiVo, Inc. (TiVo). The settlement resolved all pending litigation between us and DISH Network, on the one hand, and TiVo, on the other hand, including litigation relating to alleged patent infringement involving certain DISH Network DVRs.

Under the settlement agreement, all pending litigation was dismissed with prejudice and all injunctions that permanently restrain, enjoin or compel any action by us or DISH Network were dissolved. We and DISH Network are jointly responsible for making payments to TiVo in the aggregate amount of \$500.0 million, including an initial payment of \$300.0 million and the remaining \$200.0 million in six equal annual installments between 2012 and

Table of Contents

2017. Pursuant to the terms and conditions of the agreements entered into in connection with the Spin-off, DISH Network made the initial payment to TiVo in May 2011, except for the contribution from us totaling approximately \$10.0 million, representing an allocation of liability relating to our sales of DVR-enabled receivers to an international customer. Future payments will be allocated between us and DISH Network based on historical sales of certain licensed products, with EchoStar being responsible for 5% of each annual payment. In 2014, we made a payment of approximately \$1.7 million to TiVo with respect to the TiVo settlement agreement.

TT&C Agreement

Effective January 1, 2012, we entered into a new telemetry, tracking and control (TT&C) agreement pursuant to which we provide TT&C services to DISH Network and its subsidiaries for a period ending on December 31, 2016 (the 2012 TT&C Agreement). The 2012 TT&C Agreement replaced the TT&C agreement we entered into with DISH Network in connection with the Spin-off. The fees for services provided under the 2012 TT&C Agreement are calculated at either: (i) a fixed fee or (ii) cost plus a fixed margin, which will vary depending on the nature of the services provided. DISH Network is able to terminate the 2012 TT&C Agreement for any reason upon 60 days notice. We earned revenue of approximately \$1.9 million under the 2012 TT&C Agreement for the year ended December 31, 2014.

In connection with the Satellite and Tracking Stock Transaction, on February 20, 2014, we amended the TT&C Agreement to cease the provision of TT&C services to DISH Network for the EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV satellites. Effective March 1, 2014, we provide TT&C services for the D-1 and EchoStar XV satellites; however, for the period that we receive satellite services on EchoStar XV from Dish Network, we have waived the fees for the TT&C services on EchoStar XV.

TerreStar-2 Development Agreement

In August 2013, we and DISH Network entered into a development agreement (T2 Development Agreement) with respect to the EchoStar XXI satellite under which we reimburse DISH Network for amounts it pays pursuant to an authorization to proceed (T2 ATP) with Space Systems Loral, LLC (SS/L) in connection with the construction of the EchoStar XXI satellite. In exchange, DISH Network granted us certain rights to purchase the EchoStar XXI satellite during the term of the T2 Development Agreement. The T2 Development Agreement was amended in December 2013 to provide for the ability to purchase DISH Network s rights and obligations under the T2 ATP and the related agreement for the construction of the EchoStar XXI satellite with SS/L. The purchase rights under the T2 Development Agreement were exercised in December 2014. We made payments of \$86.9 million to DISH Network in connection with the T2 Development Agreement for the year ended December 31, 2014.

XiP Encryption Agreement

During the third quarter of 2012, we entered into an encryption agreement with DISH Network for our whole-home HD DVR line of set-top boxes (the XiP Encryption Agreement) pursuant to which we provide certain security measures on our whole-home HD DVR line of set-top boxes to encrypt the content delivered to the set-top box via a smart card and secure the content between set-top boxes. The term of the XiP Encryption Agreement is until December 31, 2015. Under the XiP Encryption Agreement, DISH Network has an option, but not the obligation to extend the XiP Encryption Agreement for one additional year upon at least 180 days notice prior to the end of the term. We and DISH Network each have the right to terminate the XiP Encryption Agreement for any reason upon at least 180 days notice and 30 days notice,

respectively. The fees for the services provided under the XiP Encryption Agreement are calculated on a monthly basis based on the number of receivers utilizing such security measures each month. No payments were made under the XiP Encryption Agreement for the year ended December 31, 2014.

Roger J. Lynch

In November 2009, Mr. Roger J. Lynch became employed by both us and DISH Network as Executive Vice President. Mr. Lynch was responsible for the development and implementation of advanced technologies that are of potential utility and importance to both us and DISH Network. Mr. Lynch's compensation consisted of cash and equity compensation and was borne by both DISH Network and us. Mr. Lynch's employment with us terminated on December 31, 2014.

As of December 31, 2014, there were outstanding invoices from NagraStar to us totaling approximately \$3.2 million. Related Party Transactions with Hughes Systique Corporation (Hughes Systique)

We contract with Hughes Systique for software development services. In February 2008, Hughes agreed to make available to Hughes Systique a term loan facility of up to \$1.5 million. Also in 2008, Hughes funded an initial \$0.5 million to Hughes Systique pursuant to the term loan facility. In 2009, HNS funded the remaining \$1.0 million of its \$1.5 million commitment under the term loan facility. The loans bear interest at 6%, payable annually, and are convertible into shares of Hughes Systique upon non-payment or an event of default. As a result, we are not obligated to provide any further funding to Hughes Systique under the term loan facility. In May 2014, Hughes and Hughes Systique entered into an amendment to the term loan facility to increase the interest rate from 6% to 8%, payable annually, to reflect current market conditions. The loans, as amended, mature on May 1, 2015. In addition to our 44.2% ownership in Hughes Systique, Mr. Pradman Kaul, the President of Hughes Communications, Inc. and a member of our Board of Directors and his brother, who is the CEO and President of Hughes Systique, in the aggregate, owned approximately 25.9%, on an undiluted basis, of Hughes Systique's outstanding shares as of December 31, 2014. Furthermore, Mr. Pradman Kaul serves on the board of directors of Hughes Systique. We obtained services from Hughes Systique totaling approximately \$12.2 million for the year ended December 31, 2014.

We account for our investment in Deluxe using the equity method. For the year ended December 31, 2014, we recognized revenue from Deluxe for transponder services and the sale of broadband equipment of \$3.3 million, and we have receivables from Deluxe of approximately \$0.2 million.

Audit Committee Pre-Approval Process

The Audit Committee is responsible for appointing, setting compensation, retaining and overseeing the work of our independent registered public accounting firm. The Audit Committee has established a process regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm.

Requests are submitted to the Audit Committee in one of the following ways:

- Request for approval of services at a meeting of the Audit Committee; or
- Request for approval of services by members of the Audit Committee acting by written consent.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of EchoStar's financial reporting process, as is more fully described in our charter. EchoStar's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with generally accepted accounting principles. EchoStar's independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not and may not be employees of EchoStar, and we may not represent ourselves to be, or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on representations by EchoStar's management that its financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We have also relied on representations of EchoStar's independent registered public accounting firm included in their report on its financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with EchoStar's management and independent registered public accounting firm do not assure that EchoStar's financial statements are presented in accordance with generally accepted accounting principles, that the audit of EchoStar's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), or that EchoStar's independent registered public accounting firm is in fact independent.

In the performance of our oversight function, we reviewed and discussed with EchoStar's management its audited financial statements for the fiscal year ended December 31, 2014. We also discussed these audited financial statements with EchoStar's independent registered public

Edgar Filing: EchoStar CORP - Form DEF 14A

accounting firm. Our discussions with the independent registered public accounting firm included matters required to be discussed pursuant to the rules adopted by the PCAOB. We also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, we received and reviewed the written disclosures and the letter from KPMG LLP required by applicable requirements of the PCAOB. Finally, we have considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining their independence.

Table of Contents

Based on the reviews and discussions referred to above, we are not aware of any relationship between the independent registered public accounting firm and EchoStar that affects the objectivity or independence of the independent registered public accounting firm. Based on these discussions and our review discussed above, we recommended to the Board of Directors that its audited financial statements for fiscal year 2014 be included in EchoStar's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

Respectfully submitted,
