Proposal 1. Election of directors

Proposal 1 relates to the election of Directors of the Fund. The Board of Directors (the "Board") of the Fund proposes the election of five nominees: Adela Cepeda, John J. Murphy, Frank K. Reilly, Abbie J. Smith and J. Mikesell Thomas. Each nominee has indicated his or her willingness to serve if elected. If elected, each nominee will hold office until the next annual meeting of shareholders or until his or her successor is elected and qualified, or until he or she resigns or is otherwise removed. All of the nominees currently serve as Directors of the Fund and were last elected Director at the Fund's December 2014 annual meeting of shareholders. As described more fully below, all of the nominees have significant experience managing investment vehicles. All of the nominees are also on the boards of other funds managed by UBS AM. They have had experience as senior officers and directors of major business corporations and other investment advisors.

Directors, including those who are not "interested persons" of the Fund as that term is defined by the Investment Company Act of 1940, as amended ("1940 Act") ("Independent Directors"), shall be elected by the affirmative vote of the holders of a plurality of the shares of the Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present, so that the nominees with the largest number of votes are elected as Fund Directors. There is no cumulative voting for the election of Directors. Proxies cannot be voted for a greater number of persons than the number of nominees named. Unless you give contrary instructions on the enclosed proxy card, your shares will be voted FOR the election of all five nominees. If any of the nominees should withdraw or otherwise become unavailable for election, your shares will be voted FOR such other nominee or nominees as the Advisor may recommend.

None of the Directors or nominees beneficially owned 1% or more of the Fund's common stock and none of the executive officers beneficially owned any shares of the Fund's common stock as of September 30, 2015. In addition, the Directors and executive officers, as a group, beneficially owned less than 1% of the outstanding common stock of the Fund as of September 30, 2015.

The Nominating, Compensation and Governance Committee of the Board (the "Nominating Committee") believes that it is in the best interests of the Fund and its shareholders to obtain highly-qualified individuals to serve as members of the Board. In assessing Directors for the Board, the Nominating Committee may consider factors such as the person's judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight and the interplay of a Director or candidate's experience with the experience of other Board members. The Board believes that collectively, the Directors currently serving on the Board have balanced and diverse experience, qualifications, attributes and skills that allow the Board to effectively oversee the management of the Fund and protect the interests of shareholders. The Board noted that each Independent Director had experience serving as a director on the boards of operating companies and/or other investment companies. In addition, the Board considered the following with regard to each Director:

Ms. Cepeda has served as an Independent Director of the Fund since 2000. That position has provided her with knowledge of the operations and business of the Fund. Ms. Cepeda has significant experience related to the financial services and investment industries, having founded and served as the President of A.C. Advisory, Inc. since 1995.

Mr. Murphy has significant experience related to the financial services and investment industries, having served as the President of Murphy Capital Management since 1983.

Mr. Reilly has served as an Independent Director of the Fund since 1993. That position has provided him with knowledge of the operations and business of the Fund. Additional information

Information concerning independent registered public accounting firm

The Fund's financial statements for the fiscal year ended September 30, 2015 were audited by Ernst & Young LLP ("Ernst & Young"), independent registered public accounting firm. In addition, Ernst & Young prepares the Fund's federal and state annual income tax returns and provides certain non-audit services. The Audit Committee has considered whether the provision of those non-audit services is compatible with maintaining Ernst & Young's independence. In the past two fiscal years, the Audit Committee did not approve any services provided by Ernst & Young pursuant to Rule 2-01(c)(7)(i)(C) of Regulation S-X. The Board of the Fund has selected Ernst & Young as the independent registered public accounting firm for the Fund for the fiscal year ending September 30, 2015. Ernst & Young has been the Fund's independent registered public accounting firm since the fiscal year ended September 30, 2001. Ernst & Young has informed the Fund that it has no material direct or indirect financial interest in the Fund.

Representatives of Ernst & Young will be present at the meeting via telephone, will have the opportunity to make a statement if they desire to do so and will be available to answer appropriate questions.

Audit fees

For the fiscal years ended September 30, 2015 and September 30, 2014, the aggregate Ernst & Young audit fees for professional services rendered to the Fund were approximately \$39,372 and \$39,372, respectively.

Audit-related fees

In each of the fiscal years ended September 30, 2015 and September 30, 2014, the aggregate audit-related fees billed by Ernst & Young for services rendered to the Fund that are reasonably related to the performance of the audits of the financial statements, but not reported as audit fees, were approximately \$2,950 and \$2,950, respectively.

Fees included in the audit-related fees category are those associated with reading and providing comments on the semi-annual financial statements.

There were no audit-related fees required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the fiscal years indicated above.

Tax fees

In each of the fiscal years ended September 30, 2015 and September 30, 2014, the aggregate tax fees billed by Ernst & Young for professional services rendered to the Fund were approximately \$8,800 and \$5,300, respectively.

Fees included in the tax fees category comprise all services performed by professional staff in the independent accountant's tax division except those services related to the audits. This category comprises fees for tax return preparation, review of excise tax calculations and FIN 48 review.

There were no tax fees required to be approved pursuant to paragraph (c)(7)(ii) of Rule 201 of Regulation S-X during the fiscal years indicated above.

All other fees

In each of the fiscal years ended September 30, 2015 and September 30, 2014, there were no fees billed by Ernst & Young for products and services, other than the services reported above, rendered to the Fund.

Fees included in the "all other fees" category would consist of services related to internal control reviews, strategy and other consulting, financial information systems design and implementation, consulting on other information systems, and other tax services unrelated to the Fund.

There were no "all other fees" required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the fiscal years indicated above.

Pre-approval policies and procedures

The Audit Committee Charter contains the Audit Committee's pre-approval policies and procedures. Reproduced below is an excerpt from the Audit Committee Charter regarding pre-approval policies and procedures:

To carry out its purposes, the Audit Committee shall have the following duties and powers:

(a) To pre-approve the engagement of, and to recommend to the Board the engagement, retention or termination of, the independent auditors to provide audit, review or attest services to the Fund, and, in connection therewith, to review and evaluate the capabilities and independence of the auditors, and receive the auditors' specific representations as to their independence. In evaluating the auditor's qualifications, performance and independence, the Committee must, among other things, obtain and review a report by the auditors, at least annually, describing the following items: (i) all relationships between the independent auditors and the Fund, as well as with the Fund's investment adviser or any control affiliate of the investment adviser that provides ongoing services to the Fund; (ii) any material issues raised by the most recent internal quality control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (iii) the audit firm's internal quality control procedures.

(b) To pre-approve all non-audit services to be provided to the Fund by the independent auditors when, without such pre-approval, the auditors would not be independent of the Fund under applicable federal securities laws, rules or auditing standards.

(c) To pre-approve all non-audit services to be provided by the Fund's independent auditors to the Fund's investment adviser or to any entity that controls, is controlled by or is under common control with the Fund's investment adviser ("adviser affiliate") and that provides ongoing services to the Fund, when, without such pre-approval by the Committee, the auditors would not be independent of the Fund under applicable federal securities laws, rules or auditing standards.

(d) To establish, if deemed necessary or appropriate as an alternative to Committee pre-approval of services to be provided by the independent auditors as required by paragraphs (b) and (c) above, policies and procedures to permit such services to be pre-approved by other means, such as by action of a designated member or members of the Committee, subject to subsequent Committee review or oversight.

(e) To consider whether the non-audit services provided by the Fund's independent auditor to the Fund's investment adviser or any adviser affiliate that provides on-going services to the Fund, which services were not pre-approved by the Committee, are compatible with maintaining the auditors' independence.

Aggregate non-audit fees

For the fiscal years ended September 30, 2015 and September 30, 2014, the aggregate non-audit fees billed by Ernst & Young of \$275,597 and \$274,277, respectively, included non-audit services rendered on behalf of the Fund of \$11,750 and \$8,250, respectively, and non-audit services rendered on behalf of the Advisor (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor) and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Fund of \$263,847 and \$266,027, respectively.

The Audit Committee has considered whether the provision of non-audit services that were rendered to the Advisor (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor), and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining Ernst & Young's independence.

Additional information about the Board of Directors

The Board of the Fund meets in person at least four times each year. At each in-person meeting, the Independent Directors meet in executive session to discuss matters outside the presence of the Advisor. In addition, the Board holds special telephonic meetings throughout the year and the Independent Directors also discuss other matters on a more informal basis at other times.

The Board of the Fund met eight times during the fiscal year ended September 30, 2015. Each Director attended 75% or more of the Board meetings during the last fiscal year. In addition, no Directors attended less than 75% of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees on which such Director served during the fiscal year ended September 30, 2015.

The Fund's Directors are not required to attend the Fund's annual meetings. All six of the then current Directors attended the annual meeting of shareholders in 2014.

The Board of the Fund is responsible for establishing the Fund's policies and for overseeing the management of the Fund. The Board appoints the officers of the Fund, who, along with third party service providers, are responsible for administering the day-to-day operations of the Fund. The Board of the Fund is comprised entirely of Independent Directors that are not considered to be "interested persons" by reason of their relationship with UBS AM or otherwise as defined under the 1940 Act.

Frank K. Reilly, an Independent Director, is Chairman of the Board. As Chairman of the Board, Mr. Reilly approves agendas for Board meetings and generally facilitates communication and coordination among the Independent Directors and between the Independent Directors and the Advisor. Mr. Reilly also acts as liaison between the Fund's Chief Compliance Officer and the Independent Directors with respect to compliance matters between scheduled Board meetings.

The Board has three standing committees, an Audit Committee, a Performance Committee and the Nominating Committee. As described below, through these Committees, the Independent Directors have direct oversight of the Fund's accounting and financial reporting policies, historical and ongoing performance, the selection and nomination of candidates to the Fund's Board and the Fund's governance procedures.

The Fund's Audit Committee is responsible for, among other things: (i) selecting, overseeing and setting the compensation of the Fund's independent registered public accounting firm; (ii) overseeing the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) overseeing the quality and objectivity of the Fund's financial statements and the independent audits thereof; and (iv) acting as a liaison between the Fund's independent registered public accounting firm and the full Board of Directors. A copy of the Audit Committee Charter was included as an appendix to the 2014 proxy statement. In fulfilling its duties, the Audit Committee has: (a) reviewed and discussed the Fund's audited financial statements with UBS AM; (b) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 16; (c) received certain written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and discussed the independent auditors' independence with them; and (d) based upon its review of the above, recommended to the Board that the Fund's audited financial statements be included in the Fund's annual report to shareholders for the fiscal year ended September 30, 2014. It is anticipated the Audit Committee will conduct similar discussions and review for the fiscal year ended September 30, 2015. The Audit Committee currently consists of Mmes. Cepeda and Smith and Messrs. Reilly, Thomas and Murphy, none of whom have any relationship to the Fund that may interfere with the exercise of their independence from the Advisor or the Fund and each of whom is independent as defined under listing standards of the NYSE applicable to closed-end funds. Each member of the Fund's Audit Committee is also a member of a similar committee established by the boards of certain other investment companies for which UBS AM or an affiliate serves as investment advisor, sub-advisor or manager. The Audit Committee met five times during the fiscal year ended September 30, 2015.

The Fund's Performance Committee has the responsibility, among other things, to: (i) review quarterly reports on the investment performance of the Fund; (ii) review the investment performance benchmarks and peer group comparisons and any proposed changes to such benchmarks or peer groups for the Fund; (iii) review and consider proposed changes to investment objectives and strategies and the use of new financial instruments for the Fund; and (iv) review the kind, scope and format of, and the time periods covered by, the investment performance data and related reports. The Performance Committee currently consists of Ms. Smith, Mr. Murphy and Mr. Reilly, none of whom have any relationship to the Fund that may interfere with the exercise of their independence from the Advisor or the Fund. Each member of the Fund's Performance Committee is also a member of a similar committee established by the boards of certain other investment companies for which UBS AM

or an affiliate serves as investment advisor or manager. The Performance Committee met two times during the fiscal year ended September 30, 2015.

The Board's Nominating Committee also acts pursuant to a written charter ("Nominating, Compensation and Governance Committee Charter"). The Nominating Committee is responsible for, among other things, selecting, evaluating and recommending to the Board candidates to be nominated as additional Independent Directors of the Board, periodically reviewing the composition of the Board, periodically reviewing Board governance procedures and recommending any appropriate changes thereto and periodically reviewing the compensation structure for Independent Directors. A copy of the Nominating, Compensation and Governance Committee Charter was included as an appendix to the 2013 proxy statement. The Nominating Committee currently consists of Mmes. Cepeda and Smith and Messrs. Reilly, Thomas and Murphy, none of whom is an "interested person" for purposes of the 1940 Act, and all of whom are independent as defined under listing standards of the NYSE applicable to closed-end funds. The Nominating Committee met three times during the fiscal year ended September 30, 2015.

In nominating candidates, the Nominating Committee believes that no specific qualifications or disqualifications are controlling or paramount, or that specific qualities or skills are necessary for each candidate to possess. In identifying and evaluating nominees for Director, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include: (i) whether or not the person is an "interested person" as defined in the 1940 Act, meets the applicable independence and experience requirements of the NYSE and is otherwise qualified under applicable laws and regulations to serve as a member of the Board; (ii) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, UBS AM, other Fund service providers or their affiliates; (iii) whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Board member; (iv) the person's judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; (v) the interplay of the candidate's experience with the experience of other Board members; and (vi) the extent to which the candidate would be a desirable addition to the Board and any committees thereof.

While the Nominating Committee is solely responsible for the selection and recommendation to the Board of Board candidates, the Nominating Committee will consider nominees recommended by Qualifying Fund Shareholders if a vacancy occurs among those board members who are independent board members. A Qualifying Fund Shareholder is a shareholder that: (i) owns of record, or beneficially through a financial intermediary, 1/2 of 1% or more of the Fund's outstanding shares and (ii) has been a shareholder of at least 1/2 of 1% of the Fund's total outstanding shares for 12 months or more prior to submitting the recommendation to the Nominating Committee. In order to recommend a nominee, a Qualifying Fund Shareholder should send a letter to Adela Cepeda, the chairperson of the Nominating Committee, care of Mark Kemper, Secretary of the Fund, at UBS Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. The Qualifying Fund Shareholder's letter should include: (i) the name and address of the Qualifying Fund Shareholder making the recommendation; (ii) the number of shares of the Fund which are owned of record and beneficially by such Qualifying Fund Shareholder and the length of time that such shares have been so owned by the Qualifying Fund Shareholder; (iii) a description of all arrangements and understandings between such Qualifying Fund Shareholder and any other person or persons (naming

such person or persons) pursuant to which the recommendation is being made; (iv) the name and address of the nominee; and (v) the nominee's resume or curriculum vitae.

The Qualifying Fund Shareholder's letter must be accompanied by a written consent of the individual to stand for election if nominated for the Board and to serve if elected by shareholders. The Nominating Committee may also seek such additional information about the nominee as it considers appropriate, including information relating to such nominee that is required to be disclosed in solicitations or proxies for the election of board members.

The Board also at times creates other committees of Board members to assist in the evaluation of specific matters. The Independent Directors have also engaged independent legal counsel, and have from time to time engaged consultants and other advisors to assist them in performing their oversight responsibilities.

Shareholders may send other communications to the Board by sending a letter to the chairman of the Board, Mr. Frank K. Reilly, care of Mark Kemper, Secretary of the Fund, at UBS Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. The chairman of the Board will relay shareholder communications to the other Board members.

The Board believes that the existing Board structure for the Fund is appropriate because it allows the Independent Directors to exercise independent judgment in evaluating the governance of the Fund and performance of the Fund's service providers.

Board oversight of risk management

The Board, as a whole, considers risk management issues as part of its general oversight responsibilities throughout the year at regular board meetings, through regular reports that have been developed by Fund management and the Advisor. These reports address certain investment, valuation and compliance matters. The Board also may receive special written reports or presentations on a variety of risk issues, either upon the Board's request or upon the initiative of the Advisor, including discussions with the Advisor's Chief Risk Officer. In addition, the Audit Committee of the Board meets at least annually with the Advisor's internal audit group to discuss the results of the internal audit group's examinations of the functions and processes of UBS AM that affect the Fund and to be advised regarding the internal audit group's plans for upcoming audits.

With respect to investment risk, the Board receives regular written reports describing and analyzing the investment performance of the Fund. The Board discusses these reports and the performance of the Fund and investment risks with the Advisor at the Board's regular meetings. To the extent that the Advisor seeks to change the Fund's investment strategy that may have a material impact on the Fund's risk profile or invest in a new type of security or instrument, the Board generally is provided information on such proposed changes for the Board's approval.

With respect to valuation, the Advisor provides regular written reports to the Board that enables the Board to monitor fair valued securities in the Fund. Such reports also include information concerning illiquid securities held by the Fund. In addition, the Audit Committee reviews valuation procedures and pricing results with the Fund's independent registered public accounting firm in connection with such Committee's review of the results of the audit of the Fund's year-end financial statements.

With respect to compliance risks, the Board receives regular compliance reports prepared by the Advisor's compliance group and meets regularly with the Fund's Chief Compliance Officer ("CCO") to discuss compliance issues, including compliance risks. As required under U.S. Securities and Exchange Commission ("SEC") rules, the Independent Directors meet at least quarterly in executive session with the CCO, and the Fund's CCO prepares and presents an annual written compliance report to the Board. The Board adopts compliance policies and procedures for the Fund and receives information about the procedures in place for the Fund's service providers. The compliance policies and procedures are specifically designed to detect and prevent violations of the federal securities laws.

At the request of the Board, the Advisor also has provided presentations to the Board with respect to the Advisor's operational risk management.

From time to time, the number of shares held in "street name" accounts of various securities dealers for the benefit of their clients may exceed 5% of the total shares outstanding. According to disclosure publicly filed with the SEC, as of September 30, 2015, the following accounts beneficially held 5% or more of the outstanding shares of the Fund as shown below.

Name and address of beneficial owner	Amount and nature of ownership	Percent of Fund

Other than as set forth above, as of September 30, 2015, UBS AM does not know of any other person who owned beneficially 5% or more of the common stock of the Fund.

Section 16(a) beneficial ownership reporting compliance

The Fund is not aware of any outstanding report required to be filed pursuant to Section 16(a) of the Securities Exchange Act of 1934 by any Board member or officer.

Voting requirements

A majority of the shares outstanding and entitled to vote on October 13, 2015 represented in person or by proxy, must be present to establish a quorum for the transaction of business at the meeting. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum is present. Broker non-votes are shares registered in the name of a shareholder's broker in the Fund's books (as opposed to in a shareholder's own name) for which the broker indicates that instructions have not been received from the shareholders or other persons entitled to vote and for which the broker does not have discretionary voting authority. It is expected that abstentions and broker non-votes will have no effect on Proposal 1. In the event that a quorum is not present at the annual meeting, shareholders present in person or the persons named as proxies may propose one or more adjournments of the annual meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the annual meeting in person or by proxy. If the meeting is adjourned, notice need

not be given of the adjourned meeting at which the adjournment is taken. Upon the adjournment of the meeting, the Fund may transact any business at later meetings which might have been transacted at the original meeting.

The individuals named as proxies on the enclosed proxy card will vote in accordance with your direction as indicated thereon if your proxy card is received properly executed by you or by your duly appointed agent or attorney-in-fact. If you give no voting instructions on your executed proxy card, your shares will be voted FOR the five nominees for Director named herein, and, in the proxies' discretion, either FOR or AGAINST any other business that may properly arise at the annual meeting, including questions of adjournment. You may revoke any proxy card by attending the annual meeting in person, giving another proxy or submitting a written notice of revocation to Mark Kemper, the Fund's Secretary, at UBS Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. Unless you are attending the annual meeting in person, to be effective, your revocation must be received by the Fund prior to the meeting and must indicate your name and account number. If you attend the annual meeting in person you may, if you wish, vote by ballot at the meeting, thereby canceling any proxy previously given. If your shares are held by your bank or broker, then in order to vote in person at the annual meeting, you will need to obtain a "Legal Proxy" from your bank or broker and present it to the Inspector of Election at the meeting.

As of the record date, October 13, 2015, the Fund had 8,775,665 shares of common stock outstanding. Your vote is being solicited by the Directors of the Fund. The solicitation of proxies, the cost of which will be borne by the Fund, will be made by mail primarily but also may include telephone and oral communications by regular employees of UBS AM, who will not receive any compensation therefor from the Fund. Each full share of the Fund outstanding is entitled to one vote, and each fractional share of the Fund outstanding is entitled to a proportionate share of one vote.

Shareholder proposals

The Fund anticipates mailing this proxy statement on or about October 30, 2015. The Board intends to submit a proposal for approval by shareholders to convert the Fund from a closed-end fund to an open-end fund at a special shareholder meeting to be called in the first half of 2016 (the "Open-End Proposal"). In the event shareholders approve the Open-End Proposal, the Fund does not anticipate holding an annual meeting in 2016. In the event shareholders do not approve the Open-End Proposal, the Fund anticipates that its next annual meeting of shareholders will be held on or around the same date next year (the "2016 annual meeting"). Any shareholder who wishes to submit proposals for inclusion in the Fund's proxy statement and proxy card to be considered at the Fund's 2016 annual meeting should send such proposals to Mark Kemper, the Secretary of the Fund, at UBS Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. In order for such proposals to be included in the Fund's proxy statement and proxy card relating to the 2016 annual meeting, shareholder proposals must be received by the Fund no later than July 2, 2016 and must satisfy other requirements of the federal securities laws. Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the proxy statement for the 2016 annual meeting. A shareholder who wishes to make a proposal at the Fund's 2016 annual meeting without including the proposal in the Fund's proxy statement and proxy card for the 2016 annual meeting must notify the Fund of such proposal by directing such notice to the Secretary of

the Fund at the address set forth above by no later than September 15, 2016. If a shareholder fails to give notice to the Fund by this date, then the persons named as proxies in the proxies solicited by the Board for the 2016 annual meeting may exercise discretionary voting power with respect to any such proposal.

Other business

UBS AM knows of no business to be presented at the meeting other than the matters set forth in this proxy statement, but should any other matter requiring a vote of shareholders arise, the proxies will vote thereon according to their best judgment in the interest of the Fund.
