**ITEM 5.03 AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR**

Effective November 11, 2015, the Board of Directors (the Board) of Cimarex Energy Co. (Cimarex or the Company) amended and restated its bylaws to implement proxy access, which allows eligible stockholders to include their own nominees for director in Cimarex's proxy materials along with the Board-nominated candidates. The Board had previously announced in May 2015 that it intended to implement an appropriate, reasonable form of proxy access following further review of marketplace developments and consultation with Cimarex stockholders.

The Board has now amended the bylaws after thoughtful engagement and deliberation with its stockholders, careful review of corporate governance developments and on-going evolution of best practices and believes it has developed a reasonable framework that is in the best interests of the Company and its stockholders and responsive to stockholder input including the input provided through the passage of a proxy access proposal at the May 2015 annual meeting of stockholders. The proxy access process under the Bylaws will first be available to stockholders in connection with Cimarex's 2016 annual meeting of stockholders.

Pursuant to these amendments, a stockholder, or group of twenty or fewer stockholders (collectively, an eligible stockholder), meeting specified eligibility requirements, may include a director nominee in the Company's proxy materials for the Company's annual meetings of stockholders. To use these proxy access provisions, an eligible stockholder must, among other requirements:

- have owned 3% or more of Cimarex's outstanding common stock continuously for at least three years; and
- provide the Company with a compliant notice requesting the inclusion of the director nominee in the Company's proxy materials and other required information not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders.

All director nominees submitted through these provisions (stockholder nominees) must be independent and meet specified additional criteria. The maximum number of stockholder nominees that may be included in the proxy statement pursuant to these provisions may not exceed 25% of the number of directors in office as of the last day on which notice requesting proxy access may be delivered by an eligible stockholder. In addition, an eligible stockholder may generally include a written statement of no more than 500 words supporting the candidacy of such stockholder nominee.

The Bylaw amendments also include various updates, wording changes and clarifications.

The foregoing proxy access provisions are subject to additional eligibility, procedural and disclosure requirements set forth in Article III, Section 2A of the Bylaws, and the foregoing description of the amendments to the Bylaws does not purport to be complete and is qualified in its entirety by reference to a copy of the Bylaws filed as Exhibit 3.1 to this Form 8-K, which is incorporated by reference herein.

A copy of the Amended and Restated Bylaws marked to show changes from the prior Amended and Restated Bylaws, attached hereto as Exhibit 3.2, is incorporated by reference herein.
