Explanatory Note

This Amendment No. 4 (this Amendment No. 4) to the statement on Schedule 13D amends and supplements the statement on Schedule 13D filed by the Reporting Persons on March 8, 2017 (as amended by Amendment No. 1 filed by the Reporting Persons on March 23, 2017, Amendment No. 2 filed by the Reporting Persons on May 4, 2017 and Amendment No. 3 filed by the Reporting Persons on May 25, 2017, the Original Schedule 13D , and together with this Amendment No. 4, the Schedule 13D). The present principal occupation of each of the Board Members is as follows: Michael Arougheti, Director, Chief Executive Officer and President of Ares Management GP and Co-Founder of Ares Management; Ryan Berry, Partner, Chief Marketing and Strategy Officer of Ares Management GP; R. (f) Each of the Reporting Persons is organized in the State of Delaware. Each of the Board Members is a citizen of the United States.

Item 4. Purpose of Transaction

Item 4 of the Original Schedule 13D is hereby amended and restated in its entirety as follows:

The Issuer, certain subsidiary guarantors of the Issuer, AF V Energy I Holdings, L.P., an investment vehicle managed by Ares Management LLC (Holdings), and Wilmington Trust, National Association, as the administrative agent under the Term Loan (as defined in the Original Schedule 13D), entered into Amendment No. 4 and Limited Waiver to Credit Agreement (the Waiver) on June 29, 2018. The Issuer filed the Waiver with the Securities and Exchange Commission on Form 8-K on July 6, 2018. Pursuant to the Waiver, the Issuer, among other things, agreed to, and to cause its advisors to, negotiate in good faith (the Negotiation Commitment) with Holdings and its advisors with respect to the repayment or other satisfaction of the Issuer's indebtedness under the Convertible Notes (as defined in the Original Schedule 13D) and the Term Loan. The Reporting Persons and their affiliates hold all of the indebtedness outstanding under the Convertible Notes and the Term Loan. In connection with the Negotiation Commitment, the Reporting Persons intend to engage in discussions with management and the Issuer's board of directors (the Board) concerning a potential material strategic transaction involving the Issuer which would, if consummated, have one or more of the results specified in clauses (a) through (j) of Item 4.

On July 20, 2018, the Reporting Persons delivered a non-binding preliminary term sheet (the Term Sheet) to the Issuer contemplating several options with respect to a potential restructuring transaction (the Restructuring Transaction) involving the Issuer. The Reporting Persons currently are engaged in discussions with the Issuer's management, the Board and/or other stakeholders and persons with respect to the Term Sheet and/or other strategic transactions that, if consummated, would have one or more of the results specified in clauses (a) through (j) of Item 4. As the Reporting Persons delivered the Term Sheet for discussion and exploratory purposes only and, accordingly, no response to it has yet been received, there can be no assurance that any Restructuring Transaction will occur, or that the structure or terms of any such Restructuring Transaction, if it occurs, will not change materially from the structure and terms contemplated in the Term Sheet and summarized below. The transactions contemplated by the Term Sheet are subject to a number of contingencies and uncertainties including, without limitation, the completion of due diligence by the Reporting Persons, negotiation of terms satisfactory to the Reporting Persons, and the execution of definitive documentation. Further, certain of the transactions contemplated by the Term Sheet would involve consensual transactions with third-parties and/or be subject to the receipt of approvals (which approvals may or may not be obtained), and could be further contingent on the satisfaction of certain conditions (including various third-party consents) and various other matters outside of the control of the Reporting Persons and the Issuer. The Reporting Persons reserve the right to change their intention with respect to any and all matters referred to in this Item 4 at any time, including, without limitation, as set forth in the Term Sheet.

The Term Sheet contemplates that the Restructuring Transaction would be effected through either: (i) A sale (a Sale) of the Issuer's business pursuant to (A) an out-of-court marketing and sale process or (B) a court-approved sale (an In-Court Sale) following the commencement of cases under chapter 11 of title 11 of the United States Bankruptcy Code (Chapter 11 Cases), followed by a plan of liquidation providing for the distribution of excess proceeds of the In-Court Sale and the distribution of any and all remaining assets not sold in such In-Court Sale. The Term Sheet provides a set of proposed milestones for the implementation of the Sale, which, if not timely satisfied, would potentially trigger the implementation of the Traditional Plan (as defined below). (ii) If (A) any of the milestones contemplated in connection with the Sale are not timely satisfied, (B) it is not reasonably likely that the Sale will be satisfactorily implemented or (C) certain other events occur, the Term Sheet contemplates that the Issuer would, if not already commenced in connection with an In-Court Sale, commence Chapter 11 Cases and the Restructuring Transaction would be implemented through a balance sheet restructuring of the Issuer (the Traditional Plan).

The Term Sheet provides that proceeds from any Sale or any related subsequent liquidation of assets will be used to pay all claims of creditors of the Issuer (including, without limitation, the Reporting Persons' claims pursuant to the Convertible Notes and the Term Loan) prior to any distribution to the holders of Common Stock or the preferred stock issued by the Issuer. In addition, if a Sale is not consummated and instead the Traditional Plan is pursued (including, among other possible reasons, because the Sale is not reasonably expected to yield net proceeds sufficient to satisfy the Reporting Persons' claims pursuant to the Convertible Notes and the Term Loan and, as a result, the Reporting Persons elect to cause the Issuer not to pursue a Sale), the Term Sheet contemplates that the holders of Convertible Notes would be exchanged for 100%

Edgar Filing: Gastar Exploration Inc. - Form SC 13D/A

of the new common stock of the reorganized business of the Issuer and that all existing Common Stock and preferred stock issued by the Issuer would be cancelled and extinguished. In addition, the Term Sheet contains certain other customary terms and conditions for transactions of the type contemplated by the Term Sheet.

If the Issuer commences Chapter 11 Cases, the Purchasers (as defined in the Original Schedule 13D), who are affiliates of the Reporting Persons, anticipate that the Issuer will obtain superpriority debtor-in-possession financing (the DIP Facility). The Purchasers have indicated that they could provide a DIP Facility that would refinance all obligations under the Term Loan and otherwise contain provisions (including prepayments, covenants and events of default) customary for superpriority debtor-in-possession financings.

Edgar Filing: Gastar Exploration Inc. - Form SC 13D/A

The foregoing summary of the Term Sheet does not purport to be complete and is qualified in its entirety by reference to the text of the Term Sheet, which is attached hereto as Exhibit 10 and incorporated in this Item 4 by reference.

Under the terms of the Securities Purchase Agreement entered into on February 16, 2017 among the Issuer and the Purchasers, the Purchasers are entitled to appoint two members of the Board. On May 2, 2017, the Purchasers appointed Mr. Nathan W. Walton and Mr. Ronald D. Scott to serve as directors on the Board. Effective July 20, 2018, Mr. Walton and Mr. Scott resigned from the Board. The Purchasers intend to appoint two independent members of the Board to fill the vacancies resulting from these resignations.

In addition to the foregoing, the Reporting Persons review on a continuing basis their investment in the Issuer. Based on such review, one or more of the Reporting Persons, individually or in the aggregate, from time to time, may acquire, or cause to be acquired, through open market purchases, privately negotiated agreements or otherwise, additional securities or assets of the Issuer or its subsidiaries, dispose of, or cause to be disposed, securities of the Issuer or its subsidiaries, enter into or unwind hedging or other derivative transactions with respect to securities of the Issuer or its subsidiaries, form joint ventures with the Issuer or its subsidiaries, pledge their interest in securities of the Issuer or its subsidiaries as a means of obtaining liquidity or as credit support for loans for any purpose, or formulate other purposes, plans or proposals regarding the Issuer, its subsidiaries or any of their respective securities or assets, in light of the Reporting Persons' investment mandates and the general investment and trading policies of the Reporting Persons, the Issuer's business and prospects, financial condition and operating results, general market and industry conditions or other factors. Notwithstanding anything contained in this Schedule 13D, the Reporting Persons specifically reserve the right to change their intention with respect to any or all of such matters. In addition, the Reporting Persons and their representatives and advisers may communicate with the Board and management of the Issuer or its subsidiaries concerning the types of transactions disclosed in this paragraph or elsewhere in this Item 4, including but not limited to the acquisition of equity securities of, or assets from, the Issuer or its subsidiaries or a restructuring transaction involving the Issuer. In addition, the Reporting Persons may exercise any and all of their rights in a manner consistent with their direct and indirect equity interests, contractual rights and restrictions and other duties, if any. If the Reporting Persons were to acquire additional equity of the Issuer or convert the Convertible Notes into Common Stock, the Reporting Persons' ability to influence the management, the Board or the policies of the Issuer may increase. Furthermore, from time to time the Reporting Persons and their representatives and advisers may communicate with each other, the Board and with other security holders, industry participants and other interested parties concerning the Issuer and/or any of the other matters set forth in this Item 4. These potential actions, purchases and/or communications could involve one or more of the events referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D. While there is no guarantee that any such actions, purchases and/or communications will develop or occur, if the Reporting Persons were to acquire additional equity of the Issuer or convert the Convertible Notes into Common Stock, the Reporting Persons' ability to influence the management, the Board or the policies of the Issuer may increase. In addition, because the Purchasers hold the right to designate two directors to the Board, the Reporting Persons may have influence over the Issuer's corporate activities, which may relate, without limitation, to the Issuer's capitalization and the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Except as set forth in this Schedule 13D, none of the Reporting Persons presently has any additional plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The information set forth in Item 6 of the Original Schedule 13D is incorporated by reference in its entirety into this Item 4.

Item 5. Interest in Securities of the Issuer

Item 5 of the Original Schedule 13D is hereby amended to add the following:

Edgar Filing: Gastar Exploration Inc. - Form SC 13D/A

The beneficial ownership disclosed on the cover pages of this Schedule 13D includes shares of Common Stock that may be issued upon the conversion of the Convertible Notes, and reflects 115,410 shares held by Mr. Walton, which represents shares granted to Mr. Walton in his capacity as a director of the Issuer. Pursuant to the policies of the Reporting Persons, Mr. Walton holds these securities as a nominee on behalf of, and for the sole benefit of, the Reporting Persons and has assigned to Ares Management LLC all economic, pecuniary and voting rights in respect of such securities. The ownership percentages reported in this Schedule 13D are based on an aggregate of 220,105,332 shares of Common Stock outstanding as of May 7, 2018 as reported in the Issuer's Quarterly Report on Form 10-Q filed on May 10, 2018.
