Agreement and Plan of Merger

On November 18, 2018, Cimarex Energy Co., a Delaware corporation (Cimarex), entered into an Agreement and Plan of Merger (the Merger Agreement) with Resolute Energy Corporation, a Delaware corporation (Resolute), CR Sub 1 Inc., a Delaware corporation and a direct wholly owned subsidiary of Cimarex (Merger Sub 1), and CR Sub 2 LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Cimarex (Merger Sub 2) and, together with Merger Sub 1, the Merger Subs).

The Merger Agreement, which has been unanimously approved by the respective boards of directors of Cimarex and Resolute, provides that, among other things and subject to the terms and conditions of the Merger Agreement, (1) Merger Sub 1 will be merged with and into Resolute (the First Merger), with Resolute surviving and continuing as the surviving corporation (the Surviving Corporation), (2) at the effective time of the First Merger (the Effective Time), each share of capital stock of Merger Sub 1 issued and outstanding immediately prior to the Effective Time will be converted into one validly issued, fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation and each share of common stock, par value \$0.0001 per share, of Resolute (Resolute Common Stock) issued and outstanding immediately prior to the Effective Time (other than Cancelled Shares, any Converted Shares and any Appraisal Shares (as such terms are defined in the Merger Agreement)) will be converted into the right to receive (in accordance with such holder's election) (a) an amount in cash, without interest, equal to \$14.00 and 0.2366 validly issued, fully paid and non-assessable shares of common stock of Cimarex, par value \$0.01 per share (Cimarex Common Stock) (such consideration, the Mixed Election Consideration), (b) an amount of cash, without interest, equal to \$35.00 (subject to adjustment in accordance with the terms of the Merger Agreement) (such consideration, the Cash Election Consideration) or (c) 0.3943 validly issued, fully paid and non-assessable shares of Cimarex Common Stock (subject to adjustment in accordance with the terms of the Merger Agreement) (such consideration, the Stock Election Consideration), (the Mixed Election Consideration, the Cash Election Consideration or the Stock Election Consideration, as applicable, the Merger Consideration), (3) at the Effective Time, each share of preferred stock of Resolute, par value \$0.01 per share issued and outstanding immediately prior to the Effective Time will remain outstanding as one share of preferred stock of the Surviving Corporation, par value \$0.01 per share, (4) immediately following the Effective Time, the Surviving Corporation will be merged with and into Merger Sub 2 (the Second Merger) and, collectively with the First Merger, the Merger), with Merger Sub 2 surviving and continuing as the surviving company (the Surviving Company), (5) at the effective time of the Second Merger (the Second Merger Effective Time), each share of common stock of the Surviving Corporation outstanding immediately prior to the Second Merger Effective Time will be cancelled, and no consideration will be paid and the limited liability company interests of Merger Sub 2 outstanding immediately prior to the Second Merger Effective Time will remain outstanding and will constitute the only outstanding limited liability company interests of the Surviving Company, and (6) at the Second Merger Effective Time, each share of preferred stock of the Surviving Corporation, par value \$0.01 per share issued and outstanding immediately prior to the Second Merger Effective Time will be converted into one share of preferred stock of Cimarex, par value \$0.01 per share which will remain outstanding from and after the Second Merger Effective Time.

Pursuant to the Merger Agreement, at the Effective Time, (1) each outstanding share of restricted stock granted pursuant to the 2009 Performance Incentive Plan, as amended (the Resolute Equity Plan), will become fully vested (with any performance-based vesting satisfied at the maximum level) and each holder will have the right to receive Merger Consideration at their election, (2) each outstanding outperformance share right granted pursuant to the Resolute Equity Plan (which would, if the relevant performance and other vesting conditions were met, result in the issuance of one share of Resolute Common Stock to the holder of such outperformance share right) will become fully vested (with any performance-based vesting satisfied at the maximum level) and automatically cancelled and converted into the right to receive Merger Consideration at the election of the holder, (3) each outstanding option to purchase Resolute Common Stock granted pursuant to the Resolute Equity Plan (a Resolute Option) will become fully vested and automatically cancelled and converted into the right to receive the excess of (a) the Merger Consideration (at the election of the holder) minus (b) the applicable exercise price per share under such Resolute Option, (4) each outstanding stock appreciation right granted pursuant to the Resolute Equity Plan (a Resolute SAR) will become fully vested and automatically cancelled and converted into the right to receive an amount in cash equal to the product of (a) the total number of shares of Resolute Common Stock subject to such Resolute SAR immediately prior to the Effective Time multiplied by (b) the excess of the Cash Election Consideration minus the per share base price of such Resolute SAR, and (5) each outstanding award of restricted cash granted pursuant to the Resolute Equity Plan will become fully vested and payable at the time set forth in the Resolute Equity Plan and applicable award agreement.

Edgar Filing: Resolute Energy Corp - Form 425

The completion of the Merger is subject to satisfaction or waiver of certain customary mutual closing conditions, including (1) the receipt of the required approval of the Merger Agreement, and the transactions contemplated thereby, including the First Merger, by Resolute's common stockholders (the Resolute Stockholder Approval), (2) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), (3) the absence of any governmental order or law that makes consummation of the Merger illegal or otherwise prohibited, (4) the effectiveness of the registration statement on Form S-4 to be filed by Cimarex pursuant to which the shares of Cimarex Common Stock to be issued in connection with the Merger are registered with the Securities and Exchange Commission (the SEC), (5) the authorization for listing of Cimarex Common Stock to be issued in connection with the Merger on the NYSE, and (6) the receipt by each party of a customary opinion that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. The obligation of each party to consummate the Merger is also conditioned upon the other party's representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Merger Agreement.

The Merger Agreement contains customary representations and warranties of Cimarex and Resolute relating to their respective businesses, financial statements and public filings, in each case generally subject to customary materiality qualifiers. Additionally, the Merger Agreement provides for customary pre-closing covenants of Cimarex and Resolute, including covenants relating to conducting their respective businesses in the ordinary course and to refrain from taking certain actions without the other party's consent. Cimarex and Resolute also agreed to use their respective reasonable best efforts to cause the Merger to be consummated and to obtain expiration or termination of the waiting period under the HSR Act, subject to certain exceptions, including that Cimarex is not required to take any action that would reasonably be expected to have, individually or in the aggregate, an adverse effect on the business, financial conditions or operations of Cimarex and Resolute on a combined basis, taken as a whole, after giving effect to the Merger which effect would be a material adverse effect relative to a company that is of a size and scope substantially similar to Resolute, taken as a whole.

The Merger Agreement provides that, during the period from the date of the Merger Agreement until the Effective Time, Resolute will be subject to certain restrictions on its ability to solicit alternative acquisition proposals from third parties, to provide non-public information to third parties and to engage in discussions with third parties regarding alternative acquisition proposals, subject to customary exceptions. Resolute is required to call a meeting of its stockholders to approve the Merger Agreement and, subject to certain exceptions, to recommend that its stockholders approve the Merger Agreement.

The Merger Agreement contains termination rights for each of Cimarex and Resolute, including, among others, (1) if the consummation of the Merger does not occur on or before July 18, 2019, subject to extension to October 18, 2019 for the sole purpose of obtaining regulatory clearances and (2) subject to certain conditions, if Resolute wishes to terminate the Merger Agreement to enter into a definitive agreement with respect to a Resolute Superior Proposal (as such term is defined in the Merger Agreement), as applicable. Upon termination of the Merger Agreement under specified circumstances, including the termination by Cimarex in the event of a change of recommendation by Resolute's board of directors or by Resolute to enter into an agreement providing for a Resolute Superior Proposal (as such term is defined in the Merger Agreement), Resolute would be required to pay Cimarex a termination fee of \$35.9 million. In addition, if the Merger Agreement is terminated because of a failure of Resolute's stockholders to approve the proposals required to complete the Merger, Resolute would be required to reimburse Cimarex for its transaction expenses in an amount equal to \$7.5 million. In the event that a terminating party has the right to terminate pursuant to multiple provisions, such terminating party may elect which provision pursuant to which it is terminating the Merger Agreement.

The foregoing description of the Merger Agreement and the transactions contemplated thereby in this Current Report on Form 8-K is only a summary and does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and incorporated by reference herein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Cimarex or Resolute. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to
