CEOs to Spotlight High-Growth Business Models During Web Forum Slated for November 22, 2006

SAN DIEGO - SmallCapInsights.com, a leading investment newsletter committed to discovering tomorrow's smallcap breakthroughs, has announced that its Emerging Growth Forum will be webcast on November 22, starting at 12 noon Eastern.

The SmallCapInsights.com Emerging Growth Forum will feature chief executives of the following four smallcap companies, who will present their strategic visions for growth in a variety of industries, from biotechnology to telecommunications to entertainment.

- Auriga Laboratories, (OTCBB: ARGA)
- MultiCell Technologies (OTCBB: MCET)
- Peace Arch Entertainment, (AMEX: PAE)
- Titan Global Holdings (OTCBB: TTGL)

This live over-the-Internet video presentation employs a fast-moving, highly informative format designed specifically for the smallcap and microcap investor. The Forum will feature on-camera presentations by Chief Executive Officers, Philip S. Pesin of Auriga Laboratories, Dr. Stephen Chang of MultiCell Technologies, Bryan Chance of Titan Global Holdings and Peace Arch Entertainment President John Flock.

Investment commentator Dr. John Faessel, publisher of SmallCapInsights.com, will deliver the Forum's keynote address. Dr. Faessel, a well-known authority on smallcap investment strategies, will discuss high-growth investment opportunities.

"Microcap investing requires the ability to grasp what is visionary about a company, and to see the potential of new products and services to change a marketplace and the way people live," said Dr. Faessel. "The most successful microcap investors have to have the ability to embrace that insight rather than relying on traditional metrics and business analyses."

The Forum will last approximately 20 minutes. There is no need to pre-register. To view the webcast, visit <http://smallcapinsights.com> five or ten minutes prior to the start time and log on. The conference is free of charge and open to all interested investors.

For those unable to view the initial webcast, the Forum will be archived for replay at <http://smallcapinsights.com>.

About SmallCapInsights.com

The editors and publishers of SmallCapInsights.com have decades of direct experience both in the markets and in the newsletter genre as well as being avid students of the sector. The Companies we illuminate and represent are those we feel have the best chance of enhancing portfolio returns as we take them from initial profile to ongoing in-depth coverage. We aren't married to any space within the smallcap sector, just to those ideas and strategies that will make our opinions and observations a relevant starting point to your complete and ongoing due diligence. The good, the bad and the bizarre -and hopefully profitable--will populate our pieces. Our readers will first and foremost be our priority. Every article will include a detailed disclaimer. We are not analysts, but rather view our picks as an investor might: questioning, commenting and delivering our best opinions, be they pro or con. As well, in each piece we will highlight a technical opinion, which, though it can never be definitive, will serve to give readers a quick snapshot of our current T/A thoughts.
