Item 1.01. Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

On June 20, 2016, the Company executed an amendment (the “Amendment”) to a credit agreement with a commercial bank entered into on April 9, 2015 (the “Credit Agreement”). The Amendment extends the maturity date of the Credit Agreement from April 9, 2017 to April 9, 2018 and adjusts certain covenants.

The Credit Agreement, provides for a two-year, \$9.0 million line of credit facility, the proceeds of which may be utilized as follows: (i) \$4.0 million for working capital, letters of credit (up to \$1,000,000) and general corporate purposes and (ii) \$5.0 million for acquisitions. Indebtedness under the Credit Agreement is secured by the Company’s accounts receivable and inventory with advances outstanding under the working capital portion of the credit facility at any time limited to a Borrowing Base (as defined in the Credit Agreement) equal to 80% of eligible accounts receivable plus 50% of eligible inventory. Advances under the acquisition portion of the credit facility are limited to 75% of the purchase price of an acquired company and convert to a five-year term note. Borrowings bear interest at WSJ Prime (for the working capital line) and WSJ Prime plus 0.25% (for the acquisition line) with a floor of 3.0%. The Company will pay a fee of 0.25% per annum on the unused amount of the line of credit.

The Credit Agreement contains affirmative and negative covenants that, among other things, require the Company to maintain a minimum level of tangible net worth, a minimum liquidity and a minimum debt service coverage ratio. The Credit Agreement also contain customary events of default which, if uncured, may terminate the Credit Agreement and require immediate repayment of all indebtedness to the lenders. The Amendment revised certain covenants requiring the Company to maintain a minimum level of tangible net worth of \$7 million (a reduction from \$12.5 million) and a minimum liquidity of \$6 million (a reduction from \$7.0 million).

The description of the Amendment contained herein is qualified in its entirety by reference to the Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
