Cautionary Note Regarding Forward Looking Statements

This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the filings the words "anticipate", "believe", "estimate", "expect", "future", "in", "intend", "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

 - (ii) The audit reports of LBB on Endo's financial statements for the years ended September 30, 2005 and September 30, 2004 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles, except for explanatory paragraphs indicating that there was substantial doubt as to Endo's ability to continue as a going concern.
 - (iii) The dismissal of LBB and engagement of SLF was approved by the Corporation's Board of Directors.

- (i) Prior to engaging SLF, Endo had not consulted SLF regarding the application of accounting principles to a specified transaction, completed or proposed, the type of audit opinion that might be rendered on Endo's financial statements or a reportable event, nor did Endo consult with SLF regarding any disagreements with its prior auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the prior auditor, would have caused it to make a reference to the subject matter of the disagreements in connection with its reports.
