**Item 7.01. Regulation FD Disclosure.**

Fortress International Group, Inc. (the “Company”) will conduct a conference call and webcast to discuss its financial results on Thursday, November 15, 2007 at 8:30 a.m., EST. An accompanying slide presentation will be available via the Internet at the company’s website at: [www.thefigi.com](http://www.thefigi.com), which will be referenced during the conference call.

Pursuant to Regulation FD, the Company is hereby furnishing the slide presentation as Exhibit 99.1, which is incorporated by reference into this Item 7.01. This information is being “furnished” to the Securities and Exchange Commission (the “SEC”) and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Securities Act”), nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

Statements contained in this report contain “forward-looking statements,” within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on the beliefs and expectations of management, as well as the assumptions made using information currently available to management. In this context, forward-looking statements may address matters such as our expected future business and financial performance, and often contain words such as “guidance,” “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should,” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For the Company, particular uncertainties that could adversely or positively affect its future results include the following: the Company’s reliance on a significant portion of its revenues from a limited number of customers; the uncertainty as to whether the Company can replace its declining backlog; risks involved in properly managing complex projects; risks relating to revenues under customer contracts, many of which can be canceled on short notice; risks related to the implementation of the Company’s strategic plan, including the ability to make acquisitions and the performance and future integration of acquired businesses; and other risks and uncertainties disclosed in the Company’s filings with the Securities and Exchange Commission, which are available at the Securities and Exchange Commission’s internet website ([www.sec.gov](http://www.sec.gov)) and to which reference is hereby made. These uncertainties may cause Company’s actual future results to be materially different than those expressed in the Company’s forward-looking statements. The Company does not undertake to update its forward-looking statements.
