Item 2.05. Costs Associated With Exit or Disposal Activities.

On September 29, 2009, The Orchard Enterprises, Inc. (the “Company”) announced a restructuring action to further reduce expenses. On September 25, 2009, the Board of Directors of the Company approved a staff reduction initiative which will result in (1) the elimination of 16 staff positions, 5 consultants and certain temporary positions and (2) any current open positions not being filled, representing approximately 20% of the Company’s pre-reduction headcount. This reduction, among other cost savings initiatives taken throughout the year, is to take advantage of technology efficiencies and to align costs with a slower than expected digital music market growth rate. Substantially all affected personnel were notified on or immediately prior to September 29, 2009. The Company expects to record an estimated total pre-tax net cash charge of approximately \$0.36 million attributable to this staff reduction initiative in the third quarter of fiscal 2009 related to severance and related severance benefits. The Company expects that this charge will result in cash expenditures of approximately \$0.36 million over the third and fourth fiscal quarters.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 25, 2009, Greg Scholl resigned, effective November 1, 2009, as President and Chief Executive Officer of the Company and as a member of the Board of Directors (the “Board”), to accept a new position with another company. Mr. Scholl will remain employed by the Company until October 31, 2009 to assist in structuring an orderly transition. Pursuant to Mr. Scholl’s employment agreement with the Company, Mr. Scholl will not receive any severance benefits.

In connection with Mr. Scholl’s resignation, the Board formed a search committee to identify qualified candidates to serve as the Company’s chief executive officer and appointed Michael Donahue, Chairman of the Board, to head the committee. In addition, the Board appointed Danny Stein, a member of the Board, as Interim Chief Executive Officer effective October 1, 2009 for a three month period. In addition, Mr. Stein will assist in structuring an orderly transition beginning on October 1, 2009. Mr. Stein will receive \$50,000 as compensation for his role as Interim CEO.

Mr. Stein, 40, has served as a member of our Board since November 2007. Mr. Stein serves as President of JDS Capital Management, Inc., an investment firm based in New York that invests in private and public debt and equity, and he has held this position since 2003. In addition, Mr. Stein has served as chief executive officer of eMusic.com, one of our customers, since March 2009 and prior to that served as interim chief executive officer of eMusic.com from October 2008. From May 2001 through October 2002, Mr. Stein was the chief executive officer of TTR Technologies, a company that specialized in copy-protection technologies whose assets were sold to Macrovision (MVSN). From 2000 to 2001, Mr. Stein was President of Javu Technologies, which licenses software and services to corporations that store, manage, deliver or repurpose video assets. From 1999 to May 2000, Mr. Stein was president, chief operating officer and a director of the Wedding List Company, an Internet company with retail outlets specializing in the wedding gift and registry business.
